Continue to review activities to provide support and assistance to assigned Human Services branch and other SEOC entities. Maintaining media awareness regarding situation and community activities. Requested list of links to Mexican lead-awareness documentation allegedly in use by local advocates seeking Spanish language materials.

#### **Community Health (MDCH)**

The CHECC remains active at a Level 2, and continues to staff the hotline to answer any health-related questions that 2-1-1 is unable to answer in order to support GCHD. The CHECC is also working with the GCHD to assess the potential need for volunteer staffing and management support, as well as a communication strategy for messaging to pregnant women and oral health professionals.

MDHHS participated in the Unified Coordination Group (UCG) call this morning at 0900. UCG will be setting up four (4) Task Force Teams, as detailed below. State and local entities will only be involved with these task forces on an "ad-hoc" basis if subject matter expertise is requested. Discussion took place with the UCG on the development of a "Science Group," that would advise and provide technical expertise outside of operations. The objectives of the Science Group will be set by the Flint Water Interagency Coordination Committee (FWICC).

- Health and Medical Task Force – Led by HHS
- Human Services Task Force – Led by Administration for Children and Families
- Water Quality Task Force – Led by EPA and ATSDR (CDC)
- Nutrition and Education Task Force – Led by USDA

MDHHS participated in a meeting with the CDC ATSDR and NCEH to discuss priorities in relation to data and surveillance, to include what involvement may be necessary from the state.

#### **Corrections (MDOC)**

We continued operations at the warehouse and all PODs were well supplied.

We continue to keep trucks dedicated to delivering to individual PODs and have Rapid Responses ready for any POD that gets to a critical level of supplies.

205 Water Samples were collected and delivered to the DEQ Lab in Lansing.

We are in the process of training backfill personnel for the staff assigned to the detail. We had 17 employees and an SAJ work crew on the ground in Flint today. Our employees assigned to the mission are often putting in 12+ hours days and have not complained once. *We truly appreciate their efforts and we remind them daily. We continue to staff the SEOC from 0800-2000, 7 days/week.*

#### **Education (MDE)**

1. Michigan School for the Deaf. Report to LARA on the latest word from the landlord is that the three new drinking fountains will be installed this weekend (Jan 30-31). He said we should allow him until mid-week, next week, as a back-up estimated completion date. Based on that, MSD contacted Joe Madziar, and he indicated next Friday (February 5) would be a tentative date for LARA to schedule Stevens Hall testing.

#### **Environmental Quality (MDEQ)**

The Department of Environmental Quality (DEQ) completed the following activities today:

Responded to request from EPA by providing up-to-date spreadsheet of sample results through January 29, 2016.

Worked with Joint Information Center (JIC) to seek to manage public expectations about how long it will take for sample results to be mailed to residents, given what was reported in some media.

Confirmed that the City was provided the assistance they requested yesterday to send out sample test results.

Continued activities to comply with EPA Order, including:

Several new mapping/GIS requests for overall analysis.

Initiated resource order for 10 new teams with law enforcement escort.

Secured addresses of currently unoccupied homes.

#### **Human Services (MDHS)**

Continue to review activities to provide support and assistance to Human Services branch and other SEOC entities.

CHECC continues to maintain a Level 2 Activation

#### **Licensing and Regulatory Affairs (LARA)**

Updated the LARA Executive Team

Testing at Freeman School was terminated today due to a broken pipe. Repairs occurred to ensure system is working for the school week. Testing has been rescheduled with DEQ.

Material Lists continue to be developed.

Reviewed facility needs for DHHS Child facilities.

#### **Military and Veterans Affairs (DMVA)**

Commanders Situation Report (SITREP)

1. DTG: 3113002016

2. UNIT: Points of Distribution (PODs), TF FLINT (1-125 IN)

3. POC: Ssg Gazzeny, Darryl L. Cell:                      Email: armyinfantry31@yahoo.com

4. PRESENT LOCATION: Genesee County Local EOC, 1101 Beach St., Flint, MI, 48502

5. *SITUATION OVERVIEW: 1-125 IN has 53 Soldiers deployed to the Flint Water Crisis in support of Distribution Operations at the Points of Distributions (PODs). Daily operations consist of receiving, tracking, and issuing out water, filters, replacement filters, and water test kits.*

6. *OWN SITUATION DISPOSITION /STATUS: Currently 1-125 IN has 53 Soldiers on ground supporting the mission.*

7. *OPERATIONS: Operations for the next 24 hours are to sustain water/filter distributions throughout the 5 designated fire stations and track all distribution incoming and outgoing through the PODs.*

a. SEOC has the POC with MDOT. Lt. Benke will be linking up with MDOT technician to do a visual reconnaissance.

1.) Workers from the City of Flint determined that they do not have the capabilities to support the road sign warnings. Local EOC was working through the Genesee County Road Commission and determined that they do not have the resources to sustain our long term operations.

b. Flint City Electricians have assessed outside lighting issue at station 5 and 8. In addition, they will be fulfilling long requested work order for maintenance on all lighting at those stations.

8. *PERSONNEL*     Soldiers are currently assigned to the POD operations     Soldiers are assigned in five teams at Fire Stations 1, 3, 5, 6 and 8.     Soldiers were released and conducted reverse RSOI.     new Soldiers will report 1JAN2016 in support of TF Flint.

9. *INTELLIGENCE / FORCE PROTECTION: No force threats have been identified.*

10. *LOGISTICS: In support of recycle project sponsored by Schupan, the special purpose recycle bags have not been distributed to POD operations.*

11. *COMMUNICATIONS: No communications issues at this time.*

P: 800 MHz radios issued to PODs and WRTs.

A: RRF cell phones alternate for WRTs.

C: Personal cell phone

E: Runner

12. *NARRATIVE: N/A*

#### **13. COMMANDER'S EVALUATION:**

- POD operations are still functioning well. We are trying to improve the efficiency, professional appearance, and long-term establishment of the POD's, but, overall the POD's operations are remaining successful.
- Recycling has been implemented at PODs 1, 5, and 8. Recycling is happening frequently but at a restriction due to the lack of supply of clear recycle bags given from schupan..
- Consolidated Station Report OUT (last 24 hours)
- Bottled water-4196 Water (Gallons)-36 Lead Testing Kits-399
- Pitcher (23 cup)-0 Brita Faucet Filter-102 Brita Replacement Cartridge-251
- Pur Filter-484 Pur Replacement Filter-623

#### **National Weather Service (NWS)**

NWS Detroit providing morning SEOC brief and Activity Log posts. Jim Maczko from NWS Grand Rapids will be the contact point for any changes in NWS Support and will also continue to update the Sit Rep Executive Summary as needed.

Participation in afternoon SEOC briefings is planned only if significant changes in the forecast occur.

#### **Natural Resources (MDNR)**

MDNR LED continues to support its QOL partners with staffing at the SEOC.

Department POC's include:  
Chief Gary Hagler, F/Lt. Jennifer Wolf, F/Lt. Steven B. Burton.

#### **Services to the Aging (OSA)**

Valley Area Agency on Aging (VAAA) continues to receive phone calls from concerned seniors in Flint and continues to make referrals to the Genesee Co. EOC for water and filter follow-up.

VAAA's local Nursing Home Ombudsman continues to monitor Flint area Nursing Homes to ensure residents have access to safe water.

Contact info for VAAA Executive Director is:

Kathryn C. Boles  
President, CEO  
Valley Area Agency on Aging  
225 E. Fifth Street, Suite 200  
Flint, MI 48502  
(810) 239-7671  
(810) 239-8869 fax

#### **State Police (MSP)**

(Also, on February 3, is the City Council Public Safety Committee Meeting from 6 p.m. – 7 p.m. same location)

The MIOC will continue to monitor this for additional information. This information was forwarded to the SEOC, Local EOC, along with the MSP Flint Post.

The MSP position within the SEOC will be staffed at MSP Operations at HQ. All e-mails to MSP-EOC-MDSP@michigan.gov are being forwarded to the Operations Lt. The phone number for the on duty Operations Lieutenant is 517-241-8000

#### **Supreme Court**

08:50 - State Judiciary EMC John Ort reported to the SEOC regarding the Flint water emergency. Nothing to report from the Judiciary regarding the emergency. DEQ website resources shared with our State Court Administrative Office (attn: Region II) in case our Genesee County courts have any questions regarding the emergency.

#### **Technology, Management and Budget (MDTMB)**

Continue to provide DTMB management with daily updates and resource requests received.

DTMB Print & Graphic Services to provide translation of Lead Fact sheet and printing for water testing document.  
DTMB providing four drivers to assist with transportation of supplies on Monday, three for the point of distribution sites and one at the food bank.

#### **Transportation (MDOT)**

MDOT is providing traffic measures at Fire Station #6 on Pierson Rd. and Fire Station #3 on Martin Luther King Blvd:  
-4 portable changeable message boards (2 each site).  
-100 grabber traffic cones (narrow reflective cones) (50 each site)

MDOT continues to maintain situational awareness and respond to issues regarding equipment and road conditions.

### **Flint Water Daily Update Updated Feb. 1**

#### **Current Issues Talking Points**

##### **Governor and DEQ stress importance of home water testing**

- The health and safety of Flint residents remains a top priority. It is essential that all Flint residents have the water in their homes tested as soon as possible.
- While water filters will eliminate lead in most homes, those with levels above 150 parts per billion will need to take extra precaution.
- If levels are above 150 ppb, residents should not drink water from the filtered faucet and use bottled water only.
- DEQ and DHHS will visit homes found to have lead levels over 150 ppb for additional testing.
- To date, less than one percent of Flint homes have been identified as having lead levels of this amount. Results showing lower levels indicate residents should continue following established protocols.
- Pregnant and nursing mothers and young children should continue to drink bottled water as a precaution.
- Free water testing kits are available at Fire Stations 1, 3, 5, 6, and 8. Water Samples should be returned to the fire stations for testing.
- Anyone who is unable to get to a Fire Station to pick up a free testing kit should call United Way 2-1-1 for assistance.

##### **Federal denial of WIC expansion for Flint children**

- On Saturday, the federal government denied the Governor's request to use supplemental nutrition funding for Flint children up to 10 years of age who may have been exposed to high lead levels in the water.
- The governor has continually stated that the Flint water issue is the result of government failure at all levels. All levels of government should be committed to supporting Flint's families along their road to recovery.

- It is understood that WIC funding is generally meant for children five years old and younger, however this disaster calls for a waiver of this rule. Expanded nutritional support for children under 10 is essential to their long-term well-being.
- The Governor is urging the federal government to re-evaluate their denial of this funding.
- The state has provided more than \$28 million for a short-term solution in Flint, but additional funding and collaboration is necessary to implement a successful long-term solution.

**Subject:** Monday, Feb. 1 update from the Flint Water Response Team

## FLINT WATER RESPONSE TEAM

UPDATE | MONDAY, FEBRUARY 1, 2016

This daily update is being issued in order to provide the latest information regarding actions and available resources.

### **EPA and DEQ continue interagency cooperation discussions on Flint water**

Michigan DEQ Director Keith Creagh met with the EPA as part of ongoing interagency cooperation to address the Flint water crisis. *The EPA and DEQ have met regularly since a state of emergency was declared in Flint in early January.*

**[Click here to learn more about the interagency cooperation.](#)**

Flint families need critical clean water resources. Since January 9, the state has distributed:

- 234,490 cases of bottled water
- 100,593 water filters
- 204,736 replacement cartridges

### **REMINDERS**

- For Flint water assistance: Dial 211 or visit [www.mi.gov/FlintWater](http://www.mi.gov/FlintWater)
- To donate or volunteer: visit [www.HelpForFlint.com](http://www.HelpForFlint.com)
- Residents should install filters to their taps to ensure they have immediate and ongoing access to safe water. Only run cold water through the water filter and use filtered water for drinking and cooking. Monitor the cartridge on the filter and replace as needed.

### **WATER RESOURCE LOCATIONS**

These sites are open seven days a week from 9 a.m. to 9 p.m. with the following resources:

- Bottled water
- Water filters
- Replacement cartridges for water filters
- Water testing kits pick-up
- Drop-off location for water testing kits

Fire Station #1  
310 East 5th St.  
Flint, MI 48502

Fire Station #3  
1525 Martin Luther King Ave.  
Flint MI 48503

Fire Station #5  
3402 Western Rd.  
Flint, MI 48506

Fire Station #6  
716 West Pierson Rd.  
Flint, MI 48505

Fire Station #8  
202 East Atherton Rd.  
Flint, MI 48507

We will continue to work to improve the water situation in Flint. Community members and local officials are working together to make sure we hear and respond to concerns. Governor Snyder will continue to keep you updated on the latest news and information. **If you don't find the resources you need by dialing 211 please call the Governor's office directly at 517-335-7858.**

**Subject:** SEOC Update 2/1/16 - Flint Water - Limited Distribution  
**Attachments:** SitRep27 Flint Water.pdf; Day to Day POD Comparison for FEMA 1-31-16.xlsx; State Agency Weekly Activities 2 1 16.docx; Flint Water Timeline Daily Update DRAFT.docx

### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

#### **Update 2/1/16 – 28<sup>th</sup> Day (27<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

##### **Mission focus for the day:**

- Finalize new Incident Action Plan (IAP) for Operational Period 2/2/16 to 2/9/16.
- Sync up with the UCG to ensure lines of communication and operation are clear.
- Ensure adequate quantities of supplies to support operations.
- Continue investigating a warehousing option for non-palletized donations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Shift Water Response Teams operations to a targeted effort to provide filters into homes where data shows where filters have not been provided.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
- Continue to work on SBA application – pends status of Declaration of Emergency appeal.
- Obtain additional information from the City of Flint and Genesee County for appeal.

##### **Status on Governor's request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal. IHP is an Individual Assistance program.

##### **Attached:**

1. SitRep 27
2. Flint Water Timeline (DRAFT) – This is a running record I keep so I have it for future reference. This is draft but thought some of you may want it at this time.
3. State Agency Weekly Activities – It was mentioned on the morning call to have a weekly activities sheet. I am certain there are other events to be added but this is from the SEOC personnel.
4. Day to Day POD Comparison Data – Internal for EMHSD and FEMA

##### **Key items for tomorrow to note are:**

- 10 American Red Cross Teams scheduled for Tuesday, February 2, 2016
- Franchise Customers continue to be targeted for visits with additional to be determined.

### Items to Note

- The question came up as to the difference between active residential customers and residential parcels. Customers are on the Flint water system according to what the City of Flint provides us. Residential parcels are those not on the system for numerous reasons to include them having a well or just not connected to the system. We are aware some not on the system have gotten filters. I also do not have a lot of faith in the records provided to us by the city water department. We just received an updated franchise list which had more customers from the city that is different from the one we were given earlier.
- Received approval to obtain a former Kroger store near Statoin 6 POD. This will greatly alleviate donation management issues. Office space is available at this location if needed.
- 10 ARC Flint Water Response Teams to the field today.
- GIS was not able to develop maps with today's data due to issues with the software. They will be providing maps first thing tomorrow.
- Recovery Branch coordinated meeting with Michigan Community Service Commission (MCSC), Local EOC, and ARC regarding volunteer coordination and reporting.
- JIC is working to set up a legislative and congressional briefing call this week.
- Information reported to the JIC:
  - As of 2/1/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

#### 1. Homes visited by the FWRTs to date.

Phase I 1/12/16	Phase II 1/12/16	Targeted Total 1/12/16	ARC Paper Data* 1/31/16	Targeted Canvassing Mission 2/1/16
30,770	37,844	11,876	1,135	1,164

\*Data from last night that was not available.

#### 2. Distributed:

Commodity	Total to Date
a. Number of cases of water	244,933
b. Filters	101,911
c. Filter cartridges	205,820
d. Test kits	33,561

#### 3. Resources purchased:

- a. Cases of water 2,637,324 Liters (additional 1,127,171 Liters donated)
- b. Filters 165,048
- c. Filter Cartridges 389,357
- d. Test kits 62,701

#### 4. Teams going out tomorrow:

- a. 10 American Red Cross Teams scheduled for Tuesday, February 2, 2016.

### Standing Information Requirements

#### 1. Number of homes visited each day:

- a. 1/31/16, ARC Data, 1,135 homes were visited yesterday. Data was not included in yesterday's report.
- b. 2/1/16, as of 5 pm, 1,164 homes were visited today

#### 2. Total number of homes visited:

- a. Targeted Canvassing Mission: 11,876

#### 3. Total number of National Guard on the ground:

- a.

#### 4. Total Number of Volunteers each day:

- a. 50 volunteers on 2/1/16, per ARC.

5. **\*Number of homes with filters:**

	Total Number	Number with filters
Residential parcels	38,831	28,167
Active residential water subscribers	26,673	22,400

*\*Number does not include franchise customers, will be updated tomorrow morning.*

6. **Number of Water filters distributed (each day and to date):**

- a. 1,318 (1,001 FWRT + 317 PODs [1700 1/31 to 1600 2/1]) were distributed since this report yesterday and total distributed to date is 101,911.

7. **Cases of Bottle water distributed (each day and to date):**

- a. 10,443 (1,218 FWRT +9,225 PODs [1700 1/31 to 1600 2/1]) were distributed since this report yesterday and the total distributed to date is 244,933.

8. **Number of testing kits distributed (each day and to date):**

- a. 1,091 (293 FWRT +798 PODs [1700 1/31 to 1600 2/1]) were distributed since this report yesterday and the total distributed to date is 33,184.

9. **Number of people tested for elevated blood levels (kids, adults, total):**

- a. Per CHECC: People tested for Lead 10/1/2015 to 1/22/2016: \*3,351

*\*this data will not be updated again until Tuesday.*

10. **Number of people with elevated blood level (kids, adults, total):**

- a. Per CHECC: These numbers are only updated bi-weekly
- Children less than 6 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 38
  - Children 6 to 17 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 7
  - Adults 18 years and older  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 22

*\*This data will not be updated again until Tuesday*

11. **Number of homes with safe drinking water:**

- a. Drinking water (9/3/15 to 2/1/16)\*
- 5227 out of 5590 (94%) at or below 15ppb (363 tests above)
  - <5 ppb: 4594 (82%)
  - 5-15 ppb: 633 (11%)
  - > 15 ppb: 363 (6%)
  - > 150 ppb: 48 (0.9%) – DEQ was tasked with getting better information on this as to how many are residences, what steps have been taken with them, how many have been “cleared,” and how many are new. They will be working on it first thing tomorrow. Based on sheets I was provided this evening, since the report on Friday:
    - Saturday there were 4 additional results >150 ppb
    - Sunday there were 5 additional results >150 ppb
    - Monday there were 6 additional results >150 ppb
  - > 30 ppb: 199 (4%)

*\*Note, per MDEQ, this data is from uncontrolled samples provided by residents.*

Local EOC

- Coordination of rapid response deliveries to homebound residents and special locations.
- Finalized rapid response delivery plan with ARC, Team Rubicon, Michigan Community Service Commission and SEOC.
- IC/Genesee County EMC attended county commission meeting, briefed commission on response efforts, and addressed questions and concerns.
- Addressing public concerns, including rumors of availability of FEMA relocation assistance.
- Coordinating with charter schools outside the city of Flint/Flint water system for supply of water resources to students that are Flint residents.
- Attended conference call with Dow Chemical to discuss potential donation of filter systems. Will provide spec sheets to SEOC Logistics.

- **10 American Red Cross Teams scheduled for Monday, February 1, 2016**
- **City Sections Scheduled Tomorrow\***: Franchise Customers, Additional to be determined.  
\*City sections subject to change based on available data updates. Teams will reach out for additional assignments if entire city section is completed during the operational period.

**Items to Note**

- 10 ARC Flint Water Response Teams to the field today.
- Information reported to the JIC:
  - As of 1/31/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

**1. Homes visited by the FWRTs to date.**

Phase I	Phase II	Targeted Total	Targeted Canvassing Mission 1/31/2016
30,770	37,844	9,577	551*

\*Due to an issue with the iPads in the field not all numbers were captured for today’s outreach. The additional residences will be entered tonight by ARC and will be included in the data for tomorrow, per Recovery Branch.

**2. Distributed:**

Commodity	Total to Date
a. Number of cases of water	234,490
b. Filters	100,593
c. Filter cartridges	204,736

d. Test kits	32,093
--------------	--------

3. Resources purchased:

- a. Cases of water 2,637,324 Liters (additional 996,080 Liters donated)
- b. Filters 165,048
- c. Filter Cartridges 383,282
- d. Test kits 62,701

4. Teams going out tomorrow:

- a. 10 American Red Cross Teams scheduled for Monday, February 1, 2016.

New Standing Information Requirements

1. Number of homes visited each day:

- a. 1/31/16, as of 5 pm, 551\* homes were visited today
  - i. \*The numbers are low due to an issue with the iPad input, the additional residences will be inputted tonight and included in tomorrow numbers.

2. Total number of homes visited:

- a. Targeted Canvassing Mission: 9,577

3. Total number of National Guard on the ground:

- a.

4. Total Number of Volunteers each day:

- a. 236 volunteers on 1/31/2016, per ARC.

5. Number of homes with filters:

	Total Number	Number with filters
Residential parcels	38,831	28,081
Active residential water subscribers	26,673	22,334

6. Number of Water filters distributed (each day and to date):

- a. 624 (299 FWRT + 325 PODs (1700 1/30 to 1600 1/31)) were distributed since this report yesterday and total distributed to date is 100,593.

7. Cases of Bottle water distributed (each day and to date):

- a. 7,302 (426 FWRT +6876 PODs (1700 1/30 to 1600 1/31)) were distributed since this report yesterday and the total distributed to date is 234,490.

8. Number of testing kits distributed (each day and to date):

- a. 581 (251 FWRT +330 PODs (1700 1/30 to 1600 1/31)) were distributed since this report yesterday and the total distributed to date is 32,093.

9. Number of people tested for elevated blood levels (kids, adults, total):

- a. Per CHECC: People tested for Lead 10/1/2015 to 1/22/2016: \*3,351  
\*This data will not be updated again until Tuesday.

10. Number of people with elevated blood level (kids, adults, total):

- a. Per CHECC: These numbers are only updated bi-weekly
  - i. Children less than 6 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 38
  - ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 7
  - iii. Adults 18 years and older  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 22

\*This data will not be updated again until Tuesday

11. Number of homes with safe drinking water:

- a. 5,020 water samples out of 5,356 sampled through January 31, 2016 are at or below the action level of 15 ppb for lead. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

Local EOC

- Addressing various public concerns, including concerns regarding filter efficiency.
- Establishing procedures for receiving incoming donations of loose water at overflow locations.

- Established rapid response delivery plan with ARC and Team Rubicon.
- Coordinated rapid response deliveries to homebound residents and special locations.
- Coordinated with VRC for door-to-door distribution of recycling information and supplies.
- Genesee County Board of Commissioners meeting scheduled for 02/01/2016.

# Damage Assessment and Emergency Status Report

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

## Operational Period

Operational Period Begin: 01/26/2016 08:00:00  
Operational Period End: 02/02/2016 08:00:00  
Situation Report No. 27  
SEOC Status: Full  
SEOC Hours of Operation Begin: 02/01/2016 08:00:00  
SEOC Hours of Operation End: 02/01/2016 20:00:00

## Executive Summary

### SEOC Update:

Accomplished today (February 1, 2016):

The SEOC continues to provide:

- Situational awareness.
- Common operating picture/objectives.
- Coordination with city/county.
- Potential coordination with federal agencies.
- Incident prioritization.
- Coordination of life/health safety measures.
- Resources.
- Public information control.

### Logistics:

- Fielded resource requests.
- Fielded rapid response requests.
- Fielded Governor's office requests.
- Facilitated distribution team calls.
- Coordinated warehouse deliveries for donated and purchased water.
- Continued to check the status of the Food Bank warehouse.

### JIC:

- Updated internal talking points about the ongoing Flint water emergency.
- JIC is planning to issued a news release regarding a meeting between DEQ and EPA, and the continued interagency partnership.
- JIC is working to set up a legislative and congressional briefing call this week.

### Recovery Branch:

- Attended local briefing, SEOC state agency briefing, and distribution process meetings.
- Worked with GIS to develop an area map and spreadsheet with addresses based on data specified as "follow up required" for Red Cross teams.
- Worked with GIS to map and analyze city of Flint apartment buildings to send out water response teams.
- Worked with GIS to develop a map and street addresses for franchise customers to send out to Red Cross water resource teams.
- Coordinated meeting with MCSC, local EOC, and ARC regarding volunteer coordination and reporting.
- Team priority visited today: franchise customers.
- City sections visited today: franchise customers, 22, 33, 4, 7, 1, 32, 13, 12, 15, 37.
- City sections scheduled tomorrow: franchise customers, additional to be determined.
- 10 American Red Cross teams scheduled for Tuesday, February 2, 2016.

o Data is for 2/1/16 as of 5:00 pm:

o Total homes visited:

- 11,876 (round 3 total).
- 1,686 (total 1/31).
- 1,164 (today).

o Water cases (liters calculated by multiplying # of cases x 12):

- 87,792 liters or 7,316 cases (round 3 total).
- 13,932 liters or 1,161 cases (total 1/31).
- 5,796 liters or 483 cases (today).

o Replacement cartridges:

- 1,886 (round 3 total).
- 144 (total 1/31).
- 473 (today).

o Faucet filters:

- 6,228 (round 3 total).
- 407 (total 1/31).
- 437 (today).

### Planning Section:

- Published Sit Rep #24
- Published IAP #8.
- Compiled a list of activities from all state agencies taking place this week for the Governor's office.
- Trained additional Planning Section staff.
- Participated in IAP development process to include tactics meeting and planning briefing.

Operations Section:

- o Attended the unified command group meeting to determine tactics for the operational period.
- o Facilitate daily local EOC and SEOC state agency briefings
- o Participated in the development of the Incident Action Plan including the tactics and planning briefing.
- o 20 ARC volunteers were active across the operation today.
- o 30 event-based volunteers were active across the operation today.

o Warehouse Numbers as of 1800:

- Water (liters):
  - 600,882.
- Filters (faucet):
  - 49,016.
- Replacement cartridges:
  - 373,190.
- Test Kits (prepped):
  - 23,795.
- o PODs (1700 1/31 – 1600 2/1):
  - Water (cases):
    - 110,700 liters or 9,225 cases.
  - Filters (faucet):
    - 317.
  - Replacement Cartridges:
    - 543.
  - Test kits:
    - 798.

Finance Section:

- Developed template for state agency costs to be reported on a weekly basis.
- Created document for Recovery Branch Chief outlining requirements for possibly using donations toward 25% match of federal funds.
- Reviewed state agency costs submitted to date.

GIS Branch Updates:

- Prepared for a possible TV interview about GIS.
- Completed and distributed daily maps.
- Updated parcels with newest franchise customers.
- Prepared maps for Captain Kelenske to use with Executive Council.
- Prepared report on maps for Governor's office.
- Created a map of apartments and assisted living centers.

DTMB:

- Provided translation of lead fact sheet and printing for water testing document.
- Provided four drivers to assist with transportation of supplies on Monday, three for the point of distribution sites and one at the food bank.
- Provided assistance to ensure [www.helpforflint.com](http://www.helpforflint.com) and [www.flintvolunteer.com](http://www.flintvolunteer.com) are not blocked by state network.

DHHS-CH:

- CHECC remains at a Level 2 activation and continues to staff the hotline for health related questions.
- MDHHS participated in the Unified Command Group (UCG) call this morning.
- Requested that MDHHS Environmental Health Director include EPA on the notification for homes in Flint that are testing for high lead levels.
- Worked with MDHHS PIO and DTMB on the translation of materials on the Flint Water website.

DEQ:

- 382 test kits delivered to lab.
- Coordinated with the EPA for participation on the High Lead Home Strike Force.
- Coordinated with EMHSD to post DEQ reports to the Flint water website.
- Finalized EPA tracking sheet and summary and worked on new tracking spreadsheet for EPA Flint Drinking Water Task Force and Safe Water drinking plan.
- Drinking water test results to date (9/3/15 to 2/1/16):
  - o 5,227 out of 5,590 (94%) are at or below 15ppb.

Local EOC Update:

- Coordination of rapid response deliveries to homebound residents and special locations.
- Finalized rapid response delivery plan with ARC, Team Rubicon, Michigan Community Service Commission and SEOC.
- IC/Genesee County EMC attended county commission meeting, briefed commission on response efforts, and addressed questions and concerns.
- Addressing public concerns, including rumors of availability of FEMA relocation assistance.
- Coordinating with charter schools outside the city of Flint/Flint water system for supply of water resources to students that are Flint residents.
- Attended conference call with Dow Chemical to discuss potential donation of filter systems. Will provide spec sheets to SEOC Logistics.

**Incident Response/Recovery Priorities/Objectives**

(Objectives are in order of priority with original objective number attached)

1. Ensure all households within impacted community have required resources.
2. Ensure accurate tracking and accounting of all commodities.
7. Gather, analyze, and disseminate GIS data to develop products for future planning.
10. Collaborate with local and volunteer agency partners to solidify the Flint Water Operations Plan.
3. Improve and maintain the public information strategy and process.
8. Maintain coordination between partner agencies and organizations to include FEMA IMAT and the FWICC

4. Develop a long term public health and services plan.
6. Develop an overview of possible assistance programs.
9. Enhance situational awareness and common operating picture of all activities.
5. Continue to maintain adequate staffing to support operational requirements.

### Damage Assessment Summary

## Agency Summaries

## Joint Information Center / Public Information Officer

The Joint Information Center (JIC) was expected to be operational in Flint from 8 a.m. to 8 p.m. on Feb. 1. The JIC was operational until 11 p.m. on January 31, 2016.

State agencies at the JIC included the Michigan State Police, Michigan Community Service Commission, Michigan Economic Development Corporation and Departments of Environmental Quality, Natural Resources, Transportation, Health and Human Services, and Military and Veterans Affairs. The Genesee County Sheriff's Office and the American Red Cross were also present. Tasks accomplished:

- Media hotline staff answered more than 20 emails and phone calls ranging from questions on a meeting between DEQ and EPA officials, pets and lead, and viewing water sample testing.
- Key agency PIOs fielded multiple news inquiries throughout the day, including conducting or scheduling interviews with Michigan Radio, Lansing State Journal, Detroit Free Press, and WNEM TV 5.
- Updated internal talking points about the ongoing Flint water emergency.
- Continued routing public information materials for approval, including communications from MDHHS and MDARD.
- JIC is planning to issue a news release around 7 p.m. regarding a meeting between DEQ and EPA, and the continued interagency partnership. This news release will take the place of the nightly numbers release.
- Updated ICS-204 with new task accomplishments and update work requirements.

## Agriculture and Rural Development (MDARD)

As of 2/1/16, MDARD completed water assessments at all 18 food businesses in the high risk area and 105 in the medium risk and 80 in other areas (numbers differ from those reported 1/29/16 due to risk reclassification of some businesses.) The overall assessment compliance rate is 69.8%. We also have collected 84 water samples to date, with more scheduled for this week.

MDARD Environmental Stewardship Division (ESD) Staff has been working with several local entities regarding urban ag/gardening questions related to the Flint Water issue. A conference call is scheduled for 2/2/16 to better understand how we can coordinate efforts.

MDARD Animal Industry Division (AID) held a conference call 1/29/16 with 12 industry/academic/medical/federal partners. The call created situational awareness among partners and stakeholders interested in the pet issue related to Flint water. AID is partnering with MSU College of Veterinary Medicine (CVM) to address animal issues, developing information pieces for the public and for veterinarians (with JIC approval), testing and laboratory issues. Also, MSU CVM is working with local MSU staff to identify specific community needs. AID is working with individual veterinarians/pet owners in the area on an individual basis as needed.

## American Red Cross (ARC)

The American Red Cross deployed and supported 10 Water Response Teams on Monday. The Volunteer Reception Center (VRC) was in operation today. The VRC will operate from 9am to 5pm through Sunday. Assembly of water test kits will resume when materials become available.

## Civil Rights (MDCR)

Continue to review activities to provide support and assistance to assigned Human Services branch and other SEOC entities. Maintaining media awareness regarding situation and community activities.

Forwarded Metro Times assessment of Bill Signing event covering Flint Recovery to MSP-SEOCPIO in follow up to last week's discussion on same subject:  
<http://www.metrotimes.com/blogs/archives/2016/02/01/gov-snyders-flint-aid-bill-signing-a-pr-disaster>

Reviewed coverage of Baltimore Pastor Dr. Jamal Bryant's mid-day "The Environmental Justice Rally" today. The assembled group has collected some 47,124 bottles of water. The collection of water will be distributed among six churches: First Trinity M.B. Church, 1226 Beach Street; Cathedral of Faith Church of God in Christ 6031 DuPont Street, Christopher Martin, Pastor; Quinn Chapel AME Church 2101 Lippincott Blvd, Rev. Gerald Cardwell, Pastor; United Outreach Ministries 1429 Roosevelt Ave., LeMarcus Keels, Pastor; and Kingdom of Heaven Ministries 2430 Dutcher Road. The rally was open to the public and Flint, MI Mayor, Karen Weaver was scheduled to give remarks. See more at: <http://afro.com/baltimore-pastor-jamal-bryant-heads-to-flint-to-lead-environmental-justice-water-rally/#sthash.L6lr1UJT.dpuf>

Discussed Hispanic/Latino outreach with LARA and use/distribution of resource materials in Spanish; discussed grass-roots activity vs Water Resource Teams engagement

Discussed with MDE and DHHS data inquiry of individuals who may have left the respective Flint service areas for other Michigan or national points of service - may be a possible avenue for finding at-risk/high risk individuals exposed or entitled to services

Forwarded list of Departmental activities to Planning Inquiry:

\* Michigan Department of Civil Rights (MDCR) continues to try and track down information/materials that have been or are scheduled to be translated into foreign languages and American Sign Language (ASL). MDCR is also trying to confirm what has actually been distributed on the ground in Flint and to whom/which agency or entity. (We have been getting many questions from various organizations related to these communities).

\* MDCR Community Relations Division Arab American Liaison Charles Schoder will attend a convening by the Genesee Health System to discuss Flint water issues on 02Feb16 in Flint

\* The Hispanic/Latino Commission of Michigan will host its business meeting on Wednesday, 03 Feb from 12:30-14:45 at the Hispanic Center of Western Michigan, 1204 Grandville Ave. SW, Grand Rapids, 49503. LARA Director Zimmer will attend the

meeting and discuss possible ways they can be of assistance (Note: This is due to EO2016-3 transferring the three ethnic commissions from MDCR to LARA)

- \* MDCR Communications Director Vicki Levengood will be at the JIC 03 Feb and 04 Feb (Wednesday and Thursday)
- \* MDCR Communications Staff Lisa Collins will be at the JIC 02 Feb and 03 Feb (Tuesday and Wednesday)

#### **Community Health (MDCH)**

The CHECC remains active at a Level 2, and continues to staff the hotline to answer any health-related questions that 2-1-1 is unable to answer in order to support GCHD.

Contact information for the MDHHS Environmental Health Director was provided to the Paul Smith from the Governor's Office this afternoon at his request, to discuss blood lead level data for a dashboard that is in development.

Requested that MDHHS Environmental Health Director include EPA on the notification list for homes in Flint that are testing high for lead, at the request of DEQ. The notification is currently being provided to the GCHD. EPA would like to be notified at the same time if possible.

Worked MDHHS PIO and DTMB on the translation of materials on the Flint Water website, as well as updating outdated information that is currently on the website at the request of MDARD. Forwarded Aerator informational document from the JIC to DTMB for translation as well. Working with LARA to ensure all documents are translated in not only Spanish, but also Mandarin and Chinese.

Confirmed that Dr. Eden Wells will serve as the MDHHS representative for the FEMA-Congressional Call tomorrow. Coordinated with the MDHHS PIO to prepare Dr. Wells for that report.

Provided the Flint Blood Lead Count Report by zip code to the SEOC and the Lt. Governor's representative in the SEOC, who had requested the information previously.

#### **Corrections (MDOC)**

We continued operations at the warehouse and all PODs were well supplied.

We continue to keep trucks dedicated to delivering to individual PODs and have Rapid Responses ready for any POD that gets to a critical level of supplies.

382 Water Samples were collected and delivered to the DEQ Lab in Lansing.

We had 17 employees and an SAI work crew on the ground in Flint today. We continue to staff the SEOC from 0800-2000, 7 days/week.

The overhead bay door was damaged yesterday by one of our drivers (Rod Ridgeway). It was reported to the Local EOC and Lt. Russo completed an accident report as there was damage to the facility.

#### **Education (MDE)**

1. Michigan School for the Deaf. Report from MSD that two of the three new drinking fountains were installed this weekend (Jan 30-31). Landlord said he anticipates mid-week, this week, to install final new drinking fountain. Based on that, MSD contacted Joe Madziar, and he indicated next Friday (February 5) would be a tentative date for LARA to schedule Stevens Hall testing.
2. MDE completed request for listing of all Food Programs and Organizations within 16 zip code area. This spreadsheet has been uploaded to the Activity Log. Marla Moss included narrative that outlines efforts of MDE related to Food Programs that has been included in Activity Log for Education as well.

#### **Environmental Quality (MDEQ)**

The Department of Environmental Quality (DEQ) completed the following activities today:

382 samples were delivered to the lab this morning.

Coordinated with EPA for participation on High Lead Home Strike Force.

Coordinated with EMHSD for DEQ to obtain ability to upload DEQ reports to the Flint Water website.

Finalized EPA tracking sheet and summary and worked on new tracking spreadsheets for EPA Flint Drinking Water Task Force and Safe Drinking Water Plan.

All required postings made it to web by EPA timeline.

#### **Human Services (MDHS)**

Working with MDEQ on some information regarding water testing.

Went to Flint SOB, met with Chief Deputy & staff. Received direction to support them from the SEOC working with several other

state agencies already engaged.  
CHECC continues to maintain a Level 2 Activation

### **Licensing and Regulatory Affairs (LARA)**

Updated the LARA Executive Team

LARA's Bureau of Services for Blind Persons has staff assigned to and living in Flint. They will be reaching out to these clients covered by BSBP.

LARA's Michigan Office of New Americans is processing translation requests for Arabic, Mandarin and Hmong.

LARA continues to monitor DEQ's test results for Health Care Facilities, Child Care Facilities, Adult Foster Care Homes and Schools.

### **Military and Veterans Affairs (DMVA)**

1. DTG: 0113002016

2. UNIT: Points of Distribution (PODs), TF FLINT (1-125 IN)

3. POC: Ssg Gazzeny, Darryl L. Cell:                      3 Email: armyinfantry31@yahoo.com

4. PRESENT LOCATION: Genesee County Local EOC, 1101 Beach St., Flint, MI, 48502

5. SITUATION OVERVIEW: 1-125 IN has 1 Soldiers deployed to the Flint Water Crisis in support of Distribution Operations at the Points of Distributions (PODs). Daily operations consist of receiving, tracking, and issuing out water, filters, replacement filters, and water test kits.

6. OWN SITUATION DISPOSITION /STATUS: Currently 1-125 IN has 1 Soldiers on ground supporting the mission.

7. OPERATIONS: Operations for the next 24 hours are to sustain water/filter distributions throughout the 5 designated fire stations and track all distribution incoming and outgoing through the PODs.

a. SEOC has the POC with MDOT. Lt. Benke will be linking up with MDOT technician to do a visual reconnaissance.

1.) Workers from the City of Flint determined that they do not have the capabilities to support the road sign warnings. Local EOC was working through the Genesee County Road Commission and determined that they do not have the resources to sustain our long term operations.

b. Flint City Electricians have assessed outside lighting issue at station 5 and 8. In addition, they will be fulfilling long requested work order for maintenance on all lighting at those stations. Station 8 work order to be initiated NLT 01FEB2016 0730.

8. PERSONNEL: 1 Soldiers are currently assigned to the POD operations. 1 Soldiers are assigned in five teams at Fire Stations 1, 3, 5, 6 and 8. 12 Soldiers were released and conducted reverse RSOI. 1 new Soldiers will report 2JAN2016 in support of TF Flint.

9. INTELLIGENCE / FORCE PROTECTION: Michigan militia did establish a presence within the AO. The intentions were not harmful and in support of efforts made to resolving issues to residents of Flint.

10. LOGISTICS: In support of recycle project sponsored by Schupon, the special purpose recycle bags have not been distributed to POD operations.

11. COMMUNICATIONS: No communications issues at this time.

P: 800 MHz radios issued to PODs and WRTs.

A: RRF cell phones alternate for WRTs.

C: Personal cell phone

E: Runner

12. NARRATIVE: N/A

### **13. COMMANDER'S EVALUATION:**

- POD operations are still functioning well. We are trying to improve the efficiency, professional appearance, and long-term establishment of the POD's, but, overall the POD's operations are remaining successful.
  - Recycling has been implemented at PODs 1, 5, and 8. Recycling is happening frequently but at a restriction due to the lack of supply of clear recycle bags given from schupon..
  - Consolidated Station Report OUT (last 24 hours)
- Bottled water-3523 Water (Gallons)-244 Lead Testing Kits-235  
Pitcher (23 cup)-0 Brita Faucet Filter-136 Brita Replacement Cartridge-186  
Pur Filter-162 Pur Replacement Filter-346

### **National Weather Service (NWS)**

NWS Detroit providing morning SEOC brief and Activity Log posts. Jim Maczko from NWS Grand Rapids will be the contact point for any changes in NWS Support and will also continue to update the Sit Rep Executive Summary as needed.

Participation in afternoon SEOC briefings is planned only if significant changes in the forecast occur.

### **Natural Resources (MDNR)**

MDNR LED continues to support its QOL partners with staffing at the SEOC.

Department POC's include:  
Chief Gary Hagler, F/Lt. Jennifer Wolf, F/Lt. Steven B. Burton.

#### **Services to the Aging (OSA)**

Valley Area Agency on Aging (VAAA) continues to receive phone calls from concerned seniors in Flint and continues to make referrals to the Genesee Co. EOC for water and filter follow-up.

VAAA's local Nursing Home Ombudsman continues to monitor Flint area Nursing Homes to ensure residents have access to safe water.

Contact info for VAAA Executive Director is:

Kathryn C. Boles  
President, CEO  
Valley Area Agency on Aging  
225 E. Fifth Street, Suite 200  
Flint, MI 48502  
(810) 239-7671  
(810) 239-8869 fax

#### **State Police (MSP)**

The MSP position within the SEOC will be staffed at MSP Operations at HQ. All e-mails to MSP-EOC-MDSP@michigan.gov are being forwarded to the Operations Lt. The phone number for the on duty Operations Lieutenant is 517-241-8000

#### **Technology, Management and Budget (MDTMB)**

Continue to provide DTMB management with daily updates and resource requests received.

DTMB Print & Graphic Services to provide translation of Lead Fact sheet and printing for water testing document.

DTMB providing four drivers to assist with transportation of supplies on Monday, three for the point of distribution sites and one at the food bank.

Provided an AT&T conference line for the JIC to use to conduct media conference call.

Provided assistance to ensure [www.helpforflint.com](http://www.helpforflint.com) and [www.flintvolunteer.com](http://www.flintvolunteer.com) sites are not blocked by State network.

Provided building access and parking for employees and Federal partners in the SEOC and Flint State Office Building.

Provide Constitution Hall conference room until February 29 for DEQ to use

#### **Transportation (MDOT)**

MDOT is providing traffic measures at Fire Station #6 on Pierson Rd. and Fire Station #3 on Martin Luther King Blvd:

-4 portable changeable message boards (2 each site).

-100 grabber traffic cones (narrow reflective cones) (50 each site)

MDOT continues to maintain situational awareness and respond to issues regarding equipment and road conditions.

**Incident Related Images**

**State Agency Weekly Activities  
Events for the Week of February 1, 2016**

**Monday, February 1, 2016:**

- Recovery Branch: Met with Volunteer Reception Center and Donations Management Program.
- EMHSD Liaison: Unified Coordination Group Planning Meetings at 1100 and 1400.
- MDHHS: Attended the Board of Commissioners meeting in Flint.
- MDHHS: Participated in Mission Flint meeting.
- MDHHS: Participated in MARC meeting with federal partners.
- MDEQ: Met with EPA to discuss sampling protocols on Monday.
- Local EOC: Genesee County Board of Commissioners Meeting. Briefed commissioners, addressed questions and concerns.
- Local EOC: Dow Chemical Meeting; discussed potential donation of filter systems.
- Local EOC: Rapid Response Delivery Plan Meeting; finalized plan with ARC, Team Rubicon, and MCSC.
- Local EOC: Plumbers and Pipefitters Union Meeting; discussed filter installation and faucet replacement program.
- Local EOC: Congresswoman Brenda Lawrence brief; EOC tour and briefed on response efforts

**Tuesday, February 2, 2016:**

- SEOC Volunteer Agency Liaison: Flint Water Operations Plan "Task Force" at 0930 hours.
- SEOC Finance – Meeting with State Budget Office at 1100 hours to discuss collection and reporting of all state agency costs related to the emergency.
- EMHSD Liaison- Meeting with U of M Flint Communications Director at 1430 hours.
- SEOC State Director: Congressional/Legislative Briefing at 1530 hours.
- Local EOC: VOAD meeting to discuss volunteer engagement at 0930 hours.
- MDCR: Community Relations Division Arab American Liaison Charles Schoder will attend a convening by the Genesee Health System to discuss Flint water issues.
- MDHHS- Community Resilience Group Meeting to discuss disaster behavior health with Genesee Health System and SAMHSA, time and location TBD.

**Wednesday, February 3, 2016:**

- MDEQ: Director giving Congressional Testimony in Washington, D.C.
- EMHSD Liaison: Unified Coordination Group Planning meetings at 1100 and 1400.
- MDHHS: Chief Medical Executive, Dr. Wells, will begin her series of weekly webinars for health professionals in Genesee County at 1200.
- MDCR: The Hispanic/Latino Commission of Michigan will host its business meeting from 12:30-14:45 hours at the Hispanic Center of Western Michigan, in Grand Rapids.

**Thursday, February 4, 2016:**

- SEOC Volunteer Agency Liaison: Community Partners, facilitated by American Red Cross, 1500 location TBD.
- MDHHS: CDC Crisis Emergency Risk Communication (CERC) Distance Learning Training for Genesee County Health Department staff and volunteers, location and time TBD.

- MDEQ: Follow up meeting with EPA regarding sampling protocols, location and time TBD.
- Local EOC: *Community Recycling Coalition Meeting to discuss implementation of recycling plan, short-term and long-term recycling strategy*, 1100 hours at Genesee County Administration Building.

**Friday, February 5, 2016:**

- MDARD (Tentative Event): *Possible media event with the Genesee County Chamber at a restaurant highlighting the steps they are taking to protect their customers and that "Flint is open for business."* Governor's Communications Director is aware and has the rough draft agenda/talking points.
- EMHSD Liaison- Unified Coordination Group Planning meetings at 1100 and 1400.
- MDEQ: Weekly meeting with City officials, location and time TBD.
- EMHSD: Capt. Kelenske at FWICC and Mission Flint meeting in Flint.

## Flint Water DRAFT

Day	Date	Event
	October 1 Thursday	<ul style="list-style-type: none"> <li>Genesee County Health Department declares a Public Health Emergency</li> </ul>
	December 15 Tuesday	<ul style="list-style-type: none"> <li>City of Flint declares a local State of Emergency.</li> </ul>
	January 4 Monday	<ul style="list-style-type: none"> <li>Local State of Emergency declared by Genesee County along with request for a Governor's Declaration.</li> <li>Genesee County EOC activated.</li> </ul>
1	January 5 Tuesday	<ul style="list-style-type: none"> <li>Governor Snyder issues Declaration of Emergency for the City of Flint and the County of Genesee (end of day).</li> <li>SEOC is activated and will be staffed 0800-1700 beginning January 6.</li> <li>FEMA Region V contacted to provide update (Watch Desk and State Director call with FEMA Region V Administrator).</li> </ul>
2	January 6 Wednesday	<ul style="list-style-type: none"> <li>SEOC Staffed (M-F 0800 to 1700), SEOC State Director has call with FEMA Region V, Deputy Administrator, to request LNOs.</li> <li>Contacted local EM, advised him of 0830 daily call and initiate contact.</li> <li>JIC established at 4000 Collins Rd, Lansing, MI.</li> <li>Briefing held with SMEs Dr. Wells and George Krizstian.</li> <li>1400 media round table at Collins Road with Capt. Kelenske and Dr. Wells</li> </ul>
3	January 7 Thursday	<ul style="list-style-type: none"> <li>FEMA LNOs arrive in the evening and have discussion with State Director (via phone).</li> <li>Initial damage assessment submitted to EMHSD by local jurisdictions (evening). Infrastructure replacement costs only. Information provided to the local EOC on the best methods of identifying health and non-structural impacts for the damage assessment process.</li> <li>Deployed two EMHSD personnel to the local EOC to assist with command and control.</li> </ul>
4	January 8 Friday	<ul style="list-style-type: none"> <li>FEMA LNOs arrive at SEOC 0800.</li> <li>SEOC State Director orders SEOC to stay open 7 days a week, 0800 – 2000 until incident is stabilized.</li> <li>Media is driving a message of what the locals are doing versus the state.</li> <li>Held first legislative/congressional conference call.</li> <li>JIC has been co-located in the City of Flint.</li> </ul>

		<ul style="list-style-type: none"> <li>Originally we were advised we had 80-90 PODS from the local EM. Identified these as party stores, etc. and not true PODs. Received confirmation of the 8 POD locations but there is confusion in the SEOC as to what the local EOC has coordinated. Five fire stations have been dedicated to be PODs (from the Mayor).</li> <li>Logistics for these locations is being worked on by the SEOC and EOC.</li> <li>Finalizing 9 church locations to distribute 2000 filters (200 each) plus water.</li> <li>State personnel deployed to (3) assist with incident management functions at the local EOC (not public information)</li> </ul>
5	January 9 Saturday	<ul style="list-style-type: none"> <li>Third FEMA LNO in SEOC.</li> <li>5 PODs open 0900-1600. Staffed by ARC.</li> <li>Ten state personnel in the local EOC to ensure command and control at the local level.</li> <li>Working on "one team" messaging.</li> <li>The County EOC has no support from the City of Flint, liaison is necessary for smooth operations and to serve residents.</li> </ul>
6	January 10 Sunday	<ul style="list-style-type: none"> <li>9 Churches provided filters and water for Sunday distribution. ARC assisting.</li> <li>5 PODs open 0900-2100 until further notice.</li> <li>Freeman Elementary School pilot project initiated.</li> <li>State agencies working to translate materials into multiple languages.</li> </ul>
7	January 11 Monday	<ul style="list-style-type: none"> <li>Working to identify warehouse for our use.</li> <li>Media event held at a POD.</li> <li>Media event held at the Genesee County Office Building.</li> <li>Some supply issues arose due to the hard time keeping up with the large demand for water.</li> <li>Working to finalize logistics plan and get the plan in place.</li> </ul>
8	January 12 Tuesday	<ul style="list-style-type: none"> <li>Focus is on receiving, storing, and increasing quantities of supplies; fine tuning logistics, increasing door to door team; increase collaboration and messaging of collaboration with local agencies.</li> <li>Four state WRTs plus the Sheriff's Department teams...App developed and used in the field.</li> <li>EO activating the National Guard. Mission is to replace ARC volunteers in PODs.</li> <li>Governor requested FEMA to identify a POC for non-Stafford Act resources (Federal agencies acting under their own authority). Approved by FEMA Region V Administrator and LNO Zuelke identified. He will be a liaison to the FWIACC.</li> <li>7,824 cases of water arrived (109 pallets)</li> <li>Ordered 19,152 cases to arrive 1/13 (109 Pallets), 1/3 going to GCCARD and rest going to warehouse</li> <li>12,768 cases to arrive daily beginning 1/14 (177 pallets a day).</li> <li>PSA video pushed out by the Governor's office.</li> </ul>

9	January 13 Wednesday	<ul style="list-style-type: none"> <li>• Planning for increase in teams.</li> <li>• Draft request for a Presidential Declaration of a Major Disaster and an Emergency sent review.</li> <li>• 5 WRTs in field.</li> <li>• Flint Mass Transportation Authority adding PODs to route.</li> <li>• NG deployed personnel to PODs.</li> </ul>
10	January 14 Thursday	<ul style="list-style-type: none"> <li>• Request for Presidential declarations submitted to FEMA.</li> <li>• Current number of citizens who are willing to be sample sites is 114.</li> <li>• Senator Ananich visits SEOC.</li> <li>• Secured 80,000 square foot warehouse.</li> <li>• Email to state employees for volunteer opportunity.</li> <li>• Deployed 8 WRTs.</li> <li>• NG deployed total personnel to PODs.</li> </ul>
11	January 15 Friday	<ul style="list-style-type: none"> <li>• LG visits local and state EOC.</li> <li>• Short session on managing stress held in SEOC.</li> <li>• state/local and 5 ARC WRTs deployed.</li> <li>• Standing requirements for JIC information created.</li> <li>• 7,474 homes visited by FWRTs.</li> <li>• 18,576 cases of water distributed to date; 45,916 filters; 165,382 filter cartridges; 3,217 test kits.</li> </ul>
12	January 16 Saturday	<ul style="list-style-type: none"> <li>• Received Emergency Declaration – limited to Direct Federal Assistance. FCO David Samaniego on site.</li> <li>• Major Disaster Declaration Denied.</li> <li>• Deployed : state/local teams and 10 ARC teams.</li> <li>• LG visited local EOC and discussed local EOC operations.</li> <li>• DEQ sampling kits are being received at PODs now.</li> <li>• 20,876 cases distributed; 47,935 filters; 167,401 filter cartridges; 3,322 test kits.</li> <li>• 11,324 homes visited by WRTs to date</li> <li>• 3,850 homes visited</li> </ul>
13	January 17 Sunday	<ul style="list-style-type: none"> <li>• Deployed 1 state/local WRTs and 10 ARC FWRTs.</li> <li>• 4,963 homes visited</li> <li>• Conference call with legislative and congressional representatives.</li> <li>• 16,353 homes visited by WRTs to date.</li> <li>• 27,195 cases of water distributed to date; 50,432 filters; 168,605 cartridges; 4,861 test kits.</li> <li>• Supplies provided to ~14 churches</li> </ul>

14	January 18 Monday	<ul style="list-style-type: none"> <li>• Jesse Jackson in Flint.</li> <li>• Deployed state/local and 10 ARC FWRT.</li> <li>• Resource request sent for MIANG assistance to deliver water, filters, test kits, and replacement filters to residents.</li> <li>• Community Health Emergency Coordination Center was notified that the Center for Disease Control Agency for Toxic Substances &amp; Disease Registry will have a team of 3-5 people coming to Michigan. This team is coming to provide technical assistance as part of their regular mission.</li> <li>• Governor approved the use of the National Guard for the Door to Door Operations in Flint. 200 National Guard personnel arriving on Wednesday (1-20-16).</li> <li>• Media availability event at the Volunteer Reception Center.</li> <li>• Faith based organizations continue to assist with distributing resources.</li> <li>• 5,040 homes visited.</li> <li>• 21,299 home visited to date by FWRT.</li> <li>• 37,313 cases of water distributed to date; 53,713 filters; 169,520 cartridges; 7,379 test kits.</li> </ul>

RICK SNYDER  
GOVERNOR

STATE OF MICHIGAN  
DEPARTMENT OF TECHNOLOGY, MANAGEMENT & BUDGET  
LANSING

DAVID B. BEHEN  
DIRECTOR

February 2, 2016

TO: State of Michigan Procurement Leadership  
FROM: DTMB Procurement  
SUBJECT: Genesee County Water Emergency Response - Purchasing Guidance

Thank you to all who are working to support the State of Michigan's Genesee County, City of Flint water emergency response.

Given the complexity and variety of the needs of this emergency effort, the purchasing support required is complex as well. Purchasing protocols have some differences under this declared state of emergency, and meticulous tracking of expenditures is imperative.

The Michigan State Police (MSP) is the lead agency overseeing the situation and managing the State Emergency Operations Center (SEOC). Flint related purchases must first be routed through the appropriate SEOC contact (see attached for an agency roster) to include the SEOC State Director. This is required for all Flint- related purchases without exception. The SEOC financial team is responsible for tracking all expenditures in connection with the emergency efforts.

***Each agency is responsible for its own purchasing transactions. This includes p-card transactions and purchase orders, the tracking of all such transactions, and reporting of those transactions to the appropriate SEOC representative. Failure to properly inform the SEOC financial team of any transaction may result in a forfeiture of any potential reimbursement anticipated by the agency.***

Agency purchasing managers are responsible to supply their agency's SEOC representative with a 24/7 phone number for agency purchasing staff support and request that the SEOC representative involves them in every purchase. (Note: SEOC hours are 8 am to 8 pm, seven days a week at this time.)

***Emergency Purchasing Procedure:***

Public Act 431 of 1984 provides an exception to competitive bidding during a state of emergency. However, responsible purchasing procedures are still the expectation for all procurement professionals (agency purchasing staff).

In addition to the notification and reporting expectations set forth above, transactions should be conducted and/or overseen by procurement professionals, with rare exception, in accordance with the following:

- Each agency makes their own determination when an emergency purchase order is required, and is then responsible for the supporting documentation
- Utilize existing State contracts where possible. Contact DTMB Procurement for help negotiating bulk rates or expedited shipments if needed, and for any concerns related to availability of funds on a contract

- o Obtain three quotes whenever reasonably practicable
- o Post bids online to the extent practicable
- o Please escalate any questions to DTMB Procurement before executing a buy
- o DTMB Procurement will assist any agency upon request to address supply chain issues (e.g. working with a national supplier to ensure a high volume supply of water filters are available)
- o DTMB-Financial Services is not responsible for issuing emergency purchase orders on behalf of agencies with the exception of information technology related goods and services
- o Maintain documentation supporting all transactions. Establish internal protocols to support this such as a single spreadsheet to track agency-wide transactions. Report your agency's expenses to the SEOC Finance team via your SEOC representative.

Questions, concerns, or comments should be directed to:

**Flint Water Daily Update**  
**Updated Feb. 2**

### **Current Issues Talking Points**

#### **Flint Mayor calls for immediate replacement of Flint pipes**

- In a press conference today, Flint Mayor Karen Weaver called for immediate replacement of Flint's water infrastructure.
- Immediately removing pipes could potentially add to the infrastructure problem and result in higher costs for the city.
- Both Senate Minority Leader Jim Ananich and Virginia Tech water treatment expert Marc Edwards advise first mapping the city's pipes to determine the location of lead infrastructure.
- Edwards also says the state is taking the correct actions to make Flint's water safe again. Adding phosphate to the water to coat the pipes is a necessary first step toward ensuring safe drinking water for Flint residents.
  - Flint's damaged pipes spark debate on fix (Detroit Free Press)
  - Prof. Marc Edwards discusses pipes in Flint (video)
- The Governor continues to work with Edwards and the Flint Water Interagency Coordinating Committee to identify and implement a successful long-term solution for Flint families.

#### **Senate Minority Leader sends Governor Flint action letter**

- The Governor's senior staff has been in close communication with state Sen. Jim Ananich and have met with him frequently to provide updates, answer questions and get feedback.
- The Governor remains committed to providing Flint residents with the resources needed to implement both short and long-term solutions and will continue to work closely with Ananich.
- The Governor will announce a long-term funding proposal in his formal budget presentation next week to further address Flint water.

#### **DPS Emergency Manager Darnell Earley resigns**

- Today, Detroit Public Schools Emergency Manager Darnell Earley resigned, effective February 29.

- The Governor will appoint a transition leader before the end of the month to help guide DPS through a plan that will help address the district's academics and finances giving students and teachers the learning environment they deserve.
- The Governor is encouraging the Legislature to pass a bill package that will help address the \$515 million debt faced by DPS. With that support the district should be better able to manage its business and educational goals.

#### **Governor continues to stress importance of home water testing**

- A video with instructions on how to properly test home water is available to share:  
<https://www.youtube.com/watch?v=QTER-DiK64o>
- The health and safety of Flint residents remains a top priority. It is essential that all Flint residents have the water in their homes tested as soon as possible.
- While water filters will eliminate lead in most homes, those with levels above 150 parts per billion will need to take extra precaution.
- If levels are above 150 ppb, residents should not drink water from the filtered faucet and use bottled water only.
- DEQ and DHHS will visit homes found to have lead levels over 150 ppb for additional testing.
- To date, less than one percent of Flint homes have been identified as having lead levels of this amount. Results showing lower levels indicate residents should continue following established protocols.
- Pregnant and nursing mothers and young children should continue to drink bottled water as a precaution.
- Free water testing kits are available at Fire Stations 1, 3, 5, 6, and 8. Water Samples should be returned to the fire stations for testing.
- Anyone who is unable to get to a Fire Station to pick up a free testing kit should call United Way 2-1-1 for assistance.

**Flint Water Daily Update**  
**Updated Feb. 2**

**Current Issues Talking Points**

**Flint Mayor calls for immediate replacement of Flint pipes**

- In a press conference today, Flint Mayor Karen Weaver called for immediate replacement of Flint's water infrastructure.
- Immediately removing pipes could potentially add to the infrastructure problem and result in higher costs for the city.
- Both Senate Minority Leader Jim Ananich and Virginia Tech water treatment expert Marc Edwards advise first mapping the city's pipes to determine the location of lead infrastructure.
- Edwards also says the state is taking the correct actions to make Flint's water safe again. Adding phosphate to the water to coat the pipes is a necessary first step toward ensuring safe drinking water for Flint residents.
  - Flint's damaged pipes spark debate on fix (Detroit Free Press)
  - Prof. Marc Edwards discusses pipes in Flint (video)
- The Governor continues to work with Edwards and the Flint Water Interagency Coordinating Committee to identify and implement a successful long-term solution for Flint families.

**Senate Minority Leader sends Governor Flint action letter**

- The Governor's senior staff has been in close communication with state Sen. Jim Ananich and have met with him frequently to provide updates, answer questions and get feedback.
- The Governor remains committed to providing Flint residents with the resources needed to implement both short and long-term solutions and will continue to work closely with Ananich.
- The Governor will announce a long-term funding proposal in his formal budget presentation next week to further address Flint water.

**DPS Emergency Manager Darnell Earley resigns**

- Today, Detroit Public Schools Emergency Manager Darnell Earley resigned, effective February 29.
- The Governor will appoint a transition leader before the end of the month to help guide DPS through a plan that will help address the district's academics and finances giving students and teachers the learning environment they deserve.
- The Governor is encouraging the Legislature to pass a bill package that will help address the \$515 million debt faced by DPS. With that support the district should be better able to manage its business and educational goals.

**Governor continues to stress importance of home water testing**

- A video with instructions on how to properly test home water is available to share: <https://www.youtube.com/watch?v=QTER-DiK64o>
- The health and safety of Flint residents remains a top priority. It is essential that all Flint residents have the water in their homes tested as soon as possible.
- While water filters will eliminate lead in most homes, those with levels above 150 parts per billion will need to take extra precaution.
- If levels are above 150 ppb, residents should not drink water from the filtered faucet and use bottled water only.

- DEQ and DHHS will visit homes found to have lead levels over 150 ppb for additional testing.
- To date, less than one percent of Flint homes have been identified as having lead levels of this amount. Results showing lower levels indicate residents should continue following established protocols.
- Pregnant and nursing mothers and young children should continue to drink bottled water as a precaution.
- Free water testing kits are available at Fire Stations 1, 3, 5, 6, and 8. Water Samples should be returned to the fire stations for testing.
- *Anyone who is unable to get to a Fire Station to pick up a free testing kit should call United Way 2-1-1 for assistance.*

Cybersecurity Threat Level 2 – Medium (Yellow)

#### (U) EXECUTIVE SUMMARY

(U//FOUO) The Michigan Intelligence Operations Center (MIOC) and the Michigan Cyber Command Center (MC3) received information warning that the State of Michigan, Governor Snyder, the City of Flint, City of Flint Mayor Weaver, and other private individuals and entities are at an increased risk of cyber-attacks. In addition to doxing, the act of gathering and publishing individuals' personal information without permission, threat actors have attempted to compromise government servers, workstations, and email accounts. The Department of Technology Management & Budget (DTMB), MC3, and MIOC are working together to identify, mitigate, and remediate actions taken against state infrastructure.

command and control to facilitate integration with the SEOC. The local EOC is not functioning as it needs to with personnel and local coordination and we are working on that issue.

- I will be in Flint tomorrow for a 2 p.m. media round table with local officials that was set up by the JIC.
- The attached initial objectives will be updated at least every operational period and as needed. I listed the objectives below but the tactics to accomplish them is in the attached if you want further information.
  1. Activate the State Recovery Task Force (SRTF).
  2. Establish and maintain coordination between the City of Flint, Genesee County, state and federal agencies, and appropriate medical experts.
  3. Obtain and maintain situational awareness and common operating picture of all activities.
  4. Establish SEOC operational period and hours of operations.
  5. Investigate and identify all available programs for assistance with direct or related impacts, including the federal Lead Pipe Replacement Program.
  6. Develop a comprehensive GIS strategy.
  7. Coordinate response and recovery activities with MIVOAD and identify potential mission areas.
  8. Establish and coordinate routine communication between SMEs and coordinate technical assistance among state agencies and to local agencies.
  9. Provide technical assistance to the local Damage Assessment process.
  10. Establish a Joint Information Center (JIC) and develop a public information strategy.
  11. Monitor MI CIMS for resource requests and address as appropriate.
  12. Establish and disseminate cost center information for the incident.
- Additional tasks include:
  - Determine what federal agencies are already involved and their status
  - Identify potential water supplies
  - Determine where affected homes are located, where filters/pitchers (and replacements) were installed/provided, and determine who needs filters, etc.
  - Determine how filter distribution is handled, and if it can be handled more efficiently and effectively
  - Determine what mechanisms are in place for nutrition supplementation

#### EMHSD GIS Accomplishments:

- Hosted a conference call to begin coordination with Flint City and Genesee County GIS departments and the SEOC
- Established a daily call with county and city GIS personnel to synchronize GIS efforts in support of the Flint water crisis at 8:30 A.M.
- Began consolidating local data from local GIS practitioners into a consolidated database, to include:
  - Water Pipeline Locations
  - Filter Distribution Locations
  - November 25, 2015 Water Monitoring Results (Partial, some data remains to be digitized)
  - Affected School Locations
  - Predictive analysis of blood lead levels for affected area
  - Updated Parcels
  - Demographics
  - Block Groups
- Produced a map for the filter distribution locations
- Began contacting specialists who developed historic maps depicting the Flint Water Crisis to obtain the data

**From:** Kelenske, Chris (MSP)  
**Sent:** Tuesday, January 05, 2016 6:06 PM  
**To:** Etue, Kriste (MSP); Gorski, Gary (MSP); Smith, Paul (GOV)  
**Cc:** Baird, Richard (GOV); Hollins, Harvey (GOV)  
**Subject:** Update - Genesee County Declaration

Below are some key points for your situational awareness (FYSA) that have taken place or will take place within the next 15 hours.

- I was on the phone with Sean Kammer, Assistant to the Flint City Administrator, when the declaration hit the news so I advised him immediately. He was going to let the City Administrator know.
- I contacted MSP Lt. Roach, 3<sup>rd</sup> District Coordinator, who was at the Genesee County EOC and advised her to let the County EM know the declaration status.
- State Emergency Management Coordinators (SEMCs) were notified via our notification system with additional information in an email.
  - This included information on the SEOC activation and a 0900 briefing for SEMCs.
  - Some subject matter experts will provide us an update to establish a common operating picture.
- We have been in contact with FEMA Region V watch desk ... they will be on the call tomorrow and continue to monitor the situation.
- I have been in contact with the FEMA Region V Administrator to keep him updated.
- Operational period for the SEOC will be M-F, 0800 to 1700 at this time.
- Situation Reports (SitReps) will be provided in the evenings.
- An Incident Action Plan will be developed tomorrow.

Call me with any concerns or questions.

Chris

# Damage Assessment and Emergency Status Report

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

## Operational Period

Operational Period Begin: 01/26/2016 08:00:00  
Operational Period End: 02/02/2016 08:00:00  
Situation Report No. 24  
SEOC Status: Full  
SEOC Hours of Operation Begin: 01/29/2016 08:00:00  
SEOC Hours of Operation End: 01/29/2016 20:00:00

## Executive Summary

SEOC Update:  
Accomplished today (January 29, 2016):

*The SEOC continues to provide:*

- Situational awareness.
- Common operating picture/objectives.
- Coordination with city/county.
- Potential coordination with federal agencies.
- Incident prioritization.
- Coordination of life/health safety measures.
- Resources.
- Public information control.

Logistics:

- Continued researching warehouse options for donations management.
- Coordinated Niagara water donation delivery times/dates.
- We will be receiving 25.5 semi-trailers (30,000 cases) of water.
- Sat in on National VOAD Donations Management call.
- Coordinated staffing for SEOC and LEOC for 2/1-7/16
- Fielded resource requests.
- Fielded rapid response requests in coordination with Local EOC logistics.
- Worked with warehouse to send temporary donation's for the weekend to the LEOC established staging area.
- Attended the daily FEMA Logistics conference call.
- Attended the donations management team calls.
- Fielded Governor's office requests.

JIC:

- Coordinated with Genesee County Emergency Operations Center and State Emergency Operations Center regarding concerns from undocumented workers and English as second language speakers, including fielding a phone call from the Mexican Consulate in Detroit. Efforts are underway to reach out to these communities and to translate more materials for publication.
- Press release #22 went out about the effort to identify the location of lead pipes and other components of Flint's water infrastructure mapping infrastructure to locate lead pipes.
- Press release #23 went out today concerning bathing in water, number of homes visited, and the Governor's announcement of a comprehensive plan for Flint.

Recovery Branch:

- Attended Local Brief, SEOC State Agency Briefing Meeting, Distribution Process Meeting, and Community Partners Meeting (Briggs).
- Worked with GIS to develop an area map and spreadsheet with addresses based on data specified as "follow up required" for Red Cross teams.
- Compiled a list of apartment buildings to send out water resource team.
- City Sections Visited Today: 2, 3, 9, 10, 11, 17, 19, 20, 23 and 28.
- City Sections Scheduled Tomorrow: 28, 29, 30, 31 as primary and 27, 17 and 11 as secondary.
- 10 American Red Cross Teams scheduled for Saturday, January 30th.

o Data is for 1/29/16 as of 5:00 pm:

- o Total homes visited.
  - 7,658 (round 3 total).
  - 924 (today).
- o Water Cases:
  - 4,832 (round 3 total).
  - 819 (today).
- o Replacement Cartridges:
  - 815 (round 3 total).
  - 78 (today).
- o Faucet Filters:
  - 4,222 (round 3 total).
  - 836 (today).

Planning Section:

- Published Sit Rep #24.
- Developed SBA loan request letter.
- Worked on incident time line for Governor's office.

- Developed timeline for incident resource tracking.
- Participated in local EOC, SEOC state agency, and distribution process conference call.

#### Operations Section:

- o 43 event based volunteers active on the operation today.
- o 57 ARC volunteers active on the operation today.
- o Facilitated state agency and local briefing calls.
- o Warehouse Numbers as of 1800:
  - Water (liters):
    - 226,748.
  - Filters (faucet):
    - 51,743.
  - Replacement cartridges:
    - 361,970.
  - Test Kits (prepped):
    - 19,359.
  - Test kits (un-prepped):
    - 0 (all supplies out to ARC for assembly).
  - o PODs (1700 1/28 – 1600 1/29):
    - Water (cases):
      - 8,731.
    - Filters (faucet):
      - 363.
    - Replacement Cartridges:
      - 640.
    - Filters (pitcher):
      - 0 (no longer being distributed at PODs).
    - Test kits:
      - 294.

#### Finance Section:

- Contacted State EMC for the Department of Insurance and Financial Services after receiving a request for information from the American Red Cross (ARC) concerning a volunteer who was injured working at the warehouse in Flint.
- Discussions with MSP Departmental Services Division Director to coordinate meetings with State Budget Office to develop template for consistent cost reporting for all state agencies.
- Review current cost data from state agencies that have submitted information.
- Review requirements for using donations toward required 25% state match.

#### GIS Branch Updates:

- Continued refinement of data.
- Prepared statistics from field team activities for HHS.
- Updated Water Test Kits Mapping.
- Worked to get GIS technology back online in new SEOC.
- Began updating per day statistics for governor's metrics.
- Began analysis of lead parcels against field team data and water test kit data (ongoing).

#### DTMB:

- Continued to provide translation of water documents and printing for water related documents.
- Performed a walk through with FEMA personnel to discuss the evacuation maps for the SEOC, GOB and Flint State Office Building.
- 151 tablets provided to the Flint Water Response Teams will begin demobilizing and returned to Lansing on Thursday. Genesee County has requested 25 tablets remain with their employees until no longer needed.

#### DHHS-CH:

- Participated in conference call with various state agencies, MDHHS Environmental Health, CHECC, JIC, MDARD, MDE, MDEQ, FEMA, SEOC Incident Command, and EPA PIO.
- o Discussed consistent and understandable messaging related to water test results.
- Received communication from SAMHSA that they will be sending staff to Lansing on Monday.

#### DEQ:

- Worked with Michigan Department of Corrections to continue support of sample transport from collection sites to the DEQ Laboratory through February 15, 2016.
- Established procedure for participation of SEOC DEQ Representative in DEQ Emergency Coordination Center Planning Meeting.
- Mapping of lead service line completed by DNR GIS.

#### Local EOC Update:

- Attended long-term recovery planning meeting with MSP/EMHSD, FEMA and community leaders.
- Planning for transition of operational control to local level.
- Planning for demobilization of MSP/EMHSD support staff.
- Coordinating distribution of Spanish-language water sample forms to affected populations.
- Identifying and securing additional warehouse space.
- Refining rapid response process and coordinating rapid response deliveries to special locations.
- Continuing to coordinate vehicle and technology demobilization.
- Implementing the recycling program with the Community Recycling Coalition.
- Coordinating in-kind and monetary donations through Michigan Community Service Commission.
- Coordinating volunteer management with Michigan Community Service Commission, ARC, and other VOADs.

#### Incident Response/Recovery Priorities/Objectives

(Objectives are in order of priority with original objective number attached)

1. Ensure all households within Impacted community have required resources.
2. Ensure accurate tracking and accounting of all commodities.
7. Gather, analyze, and disseminate GIS data to develop products for future planning.

10. Collaborate with local and volunteer agency partners to solidify the Flint Water Operations Plan.
3. Improve and maintain the public information strategy and process.
8. Maintain coordination between partner agencies and organizations to include FEMA IMAT and the FWICC
4. Develop a long term public health and services plan.
6. Develop an overview of possible assistance programs.
9. Enhance situational awareness and common operating picture of all activities.
5. Continue to maintain adequate staffing to support operational requirements.

#### Emergency Declarations

##### Local Declarations

###### Jurisdiction(s): Date/Time:

##### Damage Assessment Summary

## Agency Summaries

### Joint Information Center / Public Information Officer

The Joint Information Center (JIC) was expected to be operational in Flint from 8 a.m. to 8 p.m. on Jan. 29. The JIC was operational until 8:30 p.m. on Jan. 28.

State agencies at the JIC included the Michigan State Police, Michigan State Housing Development Authority, Michigan Economic Development Corporation and Departments of Agriculture & Rural Development, Environmental Quality, Health and Human Services, Licensing and Regulatory Affairs, Technology, Management and Budget, Treasury and Military and Veterans Affairs. The Genesee County Sheriff's Office, FEMA, and the American Red Cross were also present.

#### Tasks accomplished:

- Media hotline staff answered more than 20 emails and phone calls ranging from identification requirements at water resource sites to bathing in Flint water.
- Key agency PIOs fielded multiple news inquiries throughout the day, including conducting or scheduling interviews with the Detroit News, Detroit Free Press, Weather Channel, ABC 12, and The 74 (the74million.org).
- Added a distress line logo to the Flint Water website.
- Sent News Release about the effort to identify the location of lead pipes and other components of Flint's water infrastructure mapping Infrastructure to locate lead pipes at 3:50 p.m.
- Added infographic from Genesee County Community Health to the resources section of Flint Water website
- Created a media monitoring report and looked for information requiring correction.
- Updated internal talking points about the ongoing Flint water emergency.
- Continued routing public information materials for approval, including communications from MDE, MDHHS and MDARD.
- JIC is planning to issue the nightly activity news release around 7 p.m.
- Working on revising the water donation guidelines flyer due to overwhelming demand of water donations.
- Continued adding individuals to staff the Flint JIC for the next two weeks.
- Coordinated with Genesee County Emergency Operations Center and State Emergency Operations Center regarding concerns from undocumented workers and English as second language speakers, including fielding a phone call from the Mexican Consulate in Detroit. Efforts are underway to reach out to these communities and to translate more materials for publication.
- Worked with Snopes.com to dispel Internet rumors.

### Agriculture and Rural Development (MDARD)

Thursday, Jan 29th -

MDARD completed five additional assessments today and one follow up visit due to elevated water sample results. We collected 11 additional samples. Food businesses are being notified of their results with follow up inspections being planned for any results above "not detected". The 1 remaining business in the high risk area that hadn't been sampled was visited today but was closed; we will verify again next week.

MDARD organized a call on animals and pets with approximately 15 organizations/entities including MI-DHHS, MSU College of Veterinary Medicine, MSU Diagnostic Center, USDA, and local, state, and national organizations involved in animal care. Planning is underway on potential sampling and treatment steps for impacted pets. Genesee Animal Control reported that they do not need any additional water donations. Additional calls are planned for next week.

MDARD is coordinating with MSU Extension and Genesee County Conservation District on outreach and information needs to work with urban agriculture and home gardeners. FYI - Genesee County Conservation District, USDA-Natural Resources Conservation Service and others are planning a press conference on Monday Feb 8th at 11am at the Flint Farmers' Market about using hoop houses for growing produce.

### American Red Cross (ARC)

The American Red Cross deployed and supported 10 Water Response Teams on Friday. We expect to have 10 teams available tomorrow as well.

The Volunteer Reception Center (VRC) was in full operation today. The VRC is scheduled to be open from 9am to 7pm today. The weekend schedule is 9am to 3pm.

We completed assembly of 7,800 water test kits today.

### Civil Rights (MDCR)

Continue to review activities to provide support and assistance to assigned Human Services branch and other SEOC entities.

\* Forwarded non-profit list of advocates to VAL for consideration/inclusion in local advocates collaborative on resources/recovery effort

\* Following call with Law & Policy Director, updated SEOC-JIC on internal discussions re: ASL materials and release of same

\* Forwarded proposed draft email/social media release to MDCR-Communications for JIC review for engaging community groups/MDCR stakeholders in messaging and engaging new www.flintvolunteer.com website. Per ARC, website is still under development

\* Advocates from "Community Organizations of Southwest Detroit" to assemble supplies and donations for Flint. There are plans for them to meet at 12 Noon on 30 Jan at DHDC to collaborate and head to Flint.

#### **Community Health (MDCH)**

The CHECC remains activated at a level 2 with communications being coordinated between GCHD EPC, Federal Coordinating Officers, MDHHS Leadership and the SEOC.

Participated in conference call with various state agencies, MDHHS Environmental Health, CHECC, JIC, MDARD, MDE, MDEQ, FEMA, SEOC Incident Command, and EPA PIO. Discussed consistent and understandable messaging related to water test results. This conversation will continue during UCG calls.

Received communication from SAMHSA that they will be sending staff, Commander Jamie Seligman, to Lansing on Monday. An eight person Disaster Behavioral Health team from SAMHSA was requested and has also been approved to be sent to Michigan.

#### **Corrections (MDOC)**

We continued to streamline operations at the warehouse to assure that PODs are well supplied. We will continue to keep trucks dedicated to delivering to individual PODs and have Rapid Responses ready for any POD that gets to a critical level of supplies.

332 Water Samples were collected and delivered to the DEQ Lab in Lansing.

2 Semi-Tuck and Trailers were on-site and loaded today at the warehouse in preparation for tomorrow's large scale volunteer event with Red Cross.

7800 assembled water test kits were picked up from Red Cross and delivered to the warehouse.

4 boxes of door hangers and 4 ID cards were delivered to Flint for DTMB.

#### **Environmental Quality (MDEQ)**

The Department of Environmental Quality (DEQ) completed the following activities today:

Participated in the Unified Coordinating Group conference call.

Coordinated and facilitated conference call with partner agencies to discuss coordinated messaging.

Provided statistics on most recently available sample analysis data.

Creation and web posting of Summary of DEQ Actions in Response to EPA Emergency Order<sup>2</sup> and Talking Points.

Continue to clarify and provide consistent messaging.

Establishment of glide path for team members and replacements.

Coordinated GIS data, provided data for Director briefing with local officials and media.

#### **Human Services (MDHS)**

Two Genesee Co MDHHS offices continue to be points of distribution for filtration devices.

CHECC continues to maintain a Level 2 Activation

#### **Licensing and Regulatory Affairs (LARA)**

-Updated the LARA Executive Team

-Joe Madziar and Andy Nueman were able to complete a material list for Brownell Elementary School.

-Alesha Gensler spoke with Tony Sitko, with Flint Community Schools, and coordinated availability of schools for Saturday (Jan. 30) to continue gathering information for material lists.

-LARA reached out to Mark Bouvy, Administrative Manager with the Michigan School for the Deaf (MSD), to see when he expects construction to be complete at MSD. The landlord of the building where the school is located had decided to go ahead and replace all the faucets on their own. After construction is complete, LARA will coordinate with DEQ to complete the water testing at the facility. Mark is out of the office until Monday, Feb. 1.

#### **Military and Veterans Affairs (DMVA)**

Commanders Situation Report (SITREP)

1. DTG: 2813002016

2. UNIT: Points of Distribution (PODs), TF FLINT (1-125 IN)

3. POC: 1LT Roland, John G. Cell:                      \* Email: john.g.roland2.mil@mail.mil.com

4. PRESENT LOCATION: Genesee County Local EOC, 1101 Beach St., Flint, MI, 48502

5. SITUATION OVERVIEW: 1-125 IN has      Soldiers deployed to the Flint Water Crisis in support of Distribution Operations at the Points of Distributions (PODs). Daily operations consist of receiving, tracking, and issuing out water, filters, replacement filters, and water test kits.

6. OWN SITUATION DISPOSITION /STATUS: Currently 1-125 IN has      Soldiers on ground supporting the mission.

7. OPERATIONS: Operations for the next 24 hours are to sustain water/filter distributions throughout the 5 designated fire stations and track all distribution incoming and outgoing through the PODs.

a. LT Benke met with local city engineering yesterday in response to traffic signs at the PODs.

1.) Workers from the City of Flint determined that they do not have the capabilities to support the road sign warnings. Local EOC is working through the Genesee County Road Commission IOT have traffic signs placed at the requested PODs.

b. Unknown if Flint City Electricians assessed lighting around the outside areas of the PODs IOT fix lighting issues.

8. PERSONNEL:      Soldiers are currently assigned to the POD operations.      Soldiers are assigned in five teams at Fire Stations 1, 3, 5, 6 and 8.

9. INTELLIGENCE / FORCE PROTECTION: No force threats have been identified.

10. LOGISTICS: Every POD has at least one fully functional pallet jack and dolly/handcart.

11. COMMUNICATIONS: No communications issues at this time.

P: 800 MHz radios issued to PODs and WRTs.

A: RRF cell phones alternate for WRTs.

C: Personal cell phone

E: Runner

12. NARRATIVE: N/A

13. COMMANDER'S EVALUATION:

- POD operations are still functioning well. We are trying to improve the efficiency, professional appearance, and long-term establishment of the POD's, but, overall the POD's operations are remaining successful.

- Recycling has been implemented at PODs 1, 5, and 8. A small amount of recycling has been.

- Consolidated Station Report OUT (last 24 hours)

Bottled water-5559 Water (Gallons)-1317 Lead Testing Kits-388

Pitcher (23 cup)-550 Brita Faucet Filter-216 Brita Replacement Cartridge-352

Pur Filter-250 Pur Replacement Filter-444

#### **National Weather Service (NWS)**

NWS Detroit providing morning SEOC brief and Activity Log posts. Jim Maczko from NWS Grand Rapids will be the contact point for any changes in NWS Support and will also continue to update the Sit Rep Executive Summary as needed.

Participation in afternoon SEOC briefings is planned only if significant changes in the forecast occur.

#### **Natural Resources (MDNR)**

MDNR LED continues to support its QOL partners with staffing at the SEOC.

Department POC's include:

Chief Gary Hagler, F/Lt. Jennifer Wolf, F/Lt. Steven B. Burton.

#### **Services to the Aging (OSA)**

Valley Area Agency on Aging (VAAA) continues to receive phone calls from concerned seniors in Flint and continues to make referrals to the Genesee Co. EOC for water and filter follow-up.

VAAA's local Nursing Home Ombudsman continues to monitor Flint area Nursing Homes to ensure residents have access to safe water.

Contact info for VAAA Executive Director is:

Kathryn C. Boles

## Klotz, Josephine (MSP)

---

**From:** Governor's Office <governorsoffice@govsubscriptions.michigan.gov>  
**Sent:** Saturday, January 30, 2016 4:42 PM  
**To:** Etue, Kriste (MSP)  
**Subject:** Saturday, Jan. 30 update from the Flint Water Response Team

# FLINT WATER RESPONSE TEAM

UPDATE | SATURDAY, JANUARY 30, 2016

This daily update is being issued in order to provide the latest information regarding actions and available resources.

Governor Snyder encourages all Flint residents to get their water tested as soon as possible. If you live in Flint, please make it a priority for your family and encourage your friends and neighbors to obtain testing kits as well. The kits are available free of charge at the water resource sites within Flint fire stations.

Water testing kits are available at city hall and all Flint fire stations. Residents don't need to test their own water - simply fill up the bottle and return it to where it was obtained. Residents with questions can call United Way 2-1-1. For other questions about water testing, please visit [www.mi.gov/FlintWater](http://www.mi.gov/FlintWater).

Water testing results are also posted at [www.mi.gov/FlintWater](http://www.mi.gov/FlintWater)

### **Detroit News: Feds deny Snyder's request to raise Flint WIC eligibility**

The U.S. Department of Agriculture has rejected Michigan's request to increase access for Flint children ages 5 to 10 to the federal nutritional program for low-income women and children.

Governor Snyder strongly urges the federal government to reconsider this request and provide additional support for children ages 5 to 10. He says that we must draw on all resources possible and work cooperatively to meet the needs of the residents of Flint, both immediate and long-term.

## REMINDERS

- For Flint water assistance: Dial 211 or visit [www.mi.gov/FlintWater](http://www.mi.gov/FlintWater)
- To donate or volunteer: visit [www.HelpForFlint.com](http://www.HelpForFlint.com)
- Residents should install filters to their taps to ensure they have immediate and ongoing access to safe water. Only run cold water through the water filter and use filtered water for drinking and cooking. Monitor the cartridge on the filter and replace as needed.

## WATER RESOURCE LOCATIONS

These sites are open seven days a week from 9 a.m. to 9 p.m. with the following resources:

- Bottled water
- Water filters
- Replacement cartridges for water filters
- Water testing kits pick-up
- Drop-off location for water testing kits

Fire Station #1  
310 East 5th St.  
Flint, MI 48502

Fire Station #3  
1525 Martin Luther King Ave.  
Flint, MI 48503

Fire Station #5  
3402 Western Rd.  
Flint, MI 48506

Fire Station #6  
716 West Pierson Rd.  
Flint, MI 48505

Fire Station #8  
202 East Atherton Rd.  
Flint, MI 48507

We will continue to work to improve the water situation in Flint. Community members and local officials are working together to make sure we hear and respond to concerns. Governor Snyder will continue to keep you updated on the latest news and information. **If you don't find the resources you need by dialing 211 please call the Governor's office directly at 517-335-7858.**

### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

#### Update 1/30/16 – 26<sup>th</sup> Day (25<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

##### Mission focus for the day:

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Shift Water Response Teams operations to a targeted effort to provide filters into homes where data shows where filters have not been provided.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
- Finalize SBA application

##### Attached Documents:

- Sit Rep # 25
- Lead Residents Sampled Results
- Copper Residents Sampled Results

##### Status on Governor’s request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### Key items for tomorrow to note are:

- We will have 10 ARC, type 5 teams (2-4 personnel).

##### Items to Note

- 10 ARC Flint Water Response Teams to the field today.
- Deployed SEOC liaison to UCG.
- Worked with GIS to map and analyze City of Flint apartment buildings to send out water resource teams.
- Coordinated the posting of the Food and Nutrition Service response to Michigan's request to increase the access and availability of WIC benefits and services on the [www.mi.gov/FlintWater](http://www.mi.gov/FlintWater) site.

- Information reported to the JIC:
  - As of 1/30/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Total	Targeted Canvassing Mission 1/30/2016
30,770	37,844	9,026	1,368

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	227,188
b. Filters	99,969
c. Filter cartridges	203,932
d. Test kits	31,512

3. Resources purchased:

- a. Cases of water 2,481,324 Liters (additional 879,400 Liters donated)
- b. Filters 164,616
- c. Filter Cartridges 376,903
- d. Test kits 62,701

4. Teams going out tomorrow:

- a. 10 American Red Cross Teams scheduled for Sunday, January 31, 2016.

Standing Information Requirements

1. Number of homes visited each day:

- a. 1/30/16, as of 5 pm, 1,368 homes were visited today.

2. Total number of homes visited:

- a. Targeted Canvassing Mission: 9,026

3. Total number of National Guard on the ground:

- a.

4. Total Number of Volunteers each day:

- a. 792 volunteers on 1/30/2016.

5. Number of homes with filters:

	Total Number	Number with filters
Residential parcels	38,831	27,956
Active residential water subscribers	29,994	22,229

6. Number of Water filters distributed (each day and to date):

- a. 706 were distributed on 1/30/2016, and total distributed to date is 99,347.

7. Cases of Bottle water distributed (each day and to date):

- a. 6,337 were distributed on 1/30/2016, and total distributed to date is 222,942.

8. Number of testing kits distributed (each day and to date):

- a. 65 were distributed on 1/30/2016, and total distributed to date is 31,176.

9. Number of people tested for elevated blood levels (kids, adults, total):

- a. Per CHECC: People tested for Lead 10/1/2015 to 1/22/2016: \*3,351  
\*this data will not be updated again until Tuesday.

10. Number of people with elevated blood level (kids, adults, total):

- a. Per CHECC: These numbers are only updated bi-weekly
  - i. Children less than 6 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 38
  - ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 7
  - iii. Adults 18 years and older  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 22

\*This data will not be updated again until Tuesday

**11. Number of homes with safe drinking water:**

- a. 4,084 water samples out of 4,351 sampled through January 29, 2016 are at or below the action level of 15 ppb for lead. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

\*\*Per DEQ, numbers were not available tonight but will be provided tomorrow.

Local EOC

- Coordinated short-term resource needs of incoming volunteer groups.
- Addressing public concerns regarding filter efficiency.
- Addressing concerns regarding rapid response delivery system.
- Planning for transition of operational control to local level.
- Planning for demobilization of MSP/EMHSD support staff at Genesee County EOC.
- Attended conference call with Michigan Community Service Commission regarding long-term volunteer management plan.
- Refined 211 data entry and record keeping process.
- Provided EPA with 50 "Flint Water Response Team" badges and lanyards to wear when they are working in the community.
- EPA advised they deployed two sampling teams to work on sequential sampling and a filter pilot through Monday, February 1, 2016.
  - o The filter pilot was described as collection of a sample from an unfiltered tap, followed by collection from a filtered tap, installation of a new filter, and collection of a sample through the newly installed filter. They have identified 30 homes for this 3 day effort.

Chris

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

**Update 1/29/16 – 25<sup>th</sup> Day (24<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

**Mission focus for the day:**

- Draft data documents for Governor's team for dashboards.
- Draft timeline of events.
- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations and work to increase warehouse locations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Shift Water Response Teams operations to a targeted effort to provide filters into homes where data shows where filters have not been provided.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.

**Attached Documents:**

- Sit Rep # 24

**Status on Governor's request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

**Key items for tomorrow to note are:**

- We will have 10 ARC, type 5 teams (2-4 personnel).
- MSP EMHSD Operations Chief in the Local EOC will be shifted to the Unified Coordination Group (Federal Agencies) to provide connection to SEOC.
  - Local EOC to take a more active role in command and control at the local level.

#### Items to Note

- 10 ARC Flint Water Response Teams to the field today.
- Recovery compiled a list of apartment buildings to send out to water response teams.
- SEOC Logistics coordinated Niagara water donation delivery times/dates of 25.5 semi-trailers.
- SEOC Logistics Worked with warehouse to send temporary donation's for the weekend to the LEOC established staging area.
- JIC coordinated with Genesee County Emergency Operations Center and State Emergency Operations Center regarding concerns from undocumented workers and English as second language speakers, including fielding a phone call from the Mexican Consulate in Detroit. Efforts are underway to reach out to these communities and to translate more materials for publication.
- Planning developed SBA loan request letter.
- GIS continued refinement of data.
- Information reported to the JIC:
  - As of 1/29/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

#### 1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Total	Targeted Canvassing Mission 1/29/2016
30,770	37,844	7,658	924

#### 2. Distributed:

Commodity	Total to Date
a. Number of cases of water	216,605
b. Filters	98,641
c. Filter cartridges	202,566
d. Test kits	31,111

#### 3. Resources purchased:

- Cases of water 2,151,444 Liters (additional 715,404 Liters donated)
- Filters 162,536
- Filter Cartridges 376,903
- Test kits 62,701

#### 4. Teams going out tomorrow:

- 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

#### Standing Information Requirements

##### 1. Number of homes visited each day:

- 1/29/16, as of 5 pm, 924 homes were visited today.

##### 2. Total number of homes visited:

- Targeted Canvassing Mission: 7,658

##### 3. Total number of National Guard on the ground:

- Number in PODs:
  - Command Cell:
  - Cyber Mission
  - Joint Forces Headquarters:

4. **Total Number of Volunteers each day:**

- a. 100 volunteers on 1/29/2016.

5. **Number of homes with filters:**

	Total Number	Number with filters
Residential parcels	38,831	27,855
Active residential water subscribers	26,673	22,158

6. **Number of Water filters distributed (each day and to date):**

- a. 1,218 were distributed on 1/29/2016, and total distributed to date is 98,641.

7. **Cases of Bottle water distributed (each day and to date):**

- a. 7,458 were distributed on 1/29/2016, and total distributed to date is 216,605.

8. **Number of testing kits distributed (each day and to date):**

- a. 221 were distributed on 1/29/2016, and total distributed to date is 31,111.

9. **Number of people tested for elevated blood levels (kids, adults, total):**

- a. Per CHECC: People tested for Lead 10/1/2015 to 1/22/2016: \*3,351

\*this data is updated bi-weekly

10. **Number of people with elevated blood level (kids, adults, total):**

- a. Per CHECC: These numbers are only updated bi-weekly
- Children less than 6 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 38
  - Children 6 to 17 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 7
  - Adults 18 years and older  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 22

11. **Number of homes with safe drinking water (Not sure whether it's possible right now to provide this number):**

- a. 4,084 water samples out of 4,351 sampled through January 29, 2016 are at or below the action level of 15 ppb for lead. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

Local EOC

- Attended long-term recovery planning meeting with MSP/EMHSD, FEMA and community leaders.
- Planning for transition of operational control to local level.
- Planning for demobilization of MSP/EMHSD support staff.
- Coordinating distribution of Spanish-language water sample forms to affected populations.
- Identifying and securing additional warehouse space.
- Refining rapid response process and coordinating rapid response deliveries to special locations.
- Continuing to coordinate vehicle and technology demobilization.
- Implementing the recycling program with the Community Recycling Coalition.
- Coordinating in-kind and monetary donations through Michigan Community Service Commission.
- Coordinating volunteer management with Michigan Community Service Commission, ARC, and other VOADs.

Chris

---

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

**Update 1/28/16 – 24<sup>th</sup> Day (23<sup>rd</sup> Full Day) After Governor's Declaration of an Emergency**

**Mission focus for the day:**

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.

- Shift Water Response Teams operations to a targeted effort to provide filters into homes where data shows where filters have not been provided.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.

Attached Documents:

- Sit Rep # 23
- Maps:
  - Parcel Contact Status, includes data as of 5 pm today. (Provide earlier by GIS)
  - Parcel Filter Status (Multi-Tenant Excluded), includes GIS data as of 5 pm today. (Provide earlier by GIS)

Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Key items for tomorrow to note are:

- We will have 10 ARC, type 5 teams (2-4 personnel).
- We continue to send ARC teams to targeted areas potentially missed.
- Collins Road SEOC will be shutdown. New SEOC at 7150 Harris Drive in Windsor Township (former GOB) will be activated for SEOC staff only. All EMHSD admin personnel will start at the new facility on Monday.

Items to Note

- 10 ARC Flint Water Response Teams to the field today.
- MSP HQ staff completed data entry on all ARC paper copies.
- Recovery Staff attended local Community Partners Meeting.
- Recovery Branch worked with GIS to develop an area map and spreadsheet with addresses based on data specified as "follow up required "for Red Cross teams.
- SEOC Logistics researched possible warehouse options with the local EOC, FEMA and General Motors.
- We have a corporate owned (originally thought to be a franchise owned) Kroger that is no longer in business near Fire Station 6. Looking to get a lower cost for potentially use.
- Received an inquiry regarding potential scams being perpetrated on residents of Flint. This information was referred to the Attorney General's office for a possible news release and further action.
- Issued a media advisory and coordinated a press conference about recycling with Lt. Gov. Brian Calley at noon at Fire Station #1. Used social media to promote the event as it occurred.
- SEOC Operations coordinated water pitcher request for vulnerable population.
- Information reported to the JIC:
  - As of 1/28/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Total	Targeted Canvassing Mission 1/28/2016
30,770	37,844	6,734	1,768

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	207,055
b. Filters	97,342
c. Filter cartridges	201,848
d. Test kits	30,801

3. Resources purchased:
  - a. Cases of water 1,980,504 Liters (additional 517,152 Liters donated)
  - b. Filters 154,052
  - c. Filter Cartridges 299,508
  - d. Test kits 62,701
4. Teams going out tomorrow:
  - a. 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

#### New Standing Information Requirements

1. Number of homes visited each day:
  - a. 1/28/16, as of 5 pm, 1,768 homes were visited today.
2. Total number of homes visited:
  - a. Targeted Canvassing Mission: 6,734
3. Total number of National Guard on the ground:
  - a.
    - i. Number in PODs: 1
    - ii. Command Cell: 1
    - iii. Cyber Mission: 1
    - iv. Joint Forces Headquarters: 1
4. Total Number of Volunteers each day:
  - a. 125 volunteers for 1/28/2016.
5. Number of homes with filters:

	Total Number	Number with filters
Residential parcels	38,238	25,221
Active residential water subscribers	26,673	20,788

6. Number of Water filters distributed (each day and to date):
  - a. 1,806 were distributed on 1/28/2016, and total distributed to date is 97,342.
7. Cases of Bottle water distributed (each day and to date):
  - a. 8,428 were distributed on 1/28/2016, and total distributed to date is 207,055.
8. Number of testing kits distributed (each day and to date):
  - a. 466 were distributed on 1/28/2016, and total distributed to date is 30,801.
9. Number of people tested for elevated blood levels (kids, adults, total):
  - a. Per CHECC: People tested for Lead 10/1/2015 to 1/22/2016: \*3,351  
\*this data is updated bi-weekly
10. Number of people with elevated blood level (kids, adults, total):
  - a. Per CHECC: These numbers are only updated bi-weekly
    - i. Children less than 6 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 38
    - ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 7
    - iii. Adults 18 years and older  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 22
11. Number of homes with safe drinking water:
  - a. 3,726 water samples out of 3,972 sampled through January 28, 2016 are at or below the action level of 15 ppb for lead. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

#### Local EOC

- Planning for transition of operational control to local level.
- Discussed transition and demobilization of EOC support team with SEOC staff, Genesee County Sheriff's Office and Genesee County Emergency Management & Homeland Security.
- Identifying and securing additional warehouse space.
- Implementing recycling program. Promoted program at a press conference with Lt. Gov. Calley.

- Coordinating in-kind and monetary donations through Michigan Community Service Commission.
- Coordinating volunteer management with Michigan Community Service Commission, ARC and other VOADs.
- Continuously addressing public concerns over perceived fraud through door-to-door teams.

Chris

## INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

### Update 1/27/16 – 23<sup>th</sup> Day (22<sup>nd</sup> Full Day) After Governor’s Declaration of an Emergency

#### Mission focus for the day:

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- *Prepare appeal on denial of Category B under the Presidential Emergency Declaration.*
- Shift Water Response Teams operations to a targeted effort to provide filters into homes where data shows where filters have not been provided.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.

#### Attached Documents:

- Sit Rep 22
- Maps:
  - Parcel Contact Status, includes data as of 5 pm today. (Provided earlier by GIS)
    - The first one indicates based upon the outreach that has been conducted, which parcels have had contact with a resident and which parcels have not had any contact with a resident.
  - Parcel Filter Status (Multi-Tenant Excluded), includes GIS data as of 5 pm today. (Provided earlier by GIS)
    - The second map indicates the status of residents that have or have not received a filter.

#### Status on Governor’s request letter to the President:

- *Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.*
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Key items for tomorrow to note are:

- We will have 10 ARC, type 5 teams (2-4 personnel).
  - ARC teams are targeting the homes we show that were not visited.
- Information provided to the Governor’s Office (Paul Smith) for an extension to the Governor’s Declaration of an Emergency. This has to be approved by both houses of the legislature. The extension will put us on the same timeline as FEMA’s declaration.

#### Items to Note

- 10 ARC Flint Water Response Teams to the field today.
- Recovery Branch compiled a list of targets for apartment complexes. Once plan is in place, a team will go to each complex and verify all tenants have been given or have a water filter. Once outreach has taken place for each complex, GIS will manually mark entire parcel as complete.
- SEOC Logistics worked with the Michigan Community Service Commission on donations management and volunteers
- GIS coordinated with DNR and DEQ to establish timelines for lead mapping and strategize updates of lead statuses based on plumber activities.

- GIS coordinated with DTMB/CSS to meet with local GIS staff to review city GIS infrastructure and provide recommendations on future asset management.
- Planning and Financial provide information for Senate Appropriations Committee meeting this afternoon.
- Financial Reviewed donations as match guidelines for required 25% federal match.
- Information reported to the JIC:
  - As of 1/27/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Canvassing Total	Targeted Canvassing Mission 1/27/2016
30,770	37,844	4,966	1,020

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	196,456
b. Filters	95,417
c. Filter cartridges	200,654
d. Test kits	30,255

3. Resources purchased\*:

- a. Cases of water 165,042 (additional 32,234 donated)
- b. Filters 154,052
- c. Filter Cartridges 299,508
- d. Test kits 62,701

4. Teams going out tomorrow:

- a. 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

Standing Information Requirements

1. Number of homes visited each day:

- a. 1/27/16, as of 5 pm, 1,020 homes were visited today.

2. Total number of homes visited:

- a. Targeted Canvassing Mission: 4,966

3. Total number of National Guard on the ground:

- a.
  - i. Number in PODs:
  - ii. Command Cell:
  - iii. Cyber Mission:
  - iv. Joint Forces Headquarters:

4. Total Number of Volunteers each day:

- a. 109 volunteers for 1/27/2016.

5. \*Number of homes with filters:

	Total Number	Number with filters
Residential parcels	38,238	22,939
Active residential water subscribers	26,673	19,677

6. Number of Water filters distributed (each day and to date):

- a. 971 were distributed on 1/27/2016, and total distributed to date is 95,417.

7. Cases of Bottle water distributed (each day and to date):

- a. 7,592 were distributed on 1/27/2016, and total distributed to date is 196,456.

**8. Number of testing kits distributed (each day and to date):**

- a. 341 were distributed on 1/27/2016, and total distributed to date is 30,255.

**9. Number of people tested for elevated blood levels (kids, adults, total):**

- a. Per CHECC: People Tested for Lead 10/1/2015 to 1/22/2016: \*3,351  
\*this data is updated bi-weekly

**10. Number of people with elevated blood level (kids, adults, total):**

- a. Per CHECC: These numbers are only updated bi-weekly
- i. Children less than 6 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 38
  - ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 7
  - iii. Adults 18 years and older  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 22

**11. Number of homes with safe drinking water:**

- a. 2,991 homes, per data from September 3, 2015 to January 27, 2016. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

\*This is an estimate from Phase I data. We are cleaning up the data to get a more accurate number – Phase II questions were developed to help clean this up.

GIS Information

AS OF 1/27/2016 AT 5 p.m. USING DATA FROM FLINT WATER RESPONSE TEAMS, POD DISTRIBUTIONS, AND GENESEE COUNTY HEALTH DISTRIBUTION DATA.

NOTE: PLEASE REMEMBER THAT PAPER DATA AND DATA ENTRY FROM PREVIOUS DAYS CONTINUES TO COME IN AND WILL BE INCLUDED IN THE TOTALS AS IT IS RECEIVED.

We are tracking **38,238** residential parcels that the City of Flint has identified as non-vacant (including Franchise). Of those:

- **34,849 (91%)** of the parcels have been engaged (e.g. face to face, left an information card, etc.) as part of response efforts
- **22,939 (60%)** of the parcels have been confirmed to have some form of filter
- **10,723 (28%)** of the parcels have volunteered for water testing sites
- **4,918 (13%)** of the parcels have not had personal contact (not home or did not visit a POD)

We are also tracking that there are 29,994 active water subscribers (metered service lines) in the city. When consolidated down and filtering out only residential there are **26,673** residential parcels that have the ability to use the Flint Water System. Of these

- **25,457 (95%)** of the parcels have been engaged as part of response efforts
- **19,677 (74%)** of the parcels have been confirmed have some form of filter
- **9,561 (36%)** of the parcels have volunteered for water testing
- **3,718 (14%)** of the parcels have not had personal contact (not home or did not visit a POD)

Local EOC

- Planning for transition of operational control to local level.
- Identifying and securing additional warehouse space for donations management.
- Coordinating rapid response deliveries to identified locations.
- Coordinating demobilization of vehicles and technology.
- Working to implement recycling program. Press conference scheduled for 01/28/2016.
- Coordinating in-kind and monetary donations through Michigan Community Service Commission.
- Coordinating volunteer management with Michigan Community Service Commission, ARC and other VOADs.

Chris

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

**Update 1/26/16 – 22<sup>th</sup> Day (21<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

**Mission focus for the day:**

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
- Validate all data from the WRTs/PODs and identify focus areas.

**Attached Documents:**

- Sit Rep # 21
- Maps:
  - Parcel Contact Status, includes data as of 5 pm today.
    - The first one indicates based upon the outreach that has been conducted, which parcels have had contact with a resident and which parcels have not had any contact with a resident.
  - Parcel Filter Status (Multi-Tenant Excluded), includes GIS data as of 5 pm today.
    - The second map indicates the status of residents that have or have not received a filter.

**Status on Governor's request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

**Key items for tomorrow to note are:**

- We will have 10 ARC, type 5 teams (2-4 personnel).
- Press conference to be held in Flint with the Governor, Mayor and some state agency personnel.

**Items to Note**

- 10 ARC Flint Water Response Teams to the field today.
- We have taken a significant number of paper records from the ARC WRTs so we can get the data entered into our system. MSP HQ staff has been pulled to the SEOC for data entry. These are a portion of the records the ARC had as they were not using the door to door App as directed. This data will further clarify areas covered/not covered by any teams.
- The WRTs are going to "targeted" locations where we are showing residences not contacted.
- We are working on identifying any multi-unit housing to ensure all have filters (e.g. apartment buildings). Some have been taken care of but we are ensuring these locations are not missed.
- Information reported to the JIC:
  - As of 1/26/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

**1. Homes visited by the FWRTs to date.**

Phase I	Phase II	Targeted Canvass Mission Total	Targeted Canvassing Mission 1/26/2016
30,770	37,844	3,946	1,350.

**2. Distributed:**

Commodity	Total to Date
a. Number of cases of water	186,309
b. Filters	94,301
c. Filter cartridges	199,489
d. Test kits	29,841

3. Total number of customers on the Flint water system
  - a. 29,994 current water system subscribers
  - b. ~45,000 hookups (This is our high end target #)
  - c. ~39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased\*:
  - a. Cases of water 146,142 (additional 26,834 donated to the state warehouse and does not include other locations like GCCARD/Food Banks, Churches, etc.)
  - b. Filters 154,052
  - c. Filter Cartridges 299,508
  - d. Test kits 62,701
5. Teams going out tomorrow:
  - a. 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

#### Standing Information Requirements

1. Number of homes visited each day:
  - a. 1/26/16, as of 5 pm, **1,350** homes were visited today.
2. Total number of homes visited:
  - a. Targeted Canvassing Mission: **3,946**
3. Total number of National Guard on the ground:
  - a.
    - i. Number in PODs:
    - ii. Command Cell:
    - iii. Cyber Mission:
4. Total Number of Volunteers each day:
  - a. 98 volunteers for 1/26/2016.
5. \*Number of homes with filters:
  - a. 18,487 homes had filters, per entered GIS data as of 1/25/2016.
6. Number of Water filters distributed (each day and to date):
  - a. 1,091 were distributed on 1/26/2016, and total distributed to date is 94,301.
7. Cases of Bottle water distributed (each day and to date):
  - a. 7,862 were distributed on 1/26/2016, and total distributed to date is 186,309.
8. Number of testing kits distributed (each day and to date):
  - a. 403 were distributed on 1/26/2016, and total distributed to date is 29,841.
9. Number of people tested for elevated blood levels (kids, adults, total):
  - a. Per CHECC: People tested for lead 10/1/2015 to 1/8/2016: **2,642**;  
\*this data is updated bi-monthly
10. Number of people with elevated blood level (kids, adults, total):
  - a. Per CHECC:
    - i. Children less than 6 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: **28**
    - ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: **7**
    - iii. Adults 18 years and older  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: **15**
 \*this data is updated bi-monthly
11. Number of homes with safe drinking water:

- a. 1,099 homes, per data from September 3, 2015 to January 22, 2016. Note, per MDEQ, this data is from uncontrolled samples provided by residents.
- \*This is an estimate from Phase I data. We are cleaning up the data to get a more accurate number – Phase II questions were developed to help clean this up.

#### Local EOC

- Delivered iPads to warehouse and provided on-site training to drivers, followed with written instructions.
- Facilitated recycling planning meeting and planned for implementation of the program.
- Attended local "Pastors and Police" meeting to coordinate water distribution plan with faith-based organizations.
- Planning for a transition of operational control to local level.
- Coordinated the incoming donations of water and filters through the Michigan Community Service Commission.
- Coordinated volunteer management with Michigan Community Service Commission, ARC and other VOADS.

Chris

---

#### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

#### Update 1/25/16 – 21<sup>th</sup> Day (20<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
- Validate all data from the WRTs/PODs and identify focus areas

##### Attached Documents:

- Sit Rep # 20
- Michigan Department of Health and Human Services Situation Report for January 20, 2016
- Maps:
  - Parcel Contact Status, includes data as of 5 pm today.
    - The first map indicates based upon the outreach that has been conducted, which parcels have had contact with a resident and which parcels have not had any contact with a resident.
  - Parcel Filter Status (Multi-Tenant Excluded), includes GIS data as of 5 pm today.
    - The second map indicates the status of residents that have or have not received a filter.

##### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### Key items for tomorrow to note are:

- We will have 10 ARC, type 5 teams (2-4 personnel).

##### Items to Note

- 11 ARC Flint Water Response Teams to the field today.
- 8 EPA PIOs will be in the JIC tomorrow. The JIC is unaware of the role or expectations at this time.

- Reference the rash I discussed on the call tonight:
  - There was one specific complaint about rashes that Community Health personnel plan on working with ATSTD/CDC. DEQ is requesting that EPA collect all appropriate water samples to enable a full analysis of the water at the address (an apartment) for bacterial contamination, and a full metals and organics panel. Lead is not associated with skin rashes, but other contaminants are and DEQ wants to find out what, if any, other contaminants are in the water.
  - It was also discussed that it would be ideal if Community Health can forward to the EPA the other addresses and contact information for which they've received complaints of rashes, so that EPA could also test there for appropriate parameters to see if we can identify a cause.
  - SEOC DEQ desk will continue to monitor and work this issue.
- SEOC OPS, Health, MDEQ SEOC, Logistics participated in conference calls with the Governor's office and private partners on potential alternative filtration systems for schools, daycares, etc.
- Created a form for drivers to track rapid response deliveries.
- Media avail at fire station 8 this morning received positive news coverage.
- The NAACP is holding a public meeting at U of M Flint on Tuesday.
- Rachel Maddow will hold a town hall meeting on Wednesday. MSP Third District Commander advised.
- Developed new Incident Action Plan (#7 published in MICIMS) and ICS 204s for the new operational period (1/26/2015-2/2/2016).
- MDOC assumed all warehousing responsibilities today.
- Reviewed state agency financial information received for update to current spend plan.
- Information reported to the JIC:
  - As of 1/25/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Canvassing Mission 1/25/2016
30,770	37,844	2,596 – ARC*

\*American Red Cross data has not been entered in the app, but is currently being caught up. Starting January 26, 2016, the American Red Cross has been instructed that iPads must be used in the field for data entry in order to clearly capture the homes that have filters.

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	176,118
b. Filters	93,048
c. Filter cartridges	198,552
d. Test kits	29,320

3. Total number of customers on the Flint water system

- a. 29,994 current water system subscribers
- b. ~45,000 hookups (This is our high end target #)
- c. ~39,000 includes apartment complexes (The is the low end target #)

4. Resources purchased\*:

- a. Cases of water 141,982 (additional 24,634 donated)
- b. Filters 124,052
- c. Filter Cartridges 285,586
- d. Test kits 62,701

\* Numbers have not been updated due to the following circumstances:

- Outstanding donations and inventory at the warehouse which has not been reported to the SEOC. Staff in the SEOC is working with donations management and warehouse to reconcile numbers.

- Outstanding data from GCCARD on deliveries from 1/8-1/12. Staff in the SEOC and local EOC is working with GCCARD to obtain data.
  - At the beginning of tracking the planning factor used was 72 cases of water per pallet and 22 pallets per semi-truck. Per bill of lading received from the warehouse today, it has been identified that this assumption is not correct. Staff is working to reconcile numbers.
5. Teams going out tomorrow:
- a. 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

#### Standing Information Requirements

1. **Number of homes visited each day:**
  - a. 1/25/16, as of 5 pm, 2,596 homes were visited today.
2. **Total number of homes visited:**
  - a. Phase II: 37,844
  - b. Targeted Canvassing Mission: 2,596
3. **Total number of National Guard on the ground:**
  - a. 65
    - i. Number in PODs: 60
    - ii. Command and Control Staff for NG Personnel: 5
4. **Total Number of Volunteers each day:**
  - a. 135 volunteers for 1/25/2016.
5. **\*Number of homes with filters:**
  - a. 17,595 homes had filters, per entered GIS data as of 1/22/2016.
6. **Number of Water filters distributed (each day and to date):**
  - a. 1,151 were distributed on 1/25/2016, and total distributed to date is 93,048.
7. **Cases of Bottle water distributed (each day and to date):**
  - a. 9,514 were distributed on 1/25/2016, and total distributed to date is 176,118.
8. **Number of testing kits distributed (each day and to date):**
  - a. 478 were distributed on 1/25/2016, and total distributed to date is 29,320.
9. **Number of people tested for elevated blood levels (kids, adults, total):**
  - a. Per CHECC: People tested for lead 10/1/2015 to 1/8/2016: **2,642**;
10. **Number of people with elevated blood level (kids, adults, total):**
  - a. Per CHECC:
    - i. Children less than 6 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: **28**
    - ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: **7**
    - iii. Adults 18 years and older  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: **15**
11. **Number of homes with safe drinking water:**
  - a. 1099 homes, per data from September 3, 2015 to January 22, 2016. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

#### GIS Information

I have had numerous discussions with GIS staff as to getting our data validated and as close to final as possible. We are tracking 38,144 residential properties within the city (noting large apartment complexes are classified as commercial so they are not a part of this). Of these:

- 34,318 have been engaged by Flint Water Response Teams and PODs (90%) - The remaining 10% is going to be a focus for the teams in the near future
- 23,281 have led to a direct citizen engagement (61%)
- 5,173 were not home during any attempt to visit and have not been recorded as having visited a POD (14%)
- 5,864 of the properties the teams visited were vacant or destroyed (15%)

Additionally, we have been tracking the status of "Active Water Subscribers" from the Flint Department of Public Works. These are residential properties which have meters put on the homes by the city. Of the total 29,994 subscribers citywide, 26,673 have been confirmed as being on residential parcels. Of the 26,673:

- 18,487 Have been confirmed as having received a filter by the Flint Water Response Teams or PODs (69%)
- 3,928 Were not home when visited (15%)
- The remaining 16% we have no data to confirm or deny whether they have a filter

Of special significance from the water subscriber data is that the old lead maps that we are digitizing from the Flint Water Department contain 993 suspected homes with lead lines in them. Of these only 659 have received a filter.

It is significant to note that we are continuing to receive paper forms from the field and processing them. The ARC and volunteers were specifically told to use the App and we provided Ipads but tonight I was told this was not being done by everyone which has caused us some lags in data. This is likely improve the overall numbers as we process historic records (ARC had ~7,000 of these records).

It cannot be reiterated enough that data is still coming in and we are still actively cleansing it.

#### Local EOC

##### Operations:

- Coordinated with Foodbank of Eastern Michigan for issuing of Resource Request.
- Coordinating and following up on vehicle demobilization.
- Facilitated rapid response deliveries to special locations.
- Finalizing components of recycling program.
- Received authorization to operate bottle collections for recycling at Fire Station 1 and 5 PODs.
- Initiated activities to plan for inclusion of institution sampling (schools, daycares, nursing homes, etc.) in Genesee County EOC IAP.
- Coordinating volunteer management with Michigan Community Service Commission.

Chris

---

#### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

##### Update 1/24/16 – 20<sup>th</sup> Day (19<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

I have asked state agency SEMCs to archive their SitRep items so you only have current operational period information in the SitRep Agency Summaries. Director Creagh added to daily report.

##### Mission focus for the day:

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs).
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.

##### Attached Documents:

- Situation Report # 19

- Maps:
  - Parcel Contact Status, includes data as of 5 pm today.
    - The first one indicates based upon the outreach that has been conducted, which parcels have we had contact with a resident and which parcels have not had any contact with a resident.
  - Parcel Filter Status (Multi-Tenant Excluded), includes GIS data as of 5 pm today.
    - The second map indicates the status of residents that have or have not received a filter.

Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Key items for tomorrow to note are:

- We will have 10 ARC, type 5 teams (2-4 personnel).
- WRTs with NG personnel are transitioning out. No field teams. NG will continue to staff the PODs.
- Tony Katarsky will be acting SEOC State Director. Capt. Kelenske not in the SEOC - available by phone (in the Holland MI area).

Items to Note

- Deployed National Guard/state/local teams and 19 ARC Flint Water Response Teams to the field today.
- JIC was operational with limited staff out of the SEOC today. Co-located JIC in Flint will be back and operational tomorrow.
- SEOC Logistics worked with MDOC on warehouse management transition.
- Recovery Branch began demobilization of trucks and vans.
- Demobilization of National Guard Water Response Teams will be effective as of Monday, January 25.
- School for the Deaf
  - As of 1/23/16: LARA and DEQ teams on site; water testing complete in school building and LRC dorm. Stevens Hall will be tested when landlord finishes upgrades.
  - As of 1/23/16: all water faucets replaced in Stevens Hall. 3 new drinking fountains on order; expected mid-week. Once fountains are installed, Stevens Hall will be scheduled for water testing.
- SEOC Finance Donations Management team to obtain list of donors and donations for FEMA request.
- SEOC Planning Section worked on burn rate data from FWRT and PODs for FEMA request.
- GIS continued to clean up V2 Dataset (patched approximately 1000 records).
- GIS coordinated with the DEQ to transfer lead service line mapping to their GIS department tomorrow. Wall maps showing known lead service lines based off of geographical locations and zip codes provided for Chief Hagler, SEOC DEQ staff and Director Creagh.
- Out of 37,003 homes visited, 5,660 were not home/did not answer. The number of homes visited is lower than the Phase II number as some duplicate contacts at addresses were eliminated.
- Information reported to the JIC:
  - As of 1/24/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	1/24/2016
30,770	37,844	7,012 National Guard/State/Local 4,132 ARC

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	164,991
b. Filters	91,763
c. Filter cartridges	197,775

d. Test kits	28,763
--------------	--------

3. Total number of customers on the Flint water system
  - a. 29,944 current water system subscribers
  - b. ~45,000 hookups (This is our high end target #)
  - c. ~39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 141,982 (additional 24,634 donated)
  - b. Filters 124,052
  - c. Filter Cartridges 285,586
  - d. Test kits 62,701
5. Teams going out tomorrow:
  - a. 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

#### Additional Standing Information Requirements

1. Number of homes visited each day:
  - a. 1/24/16, as of 5 pm, 11,144 homes were visited today
2. Total number of homes visited:
  - a. Phase II: 37,844
3. Total number of National Guard on the ground:
  - a.
    - i. Number in PODs:
    - ii. Number on Cyber Mission:
    - iii. Number with FWRTs:
    - iv. Command and Control Staff for NG Personnel:
4. Total Number of Volunteers each day:
  - a. 315 volunteers for 1/24/2016.
5. \*Number of homes with filters:
  - a. 17,595 homes had filters, per entered GIS data as of 1/22/2016.
6. Number of Water filters distributed (each day and to date):
  - a. 4,920 were distributed on 1/24/2016, and total distributed to date is 91,763.
7. Cases of Bottle water distributed (each day and to date):
  - a. 16,125 were distributed on 1/24/2016, and total distributed to date is 164,991.
8. Number of testing kits distributed (each day and to date):
  - a. 3,177 were distributed on 1/24/2016, and total distributed to date is 28,763.
9. Number of people tested for elevated blood levels (kids, adults, total):
  - a. Unknown at this time, CHECC will begin providing numbers on 1/25/2016.
10. Number of people with elevated blood level (kids, adults, total):
  - a. Unknown at this time, CHECC will begin providing numbers on 1/25/2016.
11. Number of homes with safe drinking water:
  - a. 577 homes, per data from September 3, 2015 to January 20, 2016. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

\*This is an estimate from Phase I data. We are cleaning up the data to get a more accurate number – Phase II questions were developed to help clean this up.

#### Local EOC

##### Operations:

- Distribution of supplies at five water resource sites in the City of Flint.

- Door-to-door distribution of supplies with 34 water response teams (19 ARC volunteer teams, 15 MSP/GCSO/NG teams).
- Facilitating rapid response deliveries to homebound residents and special locations by three teams staffed by Team Rubicon, and Lt. de Castro (MSP/EMHSD).
- Improved logistics for rapid response teams by providing transportation and iPads starting on 01/25/2016.
- Coordinated with ARC for distribution of additional iPads for data entry.
- Identified alternative warehouse locations for loose donations.
- Directed volunteer requests to appropriate state agencies.
- Started coordination for resource demobilization.
- Coordinated with 22 churches so they had water, filters, etc. Delivered Saturday. Some advised they were set with supplies. Lt. Roach (MSP District Coordinator will maintain contact with Pastors).

Chris

## INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

### Update 1/23/16 – 19<sup>th</sup> Day (18<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

#### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs

#### Attached Documents:

- SitRep 18

#### Status on Governor’s request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Key items for tomorrow to note are:

- We will have National Guard/state/local agency, type 3 teams
- We will have 40 ARC, type 5 teams (2-4 personnel).

#### Items to Note

- Deployed 15 state/local teams and 40 ARC Flint Water Response Teams to the field today.
- Created a media monitoring report and looked for misinformation. A call was made to WILX to amend their article that implied that the State was not distributing water to undocumented immigrants. The news release was also sent to WILX about how the State is not requiring identification to receive water resources.
- SEOC Logistics worked on future resource planning and a local business commodity supply plan.
- Drafted talking points for Monday’s press conference with Governor Snyder, Colonel Etue, and the Mayor.
- Put in place a place to control POD distribution as much as possible. SKU numbers are being lined out on commodities to prevent or minimize returns for cash.
- Information reported to the JIC:

- o As of 1/23/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

To Date	1/23/2016
37,943	6,323 National Guard
	7,361 ARC

2. Distributed: Includes outstanding data from yesterday- PODs after 5 pm, ARC worksheets and local EOC hotshots

Commodity	Total to Date
a. Number of cases of water	148,866
b. Filters	86,843
c. Filter cartridges	194,622
d. Test kits	25,586

3. Total number of customers on the Flint water system

- a. 29,944 paying customers
- b. ~45,000 hookups (This is our high end target #)
- c. ~39,000 includes apartment complexes (The is the low end target #)

4. Resources purchased:

- a. Cases of water 133,662 (additional 24,634 donated)
- b. Filters 115,700
- c. Filter Cartridges 266,200
- d. Test kits 61,161

5. Teams going out tomorrow:

- a. National Guard State ) type 3 teams---Goal tomorrow 300 homes per team
- b. 40 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

Local EOC

Operations:

- Worked to identify all vulnerable populations to help streamline Hot Shot/Rapid Response Team process.
- Working on plan for church water distribution and POD locations.
- Looking at possible alternative locations for PODs in difficult traffic areas. The city identified some but they are just as bad as the current ones.
- Working on finalizing a recycling plan for the incident.
- Lt. Roach sent up the church information to Tom Webber. She also received one church site that will act as a potential church mega site.
- SEOC GIS to provide a layer for the vulnerable populations so that Team Rubicon can get to them and track in the iPad.

New Standing Information Requirements

1. Number of homes visited each day:

- a. 1/23/16, As of 5 pm, 13,684 homes were visited today

2. Total number of homes visited:

- a. 37,943, does include duplicate counts from the second canvassing

3. Total number of National Guard on the ground:

- a.

4. Total Number of Volunteers each day:

- a. 310 volunteers for 1/23/2016

5. **Number of homes with filters:**
  - a. 17,595 homes had filters, per entered GIS data as of 1/22/2016,
6. **Number of Water filters distributed (each day and to date):**
  - a. 4,156 were distributed on 1/23/2016, and total distributed to date is 86,843
7. **Cases of Bottle water distributed (each day and to date):**
  - a. 27,462 were distributed on 1/23/2016, and total distributed to date is 148,866
8. **Number of testing kits distributed (each day and to date):**
  - a. 2,171 were distributed on 1/23/2016, and total distributed to date is 25,586
9. **Number of people tested for elevated blood levels (kids, adults, total):**
  - a. Unknown at this time until we get the data
10. **Number of people with elevated blood level (kids, adults, total):**
  - a. Unknown at this time until we get the data
11. **Number of homes with safe drinking water (Not sure whether it's possible right now to provide this number):**
  - a. Unknown at this time

Chris

---

#### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

#### **Update 1/22/16 – 18<sup>th</sup> Day (17<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

##### **Mission focus for the day:**

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue door to door/Flint Water Response Teams (FWRTs)
- Plan for next phase with MSP and NG personnel
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration
- Work with HHS personnel to ensure they have all items needed for operations

##### **Attached Documents:**

- SitRep # 17
- Briefing provided to the HHS Undersecretary by FEMA (due to time only finished 75%)

##### **Status on Governor's request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### **Key items for tomorrow to note are:**

- National Guard/State/Local type 3 teams
- 40 ARC (2-4 folks) type 5 teams
- Deliveries going out to all churches on our list we have been working with (21) for Sunday services.
- I will not be in the SEOC Saturday. Tony Katarsky will be the acting SEOC state director. I will be available by phone (wrestling meet).
- Sunday, Lt. Mike Johnson will be acting SEOC state director but I may be in for some of the day.
- Monday I am out on a college visit with my son...I will be available by phone and Tony will again be acting.

##### **Items to Note**

- Deployed 15 state/local teams and 15 ARC Flint Water Response Teams to the field today.
- SEOC Operations worked on getting local contact into the JIC along with developing messaging for resources and donations.
- SEOC Planning worked on the further development of long term strategy.
- Recovery branch continued coordination with Red Cross on volunteers and the Michigan National Guard for Friday and Saturday.
- SEOC logistics worked with FEMA/DHHS on warehouse tracking status/strategy, coordinated resources, and donations management.
- Have had a number of media request concerning resources for immigrants and population less proficient in English. Clarified with a news release that we are not requiring ID but we are asking for addresses to assist with long term recovery. Nobody will be denied resources if they fail to provide us an address.
- Have received numerous inquiries from celebrities on how they can assist and donate.
- We are validating a lot of data but what we have currently is 38,144 parcels in Flint that are not considered "vacant". This does not mean all parcels have a tenant, there are a lot of houses that are empty.
  - 26,673 water subscribers in Flint (not including franchise).
    - Water Subscribers with a Filter = 15,399 (57.7%)
    - Water Subscribers without a Filter = 11,274 (42.2%)
      - With our second pass we are getting more information as to why people do not have a filter. Looking into whether these include homes connected but nobody currently living there. We are refining the data.
  - 11,471 Non-Water Subscribers in Flint.
    - Non Water Subscribers with a Filter = 2,196 (19%)
    - Non Water Subscribers without a Filter = 9,275 (81%)
  - The SEOC Ops Chief has been directed to firm up all numbers with GIS. We have a GIS specialist from FEMA Region V also deployed to the SEOC to assist. ArcGIS has advised us that the amount of data we have collected is more than some major disasters in other states. We are looking into getting their personnel more engaged to ensure we are using all the tools available for analysis.
- SEOC Finance Chief is working on costs to date and all SEMCs were advised to tighten up their records and ensure we have accountability of all costs.
- Information reported to the JIC:
  - As of 1/22/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

To Date	1/22/2016
37,697	5,920

2. Distributed: Includes outstanding data from yesterday (PODs after 5 pm, ARC worksheets and local EOC hotshots.)

Commodity	Total to Date
a. Number of cases of water	121,404
b. Filters	82,687
c. Filter cartridges	191,704
d. Test kits	23,415

3. Resources purchased:

- a. Cases of water 130,782 (additional 21,682 donated)
- b. Filters 115,700
- c. Filter Cartridges 266,200
- d. Test kits 61,161

4. Teams going out tomorrow:

- a. National Guard State type 3 teams -- Goal tomorrow 300 homes per team
- b. 40 ARC (2-4 folks) type 5 teams -- Goal tomorrow 100 homes per team

Local EOC

Operations:

- Worked to identify all vulnerable populations to help streamline Hot Shot process.
- Working on plan for church water distribution and POD locations.
- Looking at possible alternative locations for PODs in difficult traffic areas.
  - Working on finding a new POD for 3 and 6. We are aware that the mayor would need to approve this.
- Coordinated water donations and delivery areas.
- Last minute large donations of water and volunteers expected during the weekend.
- Working on finalizing a recycling plan for the incident.
- The Jail water has been tested and is fine. The prisoners are not being poisoned and the local health department is working on clearing this issue up.
- Working on a plan with the churches to have 4 mega sites for churches (N,E,S,W) and have smaller churches work through these sites to get supplies. Churches are interested in the recycling program, putting information in their bulletins and also used a collection sites.
- Team Rubicon is coming tomorrow to assist with home deliveries.
- Continuing with recycling plan. Need to identify sites with city. Local EOC has visited areas with the local contractor.

Chris

---

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

**Update 1/21/16 – 17<sup>th</sup> Day (16<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs) - “Phase II”
- Plan for next phase with MSP and NG personnel for Governor approval – “Phase III”
- Prepare for appeal on denial of Category B under the Presidential Emergency Declaration
- Work with HHS personnel to ensure they have all items needed for operations

Attached Documents:

- SitRep 16
- Draft Water Operations Plan for moving to next phases (Discussion document)
- Resident Water Sample Results Map (Not for public distribution)
- January 13-19 comparison map

Status on Governor’s request letter to the President

- Emergency declaration received. Pending decision of Major Disaster appeal and any denials under the Emergency Declaration (e.g. Category B). We have not been denied category B yet ... POTUS/FEMA has not given it to us though. I believe we may get a denial of category B in conjunction with the Major Disaster appeal decision. We will have 30 days to appeal.

- Category B is critical in that it is for Emergency Protective Measures which includes (but is not limited to) EOC related costs, supplies and commodities, safety inspections, and in limited circumstances "water testing and treatment supplies in the immediate aftermath of the incident to counter a specific threat." We purposely put our start date of this incident to be April 25, 2014 in hopes we get category B and could get 75% federal funds for many other costs all the way back to 2014 – long shot but would be huge if we land this.

#### Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have National Guard/state/local agency, type 3 teams , with a goal of 300 homes per team.
  - We will have 15 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.

#### Items to Note

- We are using the terms Phase II, Phase III, etc. These are for internal discussion for planning and not meant for public dissemination at this time unless it is determined to be beneficial.
- The draft operations plan (attached) was completed in conjunction with MSP and NG personnel to initiate discussion on our next steps as to WRTs and PODs.
- The WH issued a statement that \$80 million dollars in aid to MI mostly to repair Flint water infrastructure. We do not have additional information on this. This may be existing federal funds provided to MI that is just being opened up for other use. FEMA does not have any information on this.
- We have been advised we exceeded the \$5 million under the emergency declaration. We are at \$7.6 million.
- FEMA has advised that any donated items can be used to offset the state cost share. We are working on the mechanism with FEMA to do this.
- Deployed 18 state/local teams and 10 ARC Flint Water Response Teams to the field today.
- SEOC logistics worked to project future orders of water resources and commodities.
- Released updated JIC map at 1800 displaying updated field team activity and integrating historic paper records that have been entered into the tracking system for field team activity.
- DEQ test kits are only being provided to those who ask for them.
- I made contact with Senator Ananich aid, Julie Townsend, who was a POC for his volunteers. They are set to work next week on the 30<sup>th</sup>.
- MDOT met with city personnel to look at Station 6 POD and other PODs to see how traffic flow can be facilitated and safety increased. Additional report out due 1/22.
- A request from MSP MC3 for NG Cyber personnel (3 at \$32,000 for 30 days or less) was initiated. This is to assist with the cyber attacks that have occurred/future attacks related to Flint Water. PENDING APPROVAL. NG advised this would have to be funded with existing funds at this time and to make adjustments.
- MDARD Food Program staff have completed assessments of all 21 food businesses (including restaurants) that were located in the highest risk area. In addition, they have completed assessments at 34 food businesses in the medium risk area, and have scheduled 28 appointments to collect water samples.
- Dr. Nicole Lurie, the Assistant Secretary for Preparedness and Response from the US Department of Health and Human Services (HHS), in addition to the HHS Regional Coordinator and other CDC staff, visited the CHECC and SEOC this morning and provided commentary to CHECC and SEOC staff/EMCs. She also attended a briefing from FEMA before departing to visit Flint.
- Parents of boarding students at the Michigan School for the Deaf were notified of the elevated lead results in Stevens Hall. All fixtures in the dormitory are scheduled to be replaced by January 24, 2016. Lt Gov. has scheduled visit on January 25.
- Valley Area Agency on Aging (VAAA) continues to take calls from seniors and caregivers needing access to water and filters. VAAA is providing this information to the local EOC each afternoon for follow-up.
- Information reported to the JIC:
  - As of 1/21/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase 1	Phase 2
30,770	5,409

2. Distributed: Includes outstanding data from yesterday - PODs after 5 pm, ARC worksheets and local EOC hotshots.

Commodity	Phase 1	Phase 2	Total to Date
a. Number of cases of water	94,688	10,403	105,091
b. Filters	77,215	2,356	79,571
c. Filter cartridges	188,389	1,039	189,428
d. Test kits	20,037	1,588	21,625

3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. ~45,000 hookups (This is our high end target #)
  - c. ~39,000 includes apartment complexes/multi family (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 124,398 (additional 20,098 donated)
  - b. Filters 115,700
  - c. Filter cartridges 243,200
  - d. Test kits 61,161
5. Teams going out tomorrow:
  - a. National Guard/State/Local (6-9 folks) type 3 teams -- Goal tomorrow 300 homes per team
  - b. 15 ARC (2-4 folks) type 5 teams -- Goal tomorrow 100 homes per team

#### Local EOC

- Attended ARC meeting with VOADs to discuss volunteer management and strategies.
- Attended meeting with Plumbers and Pipefitters Union to assess the need for long term cooperation for filter installation and fixture replacement.
- Requested and received confirmation of deployment of Team Rubicon (starting on 01/23/2016).
- Facilitated Flint & Genesee Chamber of Commerce representation at the EOC.
- Addressed security issues at Fire Station 3, 6 and 8 PODs (residents concerned about criminal activity).
- Coordinating with SEOC Logistics to receive information on purchasing strategy and volumes for filter equipment.
- Met with Genesee County Planning Commission, United Way of Genesee County and Michigan Community Service Commission to clarify recycling plans and potential volunteer utilization.
- Coordinated and verified deliveries of supplies to apartment complexes.
- Identified potential locations for recycling stations.

Chris

---

#### Update 1/20/16 – 16<sup>th</sup> Day (15<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

#### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare for second phase of door to door operations
- Submitted appeal to FEMA Region V
- Prepare for appeal on denial of Category B under the Presidential Emergency Declaration

#### Attached Documents:

- SitRep 16

#### Status on Governor's request letter to the President:

- Emergency declaration received.

#### Key items for tomorrow to note are:

- Five copies of the State/FEMA agreement will need to be signed by the Governor. Capt. Kelenske has them and will coordinate delivery.
- The logistics plan will be fully executed tomorrow with all teams.
  - We will have National Guard (MSP supported), type 3 teams }, with a goal of 300 homes per team.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
- Dr. Luri from HHS will be at the SEOC ~10:00 p.m.
- A second phase is starting tomorrow which will include more refined questions as to type of filter systems each person has. This will assist with sustainment operations.
- DOC prison work crew personnel (6-7) will be at the warehouse to keep the area clean. A lot of trash is generated in the warehouse and was becoming an issue.

#### Items to Note

- Deployed 10 state/local (NG, MSP, Local) teams and 10 ARC Flint Water Response Teams to the field today.
- MSP and local Sheriff's Department continue to provide over watch for WRTs.
- Aqua Hydrate contacted me to donate 5000 cases a month (4 semis) for a year. I was advised by Lindon Nelson this was a Governor/Mayor/Senator Ananich and Meekhof initiative and a press release was going to go out soon (TBD). Logistics is following up with them.
- News release sent from Governor's office about the appeal to the President of the disaster declaration.
- SEOC Logistics worked with JIC and Governor's office to establish a business resource submission tab on [www.helpforflint.com](http://www.helpforflint.com)
- SEOC Operations continued to develop and finalize Phase 2 canvassing roll out.
- Meeting held with Dr. Luri from HHS.
- Capt. Kelenske and other state agency financial personnel attended the appropriations hearing.
- End of day – concerns with the mass amounts of volunteers showing up and wanting to help. This can cause logistical issues but staff was working to get additional tasks for volunteers outside of the WRTs. We will continue to work on ways to involve more volunteers.
- Additional 5 person NG team for warehouse support approved.
- Information reported to the JIC:

- As of 1/20/16 as of 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. 29,317 homes visited by the FWRTs to date.

2. Distributed: Includes outstanding hard copy data from yesterday (PODs after 5 pm, ARC worksheets and local EOC hotshots).

- a. Number of cases of water 90,337
  - b. Filters 73,229
  - c. Filter cartridges 185,852
  - d. Test kits 19,866
3. Total number of customers on the Flint water system
- a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
- a. Cases of water 111,630 (additional 18,502 donated)
  - b. Filters 115,700
  - c. Filter cartridges 243,200
  - d. Test kits 61,161
5. Teams going out tomorrow:
- a. 18 National Guard (6-9 folks) type 3 teams---Goal tomorrow 300 homes per team
  - b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

##### Operations:

- Addressed reports of water contamination in distributed bottled and canned water. Confirmed that water is safe to drink through testing by MDEQ. Coordinating with JIC and MDEQ for improved public information on the issue.
- Identifying options to reroute unsolicited offers for supplies and services outside of the EOC. Coordinating to set up 800 number.
- Attended meeting with Flint & Genesee Chamber of Commerce to discuss coordination of efforts, representation at EOC, and improved messaging.
- Attended meeting with Community Foundation of Greater Flint to discuss coordination of neighborhood groups and improved messaging.
- Coordinated with MDARD to provide additional lead testing at restaurants, and signage for safe locations.
- Coordinating with SEOC Logistics to receive information on purchasing strategy and volumes for filter equipment
- Coordinated and verified deliveries of supplies to apartment complexes.
- Discussed logistics requirements of delivery requests for homebound residents with SEOC Logistics.

Chris

---

#### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

#### **Update 1/19/16 – 15<sup>th</sup> Day (14<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

##### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare for possible surge in FWRTs utilizing NG personnel
- Prepare plans for next phase of operation – Second sweep of city

Attached Documents:

- SitRep 14

Status on Governor's request letter to the President:

- Emergency declaration received.
- Appeal letter pending.

Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have National Guard, type 3 teams (6-9 personnel), with a goal of 300 homes per team.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.

Items to Note

- Deployed 5 state/local teams and 11 ARC Flint Water Response Teams to the field today.
- Messaging being developed for concerns regarding the Total Dissolved Solids (TDS) meters and citizens' concerns with those meters indicating "lead" in bottled water. Testing of water to be done by DEQ to ensure we have solid messaging.
- DTMB is working to secure space in Flint for FEMA staff.
- Press release went out this afternoon to announce that the US Department of Health and Human Services will lead the federal response in Flint. Capt. Kelenske to meet with Dr. Nicole Lurie, HHS Assistant Secretary for Preparedness and Response (ASPR), on Thursday. The goal of the federal response will be to help state and local leaders identify the size and scope of the problem, and work with them to make and execute a plan for mitigation of the short- and long-term health effects of lead exposure.
- Additional NG personnel being requested to assist with Warehouse inventories.
- NG personnel on the ground with the WRTs tomorrow with 100 more transitioning in.
- Released updated JIC map at 1800 displaying updated field team activity and integrating historic paper records that have been entered into the tracking system for field team activity.
- LG is going to be in Flint working at one of the PODs on Wednesday.
- Information reported to the JIC:

- As of 1/19/16 as of 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. 22,129 homes visited by the FWRTs to date.

2. Distributed: Includes outstanding data from yesterday - PODs after 5 pm, ARC worksheets and local EOC hotshots.

- a. Number of cases of water 77,794
- b. Filters 69,730
- c. Filter cartridges 184,457
- d. Test kits 16,671

3. Total number of customers on the Flint water system

- a. 29,944 paying customers
- b. 45,000 hookups (This is our high end target #)
- c. 39,000 includes apartment complexes (The is the low end target #)

4. Resources purchased:

- a. Cases of water 95,760 (additional 16,056 donated)
- b. Filters 115,700
- c. Filter cartridges 243,200
- d. Test kits 61,161

5. Teams going out tomorrow:

- a. National Guard type 3 teams---Goal tomorrow 300 homes per team
- b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

Local EOC

Operations:

- Attended public health group meeting with GCHD, City of Flint Water Department and MDEQ to discuss water test information being returned to residents, to allow residents a greater understanding of results.
- Attended recycling/trash management group meeting with DEQ, Republic Services, Keep Genesee County Beautiful and Genesee County Planning Commission. Provided projections on current and anticipated bottle distributions.
- Coordinated deliveries of supplies to faith-based organizations, apartment complexes and homebound residents
- Coordinated with Comcast to set up locations for distribution of filters (distributed 60 filters on 01/19/2016).

Chris

---

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

Update 1/18/16 – 14<sup>th</sup> Day (13<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs) and PODs
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work to bring FEMA IMAT personnel up to date following the Presidential Emergency declaration.
- Complete appeal for Presidential Major Disaster Declaration denial.

Attached Documents:

- SitRep 13
- Side by side comparison of homes with filters January 13<sup>th</sup> compared to January 18<sup>th</sup>. This should be hitting the media tonight. This took longer to create than I wanted but is the image I have wanted to show progress of getting filters in to the field.

Status on Governor's request letter to the President:

- Appeal in process.

Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 5-6 state/local agency, type 3 teams (6-9 personnel), with a goal of 300 homes per team.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
  - NG will be bringing in personnel to prep for surge.

Items to Note

- Beginning tomorrow the operational periods will be 7 days long.
- The CDC/ATSDR (Agency for Toxic Substances Disease Registry) has deployed a team to Michigan.
- An Arabic version of the palm card was reviewed and approved. This was developed via Arab American and Chaldean Council.

- Deployed 12 state/local teams and 10 ARC Flint Water Response Teams to the field today.
- DTMB is working to secure space in Flint for FEMA staff.
- Cost analysis to investigate if it would be more cost effective for FEMA to purchase water vs the SOM.
- ARC news release concerning the Volunteer Reception Center (VRC) sent out today.
- Media availability conducted today at 3pm at the VRC.
- Since 1/14/16 Michigan 2-1-1 has received three direct reports of bottled water testing positive for lead. DHHS SEOC Desk and DEQ SEOC Desk was able to contact two of the callers. The Zero Water filter (pitcher) has a handheld test device so people know when to change the filter. This TDS Meter measures dissolved solids (it is not a lead test). This was explained and we are going to work on messaging to ensure this does not cause issues. Dissolved solids are in all water. The water from the callers is going to be tested and a case of water from one of the companies will also be sent to DEQ for testing. Brands are Spartan Spring Water and Canned Water for Kids. The filter company is also going to work on messaging and work with us on this matter.
- Information reported to the JIC:

- As of 1/17/16 as of 5 pm (start date was Tuesday, 1/12/16)

1. 21,393 homes visited by the FWRTs to date.
2. Distributed:
  - a. Number of cases of water 37,313
  - b. Filters 53,713
  - c. Filter cartridges 169,520
  - d. Test kits 7,379
3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 82,992 (additional 16,056 donated)
  - b. Filters 115,700
  - c. Filter cartridges 243,200
  - d. Test kits 61,161
5. Teams going out tomorrow:
  - a. 5-6 State (6-9 folks) type 3 teams---Goal tomorrow 300 homes per team
  - b. 10 ARC (2-4 folks) type 5 teams---Goal tomorrow 100 homes per team

#### Local EOC

##### Operations:

- *Continuing to work with faith based organization to distribute resources.*
- Working with colleges to obtain volunteers for canvassing.

Chris

#### Update 1/17/16 – 13<sup>th</sup> Day (12<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Continue to implement the logistics plan and adjust as needed

- Continue door to door/Flint Water Response Teams (FWRTs), PODs
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work to bring FEMA IMAT personnel up to date following the Presidential Emergency declaration.

#### Attached Documents:

- SitRep 12

#### Status on Governor's request letter to the President:

- Emergency declaration received.
  - Limited to direct assistance so we will need to ask for the Individual Housing Program but that is something I will work on with FEMA.
- Major disaster declaration denied. The appeal is being developed with a draft to Paul Smith by later afternoon 1/18/16.

#### Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 12 state agency, type 3 teams (6-9 personnel), with a goal of 300 homes per team.
  - We will have 12 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.

#### Items to Note

- Deployed 11 state/local teams and 10 ARC Flint Water Response Teams to the field today.
  - 4,963 homes visited today.
- DTMB is working with DSEMIC and NC3 to monitor social media for information on cyber-attack yesterday.

#### 01/16/16

- Approximately 5:00PM, Michigan.gov began to experience slowness in web page load time. Approximately 10 minutes later the Michigan.gov site became inaccessible caused by of a denial of service attack.
- IBM team was able to implement a mitigation strategy to stop the attack that began at 5:00PM. At 6:24PM the michigan.gov websites were again available to the public.
- Approximately 7:30PM, a new attack was initiated on the michigan.gov environment. The attack focused on the DNS servers and resulted in michigan.gov becoming inaccessible. Additionally, due to the nature of the attack other IBM customers were affected as well. IBM was able to implement a new mitigation strategy that resulted in the excessive traffic being blocked. At 7:53PM the websites were restored to normal operation.
- Shortly after the michigan.gov websites were restored, the State of Michigan was notified by our internet service providers that a DDoS attempt was made against our SOM DTMB servers in the external DMZ. Once detected, this attack was blocked and Michigan Cyber Security saw no signs of any other types of attacks.

#### 01/17/16

- Genesee County was unable to access MiCIMS due to the State increasing filters. Michigan Cyber Security made adjustments to filter settings and their access to MiCIMS was restored.
- DTMB reached out to the City of Flint CTO, Paul Knific, offering any support they need. Right now they feel they have *bigger issues than trying to get some of the things back online.*

We currently do not have any additional information on the attacks on the City of Flint ([cityofflint.com](http://cityofflint.com)) or Flint Township Police ([flinttownshippolice.org](http://flinttownshippolice.org)) websites. We'll continue to pass information along as we receive it.

- Information reported to the JIC:
  - As of 1/17/16 as of 7pm (start date was Tuesday, 1/12/16)

1. 16,353 homes visited by the FWRTs to date. We believe we have ~24,000 homes with filters; still trying to validate. This is from the data we received from prior to the SEOC activation (trying to validate the data) plus the PODs and door to door operations since activation.
2. Distributed:
  - a. Number of cases of water 27,195
  - b. Filters 50,432
  - c. Filter cartridges 168,605
  - d. Test kits 4,861
3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 57,456 (additional 12,884 donated)
  - b. Filters 108,520
  - c. Filter cartridges 239,081
  - d. Test kits 28,901
5. Teams going out tomorrow:
  - a. State ) type 3 teams---Goal tomorrow 300 homes per team
  - b. 12 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

#### Operations:

- Facilitated activation of the Genesee County/Genesee Health System MOU for mental health services.
- Coordinated supplies for distribution to students at the U of M Flint campus.
- Still concerned about people going to every fire station and collecting water/filters.
- Coordinated trash pickup at Fire Station PODs with the City Liaison officer.
- Coordinated hotshot deliveries of supplies to home bound population.

Chris

#### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

#### **Update 1/16/16 – 12<sup>th</sup> Day (11<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

#### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work with FEMA personnel to prepare for engagement following the Presidential Emergency declaration

#### Attached Documents:

- SitRep 11

#### Status on Governor's request letter to the President:

- Emergency declaration received. Federal Coordinating Officer (FCO) is David Samaneigo (Sam) who has been my LNO from FEMA. We began discussions on a transition to FEMA support last night. His team is headed to MI at this time and we will have our first coordination meeting on Sunday.
- The request for a Declaration of a Major Disaster was denied. FEMA advised this event does not fit the legal definition of a major disaster (natural incident or fire, flood, or explosion). This information has been provided since prior to the event to elected officials in Flint and the legislature. We are reviewing the chances for an appeal and I have already discussed this with the FCO.

#### Key items for tomorrow to note:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 10 state agency, type 3 teams (6-9 personnel), with a goal of 300 homes per team.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
- I will be back on duty Sunday.
- We have been working with some of the churches. Contact was made with 14 churches for Sunday distributions. *Interaction with the pastors has been very positive.*
- A logistics briefing will be provided to see how many more teams we can put in the field.

#### Items to Note

- LT Gov visited the local EOC today; discussed local EOC operations.
- Deployed 11 state teams and 10 ARC Flint Water Response Teams to the field today.
- DEQ sampling kits are now being received at the PODs.
- DEQ sampled two Head Start facilities and worked with GIS to obtain future sample sites.
- The Freeman School pilot was delayed due to some parts not arriving as scheduled. Testing was to be done Sunday but may not occur until Monday.
- NG will have a total of personnel in the PODs for distribution. Mission has not changed.
  - G soldiers have been in the PODS. 38 more processing in tomorrow with start date of 1/18 in the PODS. The TAG and I will be discussing future use of NG personnel door to door next week.
- Information reported to the JIC:

- As of 1/16/16 7pm (start date was Tuesday, 1/12/16)

1. 11,324 homes visited by the FWRTs to date. We believe we have ~24,000 homes with filters; still trying to validate. This is from the data we received prior to the SEOC activation plus the PODs and door to door operations since activation. 3,850 homes were visited today (4,000 was the goal).

2. Distributed:

- a. Number of cases of water 20,876
- b. Filters 47,935
- c. Filter cartridges 167,401
- d. Test kits 3,322

3. Total number of customers on the Flint water system

- a. 29,944 paying customers
- b. 45,000 hookups (This is our high end target #)
- c. 39,000 includes apartment complexes (The is the low end target #)

4. Resources purchased:

- a. Cases of water 57,456 (additional 12,884 donated)
- b. Filters 108,520
- c. Filter cartridges 239,081
- d. Test kits 28,901

5. Teams going out tomorrow:

- a. State ( ) type 3 teams---Goal tomorrow 300 homes per team
- b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

Local EOC

Operations:

- Provided direction to Operations and Logistics Section to initiate water sample collection at PODs.
- Lt. Roach worked with faith based organizations today reference water and filter distribution. Additional churches were supplied with water, filters and test kits.
- Still concerned about people going to every fire station and collecting water/filters.
- Station #6 (POD) has associated safety concerns due to proximity of street and lack of suitable parking. We are working to resolve.

Chris

**Subject:** SEOC Update 1/15/16 - Flint Water - Limited Distribution

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

**Update 1/15/16 – 11<sup>th</sup> Day (10<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Pilot the logistics plan and adjust as needed
- Continue with door to door/Flint Water Response Teams (FWRTs)
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work with FEMA personnel to ensure we get a Presidential Declaration of a Major Disaster and Emergency

Attached Documents:

- SitRep 10

Status on Governor’s request letter to the President:

- All documents for the presidential request have been submitted to FEMA. Numerous calls and meetings took place between me and FEMA today.
- When we get the declaration(s) ... I will set up a legislative/congressional call to explain and provide bullet points as to what programs we will receive. The Federal Coordinating Officer assigned will also be with me to answer questions. This has helped in the past.

Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 1 state agency, type 3 teams ( ), with a goal of 300 homes per team.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
  - A pilot team was used to test our logistics plan today and with 60% strength they had 160% output (830 homes).

- I will be off tomorrow but available by cell. Tony Katarsky will be SEOC State Director. I will be back in on Sunday.

#### Items to Note

- LT Gov visited the local EOC and SEOC today. He was able to hear our final briefing for the day.
  - Held a short session managing stress with SEOC staff. Two handouts were put in MICIMS for all state and local personnel to view.
  - Deployed 10 state teams and 5 ARC Flint Water Response Teams to the field today.
  - Standing requirements were created for the JIC so we can get information to the media every day. Below are the current ones we have in place and we should have something out tonight according to the JIC.
    - As of 1/15/16 as of 7pm (start date was Tuesday, 1/12/16)
1. 7474 homes visited by the FWRTs. We believe we have ~24,000 homes with filters but are trying to validate that information. This is from the data we received from prior to the SEOC activation plus the PODs and door to door operations since activation.
  2. Distributed:
    - a. Number of cases of water 18,576
    - b. Filters 45,916
    - c. Filter cartridges 165,382
    - d. Test kits 3,217
  3. Total number of customers on the Flint water system
    - a. 29,944 paying customers
    - b. 45,000 hookups (This is our high end target #)
    - c. 39,000 includes apartment complexes (The is the low end target #)
  4. Resources purchased:
    - a. Cases of water 44,688 (additional 12,884 donated)
    - b. Filters 78,520
    - c. Filter cartridges 163,081
    - d. Test kits 18,761
  5. Teams going out tomorrow:
    - a. State type 3 teams---Goal tomorrow 300 homes per team
    - b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

##### Home Deliveries:

- Still receiving lists from the Valley Area Agency on Aging (VAAA) on home deliveries and forwarding these to the Sheriff's office. They are going through a lot of homes. 120 out of 125 homes were completed yesterday.

##### Operations:

- We sent staff to visit Fire Station 6 and the warehouse today. Fire station 6 traffic was congested and that was during a "slow" time. The National Guard is identifying what is needed to alleviate this. MSP is working on providing uniform presence as needed. An additional iPad at each location will hopefully help relieve the amount of time that people are spending at the distribution sites.
- Lt. Roach worked with faith based organizations today reference water and filter distribution. Additional requests from churches were made and I approved the locations so they could be ready for Sunday. Lt. Roach was told by one of the pastors that he met with the Gov today and expressed how much he appreciated the efforts put forth. We should have 14 for this Sunday. We are working on how we can increase this output.

- Still concerned about people going to every fire station and collecting water/filters. NG personnel observed vehicles with several cases of water an overheard saying they were heading to the next station. Some people were helping themselves and taking more than one case at a time. Per the NG they cannot physically stop people from doing so. The NG is going to try to change staging in the fire stations to try to prevent this.
- Flint PD is going to check in every day with the EOC and provide a specific contact person. They are also going to help with traffic issues at the PODS. Will ask Flint PD to provide a presence when water is off loaded at a POD to help prevent people from "helping themselves."

Chris

---

## INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

### Update 1/14/16 – 10<sup>th</sup> Day (9<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Prepare/approve logistics plan and finalize lease on warehouse space/begin to move supplies from GCCARD to new warehouse
- Continue with door to door teams and finalize planning for future team use
- Submit request for a Presidential Declaration of a Major Disaster and Emergency
- Continue to work on long term recovery items (DHHS, DEQ, MDARD)

#### Attached Documents:

- SitRep 9

#### Status on Governor's request letter to the President:

- All documents for the presidential request have been submitted to FEMA. I had a lengthy conversation with the FEMA Region V Administrator reference the request prior to sending.

#### Key items for tomorrow to note are:

- The door to door teams will continue in the morning.
- *We will continue to ramp up door to door operations with additional teams. Teams continue to focus on the high lead level areas and additional data is being analyzed to focus mission areas.*
- ARC will increase the number of their Water Response Teams.
- Supply burn rates as well as projections on how many teams will be needed to put filters in all homes within 3 and 5 days will be completed. Analysis will be done to see if NG personnel may be needed to finish in quicker manner.

#### Items to Note

- DEQ was notified of the number of homes who are willing to have them take additional samples in the future (current number (114)). This question was added to the App being used by the Water Response Teams. Data will be provided when needed.
- LT Gov is scheduled to be at the local EOC and SEOC (~4:30) tomorrow to see the operations.
- Secured 80,000 sq. ft. of a warehouse today. Working to consolidate all resources in one location. Tomorrow will be the first day of full implementation of our logistics plan.
- Email sent to state employees to request volunteers for weekend.
- Media monitoring showed no incorrect information today.
- Michigan Association of Broadcasters is sending PSA to radio stations.
- Coordinating with Red Cross on volunteers for weekend.

- Deployed 8 Water Response Teams to the field today (approx. 120 volunteers). 78 Red Cross volunteers active across the operation today.
- National Guard is ramping up to have soldiers per shift at each POD tomorrow. Will also have a Public Affairs Officer at the JIC and liaison at the local EOC.
- Senator Ananich visited the SEOC today to see how things operate. The visit went well and he seemed happy with the number of staff working the Flint event. He tweeted out a message indicating there is still a lot of work to be done but all are working hard.
- DHHS
  - The Community Health Emergency Coordination Center (CHECC) is working on the following:
    - A nutrition plan
    - Education materials, messaging, and working with local agencies
    - Developing a community assessment for disaster behavioral health services.
- Lined up the delivery of filters to two large apartment complexes and a student housing complex.
- We have the list of individuals needing home service (additional contacts will be sent to the Ops Chief at the Local EOC each day at 4:00). Info will be provided to the sheriff's office for action.
- Water Response Team Numbers (this is not the total of homes with filters – I will provide that number tomorrow but it appears we have filters in over half the residences):

	TOTAL	1/12/2016	1/13/2016	1/14/2016
Occupied Homes	1450	242	492	716
Vacant Homes	1967	152	161	1654
Total Homes	3417	394	653	2370
Resources				
Door Hangars	1487	217	453	817
Water	588	117	254	217
Filters	945	112	220	613
Pitchers	22	3	13	6
Water test kits	217	48	109	60
Replacement Filter	482		137	345
Total Resources Dispersed	3741			
Future sample test site	114	28	34	52

Chris

---

#### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

#### Update 1/13/16 – 9<sup>th</sup> Day (8<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Prepare/approve logistics plan and close lease on warehouse space
- Continue with door to door teams and finalize planning for second wave increase (+15 teams – total for 1/14/16 will be 20)
- Continue to work on Governor's Declaration of an Emergency

#### Attached Documents:

- SitRep 8

#### Status on Governor's request letter to the President:

- All support data from state Agencies and local jurisdictions collected as of 6:00 pm on 01-13-16
- Current timeline:
  - First draft completed and ready for review by State Department Directors (including the Attorney General) by 11:00 am on 01-14-16
  - State agency reviews due back by 1:00 pm on 01-14-16 for revision of the draft
  - Revised draft to Captain Kelenske by 2:00 pm on 01-14-16 for review and forwarding to the Governor for final review
  - Final draft (based on Governor's review) submitted to FEMA Region V Administrator by no later than cob 01-14-16 but hopefully sooner. FEMA is aware and ready to receive.

#### Requests and potential response from FEMA/President

- The letter will request all programs eligible under the Stafford Act including Public Assistance, Individual Assistance, Hazard Mitigation, FEMA's coordination of assistance from other Federal agencies and direct assistance from FEMA
- The letter will also request potential direct reimbursement from other Federal agencies such as EPA, CDC, HUD, DHHS and SBA
- This request is in coordination with the request for Non-Stafford Act federal assistance already requested and received by the State (technical assistance and administration, but no direct reimbursement of disaster costs)
- Direct Federal assistance from FEMA in the form of Individual Assistance to homeowners for household repairs (repair and/or replacement of water service lines and Other Needs Assistance to reimburse for water filters, bottled water, etc.) is a possibility
- Direct Federal assistance from FEMA in the form of Public Assistance is not as likely as it is mostly replacement of publicly owned water distribution lines (and not the direct result of damage from a natural cause)
- If Stafford Act assistance is denied (Public Assistance, Individual Assistance and Hazard Mitigation) FEMA could still provide coordination of assistance from other Federal agencies if the President declares a disaster (or emergency) for the State of Michigan

#### Key items for tomorrow to note are:

- The door to door teams will continue at 9 a.m. – 5 p.m. Thursday morning and continue through the weekend.
- We will continue to ramp up door to door operations with additional teams. Teams are focusing on the high lead level areas and additional data is being analyzed to focus mission areas.
- MNG will have a press event at the armory with incoming soldiers and MG Vadhais.

#### Items to Note

- Received information that Rev. Jesse Jackson will be in town 1/17/16 at 1:30 at the Heavenly Host Church of the Harvest of Dartmouth St, Flint.
- Managed and corrected misinformation on NG role.
- Senator Ananich is stopping by the SEOC tomorrow morning 0845. I am meeting with him and his Chief of Staff. Short visit as he has a 0930 at the Capitol.
- Working with Comcast so they can put teams in the field for distribution.
- Penske is going to give us 15-20 trucks over the weekend.
- Contact made with Two Men and a Truck for resources.
- Meeting set with Google where they will brief me and key staff potential tasks.
- Coordinated with Flint Mass Transportation Authority (MTA) to include Fire Station PODs on bus routes.
- Tomorrow I will have a projection as to the number of teams needed to get all citizens filters in their homes in 5 days / 3 days.
- We are standardizing team structure and supply deployment to increase efficiencies. Mission Ready Package (MRP) specifications will be sent out for other entities to assist with door to door. They will then be able to arrive as a MRP get supplies, receive a mission location and deploy.

- 5 Water Response Teams were in the field again today. Below are the numbers from the 2 days of just the Water Response Teams (there are paper copies with data still to be entered from the PODs). I was just briefed by the ARC logistics planner and there are efficiencies we can put in place to increase homes touched per day. The next version of the app will provide more granular details. Additional 30 tablets were configured by DTMB today for field implementation to include use in the PODs.

	Total	1/12/2016	1/13/2016
<b>Occupied Homes</b>	533	242	291
<b>Vacant Homes</b>	238	152	86
<b>Total Homes</b>	<b>771</b>	<b>394</b>	<b>377</b>
<b>Resources</b>			
Door Hangars	473	217	256
Water	265	117	148
Filters	235	112	123
Pitchers	9	3	6
Water test kits	92	48	44
Replacement Filter	93		93
<b>Total Resources Dispersed</b>	<b>1167</b>		
Future sample test site	62	28	34

- We show 17,276 residences with filters (this does not include data entry to be completed from POD or other locations).
  - We have 35,378 service hookups but with apartments, multi residence dwellings, etc we would be around 45,000.
- Logistics Support
  - The American Red Cross Logistics Planner provided me a brief and I approved the plan forward. The current plan includes:
    - Mission – A filter in every home ASAP.
    - 4 Distribution Methods
      - PODs (5)
      - Water Response Teams (20 effective tomorrow and this will increase)
      - Local EOC “Hot Shots” (these are calls for functional needs, unable to get to a POD location due to ??, etc). Personnel dispatched with supplies.
      - Local EOC support for other local requests (Faith based for distribution, etc.)
    - Three warehouse locations at this time
    - How to better leverage ARC resources
- Supplies – Daily Numbers
  - Replacement Cartridges - 30,700 delivered.
  - Water (cases) - 19,152 cases delivered
- Budget projection completed and will be submitted to SBO for review.
- Notes from Water Response Team Command (MSP)
  - Very good synergy between Flint Post troopers and Genesee County Sheriff command and deputies in effective and efficient deployments for distribution efforts.
  - Great attitude and efforts by uniforms and volunteers to make important contributions to the City of Flint on water response team deployments.
  - Clear direction and coordination in the field of supply teams by lieutenants and troopers. No confusion. Clearly defined roles.

All personnel continue to be fully committed to fixing this as quickly as possible.

Chris

---

#### Update 1/12/16 – 8<sup>th</sup> Day (7<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

I apologize in advance for the length of this report. With the supply issues we had the last couple of days I wanted to share our inventory plus what we anticipate to ensure we do not have supply issues.

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Fine-tune logistics
- Increase and deploy door to door teams (4 state teams added to teams from the Sheriff's Department)
- Increase collaboration and messaging of collaboration with local agencies (specifically the Sheriff's Department)

#### Attached Documents:

- SitRep 7
- Executive Order Activating the National Guard

#### Key items for tomorrow to note are:

- The Governor signed an Executive Order activating the National Guard. Mission will be to relieve ARC volunteers at the PODs (Fire Stations) which will free up the ARC volunteers for door to door activities.
  - I have briefed the ARC Disaster Officer on this plan.
- The Governor requested, through FEMA Region V, support from the Federal Emergency Management Agency (FEMA) to bring together and identify other federal agencies that may have programs and funding that could be dedicated to assisting Flint as part of an interagency recovery plan. One of the existing LNOs has been identified as the POC for this. He will be a great liaison for the FWIACC.
- The door to door teams will continue at 0830 Wednesday morning and continue through the weekend and ramp up door to door operations with additional teams. Teams are focusing on the high lead level areas.
- We will look at all commodities and see where we are and where we need to be while working with the ARC logistics specialist.

#### Items to Note

- PSA video sent out to Flint citizens on resources available.
- Water
  - Today's numbers - 7,824 cases of water arrived today, 1/12/16 (109 pallets)
  - Ordered:
    - 19,152 cases of water are going to arrive Wednesday, 1/13/16 (266 pallets)
      - 1/3 is going to GCCARD and the rest is going to the new warehouse
    - 12,768 cases to arrive daily beginning Thursday through Saturday (177 pallets a day)
- Filters
  - Today's numbers
    - Ordered on 1/11/16 and delivered 1/12/16 direct to GCCARD
      - 2,000 – Brita filter faucet mounts
    - Filter Replacements
      - 2,400 – Brita filter replacements (single pack)
      - 8,000 – Brita filter replacements (two pack)

- Ordered on 1/12/16 to arrive Wednesday
  - Faucet Mounts – To be delivered direct to GCCARD on 1/13/16 (Wednesday)
    - 10,000 – PUR Vertical faucet mount
    - 2,500 – PUR Horizontal mount
  - Replacement Filters – To be delivered direct to GCCARD on 1/13/16 (Wednesday)
    - 10,000 – PUR replacement filters (3 pack)
    - 10,000 – PUR replacement filters (single pack)
  - PUR Combination Pack – to be delivered to GCCARD on 1/13/16 (Wednesday)
    - 10,700 – PUR combo packs
- To arrive Thursday
  - Zero Water Pitcher (8 Cup) – Delivering direct to GCCARD on 1/14/16 (Thursday)
    - 1,300 – Zero Water pitchers
  - Faucet Mounts – Delivering direct to GCCARD on 1/14/16 (Thursday)
    - 11,000 – PUR vertical faucet mount
    - 1,500 – PUR Horizontal faucet mount
    - 5,000 – Brita faucet mount
    - 10,000 – Brita adv faucet mount white
    - 12,000 – Brita adv faucet mount chrome
  - Replacement Filters – Delivering direct to GCCARD on 1/14/16 (Thursday)
    - 117,600 – PUR replacement filter
- Test Kits
  - 6601 unassembled kits arrived at GCCARD today, 1/12/16.
  - 500 have been assembled and are ready for distribution
  - 1000 additional unassembled kits have been ordered to be delivered at GCCARD (no ETA yet)
  - 10,142 unassembled kits to arrive at GCCARD early next week
- Second warehouse – Located in Flint
  - 100, 000 square feet of secure warehouse obtained.
  - Accepting commodities beginning Wednesday, January 13
- Logistics Support
  - The American Red Cross Logistics Planner arrived from DC today as requested. I outlined what her mission was and how I saw the progression forward. This logistics planner will assist in streamlining the inventory and distribution process now and into the future.
- Door to Door Numbers
  - Today the app implementation for the field went extremely well. There were a few issues that were quickly addressed. One related to how form fields should be filled out. Another was getting styluses for teams so that they don't have to remove their gloves in the cold. All very simple to fixes.
  - We are working on version 2.0 so this can be used at the PODs
  - We should be able to greatly optimize distribution in the near future as we mapped the active water subscribers from Flint's DPW and are adding them to the field team members apps. Of the ~56,000 possible addresses, *this reduces the number of possible homes to visit down to ~29,000.*
  - Notes from the field commander:
    - “Today we started out the day using two groups that consisted of approximately 10 people in each group. We eventually combine groups with Genesee County Sheriff’s group and they brought two more groups with approx. 10 people (Local UAW) in each group. This made us a lot more efficient and we were able to set up a game plan. Tomorrow I feel we will be more efficient and we will have a better plan in place to get the maximum output out of our resources.”
  - In the end, there were 394 total home visits with the following breakdowns:

- 217 Door Hangers
- 152 Vacant Homes
- 117 Water Distributions
- 112 Filters
- 3 Pitchers
- 48 Water Test Kits
- 211
  - CALL VOLUME:
    - 185 calls for water-related issues had been received as of 4:45 pm.
- Logistics made contact with Comcast and will be supplying them with filters and replacement cartridges for their deliveries in their work trucks as they make services calls. They will follow our procedures for reporting (our checklist).

Chris

---

### Update 1/11/16

The focus today was the media event and getting the supplies and logistics on track. Most of the activity today was working on logistics for the water and other supplies.

### Attached Documents:

- SitRep 6

### Key items for tomorrow to note are:

- The door to door teams will start at 0830 Tuesday morning. It is reported that troopers are going to the door but DHHS employees are the lead with a troop car nearby.
  - State and local GIS created an App today for the teams to use tomorrow but I see potential use at distribution sites.
  - The App data will be used for our maps as we survey the public/distribute supplies and we will be getting real time metrics through the site from the field send back to the SEOC. We are using Android tablets tomorrow but in the future can use any mobile device for this.

### Items to Note

- It was reported that only one POD (Station 5) was out of water longer than 30-45 minutes. This site was ~2 hours without water and part of that was the truck went to the wrong station. Trucks were sent as soon as the local EOC was notified.
- We also did not receive a DHHS shipment that was to come in which caused some filter delivery issues.
- Supplies are limited at this time; however, we are getting our shipments starting at 0630 tomorrow.
- We have Home Depot giving us 12,768 cases (this was a late development so the SitRep indicates half the amount) of water every day starting tomorrow. We are still working with other distributors too.
- ARC is flying in a logistics planner tomorrow. Three additional staff will be with her to shadow and help. We are turning warehouse logistics over to ARC logistics. We are moving tomorrow to a process that has a distribution center (GCCARD) and a warehouse that is 100,000 square that will maintain mass quantities. Staff has continually been placing orders for supplies to ensure we get a head of this. The intent is to keep the warehouse full so we do not have these continual issues of supplies.
- Began mapping lead service lines (anticipate having draft of lead service lines Friday).
- Coordinated with local IT managers overseeing filter tracking system to streamline data collection.

### Local Emergency Operations Center

- Working to coordinate resources at the local level to maintain adequate supplies at all PODs.
- Demand has exceeded supplies and supplies are moving rapidly from PODs today. Working to make sure POD managers notify us when they start running low.
- Working to establish a warehouse for local resource storage.
- Established trigger points for resources at PODs and hourly inventory reporting from the PODs.
- Discussed potential long term water sources between local EOC and SEOC.
- Established planning cycle/meeting scheduled for 1/12/16.
- Local EOC EMHSD staff with Natasha Henderson to request deployment of City representative at local EOC.

Chris

---

### Update 1/10/16

#### Attached Documents:

- SitRep 5
- Door card (English version but Spanish version will be ready for Tuesday)

I have a local EOC section listed below but state personnel are heavily engage in management of both locations. We occasionally hit some road bumps with this event but all personnel are working well together to accomplish our goals (especially state agency personnel).

I have had good discussion with FEMA LNOs. Two statements have been developed from our discussions that hopefully helps put this in more context but if it is more confusing I apologize:

1. In the immediate response, the State, in collaboration and coordination with city of Flint and county of Genesee are working to get water, water filters, and testing kits to the affected population. In conjunction, the state will *coordinate with federal agencies to ascertain what resources can come to bear to help mitigate the issue.*
2. If asked about a federal declaration from FEMA, we need to articulate the definition of major and emergency declaration and state or note to ourselves that it appears to not qualify; **however**, there may exist opportunities to leverage federal assistance from some agencies (i.e....EPA) under their own authority to help address this issue.
  - We need to really manage expectations on the potential for a federal declaration...not that we will not go after one but it will be difficult to get.
  - A major disaster is defined in the Stafford Act as any ***"nature catastrophe (including hurricane, tornado, storm, high water, winddriven water, tidal wave, tsunami, earthquake, volcanic eruption, landslide, mudslide, snowstorm, or drought) or, regardless of cause any fire, flood, or explosion.....causes damage of sufficient severity and magnitude, to warrant major disaster assistance.....to supplement the efforts and available resources of States, and local government....."***
  - An emergency declaration is ***"is any occasion or instance for which, in determination .....assistance is needed to supplement State and local efforts and capabilities to save lives and protect property and public health and safety or to lessen or avert the threat of a catastrophe....."***
    - This is limited to immediate and short-term assistance (I hate to put times on this but short-term is like 3 weeks), essential to save lives, protect public health and safety and property.
  - Severity of the situation is ***"A finding that the situation is of such severity and magnitude that effective response is beyond the capability the state and affected local governments, and that the state requires supplementary federal emergency assistance to save and to protect property....***

- Nature of assistance for Emergency Declaration is for *“Debris removal, emergency protective measures, direct federal assistance....”*
  - Debris Removal = *self-explanatory and we do not have this*
  - Emergency Protective measures = *water, commodities, transportation (remember ... to supplement what the locals and state are already doing if we need more)*
  - Direct federal assistance= *what specific type of work is requested, and what are the reasons why the state/local government cannot perform or contract for performance. Essentially what is the need that state/local govt cannot provide. I can see this being something we need but we may be able to get this outside a federal declaration under the federal agencies own authority to help address this issue.*

Back to the update...

#### Key items for tomorrow to note are:

- Training is occurring for the door to door teams scheduled for Tuesday morning.
- Deploying an additional MSP District Coordinator to the local EOC for command and control support.
- Deploying two DTMB trucks and two drivers for sustained logistical support for the week.
- Media event with the Governor in Flint.
- New Incident Action Plan starts (1/11 0800 -1/13 0800 operational period). Our objectives are as follows:
  1. Ensure all households within impacted community have required resources.
  2. Ensure accurate tracking and accounting of all commodities.
  3. Improve and maintain public information strategy.
  4. Develop a long term public health and services plan.
  5. Ensure adequate staffing to support operational requirements.
  6. Identify possible assistance programs.
  7. Develop an approved GIS strategy.
  8. Maintain coordination between partner agencies and organizations.
  9. Enhance situational awareness and common operating picture of all activities.
  10. Develop a comprehensive Recovery Plan.

#### Items to Note

- All 9 churches had filter systems/replacement filters, information sheets, and water test kits delivered as requested by each pastor/reverend on Sunday. We did not think we could get them water due to the limited time but we did end up getting water to all 9 churches with the other items.
- Fire station resource locations stayed open from 9a to 9p and will continue with those hours until further notice (Staffing is in place until Saturday). ARC is staffing these locations.
- The media event was held at Fire Station No. 1 and report back is that it went well and the spirit of collaboration between local, state, non-governmental partners is strong was relayed.
- The four door to door teams will have the hours of 8:30 a.m. to 5 p.m.
  - Each will have logistics support from DTMB, security from MSP, and contact personnel from DHHS.
  - The door card is attached that will be left if no one is home.
- Worked to identify a storage location within the City of Flint for water and supplies. G-CARD is identified as temporary location but we are moving toward a state run warehouse operation (looking at private sector partners to assist, especially with the warehouse management side).
  - GCCard is large enough, centrally located and comes staffed. GCCard has 75,000 sq ft with warehouse managers to assist with tracking resources coming in and out.
- GIS will provide us daily updates of how much was distributed each day but note we have a delay in data entry from delivery to entry in the GIS system. Over the weekend there was a problem locally with staffing to get this completed. A solution is in place and will be implemented so we get timely data. Distributed to date (as of 1/8/16).
  - 12,386 filters
  - 1,985 replacement filters
  - 354 Pitchers

- 2500 Lead Testing Kits
- Establishing and tracking of resources is a priority. Staffing has been assigned to get a good handle on these to ensure distribution sites maintain an appropriate level of inventory. I have requested trigger points get put in place so we do not get below certain levels in the main warehouse location.
  - Contacts with some large water distributors have been made and their and our logistics chiefs will connect first thing this week.
  - We have ordered an additional (expedited delivery with ETAs tomorrow)
    - 40,000 Brita Filters
    - 40,000 Brita Replacement Filters
    - 1000 Zero 8-Cup Pitchers
    - 1000 Zero 8-Cup Pitchers
    - 2000 PUR Replacement Filters
    - 93 Pallets of water (about 6700 cases)
- GIS continues to produce multiple maps for use.
- JIC Items
  - Requested PSA on the radio. Media has been approved and working with MAB.
  - Requested JIC to contact Comcast and Dish Network for availability for continuous running of filter install/replacement and test kit video.
  - A news release will likely going out tomorrow regarding canvassing in neighborhoods. Continued social media messaging.
    - Tuesday – embed state PIO with one of the canvassing teams to liaison with media.
    - JIC moving tomorrow to Flint.

#### Local Emergency Operations Center

I am providing you some information on some issues we ran into at the PODs. This has been addressed with additional state resources and processes put in place so we do not run out of resources. Public concerns/complaints have not been brought to my attention at this time. Staff is working very hard to ensure we do not run out of supplies at the PODs and they understand the consequences. No one in the Local EOC or State EOC is happy the following occurred and I felt you should know in case it is brought up. Again, I believe we have fixed this and I take full responsibility for any supplies not being on site.

#### Fire Station Inventory Levels:

##### Station 1:

- Only time without supplies - 15 minutes without water while the truck was unloaded.

##### Station 3:

- Ran out of replacement filters around 7:00, replacement filters delivered around 7:30. Had to pick up replacement filters from Home Depot and deliver.

##### Station 5:

- Ran out of water around 5:00, water was delivered around 6:30. We needed to find additional trucks because DTMB drivers were over hours. The ARC stepped up and found a truck to go and pick up a pallet of water and deliver.
- Somewhere between 4:00-6:00 they ran out of lead test kits. No way to restock these because City facilities were closed and could not reach anyone.

##### Station 6:

- Around 5:00 ran out of water, filters, and replacement kits. Replacement kits were delivered around 7:30. Additional water and filters were delivered after 9:00 due to the DTMB drivers heading back to Lansing. Food Bank was called and had to get drivers in to operate trucks, pick up water from the School District load and deliver to all sites. Delays occurred with weather conditions and needing to use last minute sheriff EOC staff to load due to issues with City workers. City workers were scheduled to help and left around 7:00 without helping.

- 2 pallets of water were dropped off in the afternoon and within 1 hour were gone. This was much faster than we expected. On 1/9 they didn't go through 2 pallets of water at any station for the hours 9:00-4:00.
- We received news that a reverse 9-1-1 call notified residents of water which caused an unanticipated amount of people obtaining water. There was also a report of 1 person walking out with 2 cases of water and trying to sell in the parking lot.

#### Station 8:

- Around 7:00 ran out of filters and lead tests. Filters were delivered around 8:00 from the food bank trucks.
- Hourly reports were requested in the morning from volunteers but this information was not received as to the status throughout the day. Early inventory of supplies took between 1 hour-1.5 hours to receive in the EOC. We were not advised of low counts, just zero numbers.
- Reports received that the last couple of hours were slow.
- Residents were advised of the other sites and the opportunity to obtain supplies.

#### Restocking Plan

- United Way set up meeting with Food Bank to discuss.
- Had EOC meeting on this topic to discuss options.

#### Churches:

- All 9 churches received waters, filters, and informational bulletins.
- Lt Roach received positive feedback from 3 of the pastors.
- No complaints were received.

#### Signage:

- Provided information to SEOC on signage requirements at the fire stations.

#### Storage:

- Researched storage spaces; established temporary site at GCCARD.

#### Personnel:

- Lack of local EOC leadership (seems somewhat checked out) with IC and Deputy IC (doing an okay job).
- Captain TaFoya (Genesee County) helped tremendously today with all the plans outlined above and attended the press conference.
- Tina Martinez at the Food Bank and Matt Purcell at GCCARD were extremely helpful in getting last minute operations set up.

Chris

---

#### Update 1/9/16

SitRep 4 attached for more in depth information. The below only contains some items worked on today and while the format in the attached SitRep is not perfect (it is created automatically by MICIMS) it does contain a lot more information you may want to read. I also attached one of our maps. It is our filter distribution map. All filters handed out by anyone working with us feeds into this now. We are continuing to refine these and at this time there is a delay in the upload of address data but we are working on it. We have a ways to go to get filters in every home but this will help direct us to those who need still them. We also are working on identifying abandoned homes.

Key items for tomorrow to note are:

- 9 churches will have ARC volunteers and filters for distribution. Some may also get water.
- 5 fire stations are a distribution point for water, filter systems/replacement filters, and water test kits. While only open today until 4 p.m., tomorrow and until further notice they are open from 9a to 9p.
- Media event will take place on the above tomorrow.

#### Items to Note

- 211 has some issues with call load but it is being worked on. 2-1-1 Director contacted MDHHS PIO to discuss/resolve caller wait times and messaging. We anticipate an increase in activity tomorrow in 211 calls so we requested and received an increase to staff 211.
- We are shifting tasks the SEOC took on that are handled more effectively and efficiently at the local EOC. We have established command and control in their EOC. We are running things there but that is not being made public. We are doing this in partnership but we are clearly handling the operation with state personnel oversight.
- A 3rd FEMA LNO arrived today upon my request. This has nothing to do with a Presidential request for a declaration but support for some other items I want worked on for long term recovery.
- We continue morning calls with the local EOC leadership and local emergency manager on what our goals for the day are as well as any issues/concerns.
- Five 5 fire stations have received water, water filters, replacement cartridges, and water testing kits with American Red Cross personnel at each location to assist with delivery of resources and collection of addresses receiving them. These locations will be open from 9a – 9p daily until determined they are no longer needed. Those picking up water testing kits will be advised that they can return the test kits to the fire departments (where they will be picked up and taken to the Flint City Hall), the Flint Water Treatment Plant, or they can take them directly to the Flint City Hall. For those unable to return the kits, 211 can make arrangements for pick up the kits. We understand response to these sites has been positive thus far. The Genesee County EOC will be monitoring these supplies and request replacement of products as needed.
  - A call is going out tomorrow morning to advise this information ... I do not believe it was every resident but Tori Sachs has that info if needed.
- I approved a press release today to advise the public that all levels are working together to ensure delivery of filters, test kits and water; noting that all of these items were delivered to the 5 Flint fire department stations. It was stressed that the public should be aware that the local and state agencies have been working cooperatively to assist the residents - and will continue to do so. This was done to hopefully end or at least minimize the “who can get water and filters out first” when all of this has been connected with the state and coordinated since the state declaration was put in place.
- The arrangement of 2,000 filters, to be taken to 9 local churches on Sunday, January 10, is ongoing. The filters have been secured; they are now in the possession of the DTMB. DTMB will return to Flint on Sunday morning to deliver these to necessary locations. The American Red Cross will be on site at each church to assist with distribution and recording addresses (for GIS). The local EOC is working to ensure these arrangements are complete and run smoothly. Future engagement with the faith based community will occur to assist with additional distribution.
- A Flint City liaison has not been in the EOC but starting Monday this will be in place to keep the Flint Mayor apprised of activities being conducted in the city. She also has been advised she can call me at any time if she needs anything.
- Training has been confirmed for the door-to-door operation scheduled to start Tuesday. Four teams are initially scheduled with more to potentially be put in place. These are the teams that will be handing out water, filter systems/replacement filters, test kits and information. If nobody is home, a door hanger with information is being left. DHHS personnel and one MSP trooper will be on these teams.
  - Training will take place at 1 p.m. on Monday afternoon at the DHHS office on Clio Road. DEQ and DHHS will provide the training.
    - Training is so those going door to door can explain what the filters do, how to install them, if they need install help to call 211 who has a list of people who can install the filters, and answer any other questions versus just handing them the filter.
  - Hours of operation will be Tuesday through Friday from 8:30 a.m. to 5 p.m. AT THIS TIME. I am reevaluating these times to increase contact with someone versus just leaving information.
  - Logistics are being finalized for the teams and trucks to handle stocking and re-stocking of materials during daily operations.
  - GIS maps will provide guidance on deployment locations for these teams and other teams in the field.
- A pilot project at Freeman Elementary with LARA and DEQ has been initiated to see if replacing certain plumbing components in faucets at the school will drop the lead level.

## MSP/EMHSD GIS Section Updates

### Accomplished Today (January 9):

- Produced a Point of Distribution Map. Contains four types of distribution points; Churches, Water Resource Sites, Filter Distribution Sites, Water Distribution Sites.
- Produced Filter Distribution Map.
- Developed process of how best to handle geocoding the household filter locations, worked on processing the data.
- Worked on map of franchise customers outside of Flint City.
- Produced maps for MDARD on food establishments and Local Health Departments.
- Produced map of Church Filter Distribution map for DTMB.

## Local Emergency Operations Center

- The state has deployed 10 personnel to the Genesee County EOC to ensure we have command and control at the local level. On 1/8/15 The state personnel took over the incident management functions of the Genesee County EOC (not public). The arrival of additional staff allowed the local Emergency Management Coordinator to delegate tasks which relieved a tremendous amount of stress.
- Additional Sherriff staff ( ) will be shadowing the state incident management team to allow for transition to the county personnel later in the incident when we are comfortable with them handling things. Not sure when that will be but we have secured a direct bill hotel for staff to stay in Flint as long as needed.
- With the additional staff, the Local EOC will be able to take over functions previously handled by the SEOC including:
  - Logistical activities to support church operations.
  - Logistical activities to support fire stations operations.
  - Coordinate Donations Management activities and draft donations management plan
  - Coordinate Volunteer Management activities
  - Identify local storage/staging facilities
  - Overall inventory tracking
  - Tracking of Points of Distribution (PODs)

Chris

---

INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

### Update 1/8/16

SitRep 3 attached.

There is a significant difference in what is being presented by the media and what the local EOC is relaying to us at the SEOC. It is also being driven by the media that this is a state versus local response (who is providing more and quicker versus a coordinated effort between all). That said, I advised SEOC personnel that perception is reality in some eyes and we are to move forward to address items that typically are addressed at the local level. I have ordered the SEOC open all weekend due to make the quick wins that we need and continue to get the coordination and collaboration in place that is needed (but make gains on our own as needed).

### Items to Note

- Two FEMA LNO’s arrived today and are in the SEOC. A third LNO was requested from FEMA due to some unique issues with this event to include having to deploy more or my staff to the local EOC to get more structure and/or find out why there is an issue with the message the media is showing versus what we are hearing from the local EOC

- We finally received from the local EOC 8 locations (we were told originally early in the week they had 80-90) that are their Points of Distribution (PODs) for water in conjunction with the local food bank. The PODs are not getting water from the food bank even though the food bank has water. We are going to resolve this issue as we can help deliver the water to the PODs but we were not aware of this. 8 PODs is not enough locations if water needs to be distributed to citizens. Speaking with the ARC Regional Administrator later today, I believe ARC got water to those locations but I need to confirm that in the morning. The food bank reported they had 376 cases of water.
- We have learned that a low number of residents are testing their water when DEQ can test 400 kits per day. This is an added focus that we believe can be increased through dissemination of test kits with the filters and any water.
- I found out the Mayor was okay with using fire stations as distribution points for water, filters, and water test kits. While this did not come to me through the local EOC, I advised we needed to get water, filters, and test kits to these locations for tomorrow. The distribution at 5 Flint Fire Department stations has been coordinated to be in place by 10:00 am tomorrow morning.
  - DTMB has provided a truck and driver to pick up water test kits from DEQ lab in Lansing, water from the Food Bank and water filters and replacement cartridges from GCARD in Genesee County.
  - 10 American Red Cross (ARC) volunteers will meet the DTMB truck at GCARD at 9:00 am to be provided information about filters. Instructions will be included in water test kits. They will then report to the 5 fire stations to assist in distribution of resources to the public and track addresses of same.
  - Residents will be told where they can drop off their water test kits, or that they can return them to the fire station the next day. Coordination will occur on pick up of water test kits daily to be taken to the Flint City Hall, who will then delivery them to the DEQ testing lab.
- STILL FINALIZING - We have made available 2,000 Filters for distribution on Sunday as parishioners leave mass/services. This will be 200 filters for 10 churches in Flint. While this is a small number of churches, we do not want to waste an opportunity to hand out filters and this seems like a quick way to so. The filters will be put on the DTMB truck on Saturday for delivery to TBD locations for distribution. Logistics remain undetermined as I am still waiting on a list of the churches, pastors/reverends/hours or services/etc. The DTMB truck will be returning to Lansing approximately 11:00 a.m. so we need to finalize this quickly on Saturday. We may utilize ARC to assist with this.
- The Recovery branch is working with the JIC to develop a door hanger card. DTMB is working on the printing portion of the hanger card. Recovery will also be finalizing logistics over the weekend for neighborhood canvassing to occur early next week. 40 volunteers have signed up to attend training on Monday afternoon to complete this task. The mission will be to deliver water sample kits along with water filters/replacement cartridges, and water.
- It appears that 211 has become overloaded. DHHS is researching ways to increase capacity for calls.
- A Volunteer Management Coordinator is in the Genesee County EOC as of today.
- A Donations Management Coordinator has been requested and she will be in the Genesee County EOC Saturday.
- DHHS had a conference call with GM today; they indicated they can provide cash, and supplies, but primarily manpower. No commitments were made at this point. We inquired as to availability of warehouse space and trucks. It was left as GM being a major resource pool that we can tap into as we determine missions. Further conversations will occur, but primarily GM just wanted us to know they are there if needed.
- An additional EMHSD staff member was sent to the Genesee County EOC to act as Operations Section Chief and obtain awareness of the situation there.
- GIS staff met with various parts of Genesee County/Flint personnel to try to get a handle on data available.

- GIS continues to work with local GIS personnel with three GIS staff going to Flint today to work with them. GIS staff is working with U of M on how best to proceed with digitizing water lines for long term recovery.

Chris

---

#### UPDATE 1/7/16

A summary of some of today's SEOC activities is provided below. Attached is the following:

- Today's SitRep which contains more information than below.
- The resource request/task assignment sheet for your situational awareness. This is how locals request resources as well as how we track resources and any assignments and/or tasks that are to be completed.
- JIC Task Tracking – for your situational awareness on how we are tracking requests and assignments. Once someone is assigned a task or resource request it allows them to document what work has been or will be done as shown at the bottom of the document.

#### **Items to note:**

- I received a document this evening from Genesee County which appears to be damage assessment information. Analysis of this will occur tomorrow. It appears to be infrastructure and costs to fix it and no other impacts.
- I spoke with Jamie Curtis, Genesee County Commissioner, this evening. A very good relationship is in place with him, especially with our District Coordinator (DC). I also have our DC working on developing stronger relationships with the Mayor/Mayor's office.
- GIS staff continue to obtain data and work with County and City personnel to get a picture of where resources have been provided, need to be provided, as well as infrastructure locations (pipes) that could be affected.
- Personnel and agencies have been tasked with developing a plan to get people in the community to deliver information, hand out filters, etc. This would target those areas we are showing minimal or no filter distribution based on the data we are collecting. The plan is to get them in the field by Tuesday and the plan will be provided to me tomorrow.
- Filters can be obtained at the following locations:
  - Michigan Department of Health and Human Services office, 125 E. Union St., Flint, MI 48502
  - Michigan Department of Health and Human Services office, 4809 Clio Road, Flint, MI 48504
  - Genesee County Community Action Resource Department office, 2727 Lippincott, Flint, MI 48507
  - Genesee County Community Action Resource Department office, 601 N. Saginaw, Flint, MI 48502
- Conducted briefing with local EOC and county executive.
- Conducted briefing with state agencies (daily updates).
- Began work to schedule legislative/congressional conference calls. Tentatively scheduled for 2 p.m. Friday.
- JIC continued to develop messaging.
- Provided input to local EOC regarding best methods of identifying health and non-structural impacts for damage assessment process.
- Deployed two EMHSD/SEOC liaisons to assist the local EOC.
- Published the Incident Action Plan and continued assignment of objectives/tasks.
- FEMA Liaison Officers just arrived in Lansing to assist command and general staff.
- I spoke with Harvey a few times and he should have talking points later tonight or tomorrow a.m. for his use and also for others who may speak to media outside of state government who may benefit from our messaging.

- We held a media round table at 1 P.M. at the SEOC. Dr. Wells and I spoke and answered questions to numerous media outlets.
- Local agencies and NGOs continue to provide water and filters to citizens.
- The website, [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater), was update with information and links to assistance to include 211. Additional recommendations were provided to include information on the testing water in homes.

#### EMHSD GIS:

##### Accomplished Today:

- Reproduced Socio-Economic Status Map
- Reproduced Predicted Affected Populations Map
- Cleansed old data and reports for water filter distributions
- Created draft map of water filter distributions (Refinement needed before releasing final product)
- Scheduled on-site visit with Flint GIS Department and Genesee County GIS Department
- Formatted databases to host content
- Researched service line database creation and scheduled meeting with U of M Flint to discuss timelines and resource needs
- Generated water infrastructure map (does not include building service lines)

##### Tasks for Tomorrow:

- Meet with Flint City GIS
- Meet with Genesee County GIS
- Meet with U of M Flint GIS
- Finalize water filter distributions map
- Finalize plan for data distribution methods

Chris

---

#### UPDATE 1/6/16

A summary of today's SEOC activities is provided below. I tried to distill this as best I could but there has been a lot of activity and discussion to get an accurate assessment of the situation. Attached is the final draft of objectives and tactics for the operational period and agency situation report (SitRep) which has more SEOC agency information. I have implemented weekly operational periods.

Advise if you want anyone else copied or off this distribution.

#### **Daily Update**

- Set goals for SEOC and identified response/recovery emphasis
- Requested FEMA liaison officers (LNO) from FEMA Region V. Two LNOs will be on site by ~3 p.m. 1/7/16. Both are known contacts to me and some staff and one has worked extensively with me during the SE MI flooding in a command and control position. These personnel have been specifically tasked with this mission. **THEY ARE NOT HERE TO ASSIST WITH A PRESIDENTIAL DECLARATION REQUEST BUT TO ASSIST ME.**
- PIOs from multiple agencies were here and established the Joint Information Center (JIC). News released pushed out on this. I am very happy with the PIO work and movement toward coordinated messaging.
- Held briefing for State Agency Emergency Management Coordinators, which included presentations from DEQ and DHHS subject matter experts to ensure situational awareness and to develop a common operating picture.
  - I opened the briefing by identifying our initial goals, items to think about while subject matter experts were briefing us, and how we are to move forward, find quick wins, and regain trust.
  - **MDHHS – Elevated Blood Lead Levels**

- Dr. Elizabeth Wells gave an in depth summary of lead poisoning and what has occurred in terms of health monitoring throughout the Flint crisis.
- **MDEQ – Water Testing Protocols**
  - Mr. George Krisztian of MDEQ gave an in depth summary of the testing protocols and summary results that as they have developed throughout the emerging crisis.
- Developed Incident objectives, strategy and tactics (see attached)
- Identified SEOC and state agency staff positions
- Assigned work tasks for SEOC operation period from 0800 January 6, 2016 to 1700 January 8, 2016
- Reviewed planned actions, prepared final draft Incident Action Plan
- **Made contact with the Genesee County Emergency Manager first thing in the morning and held a conference call mid-day to discuss roles. Daily 0830 command conference calls with local EOC command staff starts tomorrow. Tomorrows call will include the County Commissioner and the City Administrator (both invited). Topics include the incident action plan objectives and establishing better local coordination, command and control to facilitate integration with the SEOC. The local EOC is not functioning as it needs to with personnel and local coordination and we are working on that issue.**
- I will be in Flint tomorrow for a 2 p.m. media round table with local officials that was set up by the JIC.
- The attached initial objectives will be updated at least every operational period and as needed. I listed the objectives below but the tactics to accomplish them is in the attached if you want further information.
  1. Activate the State Recovery Task Force (SRTF).
  2. Establish and maintain coordination between the City of Flint, Genesee County, state and federal agencies, and appropriate medical experts.
  3. Obtain and maintain situational awareness and common operating picture of all activities.
  4. Establish SEOC operational period and hours of operations.
  5. Investigate and identify all available programs for assistance with direct or related impacts, including the federal Lead Pipe Replacement Program.
  6. Develop a comprehensive GIS strategy.
  7. Coordinate response and recovery activities with MIVOAD and identify potential mission areas.
  8. Establish and coordinate routine communication between SMEs and coordinate technical assistance among state agencies and to local agencies.
  9. Provide technical assistance to the local Damage Assessment process.
  10. Establish a Joint Information Center (JIC) and develop a public information strategy.
  11. Monitor MI CIMS for resource requests and address as appropriate.
  12. Establish and disseminate cost center information for the incident.
- Additional tasks include:
  - Determine what federal agencies are already involved and their status
  - Identify potential water supplies
  - Determine where affected homes are located, where filters/pitchers (and replacements) were installed/provided, and determine who needs filters, etc.
  - Determine how filter distribution is handled, and if it can be handled more efficiently and effectively
  - Determine what mechanisms are in place for nutrition supplementation

#### **EMHSD GIS Accomplishments:**

- Hosted a conference call to begin coordination with Flint City and Genesee County GIS departments and the SEOC
- Established a daily call with county and city GIS personnel to synchronize GIS efforts in support of the Flint water crisis at 8:30 A.M.
- Began consolidating local data from local GIS practitioners into a consolidated database, to include:
  - Water Pipeline Locations
  - Filter Distribution Locations
  - November 25, 2015 Water Monitoring Results (Partial, some data remains to be digitized)
  - Affected School Locations
  - Predictive analysis of blood lead levels for affected area

- Updated Parcels
- Demographics
- Block Groups
- Produced a map for the filter distribution locations
- Began contacting specialists who developed historic maps depicting the Flint Water Crisis to obtain the data

**Sent:** Tuesday, January 05, 2016 6:13 PM  
**To:** Etue, Kriste (MSP); Gorski, Gary (MSP); Smith, Paul (GOV)  
**Cc:** Baird, Richard (GOV); Hollins, Harvey (GOV)  
**Subject:** RE: Update - Genesee County Declaration

I forgot to advise that we have asked key state agency PIOs to be in the SEOC for the briefing.

---

**From:** Kelenske, Chris (MSP)  
**Sent:** Tuesday, January 05, 2016 6:06 PM  
**To:** Etue, Kriste (MSP); Gorski, Gary (MSP); Smith, Paul (GOV)  
**Cc:** Baird, Richard (GOV); Hollins, Harvey (GOV)  
**Subject:** Update - Genesee County Declaration

Below are some key points for your situational awareness (FYSA) that have taken place or will take place within the next 15 hours.

- I was on the phone with Sean Kammer, Assistant to the Flint City Administrator, when the declaration hit the news so I advised him immediately. He was going to let the City Administrator know.
- I contacted MSP Lt. Roach, 3<sup>rd</sup> District Coordinator, who was at the Genesee County EOC and advised her to let the County EM know the declaration status.
- State Emergency Management Coordinators (SEMCs) were notified via our notification system with additional information in an email.
  - This included information on the SEOC activation and a 0900 briefing for SEMCs.
  - Some subject matter experts will provide us an update to establish a common operating picture.
- We have been in contact with FEMA Region V watch desk ... they will be on the call tomorrow and continue to monitor the situation.
- I have been in contact with the FEMA Region V Administrator to keep him updated.
- Operational period for the SEOC will be M-F, 0800 to 1700 at this time.
- Situation Reports (SitReps) will be provided in the evenings.
- An Incident Action Plan will be developed tomorrow.

Call me with any concerns or questions.

Chris

# Damage Assessment and Emergency Status Report

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

## Operational Period

Operational Period Begin: 01/26/2016 08:00:00  
Operational Period End: 02/02/2016 08:00:00  
Situation Report No. 25  
SEOC Status: Full  
SEOC Hours of Operation Begin: 01/30/2016 08:00:00  
SEOC Hours of Operation End: 01/30/2016 20:00:00

## Executive Summary

SEOC Update:  
Accomplished today (January 30, 2016):

The SEOC continues to provide:

- Situational awareness.
- Common operating picture/objectives.
- Coordination with city/county.
- Potential coordination with federal agencies.
- Incident prioritization.
- Coordination of life/health safety measures.
- Resources.
- Public information control.

Logistics:

- Continued researching warehouse options for donations management.
- Conference call with Kathy Fulton of ALANaid on potential warehousing and other needs.
- Assist with coordination of water donations from Senator Knezek.
- Requested a report on needed warehouse staff.
- Fielded resource requests.
- Fielded rapid response requests.
- Facilitated distribution team calls.
- Requested a daily report of volunteer staffing numbers be sent at least 24 hours prior to scheduled activity.
- Request made for one point of contact for all volunteer activities.

JIC:

- The JIC is operating from the SEOC on Saturday, January 30 and Sunday, January 31.
- Created a media monitoring report and looked for and corrected misinformation.
- Facilitated several media inquiries regarding water filters.
- Coordinated the posting of the Food and Nutrition Service response to Michigan's request to increase the access and availability of WIC benefits and services on the [www.mi.gov/FlintWater](http://www.mi.gov/FlintWater) site.
- Updated internal and general talking points about the ongoing Flint water emergency.
- JIC is planning on issuing the nightly activity news release.

Recovery Branch:

- Attended Local Brief, SEOC State Agency Briefing Meeting, and Distribution Process Meeting.
- Worked with GIS to develop an area map and spreadsheet with addresses based on data specified as "follow up required" for Red Cross teams.
- Worked with GIS to map and analyze City of Flint apartment buildings to send out water resource team.
- City Sections Visited Today: 26, 17, 11, 27, 29, 30, 31.
- City Sections Scheduled Tomorrow\*: 27, 29, 30, 31, 22, 33, 4 as primary and 7, 1, 13 as secondary.
- 10 American Red Cross Teams scheduled for Sunday, January 31, 2016.

o Data is for 1/30/16 as of 5:00 pm:

- o Total homes visited.
  - 9,026 (round 3 total).
  - 1,368 (today).
- o Water Cases:
  - 5,672 (round 3 total).
  - 840 (today).
- o Replacement Cartridges:
  - 1,249 (round 3 total).
  - 434 (today).
- o Faucet Filters:
  - 4,928 (round 3 total).
  - 706 (today).

Planning Section:

- Published Sit Rep #25.
- Worked on the Small Business Administration worksheet and letter.
- Worked on incident time line for Governor's office.
- Updated the timeline of events for the Governor's office.
- Participated in local EOC, SEOC state agency, and distribution process conference call.

---

**Flint Water Daily Update**  
**Updated Jan. 29**

### **Current Issues Talking Points**

#### **Governor and DEQ encourage home water testing**

- The health and safety of Flint residents remains a top priority. Pregnant and nursing mothers and young children should continue to drink bottled water as a precaution.
- It is essential that all Flint residents have the water in their homes tested as soon as possible.
- Free water testing kits are available at Fire Stations 1, 3, 5, 6, and 8. Water Samples should be returned to the fire stations for testing.
- Until water is declared safe, continue to follow established safety protocols.

#### **Governor secures emergency supplemental to immediately aid Flint residents**

- Snyder signs \$28M Flint bill, hopes for safe water soon (Detroit News)
- The \$28 million in funding will help address immediate needs for the people and families of Flint. It is a necessary next step in ongoing recovery efforts for the city.
- The Governor signed the legislation at the first possible opportunity, following its unanimous approval in both the House and Senate.
- The Flint water crisis was a failure of government at all levels – city, state and local. The governor has apologized and taken responsibility for the state's role in this failure.
  - Accepted the resignation of top DEQ officials and suspended two pending a civil service investigation.
  - Approved two emergency funding bills to support Flint residents (This \$28 million and a previous \$9.3 million in Oct. 2015).
  - Declared and extended a state of emergency for the city and activated the National Guard.
- To date, the Governor and Legislature have approved a total of \$37.3 million in emergency funding for Flint while the federal government has earmarked only \$5 million in assistance.
  - The Governor will continue to call on the federal government and our Congressional partners to secure additional funding to help address the long-term needs of the city.
- This \$28 million in emergency aid will help:

- Supply free bottled water, faucet filters, and testing kits for Flint residents;
- Put nine nurses in local schools to monitor student health and well-being;
- Provide better nutrition for students and infants through WIC and in-school nutrition programs;
- Replace fixtures in schools, daycares, nursing homes and hospitals;
- Provide for an infrastructure study using independent experts;
- Treat any children who have high lead levels in the blood, using diagnostic testing, nurse visits and environmental assessments in the home;
- Provide additional community education opportunities within the Genesee County Health Department;
- Compensate the Michigan National Guard's work to support water distribution;
- Assist with home lead abatement costs;
- Help the City of Flint with utility issues;
- Provide operational funding for the Flint Interagency Advisory Committee.
- This funding package is just one step of many. Additional long-term resources will be needed as we work together to strengthen the city of Flint moving forward.

**Fresh water in State of Michigan Flint office building was for all**

- Amid denials state workers in Flint got clean water (Detroit Free Press)
- Fresh water in Flint State building was for all (ABC News)
- In January 2015, as a customer of Flint water, DTMB received a notification that the water system in Flint's state office building was found to be in violation of a drinking water standard.
- DTMB made the decision to provide an alternative drinking option for both building employees and public visitors.
  - Health of visitors was a top priority.
  - Approximately 500 visitors sign into the Flint office building every day. Many of which enter the building for access to DHHS services.
  - Those with an increased risk included people with severely compromised immune systems, infants, or the elderly. A large number of the clients using the DHHS services fall within those demographics.
- After receiving information from the city, verbally, in July 2015 that the water system issue had been addressed, the water coolers were removed.
- It wasn't until late Sept/Oct 2015 when the presence of lead in the water was confirmed that the water coolers were replaced.

**Subject:** SEOC Update 1/29/16 - Flint Water - Limited Distribution  
**Attachments:** SitRep24 Flint Water.pdf

### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

#### Update 1/29/16 – 25<sup>th</sup> Day (24<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

##### Mission focus for the day:

- Draft data documents for Governor’s team for dashboards.
- Draft timeline of events.
- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations and work to increase warehouse locations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Shift Water Response Teams operations to a targeted effort to provide filters into homes where data shows where filters have not been provided.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.

##### Attached Documents:

- Sit Rep # 24

##### Status on Governor’s request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### Key items for tomorrow to note are:

- We will have 10 ARC, type 5 teams (2-4 personnel).
- MSP EMHSD Operations Chief in the Local EOC will be shifted to the Unified Coordination Group (Federal Agencies) to provide connection to SEOC.
  - Local EOC to take a more active role in command and control at the local level.

##### Items to Note

- 10 ARC Flint Water Response Teams to the field today.
- Recovery compiled a list of apartment buildings to send out to water response teams.
- SEOC Logistics coordinated Niagara water donation delivery times/dates of 25.5 semi-trailers.
- SEOC Logistics Worked with warehouse to send temporary donation’s for the weekend to the LEOC established staging area.

- JIC coordinated with Genesee County Emergency Operations Center and State Emergency Operations Center regarding concerns from undocumented workers and English as second language speakers, including fielding a phone call from the Mexican Consulate in Detroit. Efforts are underway to reach out to these communities and to translate more materials for publication.
- Planning developed SBA loan request letter.
- GIS continued refinement of data.
- Information reported to the JIC:
  - As of 1/29/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Total	Targeted Canvassing Mission 1/29/2016
30,770	37,844	7,658	924

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	216,605
b. Filters	98,641
c. Filter cartridges	202,566
d. Test kits	31,111

3. Resources purchased:

- a. Cases of water 2,151,444 Liters (additional 715,404 Liters donated)
- b. Filters 162,536
- c. Filter Cartridges 376,903
- d. Test kits 62,701

4. Teams going out tomorrow:

- a. 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

Standing Information Requirements

1. Number of homes visited each day:

- a. 1/29/16, as of 5 pm, 924 homes were visited today.

2. Total number of homes visited:

- a. Targeted Canvassing Mission: 7,658

3. Total number of National Guard on the ground:

- a.
  - i. Number in PODs: -
  - ii. Command Cell
  - iii. Cyber Mission:
  - iv. Joint Forces Headquarters

4. Total Number of Volunteers each day:

- a. 100 volunteers on 1/29/2016.

5. Number of homes with filters:

	Total Number	Number with filters
Residential parcels	38,831	27,855
Active residential water subscribers	26,673	22,158

6. Number of Water filters distributed (each day and to date):

- a. 1,218 were distributed on 1/29/2016, and total distributed to date is 98,641.

7. Cases of Bottle water distributed (each day and to date):

- a. 7,458 were distributed on 1/29/2016, and total distributed to date is 216,605.
- 8. **Number of testing kits distributed (each day and to date):**
  - a. 221 were distributed on 1/29/2016, and total distributed to date is 31,111.
- 9. **Number of people tested for elevated blood levels (kids, adults, total):**
  - a. Per CHECC: People tested for Lead 10/1/2015 to 1/22/2016: \*3,351  
\*this data is updated bi-weekly
- 10. **Number of people with elevated blood level (kids, adults, total):**
  - a. Per CHECC: These numbers are only updated bi-weekly
    - i. Children less than 6 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 38
    - ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 7
    - iii. Adults 18 years and older  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 22
- 11. **Number of homes with safe drinking water (Not sure whether it's possible right now to provide this number):**
  - a. 4,084 water samples out of 4,351 sampled through January 29, 2016 are at or below the action level of 15 ppb for lead. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

#### Local EOC

- Attended long-term recovery planning meeting with MSP/EMHSD, FEMA and community leaders.
- Planning for transition of operational control to local level.
- Planning for demobilization of MSP/EMHSD support staff.
- Coordinating distribution of Spanish-language water sample forms to affected populations.
- Identifying and securing additional warehouse space.
- Refining rapid response process and coordinating rapid response deliveries to special locations.
- Continuing to coordinate vehicle and technology demobilization.
- Implementing the recycling program with the Community Recycling Coalition.
- Coordinating in-kind and monetary donations through Michigan Community Service Commission.
- Coordinating volunteer management with Michigan Community Service Commission, ARC, and other VOADS.

Chris

---

#### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

#### **Update 1/28/16 – 24<sup>th</sup> Day (23<sup>rd</sup> Full Day) After Governor's Declaration of an Emergency**

##### Mission focus for the day:

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Shift Water Response Teams operations to a targeted effort to provide filters into homes where data shows where filters have not been provided.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.

##### Attached Documents:

- Sit Rep # 23
- Maps:
  - Parcel Contact Status, includes data as of 5 pm today. (Provide earlier by GIS)
  - Parcel Filter Status (Multi-Tenant Excluded), includes GIS data as of 5 pm today. (Provide earlier by GIS)

Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Key items for tomorrow to note are:

- We will have 10 ARC, type 5 teams (2-4 personnel).
- We continue to send ARC teams to targeted areas potentially missed.
- Collins Road SEOC will be shutdown. New SEOC at 7150 Harris Drive in Windsor Township (former GOB) will be activated for SEOC staff only. All EMHSD admin personnel will start at the new facility on Monday.

Items to Note

- 10 ARC Flint Water Response Teams to the field today.
- MSP HQ staff completed data entry on all ARC paper copies.
- Recovery Staff attended local Community Partners Meeting.
- Recovery Branch worked with GIS to develop an area map and spreadsheet with addresses based on data specified as "follow up required "for Red Cross teams.
- SEOC Logistics researched possible warehouse options with the local EOC, FEMA and General Motors.
- We have a corporate owned (originally thought to be a franchise owned) Kroger that is no longer in business near Fire Station 6. Looking to get a lower cost for potentially use.
- Received an inquiry regarding potential scams being perpetrated on residents of Flint. This information was referred to the Attorney General's office for a possible news release and further action.
- Issued a media advisory and coordinated a press conference about recycling with Lt. Gov. Brian Calley at noon at Fire Station #1. Used social media to promote the event as it occurred.
- SEOC Operations coordinated water pitcher request for vulnerable population.
- Information reported to the JIC:
  - As of 1/28/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Total	Targeted Canvassing Mission 1/28/2016
30,770	37,844	6,734	1,768

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	207,055
b. Filters	97,342
c. Filter cartridges	201,848
d. Test kits	30,801

3. Resources purchased:

- a. Cases of water 1,980,504 Liters (additional 517,152 Liters donated)
- b. Filters 154,052
- c. Filter Cartridges 299,508
- d. Test kits 62,701

4. Teams going out tomorrow:

- a. 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

New Standing Information Requirements

1. **Number of homes visited each day:**
  - a. 1/28/16, as of 5 pm, 1,768 homes were visited today.
2. **Total number of homes visited:**
  - a. Targeted Canvassing Mission: 6,734
3. **Total number of National Guard on the ground:**
  - a.
    - i. Number in PODs:
    - ii. Command Cell:
    - iii. Cyber Mission:
    - iv. Joint Forces Headquarters.
4. **Total Number of Volunteers each day:**
  - a. 125 volunteers for 1/28/2016.
5. **Number of homes with filters:**

	Total Number	Number with filters
Residential parcels	38,238	25,221
Active residential water subscribers	26,673	20,788

6. **Number of Water filters distributed (each day and to date):**
  - a. 1,806 were distributed on 1/28/2016, and total distributed to date is 97,342.
7. **Cases of Bottle water distributed (each day and to date):**
  - a. 8,428 were distributed on 1/28/2016, and total distributed to date is 207,055.
8. **Number of testing kits distributed (each day and to date):**
  - a. 466 were distributed on 1/28/2016, and total distributed to date is 30,801.
9. **Number of people tested for elevated blood levels (kids, adults, total):**
  - a. Per CHECC: People tested for Lead 10/1/2015 to 1/22/2016: \*3,351  
\*this data is updated bi-weekly
10. **Number of people with elevated blood level (kids, adults, total):**
  - a. Per CHECC: These numbers are only updated bi-weekly
    - i. Children less than 6 years old  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 38
    - ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 7
    - iii. Adults 18 years and older  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 22
11. **Number of homes with safe drinking water:**
  - a. 3,726 water samples out of 3,972 sampled through January 28, 2016 are at or below the action level of 15 ppb for lead. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

#### Local EOC

- Planning for transition of operational control to local level.
- Discussed transition and demobilization of EOC support team with SEOC staff, Genesee County Sheriff's Office and Genesee County Emergency Management & Homeland Security.
- Identifying and securing additional warehouse space.
- Implementing recycling program. Promoted program at a press conference with Lt. Gov. Calley.
- Coordinating in-kind and monetary donations through Michigan Community Service Commission.
- Coordinating volunteer management with Michigan Community Service Commission, ARC and other VOADS.
- Continuously addressing public concerns over perceived fraud through door-to-door teams.

Chris

---

INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

Update 1/27/16 – 23<sup>th</sup> Day (22<sup>nd</sup> Full Day) After Governor's Declaration of an Emergency

#### Mission focus for the day:

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Shift Water Response Teams operations to a targeted effort to provide filters into homes where data shows where filters have not been provided.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.

#### Attached Documents:

- Sit Rep 22
- Maps:
  - Parcel Contact Status, includes data as of 5 pm today. (Provided earlier by GIS)
    - The first one indicates based upon the outreach that has been conducted, which parcels have had contact with a resident and which parcels have not had any contact with a resident.
  - Parcel Filter Status (Multi-Tenant Excluded), includes GIS data as of 5 pm today. (Provided earlier by GIS)
    - The second map indicates the status of residents that have or have not received a filter.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Key items for tomorrow to note are:

- We will have 10 ARC, type 5 teams (2-4 personnel).
  - ARC teams are targeting the homes we show that were not visited.
- Information provided to the Governor's Office (Paul Smith) for an extension to the Governor's Declaration of an Emergency. This has to be approved by both houses of the legislature. The extension will put us on the same timeline as FEMA's declaration.

#### Items to Note

- 10 ARC Flint Water Response Teams to the field today.
- Recovery Branch compiled a list of targets for apartment complexes. Once plan is in place, a team will go to each complex and verify all tenants have been given or have a water filter. Once outreach has taken place for each complex, GIS will manually mark entire parcel as complete.
- SEOC Logistics worked with the Michigan Community Service Commission on donations management and volunteers
- GIS coordinated with DNR and DEQ to establish timelines for lead mapping and strategize updates of lead statuses based on plumber activities.
- GIS coordinated with DTMB/CSS to meet with local GIS staff to review city GIS infrastructure and provide recommendations on future asset management.
- Planning and Financial provide information for Senate Appropriations Committee meeting this afternoon.
- Financial Reviewed donations as match guidelines for required 25% federal match.
- Information reported to the JIC:
  - As of 1/27/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

#### 1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Canvassing Total	Targeted Canvassing Mission 1/27/2016
30,770	37,844	4,966	1,020

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	196,456
b. Filters	95,417
c. Filter cartridges	200,654
d. Test kits	30,255

3. Resources purchased\*:

- a. Cases of water 165,042 (additional 32,234 donated)
- b. Filters 154,052
- c. Filter Cartridges 299,508
- d. Test kits 62,701

4. Teams going out tomorrow:

- a. 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

Standing Information Requirements

1. Number of homes visited each day:

- a. 1/27/16, as of 5 pm, 1,020 homes were visited today.

2. Total number of homes visited:

- a. Targeted Canvassing Mission: 4,966

3. Total number of National Guard on the ground:

- a.
  - i. Number in PODs:
  - ii. Command Cell:
  - iii. Cyber Mission:
  - iv. Joint Forces Headquarters:

4. Total Number of Volunteers each day:

- a. 109 volunteers for 1/27/2016.

5. \*Number of homes with filters:

	Total Number	Number with filters
Residential parcels	38,238	22,939
Active residential water subscribers	26,673	19,677

6. Number of Water filters distributed (each day and to date):

- a. 971 were distributed on 1/27/2016, and total distributed to date is 95,417.

7. Cases of Bottle water distributed (each day and to date):

- a. 7,592 were distributed on 1/27/2016, and total distributed to date is 196,456.

8. Number of testing kits distributed (each day and to date):

- a. 341 were distributed on 1/27/2016, and total distributed to date is 30,255.

9. Number of people tested for elevated blood levels (kids, adults, total):

- a. Per CHECC: People Tested for Lead 10/1/2015 to 1/22/2016: \*3,351  
\*this data is updated bi-weekly

10. Number of people with elevated blood level (kids, adults, total):

- a. Per CHECC: These numbers are only updated bi-weekly
  - i. Children less than 6 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 38
  - ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 7
  - iii. Adults 18 years and older  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 22

11. Number of homes with safe drinking water:

- a. 2,991 homes, per data from September 3, 2015 to January 27, 2016. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

\*This is an estimate from Phase I data. We are cleaning up the data to get a more accurate number – Phase II questions were developed to help clean this up.

#### GIS Information

AS OF 1/27/2016 AT 5 p.m. USING DATA FROM FLINT WATER RESPONSE TEAMS, POD DISTRIBUTIONS, AND GENESEE COUNTY HEALTH DISTRIBUTION DATA.

NOTE: PLEASE REMEMBER THAT PAPER DATA AND DATA ENTRY FROM PREVIOUS DAYS CONTINUES TO COME IN AND WILL BE INCLUDED IN THE TOTALS AS IT IS RECEIVED.

We are tracking **38,238** residential parcels that the City of Flint has identified as non-vacant (including Franchise). Of those:

- **34,849 (91%)** of the parcels have been engaged (e.g. face to face, left an information card, etc.) as part of response efforts
- **22,939 (60%)** of the parcels have been confirmed to have some form of filter
- **10,723 (28%)** of the parcels have volunteered for water testing sites
- **4,918 (13%)** of the parcels have not had personal contact (not home or did not visit a POD)

We are also tracking that there are 29,994 active water subscribers (metered service lines) in the city. When consolidated down and filtering out only residential there are **26,673** residential parcels that have the ability to use the Flint Water System. Of these

- **25,457 (95%)** of the parcels have been engaged as part of response efforts
- **19,677 (74%)** of the parcels have been confirmed have some form of filter
- **9,561 (36%)** of the parcels have volunteered for water testing
- **3,718 (14%)** of the parcels have not had personal contact (not home or did not visit a POD)

#### Local EOC

- Planning for transition of operational control to local level.
- Identifying and securing additional warehouse space for donations management.
- Coordinating rapid response deliveries to identified locations.
- Coordinating demobilization of vehicles and technology.
- Working to implement recycling program. Press conference scheduled for 01/28/2016.
- Coordinating in-kind and monetary donations through Michigan Community Service Commission.
- Coordinating volunteer management with Michigan Community Service Commission, ARC and other VOADs.

Chris

---

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

#### **Update 1/26/16 – 22<sup>th</sup> Day (21<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

##### Mission focus for the day:

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.

- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
- Validate all data from the WRTs/PODs and identify focus areas.

#### Attached Documents:

- Sit Rep # 21
- Maps:
  - Parcel Contact Status, includes data as of 5 pm today.
    - The first one indicates based upon the outreach that has been conducted, which parcels have had contact with a resident and which parcels have not had any contact with a resident.
  - Parcel Filter Status (Multi-Tenant Excluded), includes GIS data as of 5 pm today.
    - The second map indicates the status of residents that have or have not received a filter.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Key items for tomorrow to note are:

- We will have 10 ARC, type 5 teams (2-4 personnel).
- Press conference to be held in Flint with the Governor, Mayor and some state agency personnel.

#### Items to Note

- 10 ARC Flint Water Response Teams to the field today.
- We have taken a significant number of paper records from the ARC WRTs so we can get the data entered into our system. MSP HQ staff has been pulled to the SEOC for data entry. These are a portion of the records the ARC had as they were not using the door to door App as directed. This data will further clarify areas covered/not covered by any teams.
- The WRTs are going to "targeted" locations where we are showing residences not contacted.
- We are working on identifying any multi-unit housing to ensure all have filters (e.g. apartment buildings). Some have been taken care of but we are ensuring these locations are not missed.
- Information reported to the JIC:
  - As of 1/26/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

#### 1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Canvass Mission	Total	Targeted Canvassing Mission
30,770	37,844	3,946		1/26/2016
				1,350.

#### 2. Distributed:

Commodity	Total to Date
a. Number of cases of water	186,309
b. Filters	94,301
c. Filter cartridges	199,489
d. Test kits	29,841

#### 3. Total number of customers on the Flint water system

- 29,994 current water system subscribers
- ~45,000 hookups (This is our high end target #)
- ~39,000 includes apartment complexes (The is the low end target #)

4. Resources purchased\*:
  - a. Cases of water 146,142 (additional 26,834 donated to the state warehouse and does not include other locations like GCCARD/Food Banks, Churches, etc.)
  - b. Filters 154,052
  - c. Filter Cartridges 299,508
  - d. Test kits 62,701
5. Teams going out tomorrow:
  - a. 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

#### Standing Information Requirements

1. Number of homes visited each day:
  - a. 1/26/16, as of 5 pm, 1,350 homes were visited today.
2. Total number of homes visited:
  - a. Targeted Canvassing Mission: 3,946
3. Total number of National Guard on the ground:
  - a.
    - i. Number in PODs:
    - ii. Command Cell:
    - iii. Cyber Mission:
4. Total Number of Volunteers each day:
  - a. 98 volunteers for 1/26/2016.
5. \*Number of homes with filters:
  - a. 18,487 homes had filters, per entered GIS data as of 1/25/2016.
6. Number of Water filters distributed (each day and to date):
  - a. 1,091 were distributed on 1/26/2016, and total distributed to date is 94,301.
7. Cases of Bottle water distributed (each day and to date):
  - a. 7,862 were distributed on 1/26/2016, and total distributed to date is 186,309.
8. Number of testing kits distributed (each day and to date):
  - a. 403 were distributed on 1/26/2016, and total distributed to date is 29,841.
9. Number of people tested for elevated blood levels (kids, adults, total):
  - a. Per CHECC: People tested for lead 10/1/2015 to 1/8/2016: 2,642;  
\*this data is updated bi-monthly
10. Number of people with elevated blood level (kids, adults, total):
  - a. Per CHECC:
    - i. Children less than 6 years old  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 28
    - ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 7
    - iii. Adults 18 years and older  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 15
 \*this data is updated bi-monthly
11. Number of homes with safe drinking water:
  - a. 1,099 homes, per data from September 3, 2015 to January 22, 2016. Note, per MDEQ, this data is from uncontrolled samples provided by residents.  
\*This is an estimate from Phase I data. We are cleaning up the data to get a more accurate number  
– Phase II questions were developed to help clean this up.

#### Local EOC

- Delivered iPads to warehouse and provided on-site training to drivers, followed with written instructions.
- Facilitated recycling planning meeting and planned for implementation of the program.
- Attended local "Pastors and Police" meeting to coordinate water distribution plan with faith-based organizations.
- Planning for a transition of operational control to local level.
- Coordinated the incoming donations of water and filters through the Michigan Community Service Commission.

- Coordinated volunteer management with Michigan Community Service Commission, ARC and other VOADs.

Chris

---

## INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

### Update 1/25/16 – 21<sup>th</sup> Day (20<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

#### Mission focus for the day:

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
- Validate all data from the WRTs/PODs and identify focus areas

#### Attached Documents:

- Sit Rep # 20
- Michigan Department of Health and Human Services Situation Report for January 20, 2016
- Maps:
  - Parcel Contact Status, includes data as of 5 pm today.
    - The first map indicates based upon the outreach that has been conducted, which parcels have had contact with a resident and which parcels have not had any contact with a resident.
  - Parcel Filter Status (Multi-Tenant Excluded), includes GIS data as of 5 pm today.
    - The second map indicates the status of residents that have or have not received a filter.

#### Status on Governor’s request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Key items for tomorrow to note are:

- We will have 10 ARC, type 5 teams (2-4 personnel).

#### Items to Note

- 11 ARC Flint Water Response Teams to the field today.
- 8 EPA PIOs will be in the JIC tomorrow. The JIC is unaware of the role or expectations at this time.
- Reference the rash I discussed on the call tonight:
  - There was one specific complaint about rashes that Community Health personnel plan on working with ATSTD/CDC. DEQ is requesting that EPA collect all appropriate water samples to enable a full analysis of the water at the address (an apartment) for bacterial contamination, and a full metals and organics panel. Lead is not associated with skin rashes, but other contaminants are and DEQ wants to find out what, if any, other contaminants are in the water.
  - It was also discussed that it would be ideal if Community Health can forward to the EPA the other addresses and contact information for which they’ve received complaints of rashes, so that EPA could also test there for appropriate parameters to see if we can identify a cause.
  - SEOC DEQ desk will continue to monitor and work this issue.

- SEOC OPS, Health, MDEQ SEOC, Logistics participated in conference calls with the Governor's office and private partners on potential alternative filtration systems for schools, daycares, etc.
- Created a form for drivers to track rapid response deliveries.
- Media avail at fire station 8 this morning received positive news coverage.
- The NAACP is holding a public meeting at U of M Flint on Tuesday.
- Rachel Maddow will hold a town hall meeting on Wednesday. MSP Third District Commander advised.
- Developed new Incident Action Plan (#7 published in M/CIMS) and ICS 204s for the new operational period (1/26/2015-2/2/2016).
- MDOC assumed all warehousing responsibilities today.
- Reviewed state agency financial information received for update to current spend plan.
- Information reported to the JIC:
  - As of 1/25/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Canvassing Mission 1/25/2016
30,770	37,844	2,596 – ARC*

\*American Red Cross data has not been entered in the app, but is currently being caught up. Starting January 26, 2016, the American Red Cross has been instructed that iPads must be used in the field for data entry in order to clearly capture the homes that have filters.

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	176,118
b. Filters	93,048
c. Filter cartridges	198,552
d. Test kits	29,320

3. Total number of customers on the Flint water system

- a. 29,994 current water system subscribers
- b. ~45,000 hookups (This is our high end target #)
- c. ~39,000 includes apartment complexes (The is the low end target #)

4. Resources purchased\*:

- a. Cases of water 141,982 (additional 24,634 donated)
- b. Filters 124,052
- c. Filter Cartridges 285,586
- d. Test kits 62,701

\* Numbers have not been updated due to the following circumstances:

- Outstanding donations and inventory at the warehouse which has not been reported to the SEOC. Staff in the SEOC is working with donations management and warehouse to reconcile numbers.
- Outstanding data from GCCARD on deliveries from 1/8-1/12. Staff in the SEOC and local EOC is working with GCCARD to obtain data.
- At the beginning of tracking the planning factor used was 72 cases of water per pallet and 22 pallets per semi-truck. Per bill of lading received from the warehouse today, it has been identified that this assumption is not correct. Staff is working to reconcile numbers.

5. Teams going out tomorrow:

- a. 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

Standing Information Requirements

1. Number of homes visited each day:

- a. 1/25/16, as of 5 pm, 2,596 homes were visited today.
2. **Total number of homes visited:**
  - a. Phase II: 37,844
  - b. Targeted Canvassing Mission: 2,596
3. **Total number of National Guard on the ground:**
  - a.
    - i. Number in PODs: 1
    - ii. Command and Control Staff for NG Personnel: 1
4. **Total Number of Volunteers each day:**
  - a. 135 volunteers for 1/25/2016.
5. **\*Number of homes with filters:**
  - a. 17,595 homes had filters, per entered GIS data as of 1/22/2016.
6. **Number of Water filters distributed (each day and to date):**
  - a. 1,151 were distributed on 1/25/2016, and total distributed to date is 93,048.
7. **Cases of Bottle water distributed (each day and to date):**
  - a. 9,514 were distributed on 1/25/2016, and total distributed to date is 176,118.
8. **Number of testing kits distributed (each day and to date):**
  - a. 478 were distributed on 1/25/2016, and total distributed to date is 29,320.
9. **Number of people tested for elevated blood levels (kids, adults, total):**
  - a. Per CHECC: People tested for lead 10/1/2015 to 1/8/2016: 2,642;
10. **Number of people with elevated blood level (kids, adults, total):**
  - a. Per CHECC:
    - i. Children less than 6 years old  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 28
    - ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 7
    - iii. Adults 18 years and older  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 15
11. **Number of homes with safe drinking water:**
  - a. 1099 homes, per data from September 3, 2015 to January 22, 2016. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

#### GIS Information

I have had numerous discussions with GIS staff as to getting our data validated and as close to final as possible. We are tracking 38,144 residential properties within the city (noting large apartment complexes are classified as commercial so they are not a part of this). Of these:

- 34,318 have been engaged by Flint Water Response Teams and PODs (90%) - The remaining 10% is going to be a focus for the teams in the near future
- 23,281 have led to a direct citizen engagement (61%)
- 5,173 were not home during any attempt to visit and have not been recorded as having visited a POD (14%)
- 5,864 of the properties the teams visited were vacant or destroyed (15%)

Additionally, we have been tracking the status of "Active Water Subscribers" from the Flint Department of Public Works. These are residential properties which have meters put on the homes by the city. Of the total 29,994 subscribers citywide, 26,673 have been confirmed as being on residential parcels. Of the 26,673:

- 18,487 Have been confirmed as having received a filter by the Flint Water Response Teams or PODs (69%)
- 3,928 Were not home when visited (15%)
- The remaining 16% we have no data to confirm or deny whether they have a filter

Of special significance from the water subscriber data is that the old lead maps that we are digitizing from the Flint Water Department contain 993 suspected homes with lead lines in them. Of these only 659 have received a filter.

It is significant to note that we are continuing to receive paper forms from the field and processing them. The ARC and volunteers were specifically told to use the App and we provided Ipads but tonight I was told this was not being done by everyone which has caused us some lags in data. This is likely improve the overall numbers as we process historic records (ARC had ~7,000 of these records).

It cannot be reiterated enough that data is still coming in and we are still actively cleansing it.

#### Local EOC

##### Operations:

- Coordinated with Foodbank of Eastern Michigan for issuing of Resource Request.
- Coordinating and following up on vehicle demobilization.
- Facilitated rapid response deliveries to special locations.
- Finalizing components of recycling program.
- Received authorization to operate bottle collections for recycling at Fire Station 1 and 5 PODs.
- Initiated activities to plan for inclusion of institution sampling (schools, daycares, nursing homes, etc.) in Genesee County EOC IAP.
- Coordinating volunteer management with Michigan Community Service Commission.

Chris

---

#### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

#### **Update 1/24/16 – 20<sup>th</sup> Day (19<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

I have asked state agency SEMCs to archive their SitRep items so you only have current operational period information in the SitRep Agency Summaries. Director Creagh added to daily report.

##### Mission focus for the day:

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs).
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.

##### Attached Documents:

- Situation Report # 19
- Maps:
  - Parcel Contact Status, includes data as of 5 pm today.
    - The first one indicates based upon the outreach that has been conducted, which parcels have we had contact with a resident and which parcels have not had any contact with a resident.
  - Parcel Filter Status (Multi-Tenant Excluded), includes GIS data as of 5 pm today.
    - The second map indicates the status of residents that have or have not received a filter.

##### Status on Governor’s request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Key items for tomorrow to note are:

- We will have 10 ARC, type 5 teams (2-4 personnel).
- WRTs with NG personnel are transitioning out. No field teams. NG will continue to staff the PODs.
- Tony Katarsky will be acting SEOC State Director. Capt. Kelenske not in the SEOC - available by phone (in the Holland MI area).

Items to Note

- Deployed National Guard/state/local teams and 19 ARC Flint Water Response Teams to the field today.
- JIC was operational with limited staff out of the SEOC today. Co-located JIC in Flint will be back and operational tomorrow.
- SEOC Logistics worked with MDOC on warehouse management transition.
- Recovery Branch began demobilization of trucks and vans.
- Demobilization of National Guard Water Response Teams will be effective as of Monday, January 25.
- School for the Deaf
  - As of 1/23/16: LARA and DEQ teams on site; water testing complete in school building and LRC dorm. Stevens Hall will be tested when landlord finishes upgrades.
  - As of 1/23/16: all water faucets replaced in Stevens Hall. 3 new drinking fountains on order; expected mid-week. Once fountains are installed, Stevens Hall will be scheduled for water testing.
- SEOC Finance Donations Management team to obtain list of donors and donations for FEMA request.
- SEOC Planning Section worked on burn rate data from FWRT and PODS for FEMA request.
- GIS continued to clean up V2 Dataset (patched approximately 1000 records).
- GIS coordinated with the DEQ to transfer lead service line mapping to their GIS department tomorrow. Wall maps showing known lead service lines based off of geographical locations and zip codes provided for Chief Hagler, SEOC DEQ staff and Director Creagh.
- Out of 37,003 homes visited, 5,660 were not home/did not answer. The number of homes visited is lower than the Phase II number as some duplicate contacts at addresses were eliminated.
- Information reported to the JIC:
  - As of 1/24/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	1/24/2016
30,770	37,844	7,012 National Guard/State/Local 4,132 ARC

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	164,991
b. Filters	91,763
c. Filter cartridges	197,775
d. Test kits	28,763

3. Total number of customers on the Flint water system

- 29,944 current water system subscribers
- ~45,000 hookups (This is our high end target #)
- ~39,000 includes apartment complexes (The is the low end target #)

4. Resources purchased:

- Cases of water 141,982 (additional 24,634 donated)
- Filters 124,052
- Filter Cartridges 285,586

d. Test kits 62,701

5. Teams going out tomorrow:

- a. 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

Additional Standing Information Requirements

1. Number of homes visited each day:

- a. 1/24/16, as of 5 pm, 11,144 homes were visited today

2. Total number of homes visited:

- a. Phase II: 37,844

3. Total number of National Guard on the ground:

- a.  
i. Number in PODs:  
ii. Number on Cyber Mission:  
iii. Number with FWRTs:  
iv. Command and Control Staff for NG Personnel: :

4. Total Number of Volunteers each day:

- a. 315 volunteers for 1/24/2016.

5. \*Number of homes with filters:

- a. 17,595 homes had filters, per entered GIS data as of 1/22/2016.

6. Number of Water filters distributed (each day and to date):

- a. 4,920 were distributed on 1/24/2016, and total distributed to date is 91,763.

7. Cases of Bottle water distributed (each day and to date):

- a. 16,125 were distributed on 1/24/2016, and total distributed to date is 164,991.

8. Number of testing kits distributed (each day and to date):

- a. 3,177 were distributed on 1/24/2016, and total distributed to date is 28,763.

9. Number of people tested for elevated blood levels (kids, adults, total):

- a. Unknown at this time, CHECC will begin providing numbers on 1/25/2016.

10. Number of people with elevated blood level (kids, adults, total):

- a. Unknown at this time, CHECC will begin providing numbers on 1/25/2016.

11. Number of homes with safe drinking water:

- a. 577 homes, per data from September 3, 2015 to January 20, 2016. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

\*This is an estimate from Phase I data. We are cleaning up the data to get a more accurate number – Phase II questions were developed to help clean this up.

Local EOC

Operations:

- Distribution of supplies at five water resource sites in the City of Flint.
- Door-to-door distribution of supplies with 34 water response teams (19 ARC volunteer teams, 15 MSP/GCSO/NG teams).
- Facilitating rapid response deliveries to homebound residents and special locations by three teams staffed by Team Rubicon, and Lt. de Castro (MSP/EMHSD).
- Improved logistics for rapid response teams by providing transportation and iPads starting on 01/25/2016.
- Coordinated with ARC for distribution of additional iPads for data entry.
- Identified alternative warehouse locations for loose donations.
- Directed volunteer requests to appropriate state agencies.
- Started coordination for resource demobilization.
- Coordinated with 22 churches so they had water, filters, etc. Delivered Saturday. Some advised they were set with supplies. Lt. Roach (MSP District Coordinator will maintain contact with Pastors).

INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

Update 1/23/16 – 19<sup>h</sup> Day (18<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs

Attached Documents:

- SitRep 18

Status on Governor’s request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Key items for tomorrow to note are:

- We will have National Guard/state/local agency, type 3 teams
- We will have 40 ARC, type 5 teams (2-4 personnel).

Items to Note

- Deployed state/local teams and 40 ARC Flint Water Response Teams to the field today.
- Created a media monitoring report and looked for misinformation. A call was made to WILX to amend their article that implied that the State was not distributing water to undocumented immigrants. The news release was also sent to WILX about how the State is not requiring identification to receive water resources.
- SEOC Logistics worked on future resource planning and a local business commodity supply plan.
- Drafted talking points for Monday’s press conference with Governor Snyder, Colonel Etue, and the Mayor.
- Put in place a place to control POD distribution as much as possible. SKU numbers are being lined out on commodities to prevent or minimize returns for cash.
- Information reported to the JIC:

- As of 1/23/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

To Date	1/23/2016
37,943	6,323 National Guard
	7,361 ARC

2. Distributed: Includes outstanding data from yesterday- PODs after 5 pm, ARC worksheets and local EOC hotshots

Commodity	Total to Date
a. Number of cases of water	148,866

b. Filters	86,843
c. Filter cartridges	194,622
d. Test kits	25,586

3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. ~45,000 hookups (This is our high end target #)
  - c. ~39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 133,662 (additional 24,634 donated)
  - b. Filters 115,700
  - c. Filter Cartridges 266,200
  - d. Test kits 61,161
5. Teams going out tomorrow:
  - a. National Guard State ( ) type 3 teams---Goal tomorrow 300 homes per team
  - b. 40 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

##### Operations:

- Worked to identify all vulnerable populations to help streamline Hot Shot/Rapid Response Team process.
- Working on plan for church water distribution and POD locations.
- Looking at possible alternative locations for PODs in difficult traffic areas. The city identified some but they are just as bad as the current ones.
- Working on finalizing a recycling plan for the incident.
- Lt. Roach sent up the church information to Tom Webber. She also received one church site that will act as a potential church mega site.
- SEOC GIS to provide a layer for the vulnerable populations so that Team Rubicon can get to them and track in the iPad.

#### New Standing Information Requirements

1. Number of homes visited each day:
  - a. 1/23/16, As of 5 pm, 13,684 homes were visited today
2. Total number of homes visited:
  - a. 37,943, does include duplicate counts from the second canvassing
3. Total number of National Guard on the ground:
  - a.
4. Total Number of Volunteers each day:
  - a. 310 volunteers for 1/23/2016
5. Number of homes with filters:
  - a. 17,595 homes had filters, per entered GIS data as of 1/22/2016,
6. Number of Water filters distributed (each day and to date):
  - a. 4,156 were distributed on 1/23/2016, and total distributed to date is 86,843
7. Cases of Bottle water distributed (each day and to date):
  - a. 27,462 were distributed on 1/23/2016, and total distributed to date is 148,866
8. Number of testing kits distributed (each day and to date):
  - a. 2,171 were distributed on 1/23/2016, and total distributed to date is 25,586
9. Number of people tested for elevated blood levels (kids, adults, total):
  - a. Unknown at this time until we get the data
10. Number of people with elevated blood level (kids, adults, total):

- a. Unknown at this time until we get the data
- 11. Number of homes with safe drinking water (Not sure whether it's possible right now to provide this number):
  - a. Unknown at this time

Chris

---

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

**Update 1/22/16 – 18<sup>h</sup> Day (17<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

**Mission focus for the day:**

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue door to door/Flint Water Response Teams (FWRTs)
- Plan for next phase with MSP and NG personnel
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration
- Work with HHS personnel to ensure they have all items needed for operations

**Attached Documents:**

- SitRep # 17
- Briefing provided to the HHS Undersecretary by FEMA (due to time only finished 75%)

**Status on Governor's request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

**Key items for tomorrow to note are:**

- 15 National Guard/State/Local (type 3 teams)
- 40 ARC (2-4 folks) type 5 teams
- Deliveries going out to all churches on our list we have been working with (21) for Sunday services.
- I will not be in the SEOC Saturday. Tony Katarsky will be the acting SEOC state director. I will be available by phone (wrestling meet).
- Sunday, Lt. Mike Johnson will be acting SEOC state director but I may be in for some of the day.
- Monday I am out on a college visit with my son...I will be available by phone and Tony will again be acting.

**Items to Note**

- Deployed state/local teams and 15 ARC Flint Water Response Teams to the field today.
- SEOC Operations worked on getting local contact into the JIC along with developing messaging for resources and donations.
- SEOC Planning worked on the further development of long term strategy.
- Recovery branch continued coordination with Red Cross on volunteers and the Michigan National Guard for Friday and Saturday.
- SEOC logistics worked with FEMA/DHHS on warehouse tracking status/strategy, coordinated resources, and donations management.
- Have had a number of media request concerning resources for immigrants and population less proficient in English. Clarified with a news release that we are not requiring ID but we are asking for addresses to assist with long term recovery. Nobody will be denied resources if they fail to provide us an address.

- Have received numerous inquiries from celebrities on how they can assist and donate.
- We are validating a lot of data but what we have currently is 38,144 parcels in Flint that are not considered "vacant". This does not mean all parcels have a tenant, there are a lot of houses that are empty.
  - 26,673 water subscribers in Flint (not including franchise).
    - Water Subscribers with a Filter = 15,399 (57.7%)
    - Water Subscribers without a Filter = 11,274 (42.2%)
      - With our second pass we are getting more information as to why people do not have a filter. Looking into whether these include homes connected but nobody currently living there. We are refining the data.
  - 11,471 Non-Water Subscribers in Flint.
    - Non Water Subscribers with a Filter = 2,196 (19%)
    - Non Water Subscribers without a Filter = 9,275 (81%)
  - The SEOC Ops Chief has been directed to firm up all numbers with GIS. We have a GIS specialist from FEMA Region V also deployed to the SEOC to assist. ArcGIS has advised us that the amount of data we have collected is more than some major disasters in other states. We are looking into getting their personnel more engaged to ensure we are using all the tools available for analysis.
- SEOC Finance Chief is working on costs to date and all SEMCs were advised to tighten up their records and ensure we have accountability of all costs.
- Information reported to the JIC:

- As of 1/22/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

To Date	1/22/2016
37,697	5,920

2. Distributed: Includes outstanding data from yesterday (PODs after 5 pm, ARC worksheets and local EOC hotshots.)

Commodity	Total to Date
a. Number of cases of water	121,404
b. Filters	82,687
c. Filter cartridges	191,704
d. Test kits	23,415

3. Resources purchased:

- a. Cases of water 130,782 (additional 21,682 donated)
- b. Filters 115,700
- c. Filter Cartridges 266,200
- d. Test kits 61,161

4. Teams going out tomorrow:

- a. National Guard State type 3 teams -- Goal tomorrow 300 homes per team
- b. 40 ARC (2-4 folks) type 5 teams -- Goal tomorrow 100 homes per team

Local EOC

Operations:

- Worked to identify all vulnerable populations to help streamline Hot Shot process.
- Working on plan for church water distribution and POD locations.
- Looking at possible alternative locations for PODs in difficult traffic areas.
  - Working on finding a new POD for 3 and 6. We are aware that the mayor would need to approve this.
- Coordinated water donations and delivery areas.

- Last minute large donations of water and volunteers expected during the weekend.
- Working on finalizing a recycling plan for the incident.
- The Jail water has been tested and is fine. The prisoners are not being poisoned and the local health department is working on clearing this issue up.
- Working on a plan with the churches to have 4 mega sites for churches (N,E,S,W) and have smaller churches work through these sites to get supplies. Churches are interested in the recycling program, putting information in their bulletins and also used a collection sites.
- Team Rubicon is coming tomorrow to assist with home deliveries.
- Continuing with recycling plan. Need to identify sites with city. Local EOC has visited areas with the local contractor.

Chris

---

## INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

### Update 1/21/16 – 17<sup>th</sup> Day (16<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

#### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs) - “Phase II”
- Plan for next phase with MSP and NG personnel for Governor approval – “Phase III”
- Prepare for appeal on denial of Category B under the Presidential Emergency Declaration
- Work with HHS personnel to ensure they have all items needed for operations

#### Attached Documents:

- SitRep 16
- Draft Water Operations Plan for moving to next phases (Discussion document)
- Resident Water Sample Results Map (Not for public distribution)
- January 13-19 comparison map

#### Status on Governor’s request letter to the President

- Emergency declaration received. Pending decision of Major Disaster appeal and any denials under the Emergency Declaration (e.g. Category B). We have not been denied category B yet ... POTUS/FEMA has not given it to us though. I believe we may get a denial of category B in conjunction with the Major Disaster appeal decision. We will have 30 days to appeal.
  - Category B is critical in that it is for Emergency Protective Measures which includes (but is not limited to) EOC related costs, supplies and commodities, safety inspections, and in limited circumstances “water testing and treatment supplies in the immediate aftermath of the incident to counter a specific threat.” We purposely put our start date of this incident to be April 25, 2014 in hopes we get category B and could get 75% federal funds for many other costs all the way back to 2014 – long shot but would be huge if we land this.

#### Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have National Guard/state/local agency, type 3 teams ( ), with a goal of 300 homes per team.
  - We will have 15 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.

## Items to Note

- We are using the terms Phase II, Phase III, etc. These are for internal discussion for planning and not meant for public dissemination at this time unless it is determined to be beneficial.
- The draft operations plan (attached) was completed in conjunction with MSP and NG personnel to initiate discussion on our next steps as to WRTs and PODs.
- The WH issued a statement that \$80 million dollars in aid to MI mostly to repair Flint water infrastructure. We do not have additional information on this. This may be existing federal funds provided to MI that is just being opened up for other use. FEMA does not have any information on this.
- We have been advised we exceeded the \$5 million under the emergency declaration. We are at \$7.6 million.
- FEMA has advised that any donated items can be used to offset the state cost share. We are working on the mechanism with FEMA to do this.
- Deployed state/local teams and 10 ARC Flint Water Response Teams to the field today.
- SEOC logistics worked to project future orders of water resources and commodities.
- Released updated JIC map at 1800 displaying updated field team activity and integrating historic paper records that have been entered into the tracking system for field team activity.
- DEQ test kits are only being provided to those who ask for them.
- I made contact with Senator Ananich aid, Julie Townsend, who was a POC for his volunteers. They are set to work next week on the 30<sup>th</sup>.
- MDOT met with city personnel to look at Station 6 POD and other PODs to see how traffic flow can be facilitated and safety increased. Additional report out due 1/22.

- MDARD Food Program staff have completed assessments of all 21 food businesses (including restaurants) that were located in the highest risk area. In addition, they have completed assessments at 34 food businesses in the medium risk area, and have scheduled 28 appointments to collect water samples.
- Dr. Nicole Lurie, the Assistant Secretary for Preparedness and Response from the US Department of Health and Human Services (HHS), in addition to the HHS Regional Coordinator and other CDC staff, visited the CHECC and SEOC this morning and provided commentary to CHECC and SEOC staff/EMCs. She also attended a briefing from FEMA before departing to visit Flint.
- Parents of boarding students at the Michigan School for the Deaf were notified of the elevated lead results in Stevens Hall. All fixtures in the dormitory are scheduled to be replaced by January 24, 2016. Lt Gov. has scheduled visit on January 25.
- Valley Area Agency on Aging (VAAA) continues to take calls from seniors and caregivers needing access to water and filters. VAAA is providing this information to the local EOC each afternoon for follow-up.
- Information reported to the JIC:

- As of 1/21/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase 1	Phase 2
30,770	5,409

2. Distributed: Includes outstanding data from yesterday - PODs after 5 pm, ARC worksheets and local EOC hotshots.

Commodity	Phase 1	Phase 2	Total to Date
a. Number of cases of water	94,688	10,403	105,091
b. Filters	77,215	2,356	79,571
c. Filter cartridges	188,389	1,039	189,428
d. Test kits	20,037	1,588	21,625

3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. ~45,000 hookups (This is our high end target #)
  - c. ~39,000 includes apartment complexes/multi family (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 124,398 (additional 20,098 donated)
  - b. Filters 115,700
  - c. Filter cartridges 243,200
  - d. Test kits 61,161
5. Teams going out tomorrow:
  - a. National Guard/State/Local s) type 3 teams -- Goal tomorrow 300 homes per team
  - b. 15 ARC (2-4 folks) type 5 teams -- Goal tomorrow 100 homes per team

#### Local EOC

- Attended ARC meeting with VOADs to discuss volunteer management and strategies.
- Attended meeting with Plumbers and Pipefitters Union to assess the need for long term cooperation for filter installation and fixture replacement.
- Requested and received confirmation of deployment of Team Rubicon (starting on 01/23/2016).
- Facilitated Flint & Genesee Chamber of Commerce representation at the EOC.
- Addressed security issues at Fire Station 3, 6 and 8 PODs (residents concerned about criminal activity).
- Coordinating with SEOC Logistics to receive information on purchasing strategy and volumes for filter equipment.
- Met with Genesee County Planning Commission, United Way of Genesee County and Michigan Community Service Commission to clarify recycling plans and potential volunteer utilization.
- Coordinated and verified deliveries of supplies to apartment complexes.
- Identified potential locations for recycling stations.

Chris

---

#### Update 1/20/16 – 16<sup>th</sup> Day (15<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare for second phase of door to door operations
- Submitted appeal to FEMA Region V
- Prepare for appeal on denial of Category B under the Presidential Emergency Declaration

##### Attached Documents:

- SitRep 16

##### Status on Governor's request letter to the President:

- Emergency declaration received.

Key items for tomorrow to note are:

- Five copies of the State/FEMA agreement will need to be signed by the Governor. Capt. Kelenske has them and will coordinate delivery.
- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 18 National Guard (MSP supported), type 3 teams (6-9 personnel), with a goal of 300 homes per team.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
- Dr. Luri from HHS will be at the SEOC ~10:00 p.m.
- A second phase is starting tomorrow which will include more refined questions as to type of filter systems each person has. This will assist with sustainment operations.
- DOC prison work crew personnel (6-7) will be at the warehouse to keep the area clean. A lot of trash is generated in the warehouse and was becoming an issue.

Items to Note

- Deployed state/local (NG, MSP, Local) teams and 10 ARC Flint Water Response Teams to the field today.
- MSP and local Sheriff's Department continue to provide over watch for WRTs.
- Aqua Hydrate contacted me to donate 5000 cases a month (4 semis) for a year. I was advised by Lindon Nelson this was a Governor/Mayor/Senator Ananich and Meekhof initiative and a press release was going to go out soon (TBD). Logistics is following up with them.
- News release sent from Governor's office about the appeal to the President of the disaster declaration.
- SEOC Logistics worked with JIC and Governor's office to establish a business resource submission tab on [www.helpforflint.com](http://www.helpforflint.com)
- SEOC Operations continued to develop and finalize Phase 2 canvassing roll out.
- Meeting held with Dr. Luri from HHS.
- Capt. Kelenske and other state agency financial personnel attended the appropriations hearing.
- End of day – concerns with the mass amounts of volunteers showing up and wanting to help. This can cause logistical issues but staff was working to get additional tasks for volunteers outside of the WRTs. We will continue to work on ways to involve more volunteers.
- Additional person NG team for warehouse support approved.
- Information reported to the JIC:
  - As of 1/20/16 as of 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. 29,317 homes visited by the FWRTs to date.
2. Distributed: Includes outstanding hard copy data from yesterday (PODs after 5 pm, ARC worksheets and local EOC hotshots).
  - a. Number of cases of water 90,337
  - b. Filters 73,229
  - c. Filter cartridges 185,852
  - d. Test kits 19,866
3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 111,630 (additional 18,502 donated)
  - b. Filters 115,700

- c. Filter cartridges 243,200
- d. Test kits 61,161

5. Teams going out tomorrow:

- a. 18 National Guard (6-9 folks) type 3 teams---Goal tomorrow 300 homes per team
- b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

Local EOC

Operations:

- Addressed reports of water contamination in distributed bottled and canned water. Confirmed that water is safe to drink through testing by MDEQ. Coordinating with JIC and MDEQ for improved public information on the issue.
- Identifying options to reroute unsolicited offers for supplies and services outside of the EOC. Coordinating to set up 800 number.
- Attended meeting with Flint & Genesee Chamber of Commerce to discuss coordination of efforts, representation at EOC, and improved messaging.
- Attended meeting with Community Foundation of Greater Flint to discuss coordination of neighborhood groups and improved messaging.
- Coordinated with MDARD to provide additional lead testing at restaurants, and signage for safe locations.
- Coordinating with SEOC Logistics to receive information on purchasing strategy and volumes for filter equipment
- Coordinated and verified deliveries of supplies to apartment complexes.
- Discussed logistics requirements of delivery requests for homebound residents with SEOC Logistics.

Chris

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

**Update 1/19/16 – 15<sup>th</sup> Day (14<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare for possible surge in FWRTs utilizing NG personnel
- Prepare plans for next phase of operation – Second sweep of city

Attached Documents:

- SitRep 14

Status on Governor’s request letter to the President:

- Emergency declaration received.
- Appeal letter pending.

Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 9 National Guard, type 3 teams (6-9 personnel), with a goal of 300 homes per team.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.

#### Items to Note

- Deployed state/local teams and 11 ARC Flint Water Response Teams to the field today.
- Messaging being developed for concerns regarding the Total Dissolved Solids (TDS) meters and citizens' concerns with those meters indicating "lead" in bottled water. Testing of water to be done by DEQ to ensure we have solid messaging.
- DTMB is working to secure space in Flint for FEMA staff.
- Press release went out this afternoon to announce that the US Department of Health and Human Services will lead the federal response in Flint. Capt. Kelenske to meet with Dr. Nicole Lurie, HHS Assistant Secretary for Preparedness and Response (ASPR), on Thursday. The goal of the federal response will be to help state and local leaders identify the size and scope of the problem, and work with them to make and execute a plan for mitigation of the short- and long-term health effects of lead exposure.
- Additional NG personnel being requested to assist with Warehouse inventories.
- NG personnel on the ground with the WRTs tomorrow with 100 more transitioning in.
- Released updated JIC map at 1800 displaying updated field team activity and integrating historic paper records that have been entered into the tracking system for field team activity.
- LG is going to be in Flint working at one of the PODs on Wednesday.
- Information reported to the JIC:

○ As of 1/19/16 as of 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. 22,129 homes visited by the FWRTs to date.
2. Distributed: Includes outstanding data from yesterday - PODs after 5 pm, ARC worksheets and local EOC hotshots.
  - a. Number of cases of water 77,794
  - b. Filters 69,730
  - c. Filter cartridges 184,457
  - d. Test kits 16,671
3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 95,760 (additional 16,056 donated)
  - b. Filters 115,700
  - c. Filter cartridges 243,200
  - d. Test kits 61,161
5. Teams going out tomorrow:
  - a. National Guard ; type 3 teams---Goal tomorrow 300 homes per team
  - b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

##### Operations:

- Attended public health group meeting with GCHD, City of Flint Water Department and MDEQ to discuss water test information being returned to residents, to allow residents a greater understanding of results.
- Attended recycling/trash management group meeting with DEQ, Republic Services, Keep Genesee County Beautiful and Genesee County Planning Commission. Provided projections on current and anticipated bottle distributions.
- Coordinated deliveries of supplies to faith-based organizations, apartment complexes and homebound residents

- Coordinated with Comcast to set up locations for distribution of filters (distributed 60 filters on 01/19/2016).

Chris

---

## INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

### Update 1/18/16 – 14<sup>th</sup> Day (13<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

#### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs) and PODs
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work to bring FEMA IMAT personnel up to date following the Presidential Emergency declaration.
- Complete appeal for Presidential Major Disaster Declaration denial.

#### Attached Documents:

- SitRep 13
- Side by side comparison of homes with filters January 13<sup>th</sup> compared to January 18<sup>th</sup>. This should be hitting the media tonight. This took longer to create than I wanted but is the image I have wanted to show progress of getting filters in to the field.

#### Status on Governor’s request letter to the President:

- Appeal in process.

#### Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 5-6 state/local agency, type 3 teams (6-9 personnel), with a goal of 300 homes per team.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
  - NG will be bringing in personnel to prep for surge.

#### Items to Note

- Beginning tomorrow the operational periods will be 7 days long.
- The CDC/ATSDR (Agency for Toxic Substances Disease Registry) has deployed a team to Michigan.
- An Arabic version of the palm card was reviewed and approved. This was developed via Arab American and Chaldean Council.
- Deployed 12 state/local teams and 10 ARC Flint Water Response Teams to the field today.
- DTMB is working to secure space in Flint for FEMA staff.
- Cost analysis to investigate if it would be more cost effective for FEMA to purchase water vs the SOM.
- ARC news release concerning the Volunteer Reception Center (VRC) sent out today.
- Media availability conducted today at 3pm at the VRC.
- Since 1/14/16 Michigan 2-1-1 has received three direct reports of bottled water testing positive for lead. DHHS SEOC Desk and DEQ SEOC Desk was able to contact two of the callers. The Zero Water filter (pitcher) has a handheld test device so people know when to change the filter. This TDS Meter measures dissolved solids (it is not a lead test). This was explained and we are going to work on messaging to ensure this does not cause issues. Dissolved solids are in all water. The water from the callers is going to be tested and a case of water from one of the companies will also be sent to DEQ for testing. Brands are Spartan Spring Water and Canned Water for Kids. The filter company is also going to work on messaging and work with us on this matter.
- Information reported to the JIC:

- As of 1/17/16 as of 5 pm (start date was Tuesday, 1/12/16)

1. 21,393 homes visited by the FWRTs to date.
2. Distributed:
  - a. Number of cases of water 37,313
  - b. Filters 53,713
  - c. Filter cartridges 169,520
  - d. Test kits 7,379
3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 82,992 (additional 16,056 donated)
  - b. Filters 115,700
  - c. Filter cartridges 243,200
  - d. Test kits 61,161
5. Teams going out tomorrow:
  - a. State type 3 teams---Goal tomorrow 300 homes per team
  - b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

##### Operations:

- Continuing to work with faith based organization to distribute resources.
- Working with colleges to obtain volunteers for canvassing.

Chris

---

#### Update 1/17/16 – 13<sup>th</sup> Day (12<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs), PODs
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work to bring FEMA IMAT personnel up to date following the Presidential Emergency declaration.

##### Attached Documents:

- SitRep 12

##### Status on Governor's request letter to the President:

- Emergency declaration received.
  - Limited to direct assistance so we will need to ask for the Individual Housing Program but that is something I will work on with FEMA.
- Major disaster declaration denied. The appeal is being developed with a draft to Paul Smith by later afternoon 1/18/16.

Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have state agency, type 3 teams ), with a goal of 300 homes per team.
  - We will have 12 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.

Items to Note

- Deployed state/local teams and 10 ARC Flint Water Response Teams to the field today.
  - 4,963 homes visited today.

01/16/16

e

01/17/16

- Information reported to the JIC:
  - As of 1/17/16 as of 7pm (start date was Tuesday, 1/12/16)
- 1. 16,353 homes visited by the FWRTs to date. We believe we have ~24,000 homes with filters; still trying to validate. This is from the data we received from prior to the SEOC activation (trying to validate the data) plus the PODs and door to door operations since activation.
- 2. Distributed:
  - a. Number of cases of water 27,195
  - b. Filters 50,432
  - c. Filter cartridges 168,605
  - d. Test kits 4,861
- 3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)

4. Resources purchased:
  - a. Cases of water 57,456 (additional 12,884 donated)
  - b. Filters 108,520
  - c. Filter cartridges 239,081
  - d. Test kits 28,901
5. Teams going out tomorrow:
  - a. State ) type 3 teams---Goal tomorrow 300 homes per team
  - b. 12 ARC (2-4 folks) type 5 teams---Goal tomorrow 100 homes per team

#### Local EOC

#### Operations:

- Facilitated activation of the Genesee County/Genesee Health System MOU for mental health services.
- Coordinated supplies for distribution to students at the U of M Flint campus.
- Still concerned about people going to every fire station and collecting water/filters.
- Coordinated trash pickup at Fire Station PODs with the City Liaison officer.
- Coordinated hotshot deliveries of supplies to home bound population.

Chris

---

#### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

#### Update 1/16/16 – 12<sup>th</sup> Day (11<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

#### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work with FEMA personnel to prepare for engagement following the Presidential Emergency declaration

#### Attached Documents:

- SitRep 11

#### Status on Governor’s request letter to the President:

- Emergency declaration received. Federal Coordinating Officer (FCO) is David Samaneigo (Sam) who has been my LNO from FEMA. We began discussions on a transition to FEMA support last night. His team is headed to MI at this time and we will have our first coordination meeting on Sunday.
- The request for a Declaration of a Major Disaster was denied. FEMA advised this event does not fit the legal definition of a major disaster (natural incident or fire, flood, or explosion). This information has been provided since prior to the event to elected officials in Flint and the legislature. We are reviewing the chances for an appeal and I have already discussed this with the FCO.

#### Key items for tomorrow to note:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have state agency, type 3 teams , with a goal of 300 homes per team.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
- I will be back on duty Sunday.

- We have been working with some of the churches. Contact was made with 14 churches for Sunday distributions. Interaction with the pastors has been very positive.
- A logistics briefing will be provided to see how many more teams we can put in the field.

#### Items to Note

- LT Gov visited the local EOC today; discussed local EOC operations.
  - Deployed 11 state teams and 10 ARC Flint Water Response Teams to the field today.
  - DEQ sampling kits are now being received at the PODs.
  - DEQ sampled two Head Start facilities and worked with GIS to obtain future sample sites.
  - The Freeman School pilot was delayed due to some parts not arriving as scheduled. Testing was to be done Sunday but may not occur until Monday.
  - NG will have a total of personnel in the PODs for distribution. Mission has not changed.
    - NG soldiers have been in the PODs. more processing in tomorrow with start date of 1/18 in the PODs. The TAG and I will be discussing future use of NG personnel door to door next week.
  - Information reported to the JIC:
    - As of 1/16/16 7pm (start date was Tuesday, 1/12/16)
1. 11,324 homes visited by the FWRTs to date. We believe we have ~24,000 homes with filters; still trying to validate. This is from the data we received prior to the SEOC activation plus the PODs and door to door operations since activation. 3,850 homes were visited today (4,000 was the goal).
  2. Distributed:
    - a. Number of cases of water 20,876
    - b. Filters 47,935
    - c. Filter cartridges 167,401
    - d. Test kits 3,322
  3. Total number of customers on the Flint water system
    - a. 29,944 paying customers
    - b. 45,000 hookups (This is our high end target #)
    - c. 39,000 includes apartment complexes (The is the low end target #)
  4. Resources purchased:
    - a. Cases of water 57,456 (additional 12,884 donated)
    - b. Filters 108,520
    - c. Filter cartridges 239,081
    - d. Test kits 28,901
  5. Teams going out tomorrow:
    - a. State ) type 3 teams---Goal tomorrow 300 homes per team
    - b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

##### Operations:

- Provided direction to Operations and Logistics Section to initiate water sample collection at PODs.
- Lt. Roach worked with faith based organizations today reference water and filter distribution. Additional churches were supplied with water, filters and test kits.
- Still concerned about people going to every fire station and collecting water/filters.
- Station #6 (POD) has associated safety concerns due to proximity of street and lack of suitable parking. We are working to resolve.

Chris

**Subject:** SEOC Update 1/15/16 - Flint Water - Limited Distribution

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

**Update 1/15/16 – 11<sup>th</sup> Day (10<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

**Mission focus for the day:**

- Receive, store and increase quantities of supplies
- Pilot the logistics plan and adjust as needed
- Continue with door to door/Flint Water Response Teams (FWRTs)
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work with FEMA personnel to ensure we get a Presidential Declaration of a Major Disaster and Emergency

**Attached Documents:**

- SitRep 10

**Status on Governor's request letter to the President:**

- All documents for the presidential request have been submitted to FEMA. Numerous calls and meetings took place between me and FEMA today.
- When we get the declaration(s) ... I will set up a legislative/congressional call to explain and provide bullet points as to what programs we will receive. The Federal Coordinating Officer assigned will also be with me to answer questions. This has helped in the past.

**Key items for tomorrow to note are:**

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have state agency, type 3 teams ' ', with a goal of 300 homes per team.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
  - A pilot team was used to test our logistics plan today and with 60% strength they had 160% output (830 homes).
- I will be off tomorrow but available by cell. Tony Katarsky will be SEOC State Director. I will be back in on Sunday.

**Items to Note**

- LT Gov visited the local EOC and SEOC today. He was able to hear our final briefing for the day.
- Held a short session managing stress with SEOC staff. Two handouts were put in MICIMS for all state and local personnel to view.
- Deployed 10 state teams and 5 ARC Flint Water Response Teams to the field today.
- Standing requirements were created for the JIC so we can get information to the media every day. Below are the current ones we have in place and we should have something out tonight according to the JIC.
  - As of 1/15/16 as of 7pm (start date was Tuesday, 1/12/16)

1. 7474 homes visited by the FWRTs. We believe we have ~24,000 homes with filters but are trying to validate that information. This is from the data we received from prior to the SEOC activation plus the PODs and door to door operations since activation.
2. Distributed:
  - a. Number of cases of water 18,576
  - b. Filters 45,916
  - c. Filter cartridges 165,382
  - d. Test kits 3,217
3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 44,688 (additional 12,884 donated)
  - b. Filters 78,520
  - c. Filter cartridges 163,081
  - d. Test kits 18,761
5. Teams going out tomorrow:
  - a. 10 State (6-9 folks) type 3 teams---Goal tomorrow 300 homes per team
  - b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

##### Home Deliveries:

- Still receiving lists from the Valley Area Agency on Aging (VAAA) on home deliveries and forwarding these to the Sheriff's office. They are going through a lot of homes. 120 out of 125 homes were completed yesterday.

##### Operations:

- We sent staff to visit Fire Station 6 and the warehouse today. Fire station 6 traffic was congested and that was during a "slow" time. The National Guard is identifying what is needed to alleviate this. MSP is working on providing uniform presence as needed. An additional iPad at each location will hopefully help relieve the amount of time that people are spending at the distribution sites.
- Lt. Roach worked with faith based organizations today reference water and filter distribution. Additional requests from churches were made and I approved the locations so they could be ready for Sunday. Lt. Roach was told by one of the pastors that he met with the Gov today and expressed how much he appreciated the efforts put forth. We should have 14 for this Sunday. We are working on how we can increase this output.
- Still concerned about people going to every fire station and collecting water/filters. NG personnel observed vehicles with several cases of water an overheard saying they were heading to the next station. Some people were helping themselves and taking more than one case at a time. Per the NG they cannot physically stop people from doing so. The NG is going to try to change staging in the fire stations to try to prevent this.
- Flint PD is going to check in every day with the EOC and provide a specific contact person. They are also going to help with traffic issues at the PODS. Will ask Flint PD to provide a presence when water is off loaded at a POD to help prevent people from "helping themselves."

Chris

## INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

### Update 1/14/16 – 10<sup>th</sup> Day (9<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Prepare/approve logistics plan and finalize lease on warehouse space/begin to move supplies from GCCARD to new warehouse
- Continue with door to door teams and finalize planning for future team use
- Submit request for a Presidential Declaration of a Major Disaster and Emergency
- Continue to work on long term recovery items (DHHS, DEQ, MDARD)

#### Attached Documents:

- SitRep 9

#### Status on Governor's request letter to the President:

- All documents for the presidential request have been submitted to FEMA. I had a lengthy conversation with the FEMA Region V Administrator reference the request prior to sending.

#### Key items for tomorrow to note are:

- The door to door teams will continue in the morning.
- We will continue to ramp up door to door operations with additional teams. Teams continue to focus on the high lead level areas and additional data is being analyzed to focus mission areas.
- ARC will increase the number of their Water Response Teams.
- Supply burn rates as well as projections on how many teams will be needed to put filters in all homes within 3 and 5 days will be completed. Analysis will be done to see if NG personnel may be needed to finish in quicker manner.

#### Items to Note

- DEQ was notified of the number of homes who are willing to have them take additional samples in the future (current number (114). This question was added to the App being used by the Water Response Teams. Data will be provided when needed.
- LT Gov is scheduled to be at the local EOC and SEOC (~4:30) tomorrow to see the operations.
- Secured 80,000 sq. ft. of a warehouse today. Working to consolidate all resources in one location. Tomorrow will be the first day of full implementation of our logistics plan.
- Email sent to state employees to request volunteers for weekend.
- Media monitoring showed no incorrect information today.
- Michigan Association of Broadcasters is sending PSA to radio stations.
- Coordinating with Red Cross on volunteers for weekend.
- Deployed 8 Water Response Teams to the field today (approx. 120 volunteers). 78 Red Cross volunteers active across the operation today.
- National Guard is ramping up to have soldiers per shift at each POD tomorrow. Will also have a Public Affairs Officer at the JIC and liaison at the local EOC.
- Senator Ananich visited the SEOC today to see how things operate. The visit went well and he seemed happy with the number of staff working the Flint event. He tweeted out a message indicating there is still a lot of work to be done but all are working hard.
- DHHS
  - The Community Health Emergency Coordination Center (CHECC) is working on the following:
    - A nutrition plan
    - Education materials, messaging, and working with local agencies
    - Developing a community assessment for disaster behavioral health services.
- Lined up the delivery of filters to two large apartment complexes and a student housing complex.

- We have the list of individuals needing home service (additional contacts will be sent to the Ops Chief at the Local EOC each day at 4:00). Info will be provided to the sheriff's office for action.
- Water Response Team Numbers (this is not the total of homes with filters – I will provide that number tomorrow but it appears we have filters in over half the residences):

	TOTAL	1/12/2016	1/13/2016	1/14/2016
Occupied Homes	1450	242	492	716
Vacant Homes	1967	152	161	1654
Total Homes	3417	394	653	2370
Resources				
Door Hangars	1487	217	453	817
Water	588	117	254	217
Filters	945	112	220	613
Pitchers	22	3	13	6
Water test kits	217	48	109	60
Replacement Filter	482		137	345
Total Resources Dispersed	3741			
Future sample test site	114	28	34	52

Chris

---

#### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

#### Update 1/13/16 – 9<sup>th</sup> Day (8<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Prepare/approve logistics plan and close lease on warehouse space
- Continue with door to door teams and finalize planning for second wave increase (+15 teams – total for 1/14/16 will be 20)
- Continue to work on Governor's Declaration of an Emergency

##### Attached Documents:

- SitRep 8

##### Status on Governor's request letter to the President:

- All support data from state Agencies and local jurisdictions collected as of 6:00 pm on 01-13-16
- Current timeline:
  - First draft completed and ready for review by State Department Directors (including the Attorney General) by 11:00 am on 01-14-16
  - State agency reviews due back by 1:00 pm on 01-14-16 for revision of the draft
  - Revised draft to Captain Kelenske by 2:00 pm on 01-14-16 for review and forwarding to the Governor for final review
  - Final draft (based on Governor's review) submitted to FEMA Region V Administrator by no later than cob 01-14-16 but hopefully sooner. FEMA is aware and ready to receive.

Requests and potential response from FEMA/President

- The letter will request all programs eligible under the Stafford Act including Public Assistance, Individual Assistance, Hazard Mitigation, FEMA's coordination of assistance from other Federal agencies and direct assistance from FEMA
- The letter will also request potential direct reimbursement from other Federal agencies such as EPA, CDC, HUD, DHHS and SBA
- This request is in coordination with the request for Non-Stafford Act federal assistance already requested and received by the State (technical assistance and administration, but no direct reimbursement of disaster costs)
- Direct Federal assistance from FEMA in the form of Individual Assistance to homeowners for household repairs (repair and/or replacement of water service lines and Other Needs Assistance to reimburse for water filters, bottled water, etc.) is a possibility
- Direct Federal assistance from FEMA in the form of Public Assistance is not as likely as it is mostly replacement of publicly owned water distribution lines (and not the direct result of damage from a natural cause)
- If Stafford Act assistance is denied (Public Assistance, Individual Assistance and Hazard Mitigation) FEMA could still provide coordination of assistance from other Federal agencies if the President declares a disaster (or emergency) for the State of Michigan

Key items for tomorrow to note are:

- The door to door teams will continue at 9 a.m. – 5 p.m. Thursday morning and continue through the weekend.
- We will continue to ramp up door to door operations with additional teams. Teams are focusing on the high lead level areas and additional data is being analyzed to focus mission areas.
- MNG will have a press event at the armory with incoming soldiers and MG Vadhais.

Items to Note

- Received information that Rev. Jesse Jackson will be in town 1/17/16 at 1:30 at the Heavenly Host Church of the Harvest of Dartmouth St, Flint.
- Managed and corrected misinformation on NG role.
- Senator Ananich is stopping by the SEOC tomorrow morning 0845. I am meeting with him and his Chief of Staff. Short visit as he has a 0930 at the Capitol.
- Working with Comcast so they can put teams in the field for distribution.
- Penske is going to give us 15-20 trucks over the weekend.
- Contact made with Two Men and a Truck for resources.
- Meeting set with Google where they will brief me and key staff potential tasks.
- Coordinated with Flint Mass Transportation Authority (MTA) to include Fire Station PODs on bus routes.
- Tomorrow I will have a projection as to the number of teams needed to get all citizens filters in their homes in 5 days / 3 days.
- We are standardizing team structure and supply deployment to increase efficiencies. Mission Ready Package (MRP) specifications will be sent out for other entities to assist with door to door. They will then be able to arrive as a MRP get supplies, receive a mission location and deploy.
- 5 Water Response Teams were in the field again today. Below are the numbers from the 2 days of just the Water Response Teams (there are paper copies with data still to be entered from the PODs). I was just briefed by the ARC logistics planner and there are efficiencies we can put in place to increase homes touched per day. The next version of the app will provide more granular details. Additional 30 tablets were configured by DTMB today for field implementation to include use in the PODs.

	Total	1/12/2016	1/13/2016
Occupied Homes	533	242	291
Vacant Homes	238	152	86
<b>Total Homes</b>	<b>771</b>	<b>394</b>	<b>377</b>
<b>Resources</b>			
Door Hangars	473	217	256

Water	265	117	148
Filters	235	112	123
Pitchers	9	3	6
Water test kits	92	48	44
Replacement Filter	93		93
<b>Total Resources Dispersed</b>	<b>1167</b>		
Future sample test site	62	28	34

- We show 17,276 residences with filters (this does not include data entry to be completed from POD or other locations).
  - We have 35,378 service hookups but with apartments, multi residence dwellings, etc we would be around 45,000.
- Logistics Support
  - The American Red Cross Logistics Planner provided me a brief and I approved the plan forward. The current plan includes:
    - Mission – A filter in every home ASAP.
    - 4 Distribution Methods
      - PODs (5)
      - Water Response Teams (20 effective tomorrow and this will increase)
      - Local EOC “Hot Shots” (these are calls for functional needs, unable to get to a POD location due to ??, etc). Personnel dispatched with supplies.
      - Local EOC support for other local requests (Faith based for distribution, etc.)
    - Three warehouse locations at this time
    - How to better leverage ARC resources
- Supplies – Daily Numbers
  - Replacement Cartridges - 30,700 delivered.
  - Water (cases) - 19,152 cases delivered
- Budget projection completed and will be submitted to SBO for review.
- Notes from Water Response Team Command (MSP)
  - Very good synergy between Flint Post troopers and Genesee County Sheriff command and deputies in effective and efficient deployments for distribution efforts.
  - Great attitude and efforts by uniforms and volunteers to make important contributions to the City of Flint on water response team deployments.
  - Clear direction and coordination in the field of supply teams by lieutenants and troopers. No confusion. Clearly defined roles.

**All personnel continue to be fully committed to fixing this as quickly as possible.**

Chris

---

#### **Update 1/12/16 – 8<sup>th</sup> Day (7<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

I apologize in advance for the length of this report. With the supply issues we had the last couple of days I wanted to share our inventory plus what we anticipate to ensure we do not have supply issues.

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Fine-tune logistics
- Increase and deploy door to door teams (4 state teams added to teams from the Sheriff's Department)
- Increase collaboration and messaging of collaboration with local agencies (specifically the Sheriff's Department)

#### Attached Documents:

- SitRep 7
- Executive Order Activating the National Guard

#### Key items for tomorrow to note are:

- The Governor signed an Executive Order activating the National Guard. Mission will be to relieve ARC volunteers at the PODs (Fire Stations) which will free up the ARC volunteers for door to door activities.
  - I have briefed the ARC Disaster Officer on this plan.
- The Governor requested, through FEMA Region V, support from the Federal Emergency Management Agency (FEMA) to bring together and identify other federal agencies that may have programs and funding that could be dedicated to assisting Flint as part of an interagency recovery plan. One of the existing LNOs has been identified as the POC for this. He will be a great liaison for the FWIACC.
- The door to door teams will continue at 0830 Wednesday morning and continue through the weekend and ramp up door to door operations with additional teams. Teams are focusing on the high lead level areas.
- We will look at all commodities and see where we are and where we need to be while working with the ARC logistics specialist.

#### Items to Note

- PSA video sent out to Flint citizens on resources available.
- Water
  - Today's numbers - 7,824 cases of water arrived today, 1/12/16 (109 pallets)
  - Ordered:
    - 19,152 cases of water are going to arrive Wednesday, 1/13/16 (266 pallets)
      - 1/3 is going to GCCARD and the rest is going to the new warehouse
    - 12,768 cases to arrive daily beginning Thursday through Saturday (177 pallets a day)
- Filters
  - Today's numbers
    - Ordered on 1/11/16 and delivered 1/12/16 direct to GCCARD
      - 2,000 – Brita filter faucet mounts
    - Filter Replacements
      - 2,400 – Brita filter replacements (single pack)
      - 8,000 – Brita filter replacements (two pack)
  - Ordered on 1/12/16 to arrive Wednesday
    - Faucet Mounts – To be delivered direct to GCCARD on 1/13/16 (Wednesday)
      - 10,000 – PUR Vertical faucet mount
      - 2,500 – PUR Horizontal mount
    - Replacement Filters – To be delivered direct to GCCARD on 1/13/16 (Wednesday)
      - 10,000 – PUR replacement filters (3 pack)
      - 10,000 – PUR replacement filters (single pack)
    - PUR Combination Pack – to be delivered to GCCARD on 1/13/16 (Wednesday)
      - 10,700 – PUR combo packs
- To arrive Thursday
  - Zero Water Pitcher (8 Cup) – Delivering direct to GCCARD on 1/14/16 (Thursday)

- 1,300 – Zero Water pitchers
- Faucet Mounts – Delivering direct to GCCARD on 1/14/16 (Thursday)
  - 11,000 – PUR vertical faucet mount
  - 1,500 – PUR Horizontal faucet mount
  - 5,000 – Brita faucet mount
  - 10,000 – Brita adv faucet mount white
  - 12,000 – Brita adv faucet mount chrome
- Replacement Filters – Delivering direct to GCCARD on 1/14/16 (Thursday)
  - 117,600 – PUR replacement filter
- Test Kits
  - 6601 unassembled kits arrived at GCCARD today, 1/12/16.
  - 500 have been assembled and are ready for distribution
  - 1000 additional unassembled kits have been ordered to be delivered at GCCARD (no ETA yet)
  - 10,142 unassembled kits to arrive at GCCARD early next week
- Second warehouse – Located in Flint
  - 100, 000 square feet of secure warehouse obtained.
  - Accepting commodities beginning Wednesday, January 13
- Logistics Support
  - The American Red Cross Logistics Planner arrived from DC today as requested. I outlined what her mission was and how I saw the progression forward. This logistics planner will assist in streamlining the inventory and distribution process now and into the future.
- Door to Door Numbers
  - Today the app implementation for the field went extremely well. There were a few issues that were quickly addressed. One related to how form fields should be filled out. Another was getting styluses for teams so that they don't have to remove their gloves in the cold. All very simple to fixes.
  - We are working on version 2.0 so this can be used at the PODs
  - We should be able to greatly optimize distribution in the near future as we mapped the active water subscribers from Flint's DPW and are adding them to the field team members apps. Of the ~56,000 possible addresses, this reduces the number of possible homes to visit down to ~29,000.
  - Notes from the field commander:
    - "Today we started out the day using two groups that consisted of approximately 10 people in each group. We eventually combine groups with Genesee County Sheriff's group and they brought two more groups with approx. 10 people (Local UAW) in each group. This made us a lot more efficient and we were able to set up a game plan. Tomorrow I feel we will be more efficient and we will have a better plan in place to get the maximum output out of our resources."
  - In the end, there were 394 total home visits with the following breakdowns:
    - 217 Door Hangers
    - 152 Vacant Homes
    - 117 Water Distributions
    - 112 Filters
    - 3 Pitchers
    - 48 Water Test Kits
- 211
  - CALL VOLUME:
    - 185 calls for water-related issues had been received as of 4:45 pm.

- Logistics made contact with Comcast and will be supplying them with filters and replacement cartridges for their deliveries in their work trucks as they make services calls. They will follow our procedures for reporting (our checklist).

Chris

---

### Update 1/11/16

The focus today was the media event and getting the supplies and logistics on track. Most of the activity today was working on logistics for the water and other supplies.

### Attached Documents:

- SitRep 6

### Key items for tomorrow to note are:

- The door to door teams will start at 0830 Tuesday morning. It is reported that troopers are going to the door but DHHS employees are the lead with a troop car nearby.
  - State and local GIS created an App today for the teams to use tomorrow but I see potential use at distribution sites.
  - The App data will be used for our maps as we survey the public/distribute supplies and we will be getting real time metrics through the site from the field send back to the SEOC. We are using Android tablets tomorrow but in the future can use any mobile device for this.

### Items to Note

- It was reported that only one POD (Station 5) was out of water longer than 30-45 minutes. This site was ~2 hours without water and part of that was the truck went to the wrong station. Trucks were sent as soon as the local EOC was notified.
- We also did not receive a DHHS shipment that was to come in which caused some filter delivery issues.
- Supplies are limited at this time; however, we are getting our shipments starting at 0630 tomorrow.
- We have Home Depot giving us 12,768 cases (this was a late development so the SitRep indicates half the amount) of water every day starting tomorrow. We are still working with other distributors too.
- ARC is flying in a logistics planner tomorrow. Three additional staff will be with her to shadow and help. We are turning warehouse logistics over to ARC logistics. We are moving tomorrow to a process that has a distribution center (GCCARD) and a warehouse that is 100,000 square that will maintain mass quantities. Staff has continually been placing orders for supplies to ensure we get a head of this. The intent is to keep the warehouse full so we do not have these continual issues of supplies.
- Began mapping lead service lines (anticipate having draft of lead service lines Friday).
- Coordinated with local IT managers overseeing filter tracking system to streamline data collection.

### Local Emergency Operations Center

- Working to coordinate resources at the local level to maintain adequate supplies at all PODs.
- Demand has exceeded supplies and supplies are moving rapidly from PODs today. Working to make sure POD managers notify us when they start running low.
- Working to establish a warehouse for local resource storage.
- Established trigger points for resources at PODs and hourly inventory reporting from the PODs.
- Discussed potential long term water sources between local EOC and SEOC.
- Established planning cycle/meeting scheduled for 1/12/16.
- Local EOC EMHSD staff with Natasha Henderson to request deployment of City representative at local EOC.

Chris

---

## Update 1/10/16

### Attached Documents:

- SitRep 5
- Door card (English version but Spanish version will be ready for Tuesday)

I have a local EOC section listed below but state personnel are heavily engaged in management of both locations. We occasionally hit some road bumps with this event but all personnel are working well together to accomplish our goals (especially state agency personnel).

I have had good discussion with FEMA LNOs. Two statements have been developed from our discussions that hopefully helps put this in more context but if it is more confusing I apologize:

1. In the immediate response, the State, in collaboration and coordination with city of Flint and county of Genesee are working to get water, water filters, and testing kits to the affected population. In conjunction, the state will coordinate with federal agencies to ascertain what resources can come to bear to help mitigate the issue.
2. If asked about a federal declaration from FEMA, we need to articulate the definition of major and emergency declaration and state or note to ourselves that it appears to not qualify; however, there may exist opportunities to leverage federal assistance from some agencies (i.e....EPA) under their own authority to help address this issue.
  - We need to really manage expectations on the potential for a federal declaration...not that we will not go after one but it will be difficult to get.
  - A major disaster is defined in the Stafford Act as any ***"nature catastrophe (including hurricane, tornado, storm, high water, winddriven water, tidal wave, tsunami, earthquake, volcanic eruption, landslide, mudslide, snowstorm, or drought) or, regardless of cause any fire, flood, or explosion.....causes damage of sufficient severity and magnitude, to warrant major disaster assistance.....to supplement the efforts and available resources of States, and local government....."***
  - An emergency declaration is ***"is any occasion or instance for which, in determination .....assistance is needed to supplement State and local efforts and capabilities to save lives and protect property and public health and safety or to lessen or avert the threat of a catastrophe....."***
    - This is limited to immediate and short-term assistance (I hate to put times on this but short-term is like 3 weeks), essential to save lives, protect public health and safety and property.
  - Severity of the situation is ***"A finding that the situation is of such severity and magnitude that effective response is beyond the capability the state and affected local governments, and that the state requires supplementary federal emergency assistance to save and to protect property...."***
  - Nature of assistance for Emergency Declaration is for ***"Debris removal, emergency protective measures, direct federal assistance...."***
    - Debris Removal = *self-explanatory and we do not have this*
    - Emergency Protective measures = *water, commodities, transportation (remember ... to supplement what the locals and state are already doing if we need more)*
    - Direct federal assistance= *what specific type of work is requested, and what are the reasons why the state/local government cannot perform or contract for performance. Essentially what is the need that state/local govt cannot provide. I can see this being something we need but we may be able to get this outside a federal declaration under the federal agencies own authority to help address this issue.*

Back to the update...

#### Key items for tomorrow to note are:

- Training is occurring for the door to door teams scheduled for Tuesday morning.
- Deploying an additional MSP District Coordinator to the local EOC for command and control support.
- Deploying two DTMB trucks and two drivers for sustained logistical support for the week.
- Media event with the Governor in Flint.
- New Incident Action Plan starts (1/11 0800 -1/13 0800 operational period). Our objectives are as follows:
  1. Ensure all households within impacted community have required resources.
  2. Ensure accurate tracking and accounting of all commodities.
  3. Improve and maintain public information strategy.
  4. Develop a long term public health and services plan.
  5. Ensure adequate staffing to support operational requirements.
  6. *Identify possible assistance programs.*
  7. Develop an approved GIS strategy.
  8. Maintain coordination between partner agencies and organizations.
  9. Enhance situational awareness and common operating picture of all activities.
  10. Develop a comprehensive Recovery Plan.

#### Items to Note

- All 9 churches had filter systems/replacement filters, information sheets, and water test kits delivered as requested by each pastor/reverend on Sunday. We did not think we could get them water due to the limited time but we did end up getting water to all 9 churches with the other items.
- Fire station resource locations stayed open from 9a to 9p and will continue with those hours until further notice (Staffing is in place until Saturday). ARC is staffing these locations.
- The media event was held at Fire Station No. 1 and report back is that it went well and the spirit of collaboration between local, state, non-governmental partners is strong was relayed.
- The four door to door teams will have the hours of 8:30 a.m. to 5 p.m.
  - Each will have logistics support from DTMB, security from MSP, and contact personnel from DHHS.
  - The door card is attached that will be left if no one is home.
- Worked to identify a storage location within the City of Flint for water and supplies. G-CARD is identified as temporary location but we are moving toward a state run warehouse operation (looking at private sector partners to assist, especially with the warehouse management side).
  - GCCard is large enough, centrally located and comes staffed. GCCard has 75,000 sq ft with warehouse managers to assist with tracking resources coming in and out.
- GIS will provide us daily updates of how much was distributed each day but note we have a delay in data entry from delivery to entry in the GIS system. Over the weekend there was a problem locally with staffing to get this completed. A solution is in place and will be implemented so we get timely data. Distributed to date (as of 1/8/16).
  - 12,386 filters
  - 1,985 replacement filters
  - 354 Pitchers
  - 2500 Lead Testing Kits
- Establishing and tracking of resources is a priority. Staffing has been assigned to get a good handle on these to ensure distribution sites maintain an appropriate level of inventory. I have requested trigger points get put in place so we do not get below certain levels in the main warehouse location.
  - Contacts with some large water distributors have been made and their and our logistics chiefs will connect first thing this week.
  - We have ordered an additional (expedited delivery with ETAs tomorrow)
    - 40,000 Brita Filters
    - 40,000 Brita Replacement Filters
    - 1000 Zero 8-Cup Pitchers
    - 1000 Zero 8-Cup Pitchers
    - 2000 PUR Replacement Filters

- 93 Pallets of water (about 6700 cases)
- GIS continues to produce multiple maps for use.
- JIC Items
  - Requested PSA on the radio. Media has been approved and working with MAB.
  - Requested JIC to contact Comcast and Dish Network for availability for continuous running of filter install/replacement and test kit video.
  - A news release will likely go out tomorrow regarding canvassing in neighborhoods. Continued social media messaging.
    - Tuesday – embed state PIO with one of the canvassing teams to liaison with media.
    - JIC moving tomorrow to Flint.

### Local Emergency Operations Center

I am providing you some information on some issues we ran into at the PODs. This has been addressed with additional state resources and processes put in place so we do not run out of resources. Public concerns/complaints have not been brought to my attention at this time. Staff is working very hard to ensure we do not run out of supplies at the PODs and they understand the consequences. No one in the Local EOC or State EOC is happy the following occurred and I felt you should know in case it is brought up. Again, I believe we have fixed this and I take full responsibility for any supplies not being on site.

### Fire Station Inventory Levels:

#### Station 1:

- Only time without supplies - 15 minutes without water while the truck was unloaded.

#### Station 3:

- Ran out of replacement filters around 7:00, replacement filters delivered around 7:30. Had to pick up replacement filters from Home Depot and deliver.

#### Station 5:

- Ran out of water around 5:00, water was delivered around 6:30. We needed to find additional trucks because DTMB drivers were over hours. The ARC stepped up and found a truck to go and pick up a pallet of water and deliver.
- Somewhere between 4:00-6:00 they ran out of lead test kits. No way to restock these because City facilities were closed and could not reach anyone.

#### Station 6:

- Around 5:00 ran out of water, filters, and replacement kits. Replacement kits were delivered around 7:30. Additional water and filters were delivered after 9:00 due to the DTMB drivers heading back to Lansing. Food Bank was called and had to get drivers in to operate trucks, pick up water from the School District load and deliver to all sites. Delays occurred with weather conditions and needing to use last minute sheriff EOC staff to load due to issues with City workers. City workers were scheduled to help and left around 7:00 without helping.
- 2 pallets of water were dropped off in the afternoon and within 1 hour were gone. This was much faster than we expected. On 1/9 they didn't go through 2 pallets of water at any station for the hours 9:00-4:00.
- We received news that a reverse 9-1-1 call notified residents of water which caused an unanticipated amount of people obtaining water. There was also a report of 1 person walking out with 2 cases of water and trying to sell in the parking lot.

#### Station 8:

- Around 7:00 ran out of filters and lead tests. Filters were delivered around 8:00 from the food bank trucks.
- Hourly reports were requested in the morning from volunteers but this information was not received as to the status throughout the day. Early inventory of supplies took between 1 hour-1.5 hours to receive in the EOC. We were not advised of low counts, just zero numbers.
- Reports received that the last couple of hours were slow.
- Residents were advised of the other sites and the opportunity to obtain supplies.

#### Restocking Plan

- United Way set up meeting with Food Bank to discuss.
- Had EOC meeting on this topic to discuss options.

#### Churches:

- All 9 churches received waters, filters, and informational bulletins.
- Lt Roach received positive feedback from 3 of the pastors.
- No complaints were received.

#### Signage:

- Provided information to SEOC on signage requirements at the fire stations.

#### Storage:

- Researched storage spaces; established temporary site at GCCARD.

#### Personnel:

- Lack of local EOC leadership (seems somewhat checked out) with IC and Deputy IC (doing an okay job).
- Captain TaFoya (Genesee County) helped tremendously today with all the plans outlined above and attended the press conference.
- Tina Martinez at the Food Bank and Matt Purcell at GCCARD were extremely helpful in getting last minute operations set up.

Chris

---

#### Update 1/9/16

SitRep 4 attached for more in depth information. The below only contains some items worked on today and while the format in the attached SitRep is not perfect (it is created automatically by MICIMS) it does contain a lot more information you may want to read. I also attached one of our maps. It is our filter distribution map. All filters handed out by anyone working with us feeds into this now. We are continuing to refine these and at this time there is a delay in the upload of address data but we are working on it. We have a ways to go to get filters in every home but this will help direct us to those who need still them. We also are working on identifying abandoned homes.

#### *Key items for tomorrow to note are:*

- 9 churches will have ARC volunteers and filters for distribution. Some may also get water.
- 5 fire stations are a distribution point for water, filter systems/replacement filters, and water test kits. While only open today until 4 p.m., tomorrow and until further notice they are open from 9a to 9p.
- Media event will take place on the above tomorrow.

#### Items to Note

- 211 has some issues with call load but it is being worked on. 2-1-1 Director contacted MDHHS PIO to discuss/resolve caller wait times and messaging. We anticipate an increase in activity tomorrow in 211 calls so we requested and received an increase to staff 211.
- We are shifting tasks the SEOC took on that are handled more effectively and efficiently at the local EOC. We have established command and control in their EOC. We are running things there but that is not being made public. We are doing this in partnership but we are clearly handling the operation with state personnel oversight.
- A 3rd FEMA LNO arrived today upon my request. This has nothing to do with a Presidential request for a declaration but support for some other items I want worked on for long term recovery.
- We continue morning calls with the local EOC leadership and local emergency manager on what our goals for the day are as well as any issues/concerns.
- Five 5 fire stations have received water, water filters, replacement cartridges, and water testing kits with American Red Cross personnel at each location to assist with delivery of resources and collection of addresses receiving

them. These locations will be open from 9a – 9p daily until determined they are no longer needed. Those picking up water testing kits will be advised that they can return the test kits to the fire departments (where they will be picked up and taken to the Flint City Hall), the Flint Water Treatment Plant, or they can take them directly to the Flint City Hall. For those unable to return the kits, 211 can make arrangements for pick up the kits. We understand response to these sites has been positive thus far. The Genesee County EOC will be monitoring these supplies and request replacement of products as needed.

- A call is going out tomorrow morning to advise this information ... I do not believe it was every resident but Tori Sachs has that info if needed.
- I approved a press release today to advise the public that all levels are working together to ensure delivery of filters, test kits and water; noting that all of these items were delivered to the 5 Flint fire department stations. It was stressed that the public should be aware that the local and state agencies have been working cooperatively to assist the residents - and will continue to do so. This was done to hopefully end or at least minimize the “who can get water and filters out first” when all of this has been connected with the state and coordinated since the state declaration was put in place.
- The arrangement of 2,000 filters, to be taken to 9 local churches on Sunday, January 10, is ongoing. The filters have been secured; they are now in the possession of the DTMB. DTMB will return to Flint on Sunday morning to deliver these to necessary locations. The American Red Cross will be on site at each church to assist with distribution and recording addresses (for GIS). The local EOC is working to ensure these arrangements are complete and run smoothly. Future engagement with the faith based community will occur to assist with additional distribution.
- A Flint City liaison has not been in the EOC but starting Monday this will be in place to keep the Flint Mayor apprised of activities being conducted in the city. She also has been advised she can call me at any time if she needs anything.
- Training has been confirmed for the door-to-door operation scheduled to start Tuesday. Four teams are initially scheduled with more to potentially be put in place. These are the teams that will be handing out water, filter systems/replacement filters, test kits and information. If nobody is home, a door hanger with information is being left. DHHS personnel and one MSP trooper will be on these teams.
  - Training will take place at 1 p.m. on Monday afternoon at the DHHS office on Clio Road. DEQ and DHHS will provide the training.
    - Training is so those going door to door can explain what the filters do, how to install them, if they need install help to call 211 who has a list of people who can install the filters, and answer any other questions versus just handing them the filter.
  - Hours of operation will be Tuesday through Friday from 8:30 a.m. to 5 p.m. AT THIS TIME. I am reevaluating these times to increase contact with someone versus just leaving information.
  - Logistics are being finalized for the teams and trucks to handle stocking and re-stocking of materials during daily operations.
  - GIS maps will provide guidance on deployment locations for these teams and other teams in the field.
- A pilot project at Freeman Elementary with LARA and DEQ has been initiated to see if replacing certain plumbing components in faucets at the school will drop the lead level.

#### MSP/EMHSD GIS Section Updates

##### Accomplished Today (January 9):

- Produced a Point of Distribution Map. Contains four types of distribution points; Churches, Water Resource Sites, Filter Distribution Sites, Water Distribution Sites.
- Produced Filter Distribution Map.
- Developed process of how best to handle geocoding the household filter locations, worked on processing the data.
- Worked on map of franchise customers outside of Flint City.
- Produced maps for MDARD on food establishments and Local Health Departments.
- Produced map of Church Filter Distribution map for DTMB.

#### Local Emergency Operations Center

- The state has deployed 10 personnel to the Genesee County EOC to ensure we have command and control at the local level. On 1/8/15 The state personnel took over the incident management functions of the Genesee County EOC (not public). The arrival of additional staff allowed the local Emergency Management Coordinator to delegate tasks which relieved a tremendous amount of stress.
- Additional Sherriff staff ( ) will be shadowing the state incident management team to allow for transition to the county personnel later in the incident when we are comfortable with them handling things. Not sure when that will be but we have secured a direct bill hotel for staff to stay in Flint as long as needed.
- With the additional staff, the Local EOC will be able to take over functions previously handled by the SEOC including:
  - Logistical activities to support church operations.
  - Logistical activities to support fire stations operations.
  - Coordinate Donations Management activities and draft donations management plan
  - Coordinate Volunteer Management activities
  - Identify local storage/staging facilities
  - Overall inventory tracking
  - Tracking of Points of Distribution (PODs)

Chris

---

INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

Update 1/8/16

SitRep 3 attached.

There is a significant difference in what is being presented by the media and what the local EOC is relaying to us at the SEOC. It is also being driven by the media that this is a state versus local response (who is providing more and quicker versus a coordinated effort between all). That said, I advised SEOC personnel that perception is reality in some eyes and we are to move forward to address items that typically are addressed at the local level. I have ordered the SEOC open all weekend due to make the quick wins that we need and continue to get the coordination and collaboration in place that is needed (but make gains on our own as needed).

#### Items to Note

- Two FEMA LNO’s arrived today and are in the SEOC. A third LNO was requested from FEMA due to some unique issues with this event to include having to deploy more of my staff to the local EOC to get more structure and/or find out why there is an issue with the message the media is showing versus what we are hearing from the local EOC
- We finally received from the local EOC 8 locations (we were told originally early in the week they had 80-90) that are their Points of Distribution (PODs) for water in conjunction with the local food bank. The PODs are not getting water from the food bank even though the food bank has water. We are going to resolve this issue as we can help deliver the water to the PODs but we were not aware of this. 8 PODs is not enough locations if water needs to be distributed to citizens. Speaking with the ARC Regional Administrator later today, I believe ARC got water to those locations but I need to confirm that in the morning. The food bank reported they had 376 cases of water.
- We have learned that a low number of residents are testing their water when DEQ can test 400 kits per day. This is an added focus that we believe can be increased through dissemination of test kits with the filters and any water.
- I found out the Mayor was okay with using fire stations as distribution points for water, filters, and water test kits. While this did not come to me through the local EOC, I advised we needed to get water, filters, and test kits to these locations for tomorrow. The distribution at 5 Flint Fire Department stations has been coordinated to be in place by 10:00 am tomorrow morning.

- DTMB has provided a truck and driver to pick up water test kits from DEQ lab in Lansing, water from the Food Bank and water filters and replacement cartridges from GCARD in Genesee County.
- 10 American Red Cross (ARC) volunteers will meet the DTMB truck at GCARD at 9:00 am to be provided information about filters. Instructions will be included in water test kits. They will then report to the 5 fire stations to assist in distribution of resources to the public and track addresses of same.
- Residents will be told where they can drop off their water test kits, or that they can return them to the fire station the next day. *Coordination will occur on pick up of water test kits daily to be taken to the Flint City Hall, who will then delivery them to the DEQ testing lab.*
- STILL FINALIZING - We have made available 2,000 Filters for distribution on Sunday as parishioners leave mass/services. This will be 200 filters for 10 churches in Flint. While this is a small number of churches, we do not want to waste an opportunity to hand out filters and this seems like a quick way to so. The filters will be put on the DTMB truck on Saturday for delivery to TBD locations for distribution. Logistics remain undetermined as I am still waiting on a list of the churches, pastors/reverends/hours or services/etc. The DTMB truck will be returning to Lansing approximately 11:00 a.m. so we need to finalize this quickly on Saturday. We may utilize ARC to assist with this.
- The Recovery branch is working with the JIC to develop a door hanger card. DTMB is working on the printing portion of the hanger card. Recovery will also be finalizing logistics over the weekend for neighborhood canvassing to occur *early next week. 40 volunteers have signed up to attend training on Monday afternoon to complete this task.* The mission will be to deliver water sample kits along with water filters/replacement cartridges, and water.
- It appears that 211 has become overloaded. DHHS is researching ways to increase capacity for calls.
- A Volunteer Management Coordinator is in the Genesee County EOC as of today.
- A Donations Management Coordinator has been requested and she will be in the Genesee County EOC Saturday.
- DHHS had a conference call with GM today; they indicated they can provide cash, and supplies, but primarily manpower. No commitments were made at this point. We inquired as to availability of warehouse space and trucks. It was left as GM being a major resource pool that we can tap into as we determine missions. Further conversations will occur, but primarily GM just wanted us to know they are there if needed.
- An additional EMHSD staff member was sent to the Genesee County EOC to act as Operations Section Chief and obtain awareness of the situation there.
- GIS staff met with various parts of Genesee County/Flint personnel to try to get a handle on data available.
- GIS continues to work with local GIS personnel with three GIS staff going to Flint today to work with them. GIS staff is working with U of M on how best to proceed with digitizing water lines for long term recovery.

Chris

---

#### UPDATE 1/7/16

A summary of some of today's SEOC activities is provided below. Attached is the following:

- Today's SitRep which contains more information than below.

- The resource request/task assignment sheet for your situational awareness. This is how locals request resources as well as how we track resources and any assignments and/or tasks that are to be completed.
- JIC Task Tracking – for your situational awareness on how we are tracking requests and assignments. Once someone is assigned a task or resource request it allows them to document what work has been or will be done as shown at the bottom of the document.

#### Items to note:

- I received a document this evening from Genesee County which appears to be damage assessment information. Analysis of this will occur tomorrow. It appears to be infrastructure and costs to fix it and no other impacts.
- I spoke with Jamie Curtis, Genesee County Commissioner, this evening. A very good relationship is in place with him, especially with our District Coordinator (DC). I also have our DC working on developing stronger relationships with the Mayor/Mayor's office.
- GIS staff continue to obtain data and work with County and City personnel to get a picture of where resources have been provided, need to be provided, as well as infrastructure locations (pipes) that could be affected.
- Personnel and agencies have been tasked with developing a plan to get people in the community to deliver information, hand out filters, etc. This would target those areas we are showing minimal or no filter distribution based on the data we are collecting. The plan is to get them in the field by Tuesday and the plan will be provided to me tomorrow.
- Filters can be obtained at the following locations:
  - Michigan Department of Health and Human Services office, 125 E. Union St., Flint, MI 48502
  - Michigan Department of Health and Human Services office, 4809 Clio Road, Flint, MI 48504
  - Genesee County Community Action Resource Department office, 2727 Lippincott, Flint, MI 48507
  - Genesee County Community Action Resource Department office, 601 N. Saginaw, Flint, MI 48502
- Conducted briefing with local EOC and county executive.
- Conducted briefing with state agencies (daily updates).
- Began work to schedule legislative/congressional conference calls. Tentatively scheduled for 2 p.m. Friday.
- JIC continued to develop messaging.
- Provided input to local EOC regarding best methods of identifying health and non-structural impacts for damage assessment process.
- Deployed two EMHSD/SEOC liaisons to assist the local EOC.
- Published the Incident Action Plan and continued assignment of objectives/tasks.
- FEMA Liaison Officers just arrived in Lansing to assist command and general staff.
- I spoke with Harvey a few times and he should have talking points later tonight or tomorrow a.m. for his use and also for others who may speak to media outside of state government who may benefit from our messaging.
- We held a media round table at 1 P.M. at the SEOC. Dr. Wells and I spoke and answered questions to numerous media outlets.
- Local agencies and NGOs continue to provide water and filters to citizens.
- The website, [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater), was update with information and links to assistance to include 211. Additional recommendations were provided to include information on the testing water in homes.

#### EMHSD GIS:

##### Accomplished Today:

- Reproduced Socio-Economic Status Map
- Reproduced Predicted Affected Populations Map
- Cleansed old data and reports for water filter distributions
- Created draft map of water filter distributions (Refinement needed before releasing final product)
- Scheduled on-site visit with Flint GIS Department and Genesee County GIS Department
- Formatted databases to host content

- Researched service line database creation and scheduled meeting with U of M Flint to discuss timelines and resource needs
- Generated water infrastructure map (does not include building service lines)

#### Tasks for Tomorrow:

- Meet with Flint City GIS
- Meet with Genesee County GIS
- Meet with U of M Flint GIS
- Finalize water filter distributions map
- Finalize plan for data distribution methods

Chris

---

#### UPDATE 1/6/16

A summary of today's SEOC activities is provided below. I tried to distill this as best I could but there has been a lot of activity and discussion to get an accurate assessment of the situation. Attached is the final draft of objectives and tactics for the operational period and agency situation report (SitRep) which has more SEOC agency information. I have implemented weekly operational periods.

Advise if you want anyone else copied or off this distribution.

#### Daily Update

- Set goals for SEOC and identified response/recovery emphasis
- Requested FEMA liaison officers (LNO) from FEMA Region V. Two LNOs will be on site by ~3 p.m. 1/7/16. Both are known contacts to me and some staff and one has worked extensively with me during the SE MI flooding in a command and control position. These personnel have been specifically tasked with this mission. **THEY ARE NOT HERE TO ASSIST WITH A PRESIDENTIAL DECLARATION REQUEST BUT TO ASSIST ME.**
- PIOs from multiple agencies were here and established the Joint Information Center (JIC). News released pushed out on this. I am very happy with the PIO work and movement toward coordinated messaging.
- Held briefing for State Agency Emergency Management Coordinators, which included presentations from DEQ and DHHS subject matter experts to ensure situational awareness and to develop a common operating picture.
  - I opened the briefing by identifying our initial goals, items to think about while subject matter experts were briefing us, and how we are to move forward, find quick wins, and regain trust.
  - **MDHHS – Elevated Blood Lead Levels**
    - Dr. Elizabeth Wells gave an in depth summary of lead poisoning and what has occurred in terms of health monitoring throughout the Flint crisis.
  - **MDEQ – Water Testing Protocols**
    - Mr. George Krisztian of MDEQ gave an in depth summary of the testing protocols and summary results that as they have developed throughout the emerging crisis.
- Developed Incident objectives, strategy and tactics (see attached)
- Identified SEOC and state agency staff positions
- Assigned work tasks for SEOC operation period from 0800 January 6, 2016 to 1700 January 8, 2016
- Reviewed planned actions, prepared final draft Incident Action Plan
- Made contact with the Genesee County Emergency Manager first thing in the morning and held a conference call mid-day to discuss roles. Daily 0830 command conference calls with local EOC command staff starts tomorrow. Tomorrow's call will include the County Commissioner and the City Administrator (both invited). Topics include the incident action plan objectives and establishing better local coordination,

This information is being shared for situational awareness. I haven't seen any posts to indicate this will be anything other than a peaceful gathering.

Thanks,

Sue

**Attachments:** Wurfel-to-Hollins-Email-Legionnaires\_Published\_2-4-2016.pdf

All:

For your situational awareness. An email has been posted publically purporting to show that Harvey Hollins, a principal advisor to Governor Snyder, was aware of an uptick in Legionnaires disease in Genesee County and that a county health official was attributing the cases directly to the Flint River as the source of drinking water in Flint.

Progress Michigan just posted the information on their web page and to Facebook. I have attached a copy.

Importance: High

OK D-

This is the second issue I mentioned earlier today.

In December, our staff became peripherally aware that the hospitals in Genesee were seeing an uptick in Legionnaires cases.

Legionnaires is a water-borne illness. It essentially is a type of pneumonia caused by a bacteria. It is treated with antibiotics. Untreated, it can be deadly. It most often manifests in nursing homes and assisted living facilities, because the transmission is through water vapor getting into lungs – via air conditioners, vaporizers or low-flow shower heads that produce a lot of misting. You can drink water with this bacteria in it and not get sick – it has to enter the lungs in vapor.

I don't have any details on the cases, but here is what I understand to this point:

- More than 40 cases reported since last April. That's a significant uptick – more than all the cases in the last five years or more combined.
- April / May is usually the start of Legionnaires season – it proliferates in warmer months – but April also is the point at which the city switched to the Flint River as a source.
- County Health Departments are supposed to perform epidemiological tracebacks on all confirmed cases of this disease, to locate the source and address it. Genesee County Health had not done this work as of November. At a January meeting with area hospitals, MDCH, DEQ and others, Nick Lyon reportedly directed the county health folks, in terms not uncertain, to get this done as a priority. As I'm sitting here today, it still is not done to my knowledge.
- My counterparts at MDCH informed me today that they cannot step in unless they are invited or unless the outbreak is multi-county. They've not been invited until, I believe, today. That may be in part because of the email string and letter I've enclosed here, which was unknown to MDCH until I shared it over to them.

The email thread below is best read bottom-to-top, and read prior to reading the enclosed FOIA to the city.

Essentially, Jim Henry with Genesee County Health is putting up the flare. He's made the leap formally in his email that the uptick in cases is directly attributable to the river as a drinking water source – this is beyond irresponsible, given that is his department that has failed to do the necessary traceback work to provide any conclusive evidence of where the outbreak is sourced, and it also flies in the face of the very thing a drinking water system is designed to do.

DEQ did not receive this FOIA, which appears designed to buttress his position in the email -- that sections of the water delivery system may be harboring this bacteria. We think it would be highly unlikely that anything would be found around the plant, where the water is treated. Most often, this bacteria forms at the building / residential point in the system. Legionnaires is NOT among the 90 water contaminants screened in the Safe Drinking Water Act, but in the absence of action by county health, our staff are now considering taking samples from various points in the system and working with DCH's lab to test for it, if for no other reason than to rule it out.

Regardless, the accusation is serious and the nature of the communication leaves me thinking we would be advantaged to bring together all the agencies asap to share what information we have and develop a response / screening strategy before the weather gets warm again.

I realize these are long emails. Thanks for your patience.

**Subject:** FW: Information Request and Documentation  
**Importance:** High

The district received this late Tuesday.

Steve Busch has indicated that the district has not received a meeting request from Jim Henry or the Genesee County Health Department as indicated in his email below.

The FOIA is specifically directed to the City of Flint not the DEQ.

While the change in source may have created water quality conditions that could provide additional organic nutrient source to support legionella growth, there is no evidence or confirmation of legionella coming directly from the Water Treatment Plant or in the community water supply distribution system at this time.

Seems like the next step is to communicate with DCH and possibly develop a joint strategy/response. Not sure who in Exec wants to take the lead on this, Steve Busch and Mike Prysby will continue to be lead for us on this. They have been in contact with DCH recently but only to learn that little progress has been made in identifying a source or sources for the illnesses.

**EMAIL FROM DEQ TO HENRY SENT THIS AFTERNOON:**

Mr. Henry,

The January 27, 2015, FOIA request you provided was directed to the City of Flint, not the DEQ. The DEQ has no record of a FOIA request from your office for such information. It is our understanding that the City has responded to your FOIA request, has helped you adequately redefine your request within the City's scope of public record to address such ambiguities as "any additional areas of concern", and provided you with additional information beyond the scope of your request.

The DEQ fully recognizes the public health threat posed to individuals that contract Legionnaires' Disease with the understanding that the disease is not contracted by ingestion of potable water and therefore not regulated under the federal Safe Drinking Water Act. Your email below claims that you have explicitly explained the situation to our Department. However, since contacting our office early last October to indicate a rise in cases, we have not received any further information regarding your epidemiological investigation into this matter.

Further, conclusions that legionella is coming from the public water system without the presentation of any substantiating evidence from your epidemiologic investigation appears premature and prejudice toward that end.

It is highly unlikely that legionella would be present in treated water coming from the City of Flint water treatment plant given the treatment plant's use of ozone along with complete treatment and chlorine disinfect contact time to comply with federal surface water treatment rules for potable water. Detections of total coliform or heterotrophic bacteria in the City's public water distribution system indicate an environment where bacterial growth may be supported. However, there is no direct correlation that can be made to the presence of legionella. While total organic carbon levels in potable water may serve as a food source for bacteria growth in private plumbing system, water temperatures in the City's distribution system are below legionella growth range, and chlorine residual levels would also limit such growth.

Our office agrees that water main breaks, water leaks, and system repairs are possible vectors for legionella to enter the public water system. These should be investigated as part of your epidemiology. DEQ staff can be made available to assist GCHD and the City regarding such matters, but to date no request by GCHD for any such meeting has been received, let alone declined as alleged in your email.

If GCHD is seeking assistance to complete its epidemiological investigation regarding this matter, such resource requests should be directed to the Michigan Department of Community Health. Our Office agrees that a multi-agency partnership would be beneficial to move forward and develop a unified response. In that respect, if our Office can be of any further assistance you may contact me directly.

Stephen Busch, P.E.  
Lansing and Jackson District Supervisor  
Office of Drinking Water and Municipal Assistance

Subject: Information Request and Documentation

Hello everyone,

The Genesee County Health Department has made several written and verbal requests for specific information since October, 2014, including a Freedom of Information Act Request on January 27, 2015. The information still has not been received and the city's lack of cooperation continues to prevent my office from performing our responsibilities.

The Genesee County Health Department has the responsibility to conduct illness investigations and consider all potential sources, this is not optional. In 2014, Genesee County experienced a significant increase of confirmed Legionella illnesses relative to previous years. Legionella can be a deadly, waterborne disease that typically affects the respiratory system.

The increase of the illnesses closely corresponds with the timeframe of the switch to Flint River water. The majority of the cases reside or have an association with the city. Also, McLaren Hospital identified and mitigated Legionella in their water system. This is rather glaring information and it needs to be looked into now, prior to the warmer summer months when Legionella is at its peak and we are potentially faced with a crisis.

This situation has been explicitly explained to MDEQ and many of the city's officials. I want to make sure, in writing that there are no misunderstandings regarding this significant and urgent public health issue. The Trihalomethane issues "pale in comparison" to the potential public health risks of Legionella.

I am submitting the attached FOIA request again and requesting that the legal obligations of the request are met. If the information is not available, please let me know. In the past, I have requested to meet with the water plant staff and MDEQ regarding Legionella concerns. I did not receive a response from the water plant staff and MDEQ declined. I think it is in the best interest for all stakeholders that we meet and discuss the issues.

Respectfully,

Jim

Jim Henry

RE: Flint Water Plant Information Request

Dear FOIA Coordinator,

Under provisions of the Michigan Freedom of Information Act (MCLA 15.231 et seq; MSA 4.1801 (1) et seq) please provide copies of the following:

Provide specific water testing locations and laboratory results within the City of Flint public water system for Coliform, E-coli, Heterotrophic Bacteria and Trihalomethanes from January 1, 2010 to January 27, 2015. Provide any additional water testing that has been conducted for identifying potential public health risks. Include any available mapping of the water testing areas.

Provide a map delineating the boundaries of the City of Flint water distribution system. Include any changes to the boundaries, along with corresponding dates from January 1, 2014 to January 27, 2015.

Provide a map or list of locations, detailing dead ends, pooling, low pressure and any additional areas of concern within the City of Flint water distribution system. Include any modifications to the water distribution system addressing concerns, along with corresponding dates from January 1, 2014 to January 27, 2015.

If you determine that any of the requested information is exempt from disclosure, please detail what is being withheld and cite the exemption under FOIA. I anticipate the request being filled within five working days of receipt of this letter, as provided under FOIA. Please contact me at (810) 257-3618 if there are fees associated to comply with this request.

Sincerely,

**Jim Henry**

Good Afternoon,

I believe this rally correlates to the Board of Canvassers Meeting being held Monday afternoon in the Capitol.

The Board of Canvassers Meeting is being held at 2 p.m. in Room 426 of the Capitol. Mr. Quincy Murphy, City of Flint Charter Review Commission, is planning on attending this meeting with two versions of recall language to present to the Board. Murphy has invited anyone who is interested to attend this meeting in support of the recall petitions. Murphy appeared at the last Board meeting with recall language that was rejected. *(Note: Murphy has suffered two incidents where an older white male has shot at his home twice in one day. He believes it is connected to his recall initiative. These incidents were reported to the police.)*

Contact was made with the Bureau of Elections and the board meeting location and time was confirmed.

This information is being forwarded for situational awareness.

Thank you,

Sue

Cybersecurity Threat Level 2 – Medium (Yellow)

**(U) EXECUTIVE SUMMARY**

(U//FOUO) The Michigan Intelligence Operations Center (MIOC) and the Michigan Cyber Command Center (MC3) received information warning that the State of Michigan, Governor Snyder, the City of Flint, City of Flint Mayor Weaver, and other private individuals and entities are at an increased risk of cyber-attacks. In addition to doxing, the act of gathering and publishing individuals' personal information without permission, threat actors have attempted to compromise government servers, workstations, and email accounts. The Department of Technology Management & Budget (DTMB), MC3, and MIOC are working together to identify, mitigate, and remediate actions taken against state infrastructure.

February 4, 2016

MI SR-07-2016

(U//FOUO) To help reduce the risk of exposure and targeting by malicious actors, it is suggested the following considerations be implemented:

- Change passwords regularly (use a passphrase with 15 characters or more)
- Be wary of suspicious phone calls or emails from unknown individuals/organizations
- Be cautious when clicking on links or attachments contained in emails
- Search yourself online so you are aware of what information is publically available
- Set up a Google alert for your name so you are alerted when information has been posted about you online
- Use privacy settings on social media accounts
- Limit personal postings on media sites and consider comments being made
- Do not list law enforcement employment on your social media accounts
- Monitor personal credit and banking activity
- Update hardware and software applications continually

- 02/03/2016
  - A democratic presidential debate between Bernie Sanders and Hillary Clinton is scheduled to take place on March 6, 2016 in Flint. The specific time and location are currently undetermined. Numerous news articles written about the upcoming debate

posted a YouTube video titled "Anonymous Resistance - #OpFlint." This video is similar to the one posted on January 31, 2016, by .t. Additional content stated that cyber attacks would occur against the Department of Human Services if children were removed from their homes due to unpaid water bills. It also called on "crackas, cyber warriors, anarchists, and black blockers" to take action. A copy of the video and transcript are included below.

Greetings dissidents of the world. We are Anonymous. We are the resistance. The Flint Water Crisis has drawn the attention of Anonymous. Anonymous would first like to pay respect to the victims of this deliberate poisoning. We will not rest until the families of the murdered people and lead poisoned children get justice. The victims of unspecified ills and rashes. We will support you and magnify your voice. For Michigan Governor Rick Snyder your failed cost cutting measures has caused the death of the people you have been charged with the responsibility of protecting. The decent and responsible next action from you would be to step down from office. This isn't what you have chosen to do. Instead you are allowing the people of Flint to be further terrorized by the system you set up. You gave the power of Flint's government to an emergency manager.

Darnell Early rejected using Flint River water in 2012 after meeting with the EPA. Yet you overrode his decision. You used the contaminated river water and deteriorated plumbing. You also decided to save another \$100 per day by not adding the critical chemicals to keep from further degrading the aging infrastructure. City and State workers have been provided clean drinking water for quite some time now. Yes, these deaths and lifelong illnesses are squarely on your hands. The people of Flint are still being mailed bills for poisonous water. Further you threaten them with condemnation of their homes, removal of their children and placement of those children in a state agency that you also govern. We will not stand idly by while you murder, poison, and terrorize our brothers and sisters in Flint Michigan.

This is a call to all hacktivists, activists, trolls, protestors, marchers, agents, phishers, crackas, cyber warriors, anarchists, and black blockers. Those who work in this corruption can speak through us Anonymously as well. All people of humanity should know that Michigan has the largest reserve of fresh water on earth. If this can happen in Michigan it can most assuredly happen where you live. We ask that you use your skills, talents, and time to help bring justice to our fallen and injured family in Flint. Cyber attacks are already underway.

In the event that children are taken from their homes because of failure to pay for poisonous water there will be concentrated cyber attacks on Michigan State Department of Human Services, Governor Snyder, any and all government websites, Brian Larkin, Howard Croft, Natasha Henderson, and Dayne Walling, you also have found yourselves targets of Anonymous. Protestors should peacefully occupy the water department, 1101 Saginaw Street, Flint, Michigan.

MI SR-07-2016

Don't let your neighbors pay for poisonous water. Protest at the Governor's mansion, protest the EPA in all states. They are allowing the poisonous water to still flow and further victimization of people who live in and visit Flint. Rick Snyder, you operate outside the law as do your officers and city officials. You have turned your state into a third world. We will do whatever it takes to bring you to justice.

State officials of Michigan and city officials of Flint your days of lawlessness are at an end. Environmental Protection Agency this has been a long time coming. And to all of you who violate the people it is far too late to expect us. We are Anonymous, we are the resistance, united as one, divided by zero, we do not forgive, we do not forget, we stand with your victims. Operation poisoned H2O engaged.

- 01/31/2016

ult posted a YouTube video focusing on the water issues in Flint. In this video the actor states "Cyber attacks are already under way. In the event that children are taken from their home because of failure to pay for poisonous water there will be concentrated cyber attacks on Governor Snyder, government websites, Brian Larkin, Howard Croft, Natesha Henderson, and Dayne Walling." The video urges protesters to peacefully occupy the Flint water department. A full transcript of the video is below.

#### #OpPoisonedH2O

Greetings citizens of the world we are Anonymous. The Flint water crisis has drawn the attention of Anonymous. Anonymous would first like to pay respect to this deliberate poisoning. We will not rest until the families of the murdered people and lead poisoned children get justice. The victims have been specified (garbled). We will support you and magnify your voice.

published a video via the YouTube channel, TruthSec Official, on behalf of the group Anonymous using the hashtag #OpYouDrinkThat. The video stated the following:

Greetings fellow citizens of the United States of America, to all of our supporters and followers, and a special hello to Governor Richard Snyder of Michigan. This is anonymous We've been watching what has been going on in Flint Michigan Gov. Snyder and the fact that nothing is being done by you, Mayor of Michigan Dayne Allen Walling, or any of their staff in an attempt to fix this current state of emergency with the drinking water supply is unacceptable, and needless to say we are not happy.

Until you, Gov. Snyder decide to change this atrocity that you have started we will be doxing not only you but your entire family and the families of all the government workers of Flint. This will involve but is not limited to, Damell F Earley, Howard D Croft, Dayne Allen Walling, and Dr. Edward J Kurtz, just to name a few.

We would like to explain to you that normally we do not involve families in matters like this, but this is a different case entirely. Where as you're going about and poisoning children daily we will have no remorse this time, and will not hold any documents back.

February 4, 2016

MI SR-07-2016

In March 2014, Flint government officials made the decision to switch Flint's water source from the DWDS to the Karegnondi Water Authority. The purpose of the Authority is to provide and distribute raw water to the region which they did using the Flint River as their source. Immediately upon the switch, the residents of Flint noticed a difference in the taste, smell, and color. How did your staff and you not notice the difference?

Did it ever occur to you when General Motors decided to close their doors to Flint's public water source and invest in a private company for their water supply, that this water may not be safe for drinking? After all, if it wasn't good enough to manufacture cars with, how was ingesting it safe or beneficial to one's health?

Ask yourself this Governor. If the water running from your faucet, that your children Jeff, Melissa, and Kelsey use to brush their teeth with, or that your wife Sue bathes in was yellow, polluted, and lead infused, would you be okay with it? The physical appearance of the water itself is off putting. When residents questioned it, they were assured by Flint public officials that the levels of TTHM in the water were safe for human consumption. All false.

Only after Virginia Tech conducted a study on the harmful agents in Flint's river water supply was the truth revealed. In addition to increased levels of TTHM in the water, there was up to three times the levels of lead in Flint water than what is approved for human consumption in the United States. As a first world country, we are living in third world conditions. Our innocent children have had to pay for your uninformed and illegitimate decision to sell poisoned water and play russian roulette with their health.

We need to focus on this immediately. A state of emergency was declared yet nothing was done. The majority of people in Flint, reside in low income neighborhoods. They are being forced to live off of bottled water for cooking, cleaning, showering, and everything else. The children in Flint have already been exposed to lead poisoning. Along with you, the elected city officials are failing to acknowledge the crumbling infrastructure they have created. Someone has to be held accountable, including you Governor. To save a couple pennies in your budget, you sacrificed not only innocent lives but the faith of the community.

You have lost all credibility and will be remembered as a man who traded a basic human right for profit. You poisoned our children knowingly and capitalized on this. Your nonchalant approach and inaction to the apparent genocide you have help create in the city of Flint, has dictated your position in this matter. Governor, it's time you suffer the consequences of your bad decision. You will be made an example of.

On behalf of the entire community, we are demanding your resignation in concurrence with making the switch back to the Detroit Water System. We are demanding clean, free water.

We are Legion. We do not forgive, we do not forget. Expect us, Governor. The world is watching.

- 01/20/2016

MI SR-07-2016

For over a year now the citizens of Flint, Michigan have been subjected to drinking tap water filled with lead and other poisons.

Over 3000 children residing in Flint have been diagnosed with lead poisoning and other contaminated water illnesses.

This issue went unreported by the mainstream media for entirely too long.

A resident of Flint, Michigan and activist by the name of "@C1tyOfFl1nt" has worked for countless hours, weeks, and years to bring awareness to the water crisis in Flint.

And now that OpFlint is in the media and people are aware, we must remind the city officials of Flint that we do not forget and we do not forgive.

The crimes committed by Governor Snyder as well as other city officials will not go unpunished.

The city of Flint deserved to be informed and made aware of the problem with the town drinking water.

The fact that Governor Snyder stayed silent while the children of Flint were poisoned says a lot about his character.

It is safe to assume that children may already be doomed to die due to this. It says a lot about how Snyder and those who answered to him on this matter feel about the citizens of Flint.

It's clear to us that Governor Snyder needs to be reminded that he is a servant for the very same people he has poisoned and made sick. Or perhaps he never forgot. Perhaps corruption is at play here. In that case, he is now going to simply be shown the error of his evil ways.

We feel that there currently exists enough evidence to arrest Governor Snyder for either voluntary or involuntary manslaughter, and that a full scale investigation into the Flint Water crisis and a criminal trial will yield the information that will send Governor Snyder to prison.

We encourage the city of Flint to be vocal and demand that Governor Snyder face criminal charges. Anonymous will stand beside you.

We will amplify your voice where the mainstream media will surely fail you, as it has in the past.

We will also join you in calling bullshit on any spin that the corporate media is prepared to put on this, as they have on other past crises that affect the welfare of the common people in this country—most notably the poor and people of color. Governor Snyder and his cronies have brought pain and suffering, and possible death to the people of Flint.

They have also clearly displayed contempt for the children of Flint. Certainly they have displayed no remorse or guilt.

*But it all stops now.*

Because what Governor Snyder will soon learn is what we do not forgive. We do not forget. The people responsible for this crisis will be held accountable. Every wrong doing will be rectified.

The city of Flint deserved better, governor. Instead they got a murderer.

One again justice will arrive in the form of a pale mask.

We are Legion.

We are the citizens of #OpFlint.

Governor Snyder, did you really not expect us?

## (U) CYBER ATTACKS RELATED TO STATE OF MICHIGAN, CITY OF FLINT, AND OTHERS

Cybersecurity Threat Level 2 – Medium (Yellow)

### (U) EXECUTIVE SUMMARY

(U//FOUO) The Michigan Intelligence Operations Center (MIOC) and the Michigan Cyber Command Center (MC3) received information warning that the State of Michigan, Governor Snyder, the City of Flint, City of Flint Mayor Weaver, and other private individuals and entities are at an increased risk of cyber-attacks. In addition to doxing, the act of gathering and publishing individuals' personal information without permission, threat actors have attempted to compromise government servers, workstations, and email accounts. The Department of Technology Management & Budget (DTMB), MC3, and MIOC are working together to identify, mitigate, and remediate actions taken against state infrastructure.

(U//FOUO) To help reduce the risk of exposure and targeting by malicious actors, it is suggested the following considerations be implemented:

- Change passwords regularly (use a passphrase with 15 characters or more)
- Be wary of suspicious phone calls or emails from unknown individuals/organizations
- Be cautious when clicking on links or attachments contained in emails
- Search yourself online so you are aware of what information is publically available
- Set up a Google alert for your name so you are alerted when information has been posted about you online
- Use privacy settings on social media accounts
- Limit personal postings on media sites and consider comments being made
- Do not list law enforcement employment on your social media accounts
- Monitor personal credit and banking activity
- Update hardware and software applications continually

(U//FOUO) Timeline of events and postings of significance:

- 02/03/2016
  - A democratic presidential debate between Bernie Sanders and Hillary Clinton is scheduled to take place on March 6, 2016 in Flint. The specific time and location are currently undetermined. Numerous news articles written about the upcoming debate

p posted a YouTube video titled "Anonymous Resistance - #OpFlint." This video is similar to the one posted on January 31, 2016, by . Additional content stated that cyber attacks would occur against the Department of Human Services if children were removed from their homes due to unpaid water bills. It also called on "crackas, cyber warriors, anarchists, and black blockers" to take action. A copy of the video and transcript are included below.

Greetings dissidents of the world. We are Anonymous. We are the resistance. The Flint Water Crisis has drawn the attention of Anonymous. Anonymous would first like to pay respect to the victims of this deliberate poisoning. We will not rest until the families of the murdered people and lead poisoned children get justice. The victims of unspecified ills and rashes. We will support you and magnify your voice. For Michigan Governor Rick Snyder your failed cost cutting measures has caused the death of the people you have been charged with the responsibility of protecting. The decent and responsible next action from you would be to step down from office. This isn't what you have chosen to do. Instead you are allowing the people of Flint to be further terrorized by the system you set up. You gave the power of Flint's government to an emergency manager.

Darnell Early rejected using Flint River water in 2012 after meeting with the EPA. Yet you overrode his decision. You used the contaminated river water and deteriorated plumbing. You also decided to save another \$100 per day by not adding the critical chemicals to keep from further degrading the aging infrastructure. City and State workers have been provided clean drinking water for quite some time now. Yes, these deaths and lifelong illnesses are squarely on your hands. The people of Flint are still being mailed bills for poisonous water. Further you threaten them with condemnation of their homes, removal of their children and placement of those children in a state agency that you also govern. We will not stand idly by while you murder, poison, and terrorize our brothers and sisters in Flint Michigan.

This is a call to all hacktivists, activists, trolls, protestors, marchers, agents, phishers, crackas, cyber warriors, anarchists, and black blockers. Those who work in this corruption can speak through us Anonymously as well. All people of humanity should know that Michigan has the largest reserve of fresh water on earth. If this can happen in Michigan it can most assuredly happen where you live. We ask that you use your skills, talents, and time to help bring justice to our fallen and injured family in Flint. Cyber attacks are already underway.

In the event that children are taken from their homes because of failure to pay for poisonous water there will be concentrated cyber attacks on Michigan State Department of Human Services, Governor Snyder, any and all government websites, Brian Larkin, Howard Croft, Natasha Henderson, and Dayne Walling, you also have found yourselves targets of Anonymous. Protestors should peacefully occupy the water department, 1101 Saginaw Street, Flint, Michigan.

February 4, 2016

MI SR-07-2016

Don't let your neighbors pay for poisonous water. Protest at the Governor's mansion, protest the EPA in all states. They are allowing the poisonous water to still flow and further victimization of people who live in and visit Flint. Rick Snyder, you operate outside the law as do your officers and city officials. You have turned your state into a third world. We will do whatever it takes to bring you to justice.

State officials of Michigan and city officials of Flint your days of lawlessness are at an end. Environmental Protection Agency this has been a long time coming. And to all of you who violate the people it is far too late to expect us. We are Anonymous, we are the resistance, united as one, divided by zero, we do not forgive, we do not forget, we stand with your victims. Operation poisoned H2O engaged.

- 01/31/2016

posted a YouTube video focusing on the water issues in Flint. In this video the actor states "Cyber attacks are already under way. In the event that children are taken from their home because of failure to pay for poisonous water there will be concentrated cyber attacks on Governor Snyder, government websites, Brian Larkin, Howard Croft, Natesha Henderson, and Dayne Walling." The video urges protesters to peacefully occupy the Flint water department. A full transcript of the video is below.

#### #OpPoisonedH2O

Greetings citizens of the world we are Anonymous. The Flint water crisis has drawn the attention of Anonymous. Anonymous would first like to pay respect to this deliberate poisoning. We will not rest until the families of the murdered people and lead poisoned children get justice. The victims have been specified (garbled). We will support you and magnify your voice.

- : published a video via the YouTube channel, al, on behalf of the group Anonymous using the hashtag #OpYouDrinkThat. The video stated the following:

Greetings fellow citizens of the United States of America, to all of our supporters and followers, and a special hello to Governor Richard Snyder of Michigan. This is anonymous We've been watching what has been going on in Flint Michigan Gov. Snyder and the fact that nothing is being done by you, Mayor of Michigan Dayne Allen Walling, or any of their staff in an attempt to fix this current state of emergency with the drinking water supply is unacceptable, and needless to say we are not happy.

Until you, Gov. Snyder decide to change this atrociously that you have started we will be doxing not only you but your entire family and the families of all the government workers of Flint. This will involve but is not limited to, Darnell F Earley, Howard D Croft, Dayne Allen Walling, and Dr. Edward J Kurtz, just to name a few.

We would like to explain to you that normally we do not involve families in matters like this, but this is a different case entirely. Where as you're going about and poisoning children daily we will have no remorse this time, and will not hold any documents back.

February 4, 2016

MI SR-07-2016

In March 2014, Flint government officials made the decision to switch Flint's water source from the DWDS to the Karegnondi Water Authority. The purpose of the Authority is to provide and distribute raw water to the region which they did using the Flint River as their source. Immediately upon the switch, the residents of Flint noticed a difference in the taste, smell, and color. How did your staff and you not notice the difference?

Did it ever occur to you when General Motors decided to close their doors to Flint's public water source and invest in a private company for their water supply, that this water may not be safe for drinking? After all, if it wasn't good enough to manufacture cars with, how was ingesting it safe or beneficial to one's health?

Ask yourself this Governor. If the water running from your faucet, that your children Jeff, Melissa, and Kelsey use to brush their teeth with, or that your wife Sue bathes in was yellow, polluted, and lead infused, would you be okay with it? The physical appearance of the water itself is off putting. When residents questioned it, they were assured by Flint public officials that the levels of TTHM in the water were safe for human consumption. All false.

Only after Virginia Tech conducted a study on the harmful agents in Flint's river water supply was the truth revealed. In addition to increased levels of TTHM in the water, there was up to three times the levels of lead in Flint water than what is approved for human consumption in the United States. As a first world country, we are living in third world conditions. Our innocent children have had to pay for your uninformed and illegitimate decision to sell poisoned water and play russian roulette with their health.

We need to focus on this immediately. A state of emergency was declared yet nothing was done. The majority of people in Flint, reside in low income neighborhoods. They are being forced to live off of bottled water for cooking, cleaning, showering, and everything else. The children in Flint have already been exposed to lead poisoning. Along with you, the elected city officials are failing to acknowledge the crumbling infrastructure they have created. Someone has to be held accountable, including you Governor. To save a couple pennies in your budget, you sacrificed not only innocent lives but the faith of the community.

You have lost all credibility and will be remembered as a man who traded a basic human right for profit. You poisoned our children knowingly and capitalized on this. Your nonchalant approach and inaction to the apparent genocide you have help create in the city of Flint, has dictated your position in this matter. Governor, it's time you suffer the consequences of your bad decision. You will be made an example of.

On behalf of the entire community, we are demanding your resignation in concurrence with making the switch back to the Detroit Water System. We are demanding clean, free water.

We are Legion. We do not forgive, we do not forget. Expect us, Governor. The world is watching.

- 01/20/2016

February 4, 2016

MI SR-07-2016

For over a year now the citizens of Flint, Michigan have been subjected to drinking tap water filled with lead and other poisons.

Over 3000 children residing in Flint have been diagnosed with lead poisoning and other contaminated water illnesses.

This issue went unreported by the mainstream media for entirely too long.

A resident of Flint, Michigan and activist by the name of " " has worked for countless hours, weeks, and years to bring awareness to the water crisis in Flint.

And now that OpFlint is in the media and people are aware, we must remind the city officials of Flint that we do not forget and we do not forgive.

The crimes committed by Governor Snyder as well as other city officials will not go unpunished.

The city of Flint deserved to be informed and made aware of the problem with the town drinking water.

The fact that Governor Snyder stayed silent while the children of Flint were poisoned says a lot about his character.

It is safe to assume that children may already be doomed to die due to this. It says a lot about how Snyder and those who answered to him on this matter feel about the citizens of Flint.

It's clear to us that Governor Snyder needs to be reminded that he is a servant for the very same people he has poisoned and made sick. Or perhaps he never forgot. Perhaps corruption is at play here. In that case, he is now going to simply be shown the error of his evil ways.

We feel that there currently exists enough evidence to arrest Governor Snyder for either voluntary or involuntary manslaughter, and that a full scale investigation into the Flint Water crisis and a criminal trial will yield the information that will send Governor Snyder to prison.

We encourage the city of Flint to be vocal and demand that Governor Snyder face criminal charges. Anonymous will stand beside you.

We will amplify your voice where the mainstream media will surely fail you, as it has in the past.

We will also join you in calling bullshit on any spin that the corporate media is prepared to put on this, as they have on other past crises that affect the welfare of the common people in this country—most notably the poor and people of color. Governor Snyder and his cronies have brought pain and suffering, and possible death to the people of Flint.

They have also clearly displayed contempt for the children of Flint. Certainly they have displayed no remorse or guilt.

But it all stops now.

Because what Governor Snyder will soon learn is what we do not forgive. We do not forget. The people responsible for this crisis will be held accountable. Every wrong doing will be rectified.

The city of Flint deserved better, governor. Instead they got a murderer.

One again justice will arrive in the form of a pale mask.

We are Legion.

We are the citizens of #OpFlint.

Governor Snyder, did you really not expect us?

## Sam Riddle paid by Genesee County Drain Commissioner Jeff Wright's office for water pipeline project

[For more on this story, see Flint Journal links page.](#)

**Jeff Wright**

**GENESEE COUNTY, Michigan** — Genesee County Drain Commissioner Jeff Wright hired Detroit political consultant Sam Riddle three years ago as a paid advisor for the county's water pipeline project, officials said today.

The consulting work was done in 2007, at or about the time Wright was asked to cooperate with the FBI in a Detroit public corruption investigation that included Riddle.

Riddle said today that he helped Wright's office as it worked on the plan to create a Genesee County water system that is independent from Detroit's water system — a pet project of Wright's that has been gaining momentum locally.

Riddle was paid about \$1,000 a month for six months as a "facilitator" for the project, helping Wright's office navigate the "ins and outs" of Detroit city government, said John O'Brien, director of the water & waste services division of the drain commissioner's office.

**(UPDATE: County commissioners say they didn't know.)**

Court filings revealed Wednesday that the FBI asked Wright to secretly record a phone call to Riddle in 2007.

Wright issued a short statement today confirming that he had been contacted by the FBI and he agreed to help them.

Wright said he can't comment further on the case because the federal investigation is ongoing.

Court filings indicated Wright was a confidential FBI source known as "Source-3" in the federal bribery probe in which Riddle and his ex-girlfriend, former state representative Mary Waters, are co-defendants.

The court documents were filed by Waters' attorney, Richard Convertino, who claimed there were irregularities in how the government got the wiretaps that eventually led to Waters' indictment in the bribery case.

Riddle said today that he's suspicious of why Wright was approached by the FBI.

"Normally the FBI does not have one serve as an informant unless that individual has what we call on the streets as weight on them," Riddle said. "To that end, all I can say for the record is I don't know what the FBI has on him but my experience leads me to believe they have something."

As for the court filing that claims Wright agreed to record a conversation with Riddle for the investigation, Riddle said it was an unwarranted intrusion on his privacy.

"I don't lose any swag with punks that want to serve as informants," Riddle said. "I just keep rolling on straight ahead."

Wright could not be reached for comment this afternoon on the work Riddle did for the county.

O'Brien said Riddle helped move the water pipeline project along.

"It gave us the ability to move it quicker through just because he knew all the processes to take," he said. "He was teaching us how to cut the tape."

**Flint Water Daily Update**  
**Updated Feb. 4**

### **Current Issues Talking Points**

**State Senate takes up and approves Governor's \$30 million proposal to assist Flint with water bill payments.**

- No family or resident should be required to pay for water that is or was unfit for consumption.
- Yesterday, the Governor announced a plan to request \$30 million to assist the city of Flint with water bill payments. The funding would come in the form of a supplemental from the Fiscal Year 2016 budget.
- The proposal calls for a Consumption and Use Credit the city could use to relieve families of a portion of their water bills from April 2014 through April 2016.
  - A typical Flint resident's billing statement includes charges for water and sewer.
  - Under the plan, the funding would be made available to cover water used for drinking, cooking and bathing which is approximately 65 percent of the water portion of a residents' water and sewer bill.
  - Residents would still be responsible for the remaining balance of the water portion of a bill accounting for water used in ways that do not qualify as consumption.
  - Residents would be responsible for covering all sewer costs.
- The official request was to be part of the Governor's formal budget presentation next week on Feb. 10, the Senate took up the proposal and passed it unanimously today.
- If approved in the House, total supplemental emergency funding for Flint will total \$67.3 million this fiscal year.

### **Legionnaires Disease**

- As the Governor has said repeatedly, he was not briefed on this issue until January 2016. He took action promptly and released the information publicly.
- When Harvey Hollins received the March email, he requested the DEQ look into the concerns, check with its experts, and get the facts. If the concerns were determined to be credible, the director was to bring the issue to the attention of the Governor.
- The issue was not brought to the Governor's attention until January of this year.
- Gov. Snyder has made changes at the department to address these concerns and change the culture to best protect the well-being of Michiganders.

#### **Republican and Democratic Presidential Debates coming to Flint**

- It was confirmed today that both a Republican (Detroit) and Democratic (Flint) Presidential debate will take place in Michigan in early March.
- To date the Federal Government has provided only \$5 million in funding to assist residents in Flint while the State has allocated \$37.3 million in emergency funding to support *Flint families*.
  - The Governor also proposed a plan to dedicate an additional \$30 million as part of his upcoming formal *budget presentation to assist Flint residents with water bill payments*.
- What will help Flint more than a presidential debate is working together to implement concrete solutions that *will aid the city along its road to recovery now and into the future*.
- It is important we draw on all available resources to help meet both the immediate and long-term needs of Flint residents.

### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

#### **Update 2/4/16 – 31<sup>st</sup> Day (30<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

##### **Mission focus for the day:**

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made. Special attention to apartments/multifamily residences.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Submit SBA application.

##### **Status on Governor’s request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### **Attached:**

1. Daily Summary of Data.
2. Sit Rep #30.

##### **Key items for tomorrow to note are:**

- 10 American Red Cross Teams scheduled for Friday, February 5, 2016.
- FWICC and Mission Flint meetings in Flint.

##### **Items to Note**

- 10 ARC Flint Water Response Teams to the field today. Continued priority is the apartment list from 2/2/16.

- Recovery Branch worked with county and postal partners to collect information about home vacancies and resident's with forwarded mail addresses in order to ensure we are contacting all occupied residences in the City of Flint.
- Recovery Branch supported the efforts of MSDHA to provide resources to tenants in their facilities.
- JIC issued a media advisory about federal lead for Flint water crisis Dr. Nicole Lurie to visit EPA's command post.
- MDHHS provided a representative to accompany the MDEQ team to the high lead homes in Flint. The MDHHS representative will encourage individuals to have blood lead testing and answer health questions as necessary.
- GIS is working to develop a field application for MDEQ and MDHHS for field collection of water test data and health data respectively.
- SEOC and MTED are working with Department of Labor to identify grants that may be available to assist with jobs programs (wages, training, overhead, and potentially equipment and leasing resources). DOC looking at prisoner re-entry programs for those returning to Flint area.

#### Unified Coordination Group (UCG):

- Working on improving communication flow between UCG and state partners.
- Attended long term recovery meeting held by state VAL.
  - Discussed MARC model and potential transition plan.

#### Local EOC

- Coordinating rapid response deliveries to homebound residents and special locations.
- Attended meeting with federal, state and local health and environmental agencies to establish process for notification of households with water test results that exceed 150 ppb.
- Attended two long term recovery planning meetings with SEOC staff, VOADs and local agencies (Flint Water Recovery Leadership group).
- Ensuring Community Access Center for the Deaf and Hard of Hearing receives appropriate supplies.
  - Briefed staff on site on filter installation and water sampling process.
- Clarified distribution process at city sites with Flint City Administrator's Office. Coordinating with Fire Department Quartermaster for supplying city sites.
- Addressing various public concerns, including identification of canvassing teams.
- Instituted credentialing verification process for 2-1-1 calls.

Chris

#### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

#### Update 2/3/16 – 30<sup>th</sup> Day (29<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Refocus state agencies on objectives, tasks in the Incident Action Plan and how we get to the end state/shift to longer term recovery.
- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.

- Includes filter replacement strategies.
- Submit SBA application – outstanding item is the certification of availability of financial assistance. Priority item for the a.m. so this can get submitted. Press release has been completed.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. *Nothing more can be done on this.*
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Attached:

1. Daily Summary of Data, full version and abridged (New reporting format – we will ensure we give liters of water and cases in the future)
2. Residential Water Sampling Results Maps – Lead and Copper
3. SitRep 29

#### Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Thursday, February 4, 2016.
- Will continue to target residences from the Apartment List from 2/2/16

#### Items to Note

- Paired down the list of parcels not visited from 2400 to 958. Will continue on 2/4/16 to identify any parcels not visited. Some parcels contain multifamily residences and those types of residences are being reviewed and targeted to ensure coverage.
- MDOC is going to look into their job programs for any prisoners begin release back into the Flint area. This will be in conjunction with any other job programs identified. We are working with MTED on solutions.
- DEQ and DHHS will be going to residences with >150 ppb starting tomorrow. They will be checking residences next to the one with the high lead level to see if this is a single residence issue or a bigger issue affecting the block or line in an area. This will not initially include EPA as they did not seem interested in combining teams but we are working on more collaboration without slowing us down.
- DEQ will have a representative in the UCG starting 2/4/15.
- Discussed with UPS on ways they can assist with Rapid Response Team and filter replacements in the future.
- Additional warehouse will be put in service potentially Saturday. Seventh Day Adventist are potentially going to operate it or help with operations to phase out state agency personnel and make it more community run. The warehouse does include some office space if needed.
- 10 ARC Flint Water Response Teams to the field today.
- Team Priority Visited Today: Apartment List from 2/2/16
- SEOC Logistics worked with MDOC on their assistance with warehouse management and staffing for new warehouse. Reached out to Food Bank on their recommendation and coordination for hours/days of operation of new warehouse.
- SEOC Operations attended a donations management meeting to discuss the need for a consolidated list of donated goods.
- JIC strategized with the U.S. Department of Health and Human Services and Environmental Protection Agency on how to better coordinate public information.

#### Unified Coordination Group (UCG):

- UCG IAP approved today for the operational period 0800 2/2/16 to 0800 2/4/16.
- The Federal Health Coordinating Officer had a meeting today with Economic Development and Housing and Urban Development.
- EMHSD liaison provided information on Michigan EM structure to Command.
- State JIC manager now in the communication loop for the UCG.
- UCG discussed MARCs and potential implementation.

- Capt. Kelenske met with Don Boyce from US DHHS to discuss concerns with Federal HHS and EPA and how we can move forward with better collaboration and coordination. Boyce also met with Governor's Office staff on same. The meeting went well and a solid relationship is in place with Boyce. He is a direct report to Dr. Lurie and will provide her some context on the issues and how we can move forward. He will be a good POC to assist us with any shifts in direction needed at the federal level.

#### Local EOC

- Coordinated rapid response deliveries to homebound residents and special locations.
- Working on refining rapid response delivery process.
  - Preparing transition from Team Rubicon personnel to NCCC teams, and eventually Southern Baptist Disaster Relief.
  - Coordinating with ARC for logistics support to NCCC teams (AmeriCorp).
- Working with ARC to ensure resource needs of franchise customers at Sunridge Apartments complex in Flint Township are met.
- Coordinating with MDEQ to streamline test kit assembly process.
- Attended distribution plan meeting with faith-based organizations, state, and local agencies.
- Referring VOADs to appropriate volunteer management agencies.
- Addressing various public concerns, including availability of supplies at child care facilities.

Chris

# Damage Assessment and Emergency Status Report

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

## Operational Period

Operational Period Begin: 02/02/2016 08:00:00  
Operational Period End: 02/09/2016 08:00:00  
Situation Report No. 30  
SEOC Status: Full  
SEOC Hours of Operation Begin: 02/04/2016 08:00:00  
SEOC Hours of Operation End: 02/04/2016 20:00:00

## Executive Summary

SEOC Update:

Accomplished today (February 4, 2016):

The SEOC continues to provide:

- Situational awareness.
- Common operating picture/objectives.
- Coordination with city/county.
- Potential coordination with federal agencies.
- Incident prioritization.
- Coordination of life/health safety measures.
- Resources.
- Public information control.

Logistics:

- Fielded resource requests.
- Fielded Rapid Response requests.
- Fielded Governor's office request.
- Facilitated distribution team calls.
- Followed up on request for equipment/supplies from ALANaid for new warehouse.
- Worked with DDC on their assistance with warehouse management and staffing for new warehouse.
- Finalized and emailed the Kroger Warehouse Plan to Capt for his review

JIC:

- Michigan State Police F/Lt. David Kaiser, field PIO, conducted interviews with both WEYI-TV 25 in Flint and WNEM-TV 5 in Flint about ongoing operations underway and to quash any rumors about water donations and ID requirements at water response sites.
- Created a morning and afternoon media monitoring report and looked for information requiring correction.
- Worked with Governor's Office to post information on the [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater) website.
- Issued a media advisory about federal lead for Flint water crisis Dr. Nicole Lurie to visit EPA's command post.
- Drafted and released a news release about the state of Michigan partnering with MSU student athlete to help with Flint recycling and water distribution efforts. The Flint JIC intends to issue the news release tonight.
- Drafted and released a media advisory about state and local partners hosting a tour of the restaurant water assessment process. The media advisory is currently on hold per the Flint and Genesee Chamber of Commerce.

Recovery Branch:

- Attended Local Brief, SEOC Agency Briefing Meeting, and Distribution Process Meeting
- Updated plan for ARC to visit apartment complexes.
- Worked with county and postal partners to collect information about home vacancies and resident's with forwarded mail addresses in order to ensure we are contacting all occupied residences in the City of Flint.
- Supported the efforts of MSDHA to provide resources to tenants in their facilities.
- Collaborated with GCCARD to develop additions to the list of vulnerable persons requiring additional support within the City of Flint.
- Targeted team list for today: Apartment List from 2/2/16
- City Sections Scheduled Tomorrow\*: Continuation of Apartment List from 2/2/16
- 10 American Red Cross Teams scheduled for Friday, February 5, 2016

• Data is for 2/3/16 as of 5:00 pm:

- o Total homes visited:
  - 14,388 (round 3 total).
  - 1,127 (today).
- o Water cases (liters calculated by multiplying # of cases x 12):
  - 104,480 liters or 8,705 cases (round 3 total).
  - 6,960 liters or 580 cases (today).
- o Replacement cartridges:
  - 2,785 (round 3 total).
  - 647 (today).
- o Faucet filters:
  - 6,794 (round 3 total).
  - 156 (today).

Planning Section:

- Published Sit Rep #30.
- Developed long term commodity projections.
- Participated in local EOC, state agency, and distribution process conference calls.
- Updated Governor's data tracking spreadsheet.

Operations Section:

- o Facilitated daily local EOC and SEOC state agency briefings.
- o Reviewed information materials and press releases.
- o Fielded requests for information and ensured follow-up.
- o 153 total volunteers (13 ARC and 140 event based) were active on the FWRTs today.

o Warehouse Numbers as of 1800:

- Water (liters):
  - 550,684 liters or 46,880 cases.
- Filters (faucet):
  - 47,684.
- Replacement cartridges:
  - 381,590.
- Test Kits (prepped):
  - 19,728.
- o PODs (1700 2/2 – 1800 2/3):
  - Water (cases):
    - 98,736 liters or 8,228 cases.
  - Filters (faucet):
    - 242.
  - Replacement Cartridges:
    - 516.
  - Test kits:
    - 393.

Finance Section:

- EMHSD staffing cost reports developed to update financial status reports.
- Reviewed state agency financial data for compiling comprehensive report.
- Met with state budget office on tracking of state agency costs for the incident.

GIS Branch Updates:

- Coordinate with UGC to establish consistent data sharing protocol.
- Working with the US EPA on sharing water test results they are gathering.
- Developing a field application for MDEQ and MDHHS for field collection of water test data and health data respectively.
- Updated map of DEQ water test results matched to City of Flint parcels.
- Coordinate with the Environmental Systems Research Institute on in field application development.

DTMB:

- DTMB Print & Graphic Services translating aerator fact sheet in Spanish and Arabic. Also, printing English and Spanish documents for DEQ.
- DTMB working on locating office furniture for second warehouse (Kroger Store).
- Provided access cards and building access for multiple employees and Federal partners.

DHHS-CH:

- The CHECC remains active at a Level 2, and continues to staff the hotline to answer any lead health-related questions referred by 2-1-1 in support of the GCHD.
- MDHHS provided a representative to accompany the MDEQ team to the high lead homes in Flint. The MDHHS representative will encourage individuals to have blood lead testing and answer health questions as necessary.
- o If individuals are in need of transportation for lead testing, transportation will be arranged. Contacted the local EOC and they will also try to get bus passes that could be provided if necessary.
- Lab Corporation of America reached out to MDHHS with an offer to conduct "good will" blood lead testing to Flint residents. Information provided regarding the need to be a CLPPP approved program, and contact information for the Genesee County Health Department was shared with the lab.

DEQ:

- Continued coordination for > 100ppb state response plan and implementation.
- Requested development of an application for iPad's to collect information from high lead water test sites, in coordination and consultation with other agencies.
- Refined plan for school water fixture sampling, in light of decision to replace fixtures at all schools.
- Continued to establish and clarify protocol for sampling teams and information collection.
- Ensured that EPA deadlines from EPA Order Tracking spreadsheet (items 59 A, B and C) were completed.

Unified Coordination Group (UCG):

- Working on improving communication flow between UCG and state partners.
- Attended long term recovery meeting held by state VAL.
- o Discussed MARC model and potential transition plan.

Local EOC:

- Coordinating rapid response deliveries to homebound residents and special locations.
- Attended meeting with federal, state and local health and environmental agencies to establish process for notification of households with water test results that exceed 150 ppb.
- Attended two long term recovery planning meetings with SEOC staff, VOADs and local agencies (Flint Water Recovery Leadership group).
- Ensuring Community Access Center for the Deaf and Hard of Hearing receives appropriate supplies.
- o Briefed staff on site on filter installation and water sampling process.
- Clarified distribution process at city sites with Flint City Administrator's Office. Coordinating with Fire Department Quartermaster for supplying city sites.
- Addressing various public concerns, including identification of canvassing teams.
- Instituted credentialing verification process for 211 calls.

(Objectives are in order of priority with original objective number attached)

11. Ensure accurate tracking and accounting of all donations.
5. Continue to maintain adequate staffing to support operational requirements.
10. Collaborate with local and volunteer agency partners to solidify the Flint Water Operations Plan.
9. Enhance situational awareness and common operating picture of all activities.
8. Maintain coordination between partner agencies and organizations to include FEMA IMAT, FWICC, and the US Department of Health and Human Services Unified Coordination Group (UGC).
3. Improve and maintain the public information strategy and process.
6. Develop an overview of possible assistance programs.
4. Develop a long term public health and services plan.
7. Gather, analyze, and disseminate GIS data to develop products for future planning.
1. Ensure all households within impacted community have required resources and are included in DEQ water sampling plan.
2. Ensure accurate tracking and accounting of all commodities.

## Agency Summaries

### Joint Information Center / Public Information Officer

The Joint Information Center (JIC) was expected to be operational in Flint from 8 a.m. to 8 p.m. on Feb. 4. The JIC was operational until 8 p.m. on Feb. 3.

State agencies at the JIC included the Michigan Civil Rights Commission, Michigan State Police and Departments of Agriculture and Rural Development, Environmental Quality, Health and Human Services, Licensing and Regulatory Affairs, Treasury, Corrections and Military and Veterans Affairs. The Genesee County Sheriff's Office and the American Red Cross were also present.

#### Tasks accomplished:

- Media hotline staff answered more than 20 emails and phone calls, ranging from inquiries about current operations underway to inquiries about Edible Flint.
- Key agency PIOs fielded multiple news inquiries throughout the day, including conducting or scheduling interviews with WEYI-TV 25 in Flint to WNEM-TV 5 in Flint.
- Michigan State Police F/Lt. David Kaiser, field PIO, conducted interviews with both WEYI-TV 25 in Flint and WNEM-TV 5 in Flint about ongoing operations underway and to quash any rumors about water donations and ID requirements at water response sites.
- Created a morning and afternoon media monitoring report and looked for information requiring correction.
- Updated internal talking points about the ongoing Flint water emergency.
- Continued routing public information materials for approval, including water filter installation fact sheets, pregnant women and lead fact sheet, adult lead exposure fact sheet, and oral health FAQ. Also began submitting materials for Spanish translation.
- Worked with Governor's Office to post information on the [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater) website.
- Issued a media advisory about federal lead for Flint water crisis Dr. Nicole Lurie to visit EPA's command post.
- Drafted and released a news release about the state of Michigan partnering with MSU student athletes to help with Flint recycling and water distribution efforts. The Flint JIC intends to issue the news release tonight.
- Drafted and released a media advisory about state and local partners hosting a tour of the restaurant water assessment process. The media advisory is currently on hold per the Flint and Genesee Chamber of Commerce.

### Agriculture and Rural Development (MDARD)

MDARD's field activities for 2/4/16 included:

- o 23 SURVEYS CONDUCTED (17 were follow up assessments, 5 were initial assessments)
- o 29 water samples collected (27 were "in-use samples and 2 were "Routine")
- o 2 water sample requests/appointments were scheduled today

We received 38 new water results this morning, 2/04/16. Several are very high:

- First Presbyterian Church (Medium risk) at 746 S Saginaw: 1,964 ppb (IN-USE WATER SAMPLE - collected by K Russell on 2/1)
- King's Market (High risk) at 1602 Oren : 465 ppb (IN USE WATER SAMPLE - collected by M Kusnier on 1/29) -
- Arrowhead Veteran's Assn (High Risk) at 402 W Water St : 11 ppb (IN USE WATER SAMPLE collected by B Benson on 1/29) - Kitchen in the hall
- Arrowhead Veteran's Assn at 402 W Water St: 5 ppb (IN USE collected by B Benson on 1/29) - Kitchen at bar

Immediate action of field visits to be conducted today for compliance assessment of the affected establishments. Note that according to the inspector's report, King's Market has previously stopped using the water for food or drink.

As of 2/03/16, MDARD has completed initial water assessments at all food businesses in the high risk area and has conducted a total of 392 initial assessments. 149 water samples have been collected.

Reminder, that the daily MDARD Water Response Report will go out at 10am (summarizing the previous day's activities), instead of 4-5pm to allow proper time for all data from the day's activities to come in and be organized.

MDARD is scheduling a phone conference tomorrow, time TBD, with MDEQ, MLARA, MDE to clarify who has or is conducting sampling in public and private schools

A tour of the Restaurant Water Assessment Process is still scheduled for tomorrow, 2/05/16 at 09:00 at Blackstone's Pub and Grill.

### American Red Cross (ARC)

The American Red Cross deployed and supported 10 Water Response Teams on Thursday, 2/4/16. It's anticipated that 10 teams will deploy tomorrow.

The Volunteer Reception Center (VRC) was in operation today, from 9am to 5pm. A total of 140 volunteers were processed today. That was 6 individual event-based volunteers and 4 groups totaling 134 volunteers. We assigned 88 to water test kit assembly, 46 to the Water Resource Teams, 2 to Catholic Charities, and one each to the Food Bank and the City of Flint. Assembly of water test kits has resumed.

### Civil Rights (MDCR)

Continue to review activities to provide support and assistance to assigned Human Services branch and other SEOC entities. Maintaining media awareness regarding situation and community activities. Suggested safety planning be considered in routine contacts with community groups due to increased media exposure and propensity for detractors to target those groups. Discussed App development with GIS and MDCH for self-reporting of skin rash concerns and issues raised in press release #28 for

underrepresented/vulnerable populations. Suggested MDEQ/DHS Teams include an interpreter to ease the teams entry/action plan for addressing >150 ppb residential testing follow up.

#### **Community Health (MDCH)**

The CHECC remains active at a Level 2, and continues to staff the hotline to answer any lead health-related questions referred by 2-1-1 in support of the GCHD.

MDHHS provided a representative to accompany the MDEQ team to the high lead homes in Flint. The MDHHS representative will encourage individuals to have blood lead testing and answer health questions as necessary. Written information is also being provided. If individuals are in need of transportation for lead testing, transportation will be arranged. Contacted the local EOC and they will also try to get bus passes that could be provided if necessary. No notifications have been received of individuals requiring transportation. There is some concern about duplicative efforts in this follow up endeavor, as the Genesee County Health Department/ATSDR Teams have also apparently contacted all of the homes above 150 ppb; so communication has been initiated with leaders from MDEQ and MDHHS to finesse the plan in collaboration with the EPA and local health department and communicate that to the SEOC.

Lab Corporation of America reached out to MDHHS with an offer to conduct "good will" blood lead testing to Flint residents. Information provided regarding the need to be a CLPPP approved program, and contact information for the Genesee County Health Department was shared with the lab.

Provided information from LARA and MDE to the CHECC in follow up to a request from the GCHD about child care agencies.

#### **Corrections (MDOC)**

MDOC continued operations at the warehouse and all PODs were well supplied.

MDOC continue to keep trucks dedicated to delivering to individual PODs and have Rapid Responses ready for any POD that gets to a critical level of supplies.

449 Water Samples were collected and delivered to the DEQ Lab in Lansing. 425 Residential and 24 MI Department of Agriculture and Rural Development (MDARD)

MDOC had 13 employees and an SAI work crew on the ground in Flint today.

We are working with Finance and MDOC assets to complete employee payroll information.

MDOC continue to staff the SEOC from 0800-2000, 7 days/week.

We are in the process of establishing a second warehouse location and MDOC will be staffing the second location beginning on Saturday for a week or possibly two.

Mike Farmer and Bridget Spencer are in command of the Recovery Branch.

#### **Education (MDE)**

1. Donations Management Group asked MDE for information regarding which schools in Flint have drinkable water and which schools do not. This request was in response to schools turning down bottled water. Donations management wants verification of what schools need water. MDE is following-up with impacted schools. MDE will update the Donations Management Group when further information is received.

2. MDE shared updated LARA spreadsheet of tested schools with MDARD

3. MDE shared communication log with DHHS of all communication/outreach between MDE and local schools/child cares based on request from Genesee County Health Department

4. MDE has been asked to participate in a conference call, Friday (15:00) being coordinated by MDARD and related to school testing

#### **Environmental Quality (MDEQ)**

The Department of Environmental Quality (DEQ) completed the following activities today:

- ☐ Continued coordination for > 100ppb state response plan and implementation
- ☐ Provided guidance to MSHDA on residential sampling program
- ☐ Requested DHHS to verify how many homes GCHD has contacted and what services were provided

#### **Human Services (MDHS)**

GCCARD restocked with filtration devices, which replenishes our MDHHS office PODs.

Looking into filtration system for a child care institute, possibly through donation.

Exploring availability of MDHHS staff to assist with donation management mission.

Working with State VAL and Recovery on process for distributing replacement cartridges in the future.

Daily update conference call with MDHHS Budget & Field Operations.

#### **Licensing and Regulatory Affairs (LARA)**

Updated the LARA Executive Team

LARA continues to monitor DEQ's test results for Health Care, Child Care, Adult Foster Care, HHS and MDE facilities and Schools.

Working with DEQ for Strike Teams.

Preparing materials lists for plumbing fixtures.

#### **Military and Veterans Affairs (DMVA)**

##### **Commanders Situation Report (SITREP)**

1. DTG: 0315302016

2. UNIT: Points of Distribution (PODs), TF FLINT (1-125 IN)

3. POC: 1LT Roland, John G. Cell:                      Email: john.g.roland2.mil@mail.mil

4. PRESENT LOCATION: Genesee County Local EOC, 1101 Beach St., Flint, MI, 48502

5. SITUATION OVERVIEW: 1-125 IN has        soldiers deployed to the Flint Water Crisis in support of Distribution Operations at the Points of Distributions (PODs). Daily operations consist of receiving, tracking, and issuing out water, filters, replacement filters, and water test kits.

6. OWN SITUATION DISPOSITION /STATUS: Currently 1-125 IN has        Soldiers on ground supporting the mission.

7. OPERATIONS: Operations for the next 24 hours are to sustain water/filter distributions throughout the 5 designated fire stations and track all distribution incoming and outgoing through the PODs.

a. Traffic outside of Stations 1, 5, and 8 still remains an issue.

1.) LT Benke met with MDOT and Flint City Engineering today. All traffic signs should be in place within the next 48hrs.

b. Flint City Electricians have fixed the lighting issue at Station 8. POD 5 is still waiting for an update on the capabilities of additional lighting at Station 5.

8. PERSONNEL:        Soldiers are currently assigned to the POD operations.        Soldiers are assigned in five teams at Fire Stations 1, 3, 5, 6 and 8.

9. INTELLIGENCE / FORCE PROTECTION: Michigan militia did establish a presence within the AO. The intentions were not harmful and in support of efforts made to resolving issues to residents of Flint.

10. LOGISTICS: In support of recycle project sponsored by Schupon, the special purpose recycle bags have not been distributed to POD operations. Logistics is expecting the recycle bags to be on the PODs for distribution within the next 48hrs.

11. COMMUNICATIONS: No communications issues at this time.

P: 800 MHz radios issued to PODs and WRTs.

A: RRF cell phones alternate for WRTs.

C: Personal cell phone

E: Runner

12. NARRATIVE: N/A

##### **13. COMMANDER'S EVALUATION:**

- MING resources on ground help bring to light an issue in supply distribution and provide information in regards to the issue to the LEOC to assist in ensuring all of the supplies from the Clio road warehouse are being handled and distributed properly. Overall, I believe the LEOC is very pleased with our operation and assistance in all water & filter distribution operations.

- I received and reviewed FRAGORD 9. I sent up a current roster to the JOC to assist in updating the FRAGORD products.

- Recycling:

LEOC is working to get more Schupon trash bags to fire stations 1, 5, & 8 for their water bottle recycling trailers. Additionally, they are trying to get the trailers at station 1 & 8 switched.

New public awareness sheets were distributed to the fire stations in regards to water bottle recycling curb side pick-up.

- We received cold medication from the 126 CAV per my request. Consolidated Station Report OUT (last 24 hours)

Bottled water-4362 Water (Gallons)-214 Lead Testing Kits-458

Pitcher (23 cup)-0 Brita Faucet Filter-359 Brita Replacement Cartridge-338

Pur Filter-71 Pur Replacement Filter-392

#### **National Weather Service (NWS)**

NWS Detroit providing morning SEOC brief and Activity Log posts. Jim Maczko from NWS Grand Rapids will be the contact point for any changes in NWS Support and will also continue to update the Sit Rep Executive Summary as needed.

Participation in afternoon SEOC briefings is planned only if significant changes in the forecast occur.

#### **Natural Resources (MDNR)**

MDNR LED continues to support its QOL partners with staffing at the SEOC.

*Department POC's include:*

Chief Gary Hagler, F/Lt. Jennifer Wolf, F/Lt. Steven B. Burton.

#### **Services to the Aging (OSA)**

Valley Area Agency on Aging (VAAA) continues to receive phone calls from concerned seniors in Flint and continues to make referrals to the Genesee Co. EOC for water and filter follow-up.

VAAA's local Nursing Home Ombudsman continues to monitor Flint area Nursing Homes to ensure residents have access to safe water.

Contact info for VAAA Executive Director is:

Kathryn C. Boles  
President, CEO  
Valley Area Agency on Aging  
225 E. Fifth Street, Suite 200  
Flint, MI 48502  
(810) 239-7671  
(810) 239-8869 fax

#### **State Police (MSP)**

The MSP position within the SEOC will be staffed at MSP Operations at HQ. All e-mails to MSP-EOC-MDSP@michigan.gov are being forwarded to the Operations Lt. The phone number for the on duty Operations Lieutenant is 517-241-8000

#### **Technology, Management and Budget (MDTMB)**

Continue to provide DTMB management with daily updates and resource requests received.

DTMB Print & Graphic Services translating aerator fact sheet in Spanish and Arabic. Also, printing of English and Spanish documents for DEQ.

DTMB working on locating office furniture for second warehouse (Kroger Store).

Ordered printer toner for multi-function device at warehouse.

Provided access cards and building access for multiple employees and Federal partners.

#### **Transportation (MDOT)**

MDOT facilitated with the City of Flint Public Works to deploy signs and barricades at Fire Station #1, #5, and #8 to assist with traffic flow through parking lots.

MDOT is providing traffic measures at Fire Station #6 on Pierson Rd. and Fire Station #3 on Martin Luther King Blvd:

-4 portable changeable message boards (2 each site)

WB Pierson Rd. sign was out of service 2/3, has been repaired and being put back in service 2/4.

EB Pierson Rd. sign is out of service 2/4 and being picked up for repair. Repair/replacement being prepared for 2/5.

-100 grabber traffic cones (narrow reflective cones) (50 each site).

MDOT continues to maintain situational awareness and respond to issues regarding equipment and road conditions.

## FLINT WATER RESPONSE TEAM

UPDATE | FRIDAY, FEBRUARY 5, 2016

This daily update is being issued in order to provide the latest information regarding actions and available resources.

**LIVE at 10 AM: Gov. Rick Snyder will offer remarks at the Flint Water Interagency Coordinating Committee meeting**

The Flint Water Interagency Coordinating Committee was established on January 11, 2016 to facilitate the collaboration and communication between state department, local governments and subject matter experts necessary to effectively coordinate a response and recovery effort to ensure safe drinking water for Flint residents. Tune in live at 10 am today to watch Governor Snyder offer remarks at the FWICC meeting.

**Senate approves Governor Snyder's request of \$30 million for Flint's water bills**

“The entire state continues to demonstrate unity in coming together for the residents of Flint, and I greatly appreciate the acts of cooperation, bipartisanship and good will that are advancing Flint's recovery.”

— Rick Snyder

[www.mi.gov/FlintWater](http://www.mi.gov/FlintWater) | [www.HelpForFlint.com](http://www.HelpForFlint.com)

The proposal announced Wednesday by Gov. Rick Snyder to aid the city of Flint with credits to be applied to the portion of residents' water and sewer bills for water used for drinking, bathing and cooking is one step closer to enactment after the state Senate voted unanimously yesterday for passage of the \$30 million dollar funding request.

If approved by both chambers and signed into law, the Consumption and Consumer Use Credit would aid the city of Flint in applying these credits to residents' water portion of their water and sewer bills until state and federal officials certify the water is safe to consume.

**Learn more about the \$30 million request for Flint water bills.**

Flint families need critical clean water resources. Since January 9, the state has distributed:

- 272,017 cases of bottled water
- 103,402 water filters
- 208,576 replacement cartridges

- 34,456 water testing kits

## REMINDERS

- For Flint water assistance: Dial United Way 211 or visit [www.mi.gov/FlintWater](http://www.mi.gov/FlintWater)
- To donate or volunteer: visit [www.HelpForFlint.com](http://www.HelpForFlint.com)
- Residents should install filters to their taps to ensure they have immediate and ongoing access to safe water. Only run cold water through the water filter and use filtered water for drinking and cooking. Monitor the cartridge on the filter and replace as needed.

## WATER RESOURCE LOCATIONS

These sites are open seven days a week from 9 a.m. to 9 p.m. with the following resources:

- Bottled water
- Water filters
- Replacement cartridges for water filters
- Water testing kits pick-up
- Drop-off location for water testing kits

Fire Station #1  
310 East 5th St.  
Flint, MI 48502

Fire Station #3  
1525 Martin Luther King Ave.  
Flint, MI 48503

Fire Station #5  
3402 Western Rd.  
Flint, MI 48506

Fire Station #6  
716 West Pierson Rd.  
Flint, MI 48505

Fire Station #8  
202 East Atherton Rd.  
Flint, MI 48507

We will continue to work to improve the water situation in Flint. Community members and local officials are working together to make sure we hear and respond to concerns. Governor Snyder will continue to keep you updated on the latest news and information. **If you don't find the resources you need by dialing United Way 211 please call the Governor's office directly at 517-335-7858.**

### **Gov. Rick Snyder: Former head of DEQ water quality unit removed**

LANSING, Mich. – After a departmental review of circumstances during the time period leading to the Flint water crisis, the former head of the Michigan Department of Environmental Quality's Drinking Water and Municipal Assistance unit was officially terminated from state employment today, Gov. Rick Snyder said.

"Putting the well-being of Michiganders first needs to be the top priority for all state employees," Snyder said. "Anything less than that is unacceptable. The DEQ is working to change this culture and ensure mistakes that endanger our residents don't occur again."

This former supervisor was dismissed today after a disciplinary conference regarding performance. A departmental review of the actions of a second employee who was suspended last month are continuing.

(U) CYBER ATTACKS RELATED TO STATE OF MICHIGAN, CITY OF FLINT, AND OTHERS

Cybersecurity Threat Level 2 – Medium (Yellow)

(U) EXECUTIVE SUMMARY

(U//FOUO) The Michigan Intelligence Operations Center (MIOC) and the Michigan Cyber Command Center (MC3) received information warning that the State of Michigan, Governor Snyder, the City of Flint, City of Flint Mayor Weaver, and other private individuals and entities are at an increased risk of cyber-attacks. In addition to doxing, the act of gathering and publishing individuals' personal information without permission, threat actors have attempted to compromise government servers, workstations, and email accounts. The Department of Technology Management & Budget (DTMB), MC3, and MIOC are working together to identify, mitigate, and remediate actions taken against state infrastructure.

(U//FOUO) To help reduce the risk of exposure and targeting by malicious actors, it is suggested the following considerations be implemented:

- Change passwords regularly (use a passphrase with 15 characters or more)
- Be wary of suspicious phone calls or emails from unknown individuals/organizations
- Be cautious when clicking on links or attachments contained in emails
- Search yourself online so you are aware of what information is publically available
- Set up a Google alert for your name so you are alerted when information has been posted about you online
- Use privacy settings on social media accounts
- Limit personal postings on media sites and consider comments being made
- Do not list law enforcement employment on your social media accounts
- Monitor personal credit and banking activity
- Update hardware and software applications continually

posted a YouTube video titled "Anonymous Resistance - #OpFlint." This video is similar to the one posted on January 31, 2016, by . Additional content stated that cyber attacks would occur against the Department of Human Services if children were removed from their homes due to unpaid water bills. It also called on "crackas, cyber warriors, anarchists, and black blockers" to take action. A copy of the video and transcript are included below.

February 5, 2016

MI SR-08-2016

Greetings dissidents of the world. We are Anonymous. We are the resistance. The Flint Water Crisis has drawn the attention of Anonymous. Anonymous would first like to pay respect to the victims of this deliberate poisoning. We will not rest until the families of the murdered people and lead poisoned children get justice. The victims of unspecified ills and rashes. We will support you and magnify your voice. For Michigan Governor Rick Snyder your failed cost cutting measures has caused the death of the people you have been charged with the responsibility of protecting. The decent and responsible next action from you would be to step down from office. This isn't what you have chosen to do. Instead you are allowing the people of Flint to be further terrorized by the system you set up. You gave the power of Flint's government to an emergency manager.

Damell Early rejected using Flint River water in 2012 after meeting with the EPA. Yet you overrode his decision. You used the contaminated river water and deteriorated plumbing. You also decided to save another \$100 per day by not adding the critical chemicals to keep from further degrading the aging infrastructure. City and State workers have been provided clean drinking water for quite some time now. Yes, these deaths and lifelong illnesses are squarely on your hands. The people of Flint are still being mailed bills for poisonous water. Further you threaten them with condemnation of their homes, removal of their children and placement of those children in a state agency that you also govern. We will not stand idly by while you murder, poison, and terrorize our brothers and sisters in Flint Michigan.

This is a call to all hacktivists, activists, trolls, protestors, marchers, agents, phishers, crackas, cyber warriors, anarchists, and black blockers. Those who work in this corruption can speak through us Anonymously as well. All people of humanity should know that Michigan has the largest reserve of fresh water on earth. If this can happen in Michigan it can most assuredly happen where you live. We ask that you use your skills, talents, and time to help bring justice to our fallen and injured family in Flint. Cyber attacks are already underway.

In the event that children are taken from their homes because of failure to pay for poisonous water there will be concentrated cyber attacks on Michigan State Department of Human Services, Governor Snyder, any and all government websites, Brian Larkin, Howard Croft, Natasha Henderson, and Dayne Walling, you also have found yourselves targets of Anonymous. Protestors should peacefully occupy the water department, 1101 Saginaw Street, Flint, Michigan.

Don't let your neighbors pay for poisonous water. Protest at the Governor's mansion, protest the EPA in all states. They are allowing the poisonous water to still flow and further victimization of people who live in and visit Flint. Rick Snyder, you operate outside the law as do your officers and city officials. You have turned your state into a third world. We will do whatever it takes to bring you to justice.

State officials of Michigan and city officials of Flint your days of lawlessness are at an end. Environmental Protection Agency this has been a long time coming. And to all of you who violate the people it is far too late to expect us. We are Anonymous, we are the resistance, united as one, divided by zero, we do not forgive, we do not forget, we stand with your victims. Operation poisoned H2O engaged.

• 01/31/2016

posted a YouTube video focusing on the water issues in Flint. In this video the actor states "Cyber attacks are already under way. In the event that children are taken from their home because of failure to pay for poisonous water there will be concentrated cyber attacks on Governor Snyder, government websites, Brian Larkin, Howard Croft, Natesha Henderson, and Dayne Walling." The video urges protestors to peacefully occupy the Flint water department. A full transcript of the video is below.

## #OpPoisonedH2O

Greetings citizens of the world we are Anonymous. The Flint water crisis has drawn the attention of Anonymous. Anonymous would first like to pay respect to this deliberate poisoning. We will not rest until the families of the murdered people and lead poisoned children get justice. The victims have been specified (garbled). We will support you and magnify your voice.

For Michigan Governor Rick Snyder your failed cost cutting measures have caused the death of your people you are charged with the responsibility to protect. The decent and responsible next action from you would be to step down from office. This isn't what you have chosen to do. Instead you are allowing the people of Flint to be further terrorized by the system you set up. You gave the power of Flint's government to an emergency manager. Darnell Earley rejected using Flint River water in 2012 after meeting with the EPA. Yet you overrode his decision.

You used the contaminated river water and the deteriorated plumbing. You also decided to save another \$100 per day by not adding the critical chemicals to keep from further degrading the aging infrastructure. City and State workers have been provided clean drinking water for quite some time now. Yes, these debts and lifelong illnesses squarely are on your hands. The people of Flint are still being mailed bills for poisonous water.

Further you threaten them with condemnation of their homes, removal of their children and placement of those children in a state agency that you govern. We will not stand idly by while you murder, poison, and terrorize our brothers and sisters in Flint Michigan. This is a call to all hacktivists, activists, trolls, protestors, marchers, agents, vishers, those who work in this corruption can speak through us Anonymously as well. All people of humanity should know that Michigan has the largest reserve of fresh water on earth. If this can happen in Michigan it can most assuredly happen where you live. We ask that you use your skills, talents, and time to help bring justice to our fallen and injured family in Flint.

Cyber attacks are already under way. In the event that children are taken from their home because of failure to pay for poisonous water there will be concentrated cyber attacks on Governor Snyder, government websites, Brian Larkin, Howard Croft, Natasha Henderson, and Dayne Walling you should do the right thing as well. Protestors should peacefully occupy the water department, 1101 Saginaw Street, Flint, Michigan. Don't let your neighbors pay for poisonous water. Protest at the Governor's mansion protest the EPA in all states. They are allowing the poisonous water to still grow and further victimization of people who live in and visit Flint. Governor Rick Snyder, State of Michigan, City of Flint, US Environmental Protection Agency, we are Anonymous united as one, divided by zero, we do not forgive we do not forget, expect us.

MI SR-08-2016

Greetings fellow citizens of the United States of America, to all of our supporters and followers, and a special hello to Governor Richard Snyder of Michigan. This is anonymous We've been watching what has been going on in Flint Michigan Gov. Snyder and the fact that nothing is being done by you, Mayor of Michigan Dayne Allen Walling, or any of their staff in an attempt to fix this current state of emergency with the drinking water supply is unacceptable, and needless to say we are not happy.

Until you, Gov. Snyder decide to change this atrocitiy that you have started we will be doxing not only you but your entire family and the familles of all the government workers of Flint. This will involve but is not limited to, Darnell F Earley, Howard D Croft, Dayne Allen Walling, and Dr. Edward J Kurtz, just to name a few.

We would like to explain to you that normally we do not involve families in matters like this, but this is a different case entirely. Where as you're going about and poisoning children daily we will have no remorse this time, and will not hold any documents back.

Everything will be released about you Mr. Snyder, your wife, and your children's . The same goes for all who worked directly under Mr. Walling who resigned And We hope you decide to fix this now, before it is too late. This will be our last warning. We are Anonymous, We are Legion, We do not Forgive, We do not Forget, You should have expected us Mr. Snyder.

published a video via the YouTube channel on behalf of the group Anonymous titled, "A Message To Gov. Richard Dale Snyder." The video content is on the following page.

In March 2014, Flint government officials made the decision to switch Flint's water source from the DWDS to the Karegnondi Water Authority. The purpose of the Authority is to provide and distribute raw water to the region which they did using the Flint River as their source. Immediately upon the switch, the residents of Flint noticed a difference in the taste, smell, and color. How did your staff and you not notice the difference?

February 5, 2016

MI SR-08-2016

Did it ever occur to you when General Motors decided to close their doors to Flint's public water source and invest in a private company for their water supply, that this water may not be safe for drinking? After all, if it wasn't good enough to manufacture cars with, how was ingesting it safe or beneficial to one's health?

Ask yourself this Governor. If the water running from your faucet, that your children Jeff, Melissa, and Kelsey use to brush their teeth with, or that your wife Sue bathes in was yellow, polluted, and lead infused, would you be okay with it? The physical appearance of the water itself is off putting. When residents questioned it, they were assured by Flint public officials that the levels of TTHM in the water were safe for human consumption. All false.

Only after Virginia Tech conducted a study on the harmful agents in Flint's river water supply was the truth revealed. In addition to increased levels of TTHM in the water, there was up to three times the levels of lead in Flint water than what is approved for human consumption in the United States. As a first world country, we are living in third world conditions. Our innocent children have had to pay for your uninformed and illegitimate decision to sell poisoned water and play russian roulette with their health.

We need to focus on this immediately. A state of emergency was declared yet nothing was done. The majority of people in Flint, reside in low income neighborhoods. They are being forced to live off of bottled water for cooking, cleaning, showering, and everything else. The children in Flint have already been exposed to lead poisoning. Along with you, the elected city officials are failing to acknowledge the crumbling infrastructure they have created. Someone has to be held accountable, including you Governor. To save a couple pennies in your budget, you sacrificed not only innocent lives but the faith of the community.

You have lost all credibility and will be remembered as a man who traded a basic human right for profit. You poisoned our children knowingly and capitalized on this. Your nonchalant approach and inaction to the apparent genocide you have help create in the city of Flint, has dictated your position in this matter. Governor, it's time you suffer the consequences of your bad decision. You will be made an example of.

On behalf of the entire community, we are demanding your resignation in concurrence with making the switch back to the Detroit Water System. We are demanding clean, free water.

We are Legion. We do not forgive, we do not forget. Expect us, Governor. The world is watching.

- 01/20/2016

published a video via YouTube by Anonymous titled "#OpFlint." The video stated:

Greetings Citizens of the world,

We are Anonymous.

For over a year now the citizens of Flint, Michigan have been subjected to drinking tap water filled with lead and other poisons.

Over 3000 children residing in Flint have been diagnosed with lead poisoning and other contaminated water illnesses.

This issue went unreported by the mainstream media for entirely too long.

A resident of Flint, Michigan and activist by the name of \_\_\_\_\_ as worked for countless hours, weeks, and years to bring awareness to the water crisis in Flint.

And now that OpFlint is in the media and people are aware, we must remind the city officials of Flint that we do not forget and we do not forgive.

The crimes committed by Governor Snyder as well as other city officials will not go unpunished.

The city of Flint deserved to be informed and made aware of the problem with the town drinking water.

The fact that Governor Snyder stayed silent while the children of Flint were poisoned says a lot about his character.

It is safe to assume that children may already be doomed to die due to this. It says a lot about how Snyder and those who answered to him on this matter feel about the citizens of Flint.

It's clear to us that Governor Snyder needs to be reminded that he is a servant for the very same people he has poisoned and made sick. Or perhaps he never forgot. Perhaps corruption is at play here. In that case, he is now going to simply be shown the error of his evil ways.

We feel that there currently exists enough evidence to arrest Governor Snyder for either voluntary or involuntary manslaughter, and that a full scale investigation into the Flint Water crisis and a criminal trial will yield the information that will send governor Snyder to prison

MI SR-08-2016

We encourage the city of Flint to be vocal and demand that Governor Snyder face criminal charges. Anonymous will stand beside you.

We will amplify your voice where the mainstream media will surely fail you, as it has in the past.

We will also join you in calling bullshit on any spin that the corporate media is prepared to put on this, as they have on other past crises that affect the welfare of the common people in this country-most notably the poor and people of color. Governor Snyder and his cronies have brought pain and suffering, and possible death to the people of Flint.

They have also clearly displayed contempt for the children of Flint. Certainly they have displayed no remorse or guilt.

But it all stops now.

Because what Governor Snyder will soon learn is what we do not forgive. We do not forget. The people responsible for this crisis will be held accountable. Every wrong doing will be rectified.

*The city of Flint deserved better, governor. Instead they got a murderer.*

One again justice will arrive in the form of a pale mask.

*We are Legion.*

We are the citizens of #OpFlint.

Governor Snyder, did you really not expect us?

# **Gov. Rick Snyder: Flint businesses can seek assistance through Small Business Administration disaster loans**

*SBA approved Snyder's Thursday request*

LANSGING, Mich. – The Small Business Administration today approved Gov. Rick Snyder's request for low-interest disaster loans for businesses in Genesee County and the city of Flint.

"Approval of economic injury disaster loans will help business owners and nonprofits in Flint recover from any damages as a result of the water crisis," Snyder said. "We will continue to seek resources from all levels of government to help the people of Flint and appreciate the

SBA's partnership in our efforts."

The approval provides access to federal Economic Injury Disaster Loans, which are working capital loans to small businesses, small agricultural cooperatives, small businesses engaged in aquaculture and most private, non-profit organizations that meet their ordinary and necessary financial obligations that cannot be met as a direct result of the disaster. Business owners seeking these loans must apply by Nov. 7, 2016.

Repayment of disaster loans is tailored by the SBA to the borrower's financial capacity.

More information and criteria for SBA disaster loans is available at [www.sba.gov/disaster](http://www.sba.gov/disaster). Eligible Flint business owners can apply online via SBA's website at <https://disasterloan.sba.gov/ela>.

**Flint Water Daily Update**  
**Updated Feb. 5**

### Current Issues Talking Points

#### **U.S. Small Business Administration disaster declaration request approved**

- Coordination across all levels is necessary to assist Flint along its road to recovery. This disaster has impacted many families both at home and through their businesses.
- In an effort to secure all available resources to ensure the safety and well-being of Flint residents, the Governor requested a disaster declaration from the Small Business Administration yesterday, Feb. 4.
- The disaster declaration request was granted today, allowing Flint businesses, small agriculture cooperatives, and most private, nonprofit organizations who may have been affected by lead-impacted water to qualify for financial assistance in the form of federal Economic Injury Disaster loans.
- The SBA tailors loan repayment to each individual borrower's financial ability. Business owners seeking these loans must apply by Nov. 7, 2016.
- The approval will help support comprehensive recovery efforts in the city from health and infrastructure to economic development.

#### **Former head of DEQ water quality unit removed**

- The Governor remains committed to building a DEQ culture of trust and responsibility with residents well-being as a top priority.
- After a departmental review of circumstances and actions leading up to the Flint water crisis, the former head of the MDEQ Drinking Water and Municipal Assistance unit was officially terminated today.
- The former supervisor was dismissed following a disciplinary conference regarding performance.

#### **Governor invited to testify at Congressional Hearing**

- The Governor received an invitation to testify at the Democratic Steering and Policy Committee hearing in Washington D.C. next week.
- At this point in time, the Executive Office is reviewing the request.

#### Task Force Coordination/Communication Concerns

- Gov. Snyder has promised full cooperation with the Flint Water Task Force and any other authority investigating the Flint water crisis.
- The situation Dr. Reynolds described at the FWICC meeting today is exactly the frustration the Governor has spoken about regarding the culture in some state departments that was a problem and needed to be changed.
- The Governor is actively taking steps to rectify the situation, and ensure that authorities get the information they need when they need it.
- We are glad that Dr. Reynolds raised the issue directly with us today. We will not tolerate any departments withholding information from the task force.

### **Update 2/7/16 – 34<sup>th</sup> Day (33<sup>rd</sup> Full Day) After Governor's Declaration of an Emergency**

#### **Mission focus for the day:**

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Soft opening of secondary state warehouse; clean and prep for SBA staff.

#### **Status on Governor's request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### **Attached:**

1. Daily Summary of Data – Note two new reports: GovReport
2. Sit Rep #33.
3. Maps: Residential Water Sampling Results – Lead and Copper

#### **Key items for tomorrow to note are:**

- 10 American Red Cross Teams scheduled for Monday, February 8, 2016.
- The new warehouse will be operational on Monday, February 8, 2016 and managed by MDOC.

#### **Items to Note**

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.

- State VAL is working on the Category B and Individuals and Households appeal.
- There continues to be a concern that EPA refuses to work with the state teams in addressing the high lead level homes.
- Genesee County EM expressed concerns about lead poisoning in service/companion animals. MDARD has initiated contact with their partners to address this concern.
- 28 addresses have copper testing that exceeds the "action level" (1,300 ppb). DHHS is currently working on messaging regarding this issue, and DEQ is discussing filtering options.

#### Unified Coordination Group (UCG):

- Task Forces Health & Medical: working on creating a flow chart for visual of testing results.
- EPA conducted 11 filter grabs yesterday, and will be doing 2 today. This includes up to 33 samples per grab. A grab would be considered a location/residence. They are also following up on the AmeriCorps volunteers (2) that have rashes.

#### Local EOC

- Establishing objectives and IAP for next operational period, 02/08/2016 – 02/12/2016.
- Awaiting additional information regarding companion animals with potential lead and chlorine poisoning from MDARD.
- Establishing plans for Elevated Copper Initial Assessment Task Force starting 02/08/2016 and follow-up outreach to homes with water lead levels over 150 ppb starting 02/10/2016.
- Aligning resources and supplies for Elevated Copper Initial Assessment Task Force and follow-up outreach to homes with water lead levels over 150 ppb.
- Analyzing locations of faith-based organizations and churches for integration into long-term recovery plans.

Chris

---

#### Update 2/6/16 – 33<sup>rd</sup> Day (32<sup>nd</sup> Full Day) After Governor's Declaration of an Emergency

The link below is a new video published today by 211. This is part of the Rapid Response Teams currently staffed by Team Rubicon.

<https://www.youtube.com/watch?v=P5Orqzc5efg>

#### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Soft opening of secondary state warehouse; clean and prep for SBA staff.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.

- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Attached:

1. Daily Summary of Data.
2. Sit Rep #32.
3. Maps: Residential Water Sampling Results – Lead and Copper

Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Sunday, February 7, 2016.
- MDOC will continue setting up the new warehouse.

Items to Note

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.
- JIC posted the AIA Flint Safe Water Storage Guideline flyers on MI CIMS under internal documents.
- SBOC Logistics is working to secure space in new warehouse for SBA office, additional information needed from SBA.
- GIS geocoded and cleansed addresses for food establishments in the Flint Metro Area.
- GIS digitized water service lines coded by pressure from paper map onto digital map.
- State VAL is working on the Category B and Individuals and Households appeal.
- MOU with Seventh Day Adventist for donations management currently under review.
- MDARD is planning for additional follow up with food related businesses as water test results come in; new maps with updated information will help with future prioritization.
- MDARD will attend a USDA-Natural Resources Conservation Service press conference to be held on Monday; NRCS will be announcing funds to support community gardens and local foods.
- A team from the CDC arrived yesterday to work with MDHHS Bureau of Epidemiology. Their work began today by beginning to analyze data for the development of long term surveillance strategies that will look to link blood lead level results to specific populations, to include vulnerable and at-risk populations.
- LARA continues to monitor DEQ's test results for Health Care, Child Care, Adult Foster Care, HHS and MDE facilities and Schools.
- Freeman Elementary was tested today (2/6/15) by DEQ/LARA staff members.

Unified Coordination Group (UCG):

- Attended 3 matrix review meetings, taskforce leads gave status updates on the original requests/asks sent from the State to Federal government.
- UCG POC will update the objectives with current status once completed by the information cell.
- EPA has 4 teams going out today, 17 filter grabs, a sequential sampling, and walk in requests.
- Additional phosphorus results remain consistent with previous reports. Appears the coating is working in the pipes.
- Multiple Hispanic events are taking place in the community and will be attended by federal staff.
- CDC recommendation should go out today for blood level testing for children under the age of 6.

Local EOC

- Finalized DEQ outreach at homes with water lead levels above 150 ppb.
- Developing plan for outreach at homes with water lead levels of 100 to 149 ppb.
- Will start outreach at homes with water lead levels of 100 to 149 ppb with one group on Monday.
- Potentially following up on initial outreach at homes with water lead levels of 100 to 149 ppb 10 strike teams for evaluation of plumbing system, water sampling, etc. starting Wednesday.
- Evaluating need to address health needs of companion animals in households exceeding water lead levels above 100 ppb.
- Awaiting clarification regarding effectiveness of filter systems for removal of copper.

**Below is a summary of Federal Teams in the field during next operational period until 2/10 per the UCG.**

**Public Health Support Team (PHST) (US HHS) stationed at GCHD**

**9 personnel**

- Develop engagement strategy for GCHD to facilitate outreach efforts to the community members and *community partners*.
- Development database for incoming calls to standardize the responses to caller queries; develop resource list for GCHD.
- Two personnel will facilitate case management follow up on results from GCHD concerning water samples with high home water lead levels.
- Provide technical assistance and community health outreach support to GCHD and to the EPA field team during water sampling and rash investigations.
- Create email groups for email messaging blasts to community partners.

**Behavior Health Team (US HHS) stationed at GCHD**

**4 personnel**

- Develop Behavior Health Surveillance Plan and Gap Assessment.
- Provide Behavioral Health Support for community-based health and human service providers.

**EPA Sampling Teams out in the field**

**3 teams with 3 personnel,**

- Identify sampling locations based on State DEQ requests and/or inquiries from residents, schedule visits with residents.
- Develop facts sheets based on high lead homes and other facts sheets, as needed.
- Provide risk communications and test results to residents.
- Conduct sequential, filter pilot, and distribution system sampling.

**High Lead Home Strike Team out in the field**

**5 personnel**

**One MDEQ rep (Taylor) with EPA high lead team.**

- Conduct water sampling at residences with rash complaints
- High lead homes with no contact information

**MDEQ (Provided by Mark Ducharme) out in the field**

- One Initial Outreach Visit team consisting of 1 DEQ rep (Oeming) and 1 MDHHS rep (Groetsch), supported by 2 team Rubicon, 1 city of Flint PD escort, and 1 Penske truck loaded with commodities.

**Genesee County Health Department team out in the field**

**1 team with 2 personnel One LHD person (EH), One EPA person (for sampling)**

- Responding to high lead homes – Made contact with all homes 150 ppb last Wednesday and will continue as long as they have resources.

**Subject:** SEOC Update 2/5/16 - Flint Water - Limited Distribution

**Update 2/5/16 – 32<sup>nd</sup> Day (31<sup>st</sup> Full Day) After Governor's Declaration of an Emergency**

**Mission focus for the day:**

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made. Special attention to apartments/multifamily residences.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Prepare of opening of secondary state warehouse

**Status on Governor's request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

**Attached:**

1. Daily Summary of Data (NG field is showing 0 which is not correct). NG personnel are still at the PODs.
2. Sit Rep #31.
3. Maps: Residential Water Sampling Results – Lead and Copper

**Key items for tomorrow to note are:**

- 10 American Red Cross Teams scheduled for Saturday, February 6, 2016.
- MDOC will begin setting up Kroger warehouse.

**Items to Note**

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.
- SBA declaration approved. SEOC Logistics will be working to identify office space in Flint for SBA staff.
- Recovery Branch estimate based on information collected last weekend is as follows:
  - 80 Complexes
  - 4170 Units
  - 2892 Assisted Living/Senior Housing (Dept of Aging)
- Information in DHHS Sit Rep is from GCCARD only, this information is not included in the daily totals.
- JIC issued a news release around 10 a.m. about the state of Michigan encouraging food establishments to take advantage free water safety inspections. The news release was picked up by the Associated Press and other news media outlets.
- JIC held a media event to encourage people to check out Flint area restaurants with Lt. Gov. Brian Calley and Michigan Department of Agriculture and Rural Development Director Jamie Clover Adams. Nine local and statewide news media members attended the event.
- Finance Section developed guidance for Flint Water Inter-Agency Coordinating Committee related to reimbursements for non-state employees.
- State Voluntary Agency Liaison (VAL) prepared list of NGOs involved in Flint for DHHS SERG grant application.

- State VAL worked on potential jobs funding with TIA via Dept of Labor.
- Question was asked from the Governor's office yesterday if commodities purchased could be returned. Per FEMA, any item such as filter, pitcher, cartridge etc. cannot be returned. Once procured via State RRF the state owns it - no returns. Water can be returned with 12 months remaining shelf life and in complete factory issued pallet w shrink wrap and the state will fund/ transport of returning water to the designated Distribution Center. FEMA will inspect all returning water prior to movement and water is limited to available storage space in the FEMA Distribution Centers which will range between 0-5 million liters. Quantity to be returned will be approved prior to movement based upon available space and known inbound inventory.
- DEQ finalized sentinel sampling plan to commence activities beginning February 10th, 2016.
  - DEQ received 12 iPads for deployment with teams for status tracking.

#### Unified Coordination Group (UCG):

- Met with the nutrition task force today on request from the state.
- Cleared up misinformation on areas that have not been covered.

#### Local EOC

- Coordinating rapid response deliveries to homebound residents and special locations.
- Developed floor plan proposal for new warehouse with warehouse workers.
- Recycling and water distribution event with MSU athletics.
- Establishing plan to provide public transit vouchers for travel to blood lead level test clinics.
- Work with Michigan Community Service Commission to align supplies and resources for PUR filter distribution effort next week.
- DEQ/Team Rubicon team visited 30 homes with water lead levels of 150 ppb.
- Developing plans for follow-up with residents at homes with water lead levels of 150 ppb.

**Subject:** SEOC Update 2/4/16 - Flint Water - Limited Distribution

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

#### Update 2/4/16 – 31<sup>st</sup> Day (30<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made. Special attention to apartments/multifamily residences.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.

- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Submit SBA application.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Attached:

1. Daily Summary of Data.
2. Sit Rep #30.

#### Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Friday, February 5, 2016.
- FWICC and Mission Flint meetings in Flint.

#### Items to Note

- 10 ARC Flint Water Response Teams to the field today. Continued priority is the apartment list from 2/2/16.
- Recovery Branch worked with county and postal partners to collect information about home vacancies and resident's with forwarded mail addresses in order to ensure we are contacting all occupied residences in the City of Flint.
- Recovery Branch supported the efforts of MSDHA to provide resources to tenants in their facilities.
- JIC issued a media advisory about federal lead for Flint water crisis Dr. Nicole Lurie to visit EPA's command post.
- MDHHS provided a representative to accompany the MDEQ team to the high lead homes in Flint. The MDHHS representative will encourage individuals to have blood lead testing and answer health questions as necessary.
- GIS is working to develop a field application for MDEQ and MDHHS for field collection of water test data and health data respectively.
- SBOC and MTED are working with Department of Labor to identify grants that may be available to assist with jobs programs (wages, training, overhead, and potentially equipment and leasing resources). DOC looking at prisoner re-entry programs for those returning to Flint area.

#### Unified Coordination Group (UCG):

- Working on improving communication flow between UCG and state partners.
- Attended long term recovery meeting held by state VAL.
  - Discussed MARC model and potential transition plan.

#### Local EOC

- Coordinating rapid response deliveries to homebound residents and special locations.
- Attended meeting with federal, state and local health and environmental agencies to establish process for notification of households with water test results that exceed 150 ppb.
- Attended two long term recovery planning meetings with SBOC staff, VOADs and local agencies (Flint Water Recovery Leadership group).
- Ensuring Community Access Center for the Deaf and Hard of Hearing receives appropriate supplies.
  - Briefed staff on site on filter installation and water sampling process.
- Clarified distribution process at city sites with Flint City Administrator's Office. Coordinating with Fire Department Quartermaster for supplying city sites.
- Addressing various public concerns, including identification of canvassing teams.
- Instituted credentialing verification process for 2-1-1 calls.

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

**Update 2/3/16 – 30<sup>th</sup> Day (29<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

**Mission focus for the day:**

- Refocus state agencies on objectives, tasks in the Incident Action Plan and how we get to the end state/shift to longer term recovery.
- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Submit SBA application – outstanding item is the certification of availability of financial assistance. Priority item for the a.m. so this can get submitted. Press release has been completed.

**Status on Governor's request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

**Attached:**

1. Daily Summary of Data, full version and abridged (New reporting format – we will ensure we give liters of water and cases in the future)
2. Residential Water Sampling Results Maps – Lead and Copper
3. SitRep 29

**Key items for tomorrow to note are:**

- 10 American Red Cross Teams scheduled for Thursday, February 4, 2016.
- Will continue to target residences from the Apartment List from 2/2/16

**Items to Note**

- Paired down the list of parcels not visited from 2400 to 958. Will continue on 2/4/16 to identify any parcels not visited. Some parcels contain multifamily residences and those types of residences are being reviewed and targeted to ensure coverage.
- MDOC is going to look into their job programs for any prisoners begin release back into the Flint area. This will be in conjunction with any other job programs identified. We are working with MTED on solutions.
- DEQ and DHHS will be going to residences with >150 ppb starting tomorrow. They will be checking residences next to the one with the high lead level to see if this is a single residence issue or a bigger issue affecting the block or line in an area. This will not initially include EPA as they did not seem interested in combining teams but we are working on more collaboration without slowing us down.
- DEQ will have a representative in the UCG starting 2/4/15.
- Discussed with UPS on ways they can assist with Rapid Response Team and filter replacements in the future.

- Additional warehouse will be put in service potentially Saturday. Seventh Day Adventist are potentially going to operate it or help with operations to phase out state agency personnel and make it more community run. The warehouse does include some office space if needed.
- 10 ARC Flint Water Response Teams to the field today.
- Team Priority Visited Today: Apartment List from 2/2/16
- SEOC Logistics worked with MDOC on their assistance with warehouse management and staffing for new warehouse. Reached out to Food Bank on their recommendation and coordination for hours/days of operation of new warehouse.
- SEOC Operations attended a donations management meeting to discuss the need for a consolidated list of donated goods.
- JIC strategized with the U.S. Department of Health and Human Services and Environmental Protection Agency on how to better coordinate public information.

#### Unified Coordination Group (UCG):

- UCG IAP approved today for the operational period 0800 2/2/16 to 0800 2/4/16.
- The Federal Health Coordinating Officer had a meeting today with Economic Development and Housing and Urban Development.
- EMHSD liaison provided information on Michigan EM structure to Command.
- State JIC manager now in the communication loop for the UCG.
- UCG discussed MARCs and potential implementation.
- Capt. Kelenske met with Don Boyce from US DHHS to discuss concerns with Federal HHS and EPA and how we can move forward with better collaboration and coordination. Boyce also met with Governor's Office staff on same. The meeting went well and a solid relationship is in place with Boyce. He is a direct report to Dr. Lurie and will provide her some context on the issues and how we can move forward. He will be a good POC to assist us with any shifts in direction needed at the federal level.

#### Local EOC

- Coordinated rapid response deliveries to homebound residents and special locations.
- Working on refining rapid response delivery process.
  - Preparing transition from Team Rubicon personnel to NCCC teams, and eventually Southern Baptist Disaster Relief.
  - Coordinating with ARC for logistics support to NCCC teams (AmeriCorp).
- Working with ARC to ensure resource needs of franchise customers at Sunridge Apartments complex in Flint Township are met.
- Coordinating with MDEQ to streamline test kit assembly process.
- Attended distribution plan meeting with faith-based organizations, state, and local agencies.
- Referring VOADs to appropriate volunteer management agencies.
- Addressing various public concerns, including availability of supplies at child care facilities.

Chris

# Damage Assessment and Emergency Status Report

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

## Operational Period

Operational Period Begin: 02/02/2016 08:00:00  
Operational Period End: 02/09/2016 08:00:00  
Situation Report No. 33  
SEOC Status: Full  
SEOC Hours of Operation Begin: 02/07/2016 08:00:00  
SEOC Hours of Operation End: 02/07/2016 20:00:00

## Executive Summary

### SEOC Update:

Accomplished today (February 7, 2016):

The SEOC continues to provide:

- Situational awareness.
- Common operating picture/objectives.
- Coordination with city/county.
- Potential coordination with federal agencies.
- Incident prioritization.
- Coordination of life/health safety measures.
- Resources.
- Public information control.

### Logistics:

- Fielded resource requests.
- Fielded Rapid Response requests.
- Fielded Governor's office request.
- Facilitated distribution team calls.
- Coordinating with SBA for office space in Warehouse #2.
- Still working on getting the supplies and equipment needed to make the second warehouse functional.
- Requested security for Warehouse #2.
- Updated Donations Guidelines to include Warehouse #2.
- Updated 204's to include Warehouse #2.

### JIC:

- Continued media and social media monitoring.
- Added Pierson Road Warehouse on the Donation Guidelines document on the website.
- Shared yesterday's numbers on social media.

### Recovery Branch:

- Attended Local Brief, SEOC State Agency Briefing Meetings, and Distribution Process Meetings.
- Worked with GIS to obtain a list of active water subscribers without filters who were marked as vacant in the field.
- Working on compiling one Access and Functional Needs list for long-term planning efforts.
- Team Priority Visited Today: Zero Contacts from Previous Sweeps List.
- Team Priority for Tomorrow: Active Water Subscribers without filters marked vacant.
- 10 American Red Cross teams scheduled for Monday, February 8.

• Data is for 2/7/16 as of 5:00 pm:

o Total homes visited:

□ 17,682 (round 3 total).

□ 1,121 (today).

o Water cases (liters calculated by multiplying # of cases x 12):

□ 124,032 liters or 10,336 cases (round 3 total).

□ 8,124 liters or 677 cases (today).

o Replacement cartridges:

□ 3,644 (round 3 total).

□ 312 (today).

o Faucet filters:

□ 7,185 (round 3 total).

□ 92 (today).

### Planning Section:

- Published Sit Rep # 33.
- Updated water projections to include long term donated water.
- Participated in daily meetings, local EOC, state agency briefing, and distribution process meeting.

### Operations Section:

- Address high copper test results - filters issued will not address copper and lead both.
- DEQ & DHHS indicate there are no major concerns with higher copper levels, everyone needs a certain amount of copper intake daily.
- Address request for LE for 10 State high lead home teams.
- Address MDARD activities in regard to testing pets.
- Additional information will be put out through the JIC.
- Advise of problem with EPA not coordinating with state team for high lead level.

Warehouse Numbers as of 1800:

- Water (liters):
  - 583,210 liters or 49,434 cases.
- Filters (faucet):
  - 50,096.
- Replacement cartridges:
  - 379,562.
- Test Kits (prepped):
  - 18,504.
- PODs (1700 2/6 – 1600 2/7):
  - Water (cases):
    - 54,492 liters or 4,541 cases.
  - Filters (faucet):
    - 76.
  - Replacement Cartridges:
    - 192.
  - Test Kits:
    - 65.

Finance Section:

- Begin updates to cost reports for upcoming week submittal.
- Notice to EMHSD staff concerning additional DCDS coding requested by State Budget Office for hours relating to City of Flint Emergency.
- Review FEMA RRF report for current costs and state cost match.
- Notice to Financial Unit regarding additional coding to be entered on any and all bills paid in relation to City of Flint Emergency.

GIS Branch Updates:

- Water Sampling Update Maps.
- MDARD Food Establishment Maps by Team Assignment Area.
- Worked Water Pressure Lines Digitization.
- Editing the field team data/POD data to put points inside respective polygons.
- JIC and Parcel Pairing Map.

DTMB:

- Continue to provide DTMB management with daily updates and resource requests received.
- Looking to secure office space for SBA Disaster Loan Outreach Center within the City of Flint.

DHHS-CH:

- The CHECC remains active at a Level 2, and continues to staff the hotline to answer any lead health-related questions referred by 2-1-1 in support of the GCHD.
- A team from the CDC arrived yesterday to work with MDHHS Bureau of Epidemiology.
- Inquired with the CHECC regarding GCHD participating in home visits for residences for which test results were greater than 150 PPB.
- DEQ provided SEOC with a list of the homes visited and it appeared that only the home that was listed included a visit by GCHD staff. The CHECC will be contacting the GCHD on Sunday to verify with the local Environmental Health POC, who is off today.

DEQ:

- Participation in Unified Coordination Group.
- Developed detail task list for SEOC DEQ desk.
- 223 samples received at the laboratory.

State Voluntary Agency Liaison (VAL):

- Working with State Agencies to determine if a need exists for their activities on the ground in Flint that could benefit from the potential local hire program.

Unified Coordination Group (UCG):

- Task Forces Health & Medical: working on creating a flow chart for visual of testing results.
- EPA conducted 11 filter grabs yesterday, and will be doing 2 today. This includes up to 33 samples per grab. A grab would be considered a location/residence. They are also following up on the AmeriCorps volunteers (2) that have rashes.

Local EOC:

- Establishing objectives and IAP for next operational period, 02/08/2016 – 02/12/2016.
- Awaiting additional information regarding companion animals with potential lead and chlorine poisoning from MDARD.
- Establishing plans for Elevated Copper Initial Assessment Task Force starting 02/08/2016 and follow-up outreach to homes with water lead levels over 150 ppb starting 02/10/2016.
- Aligning resources and supplies for Elevated Copper Initial Assessment Task Force and follow-up outreach to homes with water lead levels over 150 ppb.
- Analyzing locations of faith-based organizations and churches for integration into long-term recovery plans.

Injuries:

- February 2, 2016, a FEMA staff person injured his knee while picking up a small package. The staff person did not realize the extent of his injuries until today. He received a medical assessment at the Flint Hospital; an incident report will follow his assessment.
- On February 5, 2016, a Sergeant with the MDOC assigned to work at the Bell Warehouse was injured. The Sgt. was transported to Fire Station #6 to meet with an on-site ambulance and was transported to Hurley Medical Center. The Sgt. was evaluated, treated, and then released to report to a hospital closer to his home.

**Incident Response/Recovery Priorities/Objectives**

(Objectives are in order of priority with original objective number attached)

11. Ensure accurate tracking and accounting of all donations.
5. Continue to maintain adequate staffing to support operational requirements.
10. Collaborate with local and volunteer agency partners to solidify the Flint Water Operations Plan.
9. Enhance situational awareness and common operating picture of all activities.

8. Maintain coordination between partner agencies and organizations to include FEMA IMAT, FWCC, and the US Department of Health and Human Services Unified Coordination Group (UGC).
3. Improve and maintain the public information strategy and process.
6. Develop an overview of possible assistance programs.
4. Develop a long term public health and services plan.
7. Gather, analyze, and disseminate GIS data to develop products for future planning.
1. Ensure all households within impacted community have required resources and are included in DEQ water sampling plan.
2. Ensure accurate tracking and accounting of all commodities.

##### Damage Assessment Summary

## Agency Summaries

### Agriculture and Rural Development (MDARD)

MDARD issues for Sun, Feb 7

A new map with updated information has been developed for MDARD by SEOC-GIS, and will be used for additional follow up with food related businesses this week.

Concerns are being expressed about lead poisoning in service/companion animals since those might tend to be more with the functional needs population, who may be unable to afford blood testing of their animal. SEOC-OPS has requested information that could be put out publicly that may be an offer of assistance, if needed, for those concerned. That information could be provided to 211 who could then assist in getting them the appropriate and available help. MDARD will connect with their partners including MSU College of Veterinary Medicine and others on this issue and report back to OPS.

### American Red Cross (ARC)

The American Red Cross deployed 10 Water Response Teams on Sunday, 2/7/16, to attempt contact at those residences where no one had yet answered the door.

The Volunteer Reception Center (VRC) was in operation today, from 9am to 5pm. The VRC will be operating from 9-5 again on Monday.

No water test kits were assembled Saturday or Sunday. We anticipate that production will resume on Monday.

### Civil Rights (MDCR)

Continue to review activities to provide support and assistance to assigned Human Services branch and other SEOC entities. Maintaining media awareness regarding situation and community activities.

### Community Health (MDCH)

The CHECC remains active at a Level 2, and continues to staff the hotline to answer any lead health-related questions referred by 2-1-1 in support of the GCHD.

Coordinated with the CHECC to send MDHHS staff to the Genesee County EOC this upcoming week to accompany the DEQ teams that are conducting home visits for those residences that water tested above 150 PPB of lead. In addition, DEQ and MDHHS staff will be making initial visits to the homes on Monday and Tuesday that have tested above the 1300 PPB level for copper. DEQ has requested one health staff member per team going out each day, and the goal is to send 1 team on Monday, 1 team on Tuesday, and 10 teams on Wednesday.

Held afternoon conference call with CHECC leadership to discuss activities and updates. The CHECC continues to work diligently to strategize and develop a plan for a blood lead testing campaign for all children.

Confirmed that Ginna Holmes will be providing training to MDHHS staff in the CHECC that will be assisting her with donation management. Pam Strobel has offered to attend as well and provide access and instructions to use the new Donations board in MICIMS. Pam will also ensure that donations management is aligned with SEOC logistics.

Confirmed with the CHECC and the SEOC Operations Branch that Barbara Reynolds from CDC is no longer in Michigan but may return in the near future. If she returns and is available to provide training to state officials in the Governor's office and MDEQ staff, then that request will be considered and coordinated through the JIC (per the direction of SEOC Operations).

Requested that DEQ include the GCHD Environmental Health representative, who is in the GC LEOC today, in planning discussions regarding protocol development for elevated copper levels identified in water samples.

Participated on the Local EOC Call at the request of SEOC Operations Chief. Locals expressed concern over the 31 locations that have tested with copper levels above the EPA standard (1300 PPB). The LEOC requested that MDHHS and DEQ work with the JIC to enhance messaging on this topic. Held a conference call with the CHECC executive group to discuss this request. Copper information was located by the CDC ATSDR, and ATSDR was requested by the CHECC to assist with health messaging to the public. The MDHHS PIO will be coordinating with the JIC, DEQ and MDHHS on to accomplish this.

### Corrections (MDOC)

MDOC continued operations at both warehouses and all PODs were well supplied during the entire operational period.

MDOC continue to keep trucks dedicated to delivering to individual PODs and have Rapid Responses ready for any POD that gets to a critical level of supplies.

143 water samples were collected and delivered to the DEQ Lab in Lansing.

MDOC had 14 employees and one SAI work crew (6 trainees total) on the ground in Flint today.

In an effort to reduce overtime costs we are working on completing a critical staff review. All dedicated resources will be reviewed to determine if it is feasible to reduce staffing in lieu of volunteers wherever possible.

We are working with Finance and MDOC assets to capture total employee payroll information and expenditures.

### Environmental Quality (MDEQ)

The Department of Environmental Quality (DEQ) completed the following activities today:

☐ Research of copper reduction certified filtration systems. 31 homes with elevated copper results >1300ppb. Local EOC will coordinate contacting residents; provide bottled water and health information, retest and develop plans for reverse osmosis filtration installation.

☐

□ 143 samples were received at the laboratory

- Continued work on closing communication and administrative gaps.
- Produced tracking sheet for the request by U.S. Congressional Committee of Energy and Commerce.
- Reviewed upcoming deadlines from EPA Order tracking spreadsheet.
- Organization Chart was updated.
- Updated incident objectives to reflect activities for the upcoming week.

#### **Human Services (MDHS)**

Looking into filtration system for a child care institute, possibly through donation.

Passing on resource request for staff to assist with donation management mission.

Continue to review activities to provide support and assistance to Human Services branch and other SEOC entities.

#### **Licensing and Regulatory Affairs (LARA)**

Participated in briefings and updated the LARA Executive Team

LARA continues to monitor DEQ's test results for Health Care, Child Care, Adult Foster Care, HHS and MDE facilities and Schools. Review and finalization of Contract with plumbers via Plumbers and Pipefitters Local 370. Volunteer plumber will participate in copper testing teams on Monday, February 8.

Clarification of response outreach needs for Child Care, Adult Foster Care and other facilities was provided.

Translation services for various documents continue to be provided as needed.

#### **Military and Veterans Affairs (DMVA)**

##### **Commanders Situation Report (SITREP)**

1. DTG: 071300Z016

2. UNIT: Points of Distribution (PODs), TF FLINT (1-125 IN)

3. POC: Ssg Gazzeny, Darryl L. Cell: ' Email: armyinfantry31@yahoo.com

4. PRESENT LOCATION: Genesee County Local EOC, 1101 Beach St., Flint, MI, 48502

5. SITUATION OVERVIEW: 1-125 IN has ' Soldiers deployed to the Flint Water Crisis in support of Distribution Operations at the Points of Distributions (PODs). Daily operations consist of receiving, tracking, and issuing out water, filters, replacement filters, and water test kits.

6. OWN SITUATION DISPOSITION /STATUS: Currently 1-125 IN has oldiers on ground supporting the mission.

7. OPERATIONS: Operations for the next 24 hours are to sustain water/filter distributions throughout the 5 designated fire stations and track all distribution incoming and outgoing through the PODs.

a. Traffic signs are in place at all stations. Flint City Engineering with the aid of National Guard Soldiers, have placed signs in accordance with city code.

b. POD 5 has two generator lighting units from MDOT. All PODs now have sufficient lighting.

1. Fuel cans and fuel card have been requested through SEOC. Alternate methods may be considered.

c. Signs have been printed off for the POD Buildings. Requesting approval to get the signs laminated from the purchasing office.

1.) TF Flint OIC, 2LT Benke, will be seeking approval from CPT Bowles and Dana and/or Kim at the purchasing office for laminating.

d. Last 24hrs operation.

8. PERSONNEL: Soldiers are currently assigned to the POD operations. 58 Soldiers are assigned in five teams at Fire Stations 1, 3, 5, 6 and 8.

9. INTELLIGENCE / FORCE PROTECTION: No Force Protection intelligence at this time.

10. LOGISTICS: In support of TF Flint

a. In support of recycle project sponsored by Schupon, the special purpose recycle bags have now been incorporated into POD operations and being distributed.

b. Hotel issues have been resolved.

11. COMMUNICATIONS: No communications issues at this time.

P: RRF cell phones alternate for WRTs.

A: Personal cell phone

C: 800 MHz radios issued to PODs and WRTs.

E: Runner

12. NARRATIVE: N/A

### 13. COMMANDER'S EVALUATION:

- AAR and operational notes are being consolidated into SOP's to send to JOC to assist in updating the All Hazards Plan.
  - An operational handoff packet including SOP's, POC's, POD sector sketches, hand-receipts, and other operational notes is being built to assist the incoming unit.
  - OUT (last 24 hours)
- Bottled water-6834 Water (Gallons)-78 Lead Testing Kits-264  
Pitcher (23 cup)-0 Brita Faucet Filter-100 Brita Replacement Cartridge-161  
Pur Filter-36 Pur Replacement Filter-255

### National Weather Service (NWS)

NWS Detroit providing morning SEOC brief and Activity Log posts. Jim Maczko from NWS Grand Rapids will be the contact point for any changes in NWS Support and will also continue to update the Sit Rep Executive Summary as needed.

Participation in afternoon SEOC briefings is planned only if significant changes in the forecast occur.

### Natural Resources (MDNR)

MDNR LED continues to support its QOL partners with staffing at the SEOC.

Department POC's include:

Chief Gary Hagler, F/Lt. Jennifer Wolf, F/Lt. Steven B. Burton.

### Services to the Aging (OSA)

Valley Area Agency on Aging (VAAA) continues to receive phone calls from concerned seniors in Flint and continues to make referrals to the Genesee Co. EOC for water and filter follow-up.

VAAA's local Nursing Home Ombudsman continues to monitor Flint area Nursing Homes to ensure residents have access to safe water.

Contact info for VAAA Executive Director is:

Kathryn C. Boles  
President, CEO  
Valley Area Agency on Aging  
225 E. Fifth Street, Suite 200  
Flint, MI 48502  
(810) 239-7671  
(810) 239-8869 fax

### State Police (MSP)

The MSP position within the SEOC will be staffed at MSP Operations at HQ. All e-mails to MSP-EOC-MDSP@michigan.gov are being forwarded to the Operations Lt. The phone number for the on duty Operations Lieutenant is 517-241-8000

### Technology, Management and Budget (MDTMB)

Continue to provide DTMB management with daily updates and resource requests received.

Looking to secure office space for SBA Disaster Loan Outreach Center within the City of Flint.

### Transportation (MDOT)

Providing 2 portable light tower generators to Fire Station #5 on Western Rd.

Facilitated with the City of Flint Public Works to deploy signs and barricades at Fire Station #1, #5, and #8 to assist with traffic flow through parking lots.

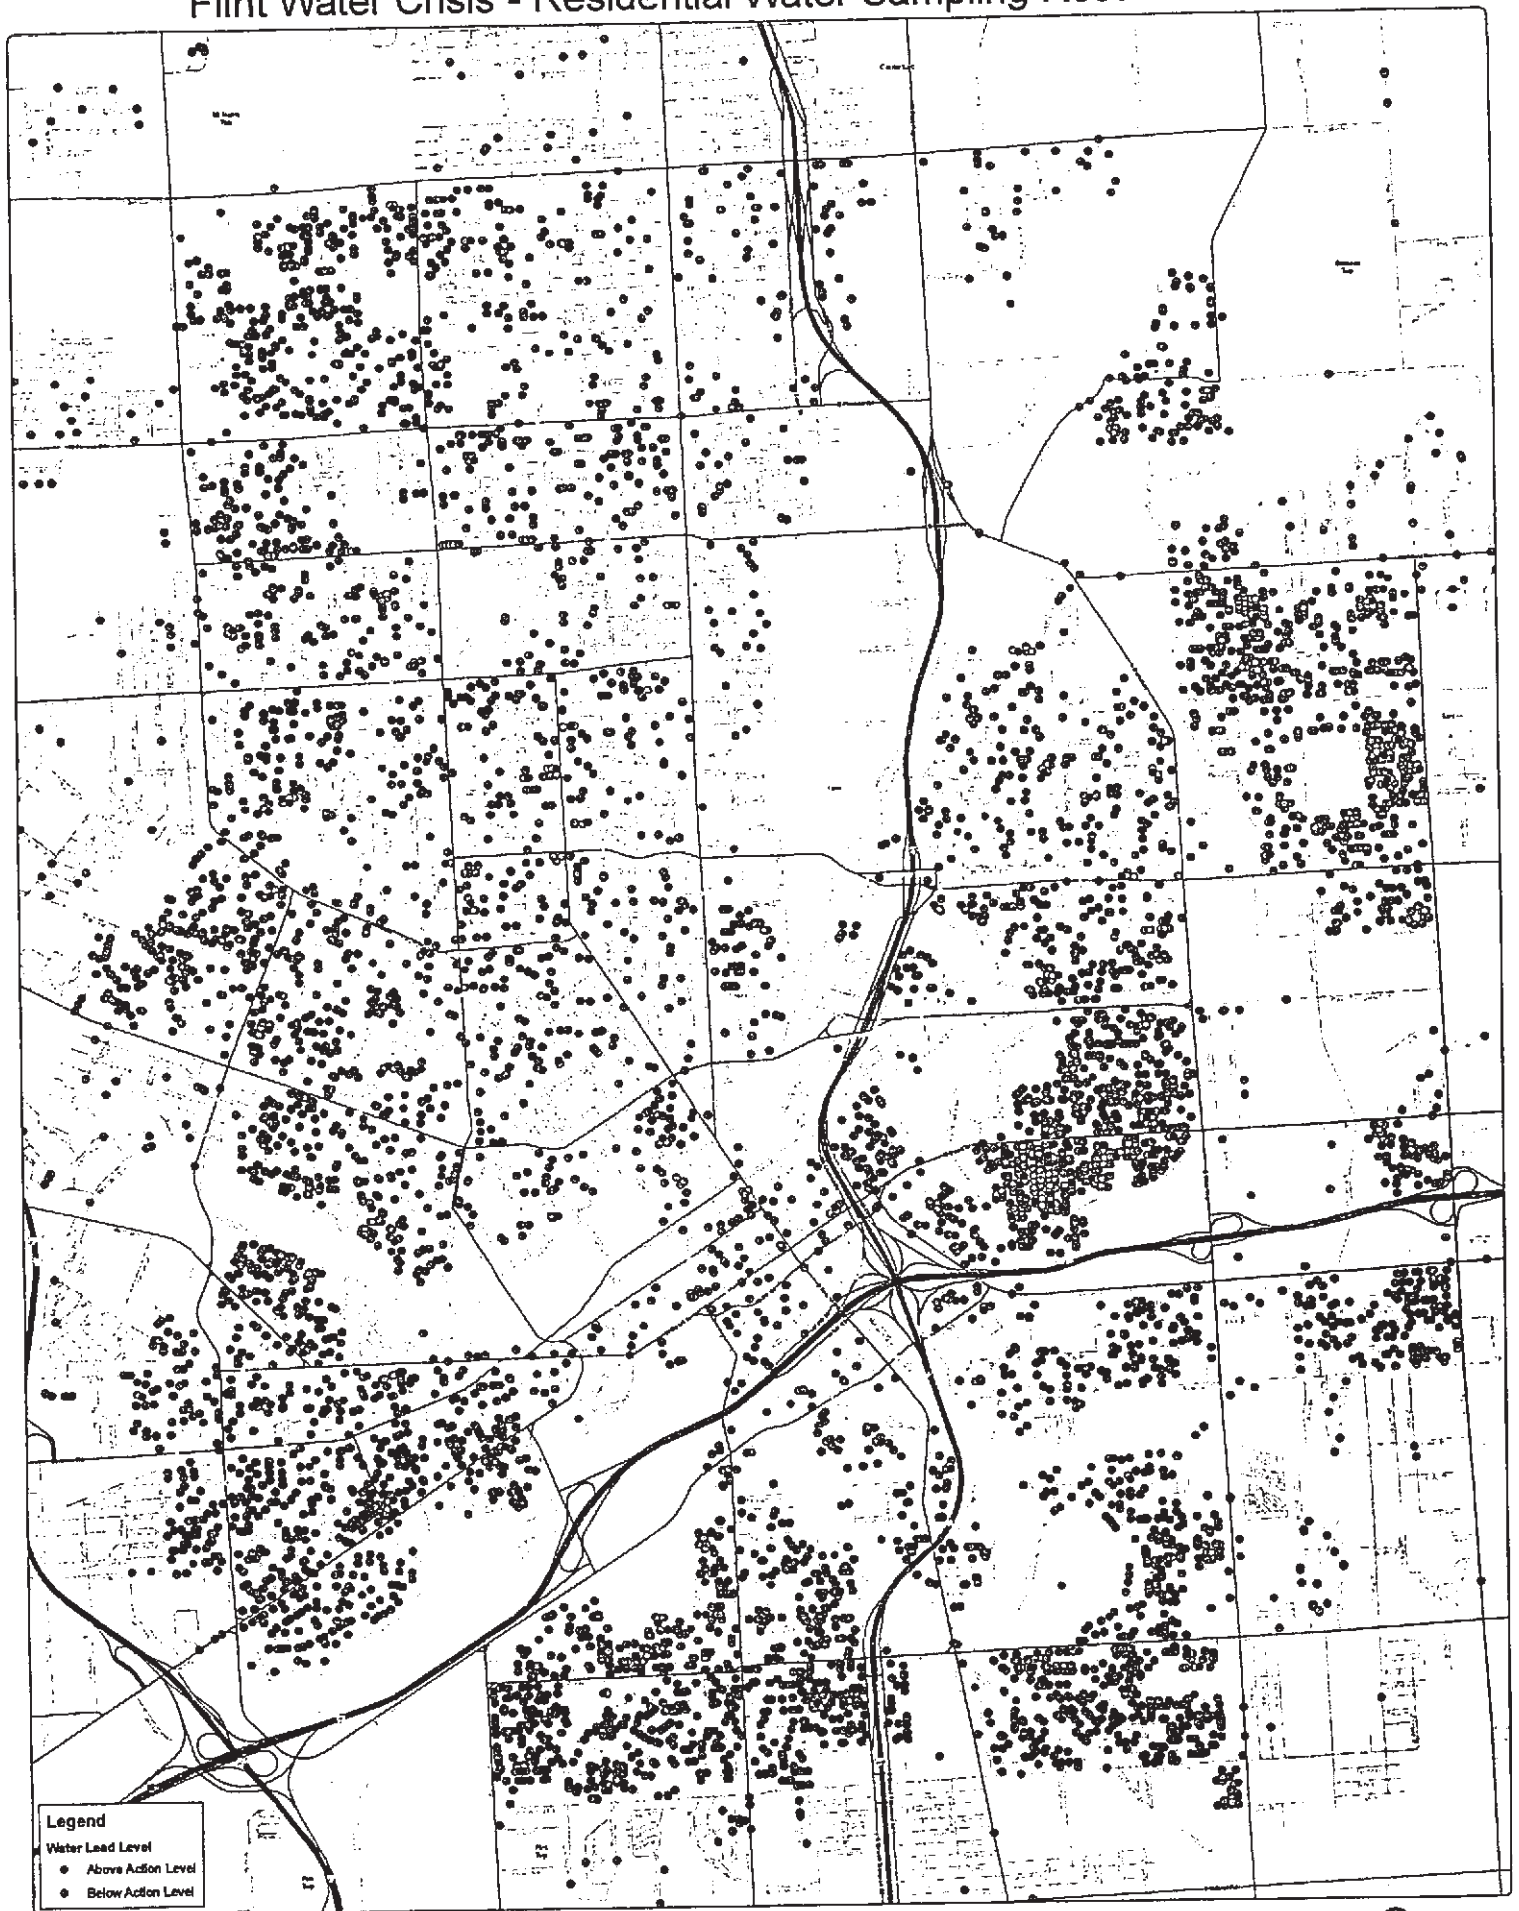

Providing traffic measures at Fire Station #6 on Pierson Rd. and Fire Station #3 on Martin Luther King Blvd:  
-4 (3' x 5') standard signs fabricated and set up to replace 4 portable changeable message boards (2 each site)  
-100 grabber traffic cones (narrow reflective cones) (50 each site).

Continuing to maintain situational awareness and responding to issues regarding equipment and road conditions.

### Update 2/7/16 – 34<sup>th</sup> Day (33<sup>rd</sup> Full Day) After Governor's Declaration of an Emergency

#### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Soft opening of secondary state warehouse; clean and prep for SBA staff.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Attached:

1. Daily Summary of Data – Note two new reports: GovReport
2. Sit Rep #33.
3. Maps: Residential Water Sampling Results – Lead and Copper

#### Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Monday, February 8, 2016.
- The new warehouse will be operational on Monday, February 8, 2016 and managed by MDOC.

### Items to Note

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.
- State VAL is working on the Category B and Individuals and Households appeal.
- There continues to be a concern that EPA refuses to work with the state teams in addressing the high lead level homes.
- Genesee County EM expressed concerns about lead poisoning in service/companion animals. MDARD has initiated contact with their partners to address this concern.
- 28 addresses have copper testing that exceeds the "action level" (1,300 ppb). DHHS is currently working on messaging regarding this issue, and DEQ is discussing filtering options.

### Unified Coordination Group (UCG):

- Task Forces Health & Medical: working on creating a flow chart for visual of testing results.
- EPA conducted 11 filter grabs yesterday, and will be doing 2 today. This includes up to 33 samples per grab. A grab would be considered a location/residence. They are also following up on the AmeriCorps volunteers (2) that have rashes.

### Local EOC

- Establishing objectives and IAP for next operational period, 02/08/2016 – 02/12/2016.
- Awaiting additional information regarding companion animals with potential lead and chlorine poisoning from MDARD.
- Establishing plans for Elevated Copper Initial Assessment Task Force starting 02/08/2016 and follow-up outreach to homes with water lead levels over 150 ppb starting 02/10/2016.
- Aligning resources and supplies for Elevated Copper Initial Assessment Task Force and follow-up outreach to homes with water lead levels over 150 ppb.
- Analyzing locations of faith-based organizations and churches for integration into long-term recovery plans.

Chris

### Update 2/6/16 – 33<sup>rd</sup> Day (32<sup>nd</sup> Full Day) After Governor's Declaration of an Emergency

The link below is a new video published today by 211. This is part of the Rapid Response Teams currently staffed by Team Rubicon.

<https://www.youtube.com/watch?v=P5Orqzc5efg>

### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.

- Soft opening of secondary state warehouse; clean and prep for SBA staff.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Attached:

1. Daily Summary of Data.
2. Sit Rep #32.
3. Maps: Residential Water Sampling Results – Lead and Copper

#### Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Sunday, February 7, 2016.
- MDOC will continue setting up the new warehouse.

#### Items to Note

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.
- JIC posted the AIA Flint Safe Water Storage Guideline flyers on MI CIMS under internal documents.
- SBOC Logistics is working to secure space in new warehouse for SBA office, additional information needed from SBA.
- GIS geocoded and cleansed addresses for food establishments in the Flint Metro Area.
- GIS digitized water service lines coded by pressure from paper map onto digital map.
- State VAL is working on the Category B and Individuals and Households appeal.
- MOU with Seventh Day Adventist for donations management currently under review.
- MDARD is planning for additional follow up with food related businesses as water test results come in; new maps with updated information will help with future prioritization.
- MDARD will attend a USDA-Natural Resources Conservation Service press conference to be held on Monday; NRCS will be announcing funds to support community gardens and local foods.
- A team from the CDC arrived yesterday to work with MDHHS Bureau of Epidemiology. Their work began today by beginning to analyze data for the development of long term surveillance strategies that will look to link blood lead level results to specific populations, to include vulnerable and at-risk populations.
- LARA continues to monitor DEQ's test results for Health Care, Child Care, Adult Foster Care, HHS and MDE facilities and Schools.
- Freeman Elementary was tested today (2/6/15) by DEQ/LARA staff members.

#### Unified Coordination Group (UCG):

- Attended 3 matrix review meetings, taskforce leads gave status updates on the original requests/asks sent from the State to Federal government.
- UCG POC will update the objectives with current status once completed by the information cell.
- EPA has 4 teams going out today, 17 filter grabs, a sequential sampling, and walk in requests.
- Additional phosphorus results remain consistent with previous reports. Appears the coating is working in the pipes.
- Multiple Hispanic events are taking place in the community and will be attended by federal staff.
- CDC recommendation should go out today for blood level testing for children under the age of 6.

#### Local EOC

- Finalized DEQ outreach at homes with water lead levels above 150 ppb.
- Developing plan for outreach at homes with water lead levels of 100 to 149 ppb.
- Will start outreach at homes with water lead levels of 100 to 149 ppb with one group on Monday.
- Potentially following up on initial outreach at homes with water lead levels of 100 to 149 ppb 10 strike teams for evaluation of plumbing system, water sampling, etc. starting Wednesday.
- Evaluating need to address health needs of companion animals in households exceeding water lead levels above 100 ppb.
- Awaiting clarification regarding effectiveness of filter systems for removal of copper.

Below is a summary of Federal Teams in the field during next operational period until 2/10 per the UCG.

Public Health Support Team (PHST) (US HHS) stationed at GCHD

9 personnel

- Develop engagement strategy for GCHD to facilitate outreach efforts to the community members and community partners.
- Development database for incoming calls to standardize the responses to caller queries; develop resource list for GCHD.
- Two personnel will facilitate case management follow up on results from GCHD concerning water samples with high home water lead levels.
- Provide technical assistance and community health outreach support to GCHD and to the EPA field team during water sampling and rash investigations.
- Create email groups for email messaging blasts to community partners.

Behavior Health Team (US HHS) stationed at GCHD

4 personnel

- Develop Behavior Health Surveillance Plan and Gap Assessment.
- Provide Behavioral Health Support for community-based health and human service providers.

EPA Sampling Teams out in the field

3 teams with 3 personnel,

- Identify sampling locations based on State DEQ requests and/or inquiries from residents, schedule visits with residents.
- Develop facts sheets based on high lead homes and other facts sheets, as needed.
- Provide risk communications and test results to residents.
- Conduct sequential, filter pilot, and distribution system sampling.

High Lead Home Strike Team out in the field

5 personnel

One MDEQ rep (Taylor) with EPA high lead team.

- Conduct water sampling at residences with rash complaints
- High lead homes with no contact information

MDEQ (Provided by Mark Ducharme) out in the field

- One Initial Outreach Visit team consisting of 1 DEQ rep (Oeming) and 1 MDHHS rep (Groetsch), supported by 2 team Rubicon, 1 city of Flint PD escort, and 1 Penske truck loaded with commodities.

Genesee County Health Department team out in the field

1 team with 2 personnel One LHD person (EH), One EPA person (for sampling)

- Responding to high lead homes – Made contact with all homes 150 ppb last Wednesday and will continue as long as they have resources.

Chris

**Subject:** SEOC Update 2/5/16 - Flint Water - Limited Distribution

**Update 2/5/16 – 32<sup>nd</sup> Day (31<sup>st</sup> Full Day) After Governor's Declaration of an Emergency**

**Mission focus for the day:**

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made. Special attention to apartments/multifamily residences.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Prepare of opening of secondary state warehouse

**Status on Governor's request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

**Attached:**

1. Daily Summary of Data (NG field is showing 0 which is not correct). NG personnel are still at the PODs.
2. Sit Rep #31.
3. Maps: Residential Water Sampling Results – Lead and Copper

**Key items for tomorrow to note are:**

- 10 American Red Cross Teams scheduled for Saturday, February 6, 2016.
- MDOC will begin setting up Kroger warehouse.

**Items to Note**

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.

- SBA declaration approved. SEOC Logistics will be working to identify office space in Flint for SBA staff.
- Recovery Branch estimate based on information collected last weekend is as follows:
  - 80 Complexes
  - 4170 Units
  - 2892 Assisted Living/Senior Housing (Dept of Aging)
- Information in DHHS Sit Rep is from GCCARD only, this information is not included in the daily totals.
- JIC issued a news release around 10 a.m. about the state of Michigan encouraging food establishments to take advantage free water safety inspections. The news release was picked up by the Associated Press and other news media outlets.
- JIC held a media event to encourage people to check out Flint area restaurants with Lt. Gov. Brian Calley and Michigan Department of Agriculture and Rural Development Director Jamie Clover Adams. Nine local and statewide news media members attended the event.
- Finance Section developed guidance for Flint Water Inter-Agency Coordinating Committee related to reimbursements for non-state employees.
- State Voluntary Agency Liaison (VAL) prepared list of NGOs involved in Flint for DHHS SERG grant application.
- State VAL worked on potential jobs funding with TIA via Dept of Labor.
- Question was asked from the Governor's office yesterday if commodities purchased could be returned. Per FEMA, any item such as filter, pitcher, cartridge etc. cannot be returned. Once procured via State RRF the state owns it - no returns. Water can be returned with 12 months remaining shelf life and in complete factory issued pallet w shrink wrap and the state will fund/transport of returning water to the designated Distribution Center. FEMA will inspect all returning water prior to movement and water is limited to available storage space in the FEMA Distribution Centers which will range between 0-5 million liters. Quantity to be returned will be approved prior to movement based upon available space and known inbound inventory.
- DEQ finalized sentinel sampling plan to commence activities beginning February 10th, 2016.
  - DEQ received 12 iPads for deployment with teams for status tracking.

#### Unified Coordination Group (UCG):

- Met with the nutrition task force today on request from the state.
- Cleared up misinformation on areas that have not been covered.

#### Local EOC

- Coordinating rapid response deliveries to homebound residents and special locations.
- Developed floor plan proposal for new warehouse with warehouse workers.
- Recycling and water distribution event with MSU athletics.
- Establishing plan to provide public transit vouchers for travel to blood lead level test clinics.
- Work with Michigan Community Service Commission to align supplies and resources for PUR filter distribution effort next week.
- DEQ/Team Rubicon team visited 30 homes with water lead levels of 150 ppb.
- Developing plans for follow-up with residents at homes with water lead levels of 150 ppb.

  - Includes filter replacement strategies.
- Submit SBA application.

**Status on Governor’s request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

**Attached:**

1. Daily Summary of Data.
2. Sit Rep #30.

**Key items for tomorrow to note are:**

- 10 American Red Cross Teams scheduled for Friday, February 5, 2016.
- FWICC and Mission Flint meetings in Flint.

**Items to Note**

- 10 ARC Flint Water Response Teams to the field today. Continued priority is the apartment list from 2/2/16.
- Recovery Branch worked with county and postal partners to collect information about home vacancies and resident’s with forwarded mail addresses in order to ensure we are contacting all occupied residences in the City of Flint.
- Recovery Branch supported the efforts of MSDHA to provide resources to tenants in their facilities.
- JIC issued a media advisory about federal lead for Flint water crisis Dr. Nicole Lurie to visit EPA’s command post.
- MDHHS provided a representative to accompany the MDEQ team to the high lead homes in Flint. The MDHHS representative will encourage individuals to have blood lead testing and answer health questions as necessary.
- GIS is working to develop a field application for MDEQ and MDHHS for field collection of water test data and health data respectively.

- SEOC and MTED are working with Department of Labor to identify grants that may be available to assist with jobs programs (wages, training, overhead, and potentially equipment and leasing resources). DOC looking at prisoner re-entry programs for those returning to Flint area.

#### Unified Coordination Group (UCG):

- Working on improving communication flow between UCG and state partners.
- Attended long term recovery meeting held by state VAL.
  - Discussed MARC model and potential transition plan.

#### Local EOC

- Coordinating rapid response deliveries to homebound residents and special locations.
- Attended meeting with federal, state and local health and environmental agencies to establish process for notification of households with water test results that exceed 150 ppb.
- Attended two long term recovery planning meetings with SEOC staff, VOADs and local agencies (Flint Water Recovery Leadership group).
- Ensuring Community Access Center for the Deaf and Hard of Hearing receives appropriate supplies.
  - Briefed staff on site on filter installation and water sampling process.
- Clarified distribution process at city sites with Flint City Administrator's Office. Coordinating with Fire Department Quartermaster for supplying city sites.
- Addressing various public concerns, including identification of canvassing teams.
- Instituted credentialing verification process for 2-1-1 calls.

Chris

### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

#### Update 2/3/16 – 30<sup>th</sup> Day (29<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Refocus state agencies on objectives, tasks in the Incident Action Plan and how we get to the end state/shift to longer term recovery.
- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Submit SBA application – outstanding item is the certification of availability of financial assistance. Priority item for the a.m. so this can get submitted. Press release has been completed.

##### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.

- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Attached:

1. Daily Summary of Data, full version and abridged (New reporting format – we will ensure we give liters of water and cases in the future)
2. Residential Water Sampling Results Maps – Lead and Copper
3. SitRep 29

Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Thursday, February 4, 2016.
- Will continue to target residences from the Apartment List from 2/2/16

Items to Note

- Paired down the list of parcels not visited from 2400 to 958. Will continue on 2/4/16 to identify any parcels not visited. Some parcels contain multifamily residences and those types of residences are being reviewed and targeted to ensure coverage.
- MDOC is going to look into their job programs for any prisoners begin release back into the Flint area. This will be in conjunction with any other job programs identified. We are working with MTED on solutions.
- DEQ and DHHS will be going to residences with >150 ppb starting tomorrow. They will be checking residences next to the one with the high lead level to see if this is a single residence issue or a bigger issue affecting the block or line in an area. This will not initially include EPA as they did not seem interested in combining teams but we are working on more collaboration without slowing us down.
- DEQ will have a representative in the UCG starting 2/4/15.
- Discussed with UPS on ways they can assist with Rapid Response Team and filter replacements in the future.
- Additional warehouse will be put in service potentially Saturday. Seventh Day Adventist are potentially going to operate it or help with operations to phase out state agency personnel and make it more community run. The warehouse does include some office space if needed.
- 10 ARC Flint Water Response Teams to the field today.
- Team Priority Visited Today: Apartment List from 2/2/16
- SEOC Logistics worked with MDOC on their assistance with warehouse management and staffing for new warehouse. Reached out to Food Bank on their recommendation and coordination for hours/days of operation of new warehouse.
- SEOC Operations attended a donations management meeting to discuss the need for a consolidated list of donated goods.
- JIC strategized with the U.S. Department of Health and Human Services and Environmental Protection Agency on how to better coordinate public information.

Unified Coordination Group (UCG):

- UCG IAP approved today for the operational period 0800 2/2/16 to 0800 2/4/16.
- The Federal Health Coordinating Officer had a meeting today with Economic Development and Housing and Urban Development.
- EMHSD liaison provided information on Michigan EM structure to Command.
- State JIC manager now in the communication loop for the UCG.
- UCG discussed MARCs and potential implementation.
- Capt. Kelenske met with Don Boyce from US DHHS to discuss concerns with Federal HHS and EPA and how we can move forward with better collaboration and coordination. Boyce also met with Governor's Office staff on same. The meeting went well and a solid relationship is in place with Boyce. He is a direct report to Dr. Lurie and

will provide her some context on the issues and how we can move forward. He will be a good POC to assist us with any shifts in direction needed at the federal level.

#### Local EOC

- Coordinated rapid response deliveries to homebound residents and special locations.
- Working on refining rapid response delivery process.
  - Preparing transition from Team Rubicon personnel to NCCC teams, and eventually Southern Baptist Disaster Relief.
  - Coordinating with ARC for logistics support to NCCC teams (AmeriCorp).
- Working with ARC to ensure resource needs of franchise customers at Sunridge Apartments complex in Flint Township are met.
- Coordinating with MDEQ to streamline test kit assembly process.
- Attended distribution plan meeting with faith-based organizations, state, and local agencies.
- Referring VOADs to appropriate volunteer management agencies.
- Addressing various public concerns, including availability of supplies at child care facilities.

### **Flint Water Daily Update Updated Feb. 8**

#### **Current Issues Talking Points**

##### **State partners with Flint human service groups to assist with water testing**

- Water testing teams need extra hands to get the job done in a timely manner.
- The new partnership between the state and Flint area organizations - Orchards Children's Services and Flint YMCA's Safe Places Program – will hire and train 50 Flint residents this month to help conduct water tests for their fellow community member across the city.
  - More residents will be hired as more work is identified.
- The partnership is part of a comprehensive effort to help ensure Flint families benefit from both short-term and long-term opportunities created by relief efforts.
- Comprehensive water testing is a necessary step along Flint's road to recovery.
- The health, safety and well-being of Flint families remains a top priority as we work together to ensure progress in the city.
- Free water testing kits are also still available at Fire Stations 1,3,5,6, and 8. Water samples should be returned to the fire stations for testing.
- Until water is declared safe, people should continue to follow established safety protocols.

##### **Governor invited to testify at Congressional Hearing**

- The Governor received an invitation to testify at the Democratic Steering and Policy Committee hearing in Washington D.C. next week.
- The Governor has denied the invitation as he will be giving the formal FY 2017 budget presentation the same day in Lansing.
- As part of the budget proposal, the Governor will outline long-term funding efforts to aide in Flint's recovery.
- To date, the state has allocated \$37.3 million in emergency funding for Flint.

- The Governor also proposed and the Senate has approved an additional \$30 million the city could use to help relieve Flint residents of a portion of their water bill.
  - The \$30 million recommendation must also be approved by the House before it going into effect.

**Subject:** Monday, Feb. 8 update from the Flint Water Response Team

# FLINT WATER RESPONSE TEAM

UPDATE | MONDAY, FEBRUARY 8, 2016

This daily update is being issued in order to provide the latest information regarding actions and available resources.

### Michigan partners with Flint human service groups to hire 50 Flint residents to assist with water testing

Flint residents will be hired to assist with water testing under a new partnership forged Friday between the state and Flint human service groups. The partnership with Orchards Children's Services and Flint YMCA's Safe Places Program will help hire and train 50 residents this month to fill jobs on teams helping conduct water tests across the city. [Details on how to apply are available here.](#)

### CBS: Flint residents will be hired to help test water

Flint families need critical clean water resources. Since January 9, the state has distributed:

- 293,809 cases of bottled water
- 104,256 water filters
- 210,596 replacement cartridges
- 35,499 water testing kits

## REMINDERS

- For Flint water assistance: Dial United Way 211 or visit [www.mi.gov/FlintWater](http://www.mi.gov/FlintWater)
- To donate or volunteer: visit [www.HelpForFlint.com](http://www.HelpForFlint.com)
- Residents should install filters to their taps to ensure they have immediate and ongoing access to safe water. Only run cold water through the water filter and use filtered water for drinking and cooking. Monitor the cartridge on the filter and replace as needed.

## WATER RESOURCE LOCATIONS

These sites are open seven days a week from 9 a.m. to 9 p.m. with the following resources:

- Bottled water
- Water filters
- Replacement cartridges for water filters
- Water testing kits pick-up
- Drop-off location for water testing kits

Fire Station #1  
310 East 5th St.  
Flint, MI 48502

Fire Station #3  
1525 Martin Luther King Ave.  
Flint, MI 48503

Fire Station #5  
3402 Western Rd.  
Flint, MI 48506

Fire Station #6  
716 West Pierson Rd.  
Flint, MI 48505

Fire Station #8  
202 East Atherton Rd.  
Flint, MI 48507

We will continue to work to improve the water situation in Flint. Community members and local officials are working together to make sure we hear and respond to concerns. Governor Snyder will continue to keep you updated on the latest news and information. **If you don't find the resources you need by dialing United Way 211 please call the Governor's office directly at 517-335-7858.**

### **Update 2/8/16 – 35<sup>th</sup> Day (34<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

#### **Mission focus for the day:**

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Open secondary state warehouse.

#### **Status on Governor's request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### **Attached:**

1. Governor's Report for 2/8/2016.
2. Sit Rep #34.

#### **Key items for tomorrow to note are:**

- Team Priority Scheduled Tomorrow: Active Water Subscribers without filters marked vacant
- 10 American Red Cross Teams scheduled for Tuesday, February 9
- Congressional and Legislative Call, 2:30 PM

#### **Items to Note**

- JIC Drafted a news release about the team visiting homes with high copper levels. Anticipate releasing tomorrow.
- SEOC Logistics had a conference call with Seventh Day Adventists on agreement and staffing for new warehouse.
- SEOC Planning developed a new Incident Action Plan for Operation Period from 2/9-2/16/2016.
- Requested monetary donation information from United Way and Community Foundation of Greater Flint.
- GIS develop an online application for Governor Snyder to view maps.

Unified Coordination Group (UCG):

- No updates.

Local EOC

- Establishing objectives and IAP for next operational period, 02/08/2016 – 02/12/2016.
- Awaiting additional information regarding companion animals with potential lead and chlorine poisoning from MDARD.
- Establishing plans for Elevated Copper Initial Assessment Task Force starting 02/08/2016 and follow-up outreach to homes with water lead levels over 150 ppb starting 02/10/2016.
- Aligning resources and supplies for Elevated Copper Initial Assessment Task Force and follow-up outreach to homes with water lead levels over 150 ppb.
- Analyzing locations of faith-based organizations and churches for integration into long-term recovery plans.

Chris

Update 2/7/16 – 34<sup>th</sup> Day (33<sup>rd</sup> Full Day) After Governor's Declaration of an Emergency

Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Soft opening of secondary state warehouse; clean and prep for SBA staff.

Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Attached:

1. Daily Summary of Data – Note two new reports: GovReport
2. Sit Rep #33.
3. Maps: Residential Water Sampling Results – Lead and Copper

Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Monday, February 8, 2016.
- The new warehouse will be operational on Monday, February 8, 2016 and managed by MDOC.

Items to Note

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.
- State VAL is working on the Category B and Individuals and Households appeal.
- There continues to be a concern that EPA refuses to work with the state teams in addressing the high lead level homes.
- Genesee County EM expressed concerns about lead poisoning in service/companion animals. MDARD has initiated contact with their partners to address this concern.
- 28 addresses have copper testing that exceeds the "action level" (1,300 ppb). DHHS is currently working on messaging regarding this issue, and DEQ is discussing filtering options.

Unified Coordination Group (UCG):

- Task Forces Health & Medical: working on creating a flow chart for visual of testing results.
- EPA conducted 11 filter grabs yesterday, and will be doing 2 today. This includes up to 33 samples per grab. A grab would be considered a location/residence. They are also following up on the AmeriCorps volunteers (2) that have rashes.

Local EOC

- Establishing objectives and IAP for next operational period, 02/08/2016 – 02/12/2016.
- Awaiting additional information regarding companion animals with potential lead and chlorine poisoning from MDARD.
- Establishing plans for Elevated Copper Initial Assessment Task Force starting 02/08/2016 and follow-up outreach to homes with water lead levels over 150 ppb starting 02/10/2016.
- Aligning resources and supplies for Elevated Copper Initial Assessment Task Force and follow-up outreach to homes with water lead levels over 150 ppb.
- Analyzing locations of faith-based organizations and churches for integration into long-term recovery plans.

Chris

Update 2/6/16 – 33<sup>rd</sup> Day (32<sup>nd</sup> Full Day) After Governor's Declaration of an Emergency

The link below is a new video published today by 211. This is part of the Rapid Response Teams currently staffed by Team Rubicon.

<https://www.youtube.com/watch?v=P5Orqzc5efg>

Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.

- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Soft opening of secondary state warehouse; clean and prep for SBA staff.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Attached:

1. Daily Summary of Data.
2. Sit Rep #32.
3. Maps: Residential Water Sampling Results – Lead and Copper

#### Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Sunday, February 7, 2016.
- MDOC will continue setting up the new warehouse.

#### Items to Note

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.
- JIC posted the AIA Flint Safe Water Storage Guideline flyers on MI CIMS under internal documents.
- SBOC Logistics is working to secure space in new warehouse for SBA office, additional information needed from SBA.
- GIS geocoded and cleansed addresses for food establishments in the Flint Metro Area.
- GIS digitized water service lines coded by pressure from paper map onto digital map.
- State VAL is working on the Category B and Individuals and Households appeal.
- MOU with Seventh Day Adventist for donations management currently under review.
- MDARD is planning for additional follow up with food related businesses as water test results come in; new maps with updated information will help with future prioritization.
- MDARD will attend a USDA-Natural Resources Conservation Service press conference to be held on Monday; NRCS will be announcing funds to support community gardens and local foods.
- A team from the CDC arrived yesterday to work with MDHHS Bureau of Epidemiology. Their work began today by beginning to analyze data for the development of long term surveillance strategies that will look to link blood lead level results to specific populations, to include vulnerable and at-risk populations.
- LARA continues to monitor DEQ's test results for Health Care, Child Care, Adult Foster Care, HHS and MDE facilities and Schools.
- Freeman Elementary was tested today (2/6/15) by DEQ/LARA staff members.

#### Unified Coordination Group (UCG):

- Attended 3 matrix review meetings, taskforce leads gave status updates on the original requests/asks sent from the State to Federal government.
- UCG POC will update the objectives with current status once completed by the information cell.
- EPA has 4 teams going out today, 17 filter grabs, a sequential sampling, and walk in requests.
- Additional phosphorus results remain consistent with previous reports. Appears the coating is working in the pipes.
- Multiple Hispanic events are taking place in the community and will be attended by federal staff.
- CDC recommendation should go out today for blood level testing for children under the age of 6.

#### Local EOC

- Finalized DEQ outreach at homes with water lead levels above 150 ppb.
- Developing plan for outreach at homes with water lead levels of 100 to 149 ppb.
- Will start outreach at homes with water lead levels of 100 to 149 ppb with one group on Monday.
- Potentially following up on initial outreach at homes with water lead levels of 100 to 149 ppb 10 strike teams for evaluation of plumbing system, water sampling, etc. starting Wednesday.
- Evaluating need to address health needs of companion animals in households exceeding water lead levels above 100 ppb.
- Awaiting clarification regarding effectiveness of filter systems for removal of copper.

**Below is a summary of Federal Teams in the field during next operational period until 2/10 per the UCG.**

Public Health Support Team (PHST) (US HHS) stationed at GCHD

9 personnel

- Develop engagement strategy for GCHD to facilitate outreach efforts to the community members and community partners.
- Development database for incoming calls to standardize the responses to caller queries; develop resource list for GCHD.
- Two personnel will facilitate case management follow up on results from GCHD concerning water samples with high home water lead levels.
- Provide technical assistance and community health outreach support to GCHD and to the EPA field team during water sampling and rash investigations.
- Create email groups for email messaging blasts to community partners.

Behavior Health Team (US HHS) stationed at GCHD

4 personnel

- Develop Behavior Health Surveillance Plan and Gap Assessment.
- Provide Behavioral Health Support for community-based health and human service providers.

EPA Sampling Teams out in the field

3 teams with 3 personnel,

- Identify sampling locations based on State DEQ requests and/or inquiries from residents, schedule visits with residents.
- Develop facts sheets based on high lead homes and other facts sheets, as needed.
- Provide risk communications and test results to residents.
- Conduct sequential, filter pilot, and distribution system sampling.

High Lead Home Strike Team out in the field

5 personnel

One MDEQ rep (Taylor) with EPA high lead team.

- Conduct water sampling at residences with rash complaints
- High lead homes with no contact information

MDEQ (Provided by Mark Ducharme) out in the field

- One Initial Outreach Visit team consisting of 1 DEQ rep (Oeming) and 1 MDHHS rep (Groetsch), supported by 2 team Rubicon, 1 city of Flint PD escort, and 1 Penske truck loaded with commodities.

Genesee County Health Department team out in the field

1 team with 2 personnel One LHD person (EH), One EPA person (for sampling)

- Responding to high lead homes – Made contact with all homes 150 ppb last Wednesday and will continue as long as they have resources.

Chris

**Attached:**

1. Daily Summary of Data (NG field is showing 0 which is not correct). NG personnel are still at the PODs.
2. Sit Rep #31.
3. Maps: Residential Water Sampling Results – Lead and Copper

**Key items for tomorrow to note are:**

- 10 American Red Cross Teams scheduled for Saturday, February 6, 2016.
- MDOC will begin setting up Kroger warehouse.

**Items to Note**

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.
- SBA declaration approved. SEOC Logistics will be working to identify office space in Flint for SBA staff.
- Recovery Branch estimate based on information collected last weekend is as follows:
  - 80 Complexes
  - 4170 Units
  - 2892 Assisted Living/Senior Housing (Dept of Aging)
- Information in DHHS Sit Rep is from GCCARD only, this information is not included in the daily totals.

- JIC issued a news release around 10 a.m. about the state of Michigan encouraging food establishments to take advantage free water safety inspections. The news release was picked up by the Associated Press and other news media outlets.
- JIC held a media event to encourage people to check out Flint area restaurants with Lt. Gov. Brian Calley and Michigan Department of Agriculture and Rural Development Director Jamie Clover Adams. Nine local and statewide news media members attended the event.
- Finance Section developed guidance for Flint Water Inter-Agency Coordinating Committee related to reimbursements for non-state employees.
- State Voluntary Agency Liaison (VAL) prepared list of NGOs involved in Flint for DHHS SERG grant application.
- State VAL worked on potential jobs funding with TIA via Dept of Labor.
- Question was asked from the Governor's office yesterday if commodities purchased could be returned. Per FEMA, any item such as filter, pitcher, cartridge etc. cannot be returned. Once procured via State RRF the state owns it - no returns. Water can be returned with 12 months remaining shelf life and in complete factory issued pallet w shrink wrap and the state will fund/ transport of returning water to the designated Distribution Center. FEMA will inspect all returning water prior to movement and water is limited to available storage space in the FEMA Distribution Centers which will range between 0-5 million liters. Quantity to be returned will be approved prior to movement based upon available space and known inbound inventory.
- DEQ finalized sentinel sampling plan to commence activities beginning February 10th, 2016.
  - DEQ received 12 iPads for deployment with teams for status tracking.

#### Unified Coordination Group (UCG):

- Met with the nutrition task force today on request from the state.
- Cleared up misinformation on areas that have not been covered.

#### Local EOC

- Coordinating rapid response deliveries to homebound residents and special locations.
- Developed floor plan proposal for new warehouse with warehouse workers.
- Recycling and water distribution event with MSU athletics.
- Establishing plan to provide public transit vouchers for travel to blood lead level test clinics.
- Work with Michigan Community Service Commission to align supplies and resources for PUR filter distribution effort next week.
- DEQ/Team Rubicon team visited 30 homes with water lead levels of 150 ppb.
- Developing plans for follow-up with residents at homes with water lead levels of 150 ppb.

**Subject:** SEOC Update 2/4/16 - Flint Water - Limited Distribution

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

**Update 2/4/16 – 31<sup>st</sup> Day (30<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

#### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.

- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made. Special attention to apartments/multifamily residences.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Submit SBA application.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Attached:

1. Daily Summary of Data.
2. Sit Rep #30.

#### Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Friday, February 5, 2016.
- FWICC and Mission Flint meetings in Flint.

#### Items to Note

- 10 ARC Flint Water Response Teams to the field today. Continued priority is the apartment list from 2/2/16.
- Recovery Branch worked with county and postal partners to collect information about home vacancies and resident's with forwarded mail addresses in order to ensure we are contacting all occupied residences in the City of Flint.
- Recovery Branch supported the efforts of MSDHA to provide resources to tenants in their facilities.
- JIC issued a media advisory about federal lead for Flint water crisis Dr. Nicole Lurie to visit EPA's command post.
- MDHHS provided a representative to accompany the MDEQ team to the high lead homes in Flint. The MDHHS representative will encourage individuals to have blood lead testing and answer health questions as necessary.
- GIS is working to develop a field application for MDEQ and MDHHS for field collection of water test data and health data respectively.
- SEOC and MTED are working with Department of Labor to identify grants that may be available to assist with jobs programs (wages, training, overhead, and potentially equipment and leasing resources). DOC looking at prisoner re-entry programs for those returning to Flint area.

#### Unified Coordination Group (UCG):

- Working on improving communication flow between UCG and state partners.
- Attended long term recovery meeting held by state VAL.
  - Discussed MARC model and potential transition plan.

#### Local EOC

- Coordinating rapid response deliveries to homebound residents and special locations.
- Attended meeting with federal, state and local health and environmental agencies to establish process for notification of households with water test results that exceed 150 ppb.
- Attended two long term recovery planning meetings with SEOC staff, VOADs and local agencies (Flint Water Recovery Leadership group).

- Ensuring Community Access Center for the Deaf and Hard of Hearing receives appropriate supplies.
  - Briefed staff on site on filter installation and water sampling process.
- Clarified distribution process at city sites with Flint City Administrator's Office. Coordinating with Fire Department Quartermaster for supplying city sites.
- Addressing various public concerns, including identification of canvassing teams.
- Instituted credentialing verification process for 2-1-1 calls.

Chris

## **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

### **Update 2/3/16 – 30<sup>th</sup> Day (29<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

#### **Mission focus for the day:**

- Refocus state agencies on objectives, tasks in the Incident Action Plan and how we get to the end state/shift to longer term recovery.
- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Submit SBA application – outstanding item is the certification of availability of financial assistance. Priority item for the a.m. so this can get submitted. Press release has been completed.

#### **Status on Governor's request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### **Attached:**

1. Daily Summary of Data, full version and abridged (New reporting format – we will ensure we give liters of water and cases in the future)
2. Residential Water Sampling Results Maps – Lead and Copper
3. SitRep 29

#### **Key items for tomorrow to note are:**

- 10 American Red Cross Teams scheduled for Thursday, February 4, 2016.
- Will continue to target residences from the Apartment List from 2/2/16

#### **Items to Note**

- Paired down the list of parcels not visited from 2400 to 958. Will continue on 2/4/16 to identify any parcels not visited. Some parcels contain multifamily residences and those types of residences are being reviewed and targeted to ensure coverage.

- MDOC is going to look into their job programs for any prisoners begin release back into the Flint area. This will be in conjunction with any other job programs identified. We are working with MTED on solutions.
- DEQ and DHHS will be going to residences with >150 ppb starting tomorrow. They will be checking residences next to the one with the high lead level to see if this is a single residence issue or a bigger issue affecting the block or line in an area. This will not initially include EPA as they did not seem interested in combining teams but we are working on more collaboration without slowing us down.
- DEQ will have a representative in the UCG starting 2/4/15.
- Discussed with UPS on ways they can assist with Rapid Response Team and filter replacements in the future.
- Additional warehouse will be put in service potentially Saturday. Seventh Day Adventist are potentially going to operate it or help with operations to phase out state agency personnel and make it more community run. The warehouse does include some office space if needed.
- 10 ARC Flint Water Response Teams to the field today.
- Team Priority Visited Today: Apartment List from 2/2/16
- SEOC Logistics worked with MDOC on their assistance with warehouse management and staffing for new warehouse. Reached out to Food Bank on their recommendation and coordination for hours/days of operation of new warehouse.
- SEOC Operations attended a donations management meeting to discuss the need for a consolidated list of donated goods.
- JIC strategized with the U.S. Department of Health and Human Services and Environmental Protection Agency on how to better coordinate public information.

#### Unified Coordination Group (UCG):

- UCG IAP approved today for the operational period 0800 2/2/16 to 0800 2/4/16.
- The Federal Health Coordinating Officer had a meeting today with Economic Development and Housing and Urban Development.
- EMHSD liaison provided information on Michigan EM structure to Command.
- State JIC manager now in the communication loop for the UCG.
- UCG discussed MARCs and potential implementation.
- Capt. Kelenske met with Don Boyce from US DHHS to discuss concerns with Federal HHS and EPA and how we can move forward with better collaboration and coordination. Boyce also met with Governor's Office staff on same. The meeting went well and a solid relationship is in place with Boyce. He is a direct report to Dr. Lurie and will provide her some context on the issues and how we can move forward. He will be a good POC to assist us with any shifts in direction needed at the federal level.

#### Local EOC

- Coordinated rapid response deliveries to homebound residents and special locations.
- Working on refining rapid response delivery process.
  - Preparing transition from Team Rubicon personnel to NCCC teams, and eventually Southern Baptist Disaster Relief.
  - Coordinating with ARC for logistics support to NCCC teams (AmeriCorp).
- Working with ARC to ensure resource needs of franchise customers at Sunridge Apartments complex in Flint Township are met.
- Coordinating with MDEQ to streamline test kit assembly process.
- Attended distribution plan meeting with faith-based organizations, state, and local agencies.
- Referring VOADs to appropriate volunteer management agencies.
- Addressing various public concerns, including availability of supplies at child care facilities.

# Damage Assessment and Emergency Status Report

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

## Operational Period

Operational Period Begin: 02/02/2016 08:00:00  
Operational Period End: 02/09/2016 08:00:00  
Situation Report No. 34  
SEOC Status: Full  
SEOC Hours of Operation Begin: 02/08/2016 08:00:00  
SEOC Hours of Operation End: 02/08/2016 20:00:00

## Executive Summary

SEOC Update:  
Accomplished today (February 8, 2016):

- The SEOC continues to provide:
- Situational awareness.
  - Common operating picture/objectives.
  - Coordination with city/county.
  - Potential coordination with federal agencies.
  - Incident prioritization.
  - Coordination of life/health safety measures.
  - Resources.
  - Public information control.

### Logistics:

- Fielded resource requests.
- Fielded Rapid Response requests.
- Fielded Governor's office request.
- Facilitated distribution team calls.
- Working with local EOC to find a suitable space for SBA.
- Conference call with Adventists on agreement and staffing.
- Coordinated pallet use for Warehouse #2.

### JIC:

- Worked with FEMA to coordinate a 2:30 p.m. legislative and congressional conference call for Tuesday, Feb. 9, 2016.
- Had a visit from Governor Snyder and Richard Baird. Spent approximately 20 minutes discussing the role of the JIC and what we are hearing and doing.
- Drafted a news release about the team visiting homes with high copper levels. Release is routing through for final approvals before dissemination this evening.
- Drafted a news release about the American Red Cross playing a crucial role coordinating volunteer efforts during the Flint water emergency. Sent to ARC for review and approval prior to dissemination.

### Recovery Branch:

- Attended Local Brief, SEOC State Agency Briefing Meetings, Distribution Process Meetings, and Tactics Meeting
- Updated ICS 204 Forms (Obj. 1 and Obj. 6)
- Drafted Proposed Changes Plan for WRTs – submitted to Ops Chief to take up to Command
- Working on compiling one Access and Functional Needs list for long-term planning efforts
- Team Priority Visited Today: Active Water Subscribers without filters marked vacant
- Team Priority Scheduled Tomorrow: Active Water Subscribers without filters marked vacant
- 10 American Red Cross Teams scheduled for Tuesday, February 9
- Data is for 2/8/16 as of 5:00 pm:
  - o Total homes visited:
    - 18,529 (round 3 total).
    - 847 (today).
  - o Water cases (liters calculated by multiplying # of cases x 12):
    - 128,592 liters or 10,715 cases (round 3 total).
    - 4,980 liters or 415 cases (today).
  - o Replacement cartridges:
    - 3,950 (round 3 total).
    - 306 (today).
  - o Faucet filters:
    - 7,283 (round 3 total).
    - 98 (today).

### Planning Section:

- Developed IAP #9.
- Published Sit Rep #34.
- Worked to develop new standard data reporting.

### Operations Section:

- Operations assisted the state agencies and the local EOC in requests from the Governor's office from constituents.
- Operations participated in the following briefings:
  - Unified Command Objectives meeting
  - Local Agency briefing

- Command/General Staff/SEOC briefing
- Distribution Process meeting
- Tactics meeting
- Planning Meeting/SEOC
- Planning Meeting/SEOC
- Warehouse Numbers as of 1800:
  - Water (liters):
    - 582,538 liters or 48,544 cases.
  - Filters (faucet):
    - 49,520.
  - Replacement cartridges:
    - 378,140.
  - Test Kits (prepped):
    - 18,886.
- PODs (1700 2/7 – 1600 2/8):
  - Water (cases):
    - 60,588 liters or 5,049 cases.
  - Filters (faucet):
    - 146.
  - Replacement Cartridges:
    - 353.
  - Test kits:
    - 143.

#### Finance Section:

- Updated spending plan with actual costs.
- Updated State Cost Share - RRF information.
- Continue to identify organizations receiving monetary donations.
- Requested monetary donation information from United Way and Community Foundation of Greater Flint.

#### GIS Branch Updates:

- Develop an online application for Governor Snyder to view maps.
- Build orthophoto from video collected by the Trooper 2 helicopter.
- Compile lists of customers that have not received water filters for planning.
- Calculate number of homes visited by Flint Water Resource Teams for planning.
- Build data set to calculate how many times each parcel has been visited in the City of Flint.

#### DTMB:

- Continue to provide DTMB management with daily updates and resource requests received.
- Obtained equipment and supplies for the SBA Disaster Loan Outreach Center and 2629 Clio Road second warehouse.

#### DHHS-CH:

- The CHECC remains active at a Level 2, and continues to staff the hotline to answer any lead health-related questions referred by 2-1-1 in support of the GCHD.
- Two letters addressed to the USDA have been signed by the MDHHS Director asking that they reconsider their decision to deny Michigan's request for exemptions which would allow for nutrition supplemental funding and for an increase in the availability and access to the WIC program in order to offer blood lead testing and services to children up to the age of 10 years old. These two letters were sent by the CHECC to the UCG today.
- Working with the DEQ to resolve confusion with local partners regarding teams visiting homes with high lead and/or copper levels reported, and the need for MDHHS staff to support the teams conducting home visits in order to provide health education and encourage blood lead testing. The CHECC is working to identify MDHHS staff that is available to accompany those teams, as needed.
- Received word that the DHHS ASPR, Dr. Nicole Lurie, will be visiting Michigan on Thursday.

#### DEQ:

- Worked to obtain contact information for residents to implement the Sentinel Sampling plan.
- Tracked Department of Corrections pickup and delivery of 246 residential water samples and 15 MDARD samples to DEQ lab.
- Began visits to residences with high copper results from water samples.
- Organized tasks and made assignments for gathering data for the response to Congressional Committee of Energy and Commerce.
- Updated tracking sheet of requested data by Congressional Committee of Energy and Commerce.
- Reviewed upcoming deadlines from EPA Order tracking spreadsheet.

#### State Voluntary Agency Liaison (VAL):

- Developed ICS 204 form for Objective 12 on long term recovery.

#### Unified Coordination Group (UCG):

- No updates.

#### Local EOC:

- Worked with UA 370 to compile data on services rendered and infrastructure assessment.
- Worked with VAAA, 211, and the Radio Room to change the reporting process to alleviate duplicate efforts.
- Spoke with Director Paul Wallace, Genesee County Animal Control, regarding lead and copper questions coming from the public.
- Worked with Genesee County Comptroller to provide requested information on expenditures made on behalf of Genesee County for the current state of emergency.
- Evaluated Community Centers for possible future use as new PODs.
- Work with SEOC on office space for SBA.
- Local EOC Liaison Officer evaluated community centers for possible future use as new PODs.
- Genesee County Health Department is working on lead testing outreach plans and with MDHHS on the investigation of skin rashes.
- National Guard is developing an AAR and operational notes are being consolidated into SOPs to send to JOC to assist in updating the All Hazards Plan. An operational handoff packet including SOP's, POC's, POD sector sketches, hand-receipts, and other operational notes is being built to assist the incoming unit.

(Objectives are in order of priority with original objective number attached)

12. Develop and implement a comprehensive long term recovery and transition plan.
11. Ensure accurate tracking and accounting of all donations.
5. Continue to maintain adequate staffing to support operational requirements.
10. Collaborate with local and volunteer agency partners to solidify the *Flint Water Operations Plan*.
9. Enhance situational awareness and common operating picture of all activities.
8. Maintain coordination between partner agencies and organizations to include FEMA IMAT, FWCC, and the US Department of Health and Human Services Unified Coordination Group (UGC).
3. Improve and maintain the public information strategy and process.
6. Develop an overview of possible assistance programs.
4. Develop a long term public health and services plan.
7. Gather, analyze, and disseminate GIS data to develop products for future planning.
1. Ensure all households within impacted community have required resources and are included in DEQ water sampling plan.
2. Ensure accurate tracking and accounting of all commodities.

#### Damage Assessment Summary

#### Agency Summaries

##### Joint Information Center / Public Information Officer

The Joint Information Center (JIC) was expected to be operational in Flint from 8 a.m. to 8 p.m. on Feb. 8.

State agencies at the JIC included the Michigan State Police, Michigan National Guard, and Departments of Agriculture and Rural Development, Environmental Quality, Health and Human Services, and Natural Resources. The Genesee County Sheriff's Office and the American Red Cross were also present.

##### Tasks accomplished:

- Media hotline staff answered less than a dozen emails and phone calls, ranging from lead in animals to water donations and questions about water testing at the Genesee County Jail. Media inquiries were significantly down compared to previous days.
- Created a morning and afternoon media monitoring report.
- Updated and revised our internal talking points to better organize information.
- Continued routing public information materials for approval, including a fact sheet from EPA and facts sheets about lead in animals and pets.
- Continued to post information on the [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater) website, especially facts sheets and fliers in Spanish, Arabic and other languages.
- Worked with FEMA to coordinate a 2:30 p.m. legislative and congressional conference call for Tuesday, Feb. 9, 2016.
- Created a tracking sheet to manage the number of foreign language documents for distribution.
- Had a visit from Governor Snyder and Richard Baird. Spent approximately 20 minutes discussing the role of the JIC and what we are hearing and doing.
- Drafted a news release about the team visiting homes with high copper levels. Release is routing through for final approvals before dissemination this evening.
- Drafted a news release about the American Red Cross playing a crucial role coordinating volunteer efforts during the Flint water emergency. Sent to ARC for review and approval prior to dissemination.

##### Agriculture and Rural Development (MDARD)

MDARD's field activities for 2/8/16 included:

- 19 assessments conducted (11 initial, 6 follow-up and 2 second follow-up)
- 18 water samples collected (12 first draw samples and 6 routine samples)
- 6 water sample requests/appointments were scheduled

As of 2/5/16, MDARD has completed initial water assessments at all food businesses in the high risk area and has conducted a total of 426 assessments (380 initial/ 46 follow-up). The compliance rate is 77%. 169 water samples have been collected and 131 are currently scheduled. MDARD has been receiving questions about how to find the list of food businesses that are in compliance mentioned in a 2/5/16 press release. The list is at: [http://www.michigan.gov/flintwater/0,6092,7-345-75251\\_75382--,00.html](http://www.michigan.gov/flintwater/0,6092,7-345-75251_75382--,00.html)

MDARD attended the USDA – Natural Resources Conservation Services (NRCS) press conference in Flint today. The Flint-Genesee County High Tunnel Initiative is a partnership led by USDA NRCS to promote healthy, locally-produced food through the use of high tunnels. NRCS is providing \$300,000 in financial and technical assistance to help local growers purchase and operate high tunnels. Applications are due to Flint NRCS by May 18th.

MDARD will be meeting later this week with the Land Bank to discuss the Clean and Green program and obtain a list of community garden information to supplement the data already provided to MDARD by Edible Flint.

MDARD continues to respond to questions on service and companion animals. Informational documents for the public and veterinarians are in the final review stages.

##### American Red Cross (ARC)

The American Red Cross deployed 10 Water Response Teams on Monday, 2/8/16, to attempt contact at those residences where no one had yet answered the door.

The Volunteer Reception Center (VRC) was in operation today, from 9am to 5pm. The VRC will be operating from 9-5 again on Monday.

##### Civil Rights (MDCR)

Continue to review activities to provide support and assistance to assigned Human Services branch and other SEOC entities. Maintaining media awareness regarding situation and community activities. Maintain awareness of projects, events, and material going out. Advise if any of these may not be clear to or include those who may have communication or logistic barriers. Reassigned Donations Management Task to MDHHS.

##### Community Health (MDCH)

The CHECC remains active at a Level 2, and continues to staff the hotline to answer any lead health-related questions referred by 2-1-1 in support of the GCHD. The CHECC continues to work with federal partners in the UCG on prioritized requests for assistance.

Two letters addressed to the USDA have been signed by the MDHHS Director asking that they reconsider their decision to deny Michigan's request for exemptions which would allow for nutrition supplemental funding and for an increase in the availability and

access to the WIC program in order to offer blood lead testing and services to children up to the age of 10 years old. These two letters were sent by the CHECC to the UCG today.

Working with the DEQ to resolve confusion with local partners regarding teams visiting homes with high lead and/or copper levels reported, and the need for MDHHS staff to support the teams conducting home visits in order to provide health education and encourage blood lead testing. ATSDR staff are working with MDHHS Environmental Health staff on copper informational materials for messaging purposes. The CHECC is working to identify MDHHS staff that are available to accompany those teams, as needed.

Received word that the DHHS ASPR, Dr. Nicole Lurie, will be visiting Michigan on Thursday. The details of her visit are unknown at this time.

#### **Corrections (MDOC)**

MDOC continued operations at both warehouses with warehouse 2 opening as scheduled. All PODs were well supplied during the entire operational period.

MDOC continues to keep trucks dedicated to delivering to individual PODs and have Rapid Responses ready for any POD that gets to a critical level of supplies.

246 water samples were collected and 15 MDARD samples and delivered to the DEQ Lab in Lansing for a total of 261 samples delivered.

MDOC had 18 employees and two SAI work crew (10 trainees total) on the ground in Flint today.

In an effort to reduce overtime costs we are working on completing a critical staff review. All dedicated resources will be reviewed to determine if it is feasible to reduce staffing in lieu of volunteers wherever possible.

We are working with Finance and MDOC assets to capture total employee payroll information and expenditures.

#### **Environmental Quality (MDEQ)**

The Department of Environmental Quality (DEQ) completed the following activities today:

Worked to obtain contact information for residents to implement the Sentinel Sampling plan.

Tracked Department of Corrections pickup and delivery of 246 residential water samples and 15 MDARD samples to DEQ lab.

Began visits to residences with high copper results from water samples.

Organized tasks and made assignments for gathering data for the response to Congressional Committee of Energy and Commerce.

Updated tracking sheet of requested data by Congressional Committee of Energy and Commerce.

Reviewed upcoming deadlines from EPA Order tracking spreadsheet.

#### **Human Services (MDHS)**

Looking into filtration system for a child care institute, possibly through donation.

Passing on resource request for staff to assist with donation management mission.

Training provided to donation management staff and staff from our Health side who are helping with donation activities.

Daily update conference call with MDHHS Budget & Field Operations.

Participated in all Branch Director planning day activities.

#### **Licensing and Regulatory Affairs (LARA)**

Participated in briefings and updated the LARA Executive Team

LARA continues to monitor DEQ's test results for Health Care, Child Care, Adult Foster Care, HHS and MDE facilities and Schools.

Volunteer plumber will participate in copper testing teams on Monday, February 8.

Translation services for various documents continue to be provided as needed.

Ongoing discussion regarding coverage of state regulated facilities and elimination of duplication of effort.

#### **Military and Veterans Affairs (DMVA)**

##### **Commanders Situation Report (SITREP)**

1. DTG: 0813002016

2. UNIT: Points of Distribution (PODs), TF FLINT (1-125 IN)

3. POC: Ssg Gazzeny, Darryl L. Cell:                      Email: armyinfantry31@yahoo.com

4. PRESENT LOCATION: Genesee County Local EOC, 1101 Beach St., Flint, MI, 48502

5. SITUATION OVERVIEW: 1-125 IN has        soldiers deployed to the Flint Water Crisis in support of Distribution Operations at the Points of Distributions (PODs). Daily operations consist of receiving, tracking, and issuing out water, filters, replacement filters, and water test kits.

6. OWN SITUATION DISPOSITION /STATUS: Currently 1-125 IN has        Soldiers on ground supporting the mission.

7. OPERATIONS: Operations for the next 24 hours are to sustain water/filter distributions throughout the 5 designated fire stations and track all distribution incoming and outgoing through the PODs.

a. POD 5 has two generator lighting units from MDOT. All PODs now have sufficient lighting.

1. Fuel cans and the utilization of station 6 city fuel pump has been requested through SEOC.

b. Signs have been printed off for the POD Buildings. Requesting approval to get the signs laminated from the purchasing office.

1.) TF Flint OIC, 2LT Benke, will be seeking approval from CPT Bowles and Dana and/or Kim at the purchasing office for laminating.

8. PERSONNEL: -- Soldiers are currently assigned to the POD operations. Soldiers are assigned in five teams at Fire Stations 1, 3, 5, 6 and 8.

9. INTELLIGENCE / FORCE PROTECTION: No Force Protection intelligence at this time.

10. LOGISTICS: In support of TF Flint

a. Pamphlets are at the POD locations to distribute to flint residents on knowledge about water filters and extra precautionary measures they can take.

11. COMMUNICATIONS: No communications issues at this time.

P: RRF cell phones alternate for WRTs.

A: Personal cell phone

C: 800 MHz radios issued to PODs and WRTs.

E: Runner

12. NARRATIVE: N/A

13. COMMANDER'S EVALUATION:

- AAR and operational notes are being consolidated into SOP's to send to JOC to assist in updating the All Hazards Plan.

- An operational handoff packet including SOP's, POC's, POD sector sketches, hand-receipts, and other operational notes is being built to assist the incoming unit.

- OUT (last 24 hours)

Bottled water-5407 Water (Gallons)-0 Lead Testing Kits-73

Pitcher (23 cup)-0 Brita Faucet Filter-72 Brita Replacement Cartridge-113

Pur Filter-28 Pur Replacement Filter-120

#### **National Weather Service (NWS)**

NWS Detroit providing morning SEOC brief and Activity Log posts. Jim Maczko from NWS Grand Rapids will be the contact point for any changes in NWS Support and will also continue to update the Sit Rep Executive Summary as needed.

Participation in afternoon SEOC briefings is planned only if significant changes in the forecast occur.

#### **Natural Resources (MDNR)**

MDNR LED continues to support its QOL partners with staffing at the SEOC.

Department POC's include:

Chief Gary Hagler, F/Lt. Jennifer Wolf, F/Lt. Steven B. Burton.

#### **Services to the Aging (OSA)**

Valley Area Agency on Aging (VAAA) continues to receive phone calls from concerned seniors in Flint and continues to make referrals to the Genesee Co. EOC for water and filter follow-up.

VAAA's local Nursing Home Ombudsman continues to monitor Flint area Nursing Homes to ensure residents have access to safe water.

Contact info for VAAA Executive Director is:

Kathryn C. Boles

President, CEO

Valley Area Agency on Aging

225 E. Fifth Street, Suite 200

Flint, MI 48502

(810) 239-7671

(810) 239-8869 fax

#### **State Police (MSP)**

DEQ contacted MSP reference providing telephone numbers for approx. 400 residences in Flint for Sentinel site sampling efforts. DEQ was advised MSP is unable to provide information.

\*\*\*\*Valencia Jones - SEOC OPS Public Safety MSP - jonesv4@michigan.gov at 14:58:30 on 2/8/2016\*\*\*\*

The MSP position within the SEOC will be staffed at MSP Operations at HQ. All e-mails to MSP-EOC-MDSP@michigan.gov are being forwarded to the Operations Lt. The phone number for the on duty Operations Lieutenant is 517-241-8000.

#### **Technology, Management and Budget (MDTMB)**

Continue to provide DTMB management with daily updates and resource requests received.

Obtained equipment and supplies for the SBA Disaster Loan Outreach Center and 2629 Clio Road second warehouse.

#### Transportation (MDOT)

Providing staff to Pierson Rd. warehouse.

Providing 2 portable light tower generators to Fire Station #5 on Western Rd.

Providing traffic measures at Fire Station #6 on Pierson Rd. and Fire Station #3 on Martin Luther King Blvd:

-4 (3' x 5') standard signs (2 each site)

-100 grabber traffic cones (narrow reflective cones) (50 each site).

Continuing to maintain situational awareness and responding to issues regarding equipment and road conditions.

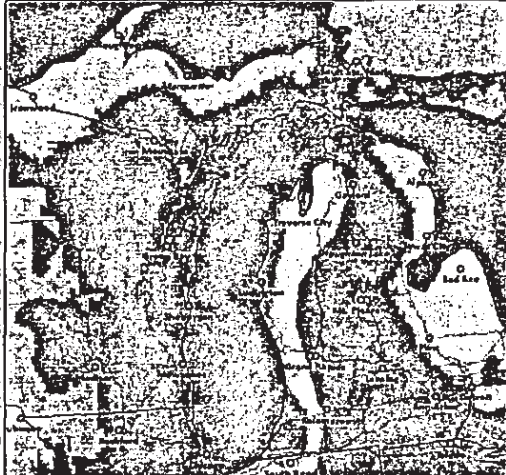

Incident Related Images

## Winter Weather Impact Summary

For: Late Tuesday-Wednesday Night, February 9-10, 2016

### Snow and Colder Temperatures

Expected Impacts
Snow Covered Roads
Rapid Changes in Visibility – Whiteouts Possible
Accidents/Slideoffs
Closures/Cancellations Possible

Expected Impacts
Hazardous Travel
Delays/Cancellations Possible

Expected Impacts
Slippery Travel At Times
Delays Possible

<b>Extremely Life Threatening</b> Everything Will be Shut Down Possibly for Days or Weeks	<b>Will This Happen?</b>
<b>Be Prepared – Major Actions</b> Expect Dangerous Conditions Expect Major Disruption of Normal Activities	
<b>Be Aware – Minor Actions</b> Caution – Especially When Travelling Plan to be Inconvenienced	
<b>Little to No Action</b> Little to No Impact on Daily Life Plan on Minor Inconvenience	<b>Near Certain</b> <input checked="" type="checkbox"/>
	<b>Better than 50/50 Chance</b> <input type="checkbox"/>
	<b>Unlikely</b> <input type="checkbox"/>

**Subject:** SEOC Update 2/8/16 - Flint Water - Limited Distribution

### Update 2/8/16 – 35<sup>th</sup> Day (34<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

#### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Open secondary state warehouse.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Attached:

1. Governor's Report for 2/8/2016.
2. Sit Rep #34.

Key items for tomorrow to note are:

- Team Priority Scheduled Tomorrow: Active Water Subscribers without filters marked vacant
- 10 American Red Cross Teams scheduled for Tuesday, February 9
- Congressional and Legislative Call, 2:30 PM

Items to Note

- JIC Drafted a news release about the team visiting homes with high copper levels. Anticipate releasing tomorrow.
- SEOC Logistics had a conference call with Seventh Day Adventists on agreement and staffing for new warehouse.
- SEOC Planning developed a new Incident Action Plan for Operation Period from 2/9-2/16/2016.
- Requested monetary donation information from United Way and Community Foundation of Greater Flint.
- GIS develop an online application for Governor Snyder to view maps.

Unified Coordination Group (UCG):

- No updates.

Local EOC

- Establishing objectives and IAP for next operational period, 02/08/2016 – 02/12/2016.
- Awaiting additional information regarding companion animals with potential lead and chlorine poisoning from MDARD.
- Establishing plans for Elevated Copper Initial Assessment Task Force starting 02/08/2016 and follow-up outreach to homes with water lead levels over 150 ppb starting 02/10/2016.
- Aligning resources and supplies for Elevated Copper Initial Assessment Task Force and follow-up outreach to homes with water lead levels over 150 ppb.
- Analyzing locations of faith-based organizations and churches for integration into long-term recovery plans.

Chris

Update 2/7/16 – 34<sup>th</sup> Day (33<sup>rd</sup> Full Day) After Governor's Declaration of an Emergency

Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.

- Includes filter replacement strategies.
- Soft opening of secondary state warehouse; clean and prep for SBA staff.

Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Attached:

1. Daily Summary of Data – Note two new reports: GovReport
2. Sit Rep #33.
3. Maps: Residential Water Sampling Results – Lead and Copper

Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Monday, February 8, 2016.
- The new warehouse will be operational on Monday, February 8, 2016 and managed by MDOC.

Items to Note

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.
- State VAL is working on the Category B and Individuals and Households appeal.
- There continues to be a concern that EPA refuses to work with the state teams in addressing the high lead level homes.
- Genesee County EM expressed concerns about lead poisoning in service/companion animals. MDARD has initiated contact with their partners to address this concern.
- 28 addresses have copper testing that exceeds the "action level" (1,300 ppb). DHHS is currently working on messaging regarding this issue, and DEQ is discussing filtering options.

Unified Coordination Group (UCG):

- Task Forces Health & Medical: working on creating a flow chart for visual of testing results.
- EPA conducted 11 filter grabs yesterday, and will be doing 2 today. This includes up to 33 samples per grab. A grab would be considered a location/residence. They are also following up on the AmeriCorps volunteers (2) that have rashes.

Local EOC

- Establishing objectives and IAP for next operational period, 02/08/2016 – 02/12/2016.
- Awaiting additional information regarding companion animals with potential lead and chlorine poisoning from MDARD.
- Establishing plans for Elevated Copper Initial Assessment Task Force starting 02/08/2016 and follow-up outreach to homes with water lead levels over 150 ppb starting 02/10/2016.
- Aligning resources and supplies for Elevated Copper Initial Assessment Task Force and follow-up outreach to homes with water lead levels over 150 ppb.
- Analyzing locations of faith-based organizations and churches for integration into long-term recovery plans.

Chris

Update 2/6/16 – 33<sup>rd</sup> Day (32<sup>nd</sup> Full Day) After Governor's Declaration of an Emergency

The link below is a new video published today by 211. This is part of the Rapid Response Teams currently staffed by Team Rubicon.

<https://www.youtube.com/watch?v=P5Orgzc5efg>

Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Soft opening of secondary state warehouse; clean and prep for SBA staff.

Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Attached:

1. Daily Summary of Data.
2. Sit Rep #32.
3. Maps: Residential Water Sampling Results – Lead and Copper

Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Sunday, February 7, 2016.
- MDOC will continue setting up the new warehouse.

Items to Note

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.
- JIC posted the AIA Flint Safe Water Storage Guideline flyers on MI CIMS under internal documents.
- SBOC Logistics is working to secure space in new warehouse for SBA office, additional information needed from SBA.
- GIS geocoded and cleansed addresses for food establishments in the Flint Metro Area.
- GIS digitized water service lines coded by pressure from paper map onto digital map.
- State VAL is working on the Category B and Individuals and Households appeal.
- MOU with Seventh Day Adventist for donations management currently under review.
- MDARD is planning for additional follow up with food related businesses as water test results come in; new maps with updated information will help with future prioritization.
- MDARD will attend a USDA-Natural Resources Conservation Service press conference to be held on Monday; NRCS will be announcing funds to support community gardens and local foods.
- A team from the CDC arrived yesterday to work with MDHHS Bureau of Epidemiology. Their work began today by beginning to analyze data for the development of long term surveillance strategies that will look to link blood lead level results to specific populations, to include vulnerable and at-risk populations.
- LARA continues to monitor DEQ's test results for Health Care, Child Care, Adult Foster Care, HHS and MDE facilities and Schools.
- Freeman Elementary was tested today (2/6/15) by DEQ/LARA staff members.

Unified Coordination Group (UCG):

- Attended 3 matrix review meetings, taskforce leads gave status updates on the original requests/asks sent from the State to Federal government.
- UCG POC will update the objectives with current status once completed by the information cell.
- EPA has 4 teams going out today, 17 filter grabs, a sequential sampling, and walk in requests.
- Additional phosphorus results remain consistent with previous reports. Appears the coating is working in the pipes.
- Multiple Hispanic events are taking place in the community and will be attended by federal staff.
- CDC recommendation should go out today for blood level testing for children under the age of 6.

#### Local EOC

- Finalized DEQ outreach at homes with water lead levels above 150 ppb.
- Developing plan for outreach at homes with water lead levels of 100 to 149 ppb.
- Will start outreach at homes with water lead levels of 100 to 149 ppb with one group on Monday.
- Potentially following up on initial outreach at homes with water lead levels of 100 to 149 ppb 10 strike teams for evaluation of plumbing system, water sampling, etc. starting Wednesday.
- Evaluating need to address health needs of companion animals in households exceeding water lead levels above 100 ppb.
- Awaiting clarification regarding effectiveness of filter systems for removal of copper.

**Below is a summary of Federal Teams in the field during next operational period until 2/10 per the UCG.**

#### Public Health Support Team (PHST) (US HHS) stationed at GCHD

9 personnel

- Develop engagement strategy for GCHD to facilitate outreach efforts to the community members and community partners.
- Development database for incoming calls to standardize the responses to caller queries; develop resource list for GCHD.
- Two personnel will facilitate case management follow up on results from GCHD concerning water samples with high home water lead levels.
- Provide technical assistance and community health outreach support to GCHD and to the EPA field team during water sampling and rash investigations.
- Create email groups for email messaging blasts to community partners.

#### Behavior Health Team (US HHS) stationed at GCHD

4 personnel

- Develop Behavior Health Surveillance Plan and Gap Assessment.
- Provide Behavioral Health Support for community-based health and human service providers.

#### EPA Sampling Teams out in the field

3 teams with 3 personnel,

- Identify sampling locations based on State DEQ requests and/or inquiries from residents, schedule visits with residents.
- Develop facts sheets based on high lead homes and other facts sheets, as needed.
- Provide risk communications and test results to residents.
- Conduct sequential, filter pilot, and distribution system sampling.

#### High Lead Home Strike Team out in the field

5 personnel

One MDEQ rep (Taylor) with EPA high lead team.

- Conduct water sampling at residences with rash complaints
- High lead homes with no contact information

MDEQ (Provided by Mark Ducharme) out in the field

- One Initial Outreach Visit team consisting of 1 DEQ rep (Oeming) and 1 MDHHS rep (Groetsch), supported by 2 team Rubicon, 1 city of Flint PD escort, and 1 Penske truck loaded with commodities.

Genesee County Health Department team out in the field

1 team with 2 personnel One LHD person (EH), One EPA person (for sampling)

- Responding to high lead homes – Made contact with all homes 150 ppb last Wednesday and will continue as long as they have resources.

Chris

**Subject:** SEOC Update 2/5/16 - Flint Water - Limited Distribution

Update 2/5/16 – 32<sup>nd</sup> Day (31<sup>st</sup> Full Day) After Governor's Declaration of an Emergency

Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made. Special attention to apartments/multifamily residences.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Prepare of opening of secondary state warehouse

Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Attached:

1. Daily Summary of Data (NG field is showing 0 which is not correct). NG personnel are still at the PODs.
2. Sit Rep #31.
3. Maps: Residential Water Sampling Results – Lead and Copper

Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Saturday, February 6, 2016.
- MDOC will begin setting up Kroger warehouse.

Items to Note

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.
- SBA declaration approved. SEOC Logistics will be working to identify office space in Flint for SBA staff.
- Recovery Branch estimate based on information collected last weekend is as follows:
  - 80 Complexes
  - 4170 Units
  - 2892 Assisted Living/Senior Housing (Dept of Aging)
- Information in DHHS Sit Rep is from GCCARD only, this information is not included in the daily totals.
- JIC issued a news release around 10 a.m. about the state of Michigan encouraging food establishments to take advantage free water safety inspections. The news release was picked up by the Associated Press and other news media outlets.
- JIC held a media event to encourage people to check out Flint area restaurants with Lt. Gov. Brian Calley and Michigan Department of Agriculture and Rural Development Director Jamie Clover Adams. Nine local and statewide news media members attended the event.
- Finance Section developed guidance for Flint Water Inter-Agency Coordinating Committee related to reimbursements for non-state employees.
- State Voluntary Agency Liaison (VAL) prepared list of NGOs involved in Flint for DHHS SERG grant application.
- State VAL worked on potential jobs funding with TIA via Dept of Labor.
- Question was asked from the Governor's office yesterday if commodities purchased could be returned. Per FEMA, any item such as filter, pitcher, cartridge etc. cannot be returned. Once procured via State RRF the state owns it - no returns. Water can be returned with 12 months remaining shelf life and in complete factory issued pallet w shrink wrap and the state will fund/ transport of returning water to the designated Distribution Center. FEMA will inspect all returning water prior to movement and water is limited to available storage space in the FEMA Distribution Centers which will range between 0-5 million liters. Quantity to be returned will be approved prior to movement based upon available space and known inbound inventory.
- DEQ finalized sentinel sampling plan to commence activities beginning February 10th, 2016.
  - DEQ received 12 iPads for deployment with teams for status tracking.

#### Unified Coordination Group (UCG):

- Met with the nutrition task force today on request from the state.
- Cleared up misinformation on areas that have not been covered.

#### Local EOC

- Coordinating rapid response deliveries to homebound residents and special locations.
- Developed floor plan proposal for new warehouse with warehouse workers.
- Recycling and water distribution event with MSU athletics.
- Establishing plan to provide public transit vouchers for travel to blood lead level test clinics.
- Work with Michigan Community Service Commission to align supplies and resources for PUR filter distribution effort next week.
- DEQ/Team Rubicon team visited 30 homes with water lead levels of 150 ppb.
- Developing plans for follow-up with residents at homes with water lead levels of 150 ppb.

**Subject:** SEOC Update 2/4/16 - Flint Water - Limited Distribution

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

**Update 2/4/16 – 31<sup>st</sup> Day (30<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

**Mission focus for the day:**

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a *targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made. Special attention to apartments/multifamily residences.*
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Submit SBA application.

**Status on Governor’s request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

**Attached:**

1. Daily Summary of Data.
2. Sit Rep #30.

**Key items for tomorrow to note are:**

- 10 American Red Cross Teams scheduled for Friday, February 5, 2016.
- FWICC and Mission Flint meetings in Flint.

**Items to Note**

- 10 ARC Flint Water Response Teams to the field today. Continued priority is the apartment list from 2/2/16.
- Recovery Branch worked with county and postal partners to collect information about home vacancies and resident’s with forwarded mail addresses in order to ensure we are contacting all occupied residences in the City of Flint.
- Recovery Branch supported the efforts of MSDHA to provide resources to tenants in their facilities.
- JIC issued a media advisory about federal lead for Flint water crisis Dr. Nicole Lurie to visit EPA’s command post.
- MDHHS provided a representative to accompany the MDEQ team to the high lead homes in Flint. The MDHHS representative will encourage individuals to have blood lead testing and answer health questions as necessary.
- GIS is working to develop a field application for MDEQ and MDHHS for field collection of water test data and health data respectively.
- SEOC and MTED are working with Department of Labor to identify grants that may be available to assist with jobs programs (wages, training, overhead, and potentially equipment and leasing resources). DOC looking at prisoner re-entry programs for those returning to Flint area.

**Unified Coordination Group (UCG):**

- Working on improving communication flow between UCG and state partners.

- Attended long term recovery meeting held by state VAL.
  - Discussed MARC model and potential transition plan.

#### Local EOC

- Coordinating rapid response deliveries to homebound residents and special locations.
- Attended meeting with federal, state and local health and environmental agencies to establish process for notification of households with water test results that exceed 150 ppb.
- Attended two long term recovery planning meetings with SEOC staff, VOADs and local agencies (Flint Water Recovery Leadership group).
- Ensuring Community Access Center for the Deaf and Hard of Hearing receives appropriate supplies.
  - Briefed staff on site on filter installation and water sampling process.
- Clarified distribution process at city sites with Flint City Administrator's Office. Coordinating with Fire Department Quartermaster for supplying city sites.
- Addressing various public concerns, including identification of canvassing teams.
- Instituted credentialing verification process for 2-1-1 calls.

Chris

#### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

#### Update 2/3/16 – 30<sup>th</sup> Day (29<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Refocus state agencies on objectives, tasks in the Incident Action Plan and how we get to the end state/shift to longer term recovery.
- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Submit SBA application – outstanding item is the certification of availability of financial assistance. Priority item for the a.m. so this can get submitted. Press release has been completed.

##### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### Attached:

1. Daily Summary of Data, full version and abridged (New reporting format – we will ensure we give liters of water and cases in the future)
2. Residential Water Sampling Results Maps – Lead and Copper
3. SitRep 29

##### Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Thursday, February 4, 2016.
- Will continue to target residences from the Apartment List from 2/2/16

#### Items to Note

- Paired down the list of parcels not visited from 2400 to 958. Will continue on 2/4/16 to identify any parcels not visited. Some parcels contain multifamily residences and those types of residences are being reviewed and targeted to ensure coverage.
- MDOC is going to look into their job programs for any prisoners begin release back into the Flint area. This will be in conjunction with any other job programs identified. We are working with MTED on solutions.
- DEQ and DHHS will be going to residences with >150 ppb starting tomorrow. They will be checking residences next to the one with the high lead level to see if this is a single residence issue or a bigger issue affecting the block or line in an area. This will not initially include EPA as they did not seem interested in combining teams but we are working on more collaboration without slowing us down.
- DEQ will have a representative in the UCG starting 2/4/15.
- Discussed with UPS on ways they can assist with Rapid Response Team and filter replacements in the future.
- Additional warehouse will be put in service potentially Saturday. Seventh Day Adventist are potentially going to operate it or help with operations to phase out state agency personnel and make it more community run. The warehouse does include some office space if needed.
- 10 ARC Flint Water Response Teams to the field today.
- Team Priority Visited Today: Apartment List from 2/2/16
- SEOC Logistics worked with MDOC on their assistance with warehouse management and staffing for new warehouse. Reached out to Food Bank on their recommendation and coordination for hours/days of operation of new warehouse.
- SEOC Operations attended a donations management meeting to discuss the need for a consolidated list of donated goods.
- JIC strategized with the U.S. Department of Health and Human Services and Environmental Protection Agency on how to better coordinate public information.

#### Unified Coordination Group (UCG):

- UCG IAP approved today for the operational period 0800 2/2/16 to 0800 2/4/16.
- The Federal Health Coordinating Officer had a meeting today with Economic Development and Housing and Urban Development.
- EMHSD liaison provided information on Michigan EM structure to Command.
- State JIC manager now in the communication loop for the UCG.
- UCG discussed MARCs and potential implementation.
- Capt. Kelenske met with Don Boyce from US DHHS to discuss concerns with Federal HHS and EPA and how we can move forward with better collaboration and coordination. Boyce also met with Governor's Office staff on same. The meeting went well and a solid relationship is in place with Boyce. He is a direct report to Dr. Lurie and will provide her some context on the issues and how we can move forward. He will be a good POC to assist us with any shifts in direction needed at the federal level.

#### Local EOC

- Coordinated rapid response deliveries to homebound residents and special locations.
- Working on refining rapid response delivery process.
  - Preparing transition from Team Rubicon personnel to NCCC teams, and eventually Southern Baptist Disaster Relief.
  - Coordinating with ARC for logistics support to NCCC teams (AmeriCorp).
- Working with ARC to ensure resource needs of franchise customers at Sunridge Apartments complex in Flint Township are met.
- Coordinating with MDEQ to streamline test kit assembly process.
- Attended distribution plan meeting with faith-based organizations, state, and local agencies.
- Referring VOADs to appropriate volunteer management agencies.

- Addressing various public concerns, including availability of supplies at child care facilities.

Chris

**Subject:** SEOC Update 2/8/16 - Flint Water - Limited Distribution

### Update 2/8/16 – 35<sup>th</sup> Day (34<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

#### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.

- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Open secondary state warehouse.

Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Attached:

1. Governor's Report for 2/8/2016.
2. Sit Rep #34.

Key items for tomorrow to note are:

- Team Priority Scheduled Tomorrow: Active Water Subscribers without filters marked vacant
- 10 American Red Cross Teams scheduled for Tuesday, February 9
- Congressional and Legislative Call, 2:30 PM

Items to Note

- JIC Drafted a news release about the team visiting homes with high copper levels. Anticipate releasing tomorrow.
- SEOC Logistics had a conference call with Seventh Day Adventists on agreement and staffing for new warehouse.
- SEOC Planning developed a new Incident Action Plan for Operation Period from 2/9-2/16/2016.
- Requested monetary donation information from United Way and Community Foundation of Greater Flint.
- GIS develop an online application for Governor Snyder to view maps.

Unified Coordination Group (UCG):

- No updates.

Local EOC

- Establishing objectives and IAP for next operational period, 02/08/2016 – 02/12/2016.
- Awaiting additional information regarding companion animals with potential lead and chlorine poisoning from MDARD.
- Establishing plans for Elevated Copper Initial Assessment Task Force starting 02/08/2016 and follow-up outreach to homes with water lead levels over 150 ppb starting 02/10/2016.
- Aligning resources and supplies for Elevated Copper Initial Assessment Task Force and follow-up outreach to homes with water lead levels over 150 ppb.
- Analyzing locations of faith-based organizations and churches for integration into long-term recovery plans.

Chris

#### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Soft opening of secondary state warehouse; clean and prep for SBA staff.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Attached:

1. Daily Summary of Data – Note two new reports: GovReport
2. Sit Rep #33.
3. Maps: Residential Water Sampling Results – Lead and Copper

#### Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Monday, February 8, 2016.
- The new warehouse will be operational on Monday, February 8, 2016 and managed by MDOC.

#### Items to Note

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.
- State VAL is working on the Category B and Individuals and Households appeal.
- There continues to be a concern that EPA refuses to work with the state teams in addressing the high lead level homes.
- Genesee County EM expressed concerns about lead poisoning in service/companion animals. MDARD has initiated contact with their partners to address this concern.
- 28 addresses have copper testing that exceeds the "action level" (1,300 ppb). DHHS is currently working on messaging regarding this issue, and DEQ is discussing filtering options.

#### Unified Coordination Group (UCG):

- Task Forces Health & Medical: working on creating a flow chart for visual of testing results.
- EPA conducted 11 filter grabs yesterday, and will be doing 2 today. This includes up to 33 samples per grab. A grab would be considered a location/residence. They are also following up on the AmeriCorps volunteers (2) that have rashes.

#### Local EOC

- Establishing objectives and IAP for next operational period, 02/08/2016 – 02/12/2016.
- Awaiting additional information regarding companion animals with potential lead and chlorine poisoning from MDARD.

- Establishing plans for Elevated Copper Initial Assessment Task Force starting 02/08/2016 and follow-up outreach to homes with water lead levels over 150 ppb starting 02/10/2016.
- Aligning resources and supplies for Elevated Copper Initial Assessment Task Force and follow-up outreach to homes with water lead levels over 150 ppb.
- Analyzing locations of faith-based organizations and churches for integration into long-term recovery plans.

Chris

**Update 2/6/16 – 33<sup>rd</sup> Day (32<sup>nd</sup> Full Day) After Governor’s Declaration of an Emergency**

The link below is a new video published today by 211. This is part of the Rapid Response Teams currently staffed by Team Rubicon.

<https://www.youtube.com/watch?v=P5Orqzc5efg>

**Mission focus for the day:**

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Soft opening of secondary state warehouse; clean and prep for SBA staff.

**Status on Governor’s request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

**Attached:**

1. Daily Summary of Data.
2. Sit Rep #32.
3. Maps: Residential Water Sampling Results – Lead and Copper

**Key items for tomorrow to note are:**

- 10 American Red Cross Teams scheduled for Sunday, February 7, 2016.
- MDOC will continue setting up the new warehouse.

**Items to Note**

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.
- JIC posted the AIA Flint Safe Water Storage Guideline flyers on MI CIMS under internal documents.
- SEOC Logistics is working to secure space in new warehouse for SBA office, additional information needed from SBA.

- GIS geocoded and cleansed addresses for food establishments in the Flint Metro Area.
- GIS digitized water service lines coded by pressure from paper map onto digital map.
- State VAL is working on the Category B and Individuals and Households appeal.
- MOU with Seventh Day Adventist for donations management currently under review.
- MDARD is planning for additional follow up with food related businesses as water test results come in; new maps with updated information will help with future prioritization.
- MDARD will attend a USDA-Natural Resources Conservation Service press conference to be held on Monday; NRCS will be announcing funds to support community gardens and local foods.
- A team from the CDC arrived yesterday to work with MDHHS Bureau of Epidemiology. Their work began today by beginning to analyze data for the development of long term surveillance strategies that will look to link blood lead level results to specific populations, to include vulnerable and at-risk populations.
- LARA continues to monitor DEQ's test results for Health Care, Child Care, Adult Foster Care, HHS and MDE facilities and Schools.
- Freeman Elementary was tested today (2/6/15) by DEQ/LARA staff members.

#### Unified Coordination Group (UCG):

- Attended 3 matrix review meetings, taskforce leads gave status updates on the original requests/asks sent from the State to Federal government.
- UCG POC will update the objectives with current status once completed by the information cell.
- EPA has 4 teams going out today, 17 filter grabs, a sequential sampling, and walk in requests.
- Additional phosphorus results remain consistent with previous reports. Appears the coating is working in the pipes.
- Multiple Hispanic events are taking place in the community and will be attended by federal staff.
- CDC recommendation should go out today for blood level testing for children under the age of 6.

#### Local EOC

- Finalized DEQ outreach at homes with water lead levels above 150 ppb.
- Developing plan for outreach at homes with water lead levels of 100 to 149 ppb.
- Will start outreach at homes with water lead levels of 100 to 149 ppb with one group on Monday.
- Potentially following up on initial outreach at homes with water lead levels of 100 to 149 ppb 10 strike teams for evaluation of plumbing system, water sampling, etc. starting Wednesday.
- Evaluating need to address health needs of companion animals in households exceeding water lead levels above 100 ppb.
- Awaiting clarification regarding effectiveness of filter systems for removal of copper.

Below is a summary of Federal Teams in the field during next operational period until 2/10 per the UCG.

#### Public Health Support Team (PHST) (US HHS) stationed at GCHD

9 personnel

- Develop engagement strategy for GCHD to facilitate outreach efforts to the community members and community partners.
- Development database for incoming calls to standardize the responses to caller queries; develop resource list for GCHD.
- Two personnel will facilitate case management follow up on results from GCHD concerning water samples with high home water lead levels.
- Provide technical assistance and community health outreach support to GCHD and to the EPA field team during water sampling and rash investigations.
- Create email groups for email messaging blasts to community partners.

Behavior Health Team (US HHS) stationed at GCHD

4 personnel

- Develop Behavior Health Surveillance Plan and Gap Assessment.
- Provide Behavioral Health Support for community-based health and human service providers.

EPA Sampling Teams out in the field

3 teams with 3 personnel,

- Identify sampling locations based on State DEQ requests and/or inquiries from residents, schedule visits with residents.
- Develop facts sheets based on high lead homes and other facts sheets, as needed.
- Provide risk communications and test results to residents.
- Conduct sequential, filter pilot, and distribution system sampling.

High Lead Home Strike Team out in the field

5 personnel

One MDEQ rep (Taylor) with EPA high lead team.

- Conduct water sampling at residences with rash complaints
- High lead homes with no contact information

MDEQ (Provided by Mark Ducharme) out in the field

- One Initial Outreach Visit team consisting of 1 DEQ rep (Oeming) and 1 MDHHS rep (Groetsch), supported by 2 team Rubicon, 1 city of Flint PD escort, and 1 Penske truck loaded with commodities.

Genesee County Health Department team out in the field

1 team with 2 personnel One LHD person (EH), One EPA person (for sampling)

- Responding to high lead homes – Made contact with all homes 150 ppb last Wednesday and will continue as long as they have resources.

Chris

**Subject:** SEOC Update 2/5/16 - Flint Water - Limited Distribution

Update 2/5/16 – 32<sup>nd</sup> Day (31<sup>st</sup> Full Day) After Governor's Declaration of an Emergency

Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made. Special attention to apartments/multifamily residences.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.

- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Prepare of opening of secondary state warehouse

Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Attached:

1. Daily Summary of Data (NG field is showing 0 which is not correct). NG personnel are still at the PODs.
2. Sit Rep #31.
3. Maps: Residential Water Sampling Results – Lead and Copper

Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Saturday, February 6, 2016.
- MDOC will begin setting up Kroger warehouse.

Items to Note

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.
- SBA declaration approved. SEOC Logistics will be working to identify office space in Flint for SBA staff.
- Recovery Branch estimate based on information collected last weekend is as follows:
  - 80 Complexes
  - 4170 Units
  - 2892 Assisted Living/Senior Housing (Dept of Aging)
- Information in DHHS Sit Rep is from GCCARD only, this information is not included in the daily totals.
- JIC issued a news release around 10 a.m. about the state of Michigan encouraging food establishments to take advantage free water safety inspections. The news release was picked up by the Associated Press and other news media outlets.
- JIC held a media event to encourage people to check out Flint area restaurants with Lt. Gov. Brian Calley and Michigan Department of Agriculture and Rural Development Director Jamie Clover Adams. Nine local and statewide news media members attended the event.
- Finance Section developed guidance for Flint Water Inter-Agency Coordinating Committee related to reimbursements for non-state employees.
- State Voluntary Agency Liaison (VAL) prepared list of NGOs involved in Flint for DHHS SERG grant application.
- State VAL worked on potential jobs funding with TIA via Dept of Labor.
- Question was asked from the Governor's office yesterday if commodities purchased could be returned. Per FEMA, any item such as filter, pitcher, cartridge etc. cannot be returned. Once procured via State RRF the state owns it - no returns. Water can be returned with 12 months remaining shelf life and in complete factory issued pallet w shrink wrap and the state will fund/transport of returning water to the designated Distribution Center. FEMA will inspect all returning water prior to movement and water is limited to available storage space in the FEMA Distribution Centers which will range between 0-5 million liters. Quantity to be returned will be approved prior to movement based upon available space and known inbound inventory.
- DEQ finalized sentinel sampling plan to commence activities beginning February 10th, 2016.

- DEQ received 12 iPads for deployment with teams for status tracking.

Unified Coordination Group (UCG):

- Met with the nutrition task force today on request from the state.
- Cleared up misinformation on areas that have not been covered.

Local EOC

- Coordinating rapid response deliveries to homebound residents and special locations.
- Developed floor plan proposal for new warehouse with warehouse workers.
- Recycling and water distribution event with MSU athletics.
- Establishing plan to provide public transit vouchers for travel to blood lead level test clinics.
- Work with Michigan Community Service Commission to align supplies and resources for PUR filter distribution effort next week.
- DEQ/Team Rubicon team visited 30 homes with water lead levels of 150 ppb.
- Developing plans for follow-up with residents at homes with water lead levels of 150 ppb.

Chris

- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Submit SBA application.

**Status on Governor's request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Attached:

1. Daily Summary of Data.
2. Sit Rep #30.

Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Friday, February 5, 2016.
- FWICC and Mission Flint meetings in Flint.

Items to Note

- 10 ARC Flint Water Response Teams to the field today. Continued priority is the apartment list from 2/2/16.
- Recovery Branch worked with county and postal partners to collect information about home vacancies and resident's with forwarded mail addresses in order to ensure we are contacting all occupied residences in the City of Flint.
- Recovery Branch supported the efforts of MSDHA to provide resources to tenants in their facilities.
- JIC issued a media advisory about federal lead for Flint water crisis Dr. Nicole Lurie to visit EPA's command post.
- MDHHS provided a representative to accompany the MDEQ team to the high lead homes in Flint. The MDHHS representative will encourage individuals to have blood lead testing and answer health questions as necessary.
- GIS is working to develop a field application for MDEQ and MDHHS for field collection of water test data and health data respectively.
- SEOC and MTED are working with Department of Labor to identify grants that may be available to assist with jobs programs (wages, training, overhead, and potentially equipment and leasing resources). DOC looking at prisoner re-entry programs for those returning to Flint area.

Unified Coordination Group (UCG):

- Working on improving communication flow between UCG and state partners.
- Attended long term recovery meeting held by state VAL.
  - Discussed MARC model and potential transition plan.

Local EOC

- Coordinating rapid response deliveries to homebound residents and special locations.
- Attended meeting with federal, state and local health and environmental agencies to establish process for notification of households with water test results that exceed 150 ppb.
- Attended two long term recovery planning meetings with SEOC staff, VOADs and local agencies (Flint Water Recovery Leadership group).
- Ensuring Community Access Center for the Deaf and Hard of Hearing receives appropriate supplies.
  - Briefed staff on site on filter installation and water sampling process.
- Clarified distribution process at city sites with Flint City Administrator's Office. Coordinating with Fire Department Quartermaster for supplying city sites.
- Addressing various public concerns, including identification of canvassing teams.
- Instituted credentialing verification process for 2-1-1 calls.

Chris

---

INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

Update 2/3/16 – 30<sup>th</sup> Day (29<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

#### Mission focus for the day:

- Refocus state agencies on objectives, tasks in the Incident Action Plan and how we get to the end state/shift to longer term recovery.
- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Submit SBA application – outstanding item is the certification of availability of financial assistance. Priority item for the a.m. so this can get submitted. Press release has been completed.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Attached:

1. Daily Summary of Data, full version and abridged (New reporting format – we will ensure we give liters of water and cases in the future)
2. Residential Water Sampling Results Maps – Lead and Copper
3. SitRep 29

#### Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Thursday, February 4, 2016.
- Will continue to target residences from the Apartment List from 2/2/16

#### Items to Note

- Paired down the list of parcels not visited from 2400 to 958. Will continue on 2/4/16 to identify any parcels not visited. Some parcels contain multifamily residences and those types of residences are being reviewed and targeted to ensure coverage.
- MDOC is going to look into their job programs for any prisoners begin release back into the Flint area. This will be in conjunction with any other job programs identified. We are working with MTED on solutions.
- DEQ and DHHS will be going to residences with >150 ppb starting tomorrow. They will be checking residences next to the one with the high lead level to see if this is a single residence issue or a bigger issue affecting the block or line in an area. This will not initially include EPA as they did not seem interested in combining teams but we are working on more collaboration without slowing us down.
- DEQ will have a representative in the UCG starting 2/4/15.
- Discussed with UPS on ways they can assist with Rapid Response Team and filter replacements in the future.
- Additional warehouse will be put in service potentially Saturday. Seventh Day Adventist are potentially going to operate it or help with operations to phase out state agency personnel and make it more community run. The warehouse does include some office space if needed.

- 10 ARC Flint Water Response Teams to the field today.
- Team Priority Visited Today: Apartment List from 2/2/16
- SEOC Logistics worked with MDOC on their assistance with warehouse management and staffing for new warehouse. Reached out to Food Bank on their recommendation and coordination for hours/days of operation of new warehouse.
- SEOC Operations attended a donations management meeting to discuss the need for a consolidated list of donated goods.
- JIC strategized with the U.S. Department of Health and Human Services and Environmental Protection Agency on how to better coordinate public information.

#### Unified Coordination Group (UCG):

- UCG IAP approved today for the operational period 0800 2/2/16 to 0800 2/4/16.
- The Federal Health Coordinating Officer had a meeting today with Economic Development and Housing and Urban Development.
- EMHSD liaison provided information on Michigan EM structure to Command.
- State JIC manager now in the communication loop for the UCG.
- UCG discussed MARCs and potential implementation.
- Capt. Kelenske met with Don Boyce from US DHHS to discuss concerns with Federal HHS and EPA and how we can move forward with better collaboration and coordination. Boyce also met with Governor's Office staff on same. The meeting went well and a solid relationship is in place with Boyce. He is a direct report to Dr. Lurie and will provide her some context on the issues and how we can move forward. He will be a good POC to assist us with any shifts in direction needed at the federal level.

#### Local EOC

- Coordinated rapid response deliveries to homebound residents and special locations.
- Working on refining rapid response delivery process.
  - Preparing transition from Team Rubicon personnel to NCCC teams, and eventually Southern Baptist Disaster Relief.
  - Coordinating with ARC for logistics support to NCCC teams (AmeriCorp).
- Working with ARC to ensure resource needs of franchise customers at Sunridge Apartments complex in Flint Township are met.
- Coordinating with MDEQ to streamline test kit assembly process.
- Attended distribution plan meeting with faith-based organizations, state, and local agencies.
- Referring VOADs to appropriate volunteer management agencies.
- Addressing various public concerns, including availability of supplies at child care facilities.

The campaign contribution story is developing.

This story today has raised a lot of suspicion. Reporters are really starting to dig.

## Flint water: KWA chief helped FBI in corruption case

Paul Egan, Detroit Free Press 12:02 a.m. EST February 9, 2016

(Photo: Flint and Genesee Chamber of Commerce)

LANRING — The Flint drinking water crisis and the Detroit City Hall corruption case are two of the biggest Michigan scandals of the last 10 years.

Linking them is political consultant Sam Riddle, a Flint native and felon.

What proved to be a disastrous decision to draw drinking water from the Flint River came about after Flint decided to stop buying water from the Detroit Water and Sewerage Department in favor of a new \$285-million pipeline now under construction to Lake Huron -- the Karegnondi Water Authority.

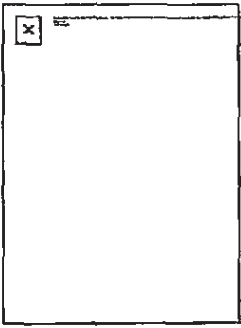

Flint's decision to join the KWA was separate from the decision to use the Flint River as an interim source while waiting for the new pipeline to be completed. But without the KWA, Flint's split with Detroit as a source of Lake Huron drinking water was much less likely.

Genesee County Drain Commissioner Jeff Wright, who also is the CEO of the KWA, hired Riddle as a \$2,000-a-month consultant in 2007 and 2008 to lobby the Detroit City Council in connection with the planned pipeline.

DETROIT FREE PRESS

Family of lead-poisoned Flint girl, 2, files suit

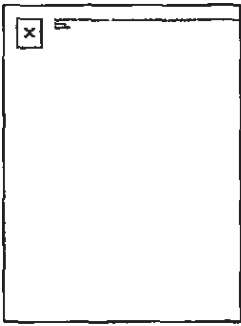

Buy Photo

Jeff Wright (Photo: DFP)

Wright acknowledges he secretly recorded conversations with Riddle, acting as an informant for the FBI, while his contract with Riddle was in place — a fact that was reported in 2010 by the Free Press and other media.

Wright, the KWA, and other figures in and around the public health catastrophe are under increased scrutiny in the wake of the crisis, which has exposed an unknown number of children and other Flint residents to lead poisoning and may also be linked to outbreaks of Legionnaires' disease in Genesee County that have resulted in nine deaths. Andrew Arena, a former Detroit FBI director who is heading up Attorney General Bill Schuette's investigation of the crisis, told the Free Press editorial board Thursday his investigation extends back to 2006, when the KWA, slated for completion this summer, was in its infancy.

The FBI, other federal agencies, and a task force appointed by Gov. Rick Snyder also are investigating the lead contamination of Flint's drinking water.

Buy Photo

Sam Riddle (Photo: DFP)

How did Wright become an FBI informant?

Wright won't say, but FBI informants typically -- though not always -- are people under suspicion of criminal conduct who become cooperating witnesses in exchange for favorable treatment or the dropping of charges that could be pending, said Peter Henning, a professor at Wayne State University Law School and former federal prosecutor.

Former Genesee County Prosecutor Arthur Busch told the Free Press this week he wanted to charge Wright with money laundering in 2005 but was unable to do so because of legal issues involving the statute of limitations.

Developer Blake Rizzo, providing information in 2003 as part of what led to a plea deal, accused Wright of illegally funneling money that came from Rizzo through a corporation for use in his 2000 campaign for drain

commissioner, Busch said. The Rizzo case and the accusations against Wright were extensively reported in the Flint Journal in 2005 and 2006.

Busch said that after he left the county prosecutor's office, his file on Wright was delivered to the U.S. Attorney's Office, because federal law had a lengthier statute of limitations for money laundering than state law did. Wright was never charged, though the Flint Journal reported in 2005 the FBI seized his campaign records.

"What I'm surprised at is how Wright has avoided any scrutiny," Busch said Monday. "He's in charge of water for the whole ... county."

- [Full coverage: Flint water crisis](#)

Wright, who has denied the money-laundering allegations and attacked Rizzo's credibility, wouldn't say Wednesday whether the case Busch was pursuing landed him in jeopardy with federal investigators and resulted in him becoming an FBI informant.

"Mr. Riddle was involved with a lot of people that were stealing millions of dollars of taxpayer money and ratepayers," Wright told the Free Press. "I was asked to perform a service and I did, and I would be glad to do it again."

Riddle and Wright told different versions of what Riddle was lobbying the Detroit council to do, from March 2007 to December 2008.

Riddle told the Free Press on Monday that Detroit had a permit to withdraw water from Lake Huron but the city was withdrawing less water than the permit allowed. Wright wanted Detroit to allow Genesee County to use the permit capacity Detroit was not using to support the planned new pipeline, said Riddle, who sees what happened in Flint as "environmental racism" perpetrated by the Snyder administration and feels Wright was mostly interested in developing a new pipeline as a political power base.

Wright said Riddle's description of his lobbying assignment is inaccurate. Genesee County had already applied to the state for a Lake Huron withdrawal permit. He said he hired Riddle at the recommendation of Donald Williamson, who was mayor of Flint at the time, to provide introductions to the Detroit council and staff to explore the possibility of Genesee County and Detroit working together on a new pipeline.

Wright wouldn't say what the conversations he recorded with Riddle related to, but he said they were unrelated to the Detroit corruption investigation. Evidence of Wright's role as an FBI informant was filed in federal court in connection with a corruption case in Southfield involving former Southfield City Councilman William Lattimore and former state Rep. Mary Waters, who had been romantically involved with Riddle.

In 2010, Riddle was sentenced to 37 months in federal prison for his role in conspiring to bribe Lattimore in connection with city approvals to relocate a pawnshop. Riddle, an aide to former Detroit Councilwoman Monica Conyers, who also went to prison, was indicted in the Detroit City Hall corruption prosecution, but his bribery-related case ended in a mistrial.

Whatever evidence Wright may have gathered against Riddle was never presented in court. Riddle said he became suspicious of Wright working with law enforcement when Wright began telling him, "I'll pay whatever it costs" to get the Detroit council to share its withdrawal permit.

"I've been around the block, and I'm not going to be entrapped," Riddle said.

Wright's drain commission also had a contract in 2007 with Synagro, a sludge company that was also at the center of the Detroit City Hall corruption case. Wright said his office has used Synagro periodically, through competitive bidding, apply waste products to land. Wright said he had no dealings with James Rosendall, the former Synagro official who was sent to prison for bribing Detroit officials.

## FLINT WATER RESPONSE TEAM

UPDATE | TUESDAY, FEBRUARY 9, 2016

This daily update is being issued in order to provide the latest information regarding actions and available resources.

LIVE at 11 AM tomorrow: Governor Rick Snyder presents his FY 2017 budget

Governor Rick Snyder will present his FY 2017 budget live tomorrow at 11 am. You can watch it at [www.mi.gov/MIBudget](http://www.mi.gov/MIBudget). Join the conversation online using the hashtag #MIBudget.

### Over 2,000 volunteers have volunteered their time to assist Flint residents during the water emergency

Volunteers are coordinated through the Volunteer Reception Center, operated jointly by the American Red Cross and United Way of Genesee County. These volunteers have performed numerous tasks throughout the community from delivering water resources door-to-door to assembling water test kits. [Click here to learn more.](#)

### Outreach to Flint's blind community helps ensure access to information and resources

The Bureau of Services for Blind Persons (BSBP) is working to ensure Flint's blind community has access to all information and resources related to the Flint water emergency. Bureau staff contacted nearly 40 BSBP clients living in Flint by either home visit or phone to ensure they had access to all health-related water emergency information and to offer assistance in obtaining bottled water, filters, water replacement cartridges and water testing kits.

*Flint families need critical clean water resources. Since January 9, the state has distributed:*

- 293,809 cases of bottled water
- 104,256 water filters
- 210,596 replacement cartridges
- 35,499 water testing kits

## REMINDERS

- For Flint water assistance: Dial United Way 211 or visit [www.mi.gov/FlintWater](http://www.mi.gov/FlintWater)
- To donate or volunteer: visit [www.HelpForFlint.com](http://www.HelpForFlint.com)
- Residents should install filters to their taps to ensure they have immediate and ongoing access to safe water. Only run cold water through the water filter and use filtered water for drinking and cooking. Monitor the cartridge on the filter and replace as needed.

## WATER RESOURCE LOCATIONS

These sites are open seven days a week from 9 a.m. to 9 p.m. with the following resources:

- Bottled water
- Water filters
- Replacement cartridges for water filters
- Water testing kits pick-up
- Drop-off location for water testing kits

Fire Station #1  
310 East 5th St.  
Flint, MI 48502

Fire Station #3  
1525 Martin Luther King Ave.  
Flint, MI 48503

Fire Station #5  
3402 Western Rd.  
Flint, MI 48506

Fire Station #6  
716 West Pierson Rd.  
Flint, MI 48505

Fire Station #8  
202 East Atherton Rd.  
Flint, MI 48507

We will continue to work to improve the water situation in Flint. Community members and local officials are working together to make sure we hear and respond to concerns. Governor Snyder will continue to keep you updated on the latest news and information. **If you don't find the resources you need by dialing United Way 211 please call the Governor's office directly at 517-335-7858.**

### **Update 2/9/16 – 36<sup>th</sup> Day (35<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

#### **Mission focus for the day:**

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Create better situational awareness between local, state and federal agencies specifically with the UCG.

#### **Status on Governor's request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### **Attached:**

1. Governor's Data Report from 2/8/16.
2. Sit Rep #35.
3. Maps: Residential Water Sampling Results – Lead and Copper

#### **Key items for tomorrow to note are:**

- Due to the boil water advisory in the city of Flint the SEOC will need to monitor supplies closely in anticipation of burn rates increasing.
- The Small Business Administration will be opening an office in Flint tomorrow at the Oak Business Center (2712 Saginaw Street) .
- 10 American Red Cross Teams scheduled for Wednesday, February 10, 2016.

#### **Items to Note**

- A boil water advisory has been issue in the City of Flint by the local utility due to a broken water main.

- The MOA for the Adventist Community Services to operate the second warehouse was signed by their organization today.
- The long term recovery group made significant progress today and anticipates having a completed long term recovery plan by Thursday February 11, 2016.
- Recovery completed the comprehensive list of apartment units that exist within the City of Flint and franchise customers.
- 10 ARC Flint Water Response Teams to the field today. It is anticipated that by the end of tomorrow all water customers will have been contacted at least once.

#### Unified Coordination Group (UCG):

- Approved IAP #8.
- EPA: Most residents not using their water for anything other than bathing. Also, not running the water. This is an issue for chlorine and phosphate. Concerns for summer, chlorine can cause increased bacteria.
- MDEQ: Visited every home adjacent to high lead lines. Visited all homes higher than 15 ppb.
- HMTF: Working with GCHD to have a clear idea of what has been completed and what additional needs to exist.
- HMTF: Working on redirecting 211 calls from the state to the county so they can sustain long term.

#### Local EOC

- Incident Command, Liaison Officer and Logistics Section Chief in Lansing for long-term distribution planning discussions with representatives from City of Flint and SEOC.
- Determined team-make up and staffing for Sentinel Site Monitoring Teams in coordination with SEOC, UCG and MDEQ ECC.
- Finalizing plans for deployment of Sentinel Site Monitoring Teams starting 02/10/2016.
- Updating IAP to include current work assignments.
- Elevated Copper Initial Assessment Task Force visited 11 addresses with elevated copper and lead water levels on 02/09/2016.

Chris

---

#### Update 2/8/16 – 35<sup>th</sup> Day (34<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Open secondary state warehouse.

##### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### Attached:

1. Governor's Report for 2/8/2016.
2. Sit Rep #34.

Key items for tomorrow to note are:

- Team Priority Scheduled Tomorrow: Active Water Subscribers without filters marked vacant
- 10 American Red Cross Teams scheduled for Tuesday, February 9
- Congressional and Legislative Call, 2:30 PM

Items to Note

- JIC Drafted a news release about the team visiting homes with high copper levels. Anticipate releasing tomorrow.
- SEOC Logistics had a conference call with Seventh Day Adventists on agreement and staffing for new warehouse.
- SEOC Planning developed a new Incident Action Plan for Operation Period from 2/9-2/16/2016.
- Requested monetary donation information from United Way and Community Foundation of Greater Flint.
- GIS develop an online application for Governor Snyder to view maps.

Unified Coordination Group (UCG):

- No updates.

Local EOC

- Establishing objectives and IAP for next operational period, 02/08/2016 – 02/12/2016.
- Awaiting additional information regarding companion animals with potential lead and chlorine poisoning from MDARD.
- Establishing plans for Elevated Copper Initial Assessment Task Force starting 02/08/2016 and follow-up outreach to homes with water lead levels over 150 ppb starting 02/10/2016.
- Aligning resources and supplies for Elevated Copper Initial Assessment Task Force and follow-up outreach to homes with water lead levels over 150 ppb.
- Analyzing locations of faith-based organizations and churches for integration into long-term recovery plans.

Chris

---

Update 2/7/16 – 34<sup>th</sup> Day (33<sup>rd</sup> Full Day) After Governor's Declaration of an Emergency

Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Soft opening of secondary state warehouse; clean and prep for SBA staff.

Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Attached:

1. Daily Summary of Data – Note two new reports: GovReport
2. Sit Rep #33.
3. Maps: Residential Water Sampling Results – Lead and Copper

Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Monday, February 8, 2016.
- The new warehouse will be operational on Monday, February 8, 2016 and managed by MDOC.

Items to Note

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.
- State VAL is working on the Category B and Individuals and Households appeal.
- There continues to be a concern that EPA refuses to work with the state teams in addressing the high lead level homes.
- Genesee County EM expressed concerns about lead poisoning in service/companion animals. MDARD has initiated contact with their partners to address this concern.
- 28 addresses have copper testing that exceeds the “action level” (1,300 ppb). DHHS is currently working on messaging regarding this issue, and DEQ is discussing filtering options.

Unified Coordination Group (UCG):

- Task Forces Health & Medical: working on creating a flow chart for visual of testing results.
- EPA conducted 11 filter grabs yesterday, and will be doing 2 today. This includes up to 33 samples per grab. A grab would be considered a location/residence. They are also following up on the AmeriCorps volunteers (2) that have rashes.

Local EOC

- Establishing objectives and IAP for next operational period, 02/08/2016 – 02/12/2016.
- Awaiting additional information regarding companion animals with potential lead and chlorine poisoning from MDARD.
- Establishing plans for Elevated Copper Initial Assessment Task Force starting 02/08/2016 and follow-up outreach to homes with water lead levels over 150 ppb starting 02/10/2016.
- Aligning resources and supplies for Elevated Copper Initial Assessment Task Force and follow-up outreach to homes with water lead levels over 150 ppb.
- Analyzing locations of faith-based organizations and churches for integration into long-term recovery plans.

Chris

Update 2/6/16 – 33<sup>rd</sup> Day (32<sup>nd</sup> Full Day) After Governor’s Declaration of an Emergency

The link below is a new video published today by 211. This is part of the Rapid Response Teams currently staffed by Team Rubicon.

<https://www.youtube.com/watch?v=P5Orqzc5efg>

Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Soft opening of secondary state warehouse; clean and prep for SBA staff.

Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Attached:

1. Daily Summary of Data.
2. Sit Rep #32.
3. Maps: Residential Water Sampling Results – Lead and Copper

Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Sunday, February 7, 2016.
- MDOC will continue setting up the new warehouse.

Items to Note

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.
- JIC posted the AIA Flint Safe Water Storage Guideline flyers on MI CIMS under internal documents.
- SBOC Logistics is working to secure space in new warehouse for SBA office, additional information needed from SBA.
- GIS geocoded and cleansed addresses for food establishments in the Flint Metro Area.
- GIS digitized water service lines coded by pressure from paper map onto digital map.
- State VAL is working on the Category B and Individuals and Households appeal.
- MOU with Seventh Day Adventist for donations management currently under review.
- MDARD is planning for additional follow up with food related businesses as water test results come in; new maps with updated information will help with future prioritization.
- MDARD will attend a USDA-Natural Resources Conservation Service press conference to be held on Monday; NRCS will be announcing funds to support community gardens and local foods.
- A team from the CDC arrived yesterday to work with MDHHS Bureau of Epidemiology. Their work began today by beginning to analyze data for the development of long term surveillance strategies that will look to link blood lead level results to specific populations, to include vulnerable and at-risk populations.
- LARA continues to monitor DEQ's test results for Health Care, Child Care, Adult Foster Care, HHS and MDE facilities and Schools.
- Freeman Elementary was tested today (2/6/15) by DEQ/LARA staff members.

Unified Coordination Group (UCG):

- Attended 3 matrix review meetings, taskforce leads gave status updates on the original requests/asks sent from the State to Federal government.
- UCG POC will update the objectives with current status once completed by the information cell.

- EPA has 4 teams going out today, 17 filter grabs, a sequential sampling, and walk in requests.
- Additional phosphorus results remain consistent with previous reports. Appears the coating is working in the pipes.
- Multiple Hispanic events are taking place in the community and will be attended by federal staff.
- CDC recommendation should go out today for blood level testing for children under the age of 6.

#### Local EOC

- Finalized DEQ outreach at homes with water lead levels above 150 ppb.
- Developing plan for outreach at homes with water lead levels of 100 to 149 ppb.
- Will start outreach at homes with water lead levels of 100 to 149 ppb with one group on Monday.
- Potentially following up on initial outreach at homes with water lead levels of 100 to 149 ppb 10 strike teams for evaluation of plumbing system, water sampling, etc. starting Wednesday.
- Evaluating need to address health needs of companion animals in households exceeding water lead levels above 100 ppb.
- Awaiting clarification regarding effectiveness of filter systems for removal of copper.

**Below is a summary of Federal Teams in the field during next operational period until 2/10 per the UCG.**

#### Public Health Support Team (PHST) (US HHS) stationed at GCHD

9 personnel

- Develop engagement strategy for GCHD to facilitate outreach efforts to the community members and community partners.
- Development database for incoming calls to standardize the responses to caller queries; develop resource list for GCHD.
- Two personnel will facilitate case management follow up on results from GCHD concerning water samples with high home water lead levels.
- Provide technical assistance and community health outreach support to GCHD and to the EPA field team during water sampling and rash investigations.
- Create email groups for email messaging blasts to community partners.

#### Behavior Health Team (US HHS) stationed at GCHD

4 personnel

- Develop Behavior Health Surveillance Plan and Gap Assessment.
- Provide Behavioral Health Support for community-based health and human service providers.

#### EPA Sampling Teams out in the field

3 teams with 3 personnel,

- Identify sampling locations based on State DEQ requests and/or inquiries from residents, schedule visits with residents.
- Develop facts sheets based on high lead homes and other facts sheets, as needed.
- Provide risk communications and test results to residents.
- Conduct sequential, filter pilot, and distribution system sampling.

#### High Lead Home Strike Team out in the field

5 personnel

One MDEQ rep (Taylor) with EPA high lead team.

- Conduct water sampling at residences with rash complaints
- High lead homes with no contact information

#### MDEQ (Provided by Mark Ducharme) out in the field

- One Initial Outreach Visit team consisting of 1 DEQ rep (Oeming) and 1 MDHHS rep (Groetsch), supported by 2 team Rubicon, 1 city of Flint PD escort, and 1 Penske truck loaded with commodities.

Genesee County Health Department team out in the field

1 team with 2 personnel One LHD person (EH), One EPA person (for sampling)

- Responding to high lead homes – Made contact with all homes 150 ppb last Wednesday and will continue as long as they have resources.

**Subject:** SEOC Update 2/5/16 - Flint Water - Limited Distribution

Update 2/5/16 – 32<sup>nd</sup> Day (31<sup>st</sup> Full Day) After Governor's Declaration of an Emergency

Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made. Special attention to apartments/multifamily residences.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Prepare of opening of secondary state warehouse

Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Attached:

1. Daily Summary of Data (NG field is showing 0 which is not correct). NG personnel are still at the PODs.
2. Sit Rep #31.
3. Maps: Residential Water Sampling Results – Lead and Copper

Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Saturday, February 6, 2016.
- MDOC will begin setting up Kroger warehouse.

Items to Note

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.
- SBA declaration approved. SEOC Logistics will be working to identify office space in Flint for SBA staff.
- Recovery Branch estimate based on information collected last weekend is as follows:
  - 80 Complexes
  - 4170 Units
  - 2892 Assisted Living/Senior Housing (Dept of Aging)
- Information in DHHS Sit Rep is from GCCARD only, this information is not included in the daily totals.
- JIC issued a news release around 10 a.m. about the state of Michigan encouraging food establishments to take advantage free water safety inspections. The news release was picked up by the Associated Press and other news media outlets.
- JIC held a media event to encourage people to check out Flint area restaurants with Lt. Gov. Brian Calley and Michigan Department of Agriculture and Rural Development Director Jamie Clover Adams. Nine local and statewide news media members attended the event.
- Finance Section developed guidance for Flint Water Inter-Agency Coordinating Committee related to reimbursements for non-state employees.
- State Voluntary Agency Liaison (VAL) prepared list of NGOs involved in Flint for DHHS SERG grant application.
- State VAL worked on potential jobs funding with TIA via Dept of Labor.
- Question was asked from the Governor's office yesterday if commodities purchased could be returned. Per FEMA, any item such as filter, pitcher, cartridge etc. cannot be returned. Once procured via State RRF the state owns it - no returns. Water can be returned with 12 months remaining shelf life and in complete factory issued pallet w shrink wrap and the state will fund/ transport of returning water to the designated Distribution Center. FEMA will inspect all returning water prior to movement and water is limited to available storage space in the FEMA Distribution Centers which will range between 0-5 million liters. Quantity to be returned will be approved prior to movement based upon available space and known inbound inventory.
- DEQ finalized sentinel sampling plan to commence activities beginning February 10th, 2016.
  - DEQ received 12 iPads for deployment with teams for status tracking.

#### Unified Coordination Group (UCG):

- Met with the nutrition task force today on request from the state.
- Cleared up misinformation on areas that have not been covered.

#### Local EOC

- Coordinating rapid response deliveries to homebound residents and special locations.
- Developed floor plan proposal for new warehouse with warehouse workers.
- Recycling and water distribution event with MSU athletics.
- Establishing plan to provide public transit vouchers for travel to blood lead level test clinics.
- Work with Michigan Community Service Commission to align supplies and resources for PUR filter distribution effort next week.
- DEQ/Team Rubicon team visited 30 homes with water lead levels of 150 ppb.
- Developing plans for follow-up with residents at homes with water lead levels of 150 ppb.

**Subject:** SEOC Update 2/4/16 - Flint Water - Limited Distribution

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

**Update 2/4/16 – 31<sup>st</sup> Day (30<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

**Mission focus for the day:**

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made. Special attention to apartments/multifamily residences.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Submit SBA application.

**Status on Governor's request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. *Nothing more can be done on this.*
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

**Attached:**

1. Daily Summary of Data.
2. Sit Rep #30.

**Key items for tomorrow to note are:**

- 10 American Red Cross Teams scheduled for Friday, February 5, 2016.
- FWICC and Mission Flint meetings in Flint.

**Items to Note**

- 10 ARC Flint Water Response Teams to the field today. Continued priority is the apartment list from 2/2/16.
- Recovery Branch worked with county and postal partners to collect information about home vacancies and resident's with forwarded mail addresses in order to ensure we are contacting all occupied residences in the City of Flint.
- Recovery Branch supported the efforts of MSDHA to provide resources to tenants in their facilities.
- JIC issued a media advisory about federal lead for Flint water crisis Dr. Nicole Lurie to visit EPA's command post.
- MDHHS provided a representative to accompany the MDEQ team to the high lead homes in Flint. The MDHHS representative will encourage individuals to have blood lead testing and answer health questions as necessary.
- GIS is working to develop a field application for MDEQ and MDHHS for field collection of water test data and health data respectively.
- SEOC and MTED are working with Department of Labor to identify grants that may be available to assist with jobs programs (wages, training, overhead, and potentially equipment and leasing resources). DOC looking at prisoner re-entry programs for those returning to Flint area.

**Unified Coordination Group (UCG):**

- Working on improving communication flow between UCG and state partners.

- Attended long term recovery meeting held by state VAL.
  - Discussed MARC model and potential transition plan.

#### Local EOC

- Coordinating rapid response deliveries to homebound residents and special locations.
- Attended meeting with federal, state and local health and environmental agencies to establish process for notification of households with water test results that exceed 150 ppb.
- Attended two long term recovery planning meetings with SEOC staff, VOADs and local agencies (Flint Water Recovery Leadership group).
- Ensuring Community Access Center for the Deaf and Hard of Hearing receives appropriate supplies.
  - Briefed staff on site on filter installation and water sampling process.
- Clarified distribution process at city sites with Flint City Administrator's Office. Coordinating with Fire Department Quartermaster for supplying city sites.
- Addressing various public concerns, including identification of canvassing teams.
- Instituted credentialing verification process for 2-1-1 calls.

Chris

#### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

#### Update 2/3/16 – 30<sup>th</sup> Day (29<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Refocus state agencies on objectives, tasks in the Incident Action Plan and how we get to the end state/shift to longer term recovery.
- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Submit SBA application – outstanding item is the certification of availability of financial assistance. Priority item for the a.m. so this can get submitted. Press release has been completed.

##### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### Attached:

1. Daily Summary of Data, full version and abridged (New reporting format – we will ensure we give liters of water and cases in the future)
2. Residential Water Sampling Results Maps – Lead and Copper
3. SitRep 29

##### Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Thursday, February 4, 2016.
- Will continue to target residences from the Apartment List from 2/2/16

#### Items to Note

- Paired down the list of parcels not visited from 2400 to 958. Will continue on 2/4/16 to identify any parcels not visited. Some parcels contain multifamily residences and those types of residences are being reviewed and targeted to ensure coverage.
- MDOC is going to look into their job programs for any prisoners begin release back into the Flint area. This will be in conjunction with any other job programs identified. We are working with MTED on solutions.
- DEQ and DHHS will be going to residences with >150 ppb starting tomorrow. They will be checking residences next to the one with the high lead level to see if this is a single residence issue or a bigger issue affecting the block or line in an area. This will not initially include EPA as they did not seem interested in combining teams but we are working on more collaboration without slowing us down.
- DEQ will have a representative in the UCG starting 2/4/15.
- Discussed with UPS on ways they can assist with Rapid Response Team and filter replacements in the future.
- Additional warehouse will be put in service potentially Saturday. Seventh Day Adventist are potentially going to operate it or help with operations to phase out state agency personnel and make it more community run. The warehouse does include some office space if needed.
- 10 ARC Flint Water Response Teams to the field today.
- Team Priority Visited Today: Apartment List from 2/2/16
- SEOC Logistics worked with MDOC on their assistance with warehouse management and staffing for new warehouse. Reached out to Food Bank on their recommendation and coordination for hours/days of operation of new warehouse.
- SEOC Operations attended a donations management meeting to discuss the need for a consolidated list of donated goods.
- JIC strategized with the U.S. Department of Health and Human Services and Environmental Protection Agency on how to better coordinate public information.

#### Unified Coordination Group (UCG):

- UCG IAP approved today for the operational period 0800 2/2/16 to 0800 2/4/16.
- The Federal Health Coordinating Officer had a meeting today with Economic Development and Housing and Urban Development.
- EMHSD liaison provided information on Michigan EM structure to Command.
- State JIC manager now in the communication loop for the UCG.
- UCG discussed MARCs and potential implementation.
- Capt. Kelenske met with Don Boyce from US DHHS to discuss concerns with Federal HHS and EPA and how we can move forward with better collaboration and coordination. Boyce also met with Governor's Office staff on same. The meeting went well and a solid relationship is in place with Boyce. He is a direct report to Dr. Lurie and will provide her some context on the issues and how we can move forward. He will be a good POC to assist us with any shifts in direction needed at the federal level.

#### Local EOC

- Coordinated rapid response deliveries to homebound residents and special locations.
- Working on refining rapid response delivery process.
  - Preparing transition from Team Rubicon personnel to NCCC teams, and eventually Southern Baptist Disaster Relief.
  - Coordinating with ARC for logistics support to NCCC teams (AmeriCorp).
- Working with ARC to ensure resource needs of franchise customers at Sunridge Apartments complex in Flint Township are met.
- Coordinating with MDEQ to streamline test kit assembly process.
- Attended distribution plan meeting with faith-based organizations, state, and local agencies.

- Referring VOADs to appropriate volunteer management agencies.
- Addressing various public concerns, including availability of supplies at child care facilities.

# Damage Assessment and Emergency Status Report

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

## Operational Period

Operational Period Begin: 02/09/2016 08:00:00  
Operational Period End: 02/16/2016 08:00:00  
Situation Report No. 35  
SEOC Status: Full  
SEOC Hours of Operation Begin: 02/09/2016 08:00:00  
SEOC Hours of Operation End: 02/09/2016 20:00:00

## Executive Summary

### SEOC Update:

Accomplished today (February 9, 2016):

The SEOC continues to provide:

- Situational awareness.
- Common operating picture/objectives.
- Coordination with city/county.
- Potential coordination with federal agencies.
- Incident prioritization.
- Coordination of life/health safety measures.
- Resources.
- Public information control.

### Logistics:

- *Fielded resource requests.*
- Fielded Rapid Response requests.
- Fielded Governor's office request.
- Facilitated distribution team calls.
- Working with local EOC and found a suitable space for SBA.
- Attended long term recovery meeting.
- Coordinated security needs at Warehouse 2 with local EOC.

### JIC:

- Issued a news release about the role of the American Red Cross and United Way in coordinating volunteers.
- Issued a news release about the state's outreach to blind residents to help ensure access to information and resources.
- Shared the updated resource guides for water donations and recycling with 211.
- Held a 2:30 p.m. legislative and congressional conference call involving updates from key state agencies to talk about ongoing operations and activities.

### Recovery Branch:

- Attended Local Brief, SEOC State Agency Briefing Meetings, Distribution Process Meetings, and Tactics Meeting.
- Completed the Apartment list, finalizing all apartments receiving Flint City Water.
- Team Priority Visited Today: Active Water Subscribers without filters marked vacant.
- Team Priority Scheduled Tomorrow: Active Water Subscribers without filters marked vacant.
- 10 American Red Cross Teams scheduled for Wednesday, February 10.
- Data is for 2/9/16 as of 5:00 pm:
  - o Total homes visited:
    - 18,529 (round 3 total).
    - 440 (today).
  - o Water cases (liters calculated by multiplying # of cases x 12):
    - 129,012 liters or 10,751 cases (round 3 total).
    - 2,676 liters or 223 cases (today).
  - o Replacement cartridges:
    - 3,950 (round 3 total).
    - 165 (today).
  - o Faucet filters:
    - 7,283 (round 3 total).
    - 57 (today).

### Planning Section:

- Published Sit Rep #35.
- Worked with Governor's rep to redevelop Governor's data sheet.
- Updated commodities daily totals.
- Participated in daily meetings, local EOC, state agency briefing, and distribution process meeting.

### Operations Section:

- Planning section revising the statistics for an accurate reflection of parcels visited, confirmed, volunteered for testing.
- Long Term Recovery Planning.
- Ensuring State agencies to stay connected with Emergency Coordination Centers.
- Ensuring State workers in the local EOC know their role.
- Participated in Local agency briefing.
- Participated in State Agency Conference call.
- Participated in Distribution Process meeting.

- SEOC State Agency Briefing
- Warehouse Numbers as of 1800:
  - ☐ Water (liters):
  - 652,382 liters or 54,365 cases.
  - ☐ Filters (faucet):
  - 48,148.
  - ☐ Replacement cartridges:
  - 378,410.
  - ☐ Test Kits (prepped):
  - 18,642.
  - PODs (1700 2/7 – 1600 2/9):
    - ☐ Water (cases):
    - 48,984 liters or 4,082 cases.
    - ☐ Filters (faucet):
    - 123.
    - ☐ Replacement Cartridges:
    - 293.
    - ☐ Test kits:
    - 114.

#### Finance Section:

- Continued to research organizations accepting monetary donations for City of Flint Water emergency and how the funds are utilized
- Continued to develop spreadsheet to track lodging being billed directly to EMHSD for state agency approval of individuals being billed and for accuracy in payment.
- Update weekly financial status reports as data becomes available from state agencies.

#### GIS Branch Updates:

- Updated Water Test Results.
- Provided food establishment spreadsheet to MDARD.
- Provided filter status vs. contacts made spreadsheets to recovery.
- Coordinated with DNR regarding Sentinel App.
- Provided Filter Status vs. Water Testing Map for SEOC Command.
- Began work on low income map for SEOC Command.
- Published final layers for Team Activity and POD Activity to ArcGIS Online for V1 through V3 Data.

#### DTMB:

- Continued to provide DTMB management with daily updates and resource requests received.
- Contacted DTMB Risk Management regarding injuries at warehouses.
- Coordinating equipment delivery for Pierson Road warehouse.

#### DHHS-CH:

- Discussed concerns from LEOC regarding MDHHS staff accompanying DEQ on home visits. The CHECC contacted the LEOC and confirmed that MDHHS will send one staff member per day (more are available if requested) to serve on the DEQ "Initial Assessment Teams," visiting homes with high levels of lead and/or copper. A pool of MDHHS staff were trained today for this purpose.
- Provided CHECC leadership with information regarding USDA VIP visit from the Food, Nutrition and Consumer Services Deputy, under Secretary Dr. Katie Wilson, who will be visiting Flint tomorrow, to include a stop at a local WIC clinic.
- Confirmed with DEQ that the DEQ laboratory will be open, operational, and able to process Coliform lab analysis from the EPA from Friday through Monday, since the GCHD laboratory will be closed for a furlough, the weekend, and the holiday.

#### DEQ:

- Continued coordination of Sentinel Sampling Team resources with partner agencies, to begin data collection tomorrow.
- Worked with DEQ lab to assure they are prepared, if necessary, to receive water samples for bacteria testing due to water main break.
- Updated tracking sheet of requested data by Congressional Committee of Energy and Commerce.
- Reviewed upcoming deadlines from EPA Order tracking spreadsheet.
- Coordinated putting together sentinel site teams.

#### State Voluntary Agency Liaison (VAL):

- Met with FEMA, county and city to develop distribution transition plan.

#### Unified Coordination Group (UCG):

- Approved IAP #8.
- EPA: Most residents not using their water for anything other than bathing. Also, not running the water. This is an issue for chlorine and phosphate. Concerns for summer, chlorine can cause increased bacteria.
- MDEQ: Visited every home adjacent to high lead lines.
- Visited all homes higher than 15 ppb.
- HMTF: Working with GCHD to have a clear idea of what has been completed and what additional needs to exist.
- HMTF: Working on redirecting 211 calls from the state to the county so they can sustain long term.

#### Local EOC:

- Incident Command, Liaison Officer and Logistics Section Chief in Lansing for long-term distribution planning discussions with representatives from City of Flint and SEOC.
- Determined team-make up and staffing for Sentinel Site Monitoring Teams in coordination with SEOC, UCG and MDEQ ECC.
- Finalizing plans for deployment of Sentinel Site Monitoring Teams starting 02/10/2016.
- Updating IAP to include current work assignments.
- Elevated Copper Initial Assessment Task Force visited 11 addresses with elevated copper and Lead-water levels.

#### **Incident Response/Recovery Priorities/Objectives**

(Objectives are in order of priority with original objective number attached)

12. Develop and implement a comprehensive long term recovery and transition plan.
11. Ensure accurate tracking and accounting of all donations.
5. Continue to maintain adequate staffing to support operational requirements.
10. Collaborate with local and volunteer agency partners to solidify the Flint Water Operations Plan.
9. Enhance situational awareness and common operating picture of all activities.

8. Maintain coordination between partner agencies and organizations to include FEMA IMAT, FWCC, and the US Department of Health and Human Services Unified Coordination Group (UGC).
3. Improve and maintain the public information strategy and process.
6. Develop an overview of possible assistance programs.
4. Develop a long term public health and services plan.
7. Gather, analyze, and disseminate GIS data to develop products for future planning.
1. Ensure all households within impacted community have required resources and are included in DEQ water sampling plan.
2. Ensure accurate tracking and accounting of all commodities.

##### Damage Assessment Summary

## Agency Summaries

### Joint Information Center / Public Information Officer

The Joint Information Center (JIC) was expected to be operational in Flint from 8 a.m. to 8 p.m. on Feb. 9. The JIC was operational until 9 p.m. on Feb. 8.

State agencies at the JIC included the Michigan State Police, Michigan National Guard, and Departments of Agriculture and Rural Development, Environmental Quality, Health and Human Services, and Natural Resources. The Genesee County Sheriff's Office was also present.

#### Tasks accomplished:

- Media hotline staff answered less than 10 emails and phone calls, ranging from inquiries about state costs incurred due to the Flint water emergency to testing dogs for lead toxicity. Media inquiries have continued to decline.
- Created a morning and afternoon media monitoring report.
- Created a Daily JIC Activities email to catalog actions completed for the day and planned for the week to keep all key agency PIOs aware of actions.
- Issued a news release about the role of the American Red Cross and United Way in coordinating volunteers.
- Issue a news release about the state's outreach to blind residents to help ensure access to information and resources.
- Shared the updated resource guides for water donations and recycling with 211.
- Continued updating and revising internal and general talking points to better reflect ongoing information.
- Continued routing public information materials for approval, including a newsletter article from the Michigan Department of Corrections and a Lead Toxicity fact sheet from MDARD.
- Continued discussions on drafting a news release to announce high-lead and copper teams that are beginning operations this week.
- Continued to post information on the [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater) website, especially facts sheets and fliers in Spanish, Arabic, Mandarin Chinese and other languages.
- Held a 2:30 p.m. legislative and congressional conference call involving updates from key state agencies to talk about ongoing operations and activities.
- Revised staffing needs for next two-week period to reduce number of PIOs needed. Working to have staffing for February 16 – 26 by Thursday.

### Agriculture and Rural Development (MDARD)

MDARD's field activities for 2/9/16 included:

- 2 food establishment assessments conducted (both follow-up) and 2 in use water samples collected
- 5 water sample requests/appointments were scheduled

NOTE: There was a break in the water main at the Flint Water plant, so staff were unable to collect the majority of planned water samples today.

As of 2/8/16, MDARD has completed a total of 331 food establishment assessments (263 initial/68 follow-up). 231 establishments are verified to be in compliance (70%). All high and medium risk firms have had an initial assessment. 196 water samples have been collected and 137 are currently scheduled. Data is now being auto-calculated, resulting in reduction in total assessments reported on 2/5/16, but is now a more accurate count of total assessments.

The food establishment list with assessment, sampling and test results has been combined and mapping activities are underway.

MDARD has a conference call on February 10th at 8:30 am with stakeholder groups, including MSU, MDHHS and Genesee County to provide an update on current lead testing plans for dogs and to explore funding options and other assistance to provide additional testing.

The keep your pet safe from lead poster was posted on the FlintWater website (attached). A veterinarian guidance document was finalized today and will be posted as soon as possible.

### American Red Cross (ARC)

The American Red Cross deployed 10 Water Response Teams on Tuesday, 2/9/16, to attempt contact at those residences where no one had yet answered the door.

The Volunteer Reception Center (VRC) was in operation today, from 9am to 5pm. The VRC will be operating from 9-5 again on Wednesday.

### Civil Rights (MDCR)

Continue to review activities to provide support and assistance to assigned Human Services branch and other SEOC entities. Maintaining media awareness regarding situation and community activities. Reviewed foreign languages documentation.

### Community Health (MDCH)

The CHECC remains active at a Level 2, and continues to staff the hotline to answer any lead health-related questions referred by 2-1-1 in support of the GCHD. The CHECC continues to work with federal partners in the UCG on prioritized requests for assistance.

Discussed concerns from LEOC regarding MDHHS staff accompanying DEQ on home visits. The CHECC contacted the LEOC and confirmed that MDHHS will send one staff member per day (more are available if requested) to serve on the DEQ "Initial Assessment Teams," visiting homes with high levels of lead and/or copper. A pool of MDHHS staff were trained today for this purpose.

Provided CHECC leadership with information regarding USDA VIP visit from the Food, Nutrition and Consumer Services Deputy

Under Secretary Dr. Katie Wilson, who will be visiting Flint tomorrow, to include a stop at a local WIC clinic.

MDHHS held a conference call with the Michigan Pharmacist Association and other community pharmacy members to discuss the potential role of pharmacies in the Flint response efforts. Options will be explored in regards to blood lead testing, communications, and nutritional counseling.

Confirmed with DEQ that the DEQ laboratory will be open, operational, and able to process Coliform lab analysis from the EPA from Friday through Monday, since the GCHD laboratory will be closed for a furlough, the weekend, and the holiday.

#### **Corrections (MDOC)**

MDOC continued operations at both warehouses with warehouse 2 opening as scheduled. All PODs were well supplied during the entire operational period.

MDOC continues to keep trucks dedicated to delivering to individual PODs and have Rapid Responses ready for any POD that gets to a critical level of supplies.

MDOC had 14 employees on the ground in Flint today.

In an effort to reduce overtime costs we are working on completing a critical staff review. All dedicated resources will be reviewed to determine if it is feasible to reduce staffing in lieu of volunteers wherever possible.

We are working with Finance and MDOC assets to capture total employee payroll information and expenditures.

#### **Environmental Quality (MDEQ)**

The Department of Environmental Quality (DEQ) completed the following activities today:

Continued coordination of Sentinel Sampling Team resources with partner agencies, to begin data collection tomorrow

Worked with DEQ lab to assure they are prepared, if necessary, to receive water samples for bacteria testing due to water main break.

Updated tracking sheet of requested data by Congressional Committee of Energy and Commerce.

Reviewed upcoming deadlines from EPA Order tracking spreadsheet.

Coordinated putting together sentinel site teams .

Briefed updated Incident Objectives to reflect activities for the upcoming week.

#### **Human Services (MDHS)**

Looking into filtration system for a child care institute, possibly through donation.

Donation details being entering into MI CIMS.

211 reporting that the number of calls related to Flint was down to 10.5% for Feb 1 - Feb 7.

Daily update conference call with MDHHS Budget & Field Operations.

#### **Licensing and Regulatory Affairs (LARA)**

Participated in briefings and updated the LARA Executive Team

LARA completed mapping at the International Academy of Flint and created a materials list.

LARA continues to monitor DEQ's test results for Health Care, Child Care, Adult Foster Care, HHS and MDE facilities and Schools.

Translation services for various documents continue to be provided as needed.

Ongoing discussion regarding coverage of state regulated facilities and elimination of duplication of effort.

#### **Military and Veterans Affairs (DMVA)**

Commanders Situation Report (SITREP)

1. DTG: 091300Z016

2. UNIT: Points of Distribution (PODs), TF FLINT (1-125 IN)

3. POC:Ssg Gazzeny, Darryl L. Cell:                      mail: armyinfantry31@yahoo.com

4. PRESENT LOCATION: Genesee County Local EOC, 1101 Beach St., Flint, MI, 48502

5. SITUATION OVERVIEW: 1-125 IN has     Soldiers deployed to the Flint Water Crisis in support of Distribution Operations at the Points of Distributions (PODs).Daily operations consist of receiving, tracking, and issuing out water, filters, replacement filters, and water test kits.

6. OWN SITUATION DISPOSITION /STATUS: Currently 1-125 IN has     Soldiers on ground supporting the mission.

7. OPERATIONS: Operations for the next 24 hours are to sustain water/filter distributions throughout the 5 designated fire stations and track all distribution incoming and outgoing through the PODs.

a. POD 5 has two generator lighting units from MDOT. All PODs now have sufficient lighting.

1. Fuel cans and the utilization of station 5 fuel pump is being requested through city of Flint liaison.

- b. 4 Detroit Piston players will be purchasing food and visiting the POD Soldiers in appreciation of their assistance to Flint.
- b. Signs have been printed off for the POD Buildings. Requesting approval to get the signs laminated from the purchasing office.
- 1.) TF Flint OIC, 2LT Benke, will be seeking approval from CPT Bowles and Dana and/or Kim at the purchasing office for laminating.
8. PERSONNEL: Soldiers are currently assigned to the POD operations.<sup>f</sup> Soldiers are assigned in five teams at Fire Stations 1, 3, 5, 6 and 8.
9. INTELLIGENCE / FORCE PROTECTION: Water main at Dort highway near I475 has broke causing massive flooding. Water has been shutoff in respected areas therefore increasing water request at POD locations.
10. LOGISTICS: In support of TF Flint
- a. The order for a pallet of rock salt from the state purchasing office should arrive at warehouse COB 09Feb2016.
11. COMMUNICATIONS: No communications issues at this time.

P: RRF cell phones alternate for WRTs.  
A: Personal cell phone  
C: 800 MHz radios issued to PODs and WRTs.  
E: Runner

12. NARRATIVE: N/A

**13. COMMANDER'S EVALUATION:**

- AAR and operational notes are being consolidated into SOP's to send to JOC to assist in updating the All Hazards Plan.
- An operational handoff packet including SOP's, POC's, POD sector sketches, hand-receipts, and other operational notes is being built to assist the incoming unit.
- OUT (last 24 hours)  
Bottled water-6422 Water (Gallons)1160 Lead Testing Kits-250  
Pitcher (23 cup)-0 Brita Faucet Filter-134 Brita Replacement Cartridge-190  
Pur Filter-52 Pur Replacement Filter-255

**National Weather Service (NWS)**

NWS Detroit providing morning SEOC brief and Activity Log posts. Jim Maczko from NWS Grand Rapids will be the contact point for any changes in NWS Support and will also continue to update the Sit Rep Executive Summary as needed.

Participation in afternoon SEOC briefings is planned only if significant changes in the forecast occur.

**Natural Resources (MDNR)**

MDNR LED continues to support its QOL partners with staffing at the SEOC.

Department POC's include:  
Chief Gary Hagler, F/Lt. Jennifer Wolf, F/Lt. Steven B. Burton.

**Services to the Aging (OSA)**

Valley Area Agency on Aging (VAAA) continues to receive phone calls from concerned seniors in Flint and continues to make referrals to the Genesee Co. EOC for water and filter follow-up.

VAAA's local Nursing Home Ombudsman continues to monitor Flint area Nursing Homes to ensure residents have access to safe water.

Contact info for VAAA Executive Director is:  
Kathryn C. Boles  
President, CEO  
Valley Area Agency on Aging  
225 E. Fifth Street, Suite 200  
Flint, MI 48502  
(810) 239-7671  
(810) 239-8869 fax

**State Police (MSP)**

DEQ contacted MSP reference providing telephone numbers for approx. 400 residences in Flint for Sentinel site sampling efforts. DEQ was advised MSP is unable to provide information.

\*\*\*\*Valencia Jones - SEOC OPS Public Safety MSP - jonesv4@michigan.gov at 14:58:30 on 2/8/2016\*\*\*\*

The MSP position within the SEOC will be staffed at MSP Operations at HQ. All e-mails to MSP-EOC-MDSP@michigan.gov are being forwarded to the Operations Lt. The phone number for the on duty Operations Lieutenant is 517-241-8000

**Technology, Management and Budget (MDTMB)**

Continue to provide DTMB management with daily updates and resource requests received.

Contacted DTMB Risk Management regarding injuries at warehouses.  
Coordinating equipment delivery for Pierson Road warehouse.

## Transportation (MDOT)

Providing staff to Pierson Rd. warehouse.

Providing 2 portable light tower generators to Fire Station #5 on Western Rd.

Providing traffic measures at Fire Station #6 on Pierson Rd. and Fire Station #3 on Martin Luther King Blvd:

-4 (3' x 5') standard signs (2 each site)

-100 grabber traffic cones (narrow reflective cones) (50 each site).

Continuing to maintain situational awareness and responding to issues regarding equipment and road conditions.

Operational Period End: 02/16/2016 08:00:00

Situation Report No. 35

SEOC Status: Full

SEOC Hours of Operation Begin: 02/09/2016 08:00:00

SEOC Hours of Operation End: 02/09/2016 20:00:00

## Executive Summary

On January 6, 2016, Governor Snyder declared a State of Emergency for the City of Flint and Genesee County. Genesee County requested the Governor's declaration on January 5, 2016, following the declaration of a State of Emergency in the county in response to the presence of lead in the public water supply, and the detection of elevated blood lead levels exceeding governmental standards. These conditions exist in the City of Flint, which declared a local State of Emergency and activated local response plans and their Emergency Operations Center on December 15, 2015. A public health emergency was declared by the Genesee County Health Department on October 1, 2015.

By early May 2014, the City of Flint switched from the Detroit Water and Sewerage Department (DWSD) to the Flint River as their primary water source. The corrosive river water caused the leaching of lead from lead pipes into the water supply. Increased exposure to lead can cause immediate negative health effects. However, the main health concerns are long-term effects in children such as developmental and cognitive delays, and behavioral disorders. Elevated blood lead levels were observed in a significant sampling of young children in the City of Flint, and confirmed by the State Chief Medical Officer.

To mitigate the negative effects of corrosive river water on the water infrastructure in the City of Flint, the city switched back to DWSD as their primary water source on October 16, 2015. Funding to reconnect to DWSD was provided from the City of Flint, the Charles Stewart Mott Foundation, and the State of Michigan. Water is treated with a supplemental phosphate addition to rebuild the protective layer in the distribution system and reduce the leaching of lead into the water supply.

For the mitigation of negative health effects, over 24,000 water filters and replacement cartridges have been distributed to residents in the City of Flint. Approximately 13,000 water filters, water pitchers and replacement cartridges were distributed by the Michigan Department of Health and Human Services (MDHHS) in the timeframe of October 1 to December 31, 2015 alone. MDHHS has increased surveillance of blood lead levels in children, addresses water issues in environmental investigations facilitated to identify lead sources in the environment of affected children, and provide health education and information to residents, health care providers and daycare/educational institutions. Local nonprofit organizations have provided potable water to Flint residents. MSP/EMHSD GIS staff is supporting county and local GIS staff, consolidate data from local sources into comprehensive databases, and providing mapping services that support incident analysis and forecasting. Data and maps will be made available regarding the location of water pipes, affected schools, filter distribution locations, water monitoring results, predictive blood lead levels for affected areas, demographics, etc.

Before December 16, 2015, \$9.35 million were provided by the State of Michigan, and \$6 million by local agencies and nonprofit partners to manage the effects of the corroded pipes. While drops in lead levels have been observed since reconnecting to the DWSD system, water in the City of Flint is still not safe to drink, unless specifically filtered.

## Incident Response/Recovery Priorities/Objectives

(Objectives are in order of priority with original objective number attached)

11. Ensure accurate tracking and accounting of all donations.
5. Continue to maintain adequate staffing to support operational requirements.
10. Collaborate with local and volunteer agency partners to solidify the Flint Water Operations Plan.

- ## Emergency Declarations

## Damage Assessment Summary

### Agency Summaries

#### Joint Information Center / Public Information Officer

The Joint Information Center (JIC) was expected to be operational in Flint from 8 a.m. to 8 p.m. on Feb. 9. The JIC was operational until 9 p.m. on Feb. 8.

State agencies at the JIC included the Michigan State Police, Michigan National Guard, and Departments of Agriculture and Rural Development, Environmental Quality, Health and Human Services, and Natural Resources. The Genesee County Sheriff's Office was also present.

#### Tasks accomplished:

- Media hotline staff answered less than 10 emails and phone calls, ranging from inquiries about state costs incurred due to the Flint water emergency to testing dogs for lead toxicity. Media inquiries have continued to decline.
- Created a morning and afternoon media monitoring report.
- Created a Daily JIC Activities email to catalog actions completed for the day and planned for the week to keep all key agency PIOs aware of actions.
- Issued a news release about the role of the American Red Cross and United Way in coordinating volunteers.
- Issue a news release about the state's outreach to blind residents to help ensure access to information and resources.
- Shared the updated resource guides for water donations and recycling with 211.
- Continued updating and revising internal and general talking points to better reflect ongoing information.
- Continued routing public information materials for approval, including a newsletter article from the Michigan Department of Corrections and a Lead Toxicity fact sheet from MDARD.
- Continued discussions on drafting a news release to announce high-lead and copper teams that are beginning operations this week.
- Continued to post information on the [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater) website, especially facts sheets and fliers in Spanish, Arabic, Mandarin Chinese and other languages.
- Held a 2:30 p.m. legislative and congressional conference call involving updates from key state agencies to talk about ongoing operations and activities.
- Revised staffing needs for next two-week period to reduce number of PIOs needed. Working to have staffing for Feb. 16 – 26 by Thursday.

#### Agriculture and Rural Development (MDARD)

MDARD's field activities for 2/9/16 included:

- 2 food establishment assessments conducted (both follow-up) and 2 in use water samples collected
- 5 water sample requests/appointments were scheduled

NOTE: There was a break in the water main at the Flint Water plant, so staff were unable to collect the majority of planned water samples today.

As of 2/8/16, MDARD has completed a total of 331 food establishment assessments (263 initial/68 follow-up). 231 establishments are verified to be in compliance (70%). All high and medium risk firms have had an initial assessment. 196 water samples have been collected and 137 are currently scheduled. Data is now being auto-calculated, resulting in reduction in total assessments reported on 2/5/16, but is now a more accurate count of total assessments.

The food establishment list with assessment, sampling and test results has been combined and mapping activities are underway.

MDARD has a conference call on February 10th at 8:30 am with stakeholder groups, including MSU, MDHHS and Genesee County to provide an update on current lead testing plans for dogs and to explore funding options and other assistance to provide additional testing.

The keep your pet safe from lead poster was posted on the FlintWater website (attached). A veterinarian guidance document was finalized today and will be posted as soon as possible.

#### American Red Cross (ARC)

The American Red Cross deployed 10 Water Response Teams on Tuesday, 2/9/16, to attempt contact at those residences where no one had yet answered the door.

The Volunteer Reception Center (VRC) was in operation today, from 9am to 5pm. The VRC will be operating from 9-5 again on Wednesday.

#### Civil Rights (MDCR)

Continue to review activities to provide support and assistance to assigned Human Services branch and other SEOC entities. Maintaining media awareness regarding situation and community activities. Reviewed foreign languages documentation.

#### Community Health (MDCH)

The CHECC remains active at a Level 2, and continues to staff the hotline to answer any lead health-related questions referred by 2-1-1 in support of the GCHD. The CHECC continues to work with federal partners in the UCG on prioritized requests for assistance.

Discussed concerns from LEOC regarding MDHHS staff accompanying DEQ on home visits. The CHECC contacted the LEOC and confirmed that MDHHS will send one staff member per day (more are available if requested) to serve on the DEQ "Initial Assessment Teams," visiting homes with high levels of lead and/or copper. A pool of MDHHS staff were trained today for this purpose.

Provided CHECC leadership with information regarding USDA VIP visit from the Food, Nutrition and Consumer Services Deputy Under Secretary Dr. Katie Wilson, who will be visiting Flint tomorrow, to include a stop at a local WIC clinic.

MDHHS held a conference call with the Michigan Pharmacist Association and other community pharmacy members to discuss the potential role of pharmacies in the Flint response efforts. Options will be explored in regards to blood lead testing, communications, and nutritional counseling.

Confirmed with DEQ that the DEQ laboratory will be open, operational, and able to process Coliform lab analysis from the EPA from Friday through Monday, since the GCHD laboratory will be closed for a furlough, the weekend, and the holiday.

#### **Corrections (MDOC)**

MDOC continued operations at both warehouses with warehouse 2 opening as scheduled. All PODs were well supplied during the entire operational period.

MDOC continues to keep trucks dedicated to delivering to individual PODs and have Rapid Responses ready for any POD that gets to a critical level of supplies.

MDOC had 14 employees on the ground in Flint today.

In an effort to reduce overtime costs we are working on completing a critical staff review. All dedicated resources will be reviewed to determine if it is feasible to reduce staffing in lieu of volunteers wherever possible.

We are working with Finance and MDOC assets to capture total employee payroll information and expenditures.

#### **Environmental Quality (MDEQ)**

The Department of Environmental Quality (DEQ) completed the following activities today:

Continued coordination of Sentinel Sampling Team resources with partner agencies, to begin data collection tomorrow

Worked with DEQ lab to assure they are prepared, if necessary, to receive water samples for bacteria testing due to water main break.

Updated tracking sheet of requested data by Congressional Committee of Energy and Commerce.

Reviewed upcoming deadlines from EPA Order tracking spreadsheet.

Coordinated putting together sentinel site teams .

Briefed updated Incident Objectives to reflect activities for the upcoming week.

#### **Human Services (MDHS)**

Looking into filtration system for a child care institute, possibly through donation.

Donation details being entering into MI CIMS.

211 reporting that the number of calls related to Flint was down to 10.5% for Feb 1 - Feb 7.

Daily update conference call with MDHHS Budget & Field Operations.

#### **Licensing and Regulatory Affairs (LARA)**

Participated in briefings and updated the LARA Executive Team

LARA completed mapping at the International Academy of Flint and created a materials list.

LARA continues to monitor DEQ's test results for Health Care, Child Care, Adult Foster Care, HHS and MDE facilities and Schools.

Translation services for various documents continue to be provided as needed.

Ongoing discussion regarding coverage of state regulated facilities and elimination of duplication of effort.

#### **Military and Veterans Affairs (DMVA)**

**Subject:** Budget Presentation  
**Attachments:** PR FY 2017 Gov Budget Recommendation\_FINAL.DOCX; Budget\_Flint\_ForPrint.pdf; DPSInfographic.pdf; StatewideInfrastructure\_ForPrint.pdf

For the last five years, Gov. Snyder has delivered a balanced budget months ahead of schedule. This year will be no different, but the budgeting process to this point has been unlike previous years.

We are amidst a crisis in one of our state's communities and while many steps have been taken already, the road ahead is long for those who have been affected. The time to act is now, and the new budget recommendation accurately reflects both immediate and long-term needs.

The governor is asking today for \$195 million in new funding that will bring total investment for Flint's water crisis to \$232 million. Attached is an infographic that explains how the \$195 million will be spent.

An additional \$165 million will aid in statewide infrastructure prioritization, with local projects as the focus.

Under the Governor's recommendation, Detroit Public Schools will have an investment of \$72 million per year for 10 years from Michigan's tobacco settlement proceeds. The situation for students in Detroit is dire. It is critical and it is urgent that the Legislature work to turn around the failing system that is currently in place.

There are many other highlights to be proud of in this budget. Some areas being made whole, such as Healthy Kids Dental and higher education, have been a priority of the Governor for years.

- Overall budget growth for FY17 is 0.8 percent, up \$438 million from last year. Total spending is \$54.9 billion, with 75 percent of that funding health, education and human services statewide.
- Healthy Kids Dental will cover all 83 counties in Michigan, with a total of 826,000 kids receiving oral care. In 2011, 61 counties were covered with a total of 285,000 kids.

- Higher Ed funding will be fully restored, with a 4.3 percent increase for universities and a 2.4 percent increase for community colleges.
- MSP's trooper recruit school will graduate 85 new troopers. Number of troopers hired since Dec. 2010 will make up 48 percent of TOTAL troopers.
- Recommendations of the Michigan Prescription Drug and Opioid Abuse Task Force will be implemented.
- Secure Cities Partnership will be expanded to Muskegon Heights, Inkster, Hamtramck, Harper Woods, Highland Park and Benton Harbor.

All of us who work for the governor know that even with the challenges before us, our state's future is brighter for all. These are opportunities to address issues that affect the quality of life, and we will see them through.

Attached is the press release and infographics with additional information.

## **Snyder's budget proposal provides strong investments for one Michigan moving forward**

*Key investments for Flint water crisis, statewide infrastructure, and Detroit Public Schools*

LANSING, Mich. — Gov. Rick Snyder presented his proposed fiscal year 2017 budget today, a total budget that is up just 0.8 percent from last year, calling for critical investments for the Flint water crisis, statewide infrastructure and the Detroit Public Schools. The governor's recommendation also addresses the skyrocketing costs of specialty medications that Michigan residents depend on for better health outcomes.

By investing in the specific needs for Flint and Detroit, setting aside funding for statewide infrastructure needs and the rising cost of prescription drugs, while staying committed to the core statewide priorities of education, talent and economic development, health and human services, and public safety, today's announcement provides the right plan for moving Michigan forward.

A new supplemental budget request for the current fiscal year was introduced, which includes \$30 million for relief of Flint water bill payments currently being acted upon by the Legislature.

The supplemental request also includes \$25 million for infrastructure needs specific to Flint and another \$165 million to be set aside for statewide infrastructure needs in a newly created Michigan Infrastructure Fund. The \$165 million in statewide infrastructure funding represents the first step toward a longer term solution for the state's needs and will be used to make strategic improvements based on recommendations from the Commission on 21st Century Infrastructure.

The overall budget recommendation totals \$54.9 billion, an increase of 0.8 percent or \$438 million over last year, and includes \$10.2 billion in general fund dollars. The general fund is up 1.5 percent from last year which translates to \$145 million.

Budget recommendations to aid Flint and Detroit Public Schools include:

### **Funding for Flint Water Crisis**

- An additional investment of over \$195 million spread out across several state agencies to continue the support needed for the children and residents of Flint. These funds will be used to address various needs, including safe drinking water; food and nutrition; physical health; social well-being; and educational intervention. When combined with previously enacted supplemental funding in fiscal year 2016, total funding for Flint comes to more than \$230 million.

### **Funding for Detroit Public Schools**

- An investment of \$72 million a year, for 10 years, from Michigan's tobacco settlement proceeds to offset the Detroit Public Schools' repayment of a debt load expected to accumulate to \$515 million by this summer. The \$720 million generated from this plan will provide for \$200 million needed for the startup and transition costs to create the new district.
- The fiscal year 2016 supplemental includes \$50 million to ensure Detroit schools remain solvent through the rest of this school year while the governor's longer term solution is considered by the Legislature. General fund dollars will be used for this funding to ensure the school aid fund is held harmless.

The proposed fiscal year 2017 budget is a balanced approach focused on Michigan's continued growth and future prosperity. The governor today also offered a 2018 projected budget, continuing his practice of ensuring that Michigan maintains a long-range planning focus with an emphasis on fiscal responsibility.

With a growing economy and unemployment at its lowest rate in more than 15 years, Michigan's future economic forecast remains bright. With more than 440,000 new private sector jobs since December 2010 and rising personal incomes for families across Michigan, the state is well positioned to continue its comeback.

"I'm committed to providing critical investments needed for the Flint water crisis and Detroit Public Schools while maintaining the long-term focus on the key priorities of education, job creation, health and human services, public safety and fiscal responsibility. Coupled with fiscal year 2016 investments, this recommendation brings total funding for the Flint water crisis to more than \$230 million. The plan provides new investments in both K-12 education as well as higher education and continues the emphasis on developing our talent and connecting that talent to jobs," Snyder said. "From day one we have remained committed to our vision and reinvention strategy and it is paying off. This budget recommendation is the next step in the remarkable growth of our state and I look forward to working on it with our partners in the Legislature."

State Budget Director John Roberts joined Snyder in outlining the budget recommendation to a joint session of House and Senate appropriations committees.

"As budget director, I am proud of this budget because we addressed the challenges we have in Flint and Detroit while remaining committed to our core budget principles and managing the

taxpayer dollar wisely,” Roberts said. “This is a credit positive plan that keeps us on a good growth curve.”

Lt. Governor Brian Calley was in Flint during the budget presentation to meet with stakeholders about the budget recommendation and how it will directly benefit the residents of the city. Snyder’s recommended budget will now be reviewed and acted upon by the Legislature in the coming months with the target of having the budget signed in early June.

Additional highlights of the recommended budget include:

### **Preparing Our Children for the Future**

- An additional \$150 million for the K-12 foundation allowance, bringing total K-12 appropriations to \$12.1 billion, a \$1.4 billion funding increase from fiscal year 2011. The increase in the foundation allowance equates to an additional \$60 to \$120 per pupil.
- An additional \$61.2 million or 4.3 percent for the operations of Michigan’s 15 public universities and an additional \$7.5 million or 2.4 percent for community college operations. The recommendation calls for universities to limit tuition increases to 4.8 percent or less in order to receive the funding increase. This investment restores aggregate university funding to fiscal year 2011 levels.
- An increase of \$15 million for career and technical education middle college and equipment program
- An investment of \$2.1 million to encourage students toward studying the fields of science, technology, engineering and mathematics.
- An investment of \$9 million for water testing in schools.
- An investment of \$5 million for school consolidation grants.

### **Putting People First**

- Funding of \$91.5 million to treat nearly 7,000 patients living with hepatitis C and \$43.7 million to treat approximately 320 children with cystic fibrosis is built into the Department of Health and Human Services’ (DHHS) base budget. The state Pharmacy and Therapeutics Committee recently recommended that new specialty medications to treat these conditions be approved for Medicaid patients.
- An investment of \$30 million to include a specialty medications prescription reserve in the DHHS budget to address additional specialty medications in the pipeline.
- An investment of \$3.4 billion in federal funds for the Healthy Michigan Plan to continue expanded Medicaid coverage for more than 600,000 Michigan residents.
- Another \$25.6 million in funding to fully expand the Healthy Kids Dental program to cover all eligible children across the state in all 83 counties, growing the number of children who will receive good dental care to approximately 826,800. When the governor took office, the program covered 285,000 children in 61 counties.
- An investment of \$7.6 million for a new patient unit at the Center for Forensic Psychiatry.

- An investment of \$22.3 million to fully implement the state's automated child welfare information system.
- Increased funding of \$6.1 million to enhance and expand the clothing allowance from \$140 to \$200 a year for children in the Family Independence Program. The clothing allowance will cover all children in the program, adding nearly 25,000 children.

### **Job Creation**

- A total of \$115.5 million to grow Michigan's economy through business attraction and community revitalization efforts.
- An investment of \$2 million for the Community Ventures - Challenge Grant, which will provide matching grants to expand service and further program integration in Detroit, Flint and Saginaw to help the structurally unemployed pursue career opportunities and maintain employment.
- A \$10 million increase to the skilled trades training program, bringing total funding to \$35.6 million to match employers talent needs with skilled workers for in-demand jobs.

### **Infrastructure/Technology**

- A total of \$533.3 million in new dedicated transportation revenue, including \$189.2 million for the state trunkline fund, \$283 million for local road agencies and \$61.4 million for rail and public transit, for maintenance and improvement of transportation infrastructure across the state.
- A total of \$57.5 million in new federal funds from the Fixing America's Surface Transportation (FAST) Act, to be used for local road agency, state trunk line, and transit projects.
- A total of \$132.8 million in new technology investments, including additional funding for cybersecurity to protect critical data from growing threats and added investment for the Information Technology Investment Fund for technology improvements to better serve residents and improve government efficiency.

### **Protecting the Public**

- An additional \$9.5 million to run a trooper recruit school with the goal of producing another 85 graduates that will further the enlisted strength within the Michigan State Police.
- A total of \$1.5 million to expand the Secure Cities effort to the communities of Benton Harbor, Hamtramck, Harper Woods, Highland Park, Inkster and Muskegon Heights. The program has already produced impressive results by reducing violent crime in Detroit, Flint, Pontiac and Saginaw.
- An investment of \$8.5 million to run an academy to train and graduate 350 new corrections officers for prisons across the state.

- A total of \$500,000 to help prevent sexual assaults on college campuses through the higher education sexual assault prevention and education initiative.
- Funding of \$2.2 million to enhance the capacity to combat the increasing growth of digital crime.
- An investment of \$4 million to support safe and secure learning environments for students.
- An investment of close to \$1 million for the purchase of new ballistic vests to keep probation and parole agents safe while on field duty.

### **Stronger Communities**

- Eligible counties will receive a combination of revenue sharing payments and incentive-based payments, provided they meet required transparency provisions, totaling \$215.2 million, which is the maximum funding allowed under statute to 78 eligible counties, up from 76 counties in the current fiscal year.
- A 3.9 percent increase in constitutional revenue sharing payments for cities, villages, and townships for a total of \$781.5 million, based on estimated sales tax collections.
- As an incentive to combine government operations, all local units may apply for grant assistance to help defray expenses related to consolidation of services or programs, with a recommendation of \$11 million for this competitive grant assistance program.

### **Focusing on Long-term Liabilities**

- Fiscal year 2016 deposits to the Budget Stabilization (“Rainy Day”) Fund will bring the projected total balance to \$611 million which equates to a \$609 million increase since the governor first took office, when the rainy day fund was at a mere \$2.2 million.
- Funding for the school employee retirement system is recommended at \$1 billion for K-12 schools, which equates to over \$660 per K-12 student. This investment provides fiscal relief to schools for retirement obligations and helps ensure retirement promises made to employees can be kept. The governor’s commitment to solving the state’s pension and retiree health care obligations is strong. Reforms made to the school employee retirement system and the state employee retirement system have reduced the state’s long-term debt by more than \$20 billion.
- A \$730,000 increase and a total of \$5.9 million in ongoing funds is recommended within higher education to provide for costs above a proposed rate cap for seven participating universities in the Michigan Public School Employees Retirement System (MPERS). Community colleges receive a recommended \$3.7 million increase and \$74.9 million total in ongoing funds, to provide for costs above the rate cap for MPERS.

The state’s new fiscal year begins Oct. 1.

# STATEWIDE INFRASTRUCTURE PRIORITIZATION

*In his FY 2017 budget recommendation, Governor Rick Snyder calls for the creation of a Michigan Infrastructure Fund to be used to fund statewide infrastructure needs. The investment in the FY 2017 budget is the first step in addressing Michigan's infrastructure needs.*

## \$165 MILLION

*investment to be based on prioritization of needs.*

Michigan's infrastructure received a 'D' grade by the American Society of Civil Engineers.

An estimated 71 percent of Michigan residents are on public water supply systems with the remainder of households on private wells

## THE FIRST STEPS

In 2015, we made a **renewed commitment to our roads and bridges** with the passage of the transportation funding package.

Now it's time to **focus on the rest of Michigan's infrastructure need** based on the recommendations of the announced **Commission on 21st Century Infrastructure**.

Categories for investment could include:

- 1) **Replacement of known high-risk lead and copper service lines** attributed to high lead or copper levels in children, pregnant women, or the drinking water supply.
- 2) Implementation of infrastructure improvements that incentivize **infrastructure upgrades while repairing roads or other utilities** and allow communities to fully leverage federal, state, and local funds.
- 3) **Development of asset management plans** including an inventory and analysis of the current infrastructure and prioritization of needs based on a right sizing of infrastructure in comparison to population

**Subject:** NEWS UPDATE--Snyder's Budget Focus On Flint, Detroit Schools As He Outlines Plan

Wednesday, February 10, 2016, 11:09 AM

## **Snyder's Budget Focus On Flint, Detroit Schools As He Outlines Plan**

With his proposed \$54.9 billion 2016-17 budget, titled "We Are One Michigan," Governor Rick Snyder identified fixing the Flint water crisis and Detroit Public Schools as the top priorities for the spending plan as he unveiled the budget to the Legislature.

"The lens is centered" on the "critical challenges" of Flint and the Detroit schools, Mr. Snyder said in introducing his sixth proposed budget.

Beyond those immediate crises, however, Mr. Snyder's budget reflects an overall optimistic tone, expecting continued economic growth for Michigan.

The \$54.9 billion budget comprises \$10.2 billion in General Funds and \$12.5 billion in School Aid Funds. The largest single share of the budget, some 45 percent, is centered on health and human services, with another 30 percent focused on all forms of education.

In terms of helping Flint, Mr. Snyder's budget calls for \$195 million, spent across several agencies, which had already been reported. But he also told lawmakers the state will operate on the assumption that all Flint children have been exposed to high lead levels, which will mean ongoing observation over the years.

In helping Detroit schools, Mr. Snyder's budget reiterates his earlier plan to assist the district in paying off its debt, creating a new district to operate the schools and having a commission appoint a manager for public schools within the city.

In terms of other proposals, Mr. Snyder's budget estimates another \$533.3 million in dedicated funds for transportation revenue.

Mr. Snyder also calls for increasing the clothing allowance for children on public assistance, both in terms of raising the maximum from the current \$140 to \$200, and to cover all children in the Family Independence Program, a total increase of \$6.1 million.

Dear Flint Water Response Partner—

In an effort to keep you updated on state and federal efforts in support of the people of Flint, we offer this **Snapshot** of how we are working across the state and federal governments to mobilize the capabilities and resources of existing programs. We hope you find the information beneficial.

Please let us know if you have any questions.

**Responding to the Flint Water Crisis:  
Federal, State, County and City Partners  
February 10, 2016 Update**

Federal agencies continue to work with state and local officials to respond to the Flint, Michigan, water crisis. Some 70 representatives from Federal agencies are co-located with state and local partners in Flint. All levels of government are focusing their capabilities and resources on helping Flint residents recover from the water crisis. The community has shown great resilience and fortitude as it has confronted these essentially unprecedented circumstances and carried on despite the challenges.

## Actions

### Water Quality

To address immediate needs, government partners are working to provide *safe drinking water for all Flint residents*, by:

- Conducting water testing in Flint homes; more than 1,000 samples from 150 home have been collected so far
- *Providing lead-removal faucet filters and replacement cartridges*, to reduce lead levels in the tap water; water filters have been installed in all 2,350 privately owned homes that are overseen by HUD,
- Inspecting home drinking water systems for lead; the State of Michigan is scheduled to begin regular sampling (every two weeks) to monitor the city's water system.
- Distributing water bottles and water filters to home-delivered meal recipients,
- Showing residents how to clean accumulated debris from their home faucets, hot water heaters, and whole-house water filtration systems,
- Helping seniors and the disabled community install their water filters, and

As of today, FEMA and the State of Michigan have distributed nearly two million liters of water (1,913,982 liters) and FEMA has distributed 127,764 water filter replacement cartridges, plus 40,000 faucet and pitcher filters. Additional water contributions have come from private organizations and individuals across the country.

CDC and EPA are visiting homes with high lead levels or skin rash complaints to investigate and help ensure that Flint's water supply is as safe as possible.

EPA is working to understand the extent of lead contamination in the city's water supply by collecting drinking water samples from Flint homeowners and testing the city's water distribution system. EPA continues to post

Flint sampling results by location on an interactive map at [www.epa.gov/flint](http://www.epa.gov/flint) . The Agency has also established a hotline (800-426-4791) and an email address ([flintwater@epa.gov](mailto:flintwater@epa.gov)) so that Flint residents can find results of water testing. The hotline provides immediate telephone translations into multiple languages.

### **Community Impact**

Government partners are also looking further down the road to address the longer-term issues that are likely to arise.

A Strike Team for High Lead Homes will soon begin visiting homes with the highest lead levels to gather follow-up samples and provide information to residents.

HHS is working with the city, county, and state to ensure that children under 6 have the opportunity to have their blood sampled and analyzed for lead levels.

U.S. Public Health Service Commissioned Corps officers assisted the county health department in clearing a backlog of blood lead level screening results. The Federal team cataloged results of almost 800 finger-prick blood tests and packaged letters to parents providing test results and educational materials.

Government partners are also helping Flint officials tap into existing government funds to help address lead contamination in water and follow-up challenges.

- **TANF:** Help low-income families with children travel to testing and water distribution sites, by using USDA's TANF funds to buy bottled water and gas cards/bus passes to reach testing sites. TANF is USDA's Temporary Assistance for Needy Families program.
- **Food:** Flint schools can use certain USDA funds to buy foods high in Vitamin C, calcium and iron; these foods help block lead from getting into the blood; these foods are also being identified as important for the Flint food bank, which then distributes them to soup kitchens and food pantries as well as to other local agencies involved in food delivery.
- **WIC:** Participants in the WIC program can use their WIC vouchers to buy ready-to-feed infant formula, which does not need to be mixed with water, WIC is USDA's Special Supplemental Nutrition Program for Women, Infants, and Children.
- **Food at Schools:** Flint schools can use certain USDA funds to purchase foods high in Vitamin C, calcium, and iron that help block lead from getting into the blood,
- **Mental Health:** Flint children and families who experience emotional distress can call (800) 985-5990 or text TalkWithUs to 66746 to talk to a trained crisis counselor.
- **Small Business Loans:** Flint business owners affected by lead contamination can apply for Small Business Association (SBA) economic injury loans. SBA will open a Business Recovery Center in Flint to administer the loans on February 10.
- **Homebuyers:** Responding to concerns that homebuyers in Flint cannot secure Federal Housing Administration (FHA)-insured loans, the Department of Housing and Urban Development (HUD) posted guidance on its website reiterating that FHA-insured loans can be made to eligible borrowers in the impacted area provided that a sufficient supply of safe and potable water is available through the installation of an eligible water purification system.

### **Federal Partners**

As this is primarily a public health crisis, the U.S. Department of Health and Human Services (HHS) was designated as the lead federal agency responsible for coordinating the federal response and recovery efforts.

HHS has joined together with other federal, state and local partners to mobilize and strengthen existing programs. They are working to identify the size and scope of the water problem and to *identify and carry out* actions that will improve health and decrease the impact of exposure to lead.

Federal partners include the Federal Emergency Management Agency (FEMA), the Environmental Protection Agency (EPA), Small Business Administration (SBA), Department of Housing and Urban Development (HUD), Department of Education (DoEd) and the Department of Agriculture (USDA).

UPDATE | WEDNESDAY, FEBRUARY 10, 2016

## **Governor Snyder's budget recommends an additional \$195M for Flint families**

These additional resources-- combined with previous investments-- increase total funding for Flint to more than \$230 million.

[Click here to learn more about the Governor's recommended additional funding.](#)

**Please be aware: Flint issued a boil water advisory**

## City of Flint Issues Drinking Water Warning

As a precautionary measure,  
do not drink the water without  
boiling it first.

LEARN MORE

Due to a water main break, the city of Flint issued a boil water advisory. Flint residents should boil filtered water. [Click here to learn more.](#)

### State launches new streamlined services for residents

A new process of addressing homes that test high for lead or copper in their water will provide residents with more efficient in-home follow-up for environmental and health wrap-around services.

The new streamlined system of in-home follow-up visits not only allows for faster residential feedback, but also allows for multiple agencies to work with residents in a more coordinated manner. The process is as follows:

- Daily lab test results are posted publicly online at [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater)
- Test results greater than 150 ppb are emailed to MDHHS
- All test results are emailed to the City of Flint, who then sends them to residents by U.S. Mail
- **Within 48 hours, MDHHS coordinates a home health visit** through the Genesee County Health Department to any resident whose lead test result was greater than 150 ppb. Home visit includes:
  - Health and wellness information
  - Off-site blood test referral
  - Assists with transportation support for appointments, as necessary
  - Provides additional bottled water, filters and water sample kits
- **Within 48 hours, DEQ schedules a home water visit** to any resident whose lead test result was greater than 150 ppb (100 ppb or greater, but less than 150 ppb residents are visited within seven days). Home visit includes:
  - Water testing and sampling information
  - Water sample collection
  - Inspection by the Flint Local 370 Plumbers Union (field verification of service line, aerator clean out, filter check)
  - Provides additional bottled water, filters and water sample kits

Flint families need critical clean water resources. Since January 9, the state has distributed:

- 299,273 cases of bottled water
- 104,500 water filters
- 211,255 replacement cartridges
- 35,756 water testing kits

---

## REMINDERS

- For Flint water assistance: Dial United Way 211 or visit [www.mi.gov/FlintWater](http://www.mi.gov/FlintWater)
- To donate or volunteer: visit [www.HelpForFlint.com](http://www.HelpForFlint.com)
- Residents should install filters to their taps to ensure they have immediate and ongoing access to safe water. Only run cold water through the water filter and use filtered water for drinking and cooking.
- Monitor the cartridge on the filter and replace as needed.

## WATER RESOURCE LOCATIONS

These sites are open seven days a week from 9 a.m. to 9 p.m. with the following resources:

- Bottled water
- Water filters
- Replacement cartridges for water filters
- Water testing kits pick-up
- Drop-off location for water testing kits

Fire Station #1  
310 East 5th St.  
Flint, MI 48502

Fire Station #3  
1525 Martin Luther King Ave.  
Flint, MI 48503

Fire Station #5  
3402 Western Rd.  
Flint, MI 48506

Fire Station #6  
716 West Pierson Rd.  
Flint, MI 48505

Fire Station #8  
202 East Atherton Rd.  
Flint, MI 48507

We will continue to work to improve the water situation in Flint. Community members and local officials are working together to make sure we hear and respond to concerns. Governor Snyder will continue to keep you updated on the latest news and information. **If you don't find the resources you need by dialing United Way 211 please call the Governor's office directly at 517-335-7858.**

### **Update 2/10/16 – 37<sup>th</sup> Day (36<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

#### **Mission focus for the day:**

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
  - Work with UPS on future partnership and service delivery model.
- Create better situational awareness between local, state and federal agencies specifically with the UCG.
- Meet with Seventh Day Adventists on warehouse plan.

#### **Status on Governor’s request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### **Attached:**

1. Sit Rep #36.
2. Maps: Residential Water Sampling Results – Lead and Copper
3. Governor Report

#### **Key items for tomorrow to note are:**

- Due to the boil water advisory in the city of Flint the SEOC will continue to monitor supplies closely in anticipation of burn rates increasing.
- 10 American Red Cross Teams scheduled for Thursday, February 11, 2016.

**Items to Note (Items in RED are new from when the Governor’s Report, “Items to Note” was produced)**

- Tasked NG to develop a white paper on what a modern day Civilian Conservation Corps program would look like if implemented in Flint.
- Boil water advisory has been issued in the City of Flint by the local utility due to a broken water main.
- MDEQ implemented Sentential Sampling Program today.
- The long term recovery continued meeting today and anticipates having a completed long term recovery plan by Thursday February 11, 2016.
- 10 ARC Flint Water Response Teams to the field today. It is anticipated that by the end of tomorrow all water customers will have been contacted at least once.
- In conjunction with Michigan Department of Education, USDA visited a Flint elementary school and health department today to discuss how USDA programs can help provide relief to those affected by water contamination. From the visit, came a USDA media release that highlighted the efforts between the USDA, MI Department of Education and all Health/Human Service partners to expand nutrition programs.
- The American Red Cross is helping to coordinate volunteers, distribution efforts, supply storage and logistics planning in concert with local officials, United Way, Michigan Community Service Commission and a growing list of partners.
- SEOC staff met with UPS representatives today re: delivering cartridges to functional/mobility needs citizens. UPS is prepared to assist in this partnership and will provide service at no charge. UPS suggested treating each delivery as a separate package so each can be effectively tracked, and would be able to begin deliveries within the 2-3 week window.

#### Unified Coordination Group (UCG):

- EPA: Additional team to provide Residual Chlorine testing (2 teams today).
- WQTF: Discussion of state/federal messaging regarding the water main break in addition to the City's.
- EPA: 1,000 samples collected at over 150 homes. Sequential testing at several homes today.
- USDA: Announcing official response to the state's request for expanding WIC funds for blood level. Testing support and expanding program up to the age of 10.
- HUD: Made contact with 100% (2,350) private residences that receive HUD assistance, all have filters installed. Public housing starting today with housing commission to test all properties within a week. Using in-house staff.

#### Local EOC

- Incident Command, Liaison Officer and Logistics Section Chief discussing long-term distribution plans with representatives from City of Flint and SEOC in Lansing (on 02/09, 02/10 and 02/11/2016).
- Elevated Lead and Copper Initial Assessment Task Force out in the field, visited 6 homes (provided information at 8 additional homes).
- Ten Sentinel Site Monitoring Teams out in the field, visited 30 homes (provided information at 50 additional homes).
- Expecting increased demand for bottled water and filter cartridges due to Boiled Water Advisory in response to water transmission line break. Aligning additional supplies for appropriate resupply at Fire Station PODs.
- Managing donations and volunteers with Michigan Community Service Commission, ARC and United Way of Genesee County.

Chris

---

#### Update 2/9/16 – 36<sup>th</sup> Day (35<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.

- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Create better situational awareness between local, state and federal agencies specifically with the UCG.

Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Attached:

1. Governor's Data Report from 2/8/16.
2. Sit Rep #35.
3. Maps: Residential Water Sampling Results ~ Lead and Copper

Key items for tomorrow to note are:

- Due to the boil water advisory in the city of Flint the SEOC will need to monitor supplies closely in anticipation of burn rates increasing.
- The Small Business Administration will be opening an office in Flint tomorrow at the Oak Business Center (2712 Saginaw Street) .
- 10 American Red Cross Teams scheduled for Wednesday, February 10, 2016.

Items to Note

- A boil water advisory has been issue in the City of Flint by the local utility due to a broken water main.
- The MOA for the Adventist Community Services to operate the second warehouse was signed by their organization today.
- The long term recovery group made significant progress today and anticipates having a completed long term recovery plan by Thursday February 11, 2016.
- Recovery completed the comprehensive list of apartment units that exist within the City of Flint and franchise customers.
- 10 ARC Flint Water Response Teams to the field today. It is anticipated that by the end of tomorrow all water customers will have been contacted at least once.

Unified Coordination Group (UCG):

- Approved IAP #8.
- EPA: Most residents not using their water for anything other than bathing. Also, not running the water. This is an issue for chlorine and phosphate. Concerns for summer, chlorine can cause increased bacteria.
- MDEQ: Visited every home adjacent to high lead lines. Visited all homes higher than 15 ppb.
- HMTF: Working with GCHD to have a clear idea of what has been completed and what additional needs to exist.
- HMTF: Working on redirecting 211 calls from the state to the county so they can sustain long term.

Local EOC

- Incident Command, Liaison Officer and Logistics Section Chief in Lansing for long-term distribution planning discussions with representatives from City of Flint and SEOC.
- Determined team-make up and staffing for Sentinel Site Monitoring Teams in coordination with SEOC, UCG and MDEQ ECC.
- Finalizing plans for deployment of Sentinel Site Monitoring Teams starting 02/10/2016.
- Updating IAP to include current work assignments.

- Elevated Copper Initial Assessment Task Force visited 11 addresses with elevated copper and lead water levels on 02/09/2016.

Chris

---

### Update 2/8/16 – 35<sup>th</sup> Day (34<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

#### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Open secondary state warehouse.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Attached:

1. Governor's Report for 2/8/2016.
2. Sit Rep #34.

#### Key items for tomorrow to note are:

- Team Priority Scheduled Tomorrow: Active Water Subscribers without filters marked vacant
- 10 American Red Cross Teams scheduled for Tuesday, February 9
- Congressional and Legislative Call, 2:30 PM

#### Items to Note

- JIC Drafted a news release about the team visiting homes with high copper levels. Anticipate releasing tomorrow.
- SEOC Logistics had a conference call with Seventh Day Adventists on agreement and staffing for new warehouse.
- SEOC Planning developed a new Incident Action Plan for Operation Period from 2/9-2/16/2016.
- Requested monetary donation information from United Way and Community Foundation of Greater Flint.
- GIS develop an online application for Governor Snyder to view maps.

#### Unified Coordination Group (UCG):

- No updates.

#### Local EOC

- Establishing objectives and IAP for next operational period, 02/08/2016 – 02/12/2016.

- Awaiting additional information regarding companion animals with potential lead and chlorine poisoning from MDARD.
- Establishing plans for Elevated Copper Initial Assessment Task Force starting 02/08/2016 and follow-up outreach to homes with water lead levels over 150 ppb starting 02/10/2016.
- Aligning resources and supplies for Elevated Copper Initial Assessment Task Force and follow-up outreach to homes with water lead levels over 150 ppb.
- Analyzing locations of faith-based organizations and churches for integration into long-term recovery plans.

Chris

---

**Update 2/7/16 – 34<sup>th</sup> Day (33<sup>rd</sup> Full Day) After Governor's Declaration of an Emergency**

**Mission focus for the day:**

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Soft opening of secondary state warehouse; clean and prep for SBA staff.

**Status on Governor's request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

**Attached:**

1. Daily Summary of Data – Note two new reports: GovReport
2. Sit Rep #33.
3. Maps: Residential Water Sampling Results – Lead and Copper

**Key items for tomorrow to note are:**

- 10 American Red Cross Teams scheduled for Monday, February 8, 2016.
- The new warehouse will be operational on Monday, February 8, 2016 and managed by MDOC.

**Items to Note**

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.
- State VAL is working on the Category B and Individuals and Households appeal.
- There continues to be a concern that EPA refuses to work with the state teams in addressing the high lead level homes.
- Genesee County EM expressed concerns about lead poisoning in service/companion animals. MDARD has initiated contact with their partners to address this concern.
- 28 addresses have copper testing that exceeds the "action level" (1,300 ppb). DHHS is currently working on messaging regarding this issue, and DEQ is discussing filtering options.

#### Unified Coordination Group (UCG):

- Task Forces Health & Medical: working on creating a flow chart for visual of testing results.
- EPA conducted 11 filter grabs yesterday, and will be doing 2 today. This includes up to 33 samples per grab. A grab would be considered a location/residence. They are also following up on the AmeriCorps volunteers (2) that have rashes.

#### Local EOC

- Establishing objectives and IAP for next operational period, 02/08/2016 – 02/12/2016.
- Awaiting additional information regarding companion animals with potential lead and chlorine poisoning from MDARD.
- Establishing plans for Elevated Copper Initial Assessment Task Force starting 02/08/2016 and follow-up outreach to homes with water lead levels over 150 ppb starting 02/10/2016.
- Aligning resources and supplies for Elevated Copper Initial Assessment Task Force and follow-up outreach to homes with water lead levels over 150 ppb.
- Analyzing locations of faith-based organizations and churches for integration into long-term recovery plans.

#### Update 2/6/16 – 33<sup>rd</sup> Day (32<sup>nd</sup> Full Day) After Governor's Declaration of an Emergency

The link below is a new video published today by 211. This is part of the Rapid Response Teams currently staffed by Team Rubicon.

<https://www.youtube.com/watch?v=P5Orgzc5efg>

#### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Soft opening of secondary state warehouse; clean and prep for SBA staff.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Attached:

1. Daily Summary of Data.
2. Sit Rep #32.
3. Maps: Residential Water Sampling Results – Lead and Copper

#### Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Sunday, February 7, 2016.
- MDOC will continue setting up the new warehouse.

#### Items to Note

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.
- JIC posted the AIA Flint Safe Water Storage Guideline flyers on MI CIMS under internal documents.
- SEOC Logistics is working to secure space in new warehouse for SBA office, additional information needed from SBA.
- GIS geocoded and cleansed addresses for food establishments in the Flint Metro Area.
- GIS digitized water service lines coded by pressure from paper map onto digital map.
- State VAL is working on the Category B and Individuals and Households appeal.
- MOU with Seventh Day Adventist for donations management currently under review.
- MDARD is planning for additional follow up with food related businesses as water test results come in; new maps with updated information will help with future prioritization.
- MDARD will attend a USDA-Natural Resources Conservation Service press conference to be held on Monday; NRCS will be announcing funds to support community gardens and local foods.
- A team from the CDC arrived yesterday to work with MDHHS Bureau of Epidemiology. Their work began today by beginning to analyze data for the development of long term surveillance strategies that will look to link blood lead level results to specific populations, to include vulnerable and at-risk populations.
- LARA continues to monitor DEQ's test results for Health Care, Child Care, Adult Foster Care, HHS and MDE facilities and Schools.
- Freeman Elementary was tested today (2/6/15) by DEQ/LARA staff members.

#### Unified Coordination Group (UCG):

- Attended 3 matrix review meetings, taskforce leads gave status updates on the original requests/asks sent from the State to Federal government.
- UCG POC will update the objectives with current status once completed by the information cell.
- EPA has 4 teams going out today, 17 filter grabs, a sequential sampling, and walk in requests.
- Additional phosphorus results remain consistent with previous reports. Appears the coating is working in the pipes.
- Multiple Hispanic events are taking place in the community and will be attended by federal staff.
- CDC recommendation should go out today for blood level testing for children under the age of 6.

#### Local EOC

- Finalized DEQ outreach at homes with water lead levels above 150 ppb.
- Developing plan for outreach at homes with water lead levels of 100 to 149 ppb.
- Will start outreach at homes with water lead levels of 100 to 149 ppb with one group on Monday.
- Potentially following up on initial outreach at homes with water lead levels of 100 to 149 ppb 10 strike teams for evaluation of plumbing system, water sampling, etc. starting Wednesday.
- Evaluating need to address health needs of companion animals in households exceeding water lead levels above 100 ppb.
- Awaiting clarification regarding effectiveness of filter systems for removal of copper.

Below is a summary of Federal Teams in the field during next operational period until 2/10 per the UCG.

#### Public Health Support Team (PHST) (US HHS) stationed at GCHD

9 personnel

- Develop engagement strategy for GCHD to facilitate outreach efforts to the community members and community partners.
- Development database for incoming calls to standardize the responses to caller queries; develop resource list for GCHD.

- Two personnel will facilitate case management follow up on results from GCHD concerning water samples with high home water lead levels.
- Provide technical assistance and community health outreach support to GCHD and to the EPA field team during water sampling and rash investigations.
- Create email groups for email messaging blasts to community partners.

#### Behavior Health Team (US HHS) stationed at GCHD

4 personnel

- Develop Behavior Health Surveillance Plan and Gap Assessment.
- Provide Behavioral Health Support for community-based health and human service providers.

#### EPA Sampling Teams out in the field

3 teams with 3 personnel,

- Identify sampling locations based on State DEQ requests and/or inquiries from residents, schedule visits with residents.
- Develop facts sheets based on high lead homes and other facts sheets, as needed.
- Provide risk communications and test results to residents.
- Conduct sequential, filter pilot, and distribution system sampling.

#### High Lead Home Strike Team out in the field

5 personnel

One MDEQ rep (Taylor) with EPA high lead team.

- Conduct water sampling at residences with rash complaints
- High lead homes with no contact information

#### MDEQ (Provided by Mark Ducharme) out in the field

- One Initial Outreach Visit team consisting of 1 DEQ rep (Oeming) and 1 MDHHS rep (Groetsch), supported by 2 team Rubicon, 1 city of Flint PD escort, and 1 Penske truck loaded with commodities.

#### Genesee County Health Department team out in the field

1 team with 2 personnel One LHD person (EH), One EPA person (for sampling)

- Responding to high lead homes – Made contact with all homes 150 ppb last Wednesday and will continue as long as they have resources.

Chris

**Subject:** SEOC Update 2/5/16 - Flint Water - Limited Distribution

#### Update 2/5/16 – 32<sup>nd</sup> Day (31<sup>st</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.

- Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made. Special attention to apartments/multifamily residences.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Prepare of opening of secondary state warehouse

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Attached:

1. Daily Summary of Data (NG field is showing 0 which is not correct). NG personnel are still at the PODs.
2. Sit Rep #31.
3. Maps: Residential Water Sampling Results – Lead and Copper

#### Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Saturday, February 6, 2016.
- MDOC will begin setting up Kroger warehouse.

#### Items to Note

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.
- SBA declaration approved. SEOC Logistics will be working to identify office space in Flint for SBA staff.
- Recovery Branch estimate based on information collected last weekend is as follows:
  - 80 Complexes
  - 4170 Units
  - 2892 Assisted Living/Senior Housing (Dept of Aging)
- Information in DHHS Sit Rep is from GCCARD only, this information is not included in the daily totals.
- JIC issued a news release around 10 a.m. about the state of Michigan encouraging food establishments to take advantage free water safety inspections. The news release was picked up by the Associated Press and other news media outlets.
- JIC held a media event to encourage people to check out Flint area restaurants with Lt. Gov. Brian Calley and Michigan Department of Agriculture and Rural Development Director Jamie Clover Adams. Nine local and statewide news media members attended the event.
- Finance Section developed guidance for Flint Water Inter-Agency Coordinating Committee related to reimbursements for non-state employees.
- State Voluntary Agency Liaison (VAL) prepared list of NGOs involved in Flint for DHHS SERG grant application.
- State VAL worked on potential jobs funding with TIA via Dept of Labor.
- Question was asked from the Governor's office yesterday if commodities purchased could be returned. Per FEMA, any item such as filter, pitcher, cartridge etc. cannot be returned. Once procured via State RRF the state owns it - no returns. Water can be returned with 12 months remaining shelf life and in complete factory issued pallet w shrink wrap and the state will fund/ transport of returning water to the designated Distribution Center. FEMA will inspect all returning water prior to movement and water is limited to available storage space in the FEMA Distribution Centers which will range between 0-5 million liters. Quantity to be returned will be approved prior to movement based upon available space and known inbound inventory.

- DEQ finalized sentinel sampling plan to commence activities beginning February 10th, 2016.
  - DEQ received 12 iPads for deployment with teams for status tracking.

#### Unified Coordination Group (UCG):

- Met with the nutrition task force today on request from the state.
- Cleared up misinformation on areas that have not been covered.

#### Local EOC

- Coordinating rapid response deliveries to homebound residents and special locations.
- Developed floor plan proposal for new warehouse with warehouse workers.
- Recycling and water distribution event with MSU athletics.
- Establishing plan to provide public transit vouchers for travel to blood lead level test clinics.
- Work with Michigan Community Service Commission to align supplies and resources for PUR filter distribution effort next week.
- DEQ/Team Rubicon team visited 30 homes with water lead levels of 150 ppb.
- Developing plans for follow-up with residents at homes with water lead levels of 150 ppb.

**Subject:** SEOC Update 2/4/16 - Flint Water - Limited Distribution

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

#### Update 2/4/16 – 31<sup>st</sup> Day (30<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

##### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made. Special attention to apartments/multifamily residences.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Submit SBA application.

##### Status on Governor’s request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Attached:

1. Daily Summary of Data.
2. Sit Rep #30.

Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Friday, February 5, 2016.
- FWICC and Mission Flint meetings in Flint.

Items to Note

- 10 ARC Flint Water Response Teams to the field today. Continued priority is the apartment list from 2/2/16.
- Recovery Branch worked with county and postal partners to collect information about home vacancies and resident's with forwarded mail addresses in order to ensure we are contacting all occupied residences in the City of Flint.
- Recovery Branch supported the efforts of MSDHA to provide resources to tenants in their facilities.
- JIC issued a media advisory about federal lead for Flint water crisis Dr. Nicole Lurie to visit EPA's command post.
- MDHHS provided a representative to accompany the MDEQ team to the high lead homes in Flint. The MDHHS representative will encourage individuals to have blood lead testing and answer health questions as necessary.
- GIS is working to develop a field application for MDEQ and MDHHS for field collection of water test data and health data respectively.
- SEOC and MTED are working with Department of Labor to identify grants that may be available to assist with jobs programs (wages, training, overhead, and potentially equipment and leasing resources). DOC looking at prisoner re-entry programs for those returning to Flint area.

Unified Coordination Group (UCG):

- Working on improving communication flow between UCG and state partners.
- Attended long term recovery meeting held by state VAL.
  - Discussed MARC model and potential transition plan.

Local EOC

- Coordinating rapid response deliveries to homebound residents and special locations.
- Attended meeting with federal, state and local health and environmental agencies to establish process for notification of households with water test results that exceed 150 ppb.
- Attended two long term recovery planning meetings with SEOC staff, VOADs and local agencies (Flint Water Recovery Leadership group).
- Ensuring Community Access Center for the Deaf and Hard of Hearing receives appropriate supplies.
  - Briefed staff on site on filter installation and water sampling process.
- Clarified distribution process at city sites with Flint City Administrator's Office. Coordinating with Fire Department Quartermaster for supplying city sites.
- Addressing various public concerns, including identification of canvassing teams.
- Instituted credentialing verification process for 2-1-1 calls.

Chris

---

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

**Update 2/3/16 – 30<sup>th</sup> Day (29<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

Mission focus for the day:

- Refocus state agencies on objectives, tasks in the Incident Action Plan and how we get to the end state/shift to longer term recovery.
- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Submit SBA application – outstanding item is the certification of availability of financial assistance. Priority item for the a.m. so this can get submitted. Press release has been completed.

Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Attached:

1. Daily Summary of Data, full version and abridged (New reporting format – we will ensure we give liters of water and cases in the future)
2. Residential Water Sampling Results Maps – Lead and Copper
3. SitRep 29

Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Thursday, February 4, 2016.
- Will continue to target residences from the Apartment List from 2/2/16

Items to Note

- Paired down the list of parcels not visited from 2400 to 958. Will continue on 2/4/16 to identify any parcels not visited. Some parcels contain multifamily residences and those types of residences are being reviewed and targeted to ensure coverage.
- MDOC is going to look into their job programs for any prisoners begin release back into the Flint area. This will be in conjunction with any other job programs identified. We are working with MTED on solutions.
- DEQ and DHHS will be going to residences with >150 ppb starting tomorrow. They will be checking residences next to the one with the high lead level to see if this is a single residence issue or a bigger issue affecting the block or line in an area. This will not initially include EPA as they did not seem interested in combining teams but we are working on more collaboration without slowing us down.
- DEQ will have a representative in the UCG starting 2/4/15.
- Discussed with UPS on ways they can assist with Rapid Response Team and filter replacements in the future.
- Additional warehouse will be put in service potentially Saturday. Seventh Day Adventist are potentially going to operate it or help with operations to phase out state agency personnel and make it more community run. The warehouse does include some office space if needed.
- 10 ARC Flint Water Response Teams to the field today.
- Team Priority Visited Today: Apartment List from 2/2/16
- SBOC Logistics worked with MDOC on their assistance with warehouse management and staffing for new warehouse. Reached out to Food Bank on their recommendation and coordination for hours/days of operation of new warehouse.

- SEOC Operations attended a donations management meeting to discuss the need for a consolidated list of donated goods.
- JIC strategized with the U.S. Department of Health and Human Services and Environmental Protection Agency on how to better coordinate public information.

#### Unified Coordination Group (UCG):

- UCG IAP approved today for the operational period 0800 2/2/16 to 0800 2/4/16.
- The Federal Health Coordinating Officer had a meeting today with Economic Development and Housing and Urban Development.
- EMHSD liaison provided information on Michigan EM structure to Command.
- State JIC manager now in the communication loop for the UCG.
- UCG discussed MARCs and potential implementation.
- Capt. Kelenske met with Don Boyce from US DHHS to discuss concerns with Federal HHS and EPA and how we can move forward with better collaboration and coordination. Boyce also met with Governor's Office staff on same. The meeting went well and a solid relationship is in place with Boyce. He is a direct report to Dr. Lurie and will provide her some context on the issues and how we can move forward. He will be a good POC to assist us with any shifts in direction needed at the federal level.

#### Local EOC

- Coordinated rapid response deliveries to homebound residents and special locations.
- Working on refining rapid response delivery process.
  - Preparing transition from Team Rubicon personnel to NCCC teams, and eventually Southern Baptist Disaster Relief.
  - Coordinating with ARC for logistics support to NCCC teams (AmeriCorp).
- Working with ARC to ensure resource needs of franchise customers at Sunridge Apartments complex in Flint Township are met.
- Coordinating with MDEQ to streamline test kit assembly process.
- Attended distribution plan meeting with faith-based organizations, state, and local agencies.
- Referring VOADs to appropriate volunteer management agencies.
- Addressing various public concerns, including availability of supplies at child care facilities.

Chris

# Damage Assessment and Emergency Status Report

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

## Operational Period

Operational Period Begin: 02/09/2016 08:00:00  
Operational Period End: 02/16/2016 08:00:00  
Situation Report No. 36  
SEOC Status: Full  
SEOC Hours of Operation Begin: 02/10/2016 08:00:00  
SEOC Hours of Operation End: 02/10/2016 20:00:00

## Executive Summary

### SEOC Update:

Accomplished today (February 10, 2016):

The SEOC continues to provide:

- Situational awareness.
- Common operating picture/objectives.
- Coordination with city/county.
- Potential coordination with federal agencies.
- Incident prioritization.
- Coordination of life/health safety measures.
- Resources.
- Public information control.

### Logistics:

- Fielded resource requests.
- Fielded Rapid Response requests.
- Fielded Governor's office request.
- Facilitated distribution team calls.
- Attended long term recovery meeting.
- Coordinated water order with FEMA.

### JIC:

- Media hotline staff answered less than 10 emails and phone calls, ranging from the news media asking to embed with sentinel teams to inquiries about why schools in Flint were not tested for lead until October 2015.
- Key state agency PIOs attended the Governor's proposed FY2017 budget and Gov. Rick Snyder's media roundtable in Lansing.
- Continued routing public information materials for approval, including an updated recycling flier and a breast feeding and lead exposure fact sheet from MDHHS.
- Issued a press release about the state of Michigan launching new streamlined services for residents, with new testing sites to help confirm water quality.
- Drafted a press release about the next steps to take after the city of Flint issued a water warning on February 9, 2016.
- Drafted social media posts about ongoing Flint water emergency, including U.S. Small Business Administration's Flint Business Recovery Center and the American Red Cross and United Way playing a crucial role coordinating volunteer effort.

### Recovery Branch:

- Attended Local Brief, SEOC State Agency Briefing Meetings, Distribution Process Meetings, and Tactics Meeting.
- Merged lists compiled from various agencies in to one master Access and Functional Needs (AFN) List.
- Met with Distribution Meeting participants regarding possible courses of action related to Boil Advisory and replacement cartridge distribution.
- Team Priority Visited Today: Active Water Subscribers without filters marked vacant or no contact.
- Team Priority Scheduled Tomorrow: Active Water Subscribers without filters marked vacant or no contact.
- 10 American Red Cross Teams scheduled for Wednesday, February 10, 2016.
- Data is for 2/10/16 as of 5:00 pm:
  - o Total homes visited:
    - 19,271 (round 3 total).
    - 302 (today).
  - o Water cases (liters calculated by multiplying # of cases x 12):
    - 134,316 liters or 11,193 cases (round 3 total).
    - 2,628 liters or 219 cases (today).
  - o Replacement cartridges:
    - 4,251 (round 3 total).
    - 136 (today).
  - o Faucet filters:
    - 7,369 (round 3 total).
    - 29 (today).

### Planning Section:

- Participated in state, local, and distribution process meeting.
- Published Sit Rep #36.
- Worked with Distribution Process group to strategize the impacts of the boil water advisory.
- Worked to update daily data report.

### Operations Section:

- Continued to monitor the Flint City water main break, the repair progress and its cause.

- Assisted in working on a plan of action to replace all filter cartridges once the boil water advisory is lifted.
- Met with United Parcel Service (UPS) re: delivery of replacement filter cartridges to functional and mobility needs citizens.
- Led the Local Agency briefing and State Agency conference call.
- Participated in the Distribution Process meeting.
- SEOC State Agency Briefing:
- Warehouse Numbers as of 1800:
  - Water (liters):
  - 582,536 liters or 48,544 cases.
  - Filters (faucet):
  - 49,520.
  - Replacement cartridges:
  - 378,140.
  - Test Kits (prepped):
  - 18,886.
  - PODs (1700 2/7 – 1600 2/10):
  - Water (cases):
  - 48,048 liters or 4,004 cases.
  - Filters (faucet):
  - 125.
  - Replacement Cartridges:
  - 257.
  - Test kits:
  - 108.

#### Finance Section:

- Reviewed cost reports received from state agencies to see if additional information is needed.
- Requested additional cost information from state agencies.
- Reviewed current cost data from state agencies that have submitted information.
- Updated Resource Request Information.

#### GIS Branch Updates:

- Water Sampling Results Mapping.
- Daily Data Pulls.
- Daily JIC Map.
- Daily Parcel Pairing & numbers to Ben Geiger.
- Boil Alert Map.
- Addressed matching of at-risk elderly with high lead test result addresses.

#### DTMB:

- Continued to provide DTMB management with daily updates and resource requests received.
- Provided expenses to date to include personnel overtime from January 6 through February 6, 2016 to the Financial Chief.
- Coordinating equipment delivery for Pierson Road warehouse.
- Reconciled expenditures to-date for record keeping.
- Requested to acquire two replacement 18-20 foot trucks with 6 foot lift gates to replace two vehicles that have broken down to assist with water distribution.

#### DHHS-CH:

- The CHECC remains active at a Level 2, and continues to staff the hotline to answer any lead health-related questions referred by 2-1-1 in support of the GCHD. The CHECC continues to work with federal partners in the UCG on prioritized requests for assistance.
- The State Chief Medical Executive, Dr. Eden Wells, conducted a webinar today for healthcare professionals in Flint that focused on pregnancy and breastfeeding. The peak number of people/sites in attendance was 42. Positive feedback was received, particularly on the discussion portion of the webinar. The recording was sent to the MDHHS PIO, and will also be available on the Flint water website and on MI-TRAIN.
- Continue to provide clarification in reference to the teams that are visiting homes in Flint. MDHHS is accompanying DEQ on the Initial Assessment Teams that are visiting homes that have tested high in copper and/or lead.

#### DEQ:

- Coordinated message of filter cartridge for local media dissemination.
- Deployed Sentinel water sampling collection crews and began data collection.
- Provided the Director's Office with data to respond to the Congressional Committee of Energy and Commerce information request.
- Tracked progress of data collection at Sentinel water sampling sites.
- Met with Director's staff for clarification of EPA's 2/8/16 memo on compliance deficiencies and began preparing a response.
- Reviewed incident objectives to determine activities for the upcoming week.

#### State Voluntary Agency Liaison (VAL):

- Continued meeting with FEMA, county and city to develop distribution transition plan.
- Met with Seventh Day Adventist for transition of warehouse #2.

#### Unified Coordination Group (UCG):

- EPA: Additional team to provide Residual Chlorine testing (2 teams today).
- HSTF: Returning to a programmatic/recovery stage and providing support from DC not in the UCG.
- HMTF: Public Health Support Team of 7 transitioning out today. Working to capture work products and setting up continued sustainment at the state level. Two nurse case workers starting today.
- Mental health team here until the 14th working to bring in new team.
- WQTF: Discussion of state/federal messaging regarding the water main break in addition to the City's.
- EPA: 1,000 samples collected at over 150 homes. Sequential testing at several homes today.
- GCHD: Requested clear understating of expectations of county and has concerns on whether their staff can perform this task.
- USDA: Announcing official response to the state's request for expanding WIC funds for blood level. Testing support and expanding program up to the age of 10.
- HUD: Made contact with 100% (2,350) private residences that receive HUD assistance, all have filters installed. Public housing starting today with housing commission to test all properties within a week. Using in-house staff.

#### Local EOC:

- Incident Command, Liaison Officer and Logistics Section Chief discussing long-term distribution plans with representatives from City of Flint and SEOC in Lansing (on 02/09, 02/10 and 02/11/2016).
- Elevated Lead and Copper Initial Assessment Task Force out in the field, visited 6 homes (provided information at 8 additional homes).
- Ten Sentinel Site Monitoring Teams out in the field, visited 30 homes (provided information at 50 additional homes).
- Expecting increased demand for bottled water and filter cartridges due to Boiled Water Advisory in response to water transmission line break. Aligning additional supplies for appropriate resupply at Fire Station PODs.
- Managing donations and volunteers with Michigan Community Service Commission, ARC and United Way of Genesee County.
- Coordinating rapid response deliveries to homebound residents and special locations.

#### Incident Response/Recovery Priorities/Objectives

(Objectives are in order of priority with original objective number attached)

12. Develop and implement a comprehensive long term recovery and transition plan.
11. Ensure accurate tracking and accounting of all donations.
5. Continue to maintain adequate staffing to support operational requirements.
10. Collaborate with local and volunteer agency partners to solidify the Flint Water Operations Plan.
9. Enhance situational awareness and common operating picture of all activities.
8. Maintain coordination between partner agencies and organizations to include FEMA IMAT, FWICC, and the US Department of Health and Human Services Unified Coordination Group (UGC).
3. Improve and maintain the public information strategy and process.
6. Develop an overview of possible assistance programs.
4. Develop a long term public health and services plan.
7. Gather, analyze, and disseminate GIS data to develop products for future planning.
1. Ensure all households within impacted community have required resources and are included in DEQ water sampling plan.
2. Ensure accurate tracking and accounting of all commodities.

#### Damage Assessment Summary

#### Agency Summaries

##### Joint Information Center / Public Information Officer

The Joint Information Center (JIC) was expected to be operational in Flint from 8 a.m. to 8 p.m. on Feb. 9. The JIC was operational until 9 p.m. on Feb. 8.

State agencies at the JIC included the Michigan State Police, Michigan National Guard, and Departments of Agriculture and Rural Development, Environmental Quality, Health and Human Services, and Natural Resources. The Genesee County Sheriff's Office was also present.

##### Tasks accomplished:

- Media hotline staff answered less than 10 emails and phone calls, ranging from inquiries about state costs incurred due to the Flint water emergency to testing dogs for lead toxicity. Media inquiries have continued to decline.
- Created a morning and afternoon media monitoring report.
- Created a Daily JIC Activities email to catalog actions completed for the day and planned for the week to keep all key agency PIOs aware of actions.
- Issued a news release about the role of the American Red Cross and United Way in coordinating volunteers.
- Issue a news release about the state's outreach to blind residents to help ensure access to information and resources.
- Shared the updated resource guides for water donations and recycling with 211.
- Continued updating and revising internal and general talking points to better reflect ongoing information.
- Continued routing public information materials for approval, including a newsletter article from the Michigan Department of Corrections and a Lead Toxicity fact sheet from MDARD.
- Continued discussions on drafting a news release to announce high-lead and copper teams that are beginning operations this week.
- Continued to post information on the [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater) website, especially facts sheets and fliers in Spanish, Arabic, Mandarin Chinese and other languages.
- Held a 2:30 p.m. legislative and congressional conference call involving updates from key state agencies to talk about ongoing operations and activities.
- Revised staffing needs for next two-week period to reduce number of PIOs needed. Working to have staffing for February 16 – 26 by Thursday.

##### Agriculture and Rural Development (MDARD)

MDARD's field activities for 2/9/16 included:

- 2 food establishment assessments conducted (both follow-up) and 2 in use water samples collected
- 5 water sample requests/appointments were scheduled

NOTE: There was a break in the water main at the Flint Water plant, so staff were unable to collect the majority of planned water samples today.

As of 2/8/16, MDARD has completed a total of 331 food establishment assessments (263 initial/68 follow-up). 231 establishments are verified to be in compliance (70%). All high and medium risk firms have had an initial assessment. 196 water samples have been collected and 137 are currently scheduled. Data is now being auto-calculated, resulting in reduction in total assessments reported on 2/5/16, but is now a more accurate count of total assessments.

The food establishment list with assessment, sampling and test results has been combined and mapping activities are underway.

MDARD has a conference call on February 10th at 8:30 am with stakeholder groups, including MSU, MDHHS and Genesee County to provide an update on current lead testing plans for dogs and to explore funding options and other assistance to provide additional testing.

The keep your pet safe from lead poster was posted on the FlintWater website (attached). A veterinarian guidance document was finalized today and will be posted as soon as possible.

##### American Red Cross (ARC)

The American Red Cross deployed 10 Water Response Teams on Tuesday, 2/9/16, to attempt contact at those residences where no one had yet answered the door.

The Volunteer Reception Center (VRC) was in operation today, from 9am to 5pm. The VRC will be operating from 9-5 again on Wednesday.

#### **Civil Rights (MDCR)**

Continue to review activities to provide support and assistance to assigned Human Services branch and other SEOC entities. Maintaining media awareness regarding situation and community activities. Reviewed foreign languages documentation.

#### **Community Health (MDCH)**

The CHECC remains active at a Level 2, and continues to staff the hotline to answer any lead health-related questions referred by 2-1-1 in support of the GCHD. The CHECC continues to work with federal partners in the UCG on prioritized requests for assistance.

Discussed concerns from LEOC regarding MDHHS staff accompanying DEQ on home visits. The CHECC contacted the LEOC and confirmed that MDHHS will send one staff member per day (more are available if requested) to serve on the DEQ "Initial Assessment Teams," visiting homes with high levels of lead and/or copper. A pool of MDHHS staff were trained today for this purpose.

Provided CHECC leadership with information regarding USDA VIP visit from the Food, Nutrition and Consumer Services Deputy Under Secretary Dr. Katie Wilson, who will be visiting Flint tomorrow, to include a stop at a local WIC clinic.

MDHHS held a conference call with the Michigan Pharmacist Association and other community pharmacy members to discuss the potential role of pharmacies in the Flint response efforts. Options will be explored in regards to blood lead testing, communications, and nutritional counseling.

Confirmed with DEQ that the DEQ laboratory will be open, operational, and able to process Coliform lab analysis from the EPA from Friday through Monday, since the GCHD laboratory will be closed for a furlough, the weekend, and the holiday.

#### **Corrections (MDOC)**

MDOC continued operations at both warehouses with warehouse 2 opening as scheduled. All PODs were well supplied during the entire operational period.

MDOC continues to keep trucks dedicated to delivering to individual PODs and have Rapid Responses ready for any POD that gets to a critical level of supplies.

MDOC had 14 employees on the ground in Flint today.

In an effort to reduce overtime costs we are working on completing a critical staff review. All dedicated resources will be reviewed to determine if it is feasible to reduce staffing in lieu of volunteers wherever possible.

We are working with Finance and MDOC assets to capture total employee payroll information and expenditures.

#### **Environmental Quality (MDEQ)**

The Department of Environmental Quality (DEQ) completed the following activities today:

Continued coordination of Sentinel Sampling Team resources with partner agencies, to begin data collection tomorrow

Worked with DEQ lab to assure they are prepared, if necessary, to receive water samples for bacteria testing due to water main break.

Updated tracking sheet of requested data by Congressional Committee of Energy and Commerce.

Reviewed upcoming deadlines from EPA Order tracking spreadsheet.

Coordinated putting together sentinel site teams .

Briefed updated Incident Objectives to reflect activities for the upcoming week.

#### **Human Services (MDHS)**

Looking into filtration system for a child care institute, possibly through donation.

Donation details being entering into MI CIMS.

211 reporting that the number of calls related to Flint was down to 10.5% for Feb 1 - Feb 7.

Daily update conference call with MDHHS Budget & Field Operations.

#### **Licensing and Regulatory Affairs (LARA)**

Participated in briefings and updated the LARA Executive Team

LARA completed mapping at the International Academy of Flint and created a materials list.

LARA continues to monitor DEQ's test results for Health Care, Child Care, Adult Foster Care, HHS and MDE facilities and Schools.

Translation services for various documents continue to be provided as needed.

Ongoing discussion regarding coverage of state regulated facilities and elimination of duplication of effort.

#### **Military and Veterans Affairs (DMVA)**

Commanders Situation Report (SITREP)

1. DTG: 0913002016

2. UNIT: Points of Distribution (PODs), TF FLINT (1-125 IN)

3. POC: Ssg Gazzeney, Darryl L. Cell: 1

Email: armyinfantry31@yahoo.com

4. PRESENT LOCATION: Genesee County Local EOC, 1101 Beach St., Flint, MI, 48502

5. SITUATION OVERVIEW: 1-125 IN has 1 soldiers deployed to the Flint Water Crisis in support of Distribution Operations at the Points of Distributions (PODs). Daily operations consist of receiving, tracking, and issuing out water, filters, replacement filters, and water test kits.

6. OWN SITUATION DISPOSITION /STATUS: Currently 1-125 IN has 1 Soldiers on ground supporting the mission.

7. OPERATIONS: Operations for the next 24 hours are to sustain water/filter distributions throughout the 5 designated fire stations and track all distribution incoming and outgoing through the PODs.

a. POD 5 has two generator lighting units from MDOT. All PODs now have sufficient lighting.

1. Fuel cans and the utilization of station 5 fuel pump is being requested through city of Flint liaison.

b. 4 Detroit Piston players will be purchasing food and visiting the POD Soldiers in appreciation of their assistance to Flint.

b. Signs have been printed off for the POD Buildings. Requesting approval to get the signs laminated from the purchasing office.

1.) TF Flint OIC, 2LT Benke, will be seeking approval from CPT Bowles and Dana and/or Kim at the purchasing office for laminating.

8. PERSONNEL: 1 Soldiers are currently assigned to the POD operations. 1 Soldiers are assigned in five teams at Fire Stations 1, 3, 5, 6 and 8.

9. INTELLIGENCE / FORCE PROTECTION: Water main at Dort highway near I475 has broke causing massive flooding. Water has been shutoff in respected areas therefore increasing water request at POD locations.

10. LOGISTICS: In support of TF Flint

a. The order for a pallet of rock salt from the state purchasing office should arrive at warehouse COB 09Feb2016.

11. COMMUNICATIONS: No communications issues at this time.

P: RRF cell phones alternate for WRTs.

A: Personal cell phone

C: 800 MHz radios issued to PODs and WRTs.

E: Runner

12. NARRATIVE: N/A

13. COMMANDER'S EVALUATION:

- AAR and operational notes are being consolidated into SOP's to send to JOC to assist in updating the All Hazards Plan.
- An operational handoff packet including SOP's, POC's, POD sector sketches, hand-receipts, and other operational notes is being built to assist the incoming unit.
- OUT (last 24 hours)

Bottled water-6422 Water (Gallons)1160 Lead Testing Kits-250

Pitcher (23 cup)-0 Brita Faucet Filter-134 Brita Replacement Cartridge-190

Pur Filter-52 Pur Replacement Filter-255

#### **National Weather Service (NWS)**

NWS Detroit providing morning SEOC brief and Activity Log posts. Jim Maczko from NWS Grand Rapids will be the contact point for any changes in NWS Support and will also continue to update the Sit Rep Executive Summary as needed.

Participation in afternoon SEOC briefings is planned only if significant changes in the forecast occur.

#### **Natural Resources (MDNR)**

MDNR LED continues to support its QOL partners with staffing at the SEOC.

Department POC's include:

Chief Gary Hagler, F/Lt. Jennifer Wolf, F/Lt. Steven B. Burton.

#### **Services to the Aging (OSA)**

Valley Area Agency on Aging (VAAA) continues to receive phone calls from concerned seniors in Flint and continues to make referrals to the Genesee Co. EOC for water and filter follow-up.

VAAA's local Nursing Home Ombudsman continues to monitor Flint area Nursing Homes to ensure residents have access to safe water.

Contact info for VAAA Executive Director is:

SEOC Report for February 10, 2016  
Full Days Since Emergency Declaration: 36

Items to Note

- Boil water advisory has been issued in the City of Flint by the local utility due to a broken water main.
- MDEQ implemented Sentential Sampling Program today.
- The long term recovery continued meeting today and anticipates having a completed long term recovery plan by Thursday February 11, 2016.
- 10 ARC Flint Water Response Teams to the field today. It is anticipated that by the end of tomorrow all water customers will have been contacted at least once.
- In conjunction with Michigan Department of Education, USDA visited a Flint elementary school and health department today to discuss how USDA programs can help provide relief to those affected by water contamination. From the visit, came a USDA media release that highlighted the efforts between the USDA, MI Department of Education and all Health/Human Service partners to expand nutrition programs.
- The American Red Cross is helping to coordinate volunteers, distribution efforts, supply storage and logistics planning in concert with local officials, United Way, Michigan Community Service Commission and a growing list of *partners*.
- SEOC staff met with UPS representatives today re: delivering cartridges to functional/mobility needs citizens. UPS is prepared to assist in this partnership and will provide service at no charge. UPS suggested treating each delivery as a separate package so each can be effectively tracked, and would be able to begin deliveries within the 2-3 week window.

**From:** Zarotney, Greg (MSP)  
**Sent:** Thursday, February 11, 2016 5:01 PM  
**Subject:** URGENT - Records Request  
  
**Importance:** High

The department has been directed to provide copies of all records in our possession related to the Flint water matter to the Governor's office. You are receiving this email because you have been identified as an individual who may have records that must be produced. If there are any department members who you think may be in possession of records related to Flint water, please forward this message to those members.

Records include memos, handwritten notes, emails and attachments, and text messages in your possession, regardless of who produced the record. Be sure when you search your email messages that you look in your inbox, sent box, and trash. In preparation for the production, you must estimate the number of records you have in your possession and provide that estimate to Ms. Lori Hinkley no later than **2:00 PM on Friday, February 12, 2016**.

You must then provide a copy of each record in your possession to the Legislative and Legal Resources Section no later than close of business on **Thursday, February 18, 2016**.

Members who work at Headquarters must provide paper copies to F/Lt. Chris Hawkins in the Office of the Director. Members who work at the State Secondary Complex must provide a paper copies Ms. Lori Hinkley. Ms. Hinkley is located on the second floor of the new Headquarters building. Department members who work outside of these worksites may send copies of records in their possession via e-mail to [MSP-FOIAProject@michigan.gov](mailto:MSP-FOIAProject@michigan.gov).

In addition to this initial production of records, the department is required to provide copies of newly created records on an ongoing basis. Until further notice, copies of all newly created records shall be forwarded to [MSP-FOIAProject@michigan.gov](mailto:MSP-FOIAProject@michigan.gov).

**REMINDER:** Public records can only be disposed of consistent with an approved retention schedule. As it applies to emails and text messages related to the Flint water matter, please use the retention schedule in place for general correspondence which is **two years**. Please save all emails and text messages for at least two years. Prior to expiration of the two year period you will have an opportunity to re-evaluate the content of the messages to determine if an additional retention period is necessary. If you have issues with accommodating emails based on your mailbox size, please archive them. Do not print and file them as the metadata must be retained as well.

If you have any questions with these instructions, please contact [Ms. Lori Hinkley](#).

### VIDEO: What Governor Snyder's FY17 budget means for Michigan

THE **TOP 6 TAKEAWAYS** FROM  
GOVERNOR SNYDER'S FY 2017 STATE BUDGET

**WATCH**

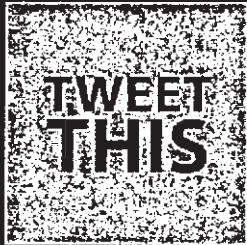

Gov. Rick Snyder's FY 2017 budget calls for critical investments for the Flint water crisis, statewide infrastructure and the Detroit Public Schools. The governor's recommendation also addresses the skyrocketing costs of specialty medications that Michigan residents depend on for better health outcomes.

This budget also stays committed to the Governor's core statewide priorities of education, talent and economic development, health and human services, and public safety.

The proposed FY 2017 budget makes key investments to strengthen the state for all of Michigan's families. [Click here to learn more about the top 6 takeaways from the Governor's FY 2017 state budget.](#)

# FLINT WATER RESPONSE TEAM

UPDATE | THURSDAY, FEBRUARY 11, 2016

This daily update is being issued in order to provide the latest information regarding actions and available resources.

---

### Actions to take when the boil water advisory is over

To ensure water is safe for use, Flint residents should take these precautions after the city of Flint lifts the boil water advisory:

1) First, residents should always flush their water system for at least five minutes after it has gone unused for several hours. For filtered pitchers, flush before filling the pitcher. Residents can prolong the life of their tap filter by turning the valve to the unfiltered setting before flushing, then switch back to the filtered setting before drinking or cooking.

## TIPS FOR FLINT RESIDENTS

2) Second, residents should replace the cartridge in their water filter after a boil advisory. Previously installed water filters will still be safe to use after the cartridge has been replaced, and residents should be sure to follow the water filter replacement instructions.

Free water filter cartridges, water filters, bottled water and water testing kits are available at water resource sites that remain open daily from 9 a.m. to 9 p.m at the sites listed below.

[Click here for a list of FAQs about the boil water advisory.](#)

---

Flint families need critical clean water resources. Since January 9, the state has distributed:

- 303,720 cases of bottled water
  - 104,861 water filters
  - 211,721 replacement cartridges
  - 35,998 water testing kits
- 

### REMINDERS

- For Flint water assistance: Dial United Way 211 or visit [www.mi.gov/FlintWater](http://www.mi.gov/FlintWater)

- To donate or volunteer: visit [www.HelpForFlint.com](http://www.HelpForFlint.com)
- Residents should install filters to their taps to ensure they have immediate and ongoing access to safe water. Only run cold water through the water filter and use filtered water for drinking and cooking.
- Monitor the cartridge on the filter and replace as needed.

#### WATER RESOURCE LOCATIONS

These sites are open seven days a week from 9 a.m. to 9 p.m. with the following resources:

- Bottled water
- Water filters
- Replacement cartridges for water filters
- Water testing kits pick-up
- Drop-off location for water testing kits

Fire Station #1  
310 East 5th St.  
Flint, MI 48502

Fire Station #3  
1525 Martin Luther King Ave.  
Flint, MI 48503

Fire Station #5  
3402 Western Rd.  
Flint, MI 48506

Fire Station #6  
716 West Pierson Rd.  
Flint, MI 48505

Fire Station #8  
202 East Atherton Rd.  
Flint, MI 48507

We will continue to work to improve the water situation in Flint. Community members and local officials are working together to make sure we hear and respond to concerns. Governor Snyder will continue to keep you updated on the latest news and information. **If you don't find the resources you need by dialing United Way 211 please call the Governor's office directly at 517-335-7858.**

### **Update 2/11/16 – 38<sup>th</sup> Day (37<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

#### **Mission focus for the day:**

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
  - Work with UPS on future partnership and service delivery model.
- Create better situational awareness between local, state and federal agencies specifically with the UCG.
- Monitor water main break and messaging.

#### **Status on Governor's request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### **Attached:**

1. Sit Rep #37.

\* There are no Water Sampling Results Maps available for today. GIS is resolving a problem with the maps and they will be available tomorrow. Some anomalies in the data were discovered that are being corrected.

#### **Key items for tomorrow to note are:**

- Due to the boil water advisory in the city of Flint the SEOC will continue to monitor supplies closely in anticipation of burn rates increasing.
- 8 American Red Cross Teams scheduled for Friday, February 12, 2016.
- The second warehouse will open tomorrow on Pierson Road. This warehouse will primarily receive donations that are not on pallets.

#### **Items to Note**

- MDE is reporting that a portion of the emergency funds that were approved for the Flint Water Crisis included \$340,000 for Flint Community Schools to hire/contract for nine school nurses.
- U.S. Department of Education is scheduled visit Flint on February 12, 201 at 0830 at the Genesee Intermediate School District. MDE Deputy Superintendent and the Director of Special Education will attend. Family alliance members will also attend.
- MDEQ has 10 - 3 person Sentinel Sampling Teams on the ground again today. Each team is composed of 1 local resident, 1 licensed plumber and 1 MDEQ staff person providing training on water sampling to residents throughout the City of Flint. These residents have agreed to conduct ongoing sampling with their water to be analyzed by the MDEQ laboratory. These residents will also be part of the Sentinel Sampling Program and samples will be collected every two weeks and will provide analysis for lead and copper. Over 100 homes were visited yesterday on Day 1 of the effort.
- Attended Community Stakeholder meeting. In addition MDEQ continues to lead an Initial Site Assessment Team for high copper and high lead. This team is composed of 1 licensed plumber, 1 law enforcement officer from Flint PD, 1 MDEQ staff person and 1 MDHHS representative. This team is providing initial assessment in information to residents whose homes have water sampling results above the federal action levels for lead and copper. Our goal is to provide these visits and assessment within 48 hours of receiving the results.

#### Unified Coordination Group (UCG):

- WQTF: 1st round of sequential results in a week-week and a half, this paired with the MDEQ sentinel site sampling will provide a good picture of how the system is improving.
- HMTF: Met with the Mass Transportation Authority (MTA), they have a lot of resources to get people to places of interest e.g. care facilities, good food sources, etc.
- PEATF: Dr. Mona, Chelsea Clinton, and Dr. Lurie are in town. A lot of community outreach going on over the weekend. Surgeon General will be in town next week.

#### Local EOC

- Attended Community Stakeholder meeting.
- Long-term distribution plan, based on discussions with City of Flint and SEOC representatives on 02/09 and 02/10/2016 in Lansing, will be presented to Deputy State Director of Emergency & Homeland Security on 02/12/2016.
- Developing logistics procedures to aid transition to local EOC staff.
- 10 Sentinel Site Monitoring Teams and Elevated Lead and Copper Initial Assessment Task Force out in the field.

Chris

#### Update 2/10/16 – 37<sup>th</sup> Day (36<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
  - Work with UPS on future partnership and service delivery model.
- Create better situational awareness between local, state and federal agencies specifically with the UCG.
- Meet with Seventh Day Adventists on warehouse plan.

Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Attached:

1. Sit Rep #36.
2. Maps: Residential Water Sampling Results – Lead and Copper
3. Governor Report

Key items for tomorrow to note are:

- Due to the boil water advisory in the city of Flint the SEOC will continue to monitor supplies closely in anticipation of burn rates increasing.
- 10 American Red Cross Teams scheduled for Thursday, February 11, 2016.

Items to Note (Items in RED are new from when the Governor's Report, "Items to Note" was produced)

- Tasked NG to develop a white paper on what a modern day Civilian Conservation Corps program would look like if implemented in Flint.
- Boil water advisory has been issued in the City of Flint by the local utility due to a broken water main.
- MDEQ implemented Sentential Sampling Program today.
- The long term recovery continued meeting today and anticipates having a completed long term recovery plan by Thursday February 11, 2016.
- 10 ARC Flint Water Response Teams to the field today. It is anticipated that by the end of tomorrow all water customers will have been contacted at least once.
- In conjunction with Michigan Department of Education, USDA visited a Flint elementary school and health department today to discuss how USDA programs can help provide relief to those affected by water contamination. From the visit, came a USDA media release that highlighted the efforts between the USDA, MI Department of Education and all Health/Human Service partners to expand nutrition programs.
- The American Red Cross is helping to coordinate volunteers, distribution efforts, supply storage and logistics planning in concert with local officials, United Way, Michigan Community Service Commission and a growing list of partners.
- SEOC staff met with UPS representatives today re: delivering cartridges to functional/mobility needs citizens. UPS is prepared to assist in this partnership and will provide service at no charge. UPS suggested treating each delivery as a separate package so each can be effectively tracked, and would be able to begin deliveries within the 2-3 week window.

Unified Coordination Group (UCG):

- EPA: Additional team to provide Residual Chlorine testing (2 teams today).
- WQTF: Discussion of state/federal messaging regarding the water main break in addition to the City's.
- EPA: 1,000 samples collected at over 150 homes. Sequential testing at several homes today.
- USDA: Announcing official response to the state's request for expanding WIC funds for blood level. Testing support and expanding program up to the age of 10.
- HUD: Made contact with 100% (2,350) private residences that receive HUD assistance, all have filters installed. Public housing starting today with housing commission to test all properties within a week. Using in-house staff.

Local EOC

- Incident Command, Liaison Officer and Logistics Section Chief discussing long-term distribution plans with representatives from City of Flint and SEOC in Lansing (on 02/09, 02/10 and 02/11/2016).
- Elevated Lead and Copper Initial Assessment Task Force out in the field, visited 6 homes (provided information at 8 additional homes).
- Ten Sentinel Site Monitoring Teams out in the field, visited 30 homes (provided information at 50 additional homes).

- Expecting increased demand for bottled water and filter cartridges due to Boiled Water Advisory in response to water transmission line break. Aligning additional supplies for appropriate resupply at Fire Station PODs.
- Managing donations and volunteers with Michigan Community Service Commission, ARC and United Way of Genesee County.

Chris

## Update 2/9/16 – 36<sup>th</sup> Day (35<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Create better situational awareness between local, state and federal agencies specifically with the UCG.

### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

### Attached:

1. Governor's Data Report from 2/8/16.
2. Sit Rep #35.
3. Maps: Residential Water Sampling Results – Lead and Copper

### Key items for tomorrow to note are:

- Due to the boil water advisory in the city of Flint the SEOC will need to monitor supplies closely in anticipation of burn rates increasing.
- The Small Business Administration will be opening an office in Flint tomorrow at the Oak Business Center (2712 Saginaw Street) .
- 10 American Red Cross Teams scheduled for Wednesday, February 10, 2016.

### Items to Note

- A boil water advisory has been issue in the City of Flint by the local utility due to a broken water main.
- The MOA for the Adventist Community Services to operate the second warehouse was signed by their organization today.
- The long term recovery group made significant progress today and anticipates having a completed long term recovery plan by Thursday February 11, 2016.
- Recovery completed the comprehensive list of apartment units that exist within the City of Flint and franchise customers.
- 10 ARC Flint Water Response Teams to the field today. It is anticipated that by the end of tomorrow all water customers will have been contacted at least once.

#### Unified Coordination Group (UCG):

- Approved IAP #8.
- EPA: Most residents not using their water for anything other than bathing. Also, not running the water. This is an issue for chlorine and phosphate. Concerns for summer, chlorine can cause increased bacteria.
- MDEQ: Visited every home adjacent to high lead lines. Visited all homes higher than 15 ppb.
- HMTF: Working with GCHD to have a clear idea of what has been completed and what additional needs to exist.
- HMTF: Working on redirecting 211 calls from the state to the county so they can sustain long term.

#### Local EOC

- Incident Command, Liaison Officer and Logistics Section Chief in Lansing for long-term distribution planning discussions with representatives from City of Flint and SEOC.
- Determined team-make up and staffing for *Sentinel Site Monitoring Teams in coordination with SEOC, UCG and MDEQ ECC.*
- Finalizing plans for deployment of Sentinel Site Monitoring Teams starting 02/10/2016.
- Updating IAP to include *current work assignments.*
- Elevated Copper Initial Assessment Task Force visited 11 addresses with elevated copper and lead water levels on 02/09/2016.

Chris

---

#### Update 2/8/16 – 35<sup>th</sup> Day (34<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Open secondary state warehouse.

##### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### Attached:

1. Governor's Report for 2/8/2016.
2. Sit Rep #34.

##### Key items for tomorrow to note are:

- Team Priority Scheduled Tomorrow: Active Water Subscribers without filters marked vacant
- 10 American Red Cross Teams scheduled for Tuesday, February 9
- Congressional and Legislative Call, 2:30 PM

#### Items to Note

- JIC Drafted a news release about the team visiting homes with high copper levels. Anticipate releasing tomorrow.
- SEOC Logistics had a conference call with Seventh Day Adventists on agreement and staffing for new warehouse.
- SEOC Planning developed a new Incident Action Plan for Operation Period from 2/9-2/16/2016.
- Requested monetary donation information from United Way and Community Foundation of Greater Flint.
- GIS develop an online application for Governor Snyder to view maps.

Unified Coordination Group (UCG):

- No updates.

Local EOC

- Establishing objectives and IAP for next operational period, 02/08/2016 – 02/12/2016.
- Awaiting additional information regarding companion animals with potential lead and chlorine poisoning from MDARD.
- Establishing plans for Elevated Copper Initial Assessment Task Force starting 02/08/2016 and follow-up outreach to homes with water lead levels over 150 ppb starting 02/10/2016.
- Aligning resources and supplies for Elevated Copper Initial Assessment Task Force and follow-up outreach to homes with water lead levels over 150 ppb.
- Analyzing locations of faith-based organizations and churches for integration into long-term recovery plans.

Chris

Update 2/7/16 – 34<sup>th</sup> Day (33<sup>rd</sup> Full Day) After Governor's Declaration of an Emergency

Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Soft opening of secondary state warehouse; clean and prep for SBA staff.

Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Attached:

1. Daily Summary of Data – Note two new reports: GovReport
2. Sit Rep #33.
3. Maps: Residential Water Sampling Results – Lead and Copper

Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Monday, February 8, 2016.
- The new warehouse will be operational on Monday, February 8, 2016 and managed by MDOC.

Items to Note

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.
- State VAL is working on the Category B and Individuals and Households appeal.
- There continues to be a concern that EPA refuses to work with the state teams in addressing the high lead level homes.
- Genesee County EM expressed concerns about lead poisoning in service/companion animals. MDARD has initiated contact with their partners to address this concern.
- 28 addresses have copper testing that exceeds the "action level" (1,300 ppb). DHHS is currently working on messaging regarding this issue, and DEQ is discussing filtering options.

Unified Coordination Group (UCG):

- Task Forces Health & Medical: working on creating a flow chart for visual of testing results.
- EPA conducted 11 filter grabs yesterday, and will be doing 2 today. This includes up to 33 samples per grab. A grab would be considered a location/residence. They are also following up on the AmeriCorps volunteers (2) that have rashes.

Local EOC

- Establishing objectives and IAP for next operational period, 02/08/2016 – 02/12/2016.
- Awaiting additional information regarding companion animals with potential lead and chlorine poisoning from MDARD.
- Establishing plans for Elevated Copper Initial Assessment Task Force starting 02/08/2016 and follow-up outreach to homes with water lead levels over 150 ppb starting 02/10/2016.
- Aligning resources and supplies for Elevated Copper Initial Assessment Task Force and follow-up outreach to homes with water lead levels over 150 ppb.
- Analyzing locations of faith-based organizations and churches for integration into long-term recovery plans.

Chris

---

Update 2/6/16 – 33<sup>rd</sup> Day (32<sup>nd</sup> Full Day) After Governor's Declaration of an Emergency

The link below is a new video published today by 211. This is part of the Rapid Response Teams currently staffed by Team Rubicon.

<https://www.youtube.com/watch?v=P5Orqzc5efg>

Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.

- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Soft opening of secondary state warehouse; clean and prep for SBA staff.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Attached:

1. Daily Summary of Data.
2. Sit Rep #32.
3. Maps: Residential Water Sampling Results – Lead and Copper

#### Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Sunday, February 7, 2016.
- MDOC will continue setting up the new warehouse.

#### Items to Note

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.
- JIC posted the AIA Flint Safe Water Storage Guideline flyers on MI CIMS under internal documents.
- SEOC Logistics is working to secure space in new warehouse for SBA office, additional information needed from SBA.
- GIS geocoded and cleansed addresses for food establishments in the Flint Metro Area.
- GIS digitized water service lines coded by pressure from paper map onto digital map.
- State VAL is working on the Category B and Individuals and Households appeal.
- MOU with Seventh Day Adventist for donations management currently under review.
- MDARD is planning for additional follow up with food related businesses as water test results come in; new maps with updated information will help with future prioritization.
- MDARD will attend a USDA-Natural Resources Conservation Service press conference to be held on Monday; NRCS will be announcing funds to support community gardens and local foods.
- A team from the CDC arrived yesterday to work with MDHHS Bureau of Epidemiology. Their work began today by beginning to analyze data for the development of long term surveillance strategies that will look to link blood lead level results to specific populations, to include vulnerable and at-risk populations.
- LARA continues to monitor DEQ's test results for Health Care, Child Care, Adult Foster Care, HHS and MDE facilities and Schools.
- Freeman Elementary was tested today (2/6/15) by DEQ/LARA staff members.

#### Unified Coordination Group (UCG):

- Attended 3 matrix review meetings, taskforce leads gave status updates on the original requests/asks sent from the State to Federal government.
- UCG POC will update the objectives with current status once completed by the information cell.
- EPA has 4 teams going out today, 17 filter grabs, a sequential sampling, and walk in requests.
- Additional phosphorus results remain consistent with previous reports. Appears the coating is working in the pipes.
- Multiple Hispanic events are taking place in the community and will be attended by federal staff.
- CDC recommendation should go out today for blood level testing for children under the age of 6.

#### Local EOC

- Finalized DEQ outreach at homes with water lead levels above 150 ppb.
- Developing plan for outreach at homes with water lead levels of 100 to 149 ppb.
- Will start outreach at homes with water lead levels of 100 to 149 ppb with one group on Monday.
- Potentially following up on initial outreach at homes with water lead levels of 100 to 149 ppb 10 strike teams for evaluation of plumbing system, water sampling, etc. starting Wednesday.
- Evaluating need to address health needs of companion animals in households exceeding water lead levels above 100 ppb.
- Awaiting clarification regarding effectiveness of filter systems for removal of copper.

**Below is a summary of Federal Teams in the field during next operational period until 2/10 per the UCG.**

Public Health Support Team (PHST) (US HHS) stationed at GCHD

9 personnel

- Develop engagement strategy for GCHD to facilitate outreach efforts to the community members and community partners.
- Development database for incoming calls to standardize the responses to caller queries; develop resource list for GCHD.
- Two personnel will facilitate case management follow up on results from GCHD concerning water samples with high home water lead levels.
- Provide technical assistance and community health outreach support to GCHD and to the EPA field team during water sampling and rash investigations.
- Create email groups for email messaging blasts to community partners.

Behavior Health Team (US HHS) stationed at GCHD

4 personnel

- Develop Behavior Health Surveillance Plan and Gap Assessment.
- Provide Behavioral Health Support for community-based health and human service providers.

EPA Sampling Teams out in the field

3 teams with 3 personnel,

- Identify sampling locations based on State DEQ requests and/or inquiries from residents, schedule visits with residents.
- Develop facts sheets based on high lead homes and other facts sheets, as needed.
- Provide risk communications and test results to residents.
- Conduct sequential, filter pilot, and distribution system sampling.

High Lead Home Strike Team out in the field

5 personnel

One MDEQ rep (Taylor) with EPA high lead team.

- Conduct water sampling at residences with rash complaints
- High lead homes with no contact information

MDEQ (Provided by Mark Ducharme) out in the field

- One Initial Outreach Visit team consisting of 1 DEQ rep (Oeming) and 1 MDHHS rep (Groetsch), supported by 2 team Rubicon, 1 city of Flint PD escort, and 1 Penske truck loaded with commodities.

Genesee County Health Department team out in the field

1 team with 2 personnel One LHD person (EH), One EPA person (for sampling)

- Responding to high lead homes – Made contact with all homes 150 ppb last Wednesday and will continue as long as they have resources.

**Subject:** SEOC Update 2/5/16 - Flint Water - Limited Distribution

**Update 2/5/16 – 32<sup>nd</sup> Day (31<sup>st</sup> Full Day) After Governor's Declaration of an Emergency**

**Mission focus for the day:**

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made. Special attention to apartments/multifamily residences.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Prepare of opening of secondary state warehouse

**Status on Governor's request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

**Attached:**

1. Daily Summary of Data (NG field is showing 0 which is not correct). NG personnel are still at the PODs.
2. Sit Rep #31.
3. Maps: Residential Water Sampling Results – Lead and Copper

**Key items for tomorrow to note are:**

- 10 American Red Cross Teams scheduled for Saturday, February 6, 2016.
- MDOC will begin setting up Kroger warehouse.

**Items to Note**

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.
- SBA declaration approved. SEOC Logistics will be working to identify office space in Flint for SBA staff.
- Recovery Branch estimate based on information collected last weekend is as follows:
  - 80 Complexes
  - 4170 Units
  - 2892 Assisted Living/Senior Housing (Dept of Aging)
- Information in DHHS Sit Rep is from GCCARD only, this information is not included in the daily totals.

- JIC issued a news release around 10 a.m. about the state of Michigan encouraging food establishments to take advantage free water safety inspections. The news release was picked up by the Associated Press and other news media outlets.
- JIC held a media event to encourage people to check out Flint area restaurants with Lt. Gov. Brian Calley and Michigan Department of Agriculture and Rural Development Director Jamie Clover Adams. Nine local and statewide news media members attended the event.
- Finance Section developed guidance for Flint Water Inter-Agency Coordinating Committee related to reimbursements for non-state employees.
- State Voluntary Agency Liaison (VAL) prepared list of NGOs involved in Flint for DHHS SERG grant application.
- State VAL worked on potential jobs funding with TIA via Dept of Labor.
- Question was asked from the Governor's office yesterday if commodities purchased could be returned. Per FEMA, any item such as filter, pitcher, cartridge etc. cannot be returned. Once procured via State RRF the state owns it - no returns. Water can be returned with 12 months remaining shelf life and in complete factory issued pallet w shrink wrap and the state will fund/ transport of returning water to the designated Distribution Center. FEMA will inspect all returning water prior to movement and water is limited to available storage space in the FEMA Distribution Centers which will range between 0-5 million liters. Quantity to be returned will be approved prior to movement based upon available space and known inbound inventory.
- DEQ finalized sentinel sampling plan to commence activities beginning February 10th, 2016.
  - DEQ received 12 iPads for deployment with teams for status tracking.

#### Unified Coordination Group (UCG):

- Met with the nutrition task force today on request from the state.
- Cleared up misinformation on areas that have not been covered.

#### Local EOC

- Coordinating rapid response deliveries to homebound residents and special locations.
- Developed floor plan proposal for new warehouse with warehouse workers.
- Recycling and water distribution event with MSU athletics.
- Establishing plan to provide public transit vouchers for travel to blood lead level test clinics.
- Work with Michigan Community Service Commission to align supplies and resources for PUR filter distribution effort next week.
- DEQ/Team Rubicon team visited 30 homes with water lead levels of 150 ppb.
- Developing plans for follow-up with residents at homes with water lead levels of 150 ppb.

**Subject:** SEOC Update 2/4/16 - Flint Water - Limited Distribution

INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

Update 2/4/16 – 31<sup>st</sup> Day (30<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.

- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made. Special attention to apartments/multifamily residences.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Submit SBA application.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Attached:

1. Daily Summary of Data.
2. Sit Rep #30.

#### Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Friday, February 5, 2016.
- FWICC and Mission Flint meetings in Flint.

#### Items to Note

- 10 ARC Flint Water Response Teams to the field today. Continued priority is the apartment list from 2/2/16.
- Recovery Branch worked with county and postal partners to collect information about home vacancies and resident's with forwarded mail addresses in order to ensure we are contacting all occupied residences in the City of Flint.
- Recovery Branch supported the efforts of MSDHA to provide resources to tenants in their facilities.
- JIC issued a media advisory about federal lead for Flint water crisis Dr. Nicole Lurie to visit EPA's command post.
- MDHHS provided a representative to accompany the MDEQ team to the high lead homes in Flint. The MDHHS representative will encourage individuals to have blood lead testing and answer health questions as necessary.
- GIS is working to develop a field application for MDEQ and MDHHS for field collection of water test data and health data respectively.
- SBOC and MTED are working with Department of Labor to identify grants that may be available to assist with jobs programs (wages, training, overhead, and potentially equipment and leasing resources). DOC looking at prisoner re-entry programs for those returning to Flint area.

#### Unified Coordination Group (UCG):

- Working on improving communication flow between UCG and state partners.
- Attended long term recovery meeting held by state VAL.
  - Discussed MARC model and potential transition plan.

#### Local EOC

- Coordinating rapid response deliveries to homebound residents and special locations.
- Attended meeting with federal, state and local health and environmental agencies to establish process for notification of households with water test results that exceed 150 ppb.
- Attended two long term recovery planning meetings with SBOC staff, VOADs and local agencies (Flint Water Recovery Leadership group).

- Ensuring Community Access Center for the Deaf and Hard of Hearing receives appropriate supplies.
  - Briefed staff on site on filter installation and water sampling process.
- Clarified distribution process at city sites with Flint City Administrator's Office. Coordinating with Fire Department Quartermaster for supplying city sites.
- Addressing various public concerns, including identification of canvassing teams.
- Instituted credentialing verification process for 2-1-1 calls.

Chris

---

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

**Update 2/3/16 ~ 30<sup>th</sup> Day (29<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

**Mission focus for the day:**

- Refocus state agencies on objectives, tasks in the Incident Action Plan and how we get to the end state/shift to longer term recovery.
- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Submit SBA application – outstanding item is the certification of availability of financial assistance. Priority item for the a.m. so this can get submitted. Press release has been completed.

**Status on Governor's request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

**Attached:**

1. Daily Summary of Data, full version and abridged (New reporting format – we will ensure we give liters of water and cases in the future)
2. Residential Water Sampling Results Maps – Lead and Copper
3. SitRep 29

**Key items for tomorrow to note are:**

- 10 American Red Cross Teams scheduled for Thursday, February 4, 2016.
- Will continue to target residences from the Apartment List from 2/2/16

**Items to Note**

- Paired down the list of parcels not visited from 2400 to 958. Will continue on 2/4/16 to identify any parcels not visited. Some parcels contain multifamily residences and those types of residences are being reviewed and targeted to ensure coverage.

- MDOC is going to look into their job programs for any prisoners begin release back into the Flint area. This will be in conjunction with any other job programs identified. We are working with MTED on solutions.
- DEQ and DHHS will be going to residences with >150 ppb starting tomorrow. They will be checking residences next to the one with the high lead level to see if this is a single residence issue or a bigger issue affecting the block or line in an area. This will not initially include EPA as they did not seem interested in combining teams but we are working on more collaboration without slowing us down.
- DEQ will have a representative in the UCG starting 2/4/15.
- Discussed with UPS on ways they can assist with Rapid Response Team and filter replacements in the future.
- Additional warehouse will be put in service potentially Saturday. Seventh Day Adventist are potentially going to operate it or help with operations to phase out state agency personnel and make it more community run. The warehouse does include some office space if needed.
- 10 ARC Flint Water Response Teams to the field today.
- Team Priority Visited Today: Apartment List from 2/2/16
- SEOC Logistics worked with MDOC on their assistance with warehouse management and staffing for new warehouse. Reached out to Food Bank on their recommendation and coordination for hours/days of operation of new warehouse.
- SEOC Operations attended a donations management meeting to discuss the need for a consolidated list of donated goods.
- JIC strategized with the U.S. Department of Health and Human Services and Environmental Protection Agency on how to better coordinate public information.

#### Unified Coordination Group (UCG):

- UCG IAP approved today for the operational period 0800 2/2/16 to 0800 2/4/16.
- The Federal Health Coordinating Officer had a meeting today with Economic Development and Housing and Urban Development.
- EMHSD liaison provided information on Michigan EM structure to Command.
- State JIC manager now in the communication loop for the UCG.
- UCG discussed MARCs and potential implementation.
- Capt. Kelenske met with Don Boyce from US DHHS to discuss concerns with Federal HHS and EPA and how we can move forward with better collaboration and coordination. Boyce also met with Governor's Office staff on same. The meeting went well and a solid relationship is in place with Boyce. He is a direct report to Dr. Lurie and will provide her some context on the issues and how we can move forward. He will be a good POC to assist us with any shifts in direction needed at the federal level.

#### Local EOC

- Coordinated rapid response deliveries to homebound residents and special locations.
- Working on refining rapid response delivery process.
  - *Preparing transition from Team Rubicon personnel to NCCC teams, and eventually Southern Baptist Disaster Relief.*
  - Coordinating with ARC for logistics support to NCCC teams (AmeriCorp).
- Working with ARC to ensure resource needs of franchise customers at Sunridge Apartments complex in Flint Township are met.
- Coordinating with MDEQ to streamline test kit assembly process.
- Attended distribution plan meeting with faith-based organizations, state, and local agencies.
- Referring VOADs to appropriate volunteer management agencies.
- Addressing various public concerns, including availability of supplies at child care facilities.

Chris

# Damage Assessment and Emergency Status Report

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

## Operational Period

Operational Period Begin: 02/09/2016 08:00:00  
Operational Period End: 02/16/2016 08:00:00  
Situation Report No. 37  
SEOC Status: Full  
SEOC Hours of Operation Begin: 02/11/2016 08:00:00  
SEOC Hours of Operation End: 02/11/2016 20:00:00

## Executive Summary

### SEOC Update:

Accomplished today (February 11, 2016):

The SEOC continues to provide:

- Situational awareness.
- Common operating picture/objectives.
- Coordination with city/county.
- Potential coordination with federal agencies.
- Incident prioritization.
- Coordination of life/health safety measures.
- Resources.
- Public information control.

### Logistics:

- Fielded resource requests.
- Fielded Rapid Response requests.
- Fielded Governor's office request.
- Facilitated distribution team calls.

### JIC:

- Media hotline staff answered less than 10 emails and phone calls, ranging from the news media asking to embed with sentinel teams to inquiries about the city of Flint's boil water advisory.
- MDHHS Chief Medical Executive Dr. Eden Wells attended a Great Lakes Health Connect press conference, announcing the donation of \$250,000 to connect various health care providers in the Flint area so they can easily share information about patients affected by lead exposure. Dr. Wells was interviewed by the Associated Press and gave an update about children blood-level testing in Flint. Dr. Wells also conducted an interview with Michigan Radio about the boil water advisory in Flint.
- Updated a Daily JIC Activities log to catalog actions completed for the day and planned for the week to keep all key agency PIOs aware of actions.
- Key state agency PIOs attended Gov. Rick Snyder's media availability at the Food Bank of Eastern Michigan. More than 10 news media members were at the event, representing local and regional outlets.
- The National Guard PIO conducted on-camera interview with a media outlet at Flint Fire Station No. 6, updating the reporter about ongoing operations and community relations.
- Drafted a news release about a National Guard soldier saving a Flint resident's life. The JIC plans to issue the news release this afternoon.
- Drafted a media advisory about holding media availability at the Genesee County Emergency Operations Center to give the news media access to a sentinel team briefing prior to disbursing throughout Flint.
- Drafted a follow-up news release to issue after the city of Flint's water warning is lifted.
- Drafted and issued social media posts about ongoing Flint water emergency, including daily numbers and links to Oral Health and Adult Lead Exposure fact sheets.

### Recovery Branch:

- Attended Local Brief, SEOC State Agency Briefing Meetings, Distribution Process Meetings.
- Merged lists compiled from various agencies in to one master Access and Functional Needs (AFN) List.
- Team Priority Visited Today: Active Water Subscribers without filters marked vacant or no contact.
- Team Priority Scheduled Tomorrow: Water Distribution and Rapid Response.
- 8 American Red Cross Teams scheduled for Friday, February 12.
- Data is for 2/11/16 as of 5:00 pm:
  - o Total homes visited:
    - 20,057 (round 3 total).
    - 786 (today).
  - o Water cases (liters calculated by multiplying # of cases x 12):
    - 140,808 liters or 11,734 cases (round 3 total).
    - 6,492 liters or 541 cases (today).
  - o Replacement cartridges:
    - 4,520 (round 3 total).
    - 269 (today).
  - o Faucet filters:
    - 7,427 (round 3 total).
    - 58 (today).

### Planning Section:

- Participated in state, local, and distribution process meeting.
- Published Sit Rep #37.
- Worked to update daily data report.

Operations Section:

- 7:30am in service.
- Facilitate 8:30 local call.
- Facilitate 9:30 SEOC briefing.
- Facilitate 10:00 FOI meeting.
- Jackie Hampton covers from 10:30-12.
- 2:00pm State Quarterly Meeting.
- 2:30 Tele-town hall.
- 4:00 SEOC briefing.
- 6:00 distribution meeting.
- SEOC State Agency Briefing.
- Warehouse Numbers as of 1800:
  - Water (liters):
  - 866,976 liters or 72,248 cases.
  - Filters (faucet):
  - 47,492.
  - Replacement cartridges:
  - 377,334.
  - Test Kits (prepped):
  - 29,470.
  - PODs (Number as of 1700 2/11):
  - Water (cases):
  - 53,964 liters or 4,497 cases.
  - Filters (faucet):
  - 164.
  - Replacement Cartridges:
  - 411.
  - Test kits:
  - 106.

Finance Section:

- Assisting SBO/OIA audit staff with understanding SEOC processes and roles of state agencies.
- Continuing to update summary cost reports to provide to SBO on Friday morning.
- Estimate daily emails for FOIA unit.
- Work on compiling Category B costs incurred for appeal to FEMA.

GIS Branch Updates:

- Author a custom map application for governor's office.
- Compile a list of houses in Flint that do not have water filters.
- Produce an image of a 10 block section of Flint from video flown by Trooper 2.
- Refine data sent from MDEQ for mapping of water test locations.
- Preparations for GIS to meet FOIA requests.

DTMB:

- Continued to provide DTMB management with daily updates and resource requests received.
- Two DTMB drivers were involved in an accident last evening upon return to Lansing. Their vehicle was hit from behind at an intersection. Both were treated and released and were medically cleared to return to work. The accident was reported to their supervisor in compliance with internal processes and protocols and they reported to Flint on Thursday morning for work.
- DTMB Print and Graphic Services printing recycling cards and door hangar for volunteers to distribute on Saturday.

DHHS-CH (weekly):

- The CHECC remains active at a Level 2, and continues to staff the hotline to answer any lead health-related questions referred by 2-1-1 in support of the GCHD. The CHECC continues to work with federal partners in the UCG on prioritized requests for assistance.
- The State Chief Medical Executive, Dr. Eden Wells, conducted a webinar today for healthcare professionals in Flint that focused on pregnancy and breastfeeding. The peak number of people/sites in attendance was 42. Positive feedback was received, particularly on the discussion portion of the webinar. The recording was sent to the MDHHS PIO, and will also be available on the flint water website and on MI-TRAIN.
- Continue to provide clarification in reference to the teams that are visiting homes in Flint. MDHHS is accompanying DEQ on the Initial Assessment Teams that are visiting homes that have tested high in copper and/or lead.

DEQ:

- Coordinated school sampling with DLARA.
- Coordinated delivery of test kits for Michigan Works.
- Deployed Sentinel water sampling collection crews and continued data collection and monitoring.
- Continued assembling data for EPA Emergency Administrative Order and second EPA request.
- Tracked progress of data collection for Sentinel water testing sites.
- Reviewed incident objectives to reflect activities for the upcoming week.
- Conducted an After Action Review focused on Sentinel sampling effort.

State Voluntary Agency Liaison (VAL):

- Attended community partners meeting.
- Met with water resources group.

Unified Coordination Group (UCG):

- WQTF: 1st round of sequential paired with the MDEQ sentinel site sampling will provide a good picture of how the system is improving.
- HMTF: Met with the Mass Transportation Authority (MTA), they have a lot of resources to get people to places of interest e.g. care facilities, good food sources, etc.
- PEATF: Dr. Mona, Chelsea Clinton, and Dr. Lurie are in town. A lot of community outreach going on over the weekend. Surgeon General will be in town next week.

Local EOC:

- Attended Community Stakeholder meeting.
- Long-term distribution plan, based on discussions with City of Flint and SEOC representatives on 02/09 and 02/10/2016 in Lansing, will be presented to Deputy State Director of Emergency & Homeland Security on 02/12/2016.
- Developing logistics procedures to aid transition to local EOC staff.
- 10 Sentinel Site Monitoring Teams and Elevated Lead and Copper Initial Assessment Task Force out in the field.
- Sentinel Site Monitoring Teams will be accompanied by media on 02/12/2016. Coordination through JIC.
- In response to water transmission line break, pipe has been fixed and reconnected. Line is being pressurized and properly treated, followed by 24 hour water testing period before Boiled Water Advisory can be lifted.

#### **Incident Response/Recovery Priorities/Objectives**

(Objectives are in order of priority with original objective number attached)

11. Ensure accurate tracking and accounting of all donations.
5. Continue to maintain adequate staffing to support operational requirements.
10. Collaborate with local and volunteer agency partners to solidify the Flint Water Operations Plan.
9. Enhance situational awareness and common operating picture of all activities.
8. Maintain coordination between partner agencies and organizations to include FEMA IMAT, FWICC, and the US Department of Health and Human Services Unified Coordination Group (UGC).
3. Improve and maintain the public information strategy and process.
6. Develop an overview of possible assistance programs.
4. Develop a long term public health and services plan.
7. Gather, analyze, and disseminate GIS data to develop products for future planning.
1. Ensure all households within impacted community have required resources and are included in DEQ water sampling plan.
2. Ensure accurate tracking and accounting of all commodities.

#### Damage Assessment Summary

#### Agency Summaries

##### Joint Information Center / Public Information Officer

The Joint Information Center (JIC) was expected to be operational in Flint from 8 a.m. to 8 p.m. on Feb. 11. The JIC was operational until 10 p.m. on Feb. 10.

State agencies at the JIC included the Michigan State Police, Michigan National Guard, and Departments of Environmental Quality and Health and Human Services. The Genesee County Sheriff's Office and American Red Cross were also present.

##### Tasks accomplished:

- Media hotline staff answered less than 10 emails and phone calls, ranging from the news media asking to embed with sentinel teams to inquiries about the city of Flint's boil water advisory.
- MDHHS Chief Medical Executive Dr. Eden Wells attended a Great Lakes Health Connect press conference, announcing the donation of \$250,000 to connect various health care providers in the Flint area so they can easily share information about patients affected by lead exposure. Dr. Well was interviewed by the Associated Press and gave an update about children blood-level testing in Flint. Dr. Wells also conducted an interview with Michigan Radio about the boil water advisory in Flint.
- Created a morning and afternoon media monitoring report.
- Updated a Daily JIC Activities log to catalog actions completed for the day and planned for the week to keep all key agency PIOs aware of actions.
- Key state agency PIOs attended Gov. Rick Snyder's media availability at the Food Bank of Eastern Michigan. More than 10 news media members were at the event, representing local and regional outlets.
- Drafted talking points for Capt. Chris Kelenske for a 2:30 p.m. TeleTown Hall meeting hosted by the Governor's Office.
- The National Guard PIO conducted on-camera interview with a media outlet at Flint Fire Station No. 6, updating the reporter about ongoing operations and community relations.
- Continued routing public information materials for approval, including an updated recycling flier and a breast feeding and lead exposure fact sheet from MDHHS.
- Drafted a news release about a National Guard soldier saving a Flint resident's life. The JIC plans to issue the news release this afternoon.
- Drafted a media advisory about holding a media availability at the Genesee County Emergency Operations Center to give the news media access to a sentinel team briefing prior to disbursing throughout Flint.
- Drafted a follow-up news release to issue after the city of Flint's water warning is lifted.
- Continued working to have staffing for Feb. 16-26 by Thursday. Staffing has become difficult.
- Drafted and issued social media posts about ongoing Flint water emergency, including daily numbers and links to Oral Health and Adult Lead Exposure fact sheets.

##### Agriculture and Rural Development (MDARD)

MDARD's field activities for 2/10/2016 included:

- 6 food establishment assessments conducted (all follow-ups) and 5 in-use water samples collected
- no water sample requests/appointments were scheduled

As of 2/10/16, MDARD has completed a total of 346 food establishment assessments (271 initial/75 follow-up). 267 establishments are verified to be in compliance (77.17%). All high and medium risk firms have had an initial assessment. 214 water samples have been collected and 160 are currently scheduled.

MDARD's Animal Industry Division has created an Incident Management Team to deal with pet testing related issues in Flint.

Provided information to the JIC and Capt. Kelenski regarding using water from Flint for growing vegetables in response to a call on the Governor's Tele-Town Hall today.

##### American Red Cross (ARC)

The American Red Cross deployed 6 Water Response Teams on Thursday, 2/11/16, to deliver bottled water, and 3 Rapid Response Teams responding to calls from individuals needing additional support.

The Volunteer Reception Center was operating from 9-5 on Thursday. The VRC will operate on the same schedule tomorrow.

Water test kits are being assembled today. We anticipate that about 3,000 will have been completed by the end of the day.

##### Civil Rights (MDCR)

Continue to review activities to provide support and assistance to assigned Human Services branch and other SEOC entities. Maintaining media awareness regarding situation and community activities. Advised senior leadership of forthcoming FOIA process request.

## **Community Health (MDCH)**

The CHECC remains active at a Level 2, and continues to staff the hotline to answer any lead health-related questions referred by 2-1-1 in support of the GCHD. The CHECC continues to work with federal partners in the UCG on prioritized requests for assistance.

The State Chief Medical Executive, Dr. Eden Wells, conducted a webinar today for healthcare professionals in Flint that focused on pregnancy and breastfeeding. The peak number of people/sites in attendance was 42. Positive feedback was received, particularly on the discussion portion of the webinar. The recording was sent to the MDHHS PIO, and will also be available on the flint water website and on MI-TRAIN.

Continue to provide clarification in reference to the teams that are visiting homes in Flint. MDHHS is accompanying DEQ on the Initial Assessment Teams that are visiting homes that have tested high in copper and/or lead.

## **Corrections (MDOC)**

MDOC continues to keep trucks dedicated to delivering to individual POD's and covering Rapid Responses for PODs that get to a critical level. PODs remained well supplied throughout day and will continue to be well supplied moving forward.

We are continuing to work with Finance and MDOC assets to capture total employee payroll information and expenditures. MDOC continue to staff the SEOC from 0800-2000, 7 days/week. Mike Farmer and Bridget Spencer are managing the Recovery Branch of the SEOC

We received the 2 additional box trucks for warehouse use to replace non-functioning trucks. Thank you DTMB.

Warehouse inventory has been modified to adjust for different sized containers.

206 Test kits were delivered from Flint to Lansing today.

## **Environmental Quality (MDEQ)**

The Department of Environmental Quality (DEQ) completed the following activities today:

Coordinated school sampling with DLARA.

Coordinated delivery of test kits for Michigan Works.

Deployed Sentinel water sampling collection crews and continued data collection and monitoring.

Continued assembling data for EPA Emergency Administrative Order and second EPA request.

Tracked progress of data collection for Sentinel water testing sites.

Reviewed incident objectives to reflect activities for the upcoming week.

Conducted an After Action Review focused on Sentinel sampling effort.

## **Human Services (MDHS)**

80% of current caregivers, who are caring for children under the care and supervision of MDHHS, have submitted a water sample to approved water testing facilities.

Daily update conference call with MDHHS Budget & Field Operations.

## **Licensing and Regulatory Affairs (LARA)**

Participated in briefings and updated the LARA Executive Team

LARA continues to monitor DEQ's test results for Health Care, Child Care, Adult Foster Care, HHS and MDE facilities and Schools.

LARA continuing efforts to plan and schedule faucet replacements for Flint schools.

Translation services for various documents continue to be provided as needed.

Ongoing discussion regarding coverage of state regulated facilities and elimination of duplication of effort.

## **Military and Veterans Affairs (DMVA)**

Commanders Situation Report (SITREP)

1. DTG: 111200Z016

2. UNIT: Points of Distribution (PODs), TF FLINT (1-125 IN)

3. POC: Ssg Gazzeny, Darryl L. Cell: ( ) ; Email: armyinfantry31@yahoo.com

4. PRESENT LOCATION: Genesee County Local EOC, 1101 Beach St., Flint, MI, 48502

5. SITUATION OVERVIEW: 1-125 IN has soldiers deployed to the Flint Water Crisis in support of Distribution Operations at the Points of Distributions (PODs). Daily operations consist of receiving, tracking, and issuing out water, filters, replacement filters, and water test kits.

6. OWN SITUATION DISPOSITION /STATUS: Currently 1-125 IN has Soldiers on ground supporting the mission.

7. OPERATIONS: Operations for the next 24 hours are to sustain water/filter distributions throughout the 5 designated fire stations and track all distribution incoming and outgoing through the PODs.

a. POD 5 has two generator lighting units from MDOT. All PODs now have sufficient lighting.

1. Station 5 received a key and key code to utilize the fuel pump at station 5. A fuel can was purchased locally.

b. Signs have been printed off for the POD Buildings. Requesting approval to get the signs laminated from the purchasing office.

1.) TF Flint OIC, 2LT Benke, will be seeking approval from CPT Bowles and Dana and/or Kim at the purchasing office for laminating.

8. PERSONNEL Soldiers are currently assigned to the POD operations. 58 Soldiers are assigned in five teams at Fire Stations 1, 3, 5, 6 and 8.

9. INTELLIGENCE / FORCE PROTECTION: More firefighter units will respond to emergencies to equalize pressure in the water lines, due to the water main damage.

10. LOGISTICS: In support of TF Flint

a. Schupon has placed an order for more instruction cards attached to recycle bags.

11. COMMUNICATIONS: No communications issues at this time.

P: RRF cell phones alternate for WRTs.

A: Personal cell phone

C: 800 MHz radios issued to PODs and WRTs.

E: Runner

12. NARRATIVE: N/A

13. COMMANDER'S EVALUATION:

- AAR and operational notes are being consolidated into SOP's to send to JOC to assist in updating the All Hazards Plan.
- An operational handoff packet including SOP's, POC's, POD sector sketches, hand-receipts, and other operational notes is being built to assist the incoming unit.
- OUT (last 24 hours)

Bottled water-4615 Water (Gallons)218 Lead Testing Kits-121

Pitcher (23 cup)-0 Brita Faucet Filter-96 Brita Replacement Cartridge-131

Pur Filter-61 Pur Replacement Filter-244

#### **National Weather Service (NWS)**

NWS Detroit providing morning SEOC brief and Activity Log posts. Jim Maczko from NWS Grand Rapids will be the contact point for any changes in NWS Support and will also continue to update the Sit Rep Executive Summary as needed.

Participation in afternoon SEOC briefings is planned only if significant changes in the forecast occur.

#### **Natural Resources (MDNR)**

MDNR LED continues to support its QOL partners with staffing at the SEOC.

Department POC's include:

Chief Gary Hagler, F/Lt. Jennifer Wolf, F/Lt. Steven B. Burton.

#### **Services to the Aging (OSA)**

Valley Area Agency on Aging (VAAA) continues to receive phone calls from concerned seniors in Flint and continues to make referrals to the Genesee Co. EOC for water and filter follow-up.

VAAA's local Nursing Home Ombudsman continues to monitor Flint area Nursing Homes to ensure residents have access to safe water.

Contact info for VAAA Executive Director is:

Kathryn C. Boles

President, CEO

Valley Area Agency on Aging

225 E. Fifth Street, Suite 200

Flint, MI 48502

(810) 239-7671

(810) 239-8869 fax

#### **State Police (MSP)**

The MSP position within the SEOC will be staffed at MSP Operations at HQ. All e-mails to MSP-EOC-MDSP@michigan.gov are being forwarded to the Operations Lt. The phone number for the on duty Operations Lieutenant is 517-241-8000

#### **Technology, Management and Budget (MDTMB)**

Continue to provide DTMB management with daily updates and resource requests received.

Two DTMB drivers were involved in an accident last evening upon return to Lansing. Their vehicle was hit from behind at an intersection. Both were treated and released and were medically cleared to return to work. The accident was reported to their supervisor in compliance with internal processes and protocols and they reported to Flint on Thursday morning for work.

Processed resource request for:  
(2) 20 foot trucks to replace MDOC trucks that are out of service  
Printing 3,000 more recycling cards

**Transportation (MDOT)**

Providing staff to Pierson Rd. warehouse.

Providing 2 portable light tower generators to Fire Station #5 on Western Rd.

Providing traffic measures at Fire Station #6 on Pierson Rd. and Fire Station #3 on Martin Luther King Blvd:

-4 (3' x 5') standard signs (2 each site)

-100 grabber traffic cones (narrow reflective cones) (50 each site).

Continuing to maintain situational awareness and responding to issues regarding equipment and road conditions.

## **Gov. Rick Snyder releases departmental emails produced regarding Flint water crisis**

LANSING, Mich. - Gov. Rick Snyder's office today posted emails and corresponding documents that have been made available to requesting entities from state departments regarding the Flint water crisis. The documentation represents requests fulfilled to date by the Department of Environmental Quality, Department of Health and Human Services, Department of Treasury, Department of Technology, Management and Budget, and Department of Agriculture and Rural Development regarding Flint water.

"All levels of government failed the people of Flint," Snyder said. "This crisis should never have happened, but we are making progress each day to meet the needs of residents."

"By making the information easily accessible, everyone can review it and take what they need, and then we can all focus and work together on solutions, healing and moving Flint forward."

**NOTE:** All emails and attachments can be accessed using the below links. Documents are large and will take time to download. Viewing on a mobile device is not recommended.

### **LEGAL NOTICE**

- The release of these documents is not a waiver of any legal privilege. Because of the voluminous nature of these records, some documents that are subject to the attorney-client, attorney work product, and other privileges may have been inadvertently disclosed. Should this posting include such documents, their disclosure here does not constitute a waiver of the privilege.

- Those seeking information as part of a legal proceeding or investigation should not rely solely upon the documents posted here to satisfy their request. Such requests should be directed to the appropriate state custodian.
- The posting of these documents does not, is not intended to, and cannot be relied upon to, create any right or benefit, substantive or procedural, that is enforceable by any external party.

MIRS BREAKING NEWS: Congressional Oversight Committee Puts Snyder On The Schedule -- 1:45 p.m.  
[http://www.mirsnews.com/alert.php?alert\\_id=2194](http://www.mirsnews.com/alert.php?alert_id=2194)

---

Gov. Rick SNYDER and other key players in the Flint water crisis have been put on the agenda to testify in front of the U.S. House Committee on Oversight and Government Reform in an upcoming hearing.

U.S. Rep. Jason CHAFFETZ (R-Utah), who chairs the committee, said in a statement that he accepted a request from Snyder to testify before the committee and remains committed to investigating the failures in Flint.

"We appreciate Gov. Snyder's willingness to appear before the Committee and look forward to hearing from EPA Administrator (Gina) McCARTHY, as well," he said in the statement. "Their perspectives on this issue are important as we seek to ensure a crisis of this magnitude never occurs in another American city. The diverse and insightful panel of witnesses assembled will shed light on many of our remaining questions and help us propose reforms to the authorizing committees."

The hearing does not yet have a set time or date, but is set to include testimony from the following:

- Snyder
- McCarthy
- Susan HEDMAN, former Region 5 Administrator for the U.S. Environmental Protection Agency (EPA)
- Darnell EARLEY, former emergency manager of Flint
- Dayne WALLING, former mayor of Flint
- Marc EDWARDS, the Virginia Tech researcher who worked to expose high lead levels in Flint River water
- Miguel DEL TORAL, EPA Region 5 water expert

In a statement released this afternoon, Snyder said he asked the chairman of the U.S. House Committee on Oversight and Government Reform for an opportunity to explain how the local, state and federal governments combined to fail the people of Flint and the improvements he is recommending at the federal level as well as in Michigan.

"The people of Flint have suffered because they were failed by all levels of government, and so it is understandable that there are questions at all levels of government," Snyder said in the statement. "In Michigan we are learning a great deal from this crisis and I am hopeful the federal government also will use this as an opportunity to examine health and safety protections in place, assess infrastructure needs, and avoid this type of crisis in the future."

The U.S. House Committee held a hearing Feb. 3 featuring testimony from the EPA and local government officials, and Flint resident LeeAnne WALTERS.

At that hearing, the state was represented by Keith CREAGH, interim director of the Michigan Department of Environmental Quality.

**Subject:** Friday, Feb. 12 update from the Flint Water Response Team

## FLINT WATER RESPONSE TEAM

UPDATE | FRIDAY, FEBRUARY 12, 2016

This daily update is being issued in order to provide the latest information regarding actions and available resources.

---

### Flint lifts boil water advisory

With the Feb. 9 water main break repaired and successful back-to-back bacteria tests completed, the city of Flint lifted its boil water advisory today.

Affected residents no longer need to boil their filtered water because testing did not reveal any bacteria during or after the repair of the water main break.

Previously installed water filters are still safe to use since no bacteria was found, but residents are reminded to check their water filter indicator and replace the filter cartridge, if needed. Individuals should follow the water filter manufacturer replacement instructions.

Residents should still use filtered water for drinking, food preparation, brushing teeth and pets. Unfiltered water may be used for bathing and cleaning. Pregnant women and children under 6 years of age should continue to drink only bottled water.

**TIPS FOR  
FLINT RESIDENTS**

---

### **Remember to flush your taps and clean your faucet's aerator**

Residents and businesses should flush their water for between two to five minutes through all taps every day. This should be done first thing in the morning after the water system has been stagnant for several hours.

To prolong the life of their filter, this daily flushing should be done with the filter turned in the off position. Once the system has been flushed for two to five minutes, the filter should be turned back on for all cooking and drinking.

Residents are also reminded to clean the aerator on every household faucet every week.

---

## Governor Snyder answers questions from Flint residents

Governor Snyder answered Flint residents' questions about the water emergency during a tele-town hall yesterday afternoon. If you have a question, please visit [www.mi.gov/FlintWater](http://www.mi.gov/FlintWater) or call the Governor's office at 517-335-7858. [Click here to listen to the full telephone conversation.](#)

---

Flint families need critical clean water resources. Since January 9, the state has distributed:

- 303,720 cases of bottled water
  - 104,861 water filters
  - 211,721 replacement cartridges
  - 35,998 water testing kits
- 

## REMINDERS

- For Flint water assistance: Dial United Way 211 or visit [www.mi.gov/FlintWater](http://www.mi.gov/FlintWater)
- To donate or volunteer: visit [www.HelpForFlint.com](http://www.HelpForFlint.com)
- Residents should install filters to their taps to ensure they have immediate and ongoing access to safe water. Only run cold water through the water filter and use filtered water for drinking and cooking.
- Monitor the cartridge on the filter and replace as needed.

## WATER RESOURCE LOCATIONS

These sites are open seven days a week from 9 a.m. to 9 p.m. with the following resources:

- Bottled water
- Water filters
- Replacement cartridges for water filters
- Water testing kits pick-up
- Drop-off location for water testing kits

Fire Station #1  
310 East 5th St.  
Flint, MI 48502

Fire Station #3  
1525 Martin Luther King Ave.  
Flint, MI 48503

Fire Station #5  
3402 Western Rd.  
Flint, MI 48506

Fire Station #6  
716 West Pierson Rd.  
Flint, MI 48505

Fire Station #8  
202 East Atherton Rd.  
Flint, MI 48507

We will continue to work to improve the water situation in Flint. Community members and local officials are working together to make sure we hear and respond to concerns. Governor Snyder will

continue to keep you updated on the latest news and information. If you don't find the resources you need by dialing United Way 211 please call the Governor's office directly at 517-335-7858.

**Attachments:** 2015-10-01 City of Flint Water Contamination-Shortage SitRep 38 2016-02-....pdf; 20160212\_Residents\_Sampled\_Results-Copper.pdf; 20160212\_Residents\_Sampled\_Results-Lead.pdf; GovernorReport 2016-02-12.pdf

### **Update 2/12/16 – 39<sup>th</sup> Day (38<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

#### **Mission focus for the day:**

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
  - Work with UPS on future partnership and service delivery model.
- Create better situational awareness between local, state and federal agencies specifically with the UCG.
- Monitor water main break and messaging.

#### **Status on Governor's request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### **Attached:**

1. Sit Rep #38.
2. Maps: Residential Water Sampling Results – Lead and Copper
3. Governor's Report

#### **Key items for tomorrow to note are:**

- Although the boil water advisory has been lifted in the city of Flint, the SEOC is continuing to monitor supplies at the PODs closely in anticipation of burn rates increasing over the holiday weekend.
- 8 American Red Cross teams scheduled for Saturday, February 13 – extra vehicles on hand for surge in event based volunteers.

#### **Items to Note**

- Elevated Lead and Copper Initial Assessment Task Force is beginning identification of companion animals in visited homes for start of dog blood level testing.
- The JIC issued news release this afternoon upon lifting of boil water advisory. They also held media availability at the Genesee County Emergency Operations Center to give the news media access to a sentinel team briefing prior to disbursing throughout Flint.
- Per MDEQ, all of the results from the samples collected in response to the water main break were non-detect for coliform bacteria.
- SEOC staff is working to estimate record numbers to comply with FOIA request.
- The CHECC remains active at a Level 2, and continues to staff the hotline Monday through Friday to answer any lead health-related questions referred by 2-1-1 in support of the GCHD.
- 80 volunteers were active across the operation today (56 event based, 15 ARC, 9 NCCC).

#### Unified Coordination Group (UCG):

- WQTF: Has a new team listed in the ICS-204 community involvement teams.
- Transitioned to using vulnerable populations as standard language instead of special populations.

#### Local EOC:

- 10 Sentinel Site Monitoring Teams and Elevated Lead and Copper Initial Assessment Task Force out in the field.
- Sentinel teams inspected approximately 170 homes since 02/10/2016, Initial Assessment Task force inspected approximately 65 homes with elevated lead levels and 30 days with elevated copper levels since 02/04/2016.
- Planning for staffing and transition from state agency support personnel to local personnel at Genesee County EOC.
- Liaison Officer and Incident Commander visited UCG and made contact with the Federal Health Coordinating Officer.
- Boil Water Advisory issued by City of Flint in response to water transmission line break was lifted at approximately 1700.

**Subject:** SEOC Update 2/11/16 - Flint Water - Limited Distribution

#### Update 2/11/16 – 38<sup>th</sup> Day (37<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
  - Work with UPS on future partnership and service delivery model.

- Create better situational awareness between local, state and federal agencies specifically with the UCG.
- Monitor water main break and messaging.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Attached:

1. Sit Rep #37.

\* There are no Water Sampling Results Maps available for today. GIS is resolving a problem with the maps and they will be available tomorrow. Some anomalies in the data were discovered that are being corrected.

#### Key items for tomorrow to note are:

- Due to the boil water advisory in the city of Flint the SEOC will continue to monitor supplies closely in anticipation of burn rates increasing.
- 8 American Red Cross Teams scheduled for Friday, February 12, 2016.
- The second warehouse will open tomorrow on Pierson Road. This warehouse will primarily receive donations that are not on pallets.

#### Items to Note

- MDE is reporting that a portion of the emergency funds that were approved for the Flint Water Crisis included \$340,000 for Flint Community Schools to hire/contract for nine school nurses.
- U.S. Department of Education is scheduled visit Flint on February 12, 2016 at 0830 at the Genesee Intermediate School District. MDE Deputy Superintendent and the Director of Special Education will attend. Family alliance members will also attend.
- MDEQ has 10 - 3 person Sentinel Sampling Teams on the ground again today. Each team is composed of 1 local resident, 1 licensed plumber and 1 MDEQ staff person providing training on water sampling to residents throughout the City of Flint. These residents have agreed to conduct ongoing sampling with their water to be analyzed by the MDEQ laboratory. These residents will also be part of the Sentinel Sampling Program and samples will be collected every two weeks and will provide analysis for lead and copper. Over 100 homes were visited yesterday on Day 1 of the effort.
- Attended Community Stakeholder meeting. In addition MDEQ continues to lead an Initial Site Assessment Team for high copper and high lead. This team is composed of 1 licensed plumber, 1 law enforcement officer from Flint PD, 1 MDEQ staff person and 1 MDHHS representative. This team is providing initial assessment information to residents whose homes have water sampling results above the federal action levels for lead and copper. Our goal is to provide these visits and assessment within 48 hours of receiving the results.

#### Unified Coordination Group (UCG):

- WQTF: 1st round of sequential results in a week-week and a half, this paired with the MDEQ sentinel site sampling will provide a good picture of how the system is improving.
- HMTF: Met with the Mass Transportation Authority (MTA), they have a lot of resources to get people to places of interest e.g. care facilities, good food sources, etc.
- PEATF: Dr. Mona, Chelsea Clinton, and Dr. Lurie are in town. A lot of community outreach going on over the weekend. Surgeon General will be in town next week.

#### Local EOC

- Attended Community Stakeholder meeting.
- Long-term distribution plan, based on discussions with City of Flint and SEOC representatives on 02/09 and 02/10/2016 in Lansing, will be presented to Deputy State Director of Emergency & Homeland Security on 02/12/2016.
- Developing logistics procedures to aid transition to local EOC staff.
- 10 Sentinel Site Monitoring Teams and Elevated Lead and Copper Initial Assessment Task Force out in the field.

**Update 2/10/16 – 37<sup>th</sup> Day (36<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

**Mission focus for the day:**

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
  - Work with UPS on future partnership and service delivery model.
- Create better situational awareness between local, state and federal agencies specifically with the UCG.
- Meet with Seventh Day Adventists on warehouse plan.

**Status on Governor's request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

**Attached:**

1. Sit Rep #36.
2. Maps: Residential Water Sampling Results – Lead and Copper
3. Governor Report

**Key items for tomorrow to note are:**

- Due to the boil water advisory in the city of Flint the SEOC will continue to monitor supplies closely in anticipation of burn rates increasing.
- 10 American Red Cross Teams scheduled for Thursday, February 11, 2016.

**Items to Note (Items in RED are new from when the Governor's Report, "Items to Note" was produced)**

- Tasked NG to develop a white paper on what a modern day Civilian Conservation Corps program would look like if implemented in Flint.
- Boil water advisory has been issued in the City of Flint by the local utility due to a broken water main.
- MDEQ implemented Sentential Sampling Program today.
- The long term recovery continued meeting today and anticipates having a completed long term recovery plan by Thursday February 11, 2016.
- 10 ARC Flint Water Response Teams to the field today. It is anticipated that by the end of tomorrow all water customers will have been contacted at least once.
- In conjunction with Michigan Department of Education, USDA visited a Flint elementary school and health department today to discuss how USDA programs can help provide relief to those affected by water contamination. From the visit, came a USDA media release that highlighted the efforts between the USDA, MI Department of Education and all Health/Human Service partners to expand nutrition programs.
- The American Red Cross is helping to coordinate volunteers, distribution efforts, supply storage and logistics planning in concert with local officials, United Way, Michigan Community Service Commission and a growing list of partners.

- SEOC staff met with UPS representatives today re: delivering cartridges to functional/mobility needs citizens. UPS is prepared to assist in this partnership and will provide service at no charge. UPS suggested treating each delivery as a separate package so each can be effectively tracked, and would be able to begin deliveries within the 2-3 week window.

#### Unified Coordination Group (UCG):

- EPA: Additional team to provide Residual Chlorine testing (2 teams today).
- WQTF: Discussion of state/federal messaging regarding the water main break in addition to the City's.
- EPA: 1,000 samples collected at over 150 homes. Sequential testing at several homes today.
- USDA: Announcing official response to the state's request for expanding WIC funds for blood level. Testing support and expanding program up to the age of 10.
- HUD: Made contact with 100% (2,350) private residences that receive HUD assistance, all have filters installed. Public housing starting today with housing commission to test all properties within a week. Using in-house staff.

#### Local EOC

- Incident Command, Liaison Officer and Logistics Section Chief discussing long-term distribution plans with representatives from City of Flint and SEOC in Lansing (on 02/09, 02/10 and 02/11/2016).
- Elevated Lead and Copper Initial Assessment Task Force out in the field, visited 6 homes (provided information at 8 additional homes).
- Ten Sentinel Site Monitoring Teams out in the field, visited 30 homes (provided information at 50 additional homes).
- Expecting increased demand for bottled water and filter cartridges due to Boiled Water Advisory in response to water transmission line break. Aligning additional supplies for appropriate resupply at Fire Station PODs.
- Managing donations and volunteers with Michigan Community Service Commission, ARC and United Way of Genesee County.

Chris

#### Update 2/9/16 – 36<sup>th</sup> Day (35<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Create better situational awareness between local, state and federal agencies specifically with the UCG.

##### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### Attached:

1. Governor's Data Report from 2/8/16.
2. Sit Rep #35.
3. Maps: Residential Water Sampling Results – Lead and Copper

Key items for tomorrow to note are:

- Due to the boil water advisory in the city of Flint the SEOC will need to monitor supplies closely in anticipation of burn rates increasing.
- The Small Business Administration will be opening an office in Flint tomorrow at the Oak Business Center (2712 Saginaw Street) .
- 10 American Red Cross Teams scheduled for Wednesday, February 10, 2016.

Items to Note

- A boil water advisory has been issue in the City of Flint by the local utility due to a broken water main.
- The MOA for the Adventist Community Services to operate the second warehouse was signed by their organization today.
- The long term recovery group made significant progress today and anticipates having a completed long term recovery plan by Thursday February 11, 2016.
- Recovery completed the comprehensive list of apartment units that exist within the City of Flint and franchise customers.
- 10 ARC Flint Water Response Teams to the field today. It is anticipated that by the end of tomorrow all water customers will have been contacted at least once.

Unified Coordination Group (UCG):

- Approved IAP #8.
- EPA: Most residents not using their water for anything other than bathing. Also, not running the water. This is an issue for chlorine and phosphate. Concerns for summer, chlorine can cause increased bacteria.
- MDEQ: Visited every home adjacent to high lead lines. Visited all homes higher than 15 ppb.
- HMTF: Working with GCHD to have a clear idea of what has been completed and what additional needs to exist.
- HMTF: Working on redirecting 211 calls from the state to the county so they can sustain long term.

Local EOC

- Incident Command, Liaison Officer and Logistics Section Chief in Lansing for long-term distribution planning discussions with representatives from City of Flint and SEOC.
- Determined team-make up and staffing for Sentinel Site Monitoring Teams in coordination with SEOC, UCG and MDEQ ECC.
- Finalizing plans for deployment of Sentinel Site Monitoring Teams starting 02/10/2016.
- Updating IAP to include current work assignments.
- Elevated Copper Initial Assessment Task Force visited 11 addresses with elevated copper and lead water levels on 02/09/2016.

Chris

---

Update 2/8/16 – 35<sup>th</sup> Day (34<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.

- Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Open secondary state warehouse.

Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Attached:

1. Governor's Report for 2/8/2016.
2. Sit Rep #34.

Key items for tomorrow to note are:

- Team Priority Scheduled Tomorrow: Active Water Subscribers without filters marked vacant
- 10 American Red Cross Teams scheduled for Tuesday, February 9
- Congressional and Legislative Call, 2:30 PM

Items to Note

- JIC Drafted a news release about the team visiting homes with high copper levels. Anticipate releasing tomorrow.
- SEOC Logistics had a conference call with Seventh Day Adventists on agreement and staffing for new warehouse.
- SEOC Planning developed a new Incident Action Plan for Operation Period from 2/9-2/16/2016.
- Requested monetary donation information from United Way and Community Foundation of Greater Flint.
- GIS develop an online application for Governor Snyder to view maps.

Unified Coordination Group (UCG):

- No updates.

Local EOC

- Establishing objectives and IAP for next operational period, 02/08/2016 – 02/12/2016.
- Awaiting additional information regarding companion animals with potential lead and chlorine poisoning from MDARD.
- Establishing plans for Elevated Copper Initial Assessment Task Force starting 02/08/2016 and follow-up outreach to homes with water lead levels over 150 ppb starting 02/10/2016.
- Aligning resources and supplies for Elevated Copper Initial Assessment Task Force and follow-up outreach to homes with water lead levels over 150 ppb.
- Analyzing locations of faith-based organizations and churches for integration into long-term recovery plans.

Chris

Update 2/7/16 – 34<sup>th</sup> Day (33<sup>rd</sup> Full Day) After Governor's Declaration of an Emergency

Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Soft opening of secondary state warehouse; clean and prep for SBA staff.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Attached:

1. Daily Summary of Data – Note two new reports: GovReport
2. Sit Rep #33.
3. Maps: Residential Water Sampling Results – Lead and Copper

#### Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Monday, February 8, 2016.
- The new warehouse will be operational on Monday, February 8, 2016 and managed by MDOC.

#### Items to Note

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.
- State VAL is working on the Category B and Individuals and Households appeal.
- There continues to be a concern that EPA refuses to work with the state teams in addressing the high lead level homes.
- Genesee County EM expressed concerns about lead poisoning in service/companion animals. MDARD has initiated contact with their partners to address this concern.
- 28 addresses have copper testing that exceeds the "action level" (1,300 ppb). DHHS is currently working on messaging regarding this issue, and DEQ is discussing filtering options.

#### Unified Coordination Group (UCG):

- Task Forces Health & Medical: working on creating a flow chart for visual of testing results.
- EPA conducted 11 filter grabs yesterday, and will be doing 2 today. This includes up to 33 samples per grab. A grab would be considered a location/residence. They are also following up on the AmeriCorps volunteers (2) that have rashes.

#### Local EOC

- Establishing objectives and IAP for next operational period, 02/08/2016 – 02/12/2016.
- Awaiting additional information regarding companion animals with potential lead and chlorine poisoning from MDARD.
- Establishing plans for Elevated Copper Initial Assessment Task Force starting 02/08/2016 and follow-up outreach to homes with water lead levels over 150 ppb starting 02/10/2016.

- Aligning resources and supplies for Elevated Copper Initial Assessment Task Force and follow-up outreach to homes with water lead levels over 150 ppb.
- Analyzing locations of faith-based organizations and churches for integration into long-term recovery plans.

Chris

#### Update 2/6/16 – 33<sup>rd</sup> Day (32<sup>nd</sup> Full Day) After Governor's Declaration of an Emergency

The link below is a new video published today by 211. This is part of the Rapid Response Teams currently staffed by Team Rubicon.

<https://www.youtube.com/watch?v=P5Orqzc5efg>

#### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Soft opening of secondary state warehouse; clean and prep for SBA staff.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Attached:

1. Daily Summary of Data.
2. Sit Rep #32.
3. Maps: Residential Water Sampling Results – Lead and Copper

#### Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Sunday, February 7, 2016.
- MDOC will continue setting up the new warehouse.

#### Items to Note

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.
- JIC posted the AIA Flint Safe Water Storage Guideline flyers on MI CIMS under internal documents.
- SBOC Logistics is working to secure space in new warehouse for SBA office, additional information needed from SBA.
- GIS geocoded and cleansed addresses for food establishments in the Flint Metro Area.
- GIS digitized water service lines coded by pressure from paper map onto digital map.
- State VAL is working on the Category B and Individuals and Households appeal.
- MOU with Seventh Day Adventist for donations management currently under review.

- MDARD is planning for additional follow up with food related businesses as water test results come in; new maps with updated information will help with future prioritization.
- MDARD will attend a USDA-Natural Resources Conservation Service press conference to be held on Monday; NRCS will be announcing funds to support community gardens and local foods.
- A team from the CDC arrived yesterday to work with MDHHS Bureau of Epidemiology. Their work began today by *beginning to analyze data for the development of long term surveillance strategies that will look to link blood lead level results to specific populations, to include vulnerable and at-risk populations.*
- LARA continues to monitor DEQ's test results for Health Care, Child Care, Adult Foster Care, HHS and MDE facilities and Schools.
- Freeman Elementary was tested today (2/6/15) by DEQ/LARA staff members.

#### Unified Coordination Group (UCG):

- Attended 3 matrix review meetings, taskforce leads gave status updates on the original requests/asks sent from the State to Federal government.
- UCG POC will update the objectives with current status once completed by the information cell.
- EPA has 4 teams going out today, 17 filter grabs, a sequential sampling, and walk in requests.
- Additional phosphorus results remain consistent with previous reports. Appears the coating is working in the pipes.
- Multiple Hispanic events are taking place in the community and will be attended by federal staff.
- *CDC recommendation should go out today for blood level testing for children under the age of 6.*

#### Local EOC

- Finalized DEQ outreach at homes with water lead levels above 150 ppb.
- Developing plan for outreach at homes with water lead levels of 100 to 149 ppb.
- Will start outreach at homes with water lead levels of 100 to 149 ppb with one group on Monday.
- Potentially following up on initial outreach at homes with water lead levels of 100 to 149 ppb 10 strike teams for evaluation of plumbing system, water sampling, etc. starting Wednesday.
- Evaluating need to address health needs of companion animals in households exceeding water lead levels above 100 ppb.
- Awaiting clarification regarding effectiveness of filter systems for removal of copper.

**Below is a summary of Federal Teams in the field during next operational period until 2/10 per the UCG.**

#### Public Health Support Team (PHST) (US HHS) stationed at GCHD

9 personnel

- Develop engagement strategy for GCHD to facilitate outreach efforts to the community members and community partners.
- Development database for incoming calls to standardize the responses to caller queries; develop resource list for GCHD.
- Two personnel will facilitate case management follow up on results from GCHD concerning water samples with high home water lead levels.
- Provide technical assistance and community health outreach support to GCHD and to the EPA field team during *water sampling and rash investigations.*
- Create email groups for email messaging blasts to community partners.

#### Behavior Health Team (US HHS) stationed at GCHD

4 personnel

- Develop Behavior Health Surveillance Plan and Gap Assessment.
- Provide Behavioral Health Support for community-based health and human service providers.

#### EPA Sampling Teams out in the field

3 teams with 3 personnel,

- Identify sampling locations based on State DEQ requests and/or inquiries from residents, schedule visits with residents.
- Develop facts sheets based on high lead homes and other facts sheets, as needed.
- Provide risk communications and test results to residents.
- Conduct sequential, filter pilot, and distribution system sampling.

High Lead Home Strike Team out in the field

5 personnel

One MDEQ rep (Taylor) with EPA high lead team.

- Conduct water sampling at residences with rash complaints
- High lead homes with no contact information

MDEQ (Provided by Mark Ducharme) out in the field

- One Initial Outreach Visit team consisting of 1 DEQ rep (Oeming) and 1 MDHHS rep (Groetsch), supported by 2 team Rubicon, 1 city of Flint PD escort, and 1 Penske truck loaded with commodities.

Genesee County Health Department team out in the field

1 team with 2 personnel One LHD person (EH), One EPA person (for sampling)

- Responding to high lead homes – Made contact with all homes 150 ppb last Wednesday and will continue as long as they have resources.

Chris

**Subject:** SEOC Update 2/5/16 - Flint Water - Limited Distribution

Update 2/5/16 – 32<sup>nd</sup> Day (31<sup>st</sup> Full Day) After Governor's Declaration of an Emergency

Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made. Special attention to apartments/multifamily residences.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Prepare of opening of secondary state warehouse

Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.

- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Attached:

1. Daily Summary of Data (NG field is showing 0 which is not correct). NG personnel are still at the PODs.
2. Sit Rep #31.
3. Maps: Residential Water Sampling Results – Lead and Copper

#### Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Saturday, February 6, 2016.
- MDOC will begin setting up Kroger warehouse.

#### Items to Note

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.
- SBA declaration approved. SEOC Logistics will be working to identify office space in Flint for SBA staff.
- Recovery Branch estimate based on information collected last weekend is as follows:
  - 80 Complexes
  - 4170 Units
  - 2892 Assisted Living/Senior Housing (Dept of Aging)
- Information in DHHS Sit Rep is from GCCARD only, this information is not included in the daily totals.
- JIC issued a news release around 10 a.m. about the state of Michigan encouraging food establishments to take advantage free water safety inspections. The news release was picked up by the Associated Press and other news media outlets.
- JIC held a media event to encourage people to check out Flint area restaurants with Lt. Gov. Brian Calley and Michigan Department of Agriculture and Rural Development Director Jamie Clover Adams. Nine local and statewide news media members attended the event.
- Finance Section developed guidance for Flint Water Inter-Agency Coordinating Committee related to reimbursements for non-state employees.
- State Voluntary Agency Liaison (VAL) prepared list of NGOs involved in Flint for DHHS SERG grant application.
- State VAL worked on potential jobs funding with TIA via Dept of Labor.
- Question was asked from the Governor's office yesterday if commodities purchased could be returned. Per FEMA, any item such as filter, pitcher, cartridge etc. cannot be returned. Once procured via State RRF the state owns it - no returns. Water can be returned with 12 months remaining shelf life and in complete factory issued pallet w shrink wrap and the state will fund/ transport of returning water to the designated Distribution Center. FEMA will inspect all returning water prior to movement and water is limited to available storage space in the FEMA Distribution Centers which will range between 0-5 million liters. Quantity to be returned will be approved prior to movement based upon available space and known inbound inventory.
- DEQ finalized sentinel sampling plan to commence activities beginning February 10th, 2016.
  - DEQ received 12 iPads for deployment with teams for status tracking.

#### Unified Coordination Group (UCG):

- Met with the nutrition task force today on request from the state.
- Cleared up misinformation on areas that have not been covered.

#### Local EOC

- Coordinating rapid response deliveries to homebound residents and special locations.
- Developed floor plan proposal for new warehouse with warehouse workers.
- Recycling and water distribution event with MSU athletics.
- Establishing plan to provide public transit vouchers for travel to blood lead level test clinics.

- Work with Michigan Community Service Commission to align supplies and resources for PUR filter distribution effort next week.
- DEQ/Team Rubicon team visited 30 homes with water lead levels of 150 ppb.
- Developing plans for follow-up with residents at homes with water lead levels of 150 ppb.

**Subject:** SEOC Update 2/4/16 - Flint Water - Limited Distribution

INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

**Update 2/4/16 – 31<sup>st</sup> Day (30<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made. Special attention to apartments/multifamily residences.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Submit SBA application.

Status on Governor’s request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Attached:

1. Daily Summary of Data.
2. Sit Rep #30.

Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Friday, February 5, 2016.
- FWICC and Mission Flint meetings in Flint.

Items to Note

- 10 ARC Flint Water Response Teams to the field today. Continued priority is the apartment list from 2/2/16.

- Recovery Branch worked with county and postal partners to collect information about home vacancies and resident's with forwarded mail addresses in order to ensure we are contacting all occupied residences in the City of Flint.
- Recovery Branch supported the efforts of MSDHA to provide resources to tenants in their facilities.
- JIC issued a media advisory about federal lead for Flint water crisis Dr. Nicole Lurie to visit EPA's command post.
- MDHHS provided a representative to accompany the MDEQ team to the high lead homes in Flint. The MDHHS representative will encourage individuals to have blood lead testing and answer health questions as necessary.
- GIS is working to develop a field application for MDEQ and MDHHS for field collection of water test data and health data respectively.
- SEOC and MTED are working with Department of Labor to identify grants that may be available to assist with jobs programs (wages, training, overhead, and potentially equipment and leasing resources). DOC looking at prisoner re-entry programs for those returning to Flint area.

#### Unified Coordination Group (UCG):

- Working on improving communication flow between UCG and state partners.
- Attended long term recovery meeting held by state VAL.
  - Discussed MARC model and potential transition plan.

#### Local EOC

- Coordinating rapid response deliveries to homebound residents and special locations.
- Attended meeting with federal, state and local health and environmental agencies to establish process for notification of households with water test results that exceed 150 ppb.
- Attended two long term recovery planning meetings with SEOC staff, VOADs and local agencies (Flint Water Recovery Leadership group).
- Ensuring Community Access Center for the Deaf and Hard of Hearing receives appropriate supplies.
  - Briefed staff on site on filter installation and water sampling process.
- Clarified distribution process at city sites with Flint City Administrator's Office. Coordinating with Fire Department Quartermaster for supplying city sites.
- Addressing various public concerns, including identification of canvassing teams.
- Instituted credentialing verification process for 2-1-1 calls.

Chris

---

### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

#### Update 2/3/16 – 30<sup>th</sup> Day (29<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Refocus state agencies on objectives, tasks in the Incident Action Plan and how we get to the end state/shift to longer term recovery.
- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.

- Includes filter replacement strategies.
- Submit SBA application – outstanding item is the certification of availability of financial assistance. Priority item for the a.m. so this can get submitted. Press release has been completed.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Attached:

1. Daily Summary of Data, full version and abridged (New reporting format – we will ensure we give liters of water and cases in the future)
2. Residential Water Sampling Results Maps – Lead and Copper
3. SitRep 29

#### Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Thursday, February 4, 2016.
- Will continue to target residences from the Apartment List from 2/2/16

#### Items to Note

- Paired down the list of parcels not visited from 2400 to 958. Will continue on 2/4/16 to identify any parcels not visited. Some parcels contain multifamily residences and those types of residences are being reviewed and targeted to ensure coverage.
- MDOC is going to look into their job programs for any prisoners begin release back into the Flint area. This will be in conjunction with any other job programs identified. We are working with MTED on solutions.
- DEQ and DHHS will be going to residences with >150 ppb starting tomorrow. They will be checking residences next to the one with the high lead level to see if this is a single residence issue or a bigger issue affecting the block or line in an area. This will not initially include EPA as they did not seem interested in combining teams but we are working on more collaboration without slowing us down.
- DEQ will have a representative in the UCG starting 2/4/15.
- Discussed with UPS on ways they can assist with Rapid Response Team and filter replacements in the future.
- Additional warehouse will be put in service potentially Saturday. Seventh Day Adventist are potentially going to operate it or help with operations to phase out state agency personnel and make it more community run. The warehouse does include some office space if needed.
- 10 ARC Flint Water Response Teams to the field today.
- Team Priority Visited Today: Apartment List from 2/2/16
- SEOC Logistics worked with MDOC on their assistance with warehouse management and staffing for new warehouse. Reached out to Food Bank on their recommendation and coordination for hours/days of operation of new warehouse.
- SEOC Operations attended a donations management meeting to discuss the need for a consolidated list of donated goods.
- JIC strategized with the U.S. Department of Health and Human Services and Environmental Protection Agency on how to better coordinate public information.

#### Unified Coordination Group (UCG):

- UCG IAP approved today for the operational period 0800 2/2/16 to 0800 2/4/16.
- The Federal Health Coordinating Officer had a meeting today with Economic Development and Housing and Urban Development.
- EMHSD liaison provided information on Michigan EM structure to Command.
- State JIC manager now in the communication loop for the UCG.
- UCG discussed MARCs and potential implementation.

- Capt. Kelenske met with Don Boyce from US DHHS to discuss concerns with Federal HHS and EPA and how we can move forward with better collaboration and coordination. Boyce also met with Governor's Office staff on same. The meeting went well and a solid relationship is in place with Boyce. He is a direct report to Dr. Lurie and will provide her some context on the issues and how we can move forward. He will be a good POC to assist us with any shifts in direction needed at the federal level.

#### Local EOC

- Coordinated rapid response deliveries to homebound residents and special locations.
- Working on refining rapid response delivery process.
  - *Preparing transition from Team Rubicon personnel to NCCC teams, and eventually Southern Baptist Disaster Relief.*
  - *Coordinating with ARC for logistics support to NCCC teams (AmeriCorp).*
- Working with ARC to ensure resource needs of franchise customers at Sunridge Apartments complex in Flint Township are met.
- Coordinating with MDEQ to streamline test kit assembly process.
- Attended distribution plan meeting with faith-based organizations, state, and local agencies.
- Referring VOADs to appropriate volunteer management agencies.
- Addressing various public concerns, *including availability of supplies at child care facilities.*

# Damage Assessment and Emergency Status Report

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

## Operational Period

Operational Period Begin: 02/09/2016 08:00:00  
Operational Period End: 02/16/2016 08:00:00  
Situation Report No. 38  
SEOC Status: Full  
SEOC Hours of Operation Begin: 02/12/2016 08:00:00  
SEOC Hours of Operation End: 02/12/2016 20:00:00

## Executive Summary

SEOC Update:

Accomplished today (February 12, 2016):

The SEOC continues to provide:

- Situational awareness.
- Common operating picture/objectives.
- Coordination with city/county.
- Potential coordination with federal agencies.
- Incident prioritization.
- Coordination of life/health safety measures.
- Resources.
- Public information control.

Logistics:

- Fielded resource requests.
- Fielded Rapid Response requests.
- Fielded Governor's office request.
- Facilitated distribution team calls.
- Still working on getting the supplies and equipment needed for the second warehouse.

JIC:

- MDHHS Chief Medical Executive Dr. Eden Wells joined Senator Stabenow, Mayor Weaver, Dr. Hanna-Attisha to join the Children's Health Fund to deliver a mobile medical clinic that will provide medical care to children in Flint.
- Key state agency PIOs staffed the Flint Water Interagency Coordinating Committee for media. Two media outlets attempted to attend the meeting, but were advised about the Live Streaming service available at [www.michigan.gov/snyderlive](http://www.michigan.gov/snyderlive).
- Issued a news release about a National Guard soldier saving a Flint resident's life. National Guard Spec. Charles Colwell was made available for media interviews at Flint Fire Station No. 1. Interviews were conducted with WEYI-TV 25, WNEM-TV5 and WJRT-TV 12.
- Continued routing public information materials for approval, including fact sheets on breast feeding and lead poisoning, lead and children fact sheet by the Michigan Alliance for Families, Frequently Asked Questions fact sheet, and supporting children and family's fact sheet.
- Drafted a news release about the boil water advisory being lifted. The JIC issued news release this afternoon upon lifting of boil water advisory.
- Held media availability at the Genesee County Emergency Operations Center to give the news media access to a sentinel team briefing prior to disbursing throughout Flint. More than 10 news media outlets attended, including local and regional members.

Recovery Branch:

- Attended Local Brief, SEOC State Agency Briefing Meetings, Distribution Process Meetings
- Team priorities today: water distribution and rapid response.
- Team priority tomorrow: water distribution and rapid response.
- 8 American Red Cross teams scheduled for Saturday, February 13 – extra vehicles on hand for surge in event based volunteers.

• Data is for 2/12/16 as of 5:00 pm:

o Total homes visited:

□ 21,230 (round 3 total).

□ 1,173 (today).

o Water cases (liters calculated by multiplying # of cases x 12):

□ 147,648 liters or 12,304 cases (round 3 total).

□ 6,840 liters or 570 cases (today).

o Replacement cartridges:

□ 4,860 (round 3 total).

□ 340 (today).

o Faucet filters:

□ 7,475 (round 3 total).

□ 48 (today).

Planning Section:

- Published Site Rep #38.
- Submitted daily Governor's report.
- Updated Flint Water Timeline.
- Updated PSC position procedures.
- Participated in daily calls and meetings with UCG, state agencies and distribution process.
- Developed estimates for each position to comply with FOIA request.

Operations Section:

- Facilitated 09:30 and 16:00 SEOC briefing and attended the 08:30 UCG meeting.
- Preparation for FOIA requests.
- 80 volunteers were active across the operation today (56 event based, 15 ARC, 9 NCCC).

• Warehouse Numbers as of 1800:

- Water (liters):
- 866,976 liters or 72,248 cases.
- Filters (faucet):
- 47,492.
- Replacement cartridges:
- 376,394.
- Test Kits (prepped):
- 28,919.

• PODs (Number as of 1700 2/12):

- Water (cases):
- 53,676 liters or 4,473 cases.
- Filters (faucet):
- 138.
- Replacement Cartridges:
- 544.
- Test kits:
- 117.

Finance Section:

- Reviewed Pierson Rd. Warehouse Memorandum of Agreement.
- Reviewed Agency Expenditures for inclusion as Category B eligible costs.
- Updated the Resource Request Form.

GIS Branch Updates:

- Refine data sent from MDEQ for mapping of water test location.
- Preparations for GIS to meet FOIA requests.
- Generated a list of number of visits by parcel.
- Produced maps of parcels that needed to be revisited.
- Produced map of visits by parcel.

DTMB:

- Addressing parking issues at the Flint State Office Building parking ramp.
- Procuring first aid kits for warehouses.

DHHS-CH (weekly):

- The CHECC remains active at a Level 2, and continues to staff the hotline Monday through Friday to answer any lead health-related questions referred by 2-1-1 in support of the GCHD. The CHECC continues to work with federal partners in the UCG on prioritized requests for assistance.
- MDHHS continues planning efforts in support of lead blood level testing for children age 6 and under.

DEQ:

- Coordinated calls from EAC to PEAS line on-calls from 17:00 2/12/16 to 2/16/16 at 08:00 due to the holiday weekend.
- Worked with MDARD to provide canine test kits for dogs in Flint. These kits will test for elevated lead and copper levels.
- Continued Sentinel water sampling collection crews and continued data collection and monitoring.
- Worked on Governor's office request for review of agency documents.
- Continued assembling data for EPA Emergency Administrative Order and second EPA request.
- Tracked progress of data collection for Sentinel water testing sites.
- Reviewed incident objectives to reflect activities for the upcoming week.
- Conducted an After Action Review focused on Sentinel sampling effort.

State Voluntary Agency Liaison (VAL):

- Draft water distribution courses of action under review by city and Captain.
- Connected Good360 with Food Bank.
- Relayed info on Woodside Church for Spanish materials.
- Relayed info from MCSC to Logs re warehousing for school/WalMart water.
- Worked with TIA on Displaced Worker Grant.
- Passed along info from Kidney Foundation for filter/cartridge need for homebound dialysis patients.

Unified Coordination Group (UCG):

- WQTF: Has a new team listed in the ICS-204 community involvement teams.
- Attended tactics meeting.
- Transitioned to using vulnerable populations as standard language instead of special populations.

Local EOC:

- 10 Sentinel Site Monitoring Teams and Elevated Lead and Copper Initial Assessment Task Force out in the field.
- Sentinel teams inspected approximately 170 homes since 02/10/2016, Initial Assessment Task force inspected approximately 65 homes with elevated lead levels and 30 days with elevated copper levels since 02/04/2016.
- Planning for staffing and transition from state agency support personnel to local personnel at Genesee County EOC.
- Liaison Officer and Incident Commander visited UCG and made contact with the Federal Health Coordinating Officer.
- Boil Water Advisory issued by City of Flint in response to water transmission line break was lifted at approximately 1700.

**Incident Response/Recovery Priorities/Objectives**

(Objectives are in order of priority with original objective number attached)

11. Ensure accurate tracking and accounting of all donations.
5. Continue to maintain adequate staffing to support operational requirements.

10. Collaborate with local and volunteer agency partners to solidify the Flint Water Operations Plan.
9. Enhance situational awareness and common operating picture of all activities.
8. Maintain coordination between partner agencies and organizations to include FEMA IMAT, FWCC, and the US Department of Health and Human Services Unified Coordination Group (UGC).
3. Improve and maintain the public information strategy and process.
6. Develop an overview of possible assistance programs.
4. Develop a long term public health and services plan.
7. Gather, analyze, and disseminate GIS data to develop products for future planning.
1. Ensure all households within impacted community have required resources and are included in DEQ water sampling plan.
2. Ensure accurate tracking and accounting of all commodities.

#### Damage Assessment Summary

#### Agency Summaries

##### Joint Information Center / Public Information Officer

The Joint Information Center (JIC) was expected to be operational in Flint from 8 a.m. to 8 p.m. on Feb. 12. The JIC was operational until 9:30 p.m. on Feb. 11.

State agencies at the JIC included the Michigan State Police, Michigan National Guard, and Departments of Environmental Quality, Health and Human Services and Treasury. The Genesee County Sheriff's Office and American Red Cross were also present.

##### Tasks accomplished:

- Media hotline staff answered more than 10 emails and phone calls, ranging from the news media asking to embed with sentinel teams to inquiries about the status of the water pipes in Flint.
- MDHHS Chief Medical Executive Dr. Eden Wells joined Senator Stabenow, Mayor Weaver, Dr. Hanna-Attisha to join the Children's Health Fund to deliver a mobile medical clinic that will provide medical care to children in Flint.
- Created a media monitoring report and looked for misinformation.
- Updated a Daily JIC Activities log to catalog actions completed for the day and planned for the week to keep all key agency PIOs aware of actions.
- Key state agency PIOs staffed the Flint Water Interagency Coordinating Committee for media. Two media outlets attempted to attend the meeting, but were advised about the LiveStreaming service available at [www.michigan.gov/snyderlive](http://www.michigan.gov/snyderlive). The news media was unhappy about not being able to attend in person.
- Issued a news release about a National Guard soldier saving a Flint resident's life. National Guard Spec. Charles Colwell was made available for media interviews at Flint Fire Station No. 1. Interviews were conducted with WEYI-TV 25, WNEM-TV5 and WJRT-TV 12.
- Continued routing public information materials for approval, including fact sheets on breast feeding and lead poisoning, lead and children fact sheet by the Michigan Alliance for Families, Frequently Asked Questions fact sheet, and supporting children and families fact sheet.
- Drafted a news release about the boil water advisory being lifted. The JIC intends to issue the news release upon approvals and official notification from partners.
- Held a media availability at the Genesee County Emergency Operations Center to give the news media access to a sentinel team briefing prior to disbursing throughout Flint. More 10 news media outlets attended, including local and regional members.
- Completed staffing for the next two weeks.

##### Agriculture and Rural Development (MDARD)

MDARD's field activities for 2/11/2016 included the following:

- 6 food establishment assessments conducted
- 9 follow-up food establishment assessments conducted
- 5 water samples collected

Responsibility for water testing and follow-ups for schools was clarified with MDLARA and MDEQ. Contact names and phone numbers for these agencies were given to the Food and Dairy Division's Incident Management Team for their own information and also for the people answering the MDARD phones.

##### American Red Cross (ARC)

The American Red Cross deployed 8 Water Response Teams on Friday, 2/12/16.

The Volunteer Reception Center is operating from 9-5 on Friday. The VRC will operate on the same schedule tomorrow.

##### Civil Rights (MDCR)

Continue to review activities to provide support and assistance to assigned Human Services branch and other SEOC entities. Maintaining media awareness regarding situation and community activities. Advised senior leadership of forthcoming FOIA process request. Engaged in constituent outreach regarding request for informational documents.

##### Community Health (MDCH)

The CHECC remains active at a Level 2, and continues to staff the hotline Monday through Friday to answer any lead health-related questions referred by 2-1-1 in support of the GCHD. The CHECC continues to work with federal partners in the UCG on prioritized requests for assistance.

MDHHS continues planning efforts in support of lead blood level testing for children age 6 and under.

##### Corrections (MDOC)

MDOC continues to keep trucks dedicated to delivering to individual POD's and covering Rapid Responses for PODs that get to a

critical level. PODs remained well supplied throughout day and will continue to be well supplied moving forward.

We are continuing to work with Finance and MDOC assets to capture total employee payroll information and expenditures. MDOC continue to staff the SEOC from 0800-2000, 7 days/week. Mike Farmer and Bridget Spencer are managing the Recovery Branch of the SEOC

Warehouse inventory has been modified to adjust for different sized containers and is now housing additional resources to assist LARA with their mission.

606 Test kits were delivered from Flint to Lansing today. 593 were DEQ and 13 were MDARD.

#### **Environmental Quality (MDEQ)**

The Department of Environmental Quality (DEQ) completed the following activities today:

Coordinated calls from EAC to PEAS line on-calls from 1700 hrs 2/12/16 to 2/16/16 at 0800 hrs due to the holiday weekend.

Worked with MDARD to provide canine test kits for dogs in Flint. These kits will test for elevated lead and copper levels.

Continued Sentinel water sampling collection crews and continued data collection and monitoring.

Worked on Governor's office request for review of agency documents.

Continued assembling data for EPA Emergency Administrative Order and second EPA request.

Tracked progress of data collection for Sentinel water testing sites.

Reviewed incident objectives to reflect activities for the upcoming week.

Conducted an After Action Review focused on Sentinel sampling effort.

#### **Human Services (MDHS)**

Participated in Human Services Executive call.

#### **Licensing and Regulatory Affairs (LARA)**

Participated in briefings and updated the LARA Executive Team

LARA continues to monitor DEQ's test results for Health Care, Child Care, Adult Foster Care, HHS and MDE facilities and Schools.

LARA continuing efforts to plan and schedule faucet replacements for Flint schools. LARA is working with MDOC to track and store incoming material at the warehouse.

Translation services for various documents continue to be provided as needed.

Ongoing discussion regarding coverage of state regulated facilities and elimination of duplication of effort.

#### **Military and Veterans Affairs (DMVA)**

Commanders Situation Report (SITREP)

1. DTG: 121300Z016

2. UNIT: Points of Distribution (PODs), TF FLINT (1-125 IN)

3. POC: Ssg Gazzeny, Darryl L. Cell:                      Email: armyinfantry31@yahoo.com

### **Update 2/13/16 – 40<sup>th</sup> Day (39<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

#### **Mission focus for the day:**

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
  - Work with UPS on future partnership and service delivery model.
- Create better situational awareness between local, state and federal agencies specifically with the UCG.

#### **Status on Governor’s request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal. We are still waiting for the City of Flint to provide us the appropriate information to assist with this.

#### **Attached:**

1. Sit Rep #39.
  2. Governor’s Report
- \* There were no Water Sampling Results Maps available today. Will work with GIS to provide maps for tomorrow.

#### **Key items for tomorrow to note are:**

- Although the boil water advisory has been lifted in the city of Flint, the SEOC is continuing to monitor supplies at the PODs closely in anticipation of burn rates increasing over the holiday weekend.
- 8 American Red Cross teams scheduled for Sunday, February 14.
- ARC will visit the 83 addresses of City of Flint Residents where there is no valid record of having been contacted. Continue with Rapid Response when needed.

#### **Items to Note**

- Completed first phase restructuring of DEQ Reports to EPA tab on [Michigan.gov/flintwater](http://Michigan.gov/flintwater) website.
- Sentinel Team results (2/11/16 to 2/13/16): As of 5:02 pm today, 234 of 402 homes were visited.
- SEOC staff continues to work to comply with FOIA request.
- The CHECC remains active at a Level 2, and continues to staff the hotline Monday through Friday to answer any lead health-related questions referred by 2-1-1 in support of the GCHD.
- 41 event-based volunteers were assigned and active on projects today.
- Discussion ensued about National Guard mission which may have a current end date of February 16 (Tuesday). This mission will continue until the long term distribution plan is ready to be implemented.

#### Unified Coordination Group (UCG):

- There was a public meeting at noon today that EPA staff attended on "When is this over?".
- New mental health teams are in today. They had an orientation at the UCG from 0930-1030 to discuss objectives and tasks.
- MDEQ teams did 180 home inspections and discovered 5 lead lines.

#### Local EOC:

- Sentinel Site Monitoring Teams and Elevated Lead and Copper Initial Assessment Task Force out in the field.
- Fulfilled special site visit requests from Governor's Office through Elevated Lead and Copper Initial Assessment Task Force.
- Sentinel Site Monitoring Teams will rally at 1000 instead of 0900 on 02/14/2016 to avoid low temperatures in earlier morning hours.
- Planning for transition from state agency support personnel to local personal in EOC.

Chris

---

#### Update 2/12/16 – 39<sup>th</sup> Day (38<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
  - Work with UPS on future partnership and service delivery model.
- Create better situational awareness between local, state and federal agencies specifically with the UCG.
- Monitor water main break and messaging.

##### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### Attached:

1. Sit Rep #38.

2. Maps: Residential Water Sampling Results – Lead and Copper
3. Governor's Report

Key items for tomorrow to note are:

- Although the boil water advisory has been lifted in the city of Flint, the SEOC is continuing to monitor supplies at the PODs closely in anticipation of burn rates increasing over the holiday weekend.
- 8 American Red Cross teams scheduled for Saturday, February 13 – extra vehicles on hand for surge in event based volunteers.

Items to Note

- *Elevated Lead and Copper Initial Assessment Task Force is beginning identification of companion animals in visited homes for start of dog blood level testing.*
- *The JIC issued news release this afternoon upon lifting of boil water advisory. They also held media availability at the Genesee County Emergency Operations Center to give the news media access to a sentinel team briefing prior to disbursing throughout Flint.*
- *Per MDEQ, all of the results from the samples collected in response to the water main break were non-detect for coliform bacteria.*
- *SEOC staff is working to estimate record numbers to comply with FOIA request.*
- *The CHECC remains active at a Level 2, and continues to staff the hotline Monday through Friday to answer any lead health-related questions referred by 2-1-1 in support of the GCHD.*
- *80 volunteers were active across the operation today (56 event based, 15 ARC, 9 NCCC).*

Unified Coordination Group (UCG):

- WQTF: Has a new team listed in the ICS-204 community involvement teams.
- Transitioned to using vulnerable populations as standard language instead of special populations.

Local EOC:

- 10 Sentinel Site Monitoring Teams and Elevated Lead and Copper Initial Assessment Task Force out in the field.
- Sentinel teams inspected approximately 170 homes since 02/10/2016, Initial Assessment Task force inspected approximately 65 homes with elevated lead levels and 30 days with elevated copper levels since 02/04/2016.
- Planning for staffing and transition from state agency support personnel to local personnel at Genesee County EOC.
- Liaison Officer and Incident Commander visited UCG and made contact with the Federal Health Coordinating Officer.
- Boil Water Advisory issued by City of Flint in response to water transmission line break was lifted at approximately 1700.

**Subject:** SEOC Update 2/11/16 - Flint Water - Limited Distribution

Update 2/11/16 – 38<sup>th</sup> Day (37<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.

- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
  - Work with UPS on future partnership and service delivery model.
- Create better situational awareness between local, state and federal agencies specifically with the UCG.
- Monitor water main break and messaging.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Attached:

1. Sit Rep #37.

\* There are no Water Sampling Results Maps available for today. GIS is resolving a problem with the maps and they will be available tomorrow. Some anomalies in the data were discovered that are being corrected.

#### Key items for tomorrow to note are:

- Due to the boil water advisory in the city of Flint the SEOC will continue to monitor supplies closely in anticipation of burn rates increasing.
- 8 American Red Cross Teams scheduled for Friday, February 12, 2016.
- The second warehouse will open tomorrow on Pierson Road. This warehouse will primarily receive donations that are not on pallets.

#### Items to Note

- MDE is reporting that a portion of the emergency funds that were approved for the Flint Water Crisis included \$340,000 for Flint Community Schools to hire/contract for nine school nurses.
- U.S. Department of Education is scheduled visit Flint on February 12, 2016 at 0830 at the Genesee Intermediate School District. MDE Deputy Superintendent and the Director of Special Education will attend. Family alliance members will also attend.
- MDEQ has 10 - 3 person Sentinel Sampling Teams on the ground again today. Each team is composed of 1 local resident, 1 licensed plumber and 1 MDEQ staff person providing training on water sampling to residents throughout the City of Flint. These residents have agreed to conduct ongoing sampling with their water to be analyzed by the MDEQ laboratory. These residents will also be part of the Sentinel Sampling Program and samples will be collected every two weeks and will provide analysis for lead and copper. Over 100 homes were visited yesterday on Day 1 of the effort.
- Attended Community Stakeholder meeting. In addition MDEQ continues to lead an Initial Site Assessment Team for high copper and high lead. This team is composed of 1 licensed plumber, 1 law enforcement officer from Flint PD, 1 MDEQ staff person and 1 MDHHS representative. This team is providing initial assessment information to residents whose homes have water sampling results above the federal action levels for lead and copper. Our goal is to provide these visits and assessment within 48 hours of receiving the results.

#### Unified Coordination Group (UCG):

- WQTF: 1st round of sequential results in a week-week and a half, this paired with the MDEQ sentinel site sampling will provide a good picture of how the system is improving.
- HMTF: Met with the Mass Transportation Authority (MTA), they have a lot of resources to get people to places of interest e.g. care facilities, good food sources, etc.

- PEATF: Dr. Mona, Chelsea Clinton, and Dr. Lurie are in town. A lot of community outreach going on over the weekend. Surgeon General will be in town next week.

#### Local EOC

- Attended Community Stakeholder meeting.
- Long-term distribution plan, based on discussions with City of Flint and SEOC representatives on 02/09 and 02/10/2016 in Lansing, will be presented to Deputy State Director of Emergency & Homeland Security on 02/12/2016.
- Developing logistics procedures to aid transition to local EOC staff.
- 10 Sentinel Site Monitoring Teams and Elevated Lead and Copper Initial Assessment Task Force out in the field.

Chris

#### Update 2/10/16 – 37<sup>th</sup> Day (36<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
  - Work with UPS on future partnership and service delivery model.
- Create better situational awareness between local, state and federal agencies specifically with the UCG.
- Meet with Seventh Day Adventists on warehouse plan.

##### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. *Nothing more can be done on this.*
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### Attached:

1. Sit Rep #36.
2. Maps: Residential Water Sampling Results – Lead and Copper
3. Governor Report

##### Key items for tomorrow to note are:

- Due to the boil water advisory in the city of Flint the SEOC will continue to monitor supplies closely in anticipation of burn rates increasing.
- 10 American Red Cross Teams scheduled for Thursday, February 11, 2016.

##### Items to Note (Items in RED are new from when the Governor's Report, "Items to Note" was produced)

- Tasked NG to develop a white paper on what a modern day Civilian Conservation Corps program would look like if implemented in Flint.
- Boil water advisory has been issued in the City of Flint by the local utility due to a broken water main.
- MDEQ implemented Sentential Sampling Program today.

- The long term recovery continued meeting today and anticipates having a completed long term recovery plan by Thursday February 11, 2016.
- 10 ARC Flint Water Response Teams to the field today. It is anticipated that by the end of tomorrow all water customers will have been contacted at least once.
- In conjunction with Michigan Department of Education, USDA visited a Flint elementary school and health department today to discuss how USDA programs can help provide relief to those affected by water contamination. From the visit, came a USDA media release that highlighted the efforts between the USDA, MI Department of Education and all Health/Human Service partners to expand nutrition programs.
- The American Red Cross is helping to coordinate volunteers, distribution efforts, supply storage and logistics planning in concert with local officials, United Way, Michigan Community Service Commission and a growing list of partners.
- SEOC staff met with UPS representatives today re: delivering cartridges to functional/mobility needs citizens. UPS is prepared to assist in this partnership and will provide service at no charge. UPS suggested treating each delivery as a separate package so each can be effectively tracked, and would be able to begin deliveries within the 2-3 week window.

#### Unified Coordination Group (UCG):

- EPA: Additional team to provide Residual Chlorine testing (2 teams today).
- WQTF: Discussion of state/federal messaging regarding the water main break in addition to the City's.
- EPA: 1,000 samples collected at over 150 homes. Sequential testing at several homes today.
- USDA: Announcing official response to the state's request for expanding WIC funds for blood level. Testing support and expanding program up to the age of 10.
- HUD: Made contact with 100% (2,350) private residences that receive HUD assistance, all have filters installed. Public housing starting today with housing commission to test all properties within a week. Using in-house staff.

#### Local EOC

- Incident Command, Liaison Officer and Logistics Section Chief discussing long-term distribution plans with representatives from City of Flint and SEOC in Lansing (on 02/09, 02/10 and 02/11/2016).
- Elevated Lead and Copper Initial Assessment Task Force out in the field, visited 6 homes (provided information at 8 additional homes).
- Ten Sentinel Site Monitoring Teams out in the field, visited 30 homes (provided information at 50 additional homes).
- Expecting increased demand for bottled water and filter cartridges due to Boiled Water Advisory in response to water transmission line break. Aligning additional supplies for appropriate resupply at Fire Station PODs.
- Managing donations and volunteers with Michigan Community Service Commission, ARC and United Way of Genesee County.

Chris

---

#### Update 2/9/16 – 36<sup>th</sup> Day (35<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint for Declaration of Emergency appeal.

- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Create better situational awareness between local, state and federal agencies specifically with the UCG.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Attached:

1. Governor's Data Report from 2/8/16.
2. Sit Rep #35.
3. Maps: Residential Water Sampling Results – Lead and Copper

#### Key items for tomorrow to note are:

- Due to the boil water advisory in the city of Flint the SEOC will need to monitor supplies closely in anticipation of burn rates increasing.
- The Small Business Administration will be opening an office in Flint tomorrow at the Oak Business Center (2712 Saginaw Street) .
- 10 American Red Cross Teams scheduled for Wednesday, February 10, 2016.

#### Items to Note

- A boil water advisory has been issue in the City of Flint by the local utility due to a broken water main.
- The MOA for the Adventist Community Services to operate the second warehouse was signed by their organization today.
- The long term recovery group made significant progress today and anticipates having a completed long term recovery plan by Thursday February 11, 2016.
- Recovery completed the comprehensive list of apartment units that exist within the City of Flint and franchise customers.
- 10 ARC Flint Water Response Teams to the field today. It is anticipated that by the end of tomorrow all water customers will have been contacted at least once.

#### Unified Coordination Group (UCG):

- Approved IAP #8.
- EPA: Most residents not using their water for anything other than bathing. Also, not running the water. This is an issue for chlorine and phosphate. Concerns for summer, chlorine can cause increased bacteria.
- MDEQ: Visited every home adjacent to high lead lines. Visited all homes higher than 15 ppb.
- HMTF: Working with GCHD to have a clear idea of what has been completed and what additional needs to exist.
- HMTF: Working on redirecting 211 calls from the state to the county so they can sustain long term.

#### Local EOC

- Incident Command, Liaison Officer and Logistics Section Chief in Lansing for long-term distribution planning discussions with representatives from City of Flint and SEOC.
- Determined team-make up and staffing for Sentinel Site Monitoring Teams in coordination with SEOC, UCG and MDEQ ECC.
- Finalizing plans for deployment of Sentinel Site Monitoring Teams starting 02/10/2016.
- Updating IAP to include current work assignments.
- Elevated Copper Initial Assessment Task Force visited 11 addresses with elevated copper and lead water levels on 02/09/2016.

---

Update 2/8/16 – 35<sup>th</sup> Day (34<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Open secondary state warehouse.

Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Attached:

1. Governor's Report for 2/8/2016.
2. Sit Rep #34.

Key items for tomorrow to note are:

- Team Priority Scheduled Tomorrow: Active Water Subscribers without filters marked vacant
- 10 American Red Cross Teams scheduled for Tuesday, February 9
- Congressional and Legislative Call, 2:30 PM

Items to Note

- JIC Drafted a news release about the team visiting homes with high copper levels. Anticipate releasing tomorrow.
- SEOC Logistics had a conference call with Seventh Day Adventists on agreement and staffing for new warehouse.
- SEOC Planning developed a new Incident Action Plan for Operation Period from 2/9-2/16/2016.
- Requested monetary donation information from United Way and Community Foundation of Greater Flint.
- GIS develop an online application for Governor Snyder to view maps.

Unified Coordination Group (UCG):

- No updates.

Local EOC

- Establishing objectives and IAP for next operational period, 02/08/2016 – 02/12/2016.
- Awaiting additional information regarding companion animals with potential lead and chlorine poisoning from MDARD.
- Establishing plans for Elevated Copper Initial Assessment Task Force starting 02/08/2016 and follow-up outreach to homes with water lead levels over 150 ppb starting 02/10/2016.

- Aligning resources and supplies for Elevated Copper Initial Assessment Task Force and follow-up outreach to homes with water lead levels over 150 ppb.
- Analyzing locations of faith-based organizations and churches for integration into long-term recovery plans.

Chris

#### Update 2/7/16 – 34<sup>th</sup> Day (33<sup>rd</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Soft opening of secondary state warehouse; clean and prep for SBA staff.

##### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### Attached:

1. Daily Summary of Data – Note two new reports: GovReport
2. Sit Rep #33.
3. Maps: Residential Water Sampling Results – Lead and Copper

##### Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Monday, February 8, 2016.
- The new warehouse will be operational on Monday, February 8, 2016 and managed by MDOC.

##### Items to Note

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.
- State VAL is working on the Category B and Individuals and Households appeal.
- There continues to be a concern that EPA refuses to work with the state teams in addressing the high lead level homes.
- Genesee County EM expressed concerns about lead poisoning in service/companion animals. MDARD has initiated contact with their partners to address this concern.
- 28 addresses have copper testing that exceeds the "action level" (1,300 ppb). DHHS is currently working on messaging regarding this issue, and DEQ is discussing filtering options.

##### Unified Coordination Group (UCG):

- Task Forces Health & Medical: working on creating a flow chart for visual of testing results.

- EPA conducted 11 filter grabs yesterday, and will be doing 2 today. This includes up to 33 samples per grab. A grab would be considered a location/residence. They are also following up on the AmeriCorps volunteers (2) that have rashes.

#### Local EOC

- Establishing objectives and IAP for next operational period, 02/08/2016 – 02/12/2016.
- Awaiting additional information regarding companion animals with potential lead and chlorine poisoning from MDARD.
- Establishing plans for Elevated Copper Initial Assessment Task Force starting 02/08/2016 and follow-up outreach to homes with water lead levels over 150 ppb starting 02/10/2016.
- Aligning resources and supplies for Elevated Copper Initial Assessment Task Force and follow-up outreach to homes with water lead levels over 150 ppb.
- Analyzing locations of faith-based organizations and churches for integration into long-term recovery plans.

#### Update 2/6/16 – 33<sup>rd</sup> Day (32<sup>nd</sup> Full Day) After Governor's Declaration of an Emergency

The link below is a new video published today by 211. This is part of the Rapid Response Teams currently staffed by Team Rubicon.

<https://www.youtube.com/watch?v=P5Orgzc5efg>

#### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Soft opening of secondary state warehouse; clean and prep for SBA staff.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Attached:

1. Daily Summary of Data.
2. Sit Rep #32.
3. Maps: Residential Water Sampling Results – Lead and Copper

#### Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Sunday, February 7, 2016.
- MDOC will continue setting up the new warehouse.

### Items to Note

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.
- JIC posted the AIA Flint Safe Water Storage Guideline flyers on MI CIMS under internal documents.
- SEOC Logistics is working to secure space in new warehouse for SBA office, additional information needed from SBA.
- GIS geocoded and cleansed addresses for food establishments in the Flint Metro Area.
- GIS digitized water service lines coded by pressure from paper map onto digital map.
- State VAL is working on the Category B and Individuals and Households appeal.
- MOU with Seventh Day Adventist for donations management currently under review.
- MDARD is planning for additional follow up with food related businesses as water test results come in; new maps with updated information will help with future prioritization.
- MDARD will attend a USDA-Natural Resources Conservation Service press conference to be held on Monday; NRCS will be announcing funds to support community gardens and local foods.
- A team from the CDC arrived yesterday to work with MDHHS Bureau of Epidemiology. Their work began today by beginning to analyze data for the development of long term surveillance strategies that will look to link blood lead level results to specific populations, to include vulnerable and at-risk populations.
- LARA continues to monitor DEQ's test results for Health Care, Child Care, Adult Foster Care, HHS and MDE facilities and Schools.
- Freeman Elementary was tested today (2/6/15) by DEQ/LARA staff members.

### Unified Coordination Group (UCG):

- Attended 3 matrix review meetings, taskforce leads gave status updates on the original requests/asks sent from the State to Federal government.
- UCG POC will update the objectives with current status once completed by the information cell.
- EPA has 4 teams going out today, 17 filter grabs, a sequential sampling, and walk in requests.
- Additional phosphorus results remain consistent with previous reports. Appears the coating is working in the pipes.
- Multiple Hispanic events are taking place in the community and will be attended by federal staff.
- CDC recommendation should go out today for blood level testing for children under the age of 6.

### Local EOC

- Finalized DEQ outreach at homes with water lead levels above 150 ppb.
- Developing plan for outreach at homes with water lead levels of 100 to 149 ppb.
- Will start outreach at homes with water lead levels of 100 to 149 ppb with one group on Monday.
- Potentially following up on initial outreach at homes with water lead levels of 100 to 149 ppb 10 strike teams for evaluation of plumbing system, water sampling, etc. starting Wednesday.
- Evaluating need to address health needs of companion animals in households exceeding water lead levels above 100 ppb.
- Awaiting clarification regarding effectiveness of filter systems for removal of copper.

Below is a summary of Federal Teams in the field during next operational period until 2/10 per the UCG.

### Public Health Support Team (PHST) (US HHS) stationed at GCHD

9 personnel

- Develop engagement strategy for GCHD to facilitate outreach efforts to the community members and community partners.
- Development database for incoming calls to standardize the responses to caller queries; develop resource list for GCHD.
- Two personnel will facilitate case management follow up on results from GCHD concerning water samples with high home water lead levels.

- Provide technical assistance and community health outreach support to GCHD and to the EPA field team during water sampling and rash investigations.
- Create email groups for email messaging blasts to community partners.

#### Behavior Health Team (US HHS) stationed at GCHD

4 personnel

- Develop Behavior Health Surveillance Plan and Gap Assessment.
- Provide Behavioral Health Support for community-based health and human service providers.

#### EPA Sampling Teams out in the field

3 teams with 3 personnel,

- Identify sampling locations based on State DEQ requests and/or inquiries from residents, schedule visits with residents.
- Develop facts sheets based on high lead homes and other facts sheets, as needed.
- Provide risk communications and test results to residents.
- Conduct sequential, filter pilot, and distribution system sampling.

#### High Lead Home Strike Team out in the field

5 personnel

One MDEQ rep (Taylor) with EPA high lead team.

- Conduct water sampling at residences with rash complaints
- High lead homes with no contact information

#### MDEQ (Provided by Mark Ducharme) out in the field

- One Initial Outreach Visit team consisting of 1 DEQ rep (Oeming) and 1 MDHHS rep (Groetsch), supported by 2 team Rubicon, 1 city of Flint PD escort, and 1 Penske truck loaded with commodities.

#### Genesee County Health Department team out in the field

1 team with 2 personnel One LHD person (EH), One EPA person (for sampling)

- Responding to high lead homes – Made contact with all homes 150 ppb last Wednesday and will continue as long as they have resources.

Chris

**Subject:** SEOC Update 2/5/16 - Flint Water - Limited Distribution

#### Update 2/5/16 – 32<sup>nd</sup> Day (31<sup>st</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made. Special attention to apartments/multifamily residences.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.

- Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Prepare of opening of secondary state warehouse

Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Attached:

1. Daily Summary of Data (NG field is showing 0 which is not correct). NG personnel are still at the PODs.
2. Sit Rep #31.
3. Maps: Residential Water Sampling Results – Lead and Copper

Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Saturday, February 6, 2016.
- MDOC will begin setting up Kroger warehouse.

Items to Note

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.
- SBA declaration approved. SEOC Logistics will be working to identify office space in Flint for SBA staff.
- Recovery Branch estimate based on information collected last weekend is as follows:
  - 80 Complexes
  - 4170 Units
  - 2892 Assisted Living/Senior Housing (Dept of Aging)
- Information in DHHS Sit Rep is from GCCARD only, this information is not included in the daily totals.
- JIC issued a news release around 10 a.m. about the state of Michigan encouraging food establishments to take advantage free water safety inspections. The news release was picked up by the Associated Press and other news media outlets.
- JIC held a media event to encourage people to check out Flint area restaurants with Lt. Gov. Brian Calley and Michigan Department of Agriculture and Rural Development Director Jamie Clover Adams. Nine local and statewide news media members attended the event.
- Finance Section developed guidance for Flint Water Inter-Agency Coordinating Committee related to reimbursements for non-state employees.
- State Voluntary Agency Liaison (VAL) prepared list of NGOs involved in Flint for DHHS SERG grant application.
- State VAL worked on potential jobs funding with TIA via Dept of Labor.
- Question was asked from the Governor's office yesterday if commodities purchased could be returned. Per FEMA, any item such as filter, pitcher, cartridge etc. cannot be returned. Once procured via State RRF the state owns it - no returns. Water can be returned with 12 months remaining shelf life and in complete factory issued pallet w shrink wrap and the state will fund/ transport of returning water to the designated Distribution Center. FEMA will inspect all returning water prior to movement and water is limited to available storage space in the FEMA Distribution Centers which will range between 0-5 million liters. Quantity to be returned will be approved prior to movement based upon available space and known inbound inventory.
- DEQ finalized sentinel sampling plan to commence activities beginning February 10th, 2016.
  - DEQ received 12 iPads for deployment with teams for status tracking.

Unified Coordination Group (UCG):

- Met with the nutrition task force today on request from the state.
- Cleared up misinformation on areas that have not been covered.

#### Local EOC

- Coordinating rapid response deliveries to homebound residents and special locations.
- Developed floor plan proposal for new warehouse with warehouse workers.
- Recycling and water distribution event with MSU athletics.
- Establishing plan to provide public transit vouchers for travel to blood lead level test clinics.
- Work with Michigan Community Service Commission to align supplies and resources for PUR filter distribution effort next week.
- DEQ/Team Rubicon team visited 30 homes with water lead levels of 150 ppb.
- Developing plans for follow-up with residents at homes with water lead levels of 150 ppb.

**Subject:** SEOC Update 2/4/16 - Flint Water - Limited Distribution

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

#### Update 2/4/16 – 31<sup>st</sup> Day (30<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

##### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made. Special attention to apartments/multifamily residences.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Submit SBA application.

##### Status on Governor’s request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### Attached:

1. Daily Summary of Data.
2. Sit Rep #30.

Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Friday, February 5, 2016.
- FWICC and Mission Flint meetings in Flint.

Items to Note

- 10 ARC Flint Water Response Teams to the field today. Continued priority is the apartment list from 2/2/16.
- Recovery Branch worked with county and postal partners to collect information about home vacancies and resident's with forwarded mail addresses in order to ensure we are contacting all occupied residences in the City of Flint.
- Recovery Branch supported the efforts of MSDHA to provide resources to tenants in their facilities.
- JIC issued a media advisory about federal lead for Flint water crisis Dr. Nicole Lurie to visit EPA's command post.
- MDHHS provided a representative to accompany the MDEQ team to the high lead homes in Flint. The MDHHS representative will encourage individuals to have blood lead testing and answer health questions as necessary.
- GIS is working to develop a field application for MDEQ and MDHHS for field collection of water test data and health data respectively.
- SEOC and MTED are working with Department of Labor to identify grants that may be available to assist with jobs programs (wages, training, overhead, and potentially equipment and leasing resources). DOC looking at prisoner re-entry programs for those returning to Flint area.

Unified Coordination Group (UCG):

- Working on improving communication flow between UCG and state partners.
- Attended long term recovery meeting held by state VAL.
  - Discussed MARC model and potential transition plan.

Local EOC

- Coordinating rapid response deliveries to homebound residents and special locations.
- Attended meeting with federal, state and local health and environmental agencies to establish process for notification of households with water test results that exceed 150 ppb.
- Attended two long term recovery planning meetings with SEOC staff, VOADs and local agencies (Flint Water Recovery Leadership group).
- Ensuring Community Access Center for the Deaf and Hard of Hearing receives appropriate supplies.
  - Briefed staff on site on filter installation and water sampling process.
- Clarified distribution process at city sites with Flint City Administrator's Office. Coordinating with Fire Department Quartermaster for supplying city sites.
- Addressing various public concerns, including identification of canvassing teams.
- Instituted credentialing verification process for 2-1-1 calls.

Chris

---

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

Update 2/3/16 – 30<sup>th</sup> Day (29<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

Mission focus for the day:

- Refocus state agencies on objectives, tasks in the Incident Action Plan and how we get to the end state/shift to longer term recovery.
- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.

- Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Submit SBA application – outstanding item is the certification of availability of financial assistance. Priority item for the a.m. so this can get submitted. Press release has been completed.

Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Attached:

1. Daily Summary of Data, full version and abridged (New reporting format – we will ensure we give liters of water and cases in the future)
2. Residential Water Sampling Results Maps – Lead and Copper
3. SitRep 29

Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Thursday, February 4, 2016.
- Will continue to target residences from the Apartment List from 2/2/16

Items to Note

- Paired down the list of parcels not visited from 2400 to 958. Will continue on 2/4/16 to identify any parcels not visited. Some parcels contain multifamily residences and those types of residences are being reviewed and targeted to ensure coverage.
- MDOC is going to look into their job programs for any prisoners begin release back into the Flint area. This will be in conjunction with any other job programs identified. We are working with MTED on solutions.
- DEQ and DHHS will be going to residences with >150 ppb starting tomorrow. They will be checking residences next to the one with the high lead level to see if this is a single residence issue or a bigger issue affecting the block or line in an area. This will not initially include EPA as they did not seem interested in combining teams but we are working on more collaboration without slowing us down.
- DEQ will have a representative in the UCG starting 2/4/15.
- Discussed with UPS on ways they can assist with Rapid Response Team and filter replacements in the future.
- Additional warehouse will be put in service potentially Saturday. Seventh Day Adventist are potentially going to operate it or help with operations to phase out state agency personnel and make it more community run. The warehouse does include some office space if needed.
- 10 ARC Flint Water Response Teams to the field today.
- Team Priority Visited Today: Apartment List from 2/2/16
- SEOC Logistics worked with MDOC on their assistance with warehouse management and staffing for new warehouse. Reached out to Food Bank on their recommendation and coordination for hours/days of operation of new warehouse.
- SEOC Operations attended a donations management meeting to discuss the need for a consolidated list of donated goods.
- JIC strategized with the U.S. Department of Health and Human Services and Environmental Protection Agency on how to better coordinate public information.

#### Unified Coordination Group (UCG):

- UCG IAP approved today for the operational period 0800 2/2/16 to 0800 2/4/16.
- The Federal Health Coordinating Officer had a meeting today with Economic Development and Housing and Urban Development.
- EMHSD liaison provided information on Michigan EM structure to Command.
- State JIC manager now in the communication loop for the UCG.
- UCG discussed MARCs and potential implementation.
- Capt. Kelenske met with Don Boyce from US DHHS to discuss concerns with Federal HHS and EPA and how we can move forward with better collaboration and coordination. Boyce also met with Governor's Office staff on same. The meeting went well and a solid relationship is in place with Boyce. He is a direct report to Dr. Lurie and will provide her some context on the issues and how we can move forward. He will be a good POC to assist us with any shifts in direction needed at the federal level.

#### Local EOC

- Coordinated rapid response deliveries to homebound residents and special locations.
- Working on refining rapid response delivery process.
  - Preparing transition from Team Rubicon personnel to NCCC teams, and eventually Southern Baptist Disaster Relief.
  - Coordinating with ARC for logistics support to NCCC teams (AmeriCorp).
- Working with ARC to ensure resource needs of franchise customers at Sunridge Apartments complex in Flint Township are met.
- Coordinating with MDEQ to streamline test kit assembly process.
- Attended distribution plan meeting with faith-based organizations, state, and local agencies.
- Referring VOADs to appropriate volunteer management agencies.
- Addressing various public concerns, including availability of supplies at child care facilities.

Chris

SEOC Report for February 13, 2016  
Full Days Since Emergency Declaration: 39

#### Items to Note

- City of Flint lifted the Boil Water Advisory issued in response to the 02/09 water transmission line break at approximately 1700 on 02/12/2016.
- Per MDEQ, all of the results from the samples collected in response to the water main break were non-detect for coliform bacteria.
- SEOC staff continues to work to comply with FOIA request.

Operational Period End: 02/16/2016 08:00:00  
Situation Report No. 39  
SEOC Status: Full  
SEOC Hours of Operation Begin: 02/13/2016 08:00:00  
SEOC Hours of Operation End: 02/13/2016 20:00:00

## Executive Summary

### SEOC Update:

Accomplished today (February 13, 2016):

The SEOC continues to provide:

- Situational awareness.
- Common operating picture/objectives.
- Coordination with city/county.
- Potential coordination with federal agencies.
- Incident prioritization.
- Coordination of life/health safety measures.
- Resources.
- Public information control.

### Logistics:

- Fielded resource requests.
- Fielded Rapid Response requests.
- Fielded Governor's office request.
- Facilitated distribution team calls.

### JIC:

- JIC (Shanon Banner) was on call this weekend.
- On Monday (State holiday), she will be in the SEOC in the morning, and working from her office in the afternoon.
- JIC will be back up on Tuesday.

### Recovery Branch:

- Attended Local brief, SEOC State Agency briefing meetings, Distribution Process meetings.
- Team priority visited today: Water distribution and rapid response.
- Team priority scheduled tomorrow: Visit the 83 addresses of City of Flint residents where there is no valid record of having been contacted. Continue with Rapid Response when needed.
- 8 American Red Cross Teams scheduled for Sunday, February 14, 2016.
  - o Total homes visited:
    - 23,169 (round 3 total).
    - 788 (today).
  - o Water cases (liters calculated by multiplying # of cases x 12):
    - 154,644 liters or 12,887 cases (round 3 total).
    - 5,292 liters or 441 cases (today).
  - o Replacement cartridges:
    - 5,173 (round 3 total).
    - 305 (today).
  - o Faucet filters:
    - 7,752 (round 3 total).
    - 96 (today).

### Planning Section:

- Published Sit Rep #39.
- Submitted daily Governor's report with research and clarifications.
- Participated in daily calls and meetings with UCG, state agencies and distribution process.
- Updated the Flint Water Timeline.

### Operations Section:

- Attended 0830 UCG briefing conference call in SEOC.
- Conducted 0930 and 1600 State Agency Briefings.
- Attended 1030 and 1830 Distribution Process meetings.
- Responded to questions from Representative Kildee's office.
- Directed question on POD hours from the UCG to the State Director.
- Filed accident report of state EMC falling in SEOC to MSP Operations (Safety Officer), EMHSD command, and DTMB facilities.
- Discussion ensued about National Guard mission which has a current end date of Feb 16 (Tuesday).
- Warehouse Numbers as of 1800:
  - Water (liters):
    - 734,755 liters or 61,230 cases.
  - Filters (faucet):
    - 47,132.
  - Replacement cartridges:

- 375,514.
- Test Kits (prepped):
- 28,823.
- PODs (Number as of 1700 2/12):
- Water (cases):
- 32,544 liters or 2,712 cases.
- Filters (faucet):
- 85.
- Replacement Cartridges:
- 317.
- Test kits:
- 88.

#### Finance Section:

- Update Spending Plan.
- Reviewing Agency Expenditures for inclusion as Category B eligible costs.
- Begin updates to cost reports for upcoming week submittal.

#### GIS Branch Updates:

- Meeting with ARC about lists for Red Cross missions.
- MSHDA/HUD Homes.
- Water Pressure Contours Map.
- Water Results Test.
- Filter points.
- Daily update Maps.

#### DTMB:

- Addressing parking issues at the Flint State Office Building parking ramp.
- Procured first aid kits for warehouses.
- Providing rights to DEQ SharePoint site.

#### DHHS-CH (weekly):

- The CHECC remains active at a Level 2, and continues to staff the hotline Monday through Friday to answer any lead health-related questions referred by 2-1-1 in support of the GCHD. The CHECC continues to work with federal partners in the UCG on prioritized requests for assistance.
- MDHHS continues planning efforts in support of lead blood level testing for children age 6 and under.

#### DEQ:

- Deployed Sentinel water sampling collection crews and continued data collection and monitoring.
- Continued assembling data for EPA Emergency Administrative Order and second EPA request.
- Reviewed incident objectives to reflect Director's priorities for upcoming week.
- Completed first phase restructuring of DEQ Reports to EPA tab on Michigan.gov/flintwater website.
- Sentinel Team results (2/11/16 to 2/13/16): As of 5:02 pm today, 234 of 402 homes were visited.

#### Unified Coordination Group (UCG):

- There is a public meeting at noon today that EPA staff will attend on "When is this over?"
- New mental health teams are in today. They had an orientation at the UCG from 0930-1030 to discuss objectives and tasks.
- MDEQ teams did 180 home inspections and discovered 5 lead lines.

#### Local EOC:

- Sentinel Site Monitoring Teams and Elevated Lead and Copper Initial Assessment Task Force out in the field.
- Approximately 210 households have agreed to be sentinel monitoring points for long-term water testing as of 02/13/2016.
- Fulfilled special site visit requests from Governor's Office through Elevated Lead and Copper Initial Assessment Task Force.
- Sentinel Site Monitoring Teams will rally at 1000 instead of 0900 on 02/14/2016 to avoid low temperatures in earlier morning hours.
- Planning for transition from state agency support personnel to local personnel in EOC.

#### Incident Response/Recovery Priorities/Objectives

(Objectives are in order of priority with original objective number attached)

12. Develop and implement a comprehensive long term recovery and transition plan.
11. Ensure accurate tracking and accounting of all donations.
5. Continue to maintain adequate staffing to support operational requirements.
10. Collaborate with local and volunteer agency partners to solidify the Flint Water Operations Plan.
9. Enhance situational awareness and common operating picture of all activities.
8. Maintain coordination between partner agencies and organizations to include FEMA IMAT, FWICC, and the US Department of Health and Human Services Unified Coordination Group (UCG).
3. Improve and maintain the public information strategy and process.
6. Develop an overview of possible assistance programs.
4. Develop a long term public health and services plan.
7. Gather, analyze, and disseminate GIS data to develop products for future planning.
1. Ensure all households within impacted community have required resources and are included in DEQ water sampling plan.
2. Ensure accurate tracking and accounting of all commodities.

TOTALS:	0	0	0	0	0	0	0	0	\$0

**Damage Assessment Summary****Agency Summaries****Joint Information Center / Public Information Officer**

The Joint Information Center (JIC) was expected to be operational in Flint from 8 a.m. to 8 p.m. on Feb. 12. The JIC was operational until 9:30 p.m. on Feb. 11.

State agencies at the JIC included the Michigan State Police, Michigan National Guard, and Departments of Environmental Quality, Health and Human Services and Treasury. The Genesee County Sheriff's Office and American Red Cross were also present.

**Tasks accomplished:**

- Media hotline staff answered more than 10 emails and phone calls, ranging from the news media asking to embed with sentinel teams to inquiries about the status of the water pipes in Flint.
- MDHHS Chief Medical Executive Dr. Eden Wells joined Senator Stabenow, Mayor Weaver, Dr. Hanna-Attisha to join the Children's Health Fund to deliver a mobile medical clinic that will provide medical care to children in Flint.
- Created a media monitoring report and looked for misinformation.
- Updated a Daily JIC Activities log to catalog actions completed for the day and planned for the week to keep all key agency PIOs aware of actions.
- Key state agency PIOs staffed the Flint Water Interagency Coordinating Committee for media. Two media outlets attempted to

attend the meeting, but were advised about the LiveStreaming service available at [www.michigan.gov/snyderlive](http://www.michigan.gov/snyderlive). The news media was unhappy about not being able to attend in person.

- Issued a news release about a National Guard soldier saving a Flint resident's life. National Guard Spec. Charles Colwell was made available for media interviews at Flint Fire Station No. 1. Interviews were conducted with WEYI-TV 25, WNEM-TV5 and WJRT-TV 12.
- Continued routing public information materials for approval, including fact sheets on breast feeding and lead poisoning, lead and children fact sheet by the Michigan Alliance for Families, Frequently Asked Questions fact sheet, and supporting children and families fact sheet.
- Drafted a news release about the boil water advisory being lifted. The JIC intends to issue the news release upon approvals and official notification from partners.
- Held a media availability at the Genesee County Emergency Operations Center to give the news media access to a sentinel team briefing prior to disbursing throughout Flint. More 10 news media outlets attended, including local and regional members.
- Completed staffing for the next two weeks.

#### **Agriculture and Rural Development (MDARD)**

MDARD's activities for 2/12/2016 included the following:

We have addressed the resource request from Genesee County regarding blood testing for pets. MDARD will cover the costs of the MSU Diagnostic Center's tests for lead in blood and the sample form and index code have been provided. However, the other portion of the request, to test for copper, is per the State Veterinarian not best done through a blood test and an alternative has been suggested for those pet owners concerned about copper exposure.

#### **American Red Cross (ARC)**

The American Red Cross deployed 6 teams on Saturday, 2/13/16: 4 rapid response teams in partnership with AmeriCorps NCCC and 2 mobile teams.

The Volunteer Reception Center is operating today from 9am to 5pm. The plan is for the VRC to operate on the same schedule tomorrow.

Approximately 8,400 water test kits were assembled by VRC volunteers today.

#### **Civil Rights (MDCR)**

Continue to review activities to provide support and assistance to assigned Human Services branch and other SEOC entities. Maintaining media awareness regarding situation and community activities. Advised senior leadership of forthcoming FOIA process request. Engaged in constituent outreach regarding request for informational documents.

#### **Community Health (MDCH)**

The CHECC remains activated at a Level 2, and continues to staff the hotline Monday through Friday to answer any lead health-related questions referred by 2-1-1 in support of the GCHD. The CHECC continues to provide representation to the UCG to facilitate communication with federal partners.

Additional addresses of medically dependent individuals in the 48502 zip code were provided to GIS to be added to the medically dependent map and to be reviewed to make sure these addresses have been touched by the water and filter distribution strategy.

#### **Corrections (MDOC)**

Warehouse 2 is fully functioning and has been receiving loose, non-pallet water donations.

MDOC continues to keep trucks dedicated to delivering to individual POD's and covering Rapid Responses for PODs that get to a critical level. PODs remained well supplied throughout day and will continue to be well supplied moving forward.

2 hand pallet jacks arrived at the warehouse today from ALTA Equipment.

We are continuing to work with Finance and MDOC assets to capture total employee payroll information and expenditures.

MDOC continue to staff the SEOC from 0800-2000, 7 days/week. Mike Farmer and Bridget Spencer are managing the Recovery Branch of the SEOC.

LARA plumbing supplies were delivered to the warehouse today. LARA employees were on-site to inventory.

122 test kits were delivered from Flint to Lansing today. 122 were residential. No MDARD.

#### **Environmental Quality (MDEQ)**

The Department of Environmental Quality (DEQ) completed the following activities today:

- Deployed Sentinel water sampling collection crews and continued data collection and monitoring.
- Continued assembling data for EPA Emergency Administrative Order and second EPA request.
- Reviewed incident objectives to reflect Director's priorities for upcoming week.
- Completed first phase restructuring of DEQ Reports to EPA tab on [Michigan.gov/flintwater](http://Michigan.gov/flintwater) website.

□ Sentinel Team results (2/11/16 to 2/13/16): As of 5:02 pm today, 233 of 402 homes were visited (changed 234 to 233 homes visited at 7:15pm).

#### **Human Services (MDHS)**

Participated in the SEOC Distribution Process Meetings at 10:30 and 18:30. No new action items.

Continue to review activities to provide support and assistance to assigned Human Services branch.

#### **Licensing and Regulatory Affairs (LARA)**

Participated in briefings and updated the LARA Executive Team.

LARA continues to monitor DEQ's test results for Health Care, Child Care, Adult Foster Care, HHS and MDE facilities and Schools.

LARA continuing efforts to plan and schedule faucet replacements for Flint schools. LARA is working with MDOC to track and store incoming material at the warehouse.

Translation services for various documents continue to be provided as needed.

Ongoing discussion regarding coverage of state regulated facilities and elimination of duplication of effort.

#### **Military and Veterans Affairs (DMVA)**

Commanders Situation Report (SITREP)

1. DTG: 131300Z016.

2. UNIT: Points of Distribution (PODs), TF FLINT (1-125 IN).

3. POC: 1LT Roland, John G. Cell: Email: john.g.roland2.mil@mail.mil.

4. PRESENT LOCATION: Genesee County Local EOC, 1101 Beach St., Flint, MI, 48502.

5. SITUATION OVERVIEW: 1-125 IN has Soldiers deployed to the Flint Water Crisis in support of Distribution Operations at the Points of Distributions (PODs). Daily operations consist of receiving, tracking, and issuing out water, filters, replacement filters, and water test kits.

6. OWN SITUATION DISPOSITION /STATUS: Currently 1-125 IN has soldiers on ground supporting the mission.

7. OPERATIONS: Operations for the next 24 hours are to sustain water/filter distributions throughout the 5 designated fire stations and track all distribution incoming and outgoing through the PODs.

a. Signs have been printed off for the POD Buildings. Requesting approval to get the signs laminated from the purchasing office.

1.) TF Flint OIC, 2LT Benke, is actively seeking approval from Dana and/or Kim at the purchasing office for laminating.

b. A press conference was held at the EOC in regards to the DEQ sentinel teams and the data that has been collected within homes.

8. PERSONNEL: Soldiers are currently assigned to the POD operations. Soldiers are assigned in five teams at Fire Stations 1, 3, 5, 6 and 8.

9. INTELLIGENCE / FORCE PROTECTION: Water boil advisory will be lifted.

10. LOGISTICS: In support of TF Flint

a. Schupon has placed an order for more instruction cards attached to recycle bags.

11. COMMUNICATIONS: No communications issues at this time.

P: RRF cell phones alternate for WRTs.

A: Personal cell phone.

C: 800 MHz radios issued to PODs and WRTs.

E: Runner.

12. NARRATIVE: N/A.

13. COMMANDER'S EVALUATION:

- AAR and operational notes are being consolidated into SOP's to send to JOC to assist in updating the All Hazards Plan.
- An operational handoff packet including SOP's, POC's, POD sector sketches, hand-receipts, and other operational notes is being built to assist the incoming unit. When the incoming OIC has been selected, I would like to establish communications with them in regards to the aforementioned items before they report to Flint.

- OUT (last 24 hours)

Bottled water-5034 Water (Gallons)-43 Lead Testing Kits-131

Pitcher (23 cup)-0 Brita Faucet Filter-52 Brita Replacement Cartridge-153

Pur Filter-117 Pur Replacement Filter-407

#### **National Weather Service (NWS)**

NWS Detroit providing morning SEOC brief and Activity Log posts. Jim Maczko from NWS Grand Rapids will be the contact point for any changes in NWS Support and will also continue to update the Sit Rep Executive Summary as needed.

Participation in afternoon SEOC briefings is planned only if significant changes in the forecast occur.

#### **Natural Resources (MDNR)**

MDNR LED continues to support its QOL partners with staffing at the SEOC.

Department POC's include:

Chief Gary Hagler, F/Lt. Jennifer Wolf, F/Lt. Steven B. Burton.

**Services to the Aging (OSA)**

Valley Area Agency on Aging (VAAA) continues to receive phone calls from concerned seniors in Flint and continues to make referrals to the Genesee Co. EOC for water and filter follow-up.

VAAA's local Nursing Home Ombudsman continues to monitor Flint area Nursing Homes to ensure residents have access to safe water.

*Contact info for VAAA Executive Director is:*

Kathryn C. Boles

President, CEO

Valley Area Agency on Aging

225 E. Fifth Street, Suite 200

Flint, MI 48502

(810) 239-7671

(810) 239-8869 fax

**State Police (MSP)**

The MSP position within the SEOC will be staffed at MSP Operations at HQ. All e-mails to MSP-EOC-MDSP@michigan.gov are being forwarded to the Operations Lt. The phone number for the on duty Operations Lieutenant is 517-241-8000.

**Technology, Management and Budget (MDTMB)**

Continue to provide DTMB management with daily updates and resource requests received.

Addressing parking issues at the Flint State Office Building parking ramp.

Procured first aid kits for warehouses.

Providing rights to DEQ SharePoint site.

**Transportation (MDOT)**

Continuing to maintain situational awareness and responding to issues regarding equipment and road conditions.

**Incident Related Images**

## REMINDERS

- For Flint water assistance: Dial United Way 211 or visit [www.mi.gov/FlintWater](http://www.mi.gov/FlintWater)
- To donate or volunteer: visit [www.HelpForFlint.com](http://www.HelpForFlint.com)
- Residents should install filters to their taps to ensure they have immediate and ongoing access to safe water. Only run cold water through the water filter and use filtered water for drinking and cooking.
- Monitor the cartridge on the filter and replace as needed.

## WATER RESOURCE LOCATIONS

These sites are open seven days a week from 9 a.m. to 9 p.m. with the following resources:

- Bottled water
- Water filters
- Replacement cartridges for water filters
- Water testing kits pick-up
- Drop-off location for water testing kits

Fire Station #1  
310 East 5th St.  
Flint, MI 48502

Fire Station #3  
1525 Martin Luther King Ave.  
Flint, MI 48503

Fire Station #5  
3402 Western Rd.  
Flint, MI 48506

Fire Station #6  
716 West Pierson Rd.  
Flint, MI 48505

Fire Station #8  
202 East Atherton Rd.  
Flint, MI 48507

We will continue to work to improve the water situation in Flint. Community members and local officials are working together to make sure we hear and respond to concerns. Governor Snyder will continue to keep you updated on the latest news and information. **If you don't find the resources you need by dialing United Way 211 please call the Governor's office directly at 517-335-7858.**

### **Update 2/14/16 – 41<sup>th</sup> Day (40<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

#### **Mission focus for the day:**

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Create better situational awareness between local, state and federal agencies specifically with the UCG.

#### **Status on Governor's request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### **Attached:**

1. Maps: Residential Water Sampling Results for lead and copper. Updated to include 2/13/2016 data.
2. Governor's Report (no graphs due to edits being made in the burn rates).

#### **Key items for tomorrow to note are:**

- 5 American Red Cross Teams scheduled for Monday, February 15, 2016. Team Priority Scheduled tomorrow is to continue water distribution and rapid response.
- It was announced at the 6:30 pm distribution process meeting that the NCCC will continued their volunteer mission through 2/22/2016. ARC will return their iPads to the local EOC for the Southern Baptists teams to use for data collection. Southern Baptists will be at the local EOC to train on the iPads tomorrow, and will begin their mission on Tuesday.

#### **Items to Note**

- There is a decrease in number of total residential parcels and total residential active water subscribers. Seven parcels were originally classified as residential parcels and were found to be right-of-way or easements. The data has been updated to remove those seven properties.
- National Guard mission has been extended through 3/16/2016.
- SEOC Logistics is working with Flint Schools to identify alternative locations to store water. Additionally, Logistics is continuing to fulfill resource requests for Warehouse #2, based on the Memorandum of Agreement with the Seventh Day Adventist. Recovery Branch is working to outline the transition between National Civilian Community Corp (NCCC) and Southern Baptists for the Flint Water Response Teams.
- 5 American Red Cross Teams were deployed today. The teams visited the 83 addresses of City of Flint Residents where there was no valid record of having been contacted. Continued with Rapid Response.
  - JIC requested that information about recycling and scams be included in daily Flint Water Response email sent by the Governor's Office; both items were included in the message that went out at 11 a.m. today.

#### Unified Coordination Group (UCG):

- One sequential testing team is set up to do outreach at 40 residences, along with eight filter grabs.
- Health and Medical Task Force will be meeting with the US Behavioral Health for a team meeting, to integrate with the Flint Recovery Group. They will also begin setting up for the incoming team with nurse case managers who are arriving today.
- UGC Public and External Affairs: Surgeon General will be arriving tomorrow for a two day visit.
- American Red Cross had a 3:00 pm meeting to review the ARC Recovery Framework, and to identify the federal representatives who will be on the recovery groups.
- The UGC advised they will work on getting infographics to make the website less confusing.

#### Local EOC:

- Sentinel outreach campaign statistics:
  - 402 homes were initially contacted for the program.
  - 241 of those households have agreed to be sentinel monitoring points for long-term water testing.
  - Identified 10 lead service lines.
  - 17 households declined to participate.
- Developed SitRep #34.
- Fulfilled special site visit requests from Governor's Office through Elevated Lead and Copper Initial Assessment Task Force.
- Coordinating scheduling of blood lead level testing clinics in support of goal to test all children under the age of six by April 1.

#### Update 2/13/16 – 40<sup>th</sup> Day (39<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.

- o Work with UPS on future partnership and service delivery model.
- Create better situational awareness between local, state and federal agencies specifically with the UCG.

Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal. We are still waiting for the City of Flint to provide us the appropriate information to assist with this.

Attached:

1. Sit Rep #39.
  2. Governor's Report
- \* There were no Water Sampling Results Maps available today. Will work with GIS to provide maps for tomorrow.

Key items for tomorrow to note are:

- Although the boil water advisory has been lifted in the city of Flint, the SEOC is continuing to monitor supplies at the PODs closely in anticipation of burn rates increasing over the holiday weekend.
- 8 American Red Cross teams scheduled for Sunday, February 14.
- ARC will visit the 83 addresses of City of Flint Residents where there is no valid record of having been contacted. Continue with Rapid Response when needed.

Items to Note

- Completed first phase restructuring of DEQ Reports to EPA tab on Michigan.gov/flintwater website.
- Sentinel Team results (2/11/16 to 2/13/16): As of 5:02 pm today, 234 of 402 homes were visited.
- SEOC staff continues to work to comply with FOIA request.
- The CHECC remains active at a Level 2, and continues to staff the hotline Monday through Friday to answer any lead health-related questions referred by 2-1-1 in support of the GCHD.
- 41 event-based volunteers were assigned and active on projects today.
- Discussion ensued about National Guard mission which may have a current end date of February 16 (Tuesday). This mission will continue until the long term distribution plan is ready to be implemented.

Unified Coordination Group (UCG):

- There was a public meeting at noon today that EPA staff attended on "When is this over?".
- New mental health teams are in today. They had an orientation at the UCG from 0930-1030 to discuss objectives and tasks.
- MDEQ teams did 180 home inspections and discovered 5 lead lines.

Local EOC:

- Sentinel Site Monitoring Teams and Elevated Lead and Copper Initial Assessment Task Force out in the field.
- Fulfilled special site visit requests from Governor's Office through Elevated Lead and Copper Initial Assessment Task Force.
- Sentinel Site Monitoring Teams will rally at 1000 instead of 0900 on 02/14/2016 to avoid low temperatures in earlier morning hours.
- Planning for transition from state agency support personnel to local personal in EOC.

Chris

---

Update 2/12/16 – 39<sup>th</sup> Day (38<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

#### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
  - Work with UPS on future partnership and service delivery model.
- Create better situational awareness between local, state and federal agencies specifically with the UCG.
- Monitor water main break and messaging.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Attached:

1. Sit Rep #38.
2. Maps: Residential Water Sampling Results – Lead and Copper
3. Governor's Report

#### Key items for tomorrow to note are:

- Although the boil water advisory has been lifted in the city of Flint, the SEOC is continuing to monitor supplies at the PODs closely in anticipation of burn rates increasing over the holiday weekend.
- 8 American Red Cross teams scheduled for Saturday, February 13 – extra vehicles on hand for surge in event based volunteers.

#### Items to Note

- Elevated Lead and Copper Initial Assessment Task Force is beginning identification of companion animals in visited homes for start of dog blood level testing.
- The JIC issued news release this afternoon upon lifting of boil water advisory. They also held media availability at the Genesee County Emergency Operations Center to give the news media access to a sentinel team briefing prior to disbursing throughout Flint.
- Per MDEQ, all of the results from the samples collected in response to the water main break were non-detect for coliform bacteria.
- SEOC staff is working to estimate record numbers to comply with FOIA request.
- The CHECC remains active at a Level 2, and continues to staff the hotline Monday through Friday to answer any lead health-related questions referred by 2-1-1 in support of the GCHD.
- 80 volunteers were active across the operation today (56 event based, 15 ARC, 9 NCCC).

#### Unified Coordination Group (UCG):

- WQTF: Has a new team listed in the ICS-204 community involvement teams.
- Transitioned to using vulnerable populations as standard language instead of special populations.

#### Local EOC:

- 10 Sentinel Site Monitoring Teams and Elevated Lead and Copper Initial Assessment Task Force out in the field.
- Sentinel teams inspected approximately 170 homes since 02/10/2016, Initial Assessment Task force inspected approximately 65 homes with elevated lead levels and 30 days with elevated copper levels since 02/04/2016.

- Planning for staffing and transition from state agency support personnel to local personnel at Genesee County EOC.
- Liaison Officer and Incident Commander visited UCG and made contact with the Federal Health Coordinating Officer.
- Boil Water Advisory issued by City of Flint in response to water transmission line break was lifted at approximately 1700.

**Subject:** SEOC Update 2/11/16 - Flint Water - Limited Distribution

**Update 2/11/16 – 38<sup>th</sup> Day (37<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

**Mission focus for the day:**

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute *commodities over the longer term*), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
  - Work with UPS on future partnership and service delivery model.
- Create better situational awareness between local, state and federal agencies specifically with the UCG.
- Monitor water main break and messaging.

**Status on Governor's request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

**Attached:**

1. Sit Rep #37.

\* There are no Water Sampling Results Maps available for today. GIS is resolving a problem with the maps and they will be available tomorrow. Some anomalies in the data were discovered that are being corrected.

**Key items for tomorrow to note are:**

- Due to the boil water advisory in the city of Flint the SEOC will continue to monitor supplies closely in anticipation of burn rates increasing.
- 8 American Red Cross Teams scheduled for Friday, February 12, 2016.
- The second warehouse will open tomorrow on Pierson Road. This warehouse will primarily receive donations that are not on pallets.

#### Items to Note

- MDE is reporting that a portion of the emergency funds that were approved for the Flint Water Crisis included \$340,000 for Flint Community Schools to hire/contract for nine school nurses.
- U.S. Department of Education is scheduled visit Flint on February 12, 201 at 0830 at the Genesee Intermediate School District. MDE Deputy Superintendent and the Director of Special Education will attend. Family alliance members will also attend.
- MDEQ has 10 - 3 person Sentinel Sampling Teams on the ground again today. Each team is composed of 1 local resident, 1 licensed plumber and 1 MDEQ staff person providing training on water sampling to residents throughout the City of Flint. These residents have agreed to conduct ongoing sampling with their water to be analyzed by the MDEQ laboratory. These residents will also be part of the Sentinel Sampling Program and samples will be collected every two weeks and will provide analysis for lead and copper. Over 100 homes were visited yesterday on Day 1 of the effort.
- Attended Community Stakeholder meeting. In addition MDEQ continues to lead an Initial Site Assessment Team for high copper and high lead. This team is composed of 1 licensed plumber, 1 law enforcement officer from Flint PD, 1 MDEQ staff person and 1 MDHHS representative. This team is providing initial assessment in information to residents whose homes have water sampling results above the federal action levels for lead and copper. Our goal is to provide these visits and assessment within 48 hours of receiving the results.

#### Unified Coordination Group (UCG):

- WQTF: 1st round of sequential results in a week-week and a half, this paired with the MDEQ sentinel site sampling will provide a good picture of how the system is improving.
- HMTF: Met with the Mass Transportation Authority (MTA), they have a lot of resources to get people to places of interest e.g. care facilities, good food sources, etc.
- PEATF: Dr. Mona, Chelsea Clinton, and Dr. Lurie are in town. A lot of community outreach going on over the weekend. Surgeon General will be in town next week.

#### Local EOC

- Attended Community Stakeholder meeting.
- Long-term distribution plan, based on discussions with City of Flint and SEOC representatives on 02/09 and 02/10/2016 in Lansing, will be presented to Deputy State Director of Emergency & Homeland Security on 02/12/2016.
- Developing logistics procedures to aid transition to local EOC staff.
- 10 Sentinel Site Monitoring Teams and Elevated Lead and Copper Initial Assessment Task Force out in the field.

Chris

#### Update 2/10/16 – 37<sup>th</sup> Day (36<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
  - Work with UPS on future partnership and service delivery model.
- Create better situational awareness between local, state and federal agencies specifically with the UCG.
- Meet with Seventh Day Adventists on warehouse plan.

Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Attached:

1. Sit Rep #36.
2. Maps: Residential Water Sampling Results – Lead and Copper
3. Governor Report

Key items for tomorrow to note are:

- Due to the boil water advisory in the city of Flint the SEOC will continue to monitor supplies closely in anticipation of burn rates increasing.
- 10 American Red Cross Teams scheduled for Thursday, February 11, 2016.

Items to Note (Items in RED are new from when the Governor's Report, "Items to Note" was produced)

- Tasked NG to develop a white paper on what a modern day Civilian Conservation Corps program would look like if implemented in Flint.
- Boil water advisory has been issued in the City of Flint by the local utility due to a broken water main.
- MDEQ implemented Sentential Sampling Program today.
- The long term recovery continued meeting today and anticipates having a completed long term recovery plan by Thursday February 11, 2016.
- 10 ARC Flint Water Response Teams to the field today. It is anticipated that by the end of tomorrow all water customers will have been contacted at least once.
- In conjunction with Michigan Department of Education, USDA visited a Flint elementary school and health department today to discuss how USDA programs can help provide relief to those affected by water contamination. From the visit, came a USDA media release that highlighted the efforts between the USDA, MI Department of Education and all Health/Human Service partners to expand nutrition programs.
- The American Red Cross is helping to coordinate volunteers, distribution efforts, supply storage and logistics planning in concert with local officials, United Way, Michigan Community Service Commission and a growing list of partners.
- SEOC staff met with UPS representatives today re: delivering cartridges to functional/mobility needs citizens. UPS is prepared to assist in this partnership and will provide service at no charge. UPS suggested treating each delivery as a separate package so each can be effectively tracked, and would be able to begin deliveries within the 2-3 week window.

Unified Coordination Group (UCG):

- EPA: Additional team to provide Residual Chlorine testing (2 teams today).
- WQTF: Discussion of state/federal messaging regarding the water main break in addition to the City's.
- EPA: 1,000 samples collected at over 150 homes. Sequential testing at several homes today.
- USDA: Announcing official response to the state's request for expanding WIC funds for blood level. Testing support and expanding program up to the age of 10.
- HUD: Made contact with 100% (2,350) private residences that receive HUD assistance, all have filters installed. Public housing starting today with housing commission to test all properties within a week. Using in-house staff.

Local EOC

- Incident Command, Liaison Officer and Logistics Section Chief discussing long-term distribution plans with representatives from City of Flint and SEOC in Lansing (on 02/09, 02/10 and 02/11/2016).
- Elevated Lead and Copper Initial Assessment Task Force out in the field, visited 6 homes (provided information at 8 additional homes).

- Ten Sentinel Site Monitoring Teams out in the field, visited 30 homes (provided information at 50 additional homes).
- Expecting increased demand for bottled water and filter cartridges due to Boiled Water Advisory in response to water transmission line break. Aligning additional supplies for appropriate resupply at Fire Station PODs.
- Managing donations and volunteers with Michigan Community Service Commission, ARC and United Way of Genesee County.

Chris

---

#### Update 2/9/16 – 36<sup>th</sup> Day (35<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Create better situational awareness between local, state and federal agencies specifically with the UCG.

##### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### Attached:

1. Governor's Data Report from 2/8/16.
2. Sit Rep #35.
3. Maps: Residential Water Sampling Results – Lead and Copper

##### Key items for tomorrow to note are:

- Due to the boil water advisory in the city of Flint the SEOC will need to monitor supplies closely in anticipation of burn rates increasing.
- The Small Business Administration will be opening an office in Flint tomorrow at the Oak Business Center (2712 Saginaw Street) .
- 10 American Red Cross Teams scheduled for Wednesday, February 10, 2016.

##### Items to Note

- A boil water advisory has been issue in the City of Flint by the local utility due to a broken water main.
- The MOA for the Adventist Community Services to operate the second warehouse was signed by their organization today.
- The long term recovery group made significant progress today and anticipates having a completed long term recovery plan by Thursday February 11, 2016.
- Recovery completed the comprehensive list of apartment units that exist within the City of Flint and franchise customers.

- 10 ARC Flint Water Response Teams to the field today. It is anticipated that by the end of tomorrow all water customers will have been contacted at least once.

#### Unified Coordination Group (UCG):

- Approved IAP #8.
- EPA: Most residents not using their water for anything other than bathing. Also, not running the water. This is an issue for chlorine and phosphate. Concerns for summer, chlorine can cause increased bacteria.
- MDEQ: Visited every home adjacent to high lead lines. Visited all homes higher than 15 ppb.
- HMTF: Working with GCHD to have a clear idea of what has been completed and what additional needs to exist.
- HMTF: Working on redirecting 211 calls from the state to the county so they can sustain long term.

#### Local EOC

- Incident Command, Liaison Officer and Logistics Section Chief in Lansing for long-term distribution planning discussions with representatives from City of Flint and SEOC.
- Determined team-make up and staffing for Sentinel Site Monitoring Teams in coordination with SEOC, UCG and MDEQ ECC.
- Finalizing plans for deployment of Sentinel Site Monitoring Teams starting 02/10/2016.
- Updating IAP to include current work assignments.
- Elevated Copper Initial Assessment Task Force visited 11 addresses with elevated copper and lead water levels on 02/09/2016.

Chris

---

#### Update 2/8/16 ~ 35<sup>th</sup> Day (34<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Open secondary state warehouse.

##### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### Attached:

1. Governor's Report for 2/8/2016.
2. Sit Rep #34.

##### Key items for tomorrow to note are:

- Team Priority Scheduled Tomorrow: Active Water Subscribers without filters marked vacant
- 10 American Red Cross Teams scheduled for Tuesday, February 9

- Congressional and Legislative Call, 2:30 PM

#### Items to Note

- JIC Drafted a news release about the team visiting homes with high copper levels. Anticipate releasing tomorrow.
- SEOC Logistics had a conference call with Seventh Day Adventists on agreement and staffing for new warehouse.
- SEOC Planning developed a new Incident Action Plan for Operation Period from 2/9-2/16/2016.
- Requested monetary donation information from United Way and Community Foundation of Greater Flint.
- GIS develop an online application for Governor Snyder to view maps.

#### Unified Coordination Group (UCG):

- No updates.

#### Local EOC

- Establishing objectives and IAP for next operational period, 02/08/2016 – 02/12/2016.
- Awaiting additional information regarding companion animals with potential lead and chlorine poisoning from MDARD.
- Establishing plans for Elevated Copper Initial Assessment Task Force starting 02/08/2016 and follow-up outreach to homes with water lead levels over 150 ppb starting 02/10/2016.
- Aligning resources and supplies for Elevated Copper Initial Assessment Task Force and follow-up outreach to homes with water lead levels over 150 ppb.
- Analyzing locations of faith-based organizations and churches for integration into long-term recovery plans.

Chris

---

#### Update 2/7/16 – 34<sup>th</sup> Day (33<sup>rd</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Soft opening of secondary state warehouse; clean and prep for SBA staff.

##### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### Attached:

1. Daily Summary of Data – Note two new reports: GovReport

2. Sit Rep #33.
3. Maps: Residential Water Sampling Results – Lead and Copper

Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Monday, February 8, 2016.
- The new warehouse will be operational on Monday, February 8, 2016 and managed by MDOC.

Items to Note

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.
- State VAL is working on the Category B and Individuals and Households appeal.
- There continues to be a concern that EPA refuses to work with the state teams in addressing the high lead level homes.
- Genesee County EM expressed concerns about lead poisoning in service/companion animals. MDARD has initiated contact with their partners to address this concern.
- 28 addresses have copper testing that exceeds the "action level" (1,300 ppb). DHHS is currently working on messaging regarding this issue, and DEQ is discussing filtering options.

Unified Coordination Group (UCG):

- Task Forces Health & Medical: working on creating a flow chart for visual of testing results.
- EPA conducted 11 filter grabs yesterday, and will be doing 2 today. This includes up to 33 samples per grab. A grab would be considered a location/residence. They are also following up on the AmeriCorps volunteers (2) that have rashes.

Local EOC

- Establishing objectives and IAP for next operational period, 02/08/2016 – 02/12/2016.
- Awaiting additional information regarding companion animals with potential lead and chlorine poisoning from MDARD.
- Establishing plans for Elevated Copper Initial Assessment Task Force starting 02/08/2016 and follow-up outreach to homes with water lead levels over 150 ppb starting 02/10/2016.
- Aligning resources and supplies for Elevated Copper Initial Assessment Task Force and follow-up outreach to homes with water lead levels over 150 ppb.
- Analyzing locations of faith-based organizations and churches for integration into long-term recovery plans.

Chris

Update 2/6/16 – 33<sup>rd</sup> Day (32<sup>nd</sup> Full Day) After Governor's Declaration of an Emergency

The link below is a new video published today by 211. This is part of the Rapid Response Teams currently staffed by Team Rubicon.

<https://www.youtube.com/watch?v=P5OrqzcSefg>

Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.

- Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Soft opening of secondary state warehouse; clean and prep for SBA staff.

Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Attached:

1. Daily Summary of Data.
2. Sit Rep #32.
3. Maps: Residential Water Sampling Results – Lead and Copper

Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Sunday, February 7, 2016.
- MDOC will continue setting up the new warehouse.

Items to Note

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.
- JIC posted the AIA Flint Safe Water Storage Guideline flyers on MI CIMS under internal documents.
- SEOC Logistics is working to secure space in new warehouse for SBA office, additional information needed from SBA.
- GIS geocoded and cleansed addresses for food establishments in the Flint Metro Area.
- GIS digitized water service lines coded by pressure from paper map onto digital map.
- State VAL is working on the Category B and Individuals and Households appeal.
- MOU with Seventh Day Adventist for donations management currently under review.
- MDARD is planning for additional follow up with food related businesses as water test results come in; new maps with updated information will help with future prioritization.
- MDARD will attend a USDA-Natural Resources Conservation Service press conference to be held on Monday; NRCS will be announcing funds to support community gardens and local foods.
- A team from the CDC arrived yesterday to work with MDHHS Bureau of Epidemiology. Their work began today by beginning to analyze data for the development of long term surveillance strategies that will look to link blood lead level results to specific populations, to include vulnerable and at-risk populations.
- LARA continues to monitor DEQ's test results for Health Care, Child Care, Adult Foster Care, HHS and MDE facilities and Schools.
- Freeman Elementary was tested today (2/6/15) by DEQ/LARA staff members.

Unified Coordination Group (UCG):

- Attended 3 matrix review meetings, taskforce leads gave status updates on the original requests/asks sent from the State to Federal government.
- UCG POC will update the objectives with current status once completed by the information cell.
- EPA has 4 teams going out today, 17 filter grabs, a sequential sampling, and walk in requests.
- Additional phosphorus results remain consistent with previous reports. Appears the coating is working in the pipes.
- Multiple Hispanic events are taking place in the community and will be attended by federal staff.
- CDC recommendation should go out today for blood level testing for children under the age of 6.

#### Local EOC

- Finalized DEQ outreach at homes with water lead levels above 150 ppb.
- Developing plan for outreach at homes with water lead levels of 100 to 149 ppb.
- Will start outreach at homes with water lead levels of 100 to 149 ppb with one group on Monday.
- Potentially following up on initial outreach at homes with water lead levels of 100 to 149 ppb 10 strike teams for evaluation of plumbing system, water sampling, etc. starting Wednesday.
- Evaluating need to address health needs of companion animals in households exceeding water lead levels above 100 ppb.
- Awaiting clarification regarding effectiveness of filter systems for removal of copper.

**Below is a summary of Federal Teams in the field during next operational period until 2/10 per the UCG.**

#### Public Health Support Team (PHST) (US HHS) stationed at GCHD

9 personnel

- Develop engagement strategy for GCHD to facilitate outreach efforts to the community members and community partners.
- Development database for incoming calls to standardize the responses to caller queries; develop resource list for GCHD.
- Two personnel will facilitate case management follow up on results from GCHD concerning water samples with high home water lead levels.
- Provide technical assistance and community health outreach support to GCHD and to the EPA field team during water sampling and rash investigations.
- Create email groups for email messaging blasts to community partners.

#### Behavior Health Team (US HHS) stationed at GCHD

4 personnel

- Develop Behavior Health Surveillance Plan and Gap Assessment.
- Provide Behavioral Health Support for community-based health and human service providers.

#### EPA Sampling Teams out in the field

3 teams with 3 personnel,

- Identify sampling locations based on State DEQ requests and/or inquiries from residents, schedule visits with residents.
- Develop facts sheets based on high lead homes and other facts sheets, as needed.
- Provide risk communications and test results to residents.
- Conduct sequential, filter pilot, and distribution system sampling.

#### High Lead Home Strike Team out in the field

5 personnel

One MDEQ rep (Taylor) with EPA high lead team.

- Conduct water sampling at residences with rash complaints
- High lead homes with no contact information

#### MDEQ (Provided by Mark Ducharme) out in the field

- One Initial Outreach Visit team consisting of 1 DEQ rep (Oeming) and 1 MDHHS rep (Groetsch), supported by 2 team Rubicon, 1 city of Flint PD escort, and 1 Penske truck loaded with commodities.

#### Genesee County Health Department team out in the field

1 team with 2 personnel One LHD person (EH), One EPA person (for sampling)

- Responding to high lead homes – Made contact with all homes 150 ppb last Wednesday and will continue as long as they have resources.

**Subject:** SEOC Update 2/5/16 - Flint Water - Limited Distribution

### Update 2/5/16 – 32<sup>nd</sup> Day (31<sup>st</sup> Full Day) After Governor's Declaration of an Emergency

#### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made. Special attention to apartments/multifamily residences.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Prepare of opening of secondary state warehouse

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Attached:

1. Daily Summary of Data (NG field is showing 0 which is not correct). NG personnel are still at the PODs.
2. Sit Rep #31.
3. Maps: Residential Water Sampling Results – Lead and Copper

#### Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Saturday, February 6, 2016.
- MDOC will begin setting up Kroger warehouse.

#### Items to Note

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.
- SBA declaration approved. SEOC Logistics will be working to identify office space in Flint for SBA staff.
- Recovery Branch estimate based on information collected last weekend is as follows:
  - 80 Complexes
  - 4170 Units

- 2892 Assisted Living/Senior Housing (Dept of Aging)
- Information in DHHS Sit Rep is from GCCARD only, this information is not included in the daily totals.
- JIC issued a news release around 10 a.m. about the state of Michigan encouraging food establishments to take *advantage free water safety inspections*. The news release was picked up by the Associated Press and other news media outlets.
- JIC held a media event to encourage people to check out Flint area restaurants with Lt. Gov. Brian Calley and Michigan Department of Agriculture and Rural Development Director Jamie Clover Adams. Nine local and statewide news media members attended the event.
- Finance Section developed guidance for Flint Water Inter-Agency Coordinating Committee related to reimbursements for non-state employees.
- State Voluntary Agency Liaison (VAL) prepared list of NGOs involved in Flint for DHHS SERG grant application.
- State VAL worked on potential jobs funding with TIA via Dept of Labor.
- Question was asked from the Governor's office yesterday if commodities purchased could be returned. Per FEMA, any item such as filter, pitcher, cartridge etc. cannot be returned. Once procured via State RRF the state owns it - no returns. Water can be returned with 12 months remaining shelf life and in complete factory issued pallet w shrink wrap and the state will fund/ transport of returning water to the designated Distribution Center. FEMA will inspect all returning water prior to movement and water is limited to available storage space in the FEMA Distribution Centers which will range between 0-5 million liters. Quantity to be returned will be approved prior to movement based upon available space and known inbound inventory.
- DEQ finalized sentinel sampling plan to commence activities beginning February 10th, 2016.
  - DEQ received 12 iPads for deployment with teams for status tracking.

#### Unified Coordination Group (UCG):

- Met with the nutrition task force today on request from the state.
- Cleared up misinformation on areas that have not been covered.

#### Local EOC

- *Coordinating rapid response deliveries to homebound residents and special locations.*
- Developed floor plan proposal for new warehouse with warehouse workers.
- Recycling and water distribution event with MSU athletics.
- Establishing plan to provide public transit vouchers for travel to blood lead level test clinics.
- Work with Michigan Community Service Commission to align supplies and resources for PUR filter distribution effort next week.
- DEQ/Team Rubicon team visited 30 homes with water lead levels of 150 ppb.
- Developing plans for follow-up with residents at homes with water lead levels of 150 ppb.

**Subject:** SEOC Update 2/4/16 - Flint Water - Limited Distribution

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

**Update 2/4/16 – 31<sup>st</sup> Day (30<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

#### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made. Special attention to apartments/multifamily residences.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Submit SBA application.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Attached:

1. Daily Summary of Data.
2. Sit Rep #30.

#### Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Friday, February 5, 2016.
- FWICC and Mission Flint meetings in Flint.

#### Items to Note

- 10 ARC Flint Water Response Teams to the field today. Continued priority is the apartment list from 2/2/16.
- Recovery Branch worked with county and postal partners to collect information about home vacancies and resident's with forwarded mail addresses in order to ensure we are contacting all occupied residences in the City of Flint.
- Recovery Branch supported the efforts of MSDHA to provide resources to tenants in their facilities.
- JIC issued a media advisory about federal lead for Flint water crisis Dr. Nicole Lurie to visit EPA's command post.
- MDHHS provided a representative to accompany the MDEQ team to the high lead homes in Flint. The MDHHS representative will encourage individuals to have blood lead testing and answer health questions as necessary.
- GIS is working to develop a field application for MDEQ and MDHHS for field collection of water test data and health data respectively.
- SBOC and MTED are working with Department of Labor to identify grants that may be available to assist with jobs programs (wages, training, overhead, and potentially equipment and leasing resources). DOC looking at prisoner re-entry programs for those returning to Flint area.

#### Unified Coordination Group (UCG):

- Working on improving communication flow between UCG and state partners.
- Attended long term recovery meeting held by state VAL.
  - Discussed MARC model and potential transition plan.

#### Local EOC

- Coordinating rapid response deliveries to homebound residents and special locations.
- Attended meeting with federal, state and local health and environmental agencies to establish process for notification of households with water test results that exceed 150 ppb.

- Attended two long term recovery planning meetings with SEOC staff, VOADs and local agencies (Flint Water Recovery Leadership group).
- Ensuring Community Access Center for the Deaf and Hard of Hearing receives appropriate supplies.
  - Briefed staff on site on filter installation and water sampling process.
- Clarified distribution process at city sites with Flint City Administrator's Office. Coordinating with Fire Department Quartermaster for supplying city sites.
- Addressing various public concerns, including identification of canvassing teams.
- Instituted credentialing verification process for 2-1-1 calls.

Chris

---

## INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

### Update 2/3/16 – 30<sup>th</sup> Day (29<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

#### Mission focus for the day:

- Refocus state agencies on objectives, tasks in the Incident Action Plan and how we get to the end state/shift to longer term recovery.
- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Submit SBA application – outstanding item is the certification of availability of financial assistance. Priority item for the a.m. so this can get submitted. Press release has been completed.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Attached:

1. Daily Summary of Data, full version and abridged (New reporting format – we will ensure we give liters of water and cases in the future)
2. Residential Water Sampling Results Maps – Lead and Copper
3. SitRep 29

#### Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Thursday, February 4, 2016.
- Will continue to target residences from the Apartment List from 2/2/16

#### Items to Note

- Paired down the list of parcels not visited from 2400 to 958. Will continue on 2/4/16 to identify any parcels not visited. Some parcels contain multifamily residences and those types of residences are being reviewed and targeted to ensure coverage.
- MDOC is going to look into their job programs for any prisoners begin release back into the Flint area. This will be in conjunction with any other job programs identified. We are working with MTED on solutions.
- DEQ and DHHS will be going to residences with >150 ppb starting tomorrow. They will be checking residences next to the one with the high lead level to see if this is a single residence issue or a bigger issue affecting the block or line in an area. This will not initially include EPA as they did not seem interested in combining teams but we are working on more collaboration without slowing us down.
- DEQ will have a representative in the UCG starting 2/4/15.
- Discussed with UPS on ways they can assist with Rapid Response Team and filter replacements in the future.
- Additional warehouse will be put in service potentially Saturday. Seventh Day Adventist are potentially going to operate it or help with operations to phase out state agency personnel and make it more community run. The warehouse does include some office space if needed.
- 10 ARC Flint Water Response Teams to the field today.
- Team Priority Visited Today: Apartment List from 2/2/16
- SEOC Logistics worked with MDOC on their assistance with warehouse management and staffing for new warehouse. Reached out to Food Bank on their recommendation and coordination for hours/days of operation of new warehouse.
- SEOC Operations attended a donations management meeting to discuss the need for a consolidated list of donated goods.
- JIC strategized with the U.S. Department of Health and Human Services and Environmental Protection Agency on how to better coordinate public information.

#### Unified Coordination Group (UCG):

- UCG IAP approved today for the operational period 0800 2/2/16 to 0800 2/4/16.
- The Federal Health Coordinating Officer had a meeting today with Economic Development and Housing and Urban Development.
- EMHSD liaison provided information on Michigan EM structure to Command.
- State JIC manager now in the communication loop for the UCG.
- UCG discussed MARCs and potential implementation.
- Capt. Kelenske met with Don Boyce from US DHHS to discuss concerns with Federal HHS and EPA and how we can move forward with better collaboration and coordination. Boyce also met with Governor's Office staff on same. The meeting went well and a solid relationship is in place with Boyce. He is a direct report to Dr. Lurie and will provide her some context on the issues and how we can move forward. He will be a good POC to assist us with any shifts in direction needed at the federal level.

#### Local EOC

- Coordinated rapid response deliveries to homebound residents and special locations.
- Working on refining rapid response delivery process.
  - Preparing transition from Team Rubicon personnel to NCCC teams, and eventually Southern Baptist Disaster Relief.
  - Coordinating with ARC for logistics support to NCCC teams (AmeriCorp).
- Working with ARC to ensure resource needs of franchise customers at Sunridge Apartments complex in Flint Township are met.
- Coordinating with MDEQ to streamline test kit assembly process.
- Attended distribution plan meeting with faith-based organizations, state, and local agencies.
- Referring VOADs to appropriate volunteer management agencies.
- Addressing various public concerns, including availability of supplies at child care facilities.

# Damage Assessment and Emergency Status Report

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

## Operational Period

**Operational Period Begin:** 02/09/2016 08:00:00  
**Operational Period End:** 02/16/2016 08:00:00  
**Situation Report No.** 40  
**SEOC Status:** Full  
**SEOC Hours of Operation Begin:** 02/14/2016 08:00:00  
**SEOC Hours of Operation End:** 02/14/2016 20:00:00

## Executive Summary

### SEOC Update:

Accomplished today (February 14, 2016):

The SEOC continues to provide:

- Situational awareness.
- Common operating picture/objectives.
- Coordination with city/county.
- Potential coordination with federal agencies.
- Incident prioritization.
- Coordination of life/health safety measures.
- Resources.
- Public information control.

### Logistics:

- Fielded resource requests.
- Facilitated distribution team calls.
- Still working on getting the supplies and equipment needed for the second warehouse
- Working with Flint Public Schools, donations management and Walmart to find a location for their donated water.

### JIC:

- Added Recycling information to the carousel on [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater).
- Added a link on [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater) to the Attorney General's Consumer Advisory about scams targeting Flint residents.
- Tweeted a reminder about scams from EMHSD twitter account.
- Requested field PIO to arrange media interviews on Tuesday with local reporters regarding scams.
- Requested that information about recycling and scams be included in daily Flint Water Response email sent by the Governor's Office; both items were included in the message that went out at 11 a.m. today.

### Recovery Branch:

- o Attended Local Brief, SEOC State Agency Briefing Meetings, Distribution Process Meetings.
- o Reviewed and commented on ICS 204 Forms Obj. 1 and 6 in preparation of meeting tomorrow.
- o Team Priority Visited Today: Visited the 83 addresses of City of Flint Residents where there was no valid record of having been contacted. Continued with Rapid Response.
- o Team Priority Scheduled Tomorrow: Continue Water Distribution and Rapid Response.
- o 5 American Red Cross Teams scheduled for Monday, February 15, 2016.

### o Total homes visited:

- 24,215 (round 3 total).
- 1,046 (today).

### o Water cases (liters calculated by multiplying # of cases x 12):

- 164,856 liters or 13,738 cases (round 3 total).
- 10,212 liters or 851 cases (today).

### o Replacement cartridges:

- 5,484 (round 3 total).
- 319 (today).

### o Faucet filters:

- 7,821 (round 3 total).
- 69 (today).

### Planning Section:

- Published Sit Rep #40.
- Submitted daily Governor's report.
- Participated in daily calls and meetings with UCG, state agencies and distribution process.
- Updated position procedures.
- Situation Unit continued work on appeal letter.
- Started updating IAP information for planning day tomorrow.

### Operations Section:

- Met with State agency EMCs to determine progress with their current IAP objectives.
- Participated in the Unified Coordination Group briefing.
- Facilitated the State Agency briefing conference calls.
- Participated in the Distribution Process meeting.

- Warehouse Numbers as of 1800:

- ☐ Water (liters):
  - 677,953 liters or 61,230 cases.
- ☐ Filters (faucet):
  - 47,132.
- ☐ Replacement cartridges:
  - 375,514.
- ☐ Test Kits (prepped):
  - 28,674.

- PODs (Number as of 1700 2/14):
  - ☐ Water (cases):
    - 25,854 liters or 2,132 cases.
  - ☐ Filters (faucet):
    - 80.
  - ☐ Replacement Cartridges:
    - 181.
  - ☐ Test kits:
    - 50.

#### Finance Section:

- Created Category B Cost Assessment spreadsheet for appeal.
- Entered potential Category B Costs in spreadsheet.
- Work on updating the spending plan.

#### GIS Branch Updates:

- EM Power Map created & cross referenced if they were visited.
- Created individual area maps containing homes that are still not contacted.
- Water sampling map with test results for Lead & Copper with data from 12/13
- Validated field team location.
- Parcel pairing.
- Daily JIC map.

#### DTMB:

- Continue to provide DTMB management with daily updates and resource requests received.
- Providing Polycom phone to DEQ ECC.
- Modifying parking access to Flint ramp per SEOC request.

#### DHHS-CH (weekly):

- The CHECC remains activated at a Level 2, and continue to staff the hotline Monday through Friday to answer any lead health-related questions referred by 2-1-1 in support of the GCHD. The CHECC continues to provide representation to the UCG to facilitate communication with federal partners.
- GIS provided MDHHS with the map and follow up of additional addresses of medically dependent individuals in the 48502 zip code as requested yesterday.
- The CHECC has been in contact with the GCHD EPC and they are discussing the potential need for additional nurse case manager support from federal partners. The current federally supplied nurse case managers will be leaving Flint this week.

#### DEQ:

- Deployed Sentinel water sampling collection crews and continued data collection and monitoring.
- Continued assembling data for EPA Emergency Administrative Order and second EPA request.
- Reviewed incident objectives to reflect Director's priorities for upcoming week.
- Sentinel Team results (2/11/16 to 2/13/16): As of 5:02 pm today, 249 of 402 homes were visited.

#### Unified Coordination Group (UCG):

- One sequential testing team is set up to do outreach at 40 residences, along with eight filter grabs.
- Health and Medical Task Force will be meeting with the US Behavioral Health for a team meeting, to integrate with the Flint Recovery Group. They will also begin setting up for the incoming team with nurse case managers who are arriving today.
- UGC Public and External Affairs: Surgeon General will be arriving tomorrow for a two day visit.
- American Red Cross had a 3:00 pm meeting to review the ARC Recovery Framework, and to identify the federal representatives who will be on the recovery groups.
- The UCG advised they will work on getting info graphics to make the website less confusing.

#### Local EOC:

- Sentinel outreach campaign statistics:
  - ☐ 402 homes were initially contacted for the program.
  - ☐ 241 households have agreed to be sentinel monitoring points for long-term water testing.
  - ☐ Identified 10 lead service lines.
  - ☐ 17 households declined to participate.
- Developed SitRep #34.
- Fulfilled special site visit requests from Governor's Office through Elevated Lead and Copper Initial Assessment Task Force.
- Coordinating scheduling of blood lead level testing clinics in support of goal to test all children under the age of six by April 1.

#### Injuries:

- MDEQ worker fell in the driveway of a residence during work as part of the MDEQ sentinel monitoring program task force. No injury reported and incident was documented on an ICS 214.
- Non-Incident related: One person from the EPA was admitted to the hospital.

#### Incident Response/Recovery Priorities/Objectives

(Objectives are in order of priority with original objective number attached)

12. Develop and implement a comprehensive long term recovery and transition plan.
11. Ensure accurate tracking and accounting of all donations.
5. Continue to maintain adequate staffing to support operational requirements.

10. Collaborate with local and volunteer agency partners to solidify the Flint Water Operations Plan.
9. Enhance situational awareness and common operating picture of all activities.
8. Maintain coordination between partner agencies and organizations to include FEMA IMAT, FWCC, and the US Department of Health and Human Services Unified Coordination Group (UGC).
3. Improve and maintain the public information strategy and process.
6. Develop an overview of possible assistance programs.
4. Develop a long term public health and services plan.
7. Gather, analyze, and disseminate GIS data to develop products for future planning.
1. Ensure all households within impacted community have required resources and are included in DEQ water sampling plan.
2. Ensure accurate tracking and accounting of all commodities.

##### Damage Assessment Summary

## Agency Summaries

### Joint Information Center / Public Information Officer

#### Tasks accomplished:

- Added Recycling information to the carousel on [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater)
- Added a link on [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater) to the Attorney General's Consumer Advisory about scams targeting Flint residents
- Tweeted a reminder about scams from EMHSD twitter account
- Requested field PIO to arrange media interviews on Tuesday with local reporters regarding scams
- Requested that information about recycling and scams be included in daily Flint Water Response email sent by the Governor's Office; both items were included in the message that went out at 11 a.m. today

### Agriculture and Rural Development (MDARD)

MDARD has no activities to report for 2/14/16.

### American Red Cross (ARC)

The American Red Cross deployed 5 teams on Sunday, 2/14/16: 2 rapid response teams in partnership with AmeriCorps NCCC and 3 mobile teams.

The Volunteer Reception Center is operating today from 9am to 5pm, and the plan is for those hours to continue daily, Monday through Sunday.

101 new event-based volunteers were processed through the VRC. This total is comprised of 42 individuals and 59 people from four groups, the Environmental Council, Hilary for Michigan, Flint Derby and ELGA (a credit union). All 101 participated in today's relief efforts.

The VRC is finished with water test kit assembly for the time being. Consequently, it is focusing on putting together water bottle recycling kits. 44 boxes were filled with recycling kits today.

### Community Health (MDCH)

The CHECC remains activated at a Level 2, and continues to staff the hotline Monday through Friday to answer any lead health-related questions referred by 2-1-1 in support of the GCHD. The CHECC continues to provide representation to the UCG to facilitate communication with federal partners.

GIS provided MDHHS with the map and follow up of additional addresses of medically dependent individuals in the 48502 zip code as requested yesterday. Information was provided to the Operations Chief. It does not appear that additional follow up will be required.

The CHECC has been in contact with the GCHD EPC and they are discussing the potential need for additional nurse case manager support from federal partners. The current federally supplied nurse case managers will be leaving Flint this week. A decision is anticipated in the next couple of days.

### Corrections (MDOC)

Warehouse 2 is fully functioning and has been receiving loose, non-pallet water donations.

MDOC continues to keep trucks dedicated to delivering to individual POD's and covering Rapid Responses for PODs that get to a critical level. PODs remained well supplied throughout day and will continue to be well supplied moving forward.

We are continuing to work with Finance and MDOC assets to capture total employee payroll information and expenditures.

MDOC continue to staff the SEOC from 0800-2000, 7 days/week. Mike Farmer and Bridget Spencer are managing the Recovery Branch of the SEOC

67 test kits were delivered from Flint to Lansing today. 67 were residential. No MDARD.

### Environmental Quality (MDEQ)

The Department of Environmental Quality (DEQ) completed the following activities today:

- Deployed Sentinel water sampling collection crews and continued data collection and monitoring.
- Continued assembling data for EPA Emergency Administrative Order and second EPA request.
- Reviewed incident objectives to reflect Director's priorities for upcoming week.
- Sentinel Team results (2/11/16 to 2/13/16): As of 5:02 pm today, 249 of 402 homes were visited.

### Licensing and Regulatory Affairs (LARA)

Participated in briefings and updated the LARA Executive Team

LARA continues to monitor DEQ's test results for Health Care, Child Care, Adult Foster Care, HHS and MDE facilities and Schools.

LARA continuing efforts to plan and schedule faucet replacements for Flint schools. LARA is working with MDOC to track and store incoming material at the warehouse.

Translation services for various documents continue to be provided as needed.

*Ongoing discussion regarding coverage of state regulated facilities and elimination of duplication of effort.*

#### **Military and Veterans Affairs (DMVA)**

##### **Commanders Situation Report (SITREP)**

1. DTG: 1413002016

2. UNIT: Points of Distribution (PODs), TF FLINT (1-125 IN)

3. POC: 1LT Roland, John G. Cell:                      mail: john.g.roland2.mil@mail.mil

4. PRESENT LOCATION: Genesee County Local EOC, 1101 Beach St., Flint, MI, 48502

5. SITUATION OVERVIEW: 1-125 IN has      Soldiers deployed to the Flint Water Crisis in support of Distribution Operations at the Points of Distributions (PODs). Daily operations consist of receiving, tracking, and issuing out water, filters, replacement filters, and water test kits.

6. OWN SITUATION DISPOSITION /STATUS: Currently 1-125 IN has      Soldiers on ground supporting the mission.

7. OPERATIONS: *Operations for the next 24 hours are to sustain water/filter distributions throughout the 5 designated fire stations and track all distribution incoming and outgoing through the PODs.*

a. Signs have been printed off for the POD Buildings. Requesting approval to get the signs laminated from the purchasing office.

1.) TF Flint OIC, 2LT Benke, is actively seeking approval from Dana and/or Kim at the purchasing office for laminating.

b. Soldiers are preparing for the unit change at the PODs.

1.) 1-125 IN will be replaced within the next 72 hours.

8. PERSONNEL:      Soldiers are currently assigned to the POD operations.      Soldiers are assigned in five teams at Fire Stations 1, 3, 5, 6 and 8.

9. INTELLIGENCE / FORCE PROTECTION: Water boil advisory has been lifted.

10. LOGISTICS: In support of TF Flint

a. Schupen has placed an order for more instruction cards attached to recycle bags.

b. Recycling trailers will need to be emptied this week. Working with POD NCOICs IOT determine an estimated time for a trailer exchange.

11. COMMUNICATIONS: No communications issues at this time.

P: RRF cell phones alternate for WRTs.

A: Personal cell phone

C: 800 MHz radios issued to PODs and WRTs.

E: Runner

12. NARRATIVE: N/A

13. COMMANDER'S EVALUATION:

- AAR and operational notes are being consolidated into SOP's to send to JOC to assist in updating the All Hazards Plan.
- An operational handoff packet including SOP's, POC's, POD sector sketches, hand-receipts, and other operational notes is being built to assist the incoming unit. When the incoming OIC has been selected, I would like to establish communications with them in regards to the aforementioned items before they report to Flint.

• OUT (last 24 hours)

Bottled water-2435 Water (Gallons)-3369 Lead Testing Kits-96

Pitcher (23 cup)-0 Brita Faucet Filter-16 Brita Replacement Cartridge-71

Pur Filter-87 Pur Replacement Filter-230

#### **National Weather Service (NWS)**

NWS Detroit providing morning SEOC brief and Activity Log posts. Jim Maczko from NWS Grand Rapids will be the contact point for any changes in NWS Support and will also continue to update the Sit Rep Executive Summary as needed.

Participation in afternoon SEOC briefings is planned only if significant changes in the forecast occur.

#### **Natural Resources (MDNR)**

MDNR LED continues to support its QOL partners with staffing at the SEOC.

Department POC's include:

Chief Gary Hagler, F/Lt. Jennifer Wolf, F/Lt. Steven B. Burton.

#### **Services to the Aging (OSA)**

Valley Area Agency on Aging (VAAA) continues to receive phone calls from concerned seniors in Flint and continues to make referrals to the Genesee Co. EOC for water and filter follow-up.

VAAA's local Nursing Home Ombudsman continues to monitor Flint area Nursing Homes to ensure residents have access to safe water.

Contact info for VAAA Executive Director is:

Kathryn C. Boles  
President, CEO  
Valley Area Agency on Aging  
225 E. Fifth Street, Suite 200  
Flint, MI 48502  
(810) 239-7671  
(810) 239-8869 fax

**State Police (MSP)**

The MSP position within the SEOC will be staffed at MSP Operations at HQ. All e-mails to MSP-EOC-MDSP@michigan.gov are being forwarded to the Operations Lt. The phone number for the on duty Operations Lieutenant is 517-241-8000

**Technology, Management and Budget (MDTMB)**

Continue to provide DTMB management with daily updates and resource requests received.

Providing Polycom phone to DEQ ECC

Modifying parking access to Flint ramp per SEOC request

**Transportation (MDOT)**

Continuing to maintain situational awareness and responding to issues regarding equipment and road conditions.

**Incident Related Images**

SEOC Report for February 14, 2016  
Full Days Since Emergency Declaration: 40

#### Items to Note

- There is a decrease in number of total residential parcels and total residential active water subscribers. Seven parcels were *originally classified as residential parcels and were found to be right-of-way or easements*. The data has been updated to remove those seven properties.
- National Guard mission has been extended through 3/16/2016.
- SEOC Logistics is working with Flint Schools to identify alternative locations to store water. Additionally, Logistics is continuing to fulfill resource requests for Warehouse #2, based on the Memorandum of Agreement with the Seventh Day Adventist.
- Recovery Branch is working to outline the transition between National Civilian Community Corp (NCCC) and Southern Baptists for the Flint Water Response Teams. NCCC will complete their volunteer mission on 2/15/2016 and Southern Baptists will begin their mission on 2/16/16. ARC will return their iPads to the local EOC for the Southern Baptists teams to use for data collection.

## FLINT WATER RESPONSE TEAM

UPDATE | MONDAY, FEBRUARY 15, 2016

This daily update is being issued in order to provide the latest information regarding actions and available resources.

---

### Help keep your kids safe

The foods we prepare and serve to our families can help limit the effects of our kids' exposure to lead.

You should serve children foods that are rich in calcium, vitamin C, and iron to help keep lead from being stored in a child's body.

For food assistance for low-income Flint residents, contact WIC at 810-237-4537. You can apply for SNAP food assistance at [www.michigan.gov/mibridges](http://www.michigan.gov/mibridges).

If you think your child is at risk for lead exposure, please contact your primary care doctor or the Genesee County Health Department by dialing 810-257-3612.

[Click here for more helpful tips.](#)

#### KEEP FLINT KIDS SAFE

**GOOD FOOD AND NUTRITION:**  
Serve children foods rich in calcium, vitamin C, and iron to help keep lead from being stored in a child's body.

<b>SOURCES OF IRON:</b> <ul style="list-style-type: none"><li>Lean red meats, fish, and chicken</li><li>Iron-fortified cereals, bread and pasta</li><li>Beans</li><li>Dark leafy greens</li><li>Iron</li></ul>	<b>SOURCES OF CALCIUM:</b> <ul style="list-style-type: none"><li>Milk, cheese and yogurt</li><li>Green leafy vegetables</li><li>Calcium-fortified orange juice</li><li>Tofu</li><li>Canned salmon and sardines (with bones)</li><li>Beans</li></ul>	<b>SOURCES OF VITAMIN C:</b> <ul style="list-style-type: none"><li>Citrus fruits, like oranges and grapefruit and their juice</li><li>Berries</li><li>Papaya</li><li>Other fruits like kiwi, strawberries, peaches, and guava</li></ul>
--	---	---

For fresh, healthy food assistance:  
• Contact WIC at 810-237-4537  
• Apply for SNAP food assistance at [www.michigan.gov/mibridges](http://www.michigan.gov/mibridges)  
• Visit your local Michigan Department of Health and Human Services office.

**IF YOU THINK YOUR CHILD IS AT RISK:**  
Contact your primary care doctor or the  
Genesee County Health Department  
Email: [info@chd.us](mailto:info@chd.us) | Phone number: 810-257-3612

### Gov. Rick Snyder seeks federal waiver to expand Medicaid services in Flint to people under age 21 and pregnant woman

If this request is approved, it would mean an expansion of Medicaid and Children's Health Insurance Program services to about 15,000 more Flint residents.

Those eligible for coverage include anyone up to the age of 21 and pregnant women and their future children.

Additional information about water response efforts is available at [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater), by calling United Way's 2-1-1 or visiting [www.helpforflint.com](http://www.helpforflint.com).

---

Flint families need critical clean water resources. Since January 9, the state has distributed:

- 321,117 cases of bottled water
- 105,604 water filters

- 214,300 replacement cartridges
  - 35,570 water testing kits
- 

## REMINDERS

- For Flint water assistance: Dial United Way 211 or visit [www.mi.gov/FlintWater](http://www.mi.gov/FlintWater)
- To donate or volunteer: visit [www.HelpForFlint.com](http://www.HelpForFlint.com)
- Residents should install filters to their taps to ensure they have immediate and ongoing access to safe water. Only run cold water through the water filter and use filtered water for drinking and cooking.
- Monitor the cartridge on the filter and replace as needed.

## WATER RESOURCE LOCATIONS

These sites are open seven days a week from 9 a.m. to 9 p.m. with the following resources:

- Bottled water
- Water filters
- Replacement cartridges for water filters
- Water testing kits pick-up
- Drop-off location for water testing kits

Fire Station #1  
310 East 5th St.  
Flint, MI 48502

Fire Station #3  
1525 Martin Luther King Ave.  
Flint, MI 48503

Fire Station #5  
3402 Western Rd.  
Flint, MI 48506

Fire Station #6  
716 West Pierson Rd.  
Flint, MI 48505

Fire Station #8  
202 East Atherton Rd.  
Flint, MI 48507

We will continue to work to improve the water situation in Flint. Community members and local officials are working together to make sure we hear and respond to concerns. Governor Snyder will continue to keep you updated on the latest news and information. **If you don't find the resources you need by dialing United Way 211 please call the Governor's office directly at 517-335-7858.**

- Sentinel Site Monitoring Collection Teams starting to collect samples at sentinel monitoring points on 02/15/2016. The teams will collect samples bi-weekly at each *monitoring point*.
- Per MDEQ, based on the population, the City of Flint needs 60 samples for their compliance monitoring for this *monitoring period under the Lead and Copper Rule*. These compliance sampling sites must be "Tier 1" sites, and at least half of them must be lead service lines. They wanted all of the compliance sites to be lead service lines. They were hoping that the 402 sentinel sites would produce at least 60 sites with lead service lines. However, they now know they will need to do some more searching to find even the minimum number of sites for compliance monitoring

#### Unified Coordination Group (UCG):

- Developed Situation Report
- CDC/ASTDR field team representative attended community meeting at local church where an estimated 50 community members were in attendance.

#### Local EOC:

- In processed Southern Baptist Disaster Relief Group. Southern Baptist Disaster Relief taking over rapid response deliveries for NCCC teams on 02/16/2016.
- 140 water samples picked up at sentinel monitoring points by 1600 on 02/15/2016. Will be close to completing pick up at all 241 locations before end of day.
- Discussing lead and copper exposure of animals in City of Flint with MSU College for Veterinary Medicine.
- Introducing local staff to EOC positions and processes.
- Evaluating potentially culturally sensitive messages on water donated through one specific source. Holding water at warehouse until confirmation that displayed messages are not offensive.
- Sit Rep # 35 published.

Chris

#### Update 2/14/16 ~ 41<sup>th</sup> Day (40<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Create better situational awareness between local, state and federal agencies specifically with the UCG.

##### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### Attached:

1. Maps: Residential Water Sampling Results for lead and copper. Updated to include 2/13/2016 data.
2. Governor's Report (no graphs due to edits being made in the burn rates).

#### Key items for tomorrow to note are:

- 5 American Red Cross Teams scheduled for Monday, February 15, 2016. Team Priority Scheduled tomorrow is to *continue water distribution and rapid response*.
- It was announced at the 6:30 pm distribution process meeting that the NCCC will continue their volunteer mission through 2/22/2016. ARC will return their iPads to the local EOC for the Southern Baptists teams to use for data collection. Southern Baptists will be at the local EOC to train on the iPads tomorrow, and will begin their mission on Tuesday.

#### Items to Note

- There is a decrease in number of total residential parcels and total residential active water subscribers. Seven parcels were originally classified as residential parcels and were found to be right-of-way or easements. The data has been updated to remove those seven properties.
- National Guard mission has been extended through 3/16/2016.
- SEOC Logistics is working with Flint Schools to identify alternative locations to store water. Additionally, Logistics is continuing to fulfill resource requests for Warehouse #2, based on the Memorandum of Agreement with the Seventh Day Adventist. Recovery Branch is working to outline the transition between National Civilian Community Corp (NCCC) and Southern Baptists for the Flint Water Response Teams.
- 5 American Red Cross Teams were deployed today. The teams visited the 83 addresses of City of Flint Residents where there was no valid record of having been contacted. Continued with Rapid Response.
  - JIC requested that information about recycling and scams be included in daily Flint Water Response email sent by the Governor's Office; both items were included in the message that went out at 11 a.m. today.

#### Unified Coordination Group (UCG):

- One sequential testing team is set up to do outreach at 40 residences, along with eight filter grabs.
- Health and Medical Task Force will be meeting with the US Behavioral Health for a team meeting, to integrate with the Flint Recovery Group. They will also begin setting up for the incoming team with nurse case managers who are arriving today.
- UGC Public and External Affairs: Surgeon General will be arriving tomorrow for a two day visit.
- American Red Cross had a 3:00 pm meeting to review the ARC Recovery Framework, and to identify the federal representatives who will be on the recovery groups.
- The UCG advised they will work on getting infographics to make the website less confusing.

#### Local EOC:

- Sentinel outreach campaign statistics:
  - 402 homes were initially contacted for the program.
  - 241 of those households have agreed to be sentinel monitoring points for long-term water testing.
  - Identified 10 lead service lines.
  - 17 households declined to participate.
- Developed SitRep #34.
- Fulfilled special site visit requests from Governor's Office through Elevated Lead and Copper Initial Assessment Task Force.
- Coordinating scheduling of blood lead level testing clinics in support of goal to test all children under the age of six by April 1.

---

#### Update 2/13/16 – 40<sup>th</sup> Day (39<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

#### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.

- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
  - Work with UPS on future partnership and service delivery model.
- Create better situational awareness between local, state and federal agencies specifically with the UCG.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal. We are still waiting for the City of Flint to provide us the appropriate information to assist with this.

#### Attached:

1. Sit Rep #39.
  2. Governor's Report
- \* There were no Water Sampling Results Maps available today. Will work with GIS to provide maps for tomorrow.

#### Key items for tomorrow to note are:

- Although the boil water advisory has been lifted in the city of Flint, the SEOC is continuing to monitor supplies at the PODs closely in anticipation of burn rates increasing over the holiday weekend.
- 8 American Red Cross teams scheduled for Sunday, February 14.
- ARC will visit the 83 addresses of City of Flint Residents where there is no valid record of having been contacted. Continue with Rapid Response when needed.

#### Items to Note

- Completed first phase restructuring of DEQ Reports to EPA tab on Michigan.gov/flintwater website.
- Sentinel Team results (2/11/16 to 2/13/16): As of 5:02 pm today, 234 of 402 homes were visited.
- SEOC staff continues to work to comply with FOIA request.
- The CHECC remains active at a Level 2, and continues to staff the hotline Monday through Friday to answer any lead health-related questions referred by 2-1-1 in support of the GCHD.
- 41 event-based volunteers were assigned and active on projects today.
- Discussion ensued about National Guard mission which may have a current end date of February 16 (Tuesday). This mission will continue until the long term distribution plan is ready to be implemented.

#### Unified Coordination Group (UCG):

- There was a public meeting at noon today that EPA staff attended on "When is this over?"
- New mental health teams are in today. They had an orientation at the UCG from 0930-1030 to discuss objectives and tasks.
- MDEQ teams did 180 home inspections and discovered 5 lead lines.

#### Local EOC:

- Sentinel Site Monitoring Teams and Elevated Lead and Copper Initial Assessment Task Force out in the field.
- Fulfilled special site visit requests from Governor's Office through Elevated Lead and Copper Initial Assessment Task Force.

- Sentinel Site Monitoring Teams will rally at 1000 instead of 0900 on 02/14/2016 to avoid low temperatures in earlier morning hours.
- Planning for transition from state agency support personnel to local personal in EOC.

Chris

---

**Update 2/12/16 – 39<sup>th</sup> Day (38<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

**Mission focus for the day:**

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
  - Work with UPS on future partnership and service delivery model.
- Create better situational awareness between local, state and federal agencies specifically with the UCG.
- Monitor water main break and messaging.

**Status on Governor’s request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

**Attached:**

1. Sit Rep #38.
2. Maps: Residential Water Sampling Results – Lead and Copper
3. Governor’s Report

**Key items for tomorrow to note are:**

- Although the boil water advisory has been lifted in the city of Flint, the SEOC is continuing to monitor supplies at the PODs closely in anticipation of burn rates increasing over the holiday weekend.
- 8 American Red Cross teams scheduled for Saturday, February 13 – extra vehicles on hand for surge in event based volunteers.

**Items to Note**

- Elevated Lead and Copper Initial Assessment Task Force is beginning identification of companion animals in visited homes for start of dog blood level testing.
- The JIC issued news release this afternoon upon lifting of boil water advisory. They also held media availability at the Genesee County Emergency Operations Center to give the news media access to a sentinel team briefing prior to disbursing throughout Flint.
- Per MDEQ, all of the results from the samples collected in response to the water main break were non-detect for coliform bacteria.
- SEOC staff is working to estimate record numbers to comply with FOIA request.
- The CHECC remains active at a Level 2, and continues to staff the hotline Monday through Friday to answer any lead health-related questions referred by 2-1-1 in support of the GCHD.

- 80 volunteers were active across the operation today (56 event based, 15 ARC, 9 NCCC).

#### Unified Coordination Group (UCG):

- WQTF: Has a new team listed in the ICS-204 community involvement teams.
- Transitioned to using vulnerable populations as standard language instead of special populations.

#### Local EOC:

- 10 Sentinel Site Monitoring Teams and Elevated Lead and Copper Initial Assessment Task Force out in the field.
- Sentinel teams inspected approximately 170 homes since 02/10/2016, Initial Assessment Task force inspected approximately 65 homes with elevated lead levels and 30 days with elevated copper levels since 02/04/2016.
- Planning for staffing and transition from state agency support personnel to local personnel at Genesee County EOC.
- Liaison Officer and Incident Commander visited UCG and made contact with the Federal Health Coordinating Officer.
- Boil Water Advisory issued by City of Flint in response to water transmission line break was lifted at approximately 1700.

Chris

**Subject:** SEOC Update 2/11/16 - Flint Water - Limited Distribution

#### Update 2/11/16 – 38<sup>th</sup> Day (37<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
  - Work with UPS on future partnership and service delivery model.
- Create better situational awareness between local, state and federal agencies specifically with the UCG.
- Monitor water main break and messaging.

##### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### Attached:

1. Sit Rep #37.

\* There are no Water Sampling Results Maps available for today. GIS is resolving a problem with the maps and they will be available tomorrow. Some anomalies in the data were discovered that are being corrected.

Key items for tomorrow to note are:

- Due to the boil water advisory in the city of Flint the SEOC will continue to monitor supplies closely in anticipation of burn rates increasing.
- 8 American Red Cross Teams scheduled for Friday, February 12, 2016.
- The second warehouse will open tomorrow on Pierson Road. This warehouse will primarily receive donations that are not on pallets.

Items to Note

- MDE is reporting that a portion of the emergency funds that were approved for the Flint Water Crisis included \$340,000 for Flint Community Schools to hire/contract for nine school nurses.
- U.S. Department of Education is scheduled visit Flint on February 12, 2016 at 0830 at the Genesee Intermediate School District. MDE Deputy Superintendent and the Director of Special Education will attend. Family alliance members will also attend.
- MDEQ has 10 - 3 person Sentinel Sampling Teams on the ground again today. Each team is composed of 1 local resident, 1 licensed plumber and 1 MDEQ staff person providing training on water sampling to residents throughout the City of Flint. These residents have agreed to conduct ongoing sampling with their water to be analyzed by the MDEQ laboratory. These residents will also be part of the Sentinel Sampling Program and samples will be collected every two weeks and will provide analysis for lead and copper. Over 100 homes were visited yesterday on Day 1 of the effort.
- Attended Community Stakeholder meeting. In addition MDEQ continues to lead an Initial Site Assessment Team for high copper and high lead. This team is composed of 1 licensed plumber, 1 law enforcement officer from Flint PD, 1 MDEQ staff person and 1 MDHHS representative. This team is providing initial assessment information to residents whose homes have water sampling results above the federal action levels for lead and copper. Our goal is to provide these visits and assessment within 48 hours of receiving the results.

Unified Coordination Group (UCG):

- WQTF: 1st round of sequential results in a week-week and a half, this paired with the MDEQ sentinel site sampling will provide a good picture of how the system is improving.
- HMTF: Met with the Mass Transportation Authority (MTA), they have a lot of resources to get people to places of interest e.g. care facilities, good food sources, etc.
- PEATF: Dr. Mona, Chelsea Clinton, and Dr. Lurie are in town. A lot of community outreach going on over the weekend. Surgeon General will be in town next week.

Local EOC

- Attended Community Stakeholder meeting.
- Long-term distribution plan, based on discussions with City of Flint and SEOC representatives on 02/09 and 02/10/2016 in Lansing, will be presented to Deputy State Director of Emergency & Homeland Security on 02/12/2016.
- Developing logistics procedures to aid transition to local EOC staff.
- 10 Sentinel Site Monitoring Teams and Elevated Lead and Copper Initial Assessment Task Force out in the field.

Chris

Update 2/10/16 – 37<sup>th</sup> Day (36<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.

- Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
  - Work with UPS on future partnership and service delivery model.
- Create better situational awareness between local, state and federal agencies specifically with the UCG.
- Meet with Seventh Day Adventists on warehouse plan.

Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Attached:

1. Sit Rep #36.
2. Maps: Residential Water Sampling Results – Lead and Copper
3. Governor Report

Key items for tomorrow to note are:

- Due to the boil water advisory in the city of Flint the SEOC will continue to monitor supplies closely in anticipation of burn rates increasing.
- 10 American Red Cross Teams scheduled for Thursday, February 11, 2016.

Items to Note (Items in RED are new from when the Governor's Report, "Items to Note" was produced)

- Tasked NG to develop a white paper on what a modern day Civilian Conservation Corps program would look like if implemented in Flint.
- Boil water advisory has been issued in the City of Flint by the local utility due to a broken water main.
- MDEQ implemented Sentential Sampling Program today.
- The long term recovery continued meeting today and anticipates having a completed long term recovery plan by Thursday February 11, 2016.
- 10 ARC Flint Water Response Teams to the field today. It is anticipated that by the end of tomorrow all water customers will have been contacted at least once.
- In conjunction with Michigan Department of Education, USDA visited a Flint elementary school and health department today to discuss how USDA programs can help provide relief to those affected by water contamination. From the visit, came a USDA media release that highlighted the efforts between the USDA, MI Department of Education and all Health/Human Service partners to expand nutrition programs.
- The American Red Cross is helping to coordinate volunteers, distribution efforts, supply storage and logistics planning in concert with local officials, United Way, Michigan Community Service Commission and a growing list of partners.
- SEOC staff met with UPS representatives today re: delivering cartridges to functional/mobility needs citizens. UPS is prepared to assist in this partnership and will provide service at no charge. UPS suggested treating each delivery as a separate package so each can be effectively tracked, and would be able to begin deliveries within the 2-3 week window.

Unified Coordination Group (UCG):

- EPA: Additional team to provide Residual Chlorine testing (2 teams today).
- WQTF: Discussion of state/federal messaging regarding the water main break in addition to the City's.
- EPA: 1,000 samples collected at over 150 homes. Sequential testing at several homes today.

- USDA: Announcing official response to the state's request for expanding WIC funds for blood level. Testing support and expanding program up to the age of 10.
- HUD: Made contact with 100% (2,350) private residences that receive HUD assistance, all have filters installed. Public housing starting today with housing commission to test all properties within a week. Using in-house staff.

#### Local EOC

- Incident Command, Liaison Officer and Logistics Section Chief discussing long-term distribution plans with representatives from City of Flint and SEOC in Lansing (on 02/09, 02/10 and 02/11/2016).
- Elevated Lead and Copper Initial Assessment Task Force out in the field, visited 6 homes (provided information at 8 additional homes).
- Ten Sentinel Site Monitoring Teams out in the field, visited 30 homes (provided information at 50 additional homes).
- Expecting increased demand for bottled water and filter cartridges due to Boiled Water Advisory in response to water transmission line break. Aligning additional supplies for appropriate resupply at Fire Station PODs.
- Managing donations and volunteers with Michigan Community Service Commission, ARC and United Way of Genesee County.

Chris

---

#### Update 2/9/16 – 36<sup>th</sup> Day (35<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Create better situational awareness between local, state and federal agencies specifically with the UCG.

##### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### Attached:

1. Governor's Data Report from 2/8/16.
2. Sit Rep #35.
3. Maps: Residential Water Sampling Results – Lead and Copper

##### Key items for tomorrow to note are:

- Due to the boil water advisory in the city of Flint the SEOC will need to monitor supplies closely in anticipation of burn rates increasing.
- The Small Business Administration will be opening an office in Flint tomorrow at the Oak Business Center (2712 Saginaw Street) .

- 10 American Red Cross Teams scheduled for Wednesday, February 10, 2016.

#### Items to Note

- A boil water advisory has been issued in the City of Flint by the local utility due to a broken water main.
- The MOA for the Adventist Community Services to operate the second warehouse was signed by their organization today.
- The long term recovery group made significant progress today and anticipates having a completed long term recovery plan by Thursday February 11, 2016.
- Recovery completed the comprehensive list of apartment units that exist within the City of Flint and franchise customers.
- 10 ARC Flint Water Response Teams to the field today. It is anticipated that by the end of tomorrow all water customers will have been contacted at least once.

#### Unified Coordination Group (UCG):

- Approved IAP #8.
- EPA: Most residents not using their water for anything other than bathing. Also, not running the water. This is an issue for chlorine and phosphate. Concerns for summer, chlorine can cause increased bacteria.
- MDEQ: Visited every home adjacent to high lead lines. Visited all homes higher than 15 ppb.
- HMTF: Working with GCHD to have a clear idea of what has been completed and what additional needs to exist.
- HMTF: Working on redirecting 211 calls from the state to the county so they can sustain long term.

#### Local EOC

- Incident Command, Liaison Officer and Logistics Section Chief in Lansing for long-term distribution planning discussions with representatives from City of Flint and SEOC.
- Determined team-make up and staffing for Sentinel Site Monitoring Teams in coordination with SEOC, UCG and MDEQ ECC.
- Finalizing plans for deployment of Sentinel Site Monitoring Teams starting 02/10/2016.
- Updating IAP to include current work assignments.
- Elevated Copper Initial Assessment Task Force visited 11 addresses with elevated copper and lead water levels on 02/09/2016.

Chris

---

#### Update 2/8/16 – 35<sup>th</sup> Day (34<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

#### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Open secondary state warehouse.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.

- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Attached:

1. Governor's Report for 2/8/2016.
2. Sit Rep #34.

Key items for tomorrow to note are:

- Team Priority Scheduled Tomorrow: Active Water Subscribers without filters marked vacant
- 10 American Red Cross Teams scheduled for Tuesday, February 9
- Congressional and Legislative Call, 2:30 PM

Items to Note

- JIC Drafted a news release about the team visiting homes with high copper levels. Anticipate releasing tomorrow.
- SEOC Logistics had a conference call with Seventh Day Adventists on agreement and staffing for new warehouse.
- SEOC Planning developed a new Incident Action Plan for Operation Period from 2/9-2/16/2016.
- Requested monetary donation information from United Way and Community Foundation of Greater Flint.
- GIS develop an online application for Governor Snyder to view maps.

Unified Coordination Group (UCG):

- No updates.

Local EOC

- Establishing objectives and IAP for next operational period, 02/08/2016 -- 02/12/2016.
- Awaiting additional information regarding companion animals with potential lead and chlorine poisoning from MDARD.
- Establishing plans for Elevated Copper Initial Assessment Task Force starting 02/08/2016 and follow-up outreach to homes with water lead levels over 150 ppb starting 02/10/2016.
- Aligning resources and supplies for Elevated Copper Initial Assessment Task Force and follow-up outreach to homes with water lead levels over 150 ppb.
- Analyzing locations of faith-based organizations and churches for integration into long-term recovery plans.

Chris

Update 2/7/16 -- 34<sup>th</sup> Day (33<sup>rd</sup> Full Day) After Governor's Declaration of an Emergency

Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.

- Includes filter replacement strategies.
- Soft opening of secondary state warehouse; clean and prep for SBA staff.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Attached:

1. Daily Summary of Data – Note two new reports: GovReport
2. Sit Rep #33.
3. Maps: Residential Water Sampling Results – Lead and Copper

#### Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Monday, February 8, 2016.
- The new warehouse will be operational on Monday, February 8, 2016 and managed by MDOC.

#### Items to Note

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that *did not* have contacts during previous sweeps.
- State VAL is working on the Category B and Individuals and Households appeal.
- There continues to be a concern that EPA refuses to work with the state teams in addressing the high lead level homes.
- Genesee County EM expressed concerns about lead poisoning in service/companion animals. MDARD has initiated contact with their partners to address this concern.
- 28 addresses have copper testing that exceeds the "action level" (1,300 ppb). DHHS is currently working on messaging regarding this issue, and DEQ is discussing filtering options.

#### Unified Coordination Group (UCG):

- Task Forces Health & Medical: working on creating a flow chart for visual of testing results.
- EPA conducted 11 filter grabs yesterday, and will be doing 2 today. This includes up to 33 samples per grab. A grab would be considered a location/residence. They are also following up on the AmeriCorps volunteers (2) that have rashes.

#### Local EOC

- Establishing objectives and IAP for next operational period, 02/08/2016 – 02/12/2016.
- Awaiting additional information regarding companion animals with potential lead and chlorine poisoning from MDARD.
- Establishing plans for Elevated Copper Initial Assessment Task Force starting 02/08/2016 and follow-up outreach to homes with water lead levels over 150 ppb starting 02/10/2016.
- Aligning resources and supplies for Elevated Copper Initial Assessment Task Force and follow-up outreach to homes with water lead levels over 150 ppb.
- Analyzing locations of faith-based organizations and churches for integration into long-term recovery plans.

Chris

---

#### Update 2/6/16 – 33<sup>rd</sup> Day (32<sup>nd</sup> Full Day) After Governor's Declaration of an Emergency

The link below is a new video published today by 211. This is part of the Rapid Response Teams currently staffed by Team Rubicon.

<https://www.youtube.com/watch?v=P5Orqzc5efg>

Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Soft opening of secondary state warehouse; clean and prep for SBA staff.

Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Attached:

1. Daily Summary of Data.
2. Sit Rep #32.
3. Maps: Residential Water Sampling Results – Lead and Copper

Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Sunday, February 7, 2016.
- MDOC will continue setting up the new warehouse.

Items to Note

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.
- JIC posted the AIA Flint Safe Water Storage Guideline flyers on MI CIMS under internal documents.
- SEOC Logistics is working to secure space in new warehouse for SBA office, additional information needed from SBA.
- GIS geocoded and cleansed addresses for food establishments in the Flint Metro Area.
- GIS digitized water service lines coded by pressure from paper map onto digital map.
- State VAL is working on the Category B and Individuals and Households appeal.
- MOU with Seventh Day Adventist for donations management currently under review.
- MDARD is planning for additional follow up with food related businesses as water test results come in; new maps with updated information will help with future prioritization.
- MDARD will attend a USDA-Natural Resources Conservation Service press conference to be held on Monday; NRCS will be announcing funds to support community gardens and local foods.
- A team from the CDC arrived yesterday to work with MDHHS Bureau of Epidemiology. Their work began today by beginning to analyze data for the development of long term surveillance strategies that will look to link blood lead level results to specific populations, to include vulnerable and at-risk populations.
- LARA continues to monitor DEQ's test results for Health Care, Child Care, Adult Foster Care, HHS and MDE facilities and Schools.
- Freeman Elementary was tested today (2/6/15) by DEQ/LARA staff members.

#### Unified Coordination Group (UCG):

- Attended 3 matrix review meetings, taskforce leads gave status updates on the original requests/asks sent from the State to Federal government.
- UCG POC will update the objectives with current status once completed by the information cell.
- EPA has 4 teams going out today, 17 filter grabs, a sequential sampling, and walk in requests.
- Additional phosphorus results remain consistent with *previous reports*. *Appears the coating is working in the pipes.*
- *Multiple Hispanic events are taking place in the community and will be attended by federal staff.*
- CDC recommendation should go out today for blood level testing for children under the age of 6.

#### Local EOC

- Finalized DEQ outreach at homes with water lead levels above 150 ppb.
- Developing plan for outreach at homes with water lead levels of 100 to 149 ppb.
- Will start outreach at homes with water lead levels of 100 to 149 ppb with one group on Monday.
- Potentially following up on initial outreach at homes with water lead levels of 100 to 149 ppb 10 strike teams for evaluation of plumbing system, water sampling, etc. starting Wednesday.
- *Evaluating need to address health needs of companion animals in households exceeding water lead levels above 100 ppb.*
- Awaiting clarification regarding effectiveness of filter systems for removal of copper.

Below is a summary of Federal Teams in the field during next operational period until 2/10 per the UCG.

#### Public Health Support Team (PHST) (US HHS) stationed at GCHD

9 personnel

- Develop engagement strategy for GCHD to facilitate outreach efforts to the community members and community partners.
- Development database for incoming calls to standardize the responses to caller queries; develop resource list for GCHD.
- Two personnel will facilitate case management follow up on results from GCHD concerning water samples with high home water lead levels.
- Provide technical assistance and community health outreach support to GCHD and to the EPA field team during water sampling and rash investigations.
- Create email groups for email messaging blasts to community partners.

#### Behavior Health Team (US HHS) stationed at GCHD

4 personnel

- *Develop Behavior Health Surveillance Plan and Gap Assessment.*
- Provide Behavioral Health Support for community-based health and human service providers.

#### EPA Sampling Teams out in the field

3 teams with 3 personnel,

- Identify sampling locations based on State DEQ requests and/or inquiries from residents, schedule visits with residents.
- Develop facts sheets based on high lead homes and other facts sheets, as needed.
- Provide risk communications and test results to residents.
- Conduct sequential, filter pilot, and distribution system sampling.

#### High Lead Home Strike Team out in the field

5 personnel

One MDEQ rep (Taylor) with EPA high lead team.

- Conduct water sampling at residences with rash complaints

- High lead homes with no contact information

MDEQ (Provided by Mark Ducharme) out in the field

- One Initial Outreach Visit team consisting of 1 DEQ rep (Oeming) and 1 MDHHS rep (Groetsch), supported by 2 team Rubicon, 1 city of Flint PD escort, and 1 Penske truck loaded with commodities.

Genesee County Health Department team out in the field

1 team with 2 personnel One LHD person (EH), One EPA person (for sampling)

- Responding to high lead homes – Made contact with all homes 150 ppb last Wednesday and will continue as long as they have resources.

Chris

**Subject:** SEOC Update 2/5/16 - Flint Water - Limited Distribution

Update 2/5/16 – 32<sup>nd</sup> Day (31<sup>st</sup> Full Day) After Governor's Declaration of an Emergency

Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made. Special attention to apartments/multifamily residences.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Prepare of opening of secondary state warehouse

Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Attached:

1. Daily Summary of Data (NG field is showing 0 which is not correct). NG personnel are still at the PODs.
2. Sit Rep #31.
3. Maps: Residential Water Sampling Results – Lead and Copper

Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Saturday, February 6, 2016.
- MDOC will begin setting up Kroger warehouse.

### Items to Note

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.
- SBA declaration approved. SEOC Logistics will be working to identify office space in Flint for SBA staff.
- Recovery Branch estimate based on information collected last weekend is as follows:
  - 80 Complexes
  - 4170 Units
  - 2892 Assisted Living/Senior Housing (Dept of Aging)
- Information in DHHS Sit Rep is from GCCARD only, this information is not included in the daily totals.
- JIC issued a news release around 10 a.m. about the state of Michigan encouraging food establishments to take advantage free water safety inspections. The news release was picked up by the Associated Press and other news media outlets.
- JIC held a media event to encourage people to check out Flint area restaurants with Lt. Gov. Brian Calley and Michigan Department of Agriculture and Rural Development Director Jamie Clover Adams. Nine local and statewide news media members attended the event.
- Finance Section developed guidance for Flint Water Inter-Agency Coordinating Committee related to reimbursements for non-state employees.
- State Voluntary Agency Liaison (VAL) prepared list of NGOs involved in Flint for DHHS SERG grant application.
- State VAL worked on potential jobs funding with TIA via Dept of Labor.
- Question was asked from the Governor's office yesterday if commodities purchased could be returned. Per FEMA, any item such as filter, pitcher, cartridge etc. cannot be returned. Once procured via State RRF the state owns it - no returns. Water can be returned with 12 months remaining shelf life and in complete factory issued pallet w shrink wrap and the state will fund/ transport of returning water to the *designated Distribution Center*. FEMA will inspect all returning water prior to movement and water is limited to available storage space in the FEMA Distribution Centers which will range between 0-5 million liters. Quantity to be returned will be approved prior to movement based upon available space and known inbound inventory.
- DEQ finalized sentinel sampling plan to commence activities beginning February 10th, 2016.
  - DEQ received 12 iPads for deployment with teams for status tracking.

### Unified Coordination Group (UCG):

- Met with the nutrition task force today on request from the state.
- Cleared up misinformation on areas that have not been covered.

### Local EOC

- Coordinating rapid response deliveries to homebound residents and special locations.
- Developed floor plan proposal for new warehouse with warehouse workers.
- Recycling and water distribution event with MSU athletics.
- Establishing plan to provide public transit vouchers for travel to blood lead level test clinics.
- Work with Michigan Community Service Commission to align supplies and resources for PUR filter distribution effort next week.
- DEQ/Team Rubicon team visited 30 homes with water lead levels of 150 ppb.
- Developing plans for follow-up with residents at homes with water lead levels of 150 ppb.

**Subject:** SEOC Update 2/4/16 - Flint Water - Limited Distribution

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

**Update 2/4/16 – 31<sup>st</sup> Day (30<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

**Mission focus for the day:**

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made. Special attention to apartments/multifamily residences.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Submit SBA application.

**Status on Governor’s request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

**Attached:**

1. Daily Summary of Data.
2. Sit Rep #30.

**Key items for tomorrow to note are:**

- 10 American Red Cross Teams scheduled for Friday, February 5, 2016.
- FWICC and Mission Flint meetings in Flint.

**Items to Note**

- 10 ARC Flint Water Response Teams to the field today. Continued priority is the apartment list from 2/2/16.
- Recovery Branch worked with county and postal partners to collect information about home vacancies and resident’s with forwarded mail addresses in order to ensure we are contacting all occupied residences in the City of Flint.
- Recovery Branch supported the efforts of MSDHA to provide resources to tenants in their facilities.
- JIC issued a media advisory about federal lead for Flint water crisis Dr. Nicole Lurie to visit EPA’s command post.
- MDHHS provided a representative to accompany the MDEQ team to the high lead homes in Flint. The MDHHS representative will encourage individuals to have blood lead testing and answer health questions as necessary.
- GIS is working to develop a field application for MDEQ and MDHHS for field collection of water test data and health data respectively.
- SEOC and MTED are working with Department of Labor to identify grants that may be available to assist with jobs programs (wages, training, overhead, and potentially equipment and leasing resources). DOC looking at prisoner re-entry programs for those returning to Flint area.

**Unified Coordination Group (UCG):**

- Working on improving communication flow between UCG and state partners.
- Attended long term recovery meeting held by state VAL.
  - Discussed MARC model and potential transition plan.

#### Local EOC

- Coordinating rapid response deliveries to homebound residents and special locations.
- Attended meeting with federal, state and local health and environmental agencies to establish process for notification of households with water test results that exceed 150 ppb.
- Attended two long term recovery planning meetings with SEOC staff, VOADs and local agencies (Flint Water Recovery Leadership group).
- Ensuring Community Access Center for the Deaf and Hard of Hearing receives appropriate supplies.
  - Briefed staff on site on filter installation and water sampling process.
- Clarified distribution process at city sites with Flint City Administrator's Office. Coordinating with Fire Department Quartermaster for supplying city sites.
- Addressing various public concerns, including identification of canvassing teams.
- Instituted credentialing verification process for 2-1-1 calls.

Chris

#### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

#### Update 2/3/16 – 30<sup>th</sup> Day (29<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Refocus state agencies on objectives, tasks in the Incident Action Plan and how we get to the end state/shift to longer term recovery.
- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Submit SBA application – outstanding item is the certification of availability of financial assistance. Priority item for the a.m. so this can get submitted. Press release has been completed.

##### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### Attached:

1. Daily Summary of Data, full version and abridged (New reporting format – we will ensure we give liters of water and cases in the future)
2. Residential Water Sampling Results Maps – Lead and Copper
3. SitRep 29

#### Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Thursday, February 4, 2016.
- Will continue to target residences from the Apartment List from 2/2/16

#### Items to Note

- Paired down the list of parcels not visited from 2400 to 958. Will continue on 2/4/16 to identify any parcels not visited. Some parcels contain multifamily residences and those types of residences are being reviewed and targeted to ensure coverage.
- MDOC is going to look into their job programs for any prisoners begin release back into the Flint area. This will be in conjunction with any other job programs identified. We are working with MTED on solutions.
- DEQ and DHHS will be going to residences with >150 ppb starting tomorrow. They will be checking residences next to the one with the high lead level to see if this is a single residence issue or a bigger issue affecting the block or line in an area. This will not initially include EPA as they did not seem interested in combining teams but we are working on more collaboration without slowing us down.
- DEQ will have a representative in the UCG starting 2/4/15.
- Discussed with UPS on ways they can assist with Rapid Response Team and filter replacements in the future.
- Additional warehouse will be put in service potentially Saturday. Seventh Day Adventist are potentially going to operate it or help with operations to phase out state agency personnel and make it more community run. The warehouse does include some office space if needed.
- 10 ARC Flint Water Response Teams to the field today.
- Team Priority Visited Today: Apartment List from 2/2/16
- SEOC Logistics worked with MDOC on their assistance with warehouse management and staffing for new warehouse. Reached out to Food Bank on their recommendation and coordination for hours/days of operation of new warehouse.
- SEOC Operations attended a donations management meeting to discuss the need for a consolidated list of donated goods.
- JIC strategized with the U.S. Department of Health and Human Services and Environmental Protection Agency on how to better coordinate public information.

#### Unified Coordination Group (UCG):

- UCG IAP approved today for the operational period 0800 2/2/16 to 0800 2/4/16.
- The Federal Health Coordinating Officer had a meeting today with Economic Development and Housing and Urban Development.
- EMHSD liaison provided information on Michigan EM structure to Command.
- State JIC manager now in the communication loop for the UCG.
- UCG discussed MARCs and potential implementation.
- Capt. Kelenske met with Don Boyce from US DHHS to discuss concerns with Federal HHS and EPA and how we can move forward with better collaboration and coordination. Boyce also met with Governor's Office staff on same. The meeting went well and a solid relationship is in place with Boyce. He is a direct report to Dr. Lurie and will provide her some context on the issues and how we can move forward. He will be a good POC to assist us with any shifts in direction needed at the federal level.

#### Local EOC

- Coordinated rapid response deliveries to homebound residents and special locations.
- Working on refining rapid response delivery process.
  - Preparing transition from Team Rubicon personnel to NCCC teams, and eventually Southern Baptist Disaster Relief.
  - Coordinating with ARC for logistics support to NCCC teams (AmeriCorp).
- Working with ARC to ensure resource needs of franchise customers at Sunridge Apartments complex in Flint Township are met.
- Coordinating with MDEQ to streamline test kit assembly process.
- Attended distribution plan meeting with faith-based organizations, state, and local agencies.

- Referring VOADs to appropriate volunteer management agencies.
- Addressing various public concerns, including availability of supplies at child care facilities.

# Damage Assessment and Emergency Status Report

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

## Operational Period

**Operational Period Begin:** 02/09/2016 08:00:00  
**Operational Period End:** 02/16/2016 08:00:00  
**Situation Report No.** 41  
**SEOC Status:** Full  
**SEOC Hours of Operation Begin:** 02/15/2016 08:00:00  
**SEOC Hours of Operation End:** 02/15/2016 20:00:00

## Executive Summary

### SEOC Update:

Accomplished today (February 15, 2016):

The SEOC continues to provide:

- Situational awareness.
- Common operating picture/objectives.
- Coordination with city/county.
- Potential coordination with federal agencies.
- Incident prioritization.
- Coordination of life/health safety measures.
- Resources.
- Public information control.

### Logistics:

- Fielded resource requests.
- Fielded Rapid Response requests.
- Fielded Governor's office request.
- Facilitated distribution team calls.
- Worked on potential donated warehouse opportunities.

### JIC:

- Drafted talking points for Captain Kelenske for tomorrow's Congressional/Legislative briefing.
- Drafted responses to multiple questions received from the staff of a Congressional member; answers pending review.
- Identified a PIO to attend weekly community partners meeting (held each Thursday at 3 p.m.).
- Reviewed and updated ICS204 form.

### Recovery Branch:

- o Attended UCG Brief, SEOC State Agency Briefing Meetings, Distribution Process Meetings and Tactics Meeting.
- o Updated ICS 204 form for the tactics meeting.
- o Provided information on apartment complex data to Governor's representatives.
- o Team priority for today: 8 teams in the field - One team finished 83 addresses assigned for today and continued water distribution and Rapid Response.
- o Team priority scheduled tomorrow: water distribution and supplies requested.
- o 5 American Red Cross Teams scheduled for Tuesday, February 16, 2016.

### o Total homes visited:

- 25,007 (round 3 total).
- 792 (today).

### o Water cases (liters calculated by multiplying # of cases x 12):

- 171,744 liters or 13,738 cases (round 3 total).
- 8,888 liters or 574 cases (today).

### o Replacement cartridges:

- 5,722 (round 3 total).
- 238 (today).

### o Faucet filters:

- 7,883 (round 3 total).
- 62 (today).

### Planning Section:

- Developed and approved IAP #10.
- Developed and approved Sit Rep # 41.
- Attended tactics meeting to update branch chief 204s.
- Participated in State Agency and planning briefing for SEOC.
- Fielded questions from section chiefs and Local EOC.

### Operations Section:

- Met with State agency EMCs to determine progress with their current IAP objectives.
- Participated in the Unified Coordination Group briefing.
- Facilitated the State Agency briefing conference calls.
- Participated in both Distribution Process meetings, and Tactics meeting.
- 61 volunteers were active across the operation today.

- Warehouse Numbers as of 1800:

- Water (liters):
  - 776,215 liters or 64,684 cases.
- Filters (faucet):
  - 47,132.
- Replacement cartridges:
  - 403,486.
- Test Kits (prepped):
  - 37,194.

- PODs (Number as of 1700 2/15):
  - Water (cases):
    - 36,312 liters or 3,026 cases.
  - Filters (faucet):
    - 71.
  - Replacement Cartridges:
    - 272.
  - Test kits:
    - 105.

#### Finance Section:

- Created a list of tactics for the ICS 204 for the upcoming operational period.
- Received Flint Child Health & Development Fund as a possible donation lead to research.
- Reviewed EMHSD time accounting for correct SEOC expense and activity coding. Made adjustments and corrections as necessary.

#### GIS Branch Updates:

- Produced updated maps for water sampling test results.
- Produced map of water sampling test results above action level.
- Parcel pairing of distribution data.
- Daily JIC map produced and sent to JIC.
- Validated/Geocoded water sampling test results data.
- Provided list of addresses contacted/filter status/water test kit status to Logistics to fulfill request from county EM.

#### DTMB:

- Procured supplies for Clio Rd. and Pierson Rd. warehouses.
- DTMB Smart Device Support Team provided assistance on an iPad issue.

#### DHHS-CH (weekly):

- The CHECC remains activated at a Level 2, and continue to staff the hotline Monday through Friday to answer any lead health-related questions referred by 2-1-1 in support of the GCHD. The CHECC continues to provide representation to the UCG to facilitate communication with federal partners.
- The CHECC met with senior MDHHS leadership, UCG representatives and team members that have been supporting GCHD Case Management efforts today to continue planning efforts for lead testing and case management activities going forward.

#### DEQ:

- Deployed four sentinel water sampling teams to collect first round of samples. Test bottles with directions provided to residents for second sample to commence in two weeks.
- Continued documenting compliance with EPA Emergency Administrative Order and second EPA request.
- Reviewed Incident objectives to reflect Director's priorities for upcoming week.
- Began developing a plan to re-deploy the Sentinel water sampling collection crews to achieve 402 sampled sites and 60 lead service lines.

#### Unified Coordination Group (UCG):

- Developed Situation Report
- CDC/ASTDR field team representative attended community meeting at local church where an estimated 50 community members were in attendance.

#### Local EOC:

- In processed Southern Baptist Disaster Relief Group, Southern Baptist Disaster Relief taking over rapid response deliveries for NCCC teams on 02/16/2016.
- 140 water samples picked up at sentinel monitoring points by 1600 on 02/15/2016. Will be close to completing pick up at all 241 locations before end of day.
- Discussing lead and copper exposure of animals in City of Flint with MSU College for Veterinary Medicine.
- Introducing local staff to EOC positions and processes.
- Evaluating potentially culturally sensitive messages on water donated through one specific source. Holding water at warehouse until confirmation that displayed messages are inoffensive is received.

#### Injuries:

- None reported today.

### Incident Response/Recovery Priorities/Objectives

(Objectives are in order of priority with original objective number attached)

11. Ensure accurate tracking and accounting of all donations.
5. Continue to maintain adequate staffing to support operational requirements.
10. Collaborate with local and volunteer agency partners to solidify the Flint Water Operations Plan.
9. Enhance situational awareness and common operating picture of all activities.
8. Maintain coordination between partner agencies and organizations to include FEMA IMAT, FWICC, and the US Department of Health and Human Services Unified Coordination Group (UCG).
3. Improve and maintain the public information strategy and process.
6. Develop an overview of possible assistance programs.
4. Develop a long term public health and services plan.
7. Gather, analyze, and disseminate GIS data to develop products for future planning.
1. Ensure all households within impacted community have required resources and are included in DEQ water sampling plan.

2. Ensure accurate tracking and accounting of all commodities.

## Emergency Declarations

### Local Declarations

### Damage Assessment Summary

## Agency Summaries

### Joint Information Center / Public Information Officer

#### Tasks accomplished:

- Created a media monitoring report to identify news stories requiring correction; found none.
- Drafted talking points for Captain Kelenske for tomorrow's Congressional/Legislative briefing.

- Drafted responses to multiple questions received from the staff of a Congressional member; answers pending review.
- Identified a PIO to attend weekly Community Partners Meeting (held each Thursday at 3 p.m.).
- Reviewed and updated ICS204 form.

#### **Agriculture and Rural Development (MDARD)**

MDARD has no activities to report for 2/15/16.

#### **American Red Cross (ARC)**

The American Red Cross deployed 6 teams on Monday, 2/15/16: 2 rapid response teams in partnership with AmeriCorps NCCC, 2 mobile teams assigned to clear the remaining addresses without a documented contact, and 2 teams delivering water in impacted neighborhoods.

The Volunteer Reception Center was operating today from 9am to 5pm, and the plan is for those hours to continue daily, through Sunday.

33 new event-based volunteers were processed through the VRC. 33 event-based volunteers were active on projects today. The VRC worked on assembly of water bottle recycling kits. More than 20 boxes were filled with recycling kits today.

#### **Civil Rights (MDCR)**

No additional update reported. Continue to monitor media and state agency activities for issues impacting underrepresented, at-risk, and populations with barriers to services and information. Provided recommendations on outreach/engagement for public health. Updated Activity log to encompass 21 January media coverage of metro-Detroit community engagement (water and donations drive) for Flint community.

#### **Community Health (MDCH)**

The CHECC remains activated at a Level 2, and continues to staff the hotline Monday through Friday to answer any lead health-related questions referred by 2-1-1 in support of the GCHD. The CHECC continues to provide representation to the UCG to facilitate communication with federal partners.

The CHECC met with senior MDHHS leadership, UCG representatives and team members that have been supporting GCHD Case Management efforts today to continue planning efforts for lead testing and case management activities going forward. Tomorrow discussions will continue with GCHD regarding the request for additional federal support for GCHD case management.

#### **Corrections (MDOC)**

MDOC began the process of turning over warehouse 2 operations to the 7th Day Adventist volunteer organization.

MDOC continues to keep trucks dedicated to delivering to individual POD's and covering Rapid Responses for PODs that get to a critical level. PODs remained well supplied throughout day and will continue to be well supplied moving forward.

We are continuing to work with Finance and MDOC assets to capture total employee payroll information and expenditures.

MDOC continue to staff the SEOC from 0800-2000, 7 days/week. Mike Farmer and Bridget Spencer are managing the Recovery Branch of the SEOC

244 DEQ and 15 MDARD test kits were delivered from Flint to Lansing today.

#### **Environmental Quality (MDEQ)**

The Department of Environmental Quality (DEQ) completed the following activities today:

- Deployed four Sentinel water sampling teams to collect first round of samples. Test bottles with directions provided to residents for second sample to commence in two weeks.
- Continued documenting compliance with EPA Emergency Administrative Order and second EPA request.
- Reviewed incident objectives to reflect Director's priorities for upcoming week.
- Began developing a plan to re-deploy the Sentinel water sampling collection crews to achieve 402 sampled sites and 60 lead service lines.

#### **Human Services (MDHS)**

As of 2/11/16, CSA reports 99% of current caregivers, who are caring for children under care and supervision of MDHHS, have submitted a water sample to approved water testing facilities.

211 reporting only 21 calls on 2/14/16 related to Flint water crisis.

MCSC reporting that DM was slow over the weekend. Will be catching up on data entry this week.

#### **Licensing and Regulatory Affairs (LARA)**

Participated in briefings and updated the LARA Executive Team

LARA continues to monitor DEQ's test results for Health Care, Child Care, Adult Foster Care, HHS and MDE facilities and Schools.

### **Services to the Aging (OSA)**

Valley Area Agency on Aging (VAAA) continues to receive phone calls from concerned seniors in Flint and continues to make referrals to the Genesee Co. EOC for water and filter follow-up.

VAAA's local Nursing Home Ombudsman continues to monitor Flint area Nursing Homes to ensure residents have access to safe water.

Contact info for VAAA Executive Director is:

Kathryn C. Boles  
President, CEO  
Valley Area Agency on Aging  
225 E. Fifth Street, Suite 200  
Flint, MI 48502  
(810) 239-7671  
(810) 239-8869 fax

### **State Police (MSP)**

The MSP position within the SEOC will be staffed at MSP Operations at HQ. All e-mails to MSP-EOC-MDSP@michigan.gov are being forwarded to the Operations Lt. The phone number for the on duty Operations Lieutenant is 517-241-8000

### **Technology, Management and Budget (MDTMB)**

Continue to provide DTMB management with daily updates and resource requests received.

Procured supplies for Clio Rd. and Pierson Rd. Warehouses.  
DTMB Smart Device Support Team provided assistance on an iPad issue.

### **Transportation (MDOT)**

Continuing to maintain situational awareness and responding to issues regarding equipment and road conditions.

**Incident Related Images**

**Subject:** SEOC Update 1/13/16 - Flint Water - Limited Distribution  
**Attachments:** SitRep8 Flint Water.pdf

### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

#### Update 1/13/16 – 9<sup>th</sup> Day (8<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Prepare/approve logistics plan and close lease on warehouse space
- Continue with door to door teams and finalize planning for second wave increase ( teams – total for 1/14/16 will be 20)
- Continue to work on Governor’s Declaration of an Emergency

#### Attached Documents:

- SitRep 8

#### Status on Governor’s request letter to the President:

- All support data from state Agencies and local jurisdictions collected as of 6:00 pm on 01-13-16
- Current timeline:
  - First draft completed and ready for review by State Department Directors (including the Attorney General) by 11:00 am on 01-14-16
  - State agency reviews due back by 1:00 pm on 01-14-16 for revision of the draft
  - Revised draft to Captain Kelenske by 2:00 pm on 01-14-16 for review and forwarding to the Governor for final review
  - Final draft (based on Governor’s review) submitted to FEMA Region V Administrator by no later than cob 01-14-16 but hopefully sooner. FEMA is aware and ready to receive.

#### Requests and potential response from FEMA/President

- The letter will request all programs eligible under the Stafford Act including Public Assistance, Individual Assistance, Hazard Mitigation, FEMA’s coordination of assistance from other Federal agencies and direct assistance from FEMA
- The letter will also request potential direct reimbursement from other Federal agencies such as EPA, CDC, HUD, DHHS and SBA
- This request is in coordination with the request for Non-Stafford Act federal assistance already requested and received by the State (technical assistance and administration, but no direct reimbursement of disaster costs)
- Direct Federal assistance from FEMA in the form of Individual Assistance to homeowners for household repairs (repair and/or replacement of water service lines and Other Needs Assistance to reimburse for water filters, bottled water, etc.) is a possibility
- Direct Federal assistance from FEMA in the form of Public Assistance is not as likely as it is mostly replacement of publicly owned water distribution lines (and not the direct result of damage from a natural cause)

- If Stafford Act assistance is denied (Public Assistance, Individual Assistance and Hazard Mitigation) FEMA could still provide coordination of assistance from other Federal agencies if the President declares a disaster (or emergency) for the State of Michigan

Key items for tomorrow to note are:

- The door to door teams will continue at 9 a.m. – 5 p.m. Thursday morning and continue through the weekend.
- We will continue to ramp up door to door operations with additional teams. Teams are focusing on the high lead level areas and additional data is being analyzed to focus mission areas.
- MNG will have a press event at the armory with incoming soldiers and MG Vadnais.

Items to Note

- Received information that Rev. Jesse Jackson will be in town 1/17/16 at 1:30 at the Heavenly Host Church of the Harvest of Dartmouth St, Flint.
- *Managed and corrected misinformation on NG role.*
- Senator Ananich is stopping by the SEOC tomorrow morning 0845. I am meeting with him and his Chief of Staff. Short visit as he has a 0930 at the Capitol.
- Working with Comcast so they can put teams in the field for distribution.
- Penske is going to give us 15-20 trucks over the weekend.
- Contact made with Two Men and a Truck for resources.
- Meeting set with Google where they will brief me and key staff potential tasks.
- Coordinated with Flint Mass Transportation Authority (MTA) to include Fire Station PODs on bus routes.
- Tomorrow I will have a projection as to the number of teams needed to get all citizens filters in their homes in 5 days / 3 days.
- We are standardizing team structure and supply deployment to increase efficiencies. Mission Ready Package (MRP) specifications will be sent out for other entities to assist with door to door. They will then be able to arrive as a MRP, get supplies, receive a mission location and deploy.
- 5 Water Response Teams were in the field again today. Below are the numbers from the 2 days of just the Water Response Teams (there are paper copies with data still to be entered from the PODs). I was just briefed by the ARC logistics planner and there are efficiencies we can put in place to increase homes touched per day. The next version of the app will provide more granular details. Additional 30 tablets were configured by DTMB today for field implementation to include use in the PODs.

	Total	1/12/2016	1/13/2016
<b>Occupied Homes</b>	533	242	291
<b>Vacant Homes</b>	238	152	86
<b>Total Homes</b>	<b>771</b>	<b>394</b>	<b>377</b>
<b>Resources</b>			
Door Hangars	473	217	256
Water	265	117	148
Filters	235	112	123
Pitchers	9	3	6
Water test kits	92	48	44
Replacement Filter	93		93
<b>Total Resources Dispersed</b>	<b>1167</b>		
Future sample test site	62	28	34

- We show 17,276 residences with filters (this does not include data entry to be completed from POD or other locations).
  - We have 35,378 service hookups but with apartments, multi residence dwellings, etc we would be around 45,000.

- Logistics Support
  - The American Red Cross Logistics Planner provided me a brief and I approved the plan forward. The current plan includes:
    - Mission – A filter in every home ASAP.
    - 4 Distribution Methods
      - PODs (5)
      - Water Response Teams (20 effective tomorrow and this will increase)
      - Local EOC “Hot Shots” (these are calls for functional needs, unable to get to a POD location due to ??, etc). Personnel dispatched with supplies.
      - Local EOC support for other local requests (Faith based for distribution, etc.)
    - Three warehouse locations at this time
    - How to better leverage ARC resources
- Supplies – Daily Numbers
  - Replacement Cartridges - 30,700 delivered.
  - Water (cases) - 19,152 cases delivered
- Budget projection completed and will be submitted to SBO for review.
- Notes from Water Response Team Command (MSP)
  - Very good synergy between Flint Post troopers and Genesee County Sheriff command and deputies in effective and efficient deployments for distribution efforts.
  - Great attitude and efforts by uniforms and volunteers to make important contributions to the City of Flint on water response team deployments.
  - Clear direction and coordination in the field of supply teams by lieutenants and troopers. No confusion. Clearly defined roles.

**All personnel continue to be fully committed to fixing this as quickly as possible.**

Chris

---

#### Update 1/12/16 – 8<sup>th</sup> Day (7<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

I apologize in advance for the length of this report. With the supply issues we had the last couple of days I wanted to share our inventory plus what we anticipate to ensure we do not have supply issues.

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Fine-tune logistics
- Increase and deploy door to door teams (4 state teams added to teams from the Sheriff’s Department)
- Increase collaboration and messaging of collaboration with local agencies (specifically the Sheriff’s Department)

#### Attached Documents:

- SitRep 7
- Executive Order Activating the National Guard

#### Key items for tomorrow to note are:

- The Governor signed an Executive Order activating the National Guard. Mission will be to relieve ARC volunteers at the PODs (Fire Stations) which will free up the ARC volunteers for door to door activities.
  - I have briefed the ARC Disaster Officer on this plan.

- The Governor requested, through FEMA Region V, support from the Federal Emergency Management Agency (FEMA) to bring together and identify other federal agencies that may have programs and funding that could be dedicated to assisting Flint as part of an interagency recovery plan. One of the existing LNOs has been identified as the POC for this. He will be a great liaison for the FWIACC.
- The door to door teams will continue at 0830 Wednesday morning and continue through the weekend and ramp up door to door operations with additional teams. Teams are focusing on the high lead level areas.
- We will look at all commodities and see where we are and where we need to be while working with the ARC logistics specialist.

#### Items to Note

- PSA video sent out to Flint citizens on resources available.
- Water
  - Today's numbers - 7,824 cases of water arrived today, 1/12/16 (109 pallets)
  - Ordered:
    - 19,152 cases of water are going to arrive Wednesday, 1/13/16 (266 pallets)
      - 1/3 is going to GCCARD and the rest is going to the new warehouse
    - 12,768 cases to arrive daily beginning Thursday through Saturday (177 pallets a day)
- Filters
  - Today's numbers
    - Ordered on 1/11/16 and delivered 1/12/16 direct to GCCARD
      - 2,000 – Brita filter faucet mounts
    - Filter Replacements
      - 2,400 – Brita filter replacements (single pack)
      - 8,000 – Brita filter replacements (two pack)
  - Ordered on 1/12/16 to arrive Wednesday
    - Faucet Mounts – To be delivered direct to GCCARD on 1/13/16 (Wednesday)
      - 10,000 – PUR Vertical faucet mount
      - 2,500 – PUR Horizontal mount
    - Replacement Filters – To be delivered direct to GCCARD on 1/13/16 (Wednesday)
      - 10,000 – PUR replacement filters (3 pack)
      - 10,000 – PUR replacement filters (single pack)
    - PUR Combination Pack – to be delivered to GCCARD on 1/13/16 (Wednesday)
      - 10,700 – PUR combo packs
- To arrive Thursday
  - Zero Water Pitcher (8 Cup) – Delivering direct to GCCARD on 1/14/16 (Thursday)
    - 1,300 – Zero Water pitchers
  - Faucet Mounts – Delivering direct to GCCARD on 1/14/16 (Thursday)
    - 11,000 – PUR vertical faucet mount
    - 1,500 – PUR Horizontal faucet mount
    - 5,000 – Brita faucet mount
    - 10,000 – Brita adv faucet mount white
    - 12,000 – Brita adv faucet mount chrome
  - Replacement Filters – Delivering direct to GCCARD on 1/14/16 (Thursday)
    - 117,600 – PUR replacement filter
- Test Kits
  - 6601 unassembled kits arrived at GCCARD today, 1/12/16.
  - 500 have been assembled and are ready for distribution
  - 1000 additional unassembled kits have been ordered to be delivered at GCCARD (no ETA yet)

- 10,142 unassembled kits to arrive at GCCARD early next week
- Second warehouse – Located in Flint
  - 100, 000 square feet of secure warehouse obtained.
  - Accepting commodities beginning Wednesday, January 13
- Logistics Support
  - The American Red Cross Logistics Planner arrived from DC today as requested. I outlined what her mission was and how I saw the progression forward. This logistics planner will assist in streamlining the inventory and distribution process now and into the future.
- Door to Door Numbers
  - Today the app implementation for the field went extremely well. There were a few issues that were quickly addressed. One related to how form fields should be filled out. Another was getting styluses for teams so that they don't have to remove their gloves in the cold. All very simple to fixes.
  - We are working on version 2.0 so this can be used at the PODs
  - We should be able to greatly optimize distribution in the near future as we mapped the active water subscribers from Flint's DPW and are adding them to the field team members apps. Of the ~56,000 possible addresses, this reduces the number of possible homes to visit down to ~29,000.
  - Notes from the field commander:
    - "Today we started out the day using two groups that consisted of approximately 10 people in each group. We eventually combine groups with Genesee County Sheriff's group and they brought two more groups with approx. 10 people (Local UAW) in each group. This made us a lot more efficient and we were able to set up a game plan. Tomorrow I feel we will be more efficient and we will have a better plan in place to get the maximum output out of our resources."
  - In the end, there were 394 total home visits with the following breakdowns:
    - 217 Door Hangers
    - 152 Vacant Homes
    - 117 Water Distributions
    - 112 Filters
    - 3 Pitchers
    - 48 Water Test Kits
- 211
  - CALL VOLUME:
    - 185 calls for water-related issues had been received as of 4:45 pm.
- Logistics made contact with Comcast and will be supplying them with filters and replacement cartridges for their deliveries in their work trucks as they make services calls. They will follow our procedures for reporting (our checklist).

Chris

---

### Update 1/11/16

The focus today was the media event and getting the supplies and logistics on track. Most of the activity today was working on logistics for the water and other supplies.

### Attached Documents:

- SitRep 6

Key items for tomorrow to note are:

- The door to door teams will start at 0830 Tuesday morning. It is reported that troopers are going to the door but DHHS employees are the lead with a troop car nearby.
  - State and local GIS created an App today for the teams to use tomorrow but I see potential use at distribution sites.
  - The App data will be used for our maps as we survey the public/distribute supplies and we will be getting real time metrics through the site from the field send back to the SEOC. We are using Android tablets tomorrow but in the future can use any mobile device for this.

#### Items to Note

- It was reported that only one POD (Station 5) was out of water longer than 30-45 minutes. This site was ~2 hours without water and part of that was the truck went to the wrong station. Trucks were sent as soon as the local EOC was notified.
- We also did not receive a DHHS shipment that was to come in which caused some filter delivery issues.
- Supplies are limited at this time; however, we are getting our shipments starting at 0630 tomorrow.
- We have Home Depot giving us 12,768 cases (this was a late development so the SitRep indicates half the amount) of water every day starting tomorrow. We are still working with other distributors too.
- ARC is flying in a logistics planner tomorrow. Three additional staff will be with her to shadow and help. We are turning warehouse logistics over to ARC logistics. We are moving tomorrow to a process that has a distribution center (GCCARD) and a warehouse that is 100,000 square that will maintain mass quantities. Staff has continually been placing orders for supplies to ensure we get a head of this. The intent is to keep the warehouse full so we do not have these continual issues of supplies.
- Began mapping lead service lines (anticipate having draft of lead service lines Friday).
- Coordinated with local IT managers overseeing filter tracking system to streamline data collection.

#### Local Emergency Operations Center

- Working to coordinate resources at the local level to maintain adequate supplies at all PODs.
- Demand has exceeded supplies and supplies are moving rapidly from PODs today. Working to make sure POD managers notify us when they start running low.
- Working to establish a warehouse for local resource storage.
- Established trigger points for resources at PODs and hourly inventory reporting from the PODs.
- Discussed potential long term water sources between local EOC and SEOC.
- Established planning cycle/meeting scheduled for 1/12/16.
- Local EOC EMHSD staff with Natasha Henderson to request deployment of City representative at local EOC.

Chris

---

#### Update 1/10/16

##### Attached Documents:

- SitRep 5
- Door card (English version but Spanish version will be ready for Tuesday)

I have a local EOC section listed below but state personnel are heavily engaged in management of both locations. We occasionally hit some road bumps with this event but all personnel are working well together to accomplish our goals (especially state agency personnel).

I have had good discussion with FEMA LNOs. Two statements have been developed from our discussions that hopefully helps put this in more context but if it is more confusing I apologize:

1. In the immediate response, the State, in collaboration and coordination with city of Flint and county of Genesee are working to get water, water filters, and testing kits to the affected population. In conjunction, the state will coordinate with federal agencies to ascertain what resources can come to bear to help mitigate the issue.
2. If asked about a federal declaration from FEMA, we need to articulate the definition of major and emergency declaration and state or note to ourselves that it appears to not qualify; however, there may exist opportunities to leverage federal assistance from some agencies (i.e....EPA) under their own authority to help address this issue.
  - We need to really manage expectations on the potential for a federal declaration...not that we will not go after one but it will be difficult to get.
  - A major disaster is defined in the Stafford Act as any ***"nature catastrophe (including hurricane, tornado, storm, high water, winddriven water, tidal wave, tsunami, earthquake, volcanic eruption, landslide, mudslide, snowstorm, or drought) or, regardless of cause any fire, flood, or explosion.....causes damage of sufficient severity and magnitude, to warrant major disaster assistance.....to supplement the efforts and available resources of States, and local government....."***
  - An emergency declaration is ***"is any occasion or instance for which, in determination .....assistance is needed to supplement State and local efforts and capabilities to save lives and protect property and public health and safety or to lessen or avert the threat of a catastrophe....."***
    - This is limited to immediate and short-term assistance (I hate to put times on this but short-term is like 3 weeks), essential to save lives, protect public health and safety and property.
  - Severity of the situation is ***"A finding that the situation is of such severity and magnitude that effective response is beyond the capability the state and affected local governments, and that the state requires supplementary federal emergency assistance to save and to protect property...."***
  - Nature of assistance for Emergency Declaration is for ***"Debris removal, emergency protective measures, direct federal assistance...."***
    - Debris Removal = ***self-explanatory and we do not have this***
    - Emergency Protective measures = ***water, commodities, transportation (remember ... to supplement what the locals and state are already doing if we need more)***
    - Direct federal assistance= ***what specific type of work is requested, and what are the reasons why the state/local government cannot perform or contract for performance. Essentially what is the need that state/local govt cannot provide. I can see this being something we need but we may be able to get this outside a federal declaration under the federal agencies own authority to help address this issue.***

Back to the update...

Key items for tomorrow to note are:

- Training is occurring for the door to door teams scheduled for Tuesday morning.
- Deploying an additional MSP District Coordinator to the local EOC for command and control support.
- Deploying two DTMB trucks and two drivers for sustained logistical support for the week.
- Media event with the Governor in Flint.
- New Incident Action Plan starts (1/11 0800 -1/13 0800 operational period). Our objectives are as follows:
  1. Ensure all households within impacted community have required resources.
  2. Ensure accurate tracking and accounting of all commodities.
  3. Improve and maintain public information strategy.
  4. Develop a long term public health and services plan.
  5. Ensure adequate staffing to support operational requirements.
  6. Identify possible assistance programs.
  7. Develop an approved GIS strategy.
  8. Maintain coordination between partner agencies and organizations.
  9. Enhance situational awareness and common operating picture of all activities.

## 10. Develop a comprehensive Recovery Plan.

### Items to Note

- All 9 churches had filter systems/replacement filters, information sheets, and water test kits delivered as requested by each pastor/reverend on Sunday. We did not think we could get them water due to the limited time but we did end up getting water to all 9 churches with the other items.
- Fire station resource locations stayed open from 9a to 9p and will continue with those hours until further notice (Staffing is in place until Saturday). ARC is staffing these locations.
- The media event was held at Fire Station No. 1 and report back is that it went well and the spirit of collaboration between local, state, non-governmental partners is strong was relayed.
- The four door to door teams will have the hours of 8:30 a.m. to 5 p.m.
  - Each will have logistics support from DTMB, security from MSP, and contact personnel from DHHS.
  - The door card is attached that will be left if no one is home.
- Worked to identify a storage location within the City of Flint for water and supplies. G-CARD is identified as temporary location but we are moving toward a state run warehouse operation (looking at private sector partners to assist, especially with the warehouse management side).
  - GCCard is large enough, centrally located and comes staffed. GCCard has 75,000 sq ft with warehouse managers to assist with tracking resources coming in and out.
- GIS will provide us daily updates of how much was distributed each day but note we have a delay in data entry from delivery to entry in the GIS system. Over the weekend there was a problem locally with staffing to get this completed. A solution is in place and will be implemented so we get timely data. Distributed to date (as of 1/8/16).
  - 12,386 filters
  - 1,985 replacement filters
  - 354 Pitchers
  - 2500 Lead Testing Kits
- Establishing and tracking of resources is a priority. Staffing has been assigned to get a good handle on these to ensure distribution sites maintain an appropriate level of inventory. I have requested trigger points get put in place so we do not get below certain levels in the main warehouse location.
  - Contacts with some large water distributors have been made and their and our logistics chiefs will connect first thing this week.
  - We have ordered an additional (expedited delivery with ETAs tomorrow)
    - 40,000 Brita Filters
    - 40,000 Brita Replacement Filters
    - 1000 Zero 8-Cup Pitchers
    - 1000 Zero 8-Cup Pitchers
    - 2000 PUR Replacement Filters
    - 93 Pallets of water (about 6700 cases)
- GIS continues to produce multiple maps for use.
- JIC Items
  - Requested PSA on the radio. Media has been approved and working with MAB.
  - Requested JIC to contact Comcast and Dish Network for availability for continuous running of filter install/replacement and test kit video.
  - A news release will likely going out tomorrow regarding canvassing in neighborhoods. Continued social media messaging.
    - Tuesday – embed state PIO with one of the canvassing teams to liaison with media.
    - JIC moving tomorrow to Flint.

### Local Emergency Operations Center

I am providing you some information on some issues we ran into at the PODs. This has been addressed with additional state resources and processes put in place so we do not run out of resources. Public concerns/complaints have not been brought to my attention at this time. Staff is working very hard to ensure we do not run out of supplies at the PODs and

they understand the consequences. No one in the Local EOC or State EOC is happy the following occurred and I felt you should know in case it is brought up. Again, I believe we have fixed this and I take full responsibility for any supplies not being on site.

#### Fire Station Inventory Levels:

##### Station 1:

- Only time without supplies - 15 minutes without water while the truck was unloaded.

##### Station 3:

- Ran out of replacement filters around 7:00, replacement filters delivered around 7:30. Had to pick up replacement filters from Home Depot and deliver.

##### Station 5:

- Ran out of water around 5:00, water was delivered around 6:30. We needed to find additional trucks because DTMB drivers were over hours. The ARC stepped up and found a truck to go and pick up a pallet of water and deliver.
- Somewhere between 4:00-6:00 they ran out of lead test kits. No way to restock these because City facilities were closed and could not reach anyone.

##### Station 6:

- Around 5:00 ran out of water, filters, and replacement kits. Replacement kits were delivered around 7:30. Additional water and filters were delivered after 9:00 due to the DTMB drivers heading back to Lansing. Food Bank was called and had to get drivers in to operate trucks, pick up water from the School District, load and deliver to all sites. Delays occurred with weather conditions and needing to use last minute sheriff EOC staff to load due to issues with City workers. City workers were scheduled to help and left around 7:00 without helping.
- 2 pallets of water were dropped off in the afternoon and within 1 hour were gone. This was much faster than we expected. On 1/9 they didn't go through 2 pallets of water at any station for the hours 9:00-4:00.
- We received news that a reverse 9-1-1 call notified residents of water which caused an unanticipated amount of people obtaining water. There was also a report of 1 person walking out with 2 cases of water and trying to sell in the parking lot.

##### Station 8:

- Around 7:00 ran out of filters and lead tests. Filters were delivered around 8:00 from the food bank trucks.
- Hourly reports were requested in the morning from volunteers but this information was not received as to the status throughout the day. Early inventory of supplies took between 1 hour-1.5 hours to receive in the EOC. We were not advised of low counts, just zero numbers.
- Reports received that the last couple of hours were slow.
- Residents were advised of the other sites and the opportunity to obtain supplies.

#### Restocking Plan

- United Way set up meeting with Food Bank to discuss.
- Had EOC meeting on this topic to discuss options.

#### Churches:

- All 9 churches received waters, filters, and informational bulletins.
- Lt Roach received positive feedback from 3 of the pastors.
- No complaints were received.

#### Signage:

- Provided information to SEOC on signage requirements at the fire stations.

#### Storage:

- Researched storage spaces; established temporary site at GCCARD.

#### Personnel:

- Lack of local EOC leadership (seems somewhat checked out) with IC and Deputy IC (doing an okay job).
- Captain TaFoya (Genesee County) helped tremendously today with all the plans outlined above and attended the press conference.

- Tina Martinez at the Food Bank and Matt Purcell at GCCARD were extremely helpful in getting last minute operations set up.

Chris

---

#### Update 1/9/16

SitRep 4 attached for more in depth information. The below only contains some items worked on today and while the format in the attached SitRep is not perfect (it is created automatically by MICIMS) it does contain a lot more information you may want to read. I also attached one of our maps. It is our filter distribution map. All filters handed out by anyone working with us feeds into this now. We are continuing to refine these and at this time there is a delay in the upload of address data but we are working on it. We have a ways to go to get filters in every home but this will help direct us to those who need still them. We also are working on identifying abandoned homes.

Key items for tomorrow to note are:

- 9 churches will have ARC volunteers and filters for distribution. Some may also get water.
- 5 fire stations are a distribution point for water, filter systems/replacement filters, and water test kits. While only open today until 4 p.m., tomorrow and until further notice they are open from 9a to 9p.
- Media event will take place on the above tomorrow.

#### Items to Note

- 211 has some issues with call load but it is being worked on. 2-1-1 Director contacted MDHHS PIO to discuss/resolve caller wait times and messaging. We anticipate an increase in activity tomorrow in 211 calls so we requested and received an increase to staff 211.
- We are shifting tasks the SEOC took on that are handled more effectively and efficiently at the local EOC. We have established command and control in their EOC. We are running things there but that is not being made public. We are doing this in partnership but we are clearly handling the operation with state personnel oversight.
- A 3rd FEMA LNO arrived today upon my request. This has nothing to do with a Presidential request for a declaration but support for some other items I want worked on for long term recovery.
- We continue morning calls with the local EOC leadership and local emergency manager on what our goals for the day are as well as any issues/concerns.
- Five 5 fire stations have received water, water filters, replacement cartridges, and water testing kits with American Red Cross personnel at each location to assist with delivery of resources and collection of addresses receiving them. These locations will be open from 9a – 9p daily until determined they are no longer needed. Those picking up water testing kits will be advised that they can return the test kits to the fire departments (where they will be picked up and taken to the Flint City Hall), the Flint Water Treatment Plant, or they can take them directly to the Flint City Hall. For those unable to return the kits, 211 can make arrangements for pick up the kits. We understand response to these sites has been positive thus far. The Genesee County EOC will be monitoring these supplies and request replacement of products as needed.
  - A call is going out tomorrow morning to advise this information ... I do not believe it was every resident but Tori Sachs has that info if needed.
- I approved a press release today to advise the public that all levels are working together to ensure delivery of filters, test kits and water; noting that all of these items were delivered to the 5 Flint fire department stations. It was stressed that the public should be aware that the local and state agencies have been working cooperatively to assist the residents - and will continue to do so. This was done to hopefully end or at least minimize the "who can get water and filters out first" when all of this has been connected with the state and coordinated since the state declaration was put in place.
- The arrangement of 2,000 filters, to be taken to 9 local churches on Sunday, January 10, is ongoing. The filters have been secured; they are now in the possession of the DTMB. DTMB will return to Flint on Sunday morning to deliver

these to necessary locations. The American Red Cross will be on site at each church to assist with distribution and recording addresses (for GIS). The local EOC is working to ensure these arrangements are complete and run smoothly. Future engagement with the faith based community will occur to assist with additional distribution.

- A Flint City liaison has not been in the EOC but starting Monday this will be in place to keep the Flint Mayor apprised of activities being conducted in the city. She also has been advised she can call me at any time if she needs anything.
- Training has been confirmed for the door-to-door operation scheduled to start Tuesday. Four teams are initially scheduled with more to potentially be put in place. These are the teams that will be handing out water, filter systems/replacement filters, test kits and information. If nobody is home, a door hanger with information is being left. DHHS personnel and one MSP trooper will be on these teams.
  - Training will take place at 1 p.m. on Monday afternoon at the DHHS office on Clio Road. DEQ and DHHS will provide the training.
    - Training is so those going door to door can explain what the filters do, how to install them, if they need install help to call 211 who has a list of people who can install the filters, and answer any other questions versus just handing them the filter.
  - Hours of operation will be Tuesday through Friday from 8:30 a.m. to 5 p.m. AT THIS TIME. I am reevaluating these times to increase contact with someone versus just leaving information.
  - Logistics are being finalized for the teams and trucks to handle stocking and re-stocking of materials during daily operations.
  - GIS maps will provide guidance on deployment locations for these teams and other teams in the field.
- A pilot project at Freeman Elementary with LARA and DEQ has been initiated to see if replacing certain plumbing components in faucets at the school will drop the lead level.

#### MSP/EMHSD GIS Section Updates

Accomplished Today (January 9):

- Produced a Point of Distribution Map. Contains four types of distribution points; Churches, Water Resource Sites, Filter Distribution Sites, Water Distribution Sites.
- Produced Filter Distribution Map.
- Developed process of how best to handle geocoding the household filter locations, worked on processing the data.
- Worked on map of franchise customers outside of Flint City.
- Produced maps for MDARD on food establishments and Local Health Departments.
- Produced map of Church Filter Distribution map for DTMB.

#### Local Emergency Operations Center

- The state has deployed 10 personnel to the Genesee County EOC to ensure we have command and control at the local level. On 1/8/15 The state personnel took over the incident management functions of the Genesee County EOC (not public). The arrival of additional staff allowed the local Emergency Management Coordinator to delegate tasks which relieved a tremendous amount of stress.
- Additional Sherriff staff ) will be shadowing the state incident management team to allow for transition to the county personnel later in the incident when we are comfortable with them handling things. Not sure when that will be but we have secured a direct bill hotel for staff to stay in Flint as long as needed.
- With the additional staff, the Local EOC will be able to take over functions previously handled by the SEOC including:
  - Logistical activities to support church operations.
  - Logistical activities to support fire stations operations.
  - Coordinate Donations Management activities and draft donations management plan
  - Coordinate Volunteer Management activities
  - Identify local storage/staging facilities
  - Overall inventory tracking
  - Tracking of Points of Distribution (PODs)

INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

Update 1/8/16

SitRep 3 attached.

There is a significant difference in what is being presented by the media and what the local EOC is relaying to us at the SEOC. It is also being driven by the media that this is a state versus local response (who is providing more and quicker versus a coordinated effort between all). That said, I advised SEOC personnel that perception is reality in some eyes and we are to move forward to address items that typically are addressed at the local level. I have ordered the SEOC open all weekend due to make the quick wins that we need and continue to get the coordination and collaboration in place that is needed (but make gains on our own as needed).

Items to Note

- Two FEMA LNO's arrived today and are in the SEOC. A third LNO was requested from FEMA due to some unique issues with this event to include having to deploy more or my staff to the local EOC to get more structure and/or find out why there is an issue with the message the media is showing versus what we are hearing from the local EOC.
- We finally received from the local EOC 8 locations (we were told originally early in the week they had 80-90) that are their Points of Distribution (PODs) for water in conjunction with the local food bank. The PODs are not getting water from the food bank even though the food bank has water. We are going to resolve this issue as we can help deliver the water to the PODs but we were not aware of this. 8 PODs is not enough locations if water needs to be distributed to citizens. Speaking with the ARC Regional Administrator later today, I believe ARC got water to those locations but I need to confirm that in the morning. The food bank reported they had 376 cases of water.
- We have learned that a low number of residents are testing their water when DEQ can test 400 kits per day. This is an added focus that we believe can be increased through dissemination of test kits with the filters and any water.
- I found out the Mayor was okay with using fire stations as distribution points for water, filters, and water test kits. While this did not come to me through the local EOC, I advised we needed to get water, filters, and test kits to these locations for tomorrow. The distribution at 5 Flint Fire Department stations has been coordinated to be in place by 10:00 am tomorrow morning.
  - DTMB has provided a truck and driver to pick up water test kits from DEQ lab in Lansing, water from the Food Bank and water filters and replacement cartridges from GCARD in Genesee County.
  - 10 American Red Cross (ARC) volunteers will meet the DTMB truck at GCARD at 9:00 am to be provided information about filters. Instructions will be included in water test kits. They will then report to the 5 fire stations to assist in distribution of resources to the public and track addresses of same.
  - Residents will be told where they can drop off their water test kits, or that they can return them to the fire station the next day. Coordination will occur on pick up of water test kits daily to be taken to the Flint City Hall, who will then delivery them to the DEQ testing lab.
- STILL FINALIZING - We have made available 2,000 Filters for distribution on Sunday as parishioners leave mass/services. This will be 200 filters for 10 churches in Flint. While this is a small number of churches, we do not want to waste an opportunity to hand out filters and this seems like a quick way to so. The filters will be put on the DTMB truck on Saturday for delivery to TBD locations for distribution. Logistics remain undetermined as I am still waiting on a list of the churches, pastors/reverends/hours or services/etc. The DTMB truck will be returning to

Lansing approximately 11:00 a.m. so we need to finalize this quickly on Saturday. We may utilize ARC to assist with this.

- The Recovery branch is working with the JIC to develop a door hanger card. DTMB is working on the printing portion of the hanger card. Recovery will also be finalizing logistics over the weekend for neighborhood canvassing to occur early next week. 40 volunteers have signed up to attend training on Monday afternoon to complete this task. The mission will be to deliver water sample kits along with water filters/replacement cartridges, and water.
- It appears that 211 has become overloaded. DHHS is researching ways to increase capacity for calls.
- A Volunteer Management Coordinator is in the Genesee County EOC as of today.
- A Donations Management Coordinator has been requested and she will be in the Genesee County EOC Saturday.
- DHHS had a conference call with GM today; they indicated they can provide cash, and supplies, but primarily manpower. No commitments were made at this point. We inquired as to availability of warehouse space and trucks. It was left as GM being a major resource pool that we can tap into as we determine missions. Further conversations will occur, but primarily GM just wanted us to know they are there if needed.
- An additional EMHSD staff member was sent to the Genesee County EOC to act as Operations Section Chief and obtain awareness of the situation there.
- GIS staff met with various parts of Genesee County/Flint personnel to try to get a handle on data available.
- GIS continues to work with local GIS personnel with three GIS staff going to Flint today to work with them. GIS staff is working with U of M on how best to proceed with digitizing water lines for long term recovery.

Chris

---

#### UPDATE 1/7/16

A summary of some of today's SEOC activities is provided below. Attached is the following:

- Today's SitRep which contains more information than below.
- The resource request/task assignment sheet for your situational awareness. This is how locals request resources as well as how we track resources and any assignments and/or tasks that are to be completed.
- JIC Task Tracking – for your situational awareness on how we are tracking requests and assignments. Once someone is assigned a task or resource request it allows them to document what work has been or will be done as shown at the bottom of the document.

#### **Items to note:**

- I received a document this evening from Genesee County which appears to be damage assessment information. Analysis of this will occur tomorrow. It appears to be infrastructure and costs to fix it and no other impacts.
- I spoke with Jamie Curtis, Genesee County Commissioner, this evening. A very good relationship is in place with him, especially with our District Coordinator (DC). I also have our DC working on developing stronger relationships with the Mayor/Mayor's office.

- GIS staff continue to obtain data and work with County and City personnel to get a picture of where resources have been provided, need to be provided, as well as infrastructure locations (pipes) that could be affected.
- Personnel and agencies have been tasked with developing a plan to get people in the community to deliver information, hand out filters, etc. This would target those areas we are showing minimal or no filter distribution based on the data we are collecting. The plan is to get them in the field by Tuesday and the plan will be provided to me tomorrow.
- Filters can be obtained at the following locations:
  - Michigan Department of Health and Human Services office, 125 E. Union St., Flint, MI 48502
  - Michigan Department of Health and Human Services office, 4809 Clio Road, Flint, MI 48504
  - Genesee County Community Action Resource Department office, 2727 Lippincott, Flint, MI 48507
  - Genesee County Community Action Resource Department office, 601 N. Saginaw, Flint, MI 48502
- Conducted briefing with local EOC and county executive.
- Conducted briefing with state agencies (daily updates).
- Began work to schedule legislative/congressional conference calls. Tentatively scheduled for 2 p.m. Friday.
- JIC continued to develop messaging.
- Provided input to local EOC regarding best methods of identifying health and non-structural impacts for damage assessment process.
- Deployed two EMHSD/SEOC liaisons to assist the local EOC.
- Published the Incident Action Plan and continued assignment of objectives/tasks.
- FEMA Liaison Officers just arrived in Lansing to assist command and general staff.
- I spoke with Harvey a few times and he should have talking points later tonight or tomorrow a.m. for his use and also for others who may speak to media outside of state government who may benefit from our messaging.
- We held a media round table at 1 P.M. at the SEOC. Dr. Wells and I spoke and answered questions to numerous media outlets.
- Local agencies and NGOs continue to provide water and filters to citizens.
- The website, [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater), was update with information and links to assistance to include 211. Additional recommendations were provided to include information on the testing water in homes.

#### EMHSD GIS:

##### Accomplished Today:

- Reproduced Socio-Economic Status Map
- Reproduced Predicted Affected Populations Map
- Cleansed old data and reports for water filter distributions
- Created draft map of water filter distributions (Refinement needed before releasing final product)
- Scheduled on-site visit with Flint GIS Department and Genesee County GIS Department
- Formatted databases to host content
- Researched service line database creation and scheduled meeting with U of M Flint to discuss timelines and resource needs
- Generated water infrastructure map (does not include building service lines)

##### Tasks for Tomorrow:

- Meet with Flint City GIS
- Meet with Genesee County GIS
- Meet with U of M Flint GIS
- Finalize water filter distributions map
- Finalize plan for data distribution methods

Chris

---

UPDATE 1/6/16

A summary of today's SEOC activities is provided below. I tried to distill this as best I could but there has been a lot of activity and discussion to get an accurate assessment of the situation. Attached is the final draft of objectives and tactics for the operational period and agency situation report (SitRep) which has more SEOC agency information. I have implemented weekly operational periods.

Advise if you want anyone else copied or off this distribution.

#### Daily Update

- Set goals for SEOC and identified response/recovery emphasis
- Requested FEMA liaison officers (LNO) from FEMA Region V. Two LNOs will be on site by ~3 p.m. 1/7/16. Both are known contacts to me and some staff and one has worked extensively with me during the SE MI flooding in a command and control position. These personnel have been specifically tasked with this mission. **THEY ARE NOT HERE TO ASSIST WITH A PRESIDENTIAL DECLARATION REQUEST BUT TO ASSIST ME.**
- PIOs from multiple agencies were here and established the Joint Information Center (JIC). News released *pushed out on this*. I am very happy with the PIO work and movement toward coordinated messaging.
- Held briefing for State Agency Emergency Management Coordinators, which included presentations from DEQ and DHHS subject matter experts to ensure situational awareness and to develop a common operating picture.
  - I opened the briefing by identifying our initial goals, items to think about while subject matter experts were briefing us, and how we are to move forward, find quick wins, and regain trust.
  - **MDHHS – Elevated Blood Lead Levels**
    - Dr. Elizabeth Wells gave an in depth summary of lead poisoning and what has occurred in terms of health monitoring throughout the Flint crisis.
  - **MDEQ – Water Testing Protocols**
    - Mr. George Krisztian of MDEQ gave an in depth summary of the testing protocols and summary results that as they have developed throughout the emerging crisis.
- Developed Incident objectives, strategy and tactics (see attached)
- Identified SEOC and state agency staff positions
- Assigned work tasks for SEOC operation period from 0800 January 6, 2016 to 1700 January 8, 2016
- Reviewed planned actions, prepared final draft Incident Action Plan
- Made contact with the Genesee County Emergency Manager first thing in the morning and held a conference call mid-day to discuss roles. Daily 0830 command conference calls with local EOC command staff starts tomorrow. Tomorrows call will include the County Commissioner and the City Administrator (both invited). Topics include the incident action plan objectives and establishing better local coordination, command and control to facilitate integration with the SEOC. The local EOC is not functioning as it needs to **with personnel and local coordination and we are working on that issue.**
- I will be in Flint tomorrow for a 2 p.m. media round table with local officials that was set up by the JIC.
- The attached initial objectives will be updated at least every operational period and as needed. I listed the objectives below but the tactics to accomplish them is in the attached if you want further information.
  1. Activate the State Recovery Task Force (SRTF).
  2. Establish and maintain coordination between the City of Flint, Genesee County, state and federal agencies, and appropriate medical experts.
  3. Obtain and maintain situational awareness and common operating picture of all activities.
  4. Establish SEOC operational period and hours of operations.
  5. Investigate and identify all available programs for assistance with direct or related impacts, including the federal Lead Pipe Replacement Program.
  6. Develop a comprehensive GIS strategy.
  7. Coordinate response and recovery activities with MIVOAD and identify potential mission areas.
  8. Establish and coordinate routine communication between SMEs and coordinate technical assistance among state agencies and to local agencies.
  9. Provide technical assistance to the local Damage Assessment process.

10. Establish a Joint Information Center (JIC) and develop a public information strategy.
  11. Monitor MI CIMS for resource requests and address as appropriate.
  12. Establish and disseminate cost center information for the incident.
- Additional tasks include:
    - Determine what federal agencies are already involved and their status
    - Identify potential water supplies
    - Determine where affected homes are located, where filters/pitchers (and replacements) were installed/provided, and determine who needs filters, etc.
    - Determine how filter distribution is handled, and if it can be handled more efficiently and effectively
    - Determine what mechanisms are in place for nutrition supplementation

**EMHSD GIS Accomplishments:**

- Hosted a conference call to begin coordination with Flint City and Genesee County GIS departments and the SEOC
- Established a daily call with county and city GIS personnel to synchronize GIS efforts in support of the Flint water crisis at 8:30 A.M.
- Began consolidating local data from local GIS practitioners into a consolidated database, to include:
  - Water Pipeline Locations
  - Filter Distribution Locations
  - November 25, 2015 Water Monitoring Results (Partial, some data remains to be digitized)
  - Affected School Locations
  - Predictive analysis of blood lead levels for affected area
  - Updated Parcels
  - Demographics
  - Block Groups
- Produced a map for the filter distribution locations
- Began contacting specialists who developed historic maps depicting the Flint Water Crisis to obtain the data

**From:** Kelenske, Chris (MSP)  
**Sent:** Tuesday, January 05, 2016 6:13 PM  
**To:** Etue, Kriste (MSP); Gorski, Gary (MSP); Smith, Paul (GOV)  
**Cc:** Baird, Richard (GOV); Hollins, Harvey (GOV)  
**Subject:** RE: Update - Genesee County Declaration

I forgot to advise that we have asked key state agency PIOs to be in the SEOC for the briefing.

---

**From:** Kelenske, Chris (MSP)  
**Sent:** Tuesday, January 05, 2016 6:06 PM  
**To:** Etue, Kriste (MSP); Gorski, Gary (MSP); Smith, Paul (GOV)  
**Cc:** Baird, Richard (GOV); Hollins, Harvey (GOV)  
**Subject:** Update - Genesee County Declaration

Below are some key points for your situational awareness (FYSA) that have taken place or will take place within the next 15 hours.

- I was on the phone with Sean Kammer, Assistant to the Flint City Administrator, when the declaration hit the news so I advised him immediately. He was going to let the City Administrator know.
- I contacted MSP Lt. Roach, 3<sup>rd</sup> District Coordinator, who was at the Genesee County EOC and advised her to let the County EM know the declaration status.

- State Emergency Management Coordinators (SEMCs) were notified via our notification system with additional information in an email.
  - This included information on the SEOC activation and a 0900 briefing for SEMCs.
  - Some subject matter experts will provide us an update to establish a common operating picture.
- We have been in contact with FEMA Region V watch desk ... they will be on the call tomorrow and continue to monitor the situation.
- I have been in contact with the FEMA Region V Administrator to keep him updated.
- Operational period for the SEOC will be M-F, 0800 to 1700 at this time.
- Situation Reports (SitReps) will be provided in the evenings.
- An Incident Action Plan will be developed tomorrow.

Call me with any concerns or questions.

# Damage Assessment and Emergency Status Report

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

## Operational Period

Operational Period Begin: 01/13/2016 08:00:00  
Operational Period End: 01/15/2016 08:00:00  
Situation Report No. 8  
SEOC Status: Full  
SEOC Hours of Operation Begin: 01/13/2016 08:00:00  
SEOC Hours of Operation End: 01/13/2016 20:00:00

## Executive Summary

### SEOC Update:

Accomplished today (January 13):

The SEOC continues to provide:

- Situational awareness.
- Common operating picture/objectives.
- Coordination with city/county.
- Potential coordination with federal agencies.
- Incident prioritization.
- Coordination of life/health safety measures.
- Provide resources.
- Public Information Control.

### • Logistics

- o Working with DTMB and MDOC to secure vehicles and/or trailers for door-to-door campaign beginning Thursday morning.
- o Work with MSP Ops Chief to build a mission ready package for a volunteer team in the case other cities offer volunteer assistance for door-to-door.
- o Work with DTMB to secure 80,000 square foot warehouse to store water resource supplies.

### • JIC

- o PIO from 2-1-1 and Genesee County Sheriff's office were in JIC today.
- o We held a media avail at Fire Station #3 and the event was well attended by media.
- o Managed and corrected misinformation from media about National Guard Presence.
- o City buses adding water resource centers to route.

### • Recovery Branch

- o Coordinating with Red Cross on volunteers for weekend
- o Ordered 15 passenger vans to transport teams 1/14-1/15
- o Contacted Comcast to coordinate volunteer opportunities- awaiting response of number of potential volunteers.
- o Coordinated trucks and drivers with Corrections to deploy on 1/14-1/15
- o Coordinated tracking numbers with GIS:

Overall Numbers: 1/12 1/13

Occupied Homes 533 291

Vacant Homes 238 88

Total Homes 771 377

### Resources

Door Hangars 473 256

Water 265 148

Filters 235 123

Pitchers 9 6

Water test kits 92 44

Replacement Filter 93 93

Total Resources Dispersed 1167

Future sample test site 62 34

### • Planning Section

- o Developed real time tracking system for local resources.
- o Working with GIS to include local POD numbers in live GIS distribution map.
- o Developed and published Situation Report #8.

### • Operations Section

- o Fire stations up and running today and providing resources to the citizens.
- o Coordinated trucks and drivers with Corrections to deploy on 1/14-1/15.
- o SEOC chiefs along with American Red Cross Logistics liaison deployed to local EOC and warehouse to further develop distribution plan and coordination between all entities.

### o Daily Numbers:

□ Replacement Cartridges.

• 30,700 delivered.

□ Water (cases).

• 19,152 cases delivered.

### • Finance Section.

- o Gather related costs to date to build projection to submit to SBO.

- GIS Branch Updates.
  - Map products have been updated with new information. Created a franchise water customer map for MDARD.
  - Continued with mapping of lead service line locations, 20% completed at this time.
  - Upgraded ArcGIS Online Collector App to field teams and tracked resources and site visits and procured 30 additional tablets for tomorrow's field teams.
  - Updating EOC dashboards to track more detailed metrics and track team locations.
  - Implementing a POD tracker for tomorrow that can be used to monitor distributions in real time.
- Current focus is optimizing the dashboards to include triggers that notify staff when inventory limits are exceeded to better manage the ordering process for new supplies.

#### DTMB:

- Secured warehouse today for storage of bulk supplies.
- Secured 30 tablets for field data entry.

#### DHHS-CH

- The Community Health Emergency Coordination Center (CHECC) is working on a nutrition plan.
- They are working with local, regional, and state agencies.
- Looking at short term and long term benefits.
- Working with local health department to provide additional support.
- Working on developing a community assessment for disaster behavioral health services.

#### DEQ

- Additional staff reported to the GCCARD today to supervise assembly of the water testing kits.
- Field observer working to get inventory of kits returning.

#### Local EOC Update:

- Evaluation of need to engage further public health/medical professionals.
- Continuing to identify appropriate agencies that need to be represented in EOC, and discuss strategies to engage them.
- Addressed lack of distribution of supplies to undocumented populations.
- Worked to enhance coordination of financial control to educate county finance staff.
- Coordinated with Flint Mass Transportation Authority (MTA) to include Fire Station PODs on bus routes.
- Secured adequate warehouse space for incoming supplies.

### Incident Response/Recovery Priorities/Objectives

#### Damage Assessment Summary

#### Agency Summaries

##### Joint Information Center / Public Information Officer

The Joint Information Center (JIC) was operational in Flint from 8 a.m. to 5 p.m. on Jan. 12. State agencies at the JIC included the Governor's Office, Health and Human Services, Michigan Department of Agriculture and Rural Development, and Department of Technology and Management and Budget, Natural Resources, and Michigan State Police.

Tasks accomplished during the operational period included:

- Held an 8:15 a.m. media event where media members had an opportunity to get footage and photos of the water resource teams as they go door-to-door to distribute free bottled water, water filters, water filter replacement cartridges and water testing kits to residents throughout Flint. A photographer/videographer was embedded with the team.
- Collaborated on a Governor's news release about a Public Service Announcement featuring Capt. Chris Kelenske from the Michigan State Police. The PSA provided information about the resources currently available for free to all Flint residents, including water filters, replacement filters, bottled water, water testing kits, and blood testing.
- Issued Web and social media content about the water resource teams.
- Reached out to local and nonprofit PIOs to become active participants in the JIC.
- Finalized MDARD letter and fact sheets to food establishments.
- Sent water filtration video to Comcast. Working to get a Dish Network contact.
- Arranged for an interview with the New York Times, including directors from DEQ and MDHHS.
- Began preparing a news release to include numbers, including teams, sites, local and American Red Cross.
- Monitored traditional and social media.
- Received 17 calls from the news media on the JIC media hotline.
- Expanded JIC staffing and roles.
- Confirmed digital billboard to encourage residents to call 211 for water resources and information.

##### Agriculture and Rural Development (MDARD)

Jan 13th - 1/13/16 - MDARD Activities: Food Safety: The updated guidance document for water in retail food and restaurants/food service is done and is going out via US Mail, and attached here. MDARD Food staff will start scheduling water sampling and inspections for next week. Verified that the warehouses storing water do not need MDARD Food Licenses.

MDARD's Agriculture Development Division provided background on historical grants to the Flint Farmers' Market and Food Bank of Eastern Michigan and will be contacting those organizations to ask about barriers and potential opportunities to help strengthen the food system.

##### American Red Cross (ARC)

The American Red Cross staffed the points of distribution (POD) at the 5 fire stations today, and will do so again tomorrow. The assembly of water test kits continued, today we moved the operation from G-CARD to ARC headquarters. Although the acquisition of warehouse space has been an issue, delivery trucks have been off-loaded throughout the day.

The ARC did stand up a volunteer reception center (VRC) today. It will be in operation daily (including weekends) from 9am to 7pm.

#### **Civil Rights (MDCR)**

Continue to review activities to provide support and assistance to assigned Human Services branch and other SEOC activities. Conducted background on swimming pool water/licensing and researched best practices in community engagement.

#### **Community Health (MDCH)**

Communications have been maintained between the CHECC and the SEOC throughout this operational period. MDHHS, MDE, LARA and MDARD have collaborated on the beginnings of a nutritional plan that includes educational components, consistent messaging across agencies, short term and longer term goals to address the "food desert" that exists in Flint. Information obtained was provided to the CHECC and a lead has been assigned to further develop this multi agency the nutritional plan .

The CHECC began to assess needs and resources to address disaster behavioral health needs for citizens and responders associated with this response. Contact was initiated with the Substance Abuse and Mental Health Services Administration Disaster Technical Assistance team. Discussed disaster behavioral health resources with FEMA V Disaster Recovery Coordinator.

CHECC Continued communication with LHD EPC to determine additional support that may be required.

The CHECC continues to track responses to volunteer availability through the MI Volunteer Registry.

#### **Corrections (MDOC)**

Brent Travelbee and Mike Farmer reported to the SEOC at 0750 hours on 1/13/2016. We have filled all requests for vehicles, personnel and warehouse equipment to assist with water distribution. MDOC Director Heidi Washington is providing full support to our assistance efforts. We will continue to staff the SEOC as a full-time partner as we have assets deployed into the field. All resources are documented on the appropriate forms and shared with the SEOC staff. Additional resource requests are coming in frequently and we are working hard to locate the requested resources while still maintaining minimal local facility operational requirements from the providing facility.

The MDOC is dedicating a considerable amount of resources and staff to this effort. We are working closely with the Logistics Chief to locate needed resources and fulfill resource requests in a timely manner.

Currently we have 25 staff and 18 vehicles dedicated (on site) to the response for Thursday, January 14, 2016, additionally we have 4 pallet jacks, one refrigerated semi-trailer and two MDOC staff assigned to the SEOC location.

Information is as follows:

- (4) Large Box trucks
- (4) 15 passenger vans
- (4) Ford F-250 trucks
- (3) enclosed trailers
- (1) Handicap Van
- (1) 20 passenger Van

The MDOC continues to monitor the situation and its affect on our staff as well as our clients in the community.

#### **Education (MDE)**

MDE is distributing nutrition guidelines for "Help Fight Lead Poisoning with a Healthy Diet" handout. Additional MDE staff trained for SEOC. (1/11)

MDE is monitoring the situation and coordinating as necessary with other state agencies.

Kyle Guerrant, Deputy Superintendent, was on-site at the SEOC; January 10, 0915-1425.

#### **Environmental Quality (MDEQ)**

The Department of Environmental Quality (DEQ) completed the following activities:

- DEQ staff deployment as a field observer to assist in tracking water kit supplies and samples
- Coordination of DEQ and LARA personnel for Freeman School Faucet Replacement plan and school testing over the weekend

#### **Human Services (MDHS)**

On the Human Services side, two representatives worked the SEOC during our operation hours of 0800 to 2000 today.

Updated resource requests with water filtration products delivered today.

Participated in numerous briefs and conference calls, related to the response.

Genesee Co. MDHHS staff participated in the Flint Water Resource Teams again today. Genesee MDHHS staff have been identified for Thursday, and Friday.

Staying in communication with 211, addressing human service concerns and delivery of resources to the elderly and disabled. Review and provide regular 211 updates to SEOC Ops.

CHECC continues to maintain a Level 2 Activation

#### **Licensing and Regulatory Affairs (LARA)**

LARA has offered to assist with lab testing utilizing the MIOSHA Lab and Scientists as appropriate in coordination with DEQ. We have 3 scientists and the lab manage available. LARA staff are also available for assisting with collection of testing materials or as needed..

LARA Bureau of Community and Health Services is in contact with licensed facilities to ensure they are receiving appropriate assistance if needed. The Center for Medicaid and Medicare Services has contacted us regarding any potential issues.

#### **National Weather Service (NWS)**

Jim Maczko from NWS Grand Rapids will participate in SEOC briefings via phone call and will coordinate support with local forecast office that serves Flint - NWS Detroit/Pontiac.

#### **Natural Resources (MDNR)**

MDNR is fully participating in all SEOC activities. Situational awareness is being maintained and the department stands ready to assist as needed.

Department POC's include:

Chief Gary Hagler, F/Lt. Jennifer Wolf, F/Lt. Steven B. Burton.

#### **Services to the Aging (OSA)**

Valley Area Agency on Aging - Region 5 (VAAA), in partnership with other local community agencies such as the Genesee County Health Department and MDHHS, has helped organize local meetings and distribute water and water filters. VAAA is an access point for receiving calls from homebound seniors who are not able to pick up water filters or need assistance installing water filters. VAAA reports they continue to receive calls from seniors who need assistance.

Contact info for VAAA Executive Director is:

Kathryn C. Boles  
President, CEO  
Valley Area Agency on Aging  
225 E. Fifth Street, Suite 200  
Flint, MI 48502  
(810) 239-7671  
(810) 239-8869 fax

VAAA has distributed 2 bottles of water with each home delivered meal to each HDM client within the City of Flint. Water. VAAA also provided water to homebound seniors who needed water to prepare food as they had limited support to pick up bottled water. Congregate meal participants also have access to water and filters as needed. Once water filters were installed, VAAA discontinued including water with home delivered meals.

VAAA also contacted the Grandparents Raising Grandchildren program to ensure that they were aware of educational efforts and confirm the program had received water filters to distribute to program participants.

On 1/11/16 AASA forwarded to MSP/GIS over 1,400+ NAPIS addresses of Flint seniors who received in-home services in FY15. The NAPIS file was sent encrypted and did not include client names. The NAPIS file included 1,029 HDM, 138 CM, and 30 CCS clients.

VAAA continues to operate as a call center and referral point for area seniors concerned about their drinking water. They've noticed this week that seniors who've had filters installed are beginning to request bottled water again.

AASA's State LTC Ombudsman has checked in with the local Ombudsman in Flint. Local Ombudsman reports Flint area nursing homes have been taking precautions using bottled water for cooking and drinking. The local Ombudsman remains concern about Nursing Homes' long term need to replace old facility plumbing that may be leaching lead.

#### **State Police (MSP)**

Teams have been distributing water all day. 771 homes have been visited as of the end of this operational period.

Logistically, we can support 15 teams consisting of 60-75 MSP volunteers beginning on Thursday, 1/14. We will fold these personnel into multi agency teams with local volunteers, other state agencies, the county, etc.

To run this operation, we will need a minimum of enlisted uniform troopers and sergeants (to lead the teams) in marked vehicles, plus any need command and control staff.

Muster location is the Local EOC, 1101 Beach St., Flint. Parking is Available at the Trinity Church, located at the intersection of Beach and 8th St. Operational period is 0900-1600 on Thursday and Friday. (with 0800-0900 and 1600-1700 being travel to and from)

## **Supreme Court**

08:50 - State Judiciary EMC John Ort reported to the SEOC regarding the Flint water emergency. Nothing to report from the Judiciary regarding the emergency. DEQ website resources shared with our State Court Administrative Office (attn: Region II) in case our Genesee County courts have any questions regarding the emergency.

## **Technology, Management and Budget (MDTMB)**

DTMB Mail Services has seven drivers with trucks assisting in transporting supplies to support point of distribution centers and Flint Water Resource Teams.

DTMB Real Estate assisted in procuring 80,000 feet of warehouse space and writing the rental agreement.

Eight trucks carrying 12,768 cases of water will be delivered Thursday, along with two trucks carrying 117,000 water filters and 39,000 faucet mounts.

Filled resource request for 20 tablets to send out with the Flint Water Response Teams to record supplies being delivered in the field.

..... **Incident Related Images** .....

**Subject:** SEOC Update 1/14/16 - Flint Water - Limited Distribution  
**Attachments:** SitRep9 Flint Water.pdf

### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

#### Update 1/14/16 – 10<sup>th</sup> Day (9<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

##### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Prepare/approve logistics plan and finalize lease on warehouse space/begin to move supplies from GCCARD to new warehouse
- Continue with door to door teams and finalize planning for future team use
- Submit request for a Presidential Declaration of a Major Disaster and Emergency
- Continue to work on long term recovery items (DHHS, DEQ, MDARD)

##### Attached Documents:

- SitRep 9

##### Status on Governor’s request letter to the President:

- All documents for the presidential request have been submitted to FEMA. I had a lengthy conversation with the FEMA Region V Administrator reference the request prior to sending.

##### Key items for tomorrow to note are:

- The door to door teams will continue in the morning.
- We will continue to ramp up door to door operations with additional teams. Teams continue to focus on the high lead level areas and additional data is being analyzed to focus mission areas.
- ARC will increase the number of their Water Response Teams.
- Supply burn rates as well as projections on how many teams will be needed to put filters in all homes within 3 and 5 days will be completed. Analysis will be done to see if NG personnel may be needed to finish in quicker manner.

##### Items to Note

- DEQ was notified of the number of homes who are willing to have them take additional samples in the future (current number (114). This question was added to the App being used by the Water Response Teams. Data will be provided when needed.
- LT Gov is scheduled to be at the local EOC and SEOC (~4:30) tomorrow to see the operations.
- Secured 80,000 sq. ft. of a warehouse today. Working to consolidate all resources in one location. Tomorrow will be the first day of full implementation of our logistics plan.
- Email sent to state employees to request volunteers for weekend.
- Media monitoring showed no incorrect information today.
- Michigan Association of Broadcasters is sending PSA to radio stations.
- Coordinating with Red Cross on volunteers for weekend.

- Deployed 8 Water Response Teams to the field today (approx. 120 volunteers). 78 Red Cross volunteers active across the operation today.
- National Guard is ramping up to have 3 soldiers per shift at each POD tomorrow. Will also have a Public Affairs Officer at the JIC and liaison at the local EOC.
- Senator Ananich visited the SEOC today to see how things operate. The visit went well and he seemed happy with the number of staff working the Flint event. He tweeted out a message indicating there is still a lot of work to be done but all are working hard.
- DHHS
  - The Community Health Emergency Coordination Center (CHECC) is working on the following:
    - A nutrition plan
    - Education materials, messaging, and working with local agencies
    - Developing a community assessment for disaster behavioral health services.
- Lined up the delivery of filters to two large apartment complexes and a student housing complex.
- We have the list of individuals needing home service (additional contacts will be sent to the Ops Chief at the Local EOC each day at 4:00). Info will be provided to the sheriff's office for action.
- Water Response Team Numbers (this is not the total of homes with filters – I will provide that number tomorrow but it appears we have filters in over half the residences):

	<b>TOTAL</b>	<b>1/12/2016</b>	<b>1/13/2016</b>	<b>1/14/2016</b>
Occupied Homes	1450	242	492	716
Vacant Homes	1967	152	161	1654
<b>Total Homes</b>	<b>3417</b>	<b>394</b>	<b>653</b>	<b>2370</b>
<b>Resources</b>				
Door Hangars	1487	217	453	817
Water	588	117	254	217
Filters	945	112	220	613
Pitchers	22	3	13	6
Water test kits	217	48	109	60
Replacement Filter	482		137	345
<b>Total Resources Dispersed</b>	<b>3741</b>			
Future sample test site	114	28	34	52

Chris

---

#### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

#### **Update 1/13/16 – 9<sup>th</sup> Day (8<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

##### **Mission focus for the day:**

- Receive, store and increase quantities of supplies
- Prepare/approve logistics plan and close lease on warehouse space
- Continue with door to door teams and finalize planning for second wave increase (+15 teams – total for 1/14/16 will be 20)
- Continue to work on Governor's Declaration of an Emergency

##### **Attached Documents:**

- SitRep 8

#### Status on Governor's request letter to the President:

- All support data from state Agencies and local jurisdictions collected as of 6:00 pm on 01-13-16
- Current timeline:
  - First draft completed and ready for review by State Department Directors (including the Attorney General) by 11:00 am on 01-14-16
  - State agency reviews due back by 1:00 pm on 01-14-16 for revision of the draft
  - Revised draft to Captain Kelenske by 2:00 pm on 01-14-16 for review and forwarding to the Governor for final review
  - Final draft (based on Governor's review) submitted to FEMA Region V Administrator by no later than cob 01-14-16 but hopefully sooner. FEMA is aware and ready to receive.

#### Requests and potential response from FEMA/President

- The letter will request all programs eligible under the Stafford Act including Public Assistance, Individual Assistance, Hazard Mitigation, FEMA's coordination of assistance from other Federal agencies and direct assistance from FEMA
- The letter will also request potential direct reimbursement from other Federal agencies such as EPA, CDC, HUD, DHHS and SBA
- This request is in coordination with the request for Non-Stafford Act federal assistance already requested and received by the State (technical assistance and administration, but no direct reimbursement of disaster costs)
- Direct Federal assistance from FEMA in the form of Individual Assistance to homeowners for household repairs (repair and/or replacement of water service lines and Other Needs Assistance to reimburse for water filters, bottled water, etc.) is a possibility
- Direct Federal assistance from FEMA in the form of Public Assistance is not as likely as it is mostly replacement of publicly owned water distribution lines (and not the direct result of damage from a natural cause)
- If Stafford Act assistance is denied (Public Assistance, Individual Assistance and Hazard Mitigation) FEMA could still provide coordination of assistance from other Federal agencies if the President declares a disaster (or emergency) for the State of Michigan

#### Key items for tomorrow to note are:

- The door to door teams will continue at 9 a.m. – 5 p.m. Thursday morning and continue through the weekend.
- We will continue to ramp up door to door operations with additional teams. Teams are focusing on the high lead level areas and additional data is being analyzed to focus mission areas.
- MNG will have a press event at the armory with incoming soldiers and MG Vadnais.

#### Items to Note

- Received information that Rev. Jesse Jackson will be in town 1/17/16 at 1:30 at the Heavenly Host Church of the Harvest of Dartmouth St, Flint.
- Managed and corrected misinformation on NG role.
- Senator Ananich is stopping by the SEOC tomorrow morning 0845. I am meeting with him and his Chief of Staff. Short visit as he has a 0930 at the Capitol.
- Working with Comcast so they can put teams in the field for distribution.
- Penske is going to give us 15-20 trucks over the weekend.
- Contact made with Two Men and a Truck for resources.
- Meeting set with Google where they will brief me and key staff potential tasks.
- Coordinated with Flint Mass Transportation Authority (MTA) to include Fire Station PODs on bus routes.
- Tomorrow I will have a projection as to the number of teams needed to get all citizens filters in their homes in 5 days / 3 days.
- We are standardizing team structure and supply deployment to increase efficiencies. Mission Ready Package (MRP) specifications will be sent out for other entities to assist with door to door. They will then be able to arrive as a MRP, get supplies, receive a mission location and deploy.

- 5 Water Response Teams were in the field again today. Below are the numbers from the 2 days of just the Water Response Teams (there are paper copies with data still to be entered from the PODs). I was just briefed by the ARC logistics planner and there are efficiencies we can put in place to increase homes touched per day. The next version of the app will provide more granular details. Additional 30 tablets were configured by DTMB today for field implementation to include use in the PODs.

	Total	1/12/2016	1/13/2016
Occupied Homes	533	242	291
Vacant Homes	238	152	86
<b>Total Homes</b>	<b>771</b>	<b>394</b>	<b>377</b>
<b>Resources</b>			
Door Hangars	473	217	256
Water	265	117	148
Filters	235	112	123
Pitchers	9	3	6
Water test kits	92	48	44
Replacement Filter	93		93
<b>Total Resources Dispersed</b>	<b>1167</b>		
Future sample test site	62	28	34

- We show 17,276 residences with filters (this does not include data entry to be completed from POD or other locations).
  - We have 35,378 service hookups but with apartments, multi residence dwellings, etc we would be around 45,000.
- Logistics Support
  - The American Red Cross Logistics Planner provided me a brief and I approved the plan forward. The current plan includes:
    - Mission – A filter in every home ASAP.
    - 4 Distribution Methods
      - PODs (5)
      - Water Response Teams (20 effective tomorrow and this will increase)
      - Local EOC “Hot Shots” (these are calls for functional needs, unable to get to a POD location due to ??, etc). Personnel dispatched with supplies.
      - Local EOC support for other local requests (Faith based for distribution, etc.)
    - Three warehouse locations at this time
    - How to better leverage ARC resources
- Supplies – Daily Numbers
  - Replacement Cartridges - 30,700 delivered.
  - Water (cases) - 19,152 cases delivered
- Budget projection completed and will be submitted to SBO for review.
- Notes from Water Response Team Command (MSP)
  - Very good synergy between Flint Post troopers and Genesee County Sheriff command and deputies in effective and efficient deployments for distribution efforts.
  - Great attitude and efforts by uniforms and volunteers to make important contributions to the City of Flint on water response team deployments.
  - Clear direction and coordination in the field of supply teams by lieutenants and troopers. No confusion. Clearly defined roles.

All personnel continue to be fully committed to fixing this as quickly as possible.

Chris

---

#### Update 1/12/16 – 8<sup>th</sup> Day (7<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

I apologize in advance for the length of this report. With the supply issues we had the last couple of days I wanted to share our inventory plus what we anticipate to ensure we do not have supply issues.

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Fine-tune logistics
- Increase and deploy door to door teams (4 state teams added to teams from the Sheriff's Department)
- Increase collaboration and messaging of collaboration with local agencies (specifically the Sheriff's Department)

#### Attached Documents:

- SitRep 7
- Executive Order Activating the National Guard

#### Key items for tomorrow to note are:

- The Governor signed an Executive Order activating the National Guard. Mission will be to relieve ARC volunteers at the PODs (Fire Stations) which will free up the ARC volunteers for door to door activities.
  - I have briefed the ARC Disaster Officer on this plan.
- The Governor requested, through FEMA Region V, support from the Federal Emergency Management Agency (FEMA) to bring together and identify other federal agencies that may have programs and funding that could be dedicated to assisting Flint as part of an interagency recovery plan. One of the existing LNOs has been identified as the POC for this. He will be a great liaison for the FWIACC.
- The door to door teams will continue at 0830 Wednesday morning and continue through the weekend and ramp up door to door operations with additional teams. Teams are focusing on the high lead level areas.
- We will look at all commodities and see where we are and where we need to be while working with the ARC logistics specialist.

#### Items to Note

- PSA video sent out to Flint citizens on resources available.
- Water
  - Today's numbers - 7,824 cases of water arrived today, 1/12/16 (109 pallets)
  - Ordered:
    - 19,152 cases of water are going to arrive Wednesday, 1/13/16 (266 pallets)
      - 1/3 is going to GCCARD and the rest is going to the new warehouse
    - 12,768 cases to arrive daily beginning Thursday through Saturday (177 pallets a day)
- Filters
  - Today's numbers
    - Ordered on 1/11/16 and delivered 1/12/16 direct to GCCARD
      - 2,000 – Brita filter faucet mounts
    - Filter Replacements
      - 2,400 – Brita filter replacements (single pack)
      - 8,000 – Brita filter replacements (two pack)

- Ordered on 1/12/16 to arrive Wednesday
  - Faucet Mounts – To be delivered direct to GCCARD on 1/13/16 (Wednesday)
    - 10,000 – PUR Vertical faucet mount
    - 2,500 – PUR Horizontal mount
  - Replacement Filters – To be delivered direct to GCCARD on 1/13/16 (Wednesday)
    - 10,000 – PUR replacement filters (3 pack)
    - 10,000 – PUR replacement filters (single pack)
  - PUR Combination Pack – to be delivered to GCCARD on 1/13/16 (Wednesday)
    - 10,700 – PUR combo packs
- To arrive Thursday
  - Zero Water Pitcher (8 Cup) – Delivering direct to GCCARD on 1/14/16 (Thursday)
    - 1,300 – Zero Water pitchers
  - Faucet Mounts – Delivering direct to GCCARD on 1/14/16 (Thursday)
    - 11,000 – PUR vertical faucet mount
    - 1,500 – PUR Horizontal faucet mount
    - 5,000 – Brita faucet mount
    - 10,000 – Brita adv faucet mount white
    - 12,000 – Brita adv faucet mount chrome
  - Replacement Filters – Delivering direct to GCCARD on 1/14/16 (Thursday)
    - 117,600 – PUR replacement filter
- Test Kits
  - 6601 unassembled kits arrived at GCCARD today, 1/12/16.
  - 500 have been assembled and are ready for distribution
  - 1000 additional unassembled kits have been ordered to be delivered at GCCARD (no ETA yet)
  - 10,142 unassembled kits to arrive at GCCARD early next week
- Second warehouse – Located in Flint
  - 100, 000 square feet of secure warehouse obtained.
  - Accepting commodities beginning Wednesday, January 13
- Logistics Support
  - The American Red Cross Logistics Planner arrived from DC today as requested. I outlined what her mission was and how I saw the progression forward. This logistics planner will assist in streamlining the inventory and distribution process now and into the future.
- Door to Door Numbers
  - Today the app implementation for the field went extremely well. There were a few issues that were quickly addressed. One related to how form fields should be filled out. Another was getting styluses for teams so that they don't have to remove their gloves in the cold. All very simple to fixes.
  - We are working on version 2.0 so this can be used at the PODs
  - We should be able to greatly optimize distribution in the near future as we mapped the active water subscribers from Flint's DPW and are adding them to the field team members apps. Of the ~56,000 possible addresses, this reduces the number of possible homes to visit down to ~29,000.
  - Notes from the field commander:
    - "Today we started out the day using two groups that consisted of approximately 10 people in each group. We eventually combine groups with Genesee County Sheriff's group and they brought two more groups with approx. 10 people (Local UAW) in each group. This made us a lot more efficient and we were able to set up a game plan. Tomorrow I feel we will be more efficient and we will have a better plan in place to get the maximum output out of our resources."
  - In the end, there were 394 total home visits with the following breakdowns:

- 217 Door Hangers
- 152 Vacant Homes
- 117 Water Distributions
- 112 Filters
- 3 Pitchers
- 48 Water Test Kits
- 211
  - CALL VOLUME:
    - 185 calls for water-related issues had been received as of 4:45 pm.
- Logistics made contact with Comcast and will be supplying them with filters and replacement cartridges for their deliveries in their work trucks as they make services calls. They will follow our procedures for reporting (our checklist).

Chris

---

### Update 1/11/16

The focus today was the media event and getting the supplies and logistics on track. Most of the activity today was working on logistics for the water and other supplies.

### Attached Documents:

- SitRep 6

### Key items for tomorrow to note are:

- The door to door teams will start at 0830 Tuesday morning. It is reported that troopers are going to the door but DHHS employees are the lead with a troop car nearby.
  - State and local GIS created an App today for the teams to use tomorrow but I see potential use at distribution sites.
  - The App data will be used for our maps as we survey the public/distribute supplies and we will be getting real time metrics through the site from the field send back to the SEOC. We are using Android tablets tomorrow but in the future can use any mobile device for this.

### Items to Note

- It was reported that only one POD (Station 5) was out of water longer than 30-45 minutes. This site was ~2 hours without water and part of that was the truck went to the wrong station. Trucks were sent as soon as the local EOC was notified.
- We also did not receive a DHHS shipment that was to come in which caused some filter delivery issues.
- Supplies are limited at this time; however, we are getting our shipments starting at 0630 tomorrow.
- We have Home Depot giving us 12,768 cases (this was a late development so the SitRep indicates half the amount) of water every day starting tomorrow. We are still working with other distributors too.
- ARC is flying in a logistics planner tomorrow. Three additional staff will be with her to shadow and help. We are turning warehouse logistics over to ARC logistics. We are moving tomorrow to a process that has a distribution center (GCCARD) and a warehouse that is 100,000 square that will maintain mass quantities. Staff has continually been placing orders for supplies to ensure we get a head of this. The intent is to keep the warehouse full so we do not have these continual issues of supplies.
- Began mapping lead service lines (anticipate having draft of lead service lines Friday).
- Coordinated with local IT managers overseeing filter tracking system to streamline data collection.

### Local Emergency Operations Center

- Working to coordinate resources at the local level to maintain adequate supplies at all PODs.
- Demand has exceeded supplies and supplies are moving rapidly from PODs today. Working to make sure POD managers notify us when they start running low.
- Working to establish a warehouse for local resource storage.
- Established trigger points for resources at PODs and hourly inventory reporting from the PODs.
- Discussed potential long term water sources between local EOC and SEOC.
- Established planning cycle/meeting scheduled for 1/12/16.
- Local EOC EMHSD staff with Natasha Henderson to request deployment of City representative at local EOC.

Chris

---

#### Update 1/10/16

##### Attached Documents:

- SitRep 5
- Door card (English version but Spanish version will be ready for Tuesday)

I have a local EOC section listed below but state personnel are heavily engaged in management of both locations. We occasionally hit some road bumps with this event but all personnel are working well together to accomplish our goals (especially state agency personnel).

I have had good discussion with FEMA LNOs. Two statements have been developed from our discussions that hopefully helps put this in more context but if it is more confusing I apologize:

1. In the immediate response, the State, in collaboration and coordination with city of Flint and county of Genesee are working to get water, water filters, and testing kits to the affected population. In conjunction, the state will coordinate with federal agencies to ascertain what resources can come to bear to help mitigate the issue.
2. If asked about a federal declaration from FEMA, we need to articulate the definition of major and emergency declaration and state or note to ourselves that it appears to not qualify; however, there may exist opportunities to leverage federal assistance from some agencies (i.e....EPA) under their own authority to help address this issue.
  - We need to really manage expectations on the potential for a federal declaration....not that we will not go after one but it will be difficult to get.
  - A major disaster is defined in the Stafford Act as any *"nature catastrophe (including hurricane, tornado, storm, high water, winddriven water, tidal wave, tsunami, earthquake, volcanic eruption, landslide, mudslide, snowstorm, or drought) or, regardless of cause any fire, flood, or explosion.....causes damage of sufficient severity and magnitude, to warrant major disaster assistance.....to supplement the efforts and available resources of States, and local government....."*
  - An emergency declaration is *"is any occasion or instance for which, in determination .....assistance is needed to supplement State and local efforts and capabilities to save lives and protect property and public health and safety or to lessen or avert the threat of a catastrophe....."*
    - This is limited to immediate and short-term assistance (I hate to put times on this but short-term is like 3 weeks), essential to save lives, protect public health and safety and property.
  - Severity of the situation is *"A finding that the situation is of such severity and magnitude that effective response is beyond the capability the state and affected local governments, and that the state requires supplementary federal emergency assistance to save and to protect property...."*

- Nature of assistance for Emergency Declaration is for *"Debris removal, emergency protective measures, direct federal assistance...."*
  - Debris Removal = *self-explanatory and we do not have this*
  - Emergency Protective measures = *water, commodities, transportation (remember ... to supplement what the locals and state are already doing if we need more)*
  - Direct federal assistance = *what specific type of work is requested, and what are the reasons why the state/local government cannot perform or contract for performance. Essentially what is the need that state/local govt cannot provide. I can see this being something we need but we may be able to get this outside a federal declaration under the federal agencies own authority to help address this issue.*

Back to the update...

#### Key items for tomorrow to note are:

- Training is occurring for the door to door teams scheduled for Tuesday morning.
- Deploying an additional MSP District Coordinator to the local EOC for command and control support.
- Deploying two DTMB trucks and two drivers for sustained logistical support for the week.
- Media event with the Governor in Flint.
- New Incident Action Plan starts (1/11 0800 -1/13 0800 operational period). Our objectives are as follows:
  1. Ensure all households within impacted community have required resources.
  2. Ensure accurate tracking and accounting of all commodities.
  3. Improve and maintain public information strategy.
  4. Develop a long term public health and services plan.
  5. Ensure adequate staffing to support operational requirements.
  6. Identify possible assistance programs.
  7. Develop an approved GIS strategy.
  8. Maintain coordination between partner agencies and organizations.
  9. Enhance situational awareness and common operating picture of all activities.
  10. Develop a comprehensive Recovery Plan.

#### Items to Note

- All 9 churches had filter systems/replacement filters, information sheets, and water test kits delivered as requested by each pastor/reverend on Sunday. We did not think we could get them water due to the limited time but we did end up getting water to all 9 churches with the other items.
- Fire station resource locations stayed open from 9a to 9p and will continue with those hours until further notice (Staffing is in place until Saturday). ARC is staffing these locations.
- The media event was held at Fire Station No. 1 and report back is that it went well and the spirit of collaboration between local, state, non-governmental partners is strong was relayed.
- The four door to door teams will have the hours of 8:30 a.m. to 5 p.m.
  - Each will have logistics support from DTMB, security from MSP, and contact personnel from DHHS.
  - The door card is attached that will be left if no one is home.
- Worked to identify a storage location within the City of Flint for water and supplies. G-CARD is identified as a temporary location but we are moving toward a state run warehouse operation (looking at private sector partners to assist, especially with the warehouse management side).
  - GCCard is large enough, centrally located and comes staffed. GCCard has 75,000 sq ft with warehouse managers to assist with tracking resources coming in and out.
- GIS will provide us daily updates of how much was distributed each day but note we have a delay in data entry from delivery to entry in the GIS system. Over the weekend there was a problem locally with staffing to get this completed. A solution is in place and will be implemented so we get timely data. Distributed to date (as of 1/8/16).
  - 12,386 filters
  - 1,985 replacement filters
  - 354 Pitchers

- 2500 Lead Testing Kits
- Establishing and tracking of resources is a priority. Staffing has been assigned to get a good handle on these to ensure distribution sites maintain an appropriate level of inventory. I have requested trigger points get put in place so we do not get below certain levels in the main warehouse location.
  - Contacts with some large water distributors have been made and their and our logistics chiefs will connect first thing this week.
  - We have ordered an additional (expedited delivery with ETAs tomorrow)
    - 40,000 Brita Filters
    - 40,000 Brita Replacement Filters
    - 1000 Zero 8-Cup Pitchers
    - 1000 Zero 8-Cup Pitchers
    - 2000 PUR Replacement Filters
    - 93 Pallets of water (about 6700 cases)
- GIS continues to produce multiple maps for use.
- JIC Items
  - Requested PSA on the radio. Media has been approved and working with MAB.
  - Requested JIC to contact Comcast and Dish Network for availability for continuous running of filter install/replacement and test kit video.
  - A news release will likely going out tomorrow regarding canvassing in neighborhoods. Continued social media messaging.
    - Tuesday – embed state PIO with one of the canvassing teams to liaison with media.
    - JIC moving tomorrow to Flint.

#### Local Emergency Operations Center

I am providing you some information on some issues we ran into at the PODs. This has been addressed with additional state resources and processes put in place so we do not run out of resources. Public concerns/complaints have not been brought to my attention at this time. Staff is working very hard to ensure we do not run out of supplies at the PODs and they understand the consequences. No one in the Local EOC or State EOC is happy the following occurred and I felt you should know in case it is brought up. Again, I believe we have fixed this and I take full responsibility for any supplies not being on site.

#### Fire Station Inventory Levels:

##### Station 1:

- Only time without supplies - 15 minutes without water while the truck was unloaded.

##### Station 3:

- Ran out of replacement filters around 7:00, replacement filters delivered around 7:30. Had to pick up replacement filters from Home Depot and deliver.

##### Station 5:

- Ran out of water around 5:00, water was delivered around 6:30. We needed to find additional trucks because DTMB drivers were over hours. The ARC stepped up and found a truck to go and pick up a pallet of water and deliver.
- Somewhere between 4:00-6:00 they ran out of lead test kits. No way to restock these because City facilities were closed and could not reach anyone.

##### Station 6:

- Around 5:00 ran out of water, filters, and replacement kits. Replacement kits were delivered around 7:30. Additional water and filters were delivered after 9:00 due to the DTMB drivers heading back to Lansing. Food Bank was called and had to get drivers in to operate trucks, pick up water from the School District, load and deliver to all sites. Delays occurred with weather conditions and needing to use last minute sheriff EOC staff to load due to issues with City workers. City workers were scheduled to help and left around 7:00 without helping.

- 2 pallets of water were dropped off in the afternoon and within 1 hour were gone. This was much faster than we expected. On 1/9 they didn't go through 2 pallets of water at any station for the hours 9:00-4:00.
- We received news that a reverse 9-1-1 call notified residents of water which caused an unanticipated amount of people obtaining water. There was also a report of 1 person walking out with 2 cases of water and trying to sell in the parking lot.

#### Station 8:

- Around 7:00 ran out of filters and lead tests. Filters were delivered around 8:00 from the food bank trucks.
- Hourly reports were requested in the morning from volunteers but this information was not received as to the status throughout the day. Early inventory of supplies took between 1 hour-1.5 hours to receive in the EOC. We were not advised of low counts, just zero numbers.
- Reports received that the last couple of hours were slow.
- Residents were advised of the other sites and the opportunity to obtain supplies.

#### Restocking Plan

- United Way set up meeting with Food Bank to discuss.
- Had EOC meeting on this topic to discuss options.

#### Churches:

- All 9 churches received waters, filters, and informational bulletins.
- Lt Roach received positive feedback from 3 of the pastors.
- No complaints were received.

#### Signage:

- Provided information to SEOC on signage requirements at the fire stations.

#### Storage:

- Researched storage spaces; established temporary site at GCCARD.

#### Personnel:

- Lack of local EOC leadership (seems somewhat checked out) with IC and Deputy IC (doing an okay job).
- Captain TaFoya (Genesee County) helped tremendously today with all the plans outlined above and attended the press conference.
- Tina Martinez at the Food Bank and Matt Purcell at GCCARD were extremely helpful in getting last minute operations set up.

Chris

#### Update 1/9/16

SitRep 4 attached for more in depth information. The below only contains some items worked on today and while the format in the attached SitRep is not perfect (it is created automatically by MICIMS) it does contain a lot more information you may want to read. I also attached one of our maps. It is our filter distribution map. All filters handed out by anyone working with us feeds into this now. We are continuing to refine these and at this time there is a delay in the upload of address data but we are working on it. We have a ways to go to get filters in every home but this will help direct us to those who need still them. We also are working on identifying abandoned homes.

#### Key items for tomorrow to note are:

- 9 churches will have ARC volunteers and filters for distribution. Some may also get water.
- 5 fire stations are a distribution point for water, filter systems/replacement filters, and water test kits. While only open today until 4 p.m., tomorrow and until further notice they are open from 9a to 9p.
- Media event will take place on the above tomorrow.

#### Items to Note

- 211 has some issues with call load but it is being worked on. 2-1-1 Director contacted MDHHS PIO to discuss/resolve caller wait times and messaging. We anticipate an increase in activity tomorrow in 211 calls so we requested and received an increase to staff 211.
- We are shifting tasks the SEOC took on that are handled more effectively and efficiently at the local EOC. We have established command and control in their EOC. We are running things there but that is not being made public. We are doing this in partnership but we are clearly handling the operation with state personnel oversight.
- A 3rd FEMA LNO arrived today upon my request. This has nothing to do with a Presidential request for a declaration but support for some other items I want worked on for long term recovery.
- We continue morning calls with the local EOC leadership and local emergency manager on what our goals for the day are as well as any issues/concerns.
- Five fire stations have received water, water filters, replacement cartridges, and water testing kits with American Red Cross personnel at each location to assist with delivery of resources and collection of addresses receiving them. These locations will be open from 9a – 9p daily until determined they are no longer needed. Those picking up water testing kits will be advised that they can return the test kits to the fire departments (where they will be picked up and taken to the Flint City Hall), the Flint Water Treatment Plant, or they can take them directly to the Flint City Hall. For those unable to return the kits, 211 can make arrangements for pick up the kits. We understand response to these sites has been positive thus far. The Genesee County EOC will be monitoring these supplies and request replacement of products as needed.
  - A call is going out tomorrow morning to advise this information ... I do not believe it was every resident but Tori Sachs has that info if needed.
- I approved a press release today to advise the public that all levels are working together to ensure delivery of filters, test kits and water; noting that all of these items were delivered to the 5 Flint fire department stations. It was stressed that the public should be aware that the local and state agencies have been working cooperatively to assist the residents - and will continue to do so. This was done to hopefully end or at least minimize the “who can get water and filters out first” when all of this has been connected with the state and coordinated since the state declaration was put in place.
- The arrangement of 2,000 filters, to be taken to 9 local churches on Sunday, January 10, is ongoing. The filters have been secured; they are now in the possession of the DTMB. DTMB will return to Flint on Sunday morning to deliver these to necessary locations. The American Red Cross will be on site at each church to assist with distribution and recording addresses (for GIS). The local EOC is working to ensure these arrangements are complete and run smoothly. Future engagement with the faith based community will occur to assist with additional distribution.
- A Flint City liaison has not been in the EOC but starting Monday this will be in place to keep the Flint Mayor apprised of activities being conducted in the city. She also has been advised she can call me at any time if she needs anything.
- Training has been confirmed for the door-to-door operation scheduled to start Tuesday. Four teams are initially scheduled with more to potentially be put in place. These are the teams that will be handing out water, filter systems/replacement filters, test kits and information. If nobody is home, a door hanger with information is being left. DHHS personnel and one MSP trooper will be on these teams.
  - Training will take place at 1 p.m. on Monday afternoon at the DHHS office on Clio Road. DEQ and DHHS will provide the training.
    - Training is so those going door to door can explain what the filters do, how to install them, if they need install help to call 211 who has a list of people who can install the filters, and answer any other questions versus just handing them the filter.
  - Hours of operation will be Tuesday through Friday from 8:30 a.m. to 5 p.m. AT THIS TIME. I am reevaluating these times to increase contact with someone versus just leaving information.
  - Logistics are being finalized for the teams and trucks to handle stocking and re-stocking of materials during daily operations.
  - GIS maps will provide guidance on deployment locations for these teams and other teams in the field.
- A pilot project at Freeman Elementary with LARA and DEQ has been initiated to see if replacing certain plumbing components in faucets at the school will drop the lead level.

## MSP/EMHSD GIS Section Updates

### Accomplished Today (January 9):

- Produced a Point of Distribution Map. Contains four types of distribution points; Churches, Water Resource Sites, Filter Distribution Sites, Water Distribution Sites.
- Produced Filter Distribution Map.
- Developed process of how best to handle geocoding the household filter locations, worked on processing the data.
- Worked on map of franchise customers outside of Flint City.
- Produced maps for MDARD on food establishments and Local Health Departments.
- Produced map of Church Filter Distribution map for DTMB.

### Local Emergency Operations Center

- The state has deployed 10 personnel to the Genesee County EOC to ensure we have command and control at the local level. On 1/8/15 The state personnel took over the incident management functions of the Genesee County EOC (not public). The arrival of additional staff allowed the local Emergency Management Coordinator to delegate tasks which relieved a tremendous amount of stress.
- Additional Sherriff staff ) will be shadowing the state incident management team to allow for transition to the county personnel later in the incident when we are comfortable with them handling things. Not sure when that will be but we have secured a direct bill hotel for staff to stay in Flint as long as needed.
- With the additional staff, the Local EOC will be able to take over functions previously handled by the SEOC including:
  - Logistical activities to support church operations.
  - Logistical activities to support fire stations operations.
  - Coordinate Donations Management activities and draft donations management plan
  - Coordinate Volunteer Management activities
  - Identify local storage/staging facilities
  - Overall inventory tracking
  - Tracking of Points of Distribution (PODs)

Chris

---

INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

### Update 1/8/16

SitRep 3 attached.

There is a significant difference in what is being presented by the media and what the local EOC is relaying to us at the SEOC. It is also being driven by the media that this is a state versus local response (who is providing more and quicker versus a coordinated effort between all). That said, I advised SEOC personnel that perception is reality in some eyes and we are to move forward to address items that typically are addressed at the local level. I have ordered the SEOC open all weekend due to make the quick wins that we need and continue to get the coordination and collaboration in place that is needed (but make gains on our own as needed).

### Items to Note

- Two FEMA LNO's arrived today and are in the SEOC. A third LNO was requested from FEMA due to some unique issues with this event to include having to deploy more of my staff to the local EOC to get more structure and/or find out why there is an issue with the message the media is showing versus what we are hearing from the local EOC.

- We finally received from the local EOC 8 locations (we were told originally early in the week they had 80-90) that are their Points of Distribution (PODs) for water in conjunction with the local food bank. The PODs are not getting water from the food bank even though the food bank has water. We are going to resolve this issue as we can help deliver the water to the PODs but we were not aware of this. 8 PODs is not enough locations if water needs to be distributed to citizens. Speaking with the ARC Regional Administrator later today, I believe ARC got water to those locations but I need to confirm that in the morning. The food bank reported they had 376 cases of water.
- We have learned that a low number of residents are testing their water when DEQ can test 400 kits per day. This is an added focus that we believe can be increased through dissemination of test kits with the filters and any water.
- I found out the Mayor was okay with using fire stations as distribution points for water, filters, and water test kits. While this did not come to me through the local EOC, I advised we needed to get water, filters, and test kits to these locations for tomorrow. The distribution at 5 Flint Fire Department stations has been coordinated to be in place by 10:00 am tomorrow morning.
  - DTMB has provided a truck and driver to pick up water test kits from DEQ lab in Lansing, water from the Food Bank and water filters and replacement cartridges from GCARD in Genesee County.
  - 10 American Red Cross (ARC) volunteers will meet the DTMB truck at GCARD at 9:00 am to be provided information about filters. Instructions will be included in water test kits. They will then report to the 5 fire stations to assist in distribution of resources to the public and track addresses of same.
  - Residents will be told where they can drop off their water test kits, or that they can return them to the fire station the next day. Coordination will occur on pick up of water test kits daily to be taken to the Flint City Hall, who will then delivery them to the DEQ testing lab.
- STILL FINALIZING - We have made available 2,000 Filters for distribution on Sunday as parishioners leave mass/services. This will be 200 filters for 10 churches in Flint. While this is a small number of churches, we do not want to waste an opportunity to hand out filters and this seems like a quick way to so. The filters will be put on the DTMB truck on Saturday for delivery to TBD locations for distribution. Logistics remain undetermined as I am still waiting on a list of the churches, pastors/reverends/hours or services/etc. The DTMB truck will be returning to Lansing approximately 11:00 a.m. so we need to finalize this quickly on Saturday. We may utilize ARC to assist with this.
- The Recovery branch is working with the JIC to develop a door hanger card. DTMB is working on the printing portion of the hanger card. Recovery will also be finalizing logistics over the weekend for neighborhood canvassing to occur early next week. 40 volunteers have signed up to attend training on Monday afternoon to complete this task. The mission will be to deliver water sample kits along with water filters/replacement cartridges, and water.
- It appears that 211 has become overloaded. DHHS is researching ways to increase capacity for calls.
- A Volunteer Management Coordinator is in the Genesee County EOC as of today.
- A Donations Management Coordinator has been requested and she will be in the Genesee County EOC Saturday.
- DHHS had a conference call with GM today; they indicated they can provide cash, and supplies, but primarily manpower. No commitments were made at this point. We inquired as to availability of warehouse space and trucks. It was left as GM being a major resource pool that we can tap into as we determine missions. Further conversations will occur, but primarily GM just wanted us to know they are there if needed.
- An additional EMHSD staff member was sent to the Genesee County EOC to act as Operations Section Chief and obtain awareness of the situation there.
- GIS staff met with various parts of Genesee County/Flint personnel to try to get a handle on data available.

- GIS continues to work with local GIS personnel with three GIS staff going to Flint today to work with them. GIS staff is working with U of M on how best to proceed with digitizing water lines for long term recovery.

Chris

---

#### UPDATE 1/7/16

A summary of some of today's SEOC activities is provided below. Attached is the following:

- Today's SitRep which contains more information than below.
- The resource request/task assignment sheet for your situational awareness. This is how locals request resources as well as how we track resources and any assignments and/or tasks that are to be completed.
- JIC Task Tracking – for your situational awareness on how we are tracking requests and assignments. Once someone is assigned a task or resource request it allows them to document what work has been or will be done as shown at the bottom of the document.

#### Items to note:

- I received a document this evening from Genesee County which appears to be damage assessment information. Analysis of this will occur tomorrow. It appears to be infrastructure and costs to fix it and no other impacts.
- I spoke with Jamie Curtis, Genesee County Commissioner, this evening. A very good relationship is in place with him, especially with our District Coordinator (DC). I also have our DC working on developing stronger relationships with the Mayor/Mayor's office.
- GIS staff continue to obtain data and work with County and City personnel to get a picture of where resources have been provided, need to be provided, as well as infrastructure locations (pipes) that could be affected.
- Personnel and agencies have been tasked with developing a plan to get people in the community to deliver information, hand out filters, etc. This would target those areas we are showing minimal or no filter distribution based on the data we are collecting. The plan is to get them in the field by Tuesday and the plan will be provided to me tomorrow.
- Filters can be obtained at the following locations:
  - Michigan Department of Health and Human Services office, 125 E. Union St., Flint, MI 48502
  - Michigan Department of Health and Human Services office, 4809 Clio Road, Flint, MI 48504
  - Genesee County Community Action Resource Department office, 2727 Lippincott, Flint, MI 48507
  - Genesee County Community Action Resource Department office, 601 N. Saginaw, Flint, MI 48502
- Conducted briefing with local EOC and county executive.
- Conducted briefing with state agencies (daily updates).
- Began work to schedule legislative/congressional conference calls. Tentatively scheduled for 2 p.m. Friday.
- JIC continued to develop messaging.
- Provided input to local EOC regarding best methods of identifying health and non-structural impacts for damage assessment process.
- Deployed two EMHSD/SEOC liaisons to assist the local EOC.
- Published the Incident Action Plan and continued assignment of objectives/tasks.
- FEMA Liaison Officers just arrived in Lansing to assist command and general staff.
- I spoke with Harvey a few times and he should have talking points later tonight or tomorrow a.m. for his use and also for others who may speak to media outside of state government who may benefit from our messaging.

- We held a media round table at 1 P.M. at the SEOC. Dr. Wells and I spoke and answered questions to numerous media outlets.
- Local agencies and NGOs continue to provide water and filters to citizens.
- The website, [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater), was update with information and links to assistance to include 211. Additional recommendations were provided to include information on the testing water in homes.

#### EMHSD GIS:

##### Accomplished Today:

- Reproduced Socio-Economic Status Map
- Reproduced Predicted Affected Populations Map
- Cleansed old data and reports for water filter distributions
- Created draft map of water filter distributions (*Refinement needed before releasing final product*)
- Scheduled on-site visit with Flint GIS Department and Genesee County GIS Department
- Formatted databases to host content
- Researched service line database creation and scheduled meeting with U of M Flint to discuss timelines and resource needs
- Generated water infrastructure map (does not include building service lines)

##### Tasks for Tomorrow:

- Meet with Flint City GIS
- Meet with Genesee County GIS
- Meet with U of M Flint GIS
- Finalize water filter distributions map
- Finalize plan for data distribution methods

Chris

---

#### UPDATE 1/6/16

A summary of today's SEOC activities is provided below. I tried to distill this as best I could but there has been a lot of activity and discussion to get an accurate assessment of the situation. Attached is the final draft of objectives and tactics for the operational period and agency situation report (SitRep) which has more SEOC agency information. I have implemented weekly operational periods.

Advise if you want anyone else copied or off this distribution.

#### **Daily Update**

- Set goals for SEOC and identified response/recovery emphasis
- Requested FEMA liaison officers (LNO) from FEMA Region V. Two LNOs will be on site by ~3 p.m. 1/7/16. Both are known contacts to me and some staff and one has worked extensively with me during the SE MI flooding in a command and control position. These personnel have been specifically tasked with this mission. **THEY ARE NOT HERE TO ASSIST WITH A PRESIDENTIAL DECLARATION REQUEST BUT TO ASSIST ME.**
- PIOs from multiple agencies were here and established the Joint Information Center (JIC). News released pushed out on this. I am very happy with the PIO work and movement toward coordinated messaging.
- Held briefing for State Agency Emergency Management Coordinators, which included presentations from DEQ and DHHS subject matter experts to ensure situational awareness and to develop a common operating picture.
  - I opened the briefing by identifying our initial goals, items to think about while subject matter experts were briefing us, and how we are to move forward, find quick wins, and regain trust.
  - **MDHHS – Elevated Blood Lead Levels**

- Dr. Elizabeth Wells gave an in depth summary of lead poisoning and what has occurred in terms of health monitoring throughout the Flint crisis.
- MDEQ – Water Testing Protocols
  - Mr. George Krisztian of MDEQ gave an in depth summary of the testing protocols and summary results that as they have developed throughout the emerging crisis.
- Developed Incident objectives, strategy and tactics (see attached)
- Identified SEOC and state agency staff positions
- Assigned work tasks for SEOC operation period from 0800 January 6, 2016 to 1700 January 8, 2016
- Reviewed planned actions, prepared final draft Incident Action Plan
- Made contact with the Genesee County Emergency Manager first thing in the morning and held a conference call mid-day to discuss roles. *Daily 0830 command conference calls with local EOC command staff starts tomorrow. Tomorrow's call will include the County Commissioner and the City Administrator (both invited). Topics include the incident action plan objectives and establishing better local coordination, command and control to facilitate integration with the SEOC. The local EOC is not functioning as it needs to with personnel and local coordination and we are working on that issue.*
- I will be in Flint tomorrow for a 2 p.m. media round table with local officials that was set up by the JIC.
- The attached initial objectives will be updated at least every operational period and as needed. I listed the objectives below but the tactics to accomplish them is in the attached if you want further information.
  1. Activate the State Recovery Task Force (SRTF).
  2. Establish and maintain coordination between the City of Flint, Genesee County, state and federal agencies, and appropriate medical experts.
  3. Obtain and maintain situational awareness and common operating picture of all activities.
  4. Establish SEOC operational period and hours of operations.
  5. Investigate and identify all available programs for assistance with direct or related impacts, including the federal Lead Pipe Replacement Program.
  6. Develop a comprehensive GIS strategy.
  7. Coordinate response and recovery activities with MIVOAD and identify potential mission areas.
  8. Establish and coordinate routine communication between SMEs and coordinate technical assistance among state agencies and to local agencies.
  9. Provide technical assistance to the local Damage Assessment process.
  10. Establish a Joint Information Center (JIC) and develop a public information strategy.
  11. Monitor MI CIMS for resource requests and address as appropriate.
  12. Establish and disseminate cost center information for the incident.
- Additional tasks include:
  - Determine what federal agencies are already involved and their status
  - Identify potential water supplies
  - Determine where affected homes are located, where filters/pitchers (and replacements) were installed/provided, and determine who needs filters, etc.
  - Determine how filter distribution is handled, and if it can be handled more efficiently and effectively
  - Determine what mechanisms are in place for nutrition supplementation

#### EMHSD GIS Accomplishments:

- Hosted a conference call to begin coordination with Flint City and Genesee County GIS departments and the SEOC
- Established a daily call with county and city GIS personnel to synchronize GIS efforts in support of the Flint water crisis at 8:30 A.M.
- Began consolidating local data from local GIS practitioners into a consolidated database, to include:
  - Water Pipeline Locations
  - Filter Distribution Locations
  - November 25, 2015 Water Monitoring Results (Partial, some data remains to be digitized)
  - Affected School Locations
  - Predictive analysis of blood lead levels for affected area

- Updated Parcels
- Demographics
- Block Groups
- Produced a map for the filter distribution locations
- Began contacting specialists who developed historic maps depicting the Flint Water Crisis to obtain the data

**From:** Kelenske, Chris (MSP)  
**Sent:** Tuesday, January 05, 2016 6:13 PM  
**To:** Etue, Kriste (MSP); Gorski, Gary (MSP); Smith, Paul (GOV)  
**Cc:** Baird, Richard (GOV); Hollins, Harvey (GOV)  
**Subject:** RE: Update - Genesee County Declaration

I forgot to advise that we have asked key state agency PIOs to be in the SEOC for the briefing.

---

**From:** Kelenske, Chris (MSP)  
**Sent:** Tuesday, January 05, 2016 6:06 PM  
**To:** Etue, Kriste (MSP); Gorski, Gary (MSP); Smith, Paul (GOV)  
**Cc:** Baird, Richard (GOV); Hollins, Harvey (GOV)  
**Subject:** Update - Genesee County Declaration

Below are some key points for your situational awareness (FYSA) that have taken place or will take place within the next 15 hours.

- I was on the phone with Sean Kammer, Assistant to the Flint City Administrator, when the declaration hit the news so I advised him immediately. He was going to let the City Administrator know.
- I contacted MSP Lt. Roach, 3<sup>rd</sup> District Coordinator, who was at the Genesee County EOC and advised her to let the County EM know the declaration status.
- State Emergency Management Coordinators (SEMCs) were notified via our notification system with additional information in an email.
  - This included information on the SEOC activation and a 0900 briefing for SEMCs.
  - Some subject matter experts will provide us an update to establish a common operating picture.
- We have been in contact with FEMA Region V watch desk ... they will be on the call tomorrow and continue to monitor the situation.
- I have been in contact with the FEMA Region V Administrator to keep him updated.
- Operational period for the SEOC will be M-F, 0800 to 1700 at this time.
- Situation Reports (SitReps) will be provided in the evenings.
- An Incident Action Plan will be developed tomorrow.

Call me with any concerns or questions.

Chris

# Damage Assessment and Emergency Status Report

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

## Operational Period

Operational Period Begin: 01/13/2016 08:00:00  
Operational Period End: 01/15/2016 08:00:00  
Situation Report No. 9  
SEOC Status: Full  
SEOC Hours of Operation Begin: 01/14/2016 08:00:00  
SEOC Hours of Operation End: 01/14/2016 20:00:00

## Executive Summary

SEOC Update:

Accomplished today (January 14):

The SEOC continues to provide:

- Situational awareness.
- Common operating picture/objectives.
- Coordination with city/county.
- Potential coordination with federal agencies.
- Incident prioritization.
- Coordination of life/health safety measures.
- Provide resources.
- Public Information Control.

• Logistics

- o Fielded numerous donations and are volunteer calls today.
- o American Red Cross logistics specialist is helping to establish a distribution operations plan for the SEOC.
- o Secured 80,000 sq. ft. warehouse today, working to consolidate into a single warehouse.

• JIC

- o Email being sent to state employees to request volunteers for weekend.
- o Media monitoring showed no incorrect information today.
- o Michigan Association of Broadcasters is sending PSA to radio stations.
- o Media availability at the Saginaw Armory went well today.

• Recovery Branch

- o Coordinating with Red Cross on volunteers for weekend.
- o Coordinating with MSP to finalize details for tomorrow's canvassing.
- o Coordinated tracking numbers with GIS:

TOTAL 1/12/2016 1/13/2016 1/14/2016

Occupied Homes 1450 242 492 716

Vacant Homes 1967 152 161 1854

Total Homes 3417 394 653 2370

Resources

Door Hangars 1487 217 453 817

Water 588 117 254 217

Filters 945 112 220 613

Pitchers 22 3 13 6

Water test kits 217 48 109 60

Replacement Filter 482 137 345

Total Resources Dispersed 3741

Future sample test site 114 28 34 52

• Planning Section

- o Working further on resource plan to ensure tracking is accurate.
- o Working to develop IAP for approval today.
- o Developed and published Situation Report #9.
- o Working to put smart devices in PODs to live track resources.

• Operations Section

- o Fire stations up and running today and providing resources to the citizens.
- o Reporting of supplies and numbers of those teams.
- o Deployed 8 teams in the field today (approx. 120 volunteers).
- o 78 Red Cross volunteers active across operation today.
- o National Guard ramping up to have soldiers per shift at each POD tomorrow.
- o National Guard will also have a PAO at the JIC and LNO at the local EOC.
- o Senator Ananich visited the SEOC today to see how things operate.

o GCCARD Warehouse Numbers:

□ Replacement Cartridges

• 44,018

□ Filters (faucet).

• 21,284

□ Filters (pitcher).

• 104

□ Water (cases).

• 432

• Finance Section.

- o Continuing to track personnel resources located in the SEOC and local EOC for use in spend plan development.
- o Gather related costs to date to build projection to submit to SBO.
- o Met with Departmental Service Division (DSD) to discuss Projected Supplemental.
- o Monitoring resource request board for costs incurred by state agencies for inclusion in spend plan.

• GIS Branch Updates.

- o Conducted iPad Collector App training in Flint and assisted with technology needs.
- o Completed map of active LHD license establishments/restaurants map for MDARD.
- o Completed a map of the water pipes with an overlay of points received from Brad Deacon for MDARD.
- o Continued to develop the iPad Collector process for use in Points of Distribution (PODS) in addition to Flint Water Response Teams.
- o Built Operational Dashboards for use with real time data feeds from the iPad data collector.
- o Continued to work with ESRI Disaster Response Program consultant on technical GIS issues and improving GIS processes.

DTMB:

- Reserved 4 U-Haul trucks for January 14 – January 23, for canvassing teams.
- Coordinated with Home Depot to get resources sent to new warehouse.

DHHS-CH

- The Community Health Emergency Coordination Center (CHECC) is working on a nutrition plan.
- o They are working on education materials, messaging, and working with local agencies.
- Working on developing a community assessment for disaster behavioral health services.

DEQ

- Seeing few samples coming into the city hall location. Working to identify a better collection/repository location for sample drop-off.
- Working to staff 8 scientific testing teams for sample collection and testing.

Local EOC Update:

- Coordinated volunteer management plan with ARC and SEOC.
- Initiated evaluation of fire stations as additional test kit/sample collection points.
- Coordinated test kit assembly and delivery.
- Reviewed American Red Cross logistics draft plan.
- Developed local EOC situation report #4.

### Incident Response/Recovery Priorities/Objectives

1. Ensure all households within impacted community have required resources.
2. Ensure accurate tracking and accounting of all commodities.
3. Improve and maintain public information strategy.
4. Develop a long term public health and services plan.
5. Ensure adequate staffing to support operational requirements.
6. Identify possible assistance programs.
7. Develop an approved GIS strategy.
8. Maintain coordination between partner agencies and organizations.
9. Enhance situational awareness and common operating picture of all activities.
10. Develop a comprehensive Recovery Plan.

##### Damage Assessment Summary

#### Agency Summaries

##### Joint Information Center / Public Information Officer

The Joint Information Center (JIC) was operational in Flint from 8 a.m. to 11 p.m. on Jan. 13. On Jan. 14, the JIC opened at 8 a.m. and anticipates operating until 9 p.m.

State agencies at the JIC included the Governor's Office, Departments of Health and Human Services, Agriculture and Rural Development, and Technology and Management and Budget, Natural Resources, Environmental Quality, Licensing and Regulatory Affairs and Michigan State Police. The Genesee County Sheriff's Office and American Red Cross were also present.

##### Tasks accomplished:

- Issued a media advisory at 8 a.m. about the Michigan National Guard Mobilization media event that occurred at 1 p.m. in Saginaw. Twelve news outlets attended.
- Updated ongoing talking points about Flint water situation.
- Monitored news media for misinformation and found none.
- Started drafting a news release in anticipation of the request for a presidential declaration.
- Michigan Association of Broadcasters disseminated radio public service announcements to stations.
- Established a staffing schedule through the week and continued arranging staffing into next week. The JIC will be open this weekend and on the Martin Luther King Jr. Day holiday.
- Continued to update [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater) to add new content and make enhancements to the site. Design improvements will continue tomorrow.
- Reviewed and approved MDARD food establishment fact sheet. Documents from MDE, MSHDA, and MDHHS have been reviewed and are pending edits.
- Drafted state employee volunteer solicitation email.

##### Agriculture and Rural Development (MDARD)

Jan 14th update - 4pm: Revised notice for use of water in food businesses was approved and has been sent by US Mail today to facilities licensed by MDARD and by Genesee Co. Health Department, except for the schools that MI Dept. of Education has already contacted. MDARD has identified food facilities in the most impacted areas and will be visiting those facilities first next week.

#### **American Red Cross (ARC)**

The American Red Cross staffed the points of distribution (POD) at the 5 fire stations today. Tomorrow we will be assigning fewer volunteers to these PODs as additional National Guard soldiers are deployed. The assembly of water test kits continued, today at ARC headquarters. We were able to meet a last minute request to supply coffee to accompany the lunches for GCEOC, JIC and the Water Response Teams. This will be repeated tomorrow. The volunteer reception center (VRC) was in full operation today. It will be in operation daily (including weekends) from 9am to 7pm.

#### **Civil Rights (MDCR)**

Continue to review activities to provide support and assistance to assigned Human Services branch and other SEOC activities. Review of last posted sit-report disclosed local discussion regarding outreach and supply/need assessment for at-risk immigrant communities, stand-up of the Volunteer Reception Center, SOM Employee volunteer communiqué, and MDE healthy diet informational handout. ONA working on additional translation. Relayed MDCR engagement in Flint scheduled for 15 Jan to JIC as part of Voluntary Service Animal Registration roll-out.

#### **Community Health (MDCH)**

Communications between the JIC and the CHECC have been maintained throughout this operational period for information sharing and progress reports on tactics identified in the form 204. MDHHS reviewed and commented on the letter that will be submitted to FEMA for a presidential declaration.

Assistance was provided for a special needs individual to receive additional water in collaboration with the local EOC.

A resource document was provided to the CHECC lead for the nutrition plan. The document contains multi-agency resources to be considered for inclusion in the plan.

The CHECC will be open and staffed over the week end and the holiday and will be covering the GCHD hotline.

#### **Corrections (MDOC)**

Brent Travelbee and Mike Farmer reported for duty at 0630 hours and attended the State Agency Briefing at the SEOC at 0930 hours on 1/14/2016. We have filled all requests for vehicles, personnel and warehouse equipment to assist with water distribution. MDOC Director Heidi Washington is providing full support to our assistance efforts. We will continue to staff the SEOC as a full-time partner as we have assets deployed into the field. All resources are documented on the appropriate forms and shared with the SEOC staff. Additional resource requests are coming in frequently and we are working hard to locate the requested resources while still maintaining minimal local facility operational requirements from the providing facility.

The MDOC is dedicating a considerable amount of resources and staff to this effort. We are working closely with the Logistics Chief to locate needed resources and fulfill resource requests in a timely manner.

Today we had 21 staff and 15 vehicles dedicated (on site) to the response, additionally we have 4 pallet jacks, one refrigerated semi-trailer and three MDOC staff assigned to the SEOC location.

Information is as follows:

- (6) Large Box trucks
- (5) 15 passenger vans
- (2) Pick-up trucks
- (2) enclosed trailers
- (1) Handicap Van
- (1) 20 passenger Van

#### **Education (MDE)**

MDE is distributing nutrition guidelines for "Help Fight Lead Poisoning with a Healthy Diet" handout. Additional MDE staff trained for SEOC. (1/11)

MDE is monitoring the situation and coordinating as necessary with other state agencies.

Kyle Guerrant, Deputy Superintendent, was on-site at the SEOC; January 10, 0915-1425.

#### **Environmental Quality (MDEQ)**

The Department of Environmental Quality (DEQ) completed the following activities:

- 21,600 testing bottles were ordered today to provide for water test kit supply
- NSF certification for various filters were verified
- Coordination with LARA for laboratory analysis assistance
- Additional DEQ staff scheduled to support local activities
- Production of a water test sampling video for public guidance
- School testing schedule established for the weekend to include the Freeman Elementary Project

#### **Human Services (MDHS)**

On the Human Services side, two representatives worked the SEOC during our operation hours of 0800 to 2000 today.

Updated resource requests with water filtration products delivered today.

Participated in numerous briefs and conference calls, related to the response.

Genesee Co. MDHHS staff participated in the Flint Water Resource Teams again today. Genesee MDHHS staff have been identified for Friday.

Staying in communication with 211, addressing human service concerns and delivery of resources to the elderly and disabled. Review and provide regular 211 updates to SEOC Ops.

We now has access to master filter address list and can get live numbers. This is the database that the local health department is maintaining and where all addresses are forwarded to. Shared this database with SEOC GIS

MDHHS coordinated water deliveries, which is the 93 pallets from South Carolina reported last Sunday, is as follows. Three semis were in Flint yesterday 1/13. The last two semis will be here Friday 1/15. This will conclude all water deliveries coordinated by MDHHS. Understanding DTMB is lead and will just assist through them.

CHECC continues to maintain a Level 2 Activation

#### **Licensing and Regulatory Affairs (LARA)**

LARA Bureau of Community and Health Services is in contact with licensed facilities to ensure they are receiving appropriate assistance if needed. LARA Bureau of Community and Health Services has provided preliminary information regarding assistance received and/or needed to licensed facilities. LARA is continuing to receive information on the facilities to determine the appropriate actions needed.

#### **Military and Veterans Affairs (DMVA)**

The MIANG will have Soldiers at each POD Friday 15JAN16 to assume the mission of distributing water to the citizens of Flint. Red Cross volunteers will remain through Sunday.

#### **National Weather Service (NWS)**

Jim Maczko from NWS Grand Rapids will participate in SEOC briefings via phone call and will coordinate support with local forecast office that serves Flint - NWS Detroit/Pontiac.

NWS support beyond this weekend being coordinated between NWS Grand Rapids and NWS Detroit. Hand off to NWS Detroit for morning conference call weather forecast before the end of January.

#### **Natural Resources (MDNR)**

MDNR is fully participating in all SEOC activities. Situational awareness is being maintained and the department stands ready to assist as needed.

Department POC's include:

Chief Gary Hagler, F/Lt. Jennifer Wolf, F/Lt. Steven B. Burton.

#### **Services to the Aging (OSA)**

Valley Area Agency on Aging - Region 5 (VAAA), in partnership with other local community agencies such as the Genesee County Health Department and MDHHS, has helped organize local meetings and distribute water and water filters. VAAA is an access point for receiving calls from homebound seniors who are not able to pick up water filters or need assistance installing water filters. VAAA reports they continue to receive calls from seniors who need assistance.

Contact info for VAAA Executive Director is:

Kathryn C. Boles  
President, CEO  
Valley Area Agency on Aging  
225 E. Fifth Street, Suite 200  
Flint, MI 48502  
(810) 239-7671  
(810) 239-8869 fax

VAAA has distributed 2 bottles of water with each home delivered meal to each HDM client within the City of Flint, Water. VAAA also provided water to homebound seniors who needed water to prepare food as they had limited support to pick up bottled water. Congregate meal participants also have access to water and filters as needed. Once water filters were installed, VAAA discontinued including water with home delivered meals.

VAAA also contacted the Grandparents Raising Grandchildren program to ensure that they were aware of educational efforts and confirm the program had received water filters to distribute to program participants.

On 1/11/16 AASA forwarded to MSP/GIS over 1,400+ NAPIS addresses of Flint seniors who received in-home services in FY15. The NAPIS file was sent encrypted and did not include client names. The NAPIS file included 1,029 HDM, 138 CM, and 30 CCS clients.

VAAA continues to operate as a call center and referral point for area seniors concerned about their drinking water. They've noticed this week that seniors who've had filters installed are beginning to request bottled water again.

AASA's State LTC Ombudsman has checked in with the local Ombudsman in Flint. Local Ombudsman reports Flint area nursing homes have been taking precautions using bottled water for cooking and drinking. The local Ombudsman remains concern about Nursing Homes' long term need to replace old facility plumbing that may be leaching lead.

#### **State Police (MSP)**

Teams have been distributing water all day. 2370 homes have been visited today.

State Director requested MSP PIO attend the media briefing in Saginaw being held by the National Guard. The JIC was contacted and are following up on this as well as contacting F/Lt. Kaiser.

A request came to the MSP for 20 XTS 5000 radio batteries and 5 charging stations. This request was filled by the MSP Communications Section and the batteries and charging stations are on scene.

A request for MSP to coordinate and manage the Water Response Teams in Flint was assigned to MSP FSB. Mission objectives were disseminated to Capt. Kapp and F/Lt. Kish has been identified as the Water Response Team Commander for 1/14/16. Lt. Dehner will be the safety officer for 1/14/16.

MSP has been working with MDOC to obtain a list of parole agents that will be reporting to assist with the Water Response Teams on Thursday and Friday. Additionally, MDOC is providing a list of all vehicles being sent to assist with the incident.

A letter was drafted by the JIC to disseminate to state agencies soliciting volunteers for the upcoming weekend to include the holiday. The letter included all pertinent information needed as well as a link for the employee and their family to register (via Survey Monkey).

A request was made for MRP information, this was gathered and provided to the SEOC Operations Branch Chief.

The MSP Flint Water Response Team volunteer list was provided by Insp. Marier and has been posted in the resource request. Additionally this list was sent to MSP SEOC Operations.

The State Director requested the Water Response Team Commander to provide daily bullets reference the operational mission. This objective was provided in the resource request to MSP FSB.

Worked with American Red Cross on the pipeline process for incident. This included all operations and processes as it pertains to the Water Response Teams. Discussions were held with the Water Response Commander, EOC Operations Group Chief, the Safety Officer, MSP SEOC staff, the Recovery Group, DHHS, and American Red Cross.

Per Lt. Dehner, they need a total of 4, 18 foot DOC trucks with drivers for resupply mission reporting to Local EOC at 0800 on Fri, Sat, Sun, Mon. Will reassess needs for continuation beyond Monday on Monday. This has been communicated to DOC. The 8, 16 foot U Haul trucks currently deployed in addition to the DOC trucks are sufficient for deployment by the Water Response Teams.

A request was submitted to logistics for \$26 to purchase a 1 month subscription to Survey Monkey so that we can pull the list of respondents to the weekend volunteer survey in an Excel spreadsheet.

#### **Supreme Court**

08:50 - State Judiciary EMC John Ort reported to the SEOC regarding the Flint water emergency. Nothing to report from the Judiciary regarding the emergency. DEQ website resources shared with our State Court Administrative Office (attn: Region II) in case our Genesee County courts have any questions regarding the emergency.

#### **Technology, Management and Budget (MDTMB)**

Provided management with an update.

DTMB Mail Services has seven drivers with trucks assisting in transporting supplies to support point of distribution centers and Flint Water Resource Teams. Drivers have agreed to work through the end of day Tuesday, January 19.

Eight trucks carrying 12,768 cases of water were delivered Thursday, along with two trucks carrying 117,000 water filters and 39,000 faucet mounts. Deliveries of eight trucks will continue through Wednesday, January 20.

30 tablets were provided to the Flint Water Response Teams this morning to record supplies being delivered in the field. Working on resource request for volunteer credentialing and temporary fuel cards for the MSP officers driving rented U-Haul trucks.

Warehouse space was procured for 80,000 square feet to hold water, water filters, cartridges and water test kits.

Assisting agencies in printing needs to water related material.

Transportation (MDOT)  
MDOT continues to maintain situational awareness and respond to issues regarding equipment and road conditions.

**Subject:** SEOC Update 1/15/16 - Flint Water - Limited Distribution  
**Attachments:** SitRep10 Flint Water.pdf

### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

#### Update 1/15/16 – 11<sup>th</sup> Day (10<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Pilot the logistics plan and adjust as needed
- Continue with door to door/Flint Water Response Teams (FWRTs)
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work with FEMA personnel to ensure we get a Presidential Declaration of a Major Disaster and Emergency

##### Attached Documents:

- SitRep 10

##### Status on Governor's request letter to the President:

- All documents for the presidential request have been submitted to FEMA. Numerous calls and meetings took place between me and FEMA today.
- When we get the declaration(s) ... I will set up a legislative/congressional call to explain and provide bullet points as to what programs we will received. The Federal Coordinating Officer assigned will also be with me to answer questions. This has helped in the past.

##### Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have state agency, type 3 teams ( , with a goal of 300 homes per team.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
  - A pilot team was used to test our logistics plan today and with 60% strength they had 160% output (830 homes).
- I will be off tomorrow but available by cell. Tony Katarsky will be SEOC State Director. I will be back in on Sunday. -----

##### Items to Note

- LT Gov visited the local EOC and SEOC today. He was able to hear our final briefing for the day.
- Held a short session managing stress with SEOC staff. Two handouts were put in MICIMS for all state and local personnel to view.
- Deployed 10 state teams and 5 ARC Flint Water Response Teams to the field today.
- Standing requirements were created for the JIC so we can get information to the media every day. Below are the current ones we have in place and we should have something out tonight according to the JIC.
  - As of 1/15/16 as of 7pm (start date was Tuesday, 1/12/16)

1. 7474 homes visited by the FWRTs. We believe we have ~24,000 homes with filters but are trying to validate that information. This is from the data we received from prior to the SEOC activation plus the PODs and door to door operations since activation.
2. Distributed:
  - a. Number of cases of water 18,576
  - b. Filters 45,916
  - c. Filter cartridges 165,382
  - d. Test kits 3,217
3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 44,688 (additional 12,884 donated)
  - b. Filters 78,520
  - c. Filter cartridges 163,081
  - d. Test kits 18,761
5. Teams going out tomorrow:
  - a.       te       ks) type 3 teams---Goal tomorrow 300 homes per team
  - b. 10 ARC (2-4 folks) type 5 teams---Goal tomorrow 100 homes per team

#### Local EOC

##### Home Deliveries:

- Still receiving lists from the Valley Area Agency on Aging (VAAA) on home deliveries and forwarding these to the Sheriff's office. They are going through a lot of homes. 120 out of 125 homes were completed yesterday.

##### Operations:

- We sent staff to visit Fire Station 6 and the warehouse today. Fire station 6 traffic was congested and that was during a "slow" time. The National Guard is identifying what is needed to alleviate this. MSP is working on providing uniform presence as needed. An additional iPad at each location will hopefully help relieve the amount of time that people are spending at the distribution sites.
- Lt. Roach worked with faith based organizations today reference water and filter distribution. Additional requests from churches were made and I approved the locations so they could be ready for Sunday. Lt. Roach was told by one of the pastors that he met with the Gov today and expressed how much he appreciated the efforts put forth. We should have 14 for this Sunday. We are working on how we can increase this output.
- Still concerned about people going to every fire station and collecting water/filters. NG personnel observed vehicles with several cases of water an overheard saying they were heading to the next station. Some people were helping themselves and taking more than one case at a time. Per the NG they cannot physically stop people from doing so. The NG is going to try to change staging in the fire stations to try to prevent this.
- Flint PD is going to check in every day with the EOC and provide a specific contact person. They are also going to help with traffic issues at the PODS. Will ask Flint PD to provide a presence when water is off loaded at a POD to help prevent people from "helping themselves."

Chris

## INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

### Update 1/14/16 – 10<sup>th</sup> Day (9<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

#### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Prepare/approve logistics plan and finalize lease on warehouse space/begin to move supplies from GCCARD to new warehouse
- Continue with door to door teams and finalize planning for future team use
- Submit request for a Presidential Declaration of a Major Disaster and Emergency
- Continue to work on long term recovery items (DHHS, DEQ, MDARD)

#### Attached Documents:

- SitRep 9

#### Status on Governor’s request letter to the President:

- All documents for the presidential request have been submitted to FEMA. I had a lengthy conversation with the FEMA Region V Administrator reference the request prior to sending.

#### Key items for tomorrow to note are:

- The door to door teams will continue in the morning.
- We will continue to ramp up door to door operations with additional teams. Teams continue to focus on the high lead level areas and additional data is being analyzed to focus mission areas.
- ARC will increase the number of their Water Response Teams.
- Supply burn rates as well as projections on how many teams will be needed to put filters in all homes within 3 and 5 days will be completed. Analysis will be done to see if NG personnel may be needed to finish in quicker manner.

#### Items to Note

- DEQ was notified of the number of homes who are willing to have them take additional samples in the future (current number (114). This question was added to the App being used by the Water Response Teams. Data will be provided when needed.
- LT Gov is scheduled to be at the local EOC and SEOC (~4:30) tomorrow to see the operations.
- Secured 80,000 sq. ft. of a warehouse today. Working to consolidate all resources in one location. Tomorrow will be the first day of full implementation of our logistics plan.
- Email sent to state employees to request volunteers for weekend.
- Media monitoring showed no incorrect information today.
- Michigan Association of Broadcasters is sending PSA to radio stations.
- Coordinating with Red Cross on volunteers for weekend.
- Deployed 8 Water Response Teams to the field today (approx. 120 volunteers). 78 Red Cross volunteers active across the operation today.
- National Guard is ramping up to have 100 soldiers per shift at each POD tomorrow. Will also have a Public Affairs Officer at the JIC and liaison at the local EOC.
- Senator Ananich visited the SEOC today to see how things operate. The visit went well and he seemed happy with the number of staff working the Flint event. He tweeted out a message indicating there is still a lot of work to be done but all are working hard.
- DHHS
  - The Community Health Emergency Coordination Center (CHECC) is working on the following:
    - A nutrition plan
    - Education materials, messaging, and working with local agencies
    - Developing a community assessment for disaster behavioral health services.

- Lined up the delivery of filters to two large apartment complexes and a student housing complex.
- We have the list of individuals needing home service (additional contacts will be sent to the Ops Chief at the Local EOC each day at 4:00). Info will be provided to the sheriff's office for action.
- Water Response Team Numbers (this is not the total of homes with filters – I will provide that number tomorrow but it appears we have filters in over half the residences):

	TOTAL	1/12/2016	1/13/2016	1/14/2016
Occupied Homes	1450	242	492	716
Vacant Homes	1967	152	161	1654
Total Homes	3417	394	653	2370
<b>Resources</b>				
Door Hangars	1487	217	453	817
Water	588	117	254	217
Filters	945	112	220	613
Pitchers	22	3	13	6
Water test kits	217	48	109	60
Replacement Filter	482		137	345
Total Resources Dispersed	3741			
Future sample test site	114	28	34	52

Chris

---

#### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

#### Update 1/13/16 – 9<sup>th</sup> Day (8<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Prepare/approve logistics plan and close lease on warehouse space
- Continue with door to door teams and finalize planning for second wave increase (teams – total for 1/14/16 will be 1)
- Continue to work on Governor's Declaration of an Emergency

##### Attached Documents:

- SitRep 8

##### Status on Governor's request letter to the President:

- All support data from state Agencies and local jurisdictions collected as of 6:00 pm on 01-13-16
- Current timeline:
  - First draft completed and ready for review by State Department Directors (including the Attorney General) by 11:00 am on 01-14-16
  - State agency reviews due back by 1:00 pm on 01-14-16 for revision of the draft
  - Revised draft to Captain Kelenske by 2:00 pm on 01-14-16 for review and forwarding to the Governor for final review
  - Final draft (based on Governor's review) submitted to FEMA Region V Administrator by no later than cob 01-14-16 but hopefully sooner. FEMA is aware and ready to receive.

Requests and potential response from FEMA/President

- The letter will request all programs eligible under the Stafford Act including Public Assistance, Individual Assistance, Hazard Mitigation, *FEMA's coordination of assistance from other Federal agencies and direct assistance from FEMA*
- The letter will also request potential direct reimbursement from other Federal agencies such as EPA, CDC, HUD, DHHS and SBA
- This request is in coordination with the request for Non-Stafford Act federal assistance already requested and received by the State (technical assistance and administration, but no direct reimbursement of disaster costs)
- Direct Federal assistance from FEMA in the form of Individual Assistance to homeowners for household repairs (*repair and/or replacement of water service lines and Other Needs Assistance to reimburse for water filters, bottled water, etc.*) is a possibility
- Direct Federal assistance from FEMA in the form of Public Assistance is not as likely as it is mostly replacement of publicly owned water distribution lines (and not the direct result of damage from a natural cause)
- If Stafford Act assistance is denied (Public Assistance, Individual Assistance and Hazard Mitigation) FEMA could still provide coordination of assistance from other Federal agencies if the President declares a disaster (or emergency) for the State of Michigan

Key items for tomorrow to note are:

- The door to door teams will continue at 9 a.m. – 5 p.m. Thursday morning and continue through the weekend.
- We will continue to ramp up door to door operations with additional teams. Teams are focusing on the high lead level areas and additional data is being analyzed to focus mission areas.
- MNG will have a press event at the armory with incoming soldiers and MG Vadnais.

Items to Note

- Received information that Rev. Jesse Jackson will be in town 1/17/16 at 1:30 at the Heavenly Host Church of the Harvest of Dartmouth St, Flint.
- Managed and corrected misinformation on NG role.
- Senator Ananich is stopping by the SEOC tomorrow morning 0845. I am meeting with him and his Chief of Staff. Short visit as he has a 0930 at the Capitol.
- Working with Comcast so they can put teams in the field for distribution.
- Penske is going to give us 15-20 trucks over the weekend.
- Contact made with Two Men and a Truck for resources.
- Meeting set with Google where they will brief me and key staff potential tasks.
- Coordinated with Flint Mass Transportation Authority (MTA) to include Fire Station PODs on bus routes.
- Tomorrow I will have a projection as to the number of teams needed to get all citizens filters in their homes in 5 days / 3 days.
- We are standardizing team structure and supply deployment to increase efficiencies. Mission Ready Package (MRP) specifications will be sent out for other entities to assist with door to door. They will then be able to arrive as a MRP, get supplies, receive a mission location and deploy.
- 5 Water Response Teams were in the field again today. Below are the numbers from the 2 days of just the Water Response Teams (there are paper copies with data still to be entered from the PODs). I was just briefed by the ARC logistics planner and there are efficiencies we can put in place to increase homes touched per day. The next version of the app will provide more granular details. Additional 30 tablets were configured by DTMB today for field implementation to include use in the PODs.

	Total	1/12/2016	1/13/2016
Occupied Homes	533	242	291
Vacant Homes	238	152	86
<b>Total Homes</b>	<b>771</b>	<b>394</b>	<b>377</b>
<b>Resources</b>			
Door Hangars	473	217	256

Water	265	117	148
Filters	235	112	123
Pitchers	9	3	6
Water test kits	92	48	44
Replacement Filter	93		93
<b>Total Resources Dispersed</b>	<b>1167</b>		
Future sample test site	62	28	34

- We show 17,276 residences with filters (this does not include data entry to be completed from POD or other locations).
  - We have 35,378 service hookups but with apartments, multi residence dwellings, etc we would be around 45,000.
- Logistics Support
  - The American Red Cross Logistics Planner provided me a brief and I approved the plan forward. The current plan includes:
    - Mission – A filter in every home ASAP.
    - 4 Distribution Methods
      - PODs (5)
      - Water Response Teams (20 effective tomorrow and this will increase)
      - Local EOC “Hot Shots” (these are calls for functional needs, unable to get to a POD location due to ??, etc). Personnel dispatched with supplies.
      - Local EOC support for other local requests (Faith based for distribution, etc.)
    - Three warehouse locations at this time
    - How to better leverage ARC resources
- Supplies – Daily Numbers
  - Replacement Cartridges - 30,700 delivered.
  - Water (cases) - 19,152 cases delivered
- Budget projection completed and will be submitted to SBO for review.
- Notes from Water Response Team Command (MSP)
  - Very good synergy between Flint Post troopers and Genesee County Sheriff command and deputies in effective and efficient deployments for distribution efforts.
  - Great attitude and efforts by uniforms and volunteers to make important contributions to the City of Flint on water response team deployments.
  - Clear direction and coordination in the field of supply teams by lieutenants and troopers. No confusion. Clearly defined roles.

**All personnel continue to be fully committed to fixing this as quickly as possible.**

Chris

---

#### **Update 1/12/16 – 8<sup>th</sup> Day (7<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

I apologize in advance for the length of this report. With the supply issues we had the last couple of days I wanted to share our inventory plus what we anticipate to ensure we do not have supply issues.

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Fine-tune logistics
- Increase and deploy door to door teams (4 state teams added to teams from the Sheriff's Department)
- Increase collaboration and messaging of collaboration with local agencies (specifically the Sheriff's Department)

#### Attached Documents:

- SitRep 7
- Executive Order Activating the National Guard

#### Key items for tomorrow to note are:

- The Governor signed an Executive Order activating the National Guard. Mission will be to relieve ARC volunteers at the PODs (Fire Stations) which will free up the ARC volunteers for door to door activities.
  - I have briefed the ARC Disaster Officer on this plan.
- The Governor requested, through FEMA Region V, support from the Federal Emergency Management Agency (FEMA) to bring together and identify other federal agencies that may have programs and funding that could be dedicated to assisting Flint as part of an interagency recovery plan. One of the existing LNOs has been identified as the POC for this. He will be a great liaison for the FWIACC.
- The door to door teams will continue at 0830 Wednesday morning and continue through the weekend and ramp up door to door operations with additional teams. Teams are focusing on the high lead level areas.
- We will look at all commodities and see where we are and where we need to be while working with the ARC logistics specialist.

#### Items to Note

- PSA video sent out to Flint citizens on resources available.
- Water
  - Today's numbers - 7,824 cases of water arrived today, 1/12/16 (109 pallets)
  - Ordered:
    - 19,152 cases of water are going to arrive Wednesday, 1/13/16 (266 pallets)
      - 1/3 is going to GCCARD and the rest is going to the new warehouse
    - 12,768 cases to arrive daily beginning Thursday through Saturday (177 pallets a day)
- Filters
  - Today's numbers
    - Ordered on 1/11/16 and delivered 1/12/16 direct to GCCARD
      - 2,000 – Brita filter faucet mounts
    - Filter Replacements
      - 2,400 – Brita filter replacements (single pack)
      - 8,000 – Brita filter replacements (two pack)
  - Ordered on 1/12/16 to arrive Wednesday
    - Faucet Mounts – To be delivered direct to GCCARD on 1/13/16 (Wednesday)
      - 10,000 – PUR Vertical faucet mount
      - 2,500 – PUR Horizontal mount
    - Replacement Filters – To be delivered direct to GCCARD on 1/13/16 (Wednesday)
      - 10,000 – PUR replacement filters (3 pack)
      - 10,000 – PUR replacement filters (single pack)
    - PUR Combination Pack – to be delivered to GCCARD on 1/13/16 (Wednesday)
      - 10,700 – PUR combo packs
- To arrive Thursday
  - Zero Water Pitcher (8 Cup) – Delivering direct to GCCARD on 1/14/16 (Thursday)

- 1,300 – Zero Water pitchers
  - Faucet Mounts – Delivering direct to GCCARD on 1/14/16 (Thursday)
    - 11,000 – PUR vertical faucet mount
    - 1,500 – PUR Horizontal faucet mount
    - 5,000 – Brita faucet mount
    - 10,000 – Brita adv faucet mount white
    - 12,000 – Brita adv faucet mount chrome
  - Replacement Filters – Delivering direct to GCCARD on 1/14/16 (Thursday)
    - 117,600 – PUR replacement filter
- Test Kits
  - 6601 unassembled kits arrived at GCCARD today, 1/12/16.
  - 500 have been assembled and are ready for distribution
  - 1000 additional unassembled kits have been ordered to be delivered at GCCARD (no ETA yet)
  - 10,142 unassembled kits to arrive at GCCARD early next week
- Second warehouse – Located in Flint
  - 100, 000 square feet of secure warehouse obtained.
  - Accepting commodities beginning Wednesday, January 13
- Logistics Support
  - The American Red Cross Logistics Planner arrived from DC today as requested. I outlined what her mission was and how I saw the progression forward. This logistics planner will assist in streamlining the inventory and distribution process now and into the future.
- Door to Door Numbers
  - Today the app implementation for the field went extremely well. There were a few issues that were quickly addressed. One related to how form fields should be filled out. Another was getting styluses for teams so that they don't have to remove their gloves in the cold. All very simple to fixes.
  - We are working on version 2.0 so this can be used at the PODs
  - We should be able to greatly optimize distribution in the near future as we mapped the active water subscribers from Flint's DPW and are adding them to the field team members apps. Of the ~56,000 possible addresses, this reduces the number of possible homes to visit down to ~29,000.
  - Notes from the field commander:
    - "Today we started out the day using two groups that consisted of approximately 10 people in each group. We eventually combine groups with Genesee County Sheriff's group and they brought two more groups with approx. 10 people (Local UAW) in each group. This made us a lot more efficient and we were able to set up a game plan. Tomorrow I feel we will be more efficient and we will have a better plan in place to get the maximum output out of our resources."
  - In the end, there were 394 total home visits with the following breakdowns:
    - 217 Door Hangers
    - 152 Vacant Homes
    - 117 Water Distributions
    - 112 Filters
    - 3 Pitchers
    - 48 Water Test Kits
- 211
  - CALL VOLUME:
    - 185 calls for water-related issues had been received as of 4:45 pm.

- Logistics made contact with Comcast and will be supplying them with filters and replacement cartridges for their deliveries in their work trucks as they make services calls. They will follow our procedures for reporting (our checklist).

Chris

---

#### Update 1/11/16

The focus today was the media event and getting the supplies and logistics on track. Most of the activity today was working on logistics for the water and other supplies.

#### Attached Documents:

- SitRep 6

#### Key items for tomorrow to note are:

- The door to door teams will start at 0830 Tuesday morning. It is reported that troopers are going to the door but DHHS employees are the lead with a troop car nearby.
  - State and local GIS created an App today for the teams to use tomorrow but I see potential use at distribution sites.
  - The App data will be used for our maps as we survey the public/distribute supplies and we will be getting real time metrics through the site from the field send back to the SEOC. We are using Android tablets tomorrow but in the future can use any mobile device for this.

#### Items to Note

- It was reported that only one POD (Station 5) was out of water longer than 30-45 minutes. This site was ~2 hours without water and part of that was the truck went to the wrong station. Trucks were sent as soon as the local EOC was notified.
- We also did not receive a DHHS shipment that was to come in which caused some filter delivery issues.
- Supplies are limited at this time; however, we are getting our shipments starting at 0630 tomorrow.
- We have Home Depot giving us 12,768 cases (this was a late development so the SitRep indicates half the amount) of water every day starting tomorrow. We are still working with other distributors too.
- ARC is flying in a logistics planner tomorrow. Three additional staff will be with her to shadow and help. We are turning warehouse logistics over to ARC logistics. We are moving tomorrow to a process that has a distribution center (GCCARD) and a warehouse that is 100,000 square that will maintain mass quantities. Staff has continually been placing orders for supplies to ensure we get a head of this. The intent is to keep the warehouse full so we do not have these continual issues of supplies.
- Began mapping lead service lines (anticipate having draft of lead service lines Friday).
- Coordinated with local IT managers overseeing filter tracking system to streamline data collection.

#### Local Emergency Operations Center

- Working to coordinate resources at the local level to maintain adequate supplies at all PODs.
- Demand has exceeded supplies and supplies are moving rapidly from PODs today. Working to make sure POD managers notify us when they start running low.
- Working to establish a warehouse for local resource storage.
- Established trigger points for resources at PODs and hourly inventory reporting from the PODs.
- Discussed potential long term water sources between local EOC and SEOC.
- Established planning cycle/meeting scheduled for 1/12/16.
- Local EOC EMHSD staff with Natasha Henderson to request deployment of City representative at local EOC.

Chris

---

## Update 1/10/16

### Attached Documents:

- SitRep 5
- Door card (English version but Spanish version will be ready for Tuesday)

I have a local EOC section listed below but state personnel are heavily engaged in management of both locations. We occasionally hit some road bumps with this event but all personnel are working well together to accomplish our goals (especially state agency personnel).

I have had good discussion with FEMA LNOs. Two statements have been developed from our discussions that hopefully helps put this in more context but if it is more confusing I apologize:

1. In the immediate response, the State, in collaboration and coordination with city of Flint and county of Genesee are working to get water, water filters, and testing kits to the affected population. In conjunction, the state will coordinate with federal agencies to ascertain what resources can come to bear to help mitigate the issue.
2. If asked about a federal declaration from FEMA, we need to articulate the definition of major and emergency declaration and state or note to ourselves that it appears to not qualify; however, there may exist opportunities to leverage federal assistance from some agencies (i.e....EPA) under their own authority to help address this issue.
  - We need to really manage expectations on the potential for a federal declaration...not that we will not go after one but it will be difficult to get.
  - A major disaster is defined in the Stafford Act as any ***"nature catastrophe (including hurricane, tornado, storm, high water, wind-driven water, tidal wave, tsunami, earthquake, volcanic eruption, landslide, mudslide, snowstorm, or drought) or, regardless of cause any fire, flood, or explosion.....causes damage of sufficient severity and magnitude, to warrant major disaster assistance.....to supplement the efforts and available resources of States, and local government....."***
  - An emergency declaration is ***"is any occasion or instance for which, in determination .....assistance is needed to supplement State and local efforts and capabilities to save lives and protect property and public health and safety or to lessen or avert the threat of a catastrophe....."***
    - This is limited to immediate and short-term assistance (I hate to put times on this but short-term is like 3 weeks), essential to save lives, protect public health and safety and property.
  - Severity of the situation is ***"A finding that the situation is of such severity and magnitude that effective response is beyond the capability the state and affected local governments, and that the state requires supplementary federal emergency assistance to save and to protect property...."***
  - Nature of assistance for Emergency Declaration is for ***"Debris removal, emergency protective measures, direct federal assistance...."***
    - Debris Removal = ***self-explanatory and we do not have this***
    - Emergency Protective measures = ***water, commodities, transportation (remember ... to supplement what the locals and state are already doing if we need more)***
    - Direct federal assistance = ***what specific type of work is requested, and what are the reasons why the state/local government cannot perform or contract for performance. Essentially what is the need that state/local govt cannot provide. I can see this being something we need but we may be able to get this outside a federal declaration under the federal agencies own authority to help address this issue.***

Back to the update...

Key items for tomorrow to note are:

- Training is occurring for the door to door teams scheduled for Tuesday morning.
- Deploying an additional MSP District Coordinator to the local EOC for command and control support.
- Deploying two DTMB trucks and two drivers for sustained logistical support for the week.
- Media event with the Governor in Flint.
- New Incident Action Plan starts (1/11 0800 -1/13 0800 operational period). Our objectives are as follows:
  1. Ensure all households within impacted community have required resources.
  2. Ensure accurate tracking and accounting of all commodities.
  3. Improve and maintain public information strategy.
  4. Develop a long term public health and services plan.
  5. Ensure adequate staffing to support operational requirements.
  6. Identify possible assistance programs.
  7. Develop an approved GIS strategy.
  8. Maintain coordination between partner agencies and organizations.
  9. Enhance situational awareness and common operating picture of all activities.
  10. Develop a comprehensive Recovery Plan.

Items to Note

- All 9 churches had filter systems/replacement filters, information sheets, and water test kits delivered as requested by each pastor/reverend on Sunday. We did not think we could get them water due to the limited time but we did end up getting water to all 9 churches with the other items.
- Fire station resource locations stayed open from 9a to 9p and will continue with those hours until further notice (Staffing is in place until Saturday). ARC is staffing these locations.
- The media event was held at Fire Station No. 1 and report back is that it went well and the spirit of collaboration between local, state, non-governmental partners is strong was relayed.
- The four door to door teams will have the hours of 8:30 a.m. to 5 p.m.
  - Each will have logistics support from DTMB, security from MSP, and contact personnel from DHHS.
  - The door card is attached that will be left if no one is home.
- Worked to identify a storage location within the City of Flint for water and supplies. G-CARD is identified as temporary location but we are moving toward a state run warehouse operation (looking at private sector partners to assist, especially with the warehouse management side).
  - GCCard is large enough, centrally located and comes staffed. GCCard has 75,000 sq ft with warehouse managers to assist with tracking resources coming in and out.
- GIS will provide us daily updates of how much was distributed each day but note we have a delay in data entry from delivery to entry in the GIS system. Over the weekend there was a problem locally with staffing to get this completed. A solution is in place and will be implemented so we get timely data. Distributed to date (as of 1/8/16).
  - 12,386 filters
  - 1,985 replacement filters
  - 354 Pitchers
  - 2500 Lead Testing Kits
- Establishing and tracking of resources is a priority. Staffing has been assigned to get a good handle on these to ensure distribution sites maintain an appropriate level of inventory. I have requested trigger points get put in place so we do not get below certain levels in the main warehouse location.
  - Contacts with some large water distributors have been made and their and our logistics chiefs will connect first thing this week.
  - We have ordered an additional (expedited delivery with ETAs tomorrow)
    - 40,000 Brita Filters
    - 40,000 Brita Replacement Filters
    - 1000 Zero 8-Cup Pitchers
    - 1000 Zero 8-Cup Pitchers
    - 2000 PUR Replacement Filters

- 93 Pallets of water (about 6700 cases)
- GIS continues to produce multiple maps for use.
- JIC Items
  - Requested PSA on the radio. Media has been approved and working with MAB.
  - Requested JIC to contact Comcast and Dish Network for availability for continuous running of filter install/replacement and test kit video.
  - A news release will likely going out tomorrow regarding canvassing in neighborhoods. Continued social media messaging.
    - Tuesday -- embed state PIO with one of the canvassing teams to liaison with media.
    - JIC moving tomorrow to Flint.

### Local Emergency Operations Center

I am providing you some information on some issues we ran into at the PODs. This has been addressed with additional state resources and processes put in place so we do not run out of resources. Public concerns/complaints have not been brought to my attention at this time. Staff is working very hard to ensure we do not run out of supplies at the PODs and they understand the consequences. No one in the Local EOC or State EOC is happy the following occurred and I felt you should know in case it is brought up. Again, I believe we have fixed this and I take full responsibility for any supplies not being on site.

### Fire Station Inventory Levels:

#### Station 1:

- Only time without supplies - 15 minutes without water while the truck was unloaded.

#### Station 3:

- Ran out of replacement filters around 7:00, replacement filters delivered around 7:30. Had to pick up replacement filters from Home Depot and deliver.

#### Station 5:

- Ran out of water around 5:00, water was delivered around 6:30. We needed to find additional trucks because DTMB drivers were over hours. The ARC stepped up and found a truck to go and pick up a pallet of water and deliver.
- Somewhere between 4:00-6:00 they ran out of lead test kits. No way to restock these because City facilities were closed and could not reach anyone.

#### Station 6:

- Around 5:00 ran out of water, filters, and replacement kits. Replacement kits were delivered around 7:30. Additional water and filters were delivered after 9:00 due to the DTMB drivers heading back to Lansing. Food Bank was called and had to get drivers in to operate trucks, pick up water from the School District, load and deliver to all sites. Delays occurred with weather conditions and needing to use last minute sheriff EOC staff to load due to issues with City workers. City workers were scheduled to help and left around 7:00 without helping.
- 2 pallets of water were dropped off in the afternoon and within 1 hour were gone. This was much faster than we expected. On 1/9 they didn't go through 2 pallets of water at any station for the hours 9:00-4:00.
- We received news that a reverse 9-1-1 call notified residents of water which caused an unanticipated amount of people obtaining water. There was also a report of 1 person walking out with 2 cases of water and trying to sell in the parking lot.

#### Station 8:

- Around 7:00 ran out of filters and lead tests. Filters were delivered around 8:00 from the food bank trucks.
- Hourly reports were requested in the morning from volunteers but this information was not received as to the status throughout the day. Early inventory of supplies took between 1 hour-1.5 hours to receive in the EOC. We were not advised of low counts, just zero numbers.
- Reports received that the last couple of hours were slow.
- Residents were advised of the other sites and the opportunity to obtain supplies.

#### Restocking Plan

- United Way set up meeting with Food Bank to discuss.
- Had EOC meeting on this topic to discuss options.

#### Churches:

- All 9 churches received waters, filters, and informational bulletins.
- Lt Roach received positive feedback from 3 of the pastors.
- No complaints were received.

#### Signage:

- Provided information to SEOC on signage requirements at the fire stations.

#### Storage:

- Researched storage spaces; established temporary site at GCCARD.

#### Personnel:

- Lack of local EOC leadership (seems somewhat checked out) with IC and Deputy IC (doing an okay job).
- Captain TaFoya (Genesee County) helped tremendously today with all the plans outlined above and attended the press conference.
- Tina Martinez at the Food Bank and Matt Purcell at GCCARD were extremely helpful in getting last minute operations set up.

Chris

---

#### Update 1/9/16

SitRep 4 attached for more in depth information. The below only contains some items worked on today and while the format in the attached SitRep is not perfect (it is created automatically by MICIMS) it does contain a lot more information you may want to read. I also attached one of our maps. It is our filter distribution map. All filters handed out by anyone working with us feeds into this now. We are continuing to refine these and at this time there is a delay in the upload of address data but we are working on it. We have a ways to go to get filters in every home but this will help direct us to those who need still them. We also are working on identifying abandoned homes.

Key items for tomorrow to note are:

- 9 churches will have ARC volunteers and filters for distribution. Some may also get water.
- 5 fire stations are a distribution point for water, filter systems/replacement filters, and water test kits. While only open today until 4 p.m., tomorrow and until further notice they are open from 9a to 9p.
- Media event will take place on the above tomorrow.

#### Items to Note

- 211 has some issues with call load but it is being worked on. 2-1-1 Director contacted MDHHS PIO to discuss/resolve caller wait times and messaging. We anticipate an increase in activity tomorrow in 211 calls so we requested and received an increase to staff 211.
- We are shifting tasks the SEOC took on that are handled more effectively and efficiently at the local EOC. We have established command and control in their EOC. We are running things there but that is not being made public. We are doing this in partnership but we are clearly handling the operation with state personnel oversight.
- A 3rd FEMA LNO arrived today upon my request. This has nothing to do with a Presidential request for a declaration but support for some other items I want worked on for long term recovery.
- We continue morning calls with the local EOC leadership and local emergency manager on what our goals for the day are as well as any issues/concerns.
- Five 5 fire stations have received water, water filters, replacement cartridges, and water testing kits with American Red Cross personnel at each location to assist with delivery of resources and collection of addresses receiving

them. These locations will be open from 9a – 9p daily until determined they are no longer needed. Those picking up water testing kits will be advised that they can return the test kits to the fire departments (where they will be picked up and taken to the Flint City Hall), the Flint Water Treatment Plant, or they can take them directly to the Flint City Hall. For those unable to return the kits, 211 can make arrangements for pick up the kits. We understand response to these sites has been positive thus far. The Genesee County EOC will be monitoring these supplies and request replacement of products as needed.

- A call is going out tomorrow morning to advise this information ... I do not believe it was every resident but *Tori Sachs has that info if needed.*
- I approved a press release today to advise the public that all levels are working together to ensure delivery of filters, test kits and water; noting that all of these items were delivered to the 5 Flint fire department stations. It was stressed that the public should be aware that the local and state agencies have been working cooperatively to assist the residents - and will continue to do so. This was done to hopefully end or at least minimize the “who can get water and filters out first” when all of this has been connected with the state and coordinated since the state declaration was put in place.
- The arrangement of 2,000 filters, to be taken to 9 local churches on Sunday, January 10, is ongoing. The filters have been secured; they are now in the possession of the DTMB. DTMB will return to Flint on Sunday morning to deliver these to necessary locations. The American Red Cross will be on site at each church to assist with distribution and recording addresses (for GIS). The local EOC is working to ensure these arrangements are complete and run smoothly. Future engagement with the faith based community will occur to assist with additional distribution.
- A Flint City liaison has not been in the EOC but starting Monday this will be in place to keep the Flint Mayor apprised of activities being conducted in the city. She also has been advised she can call me at any time if she needs anything.
- Training has been confirmed for the door-to-door operation scheduled to start Tuesday. Four teams are initially scheduled with more to potentially be put in place. These are the teams that will be handing out water, filter systems/replacement filters, test kits and information. If nobody is home, a door hanger with information is being left. DHHS personnel and one MSP trooper will be on these teams.
  - Training will take place at 1 p.m. on Monday afternoon at the DHHS office on Clio Road. DEQ and DHHS will provide the training.
    - Training is so those going door to door can explain what the filters do, how to install them, if they need install help to call 211 who has a list of people who can install the filters, and answer any other questions versus just handing them the filter.
  - Hours of operation will be Tuesday through Friday from 8:30 a.m. to 5 p.m. AT THIS TIME. I am reevaluating these times to increase contact with someone versus just leaving information.
  - Logistics are being finalized for the teams and trucks to handle stocking and re-stocking of materials during daily operations.
  - GIS maps will provide guidance on deployment locations for these teams and other teams in the field.
- A pilot project at Freeman Elementary with LARA and DEQ has been initiated to see if replacing certain plumbing components in faucets at the school will drop the lead level.

### MSP/EMHSD GIS Section Updates

#### Accomplished Today (January 9):

- Produced a Point of Distribution Map. Contains four types of distribution points; Churches, Water Resource Sites, Filter Distribution Sites, Water Distribution Sites.
- Produced Filter Distribution Map.
- Developed process of how best to handle geocoding the household filter locations, worked on processing the data.
- Worked on map of franchise customers outside of Flint City.
- Produced maps for MDARD on food establishments and Local Health Departments.
- Produced map of Church Filter Distribution map for DTMB.

### Local Emergency Operations Center

- The state has deployed 10 personnel to the Genesee County EOC to ensure we have command and control at the local level. On 1/8/15 The state personnel took over the incident management functions of the Genesee County EOC (not public). The arrival of additional staff allowed the local Emergency Management Coordinator to delegate tasks which relieved a tremendous amount of stress.
- Additional Sherriff staff ( ) will be shadowing the state incident management team to allow for transition to the county personnel later in the incident when we are comfortable with them handling things. Not sure when that will be but we have secured a direct bill hotel for staff to stay in Flint as long as needed.
- With the additional staff, the Local EOC will be able to take over functions previously handled by the SEOC including:
  - Logistical activities to support church operations.
  - Logistical activities to support fire stations operations.
  - Coordinate Donations Management activities and draft donations management plan
  - Coordinate Volunteer Management activities
  - Identify local storage/staging facilities
  - Overall inventory tracking
  - Tracking of Points of Distribution (PODs)

Chris

---

INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

Update 1/8/16

SitRep 3 attached.

There is a significant difference in what is being presented by the media and what the local EOC is relaying to us at the SEOC. It is also being driven by the media that this is a state versus local response (who is providing more and quicker versus a coordinated effort between all). That said, I advised SEOC personnel that perception is reality in some eyes and we are to move forward to address items that typically are addressed at the local level. I have ordered the SEOC open all weekend due to make the quick wins that we need and continue to get the coordination and collaboration in place that is needed (but make gains on our own as needed).

#### Items to Note

- Two FEMA LNO’s arrived today and are in the SEOC. A third LNO was requested from FEMA due to some unique issues with this event to include having to deploy more or my staff to the local EOC to get more structure and/or find out why there is an issue with the message the media is showing versus what we are hearing from the local EOC.
- We finally received from the local EOC 8 locations (we were told originally early in the week they had 80-90) that are their Points of Distribution (PODs) for water in conjunction with the local food bank. The PODs are not getting water from the food bank even though the food bank has water. We are going to resolve this issue as we can help deliver the water to the PODs but we were not aware of this. 8 PODs is not enough locations if water needs to be distributed to citizens. Speaking with the ARC Regional Administrator later today, I believe ARC got water to those locations but I need to confirm that in the morning. The food bank reported they had 376 cases of water.
- We have learned that a low number of residents are testing their water when DEQ can test 400 kits per day. This is an added focus that we believe can be increased through dissemination of test kits with the filters and any water.
- I found out the Mayor was okay with using fire stations as distribution points for water, filters, and water test kits. While this did not come to me through the local EOC, I advised we needed to get water, filters, and test kits to

these locations for tomorrow. The distribution at 5 Flint Fire Department stations has been coordinated to be in place by 10:00 am tomorrow morning.

- DTMB has provided a truck and driver to pick up water test kits from DEQ lab in Lansing, water from the Food Bank and water filters and replacement cartridges from GCARD in Genesee County.
- 10 American Red Cross (ARC) volunteers will meet the DTMB truck at GCARD at 9:00 am to be provided information about filters. Instructions will be included in water test kits. They will then report to the 5 fire stations to assist in distribution of resources to the public and track addresses of same.
- Residents will be told where they can drop off their water test kits, or that they can return them to the fire station the next day. Coordination will occur on pick up of water test kits daily to be taken to the Flint City Hall, who will then delivery them to the DEQ testing lab.
- STILL FINALIZING - We have made available 2,000 Filters for distribution on Sunday as parishioners leave mass/services. This will be 200 filters for 10 churches in Flint. While this is a small number of churches, we do not want to waste an opportunity to hand out filters and this seems like a quick way to so. The filters will be put on the DTMB truck on Saturday for delivery to TBD locations for distribution. Logistics remain undetermined as I am still waiting on a list of the churches, pastors/reverends/hours or services/etc. The DTMB truck will be returning to Lansing approximately 11:00 a.m. so we need to finalize this quickly on Saturday. We may utilize ARC to assist with this.
- The Recovery branch is working with the JIC to develop a door hanger card. DTMB is working on the printing portion of the hanger card. Recovery will also be finalizing logistics over the weekend for neighborhood canvassing to occur early next week. 40 volunteers have signed up to attend training on Monday afternoon to complete this task. The mission will be to deliver water sample kits along with water filters/replacement cartridges, and water.
- It appears that 211 has become overloaded. DHHS is researching ways to increase capacity for calls.
- A Volunteer Management Coordinator is in the Genesee County EOC as of today.
- A Donations Management Coordinator has been requested and she will be in the Genesee County EOC Saturday.
- DHHS had a conference call with GM today; they indicated they can provide cash, and supplies, but primarily manpower. No commitments were made at this point. We inquired as to availability of warehouse space and trucks. It was left as GM being a major resource pool that we can tap into as we determine missions. Further conversations will occur, but primarily GM just wanted us to know they are there if needed.
- An additional EMHSD staff member was sent to the Genesee County EOC to act as Operations Section Chief and obtain awareness of the situation there.
- GIS staff met with various parts of Genesee County/Flint personnel to try to get a handle on data available.
- GIS continues to work with local GIS personnel with three GIS staff going to Flint today to work with them. GIS staff is working with U of M on how best to proceed with digitizing water lines for long term recovery.

Chris

---

#### UPDATE 1/7/16

A summary of some of today's SEOC activities is provided below. Attached is the following:

- Today's SitRep which contains more information than below.
- The resource request/task assignment sheet for your situational awareness. This is how locals request resources as well as how we track resources and any assignments and/or tasks that are to be completed.
- JIC Task Tracking – for your situational awareness on how we are tracking requests and assignments. Once someone is assigned a task or resource request it allows them to document what work has been or will be done as shown at the bottom of the document.

#### Items to note:

- I received a document this evening from Genesee County which appears to be damage assessment information. Analysis of this will occur tomorrow. It appears to be infrastructure and costs to fix it and no other impacts.
- I spoke with Jamie Curtis, Genesee County Commissioner, this evening. A very good relationship is in place with him, especially with our District Coordinator (DC). I also have our DC working on developing stronger relationships with the Mayor/Mayor's office.
- GIS staff continue to obtain data and work with County and City personnel to get a picture of where resources have been provided, need to be provided, as well as infrastructure locations (pipes) that could be affected.
- Personnel and agencies have been tasked with developing a plan to get people in the community to deliver information, hand out filters, etc. This would target those areas we are showing minimal or no filter distribution based on the data we are collecting. The plan is to get them in the field by Tuesday and the plan will be provided to me tomorrow.
- Filters can be obtained at the following locations:
  - Michigan Department of Health and Human Services office, 125 E. Union St., Flint, MI 48502
  - Michigan Department of Health and Human Services office, 4809 Clio Road, Flint, MI 48504
  - Genesee County Community Action Resource Department office, 2727 Lippincott, Flint, MI 48507
  - Genesee County Community Action Resource Department office, 601 N. Saginaw, Flint, MI 48502
- Conducted briefing with local EOC and county executive.
- Conducted briefing with state agencies (daily updates).
- Began work to schedule legislative/congressional conference calls. Tentatively scheduled for 2 p.m. Friday.
- JIC continued to develop messaging.
- Provided input to local EOC regarding best methods of identifying health and non-structural impacts for damage assessment process.
- Deployed two EMHSD/SEOC liaisons to assist the local EOC.
- Published the Incident Action Plan and continued assignment of objectives/tasks.
- FEMA Liaison Officers just arrived in Lansing to assist command and general staff.
- I spoke with Harvey a few times and he should have talking points later tonight or tomorrow a.m. for his use and also for others who may speak to media outside of state government who may benefit from our messaging.
- We held a media round table at 1 P.M. at the SEOC. Dr. Wells and I spoke and answered questions to numerous media outlets.
- Local agencies and NGOs continue to provide water and filters to citizens.
- The website, [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater), was update with information and links to assistance to include 211. Additional recommendations were provided to include information on the testing water in homes.

#### EMHSD GIS:

##### Accomplished Today:

- Reproduced Socio-Economic Status Map
- Reproduced Predicted Affected Populations Map
- Cleansed old data and reports for water filter distributions
- Created draft map of water filter distributions (Refinement needed before releasing final product)
- Scheduled on-site visit with Flint GIS Department and Genesee County GIS Department

- Formatted databases to host content
- Researched service line database creation and scheduled meeting with U of M Flint to discuss timelines and resource needs
- Generated water infrastructure map (does not include building service lines)

#### Tasks for Tomorrow:

- Meet with Flint City GIS
- Meet with Genesee County GIS
- Meet with U of M Flint GIS
- Finalize water filter distributions map
- Finalize plan for data distribution methods

Chris

---

#### UPDATE 1/6/16

A summary of today's SEOC activities is provided below. I tried to distill this as best I could but there has been a lot of activity and discussion to get an accurate assessment of the situation. Attached is the final draft of objectives and tactics for the operational period and agency situation report (SitRep) which has more SEOC agency information. I have implemented weekly operational periods.

Advise if you want anyone else copied or off this distribution.

#### **Daily Update**

- Set goals for SEOC and identified response/recovery emphasis
- Requested FEMA liaison officers (LNO) from FEMA Region V. Two LNOs will be on site by ~3 p.m. 1/7/16. Both are known contacts to me and some staff and one has worked extensively with me during the SE MI flooding in a command and control position. These personnel have been specifically tasked with this mission. **THEY ARE NOT HERE TO ASSIST WITH A PRESIDENTIAL DECLARATION REQUEST BUT TO ASSIST ME.**
- PIOs from multiple agencies were here and established the Joint Information Center (JIC). News released pushed out on this. I am very happy with the PIO work and movement toward coordinated messaging.
- Held briefing for State Agency Emergency Management Coordinators, which included presentations from DEQ and DHHS subject matter experts to ensure situational awareness and to develop a common operating picture.
  - I opened the briefing by identifying our initial goals, items to think about while subject matter experts were briefing us, and how we are to move forward, find quick wins, and regain trust.
  - **MDHHS – Elevated Blood Lead Levels**
    - Dr. Elizabeth Wells gave an in depth summary of lead poisoning and what has occurred in terms of health monitoring throughout the Flint crisis.
  - **MDEQ – Water Testing Protocols**
    - Mr. George Krisztian of MDEQ gave an in depth summary of the testing protocols and summary results that as they have developed throughout the emerging crisis.
- Developed Incident objectives, strategy and tactics (see attached)
- Identified SEOC and state agency staff positions
- Assigned work tasks for SEOC operation period from 0800 January 6, 2016 to 1700 January 8, 2016
- Reviewed planned actions, prepared final draft Incident Action Plan
- Made contact with the Genesee County Emergency Manager first thing in the morning and held a conference call mid-day to discuss roles. Daily 0830 command conference calls with local EOC command staff starts tomorrow. Tomorrows call will include the County Commissioner and the City Administrator (both invited). Topics include the incident action plan objectives and establishing better local coordination,

command and control to facilitate integration with the SEOC. The local EOC is not functioning as it needs to with personnel and local coordination and we are working on that issue.

- I will be in Flint tomorrow for a 2 p.m. media round table with local officials that was set up by the JIC.
- The attached initial objectives will be updated at least every operational period and as needed. I listed the objectives below but the tactics to accomplish them is in the attached if you want further information.
  1. Activate the State Recovery Task Force (SRTF).
  2. Establish and maintain coordination between the City of Flint, Genesee County, state and federal agencies, and appropriate medical experts.
  3. *Obtain and maintain situational awareness and common operating picture of all activities.*
  4. Establish SEOC operational period and hours of operations.
  5. Investigate and identify all available programs for assistance with direct or related impacts, including the federal Lead Pipe Replacement Program.
  6. Develop a comprehensive GIS strategy.
  7. Coordinate response and recovery activities with MIVOAD and identify potential mission areas.
  8. Establish and coordinate routine communication between SMEs and coordinate technical assistance among state agencies and to local agencies.
  9. Provide technical assistance to the local Damage Assessment process.
  10. Establish a Joint Information Center (JIC) and develop a public information strategy.
  11. *Monitor MI CIMS for resource requests and address as appropriate.*
  12. Establish and disseminate cost center information for the incident.
- Additional tasks include:
  - Determine what federal agencies are already involved and their status
  - Identify potential water supplies
  - Determine where affected homes are located, where filters/pitchers (and replacements) were installed/provided, and determine who needs filters, etc.
  - Determine how filter distribution is handled, and if it can be handled more efficiently and effectively
  - Determine what mechanisms are in place for nutrition supplementation

#### **EMHSD GIS Accomplishments:**

- Hosted a conference call to begin coordination with Flint City and Genesee County GIS departments and the SEOC
- Established a daily call with county and city GIS personnel to synchronize GIS efforts in support of the Flint water crisis at 8:30 A.M.
- Began consolidating local data from local GIS practitioners into a consolidated database, to include:
  - Water Pipeline Locations
  - Filter Distribution Locations
  - November 25, 2015 Water Monitoring Results (Partial, some data remains to be digitized)
  - Affected School Locations
  - Predictive analysis of blood lead levels for affected area
  - Updated Parcels
  - Demographics
  - Block Groups
- Produced a map for the filter distribution locations
- Began contacting specialists who developed historic maps depicting the Flint Water Crisis to obtain the data

**Sent:** Tuesday, January 05, 2016 6:13 PM  
**To:** Etue, Kriste (MSP); Gorski, Gary (MSP); Smith, Paul (GOV)  
**Cc:** Baird, Richard (GOV); Hollins, Harvey (GOV)  
**Subject:** RE: Update - Genesee County Declaration

I forgot to advise that we have asked key state agency PIOs to be in the SEOC for the briefing.

---

**From:** Kelenske, Chris (MSP)  
**Sent:** Tuesday, January 05, 2016 6:06 PM  
**To:** Etue, Kriste (MSP); Gorski, Gary (MSP); Smith, Paul (GOV)  
**Cc:** Baird, Richard (GOV); Hollins, Harvey (GOV)  
**Subject:** Update - Genesee County Declaration

Below are some key points for your situational awareness (FYSA) that have taken place or will take place within the next 15 hours.

- I was on the phone with Sean Kammer, Assistant to the Flint City Administrator, when the declaration hit the news so I advised him immediately. He was going to let the City Administrator know.
- I contacted MSP Lt. Roach, 3<sup>rd</sup> District Coordinator, who was at the Genesee County EOC and advised her to let the County EM know the declaration status.
- State Emergency Management Coordinators (SEMCs) were notified via our notification system with additional information in an email.
  - This included information on the SEOC activation and a 0900 briefing for SEMCs.
  - Some subject matter experts will provide us an update to establish a common operating picture.
- We have been in contact with FEMA Region V watch desk ... they will be on the call tomorrow and continue to monitor the situation.
- I have been in contact with the FEMA Region V Administrator to keep him updated.
- Operational period for the SEOC will be M-F, 0800 to 1700 at this time.
- Situation Reports (SitReps) will be provided in the evenings.
- An Incident Action Plan will be developed tomorrow.

Call me with any concerns or questions.

# Damage Assessment and Emergency Status Report

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

## Operational Period

Operational Period Begin: 01/13/2016 08:00:00  
Operational Period End: 01/15/2016 08:00:00  
Situation Report No. 10  
SEOC Status: Full  
SEOC Hours of Operation Begin: 01/15/2016 08:00:00  
SEOC Hours of Operation End: 01/15/2016 20:00:00

## Executive Summary

SEOC Update:

Accomplished today (January 15):

The SEOC continues to provide:

- Situational awareness.
- Common operating picture/objectives.
- Coordination with city/county.
- Potential coordination with federal agencies.
- Incident prioritization.
- Coordination of life/health safety measures.
- Provide resources.
- Public Information Control.
- Logistics
  - o Finishing work to consolidate GCCARD inventory into new warehouse.
  - o Ordered more filters for teams and PODs.
  - o Worked to refine triggers for warehouses and establish maximum POD inventory.
- JIC
  - o Developed talking points about Flint water situation.
  - o Developed talking points for Legislative and Congressional conference call.
  - o Developed a news release for dissemination of to date commodities distribution.
  - o Media monitoring brought up no misinformation.
- Recovery Branch
  - o Made significant progress today to improve strategy for tomorrow's deployment.
  - o Working with Wendy to make sure we have supplies for PODs and teams.
  - o Coordinated tracking numbers with GIS:

TOTAL 1/12/2016 1/13/2016 1/14/2016 1/15/2016

Occupied Homes 2098 242 492 716 648

Vacant Homes 1182 152 161 509 360

Unknown 1600 1145 455

Total Homes 4880 394 653 2370 1463

Total Resources Dispersed 5077

Future sample test site 135 28 34 52 21

## Planning Section

- o Lead morning and afternoon state agency conference call.
- o Coordinated logistics of resource tracking.
- o Developed projections based off of reporting and trend analysis.
- o Published Sit Rep # 10.
- o Participated in distribution process meetings.

## Operations Section

- o Fielded media questions from the JIC.
- o Ensured that PODs are stocked, making sure we have enough supplies for teams and PODs.
- o Lt. Governor Brian Calley visited the SEOC today to check in and see operation.
- o Working with Lt. Roach on the credentialing faith based organizations to make resource requests.
- o Worked with the DMVA to address resource and task requests.
- o 101 American Red Cross volunteers are active across operation today.

o Warehouse Numbers:

o GCCARD

- Replacement Cartridges.

- o 68,847

- Filters (faucet).

- o 17,391

- Filters (pitcher).

- o 4

- Water (cases).

- o 0

- Test Kits

- o 3,184

- o Clio St Warehouse

- Replacement Cartridges.

- o 14,000

- Filters (faucet)

- o 2,484

- Water (cases)

- o 4,000

- o Point of Distribution

- o Contacts

- 757

- o Filters (faucet)

- 470

- o Replacement Cartridges

- 127

- o Filters (pitcher)

- 22

- o Test kits

- 209

- Finance Section.

- o Submitted Projected Supplemental to Departmental Services Division to submit to the State Budget Office.

- o Continuing to track personnel resources located in the SEOC and local EOC for use in spend plan development.

- o Monitoring resource request board for costs incurred by state agencies for inclusion in spend plan.

- GIS Branch Updates.

- o Upgrade dashboards to include POD information Deployed tracking app for the PODS.

- o Generated route planning map and updated daily field team filter delivery map.

- o Updated GIS strategy for weekend work.

- o Prepare 30 additional pads for deployment the field

- o Provide training for new teams on mobile data collection application.

- o Provide household counts for filter distributions Strategy to integrate CSS into GIS team.

DTMB:

- Credentialing badges for Flint Water Resource Team workers have been developed.

- Deployed a dumpster to the Clio Rd warehouse for POD trash collection.

- Equipment for LARA school faucet replacement project will be delivered today.

DHHS-CH

- Working with GIS and CHECC to map individuals that are medically dependent.

- SAMSA is offering to open DBH hotline for Michigan residents.

- CHECC is operating a hotline for local HD through Monday.

DEQ

- 48,000 test kits have been distributed to the community.

- DEQ staff is monitoring the number of samples that have been tested.

- DEQ laboratory will remain open over the holiday weekend to process samples.

Local EOC Update:

- Coordinate supplies for Hot Shot distribution to partners and home bound individuals.

- Began coordination of key agencies regarding analysis of water sampling results and providing interpretable information to affected populations.

- Implemented water sample collection at Fire Station PODs.

- Developed situation report # 5.

### Incident Response/Recovery Priorities/Objectives

1. Ensure all households within impacted community have required resources.

2. Ensure accurate tracking and accounting of all commodities.

3. Improve and maintain public information strategy.

4. Develop a long term public health and services plan.

5. Ensure adequate staffing to support operational requirements.

6. Identify possible assistance programs.

7. Develop an approved GIS strategy.

8. Maintain coordination between partner agencies and organizations.

9. Enhance situational awareness and common operating picture of all activities.

10. Develop a comprehensive Recovery Plan.

### Emergency Declarations

Local Declarations

Jurisdiction(s): Date/Time:

Genesee County, Public Health Emergency, 10/01/2015

City of Flint, Declaration of State of Emergency, 12/15/2015  
 Genesee County, Declaration of State of Emergency, 01/04/2016  
 Genesee County, Request for Governor's Emergency/Disaster Declaration, 01/04/2016

##### Damage Assessment Summary

#### Agency Summaries

##### Joint Information Center / Public Information Officer

The Joint Information Center (JIC) was operational in Flint from 8 a.m. to 10 p.m. on Jan. 14. On Jan. 15, the JIC opened at 8 a.m. and anticipates operating until at least 7 p.m.

State agencies at the JIC included the Governor's Office, Departments of Health and Human Services, Agriculture and Rural

Development, and Technology and Management and Budget, Natural Resources, Environmental Quality, Licensing and Regulatory Affairs, Military and Veterans Affairs and Michigan State Police. The Genesee County Sheriff's Office was also present.

**Tasks accomplished:**

- Updated ongoing talking points about Flint water situation.
- Answered more than 10 media inquiries about topics ranging from the Governor's Flint visit to background information on the water response teams.
- Planned a 2 p.m. legislative and congressional conference call, including developing talking points.
- Monitored news media for misinformation and found none. Also monitored social media.
- Started drafting a news release about water response teams and items distributed to date.
- Continued establishing a staffing schedule through the week and into next week. The JIC will be open this weekend and on the Martin Luther King Jr. Day holiday.
- Continued to update [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater) to add new content and make enhancements to the site.
- Created a GovDelivery account for dissemination of JIC news releases and began writing procedures.
- Continued pagination, editing and final approvals of "Lead in Flint Water" MDHHS fact sheet.

**Agriculture and Rural Development (MDARD)**

Friday Jan 15th update: MDARD further developed plans for notification and water sampling at food facilities. 14 Food & Dairy staff will be trained on procedures to collect water samples and will be ready to schedule appointments to collect samples. Food & Dairy will also be contacting the food businesses in the highest impacted areas. Motor Fuel Quality/Weights & Measures will be conducting a blitz next week to personally notify every gas station of the new requirements and refer them to our 800 number to schedule an appointment.

**American Red Cross (ARC)**

The American Red Cross supplied reduced staffing at the fire station POD's today supporting what is now a National Guard mission.

The assembly of water test kits at ARC headquarters was put off until tomorrow when additional materials will be available.

We deployed and supported 5 teams for neighborhood canvassing (Water Response) in one of the city's quadrants today. We expect to have 10 teams deployed tomorrow.

We supplied coffee to accompany the lunches for GCEOC, JIC and the Water Response Teams. Tomorrow we will provide the lunches for the Water Resource Teams including coffee.

The volunteer reception center (VRC) was in full operation today. 7 event-based volunteers were processed today. The VRC will be in operation daily (including weekends) from 9am to 7pm.

We continued warehouse and inventory management efforts.

**AuxComm**

**Civil Rights (MDCR)**

Continue to review activities to provide support and assistance to assigned Human Services branch and other SEOC activities.

- \* Provided MSP-EOC\_MDSP public comments regarding force protection issue and user comments regarding filter flow-rates, medical conditions, and thoughts on SEOC efforts; received via colleague in Flint
- \* Uploaded catalogue of possible home school resource groups, lists and forums provided to MDE for identification of home schoolers
- \* Coordinated bulk-need for Fight Lead Poisoning with a Healthy Diet from EPA (Eng/Sp) available at <http://www.epa.gov/lead/fight-lead-poisoning-healthy-diet>. Community Health to coordinate an initial request for 100k copies (75k/25k) for coordinated distribution to Education (schools/daycare/academies), OSA (homebound/meals-on-wheels/VAAA), GCCH, DHHS offices, and area partner community centers.
- \* Pursued follow up on licensed swimming pool testing

**Community Health (MDCH)**

Coordinated with the Community Health Emergency Coordination Center (CHECC) on activities involving nutritional planning, gathering information on disaster behavioral health, drafting a timeline of Flint Water-related activities, financial tracking, health communications, and hotline activities. The CHECC was also asked to investigate an inquiry received in the SEOC from the LEOC regarding mobile lab operations. The lab was informed of the proper mechanism for integration into the existing structure from the response through the Local Health Department and the necessary registration and reporting requirements to the Childhood Lead Poisoning Prevention Program (CLPPP). This information was provided to Capt. Kelenske and the JIC.

Due to the LHD being closed for furlough, weekends, and holidays, the CHECC stood-up a hotline this morning and has already received a number of calls from the public. The hotline will be staffed from 8:00 AM - 5:00 PM through the weekend and on Monday, 1/18/16.

Nutritional planning is occurring through multi-agency coordination, facilitated by a lead identified in the CHECC. A new task for this project was assigned today for the development of a distribution strategy of lead and nutrition information materials. JIC approved for the EPA's "Fight Lead Poisoning with a Healthy Diet," pamphlet to be disseminated.

Communications continued with Substance Abuse and Mental Health Services Administration (SAMHSA) regarding the potential resources for Disaster Behavioral Health and the Disaster Distress Helpline.

**Corrections (MDOC)**

Brent Travelbee and Todd Bechler on duty at 1600 hours and attended the State Agency Briefing at the SEOC at 1600 hours on 1/15/2016. We have filled all requests for vehicles, personnel and warehouse equipment to assist with water distribution. MDOC Director Heidi Washington is providing full support to our assistance efforts. We will continue to staff the SEOC as a full-time

partner as we have assets deployed into the field. All resources are documented on the appropriate forms and shared with the SEOC staff. Additional resource requests are coming in frequently and we are working hard to locate the requested resources while still maintaining minimal local facility operational requirements from the providing facility.

The MDOC is dedicating a considerable amount of resources and staff to this effort. We are working closely with the Logistics Chief to locate needed resources and fulfill resource requests in a timely manner. All MDOC resources will be reporting tomorrow *Saturday January 16, 2016* as requested.

**MDOC RESOURCES PENDING DEPLOYMENT: Saturday, January 16, 2016**

#### Vehicles with Drivers

- (2) – 18' Box Trucks
- (3) – 20' Box Trucks
- (2) – 24' Box Trucks
- (1) – 30' Box Truck (Lift gate broken but truck still on site, DTMB repairing)

Box Trucks have power lift gates

- (1) – F250 Pick Up Quad Cab with Cap
- (1) – 5 Passenger Handicapped Capable Van
- (1) – 15 Passenger Van with 10' Enclosed Trailer
- (1) – Pick up Truck with 20' Enclosed Trailer

(4) – 10/15 Passenger Vans

(1) – 20 Person Shuttle Bus (Sent to Red Cross Volunteer Sight)

(1) – 53' Refrigerated Semi-Trailer

(4) – Pallet Jacks

(5) 6-10 Passenger Vans

All vehicles drivers have 800 MHz Radio Operability (G EVENT 9)

#### Staffing

There will be 22 staff members on site 21 drivers and an assistant for the Red Cross Transportation Van (w/trailer).

#### Education (MDE)

MDE has gathered information in coordination with CEPI and LARA on the number of students by location in schools and child care facilities. CEPI has provided staff numbers as well.

MDE is monitoring the situation and coordinating as necessary with other state agencies.

#### Environmental Quality (MDEQ)

The Department of Environmental Quality (DEQ) completed the following activities:

- Direction provided to MDARD for food establishment sample collection.
- Plumbing Investigation Team plan implementation project coordinator identified. Coordination with DLARA plumbing technicians to complete the mission as requested.
- Additional SEOC support staff participated to gain knowledge of ongoing activities and processes.
- Coordination with American Red Cross to establish warehouse space for test kit assembly.
- Water test kit procedures were updated and provided to the Recovery Branch.
- Coordinated laboratory data export for plotting in GIS.
- Calculation of demand and supply needs for test kits and established appropriate thresholds to maintain an adequate supply.

#### Human Services (MDHS)

On the Human Services side, two representatives worked the SEOC during our operation hours of 0800 to 2000 today.

Updated resource requests completed three for water filter devices today.

Participated in numerous briefs and conference calls, related to the response.

Genesee Co. MDHHS staff participated in the Flint Water Resource Teams again today.

Staying in communication with 211, addressing human service concerns and delivery of resources to the elderly and disabled. Review and provide regular 211 updates to SEOC Ops.

Continue to receive updated water filtration devices and assist in replenishment. 30,000 additional filters and replacement cartridges ordered today. Have made budget / finance aware.

Have obtained after hour contact information for MDHHS budget / finance staff in case of additional procurement needs over the weekend.

CHECC continues to maintain a Level 2 Activation

#### **Licensing and Regulatory Affairs (LARA)**

LARA Bureau of Construction Codes-Plumbing Division is scheduled to be at Freeman Elementary School on 1/16/16 to install the fixtures outlined in the Freeman pilot program.

LARA is currently working with DEQ to create a schedule for LARA's Plumbing Division to help DEQ with testing of additional schools in the Flint area.

LARA has provided MDE with information in regards to the total amount of children allowed at licensed child care facilities.

#### **Military and Veterans Affairs (DMVA)**

Last 24 hours:

Establish operations at 6 locations with a total of 34 Soldiers on SAD.

1 each at Genesee County EOC and JIC  
30 distributed across the 5 PODs.

Next 48 Hours:

Initiated call up of additional Soldiers to reach a total of 68.  
Staffing the process of delivering the water door to door.

Obie B. Yordy  
MAJ FA, USA

#### **National Weather Service (NWS)**

Jim Maczko from NWS Grand Rapids will participate in SEOC briefings via phone call and will coordinate support with local forecast office that serves Flint - NWS Detroit/Pontiac.

NWS support beyond this weekend being coordinated between NWS Grand Rapids and NWS Detroit. Hand off to NWS Detroit for morning conference call weather forecast before the end of January.

#### **Natural Resources (MDNR)**

MDNR is fully participating in all SEOC activities. Situational awareness is being maintained and the department stands ready to assist as needed.

Department POC's include:

Chief Gary Hagler, F/Lt. Jennifer Wolf, F/Lt. Steven B. Burton.

#### **Services to the Aging (OSA)**

Valley Area Agency on Aging - Region 5 (VAAA), in partnership with other local community agencies such as the Genesee County Health Department and MDHHS, has helped organize local meetings and distribute water and water filters. VAAA is an access point for receiving calls from homebound seniors who are not able to pick up water filters or need assistance installing water filters. VAAA reports they continue to receive calls from seniors who need assistance.

Contact info for VAAA Executive Director is:

Kathryn C. Boles  
President, CEO  
Valley Area Agency on Aging  
225 E. Fifth Street, Suite 200  
Flint, MI 48502  
(810) 239-7671  
(810) 239-8869 fax

VAAA has distributed 2 bottles of water with each home delivered meal to each HDM client within the City of Flint. Water. VAAA also provided water to homebound seniors who needed water to prepare food as they had limited support to pick up bottled water. Congregate meal participants also have access to water and filters as needed. Once water filters were installed, VAAA discontinued including water with home delivered meals.

VAAA also contacted the Grandparents Raising Grandchildren program to ensure that they were aware of educational efforts and confirm the program had received water filters to distribute to program participants.

On 1/11/16 AASA forwarded to MSP/GIS over 1,400+ NAPIS addresses of Flint seniors who received in-home services in FY15. The NAPIS file was sent encrypted and did not include client names. The NAPIS file included 1,029 HDM, 138 CM, and 30 CCS clients.

VAAA continues to operate as a call center and referral point for area seniors concerned about their drinking water. They've noticed this week that seniors who've had filters installed are beginning to request bottled water again.

AASA's State LTC Ombudsman has checked in with the local Ombudsman in Flint. Local Ombudsman reports Flint area nursing homes have been taking precautions using bottled water for cooking and drinking. The local Ombudsman remains concerned about Nursing Homes' long term need to replace old facility plumbing that may be leaching lead.

#### **State Police (MSP)**

Teams have been distributing water all day. 3226 homes have been visited today.

4 Gas cards provided by DTMB for rental vehicles being used in Water Response Teams. The cards are being delivered to F/Lt. Kish or Lt. Dehner by DEQ.

Worked with DTMB to restore iPads as they went down due to a software issue. This was being resolved by DTMB.

DTMB provided credit card information for the Survey Monkey tool so reports could be collected with all pertinent information. Instructions were drafted for IOD personnel to access Survey Monkey and obtain volunteer information.

ICS 208 created for 1/16/16-1/9/16 to include updated weather information provided by the National Weather Service.

We worked with the American Red Cross regarding the logistics for the Water Response Teams and distribution of water, filters, and test kits. The plan was discussed with the Local Water Response Team commander at 1700 and the operational plan was distributed to the commander at that time. The plan will be implemented over the weekend to try to streamline the actions of the Water Response Teams.

We have 70 state of Michigan employee volunteers scheduled for Saturday.

#### **Supreme Court**

08:50 - State Judiciary EMC John Ort reported to the SEOC regarding the Flint water emergency. Nothing to report from the Judiciary regarding the emergency. DEQ website resources shared with our State Court Administrative Office (attn: Region II) in case our Genesee County courts have any questions regarding the emergency.

#### **Technology, Management and Budget (MDTMB)**

Provided management with morning and afternoon briefing updates.

DTMB Mail Services has six drivers with trucks assisting in transporting supplies to support point of distribution centers and Flint Water Resource Teams. Drivers have agreed to work through the end of day Tuesday, January 19.

DTMB assisted in procuring 72 truck loads of water, 8 trucks per day until Wednesday, January 20.

60 tablets have been provided to the Flint Water Response Teams to record supplies being delivered in the field. Provided 300 credentialing badges for volunteers and 4 temporary fuel cards for the MSP officers driving rented U-Haul trucks. Warehouse space was procured for 80,000 square feet to hold water, water filters, cartridges and water test kits. Procured 500 rain ponchos for volunteers and a 40 yard dumpster for use at the warehouse. Providing printing needs for agencies for volunteers to distribute to city residents.

#### **Transportation (MDOT)**

MDOT continues to maintain situational awareness and respond to issues regarding equipment and road conditions.

 Incident Related Images

**Attachments:** SitRep 4 Flint Water.pdf; WallMap\_Flint\_Filters\_20160109 (1).pdf

### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

#### Update 1/9/16

SitRep 4 attached for more in depth information. The below only contains some items worked on today and while the format in the attached SitRep is not perfect (it is created automatically by MICIMS) it does contain a lot more information you may want to read. I also attached one of our maps. It is our filter distribution map. All filters handed out by anyone working with us feeds into this now. We are continuing to refine these and at this time there is a delay in the upload of address data but we are working on it. We have a ways to go to get filters in every home but this will help direct us to those who need still them. We also are working on identifying abandoned homes.

Key items for tomorrow to note are:

- 9 churches will have ARC volunteers and filters for distribution. Some may also get water.
- 5 fire stations are a distribution point for water, filter systems/replacement filters, and water test kits. While only open today until 4 p.m., tomorrow and until further notice they are open from 9a to 9p.
- Media event will take place on the above tomorrow.

#### Items to Note

- 211 has some issues with call load but it is being worked on. 2-1-1 Director contacted MDHHS PIO to discuss/resolve caller wait times and messaging. We anticipate an increase in activity tomorrow in 211 calls so we requested and received an increase to staff 211.
- We are shifting tasks the SEOC took on that are handled more effectively and efficiently at the local EOC. We have established command and control in their EOC. We are running things there but that is not being made public. We are doing this in partnership but we are clearly handling the operation with state personnel oversight.
- A 3rd FEMA LNO arrived today upon my request. This has nothing to do with a Presidential request for a declaration but support for some other items I want worked on for long term recovery.
- We continue morning calls with the local EOC leadership and local emergency manager on what our goals for the day are as well as any issues/concerns.
- Five 5 fire stations have received water, water filters, replacement cartridges, and water testing kits with American Red Cross personnel at each location to assist with delivery of resources and collection of addresses receiving them. These locations will be open from 9a – 9p daily until determined they are no longer needed. Those picking up water testing kits will be advised that they can return the test kits to the fire departments (where they will be picked up and taken to the Flint City Hall), the Flint Water Treatment Plant, or they can take them directly to the Flint City Hall. For those unable to return the kits, 211 can make arrangements for pick up the kits. We understand response to these sites has been positive thus far. The Genesee County EOC will be monitoring these supplies and request replacement of products as needed.

- A call is going out tomorrow morning to advise this information ... I do not believe it was every resident but Tori Sachs has that info if needed.
- I approved a press release today to advise the public that all levels are working together to ensure delivery of filters, test kits and water; noting that all of these items were delivered to the 5 Flint fire department stations. It was stressed that the public should be aware that the local and state agencies have been working cooperatively to assist the residents - and will continue to do so. This was done to hopefully end or at least minimize the "who can get water and filters out first" when all of this has been connected with the state and coordinated since the state declaration was put in place.
- The arrangement of 2,000 filters, to be taken to 9 local churches on Sunday, January 10, is ongoing. The filters have been secured; they are now in the possession of the DTMB. DTMB will return to Flint on Sunday morning to deliver these to necessary locations. The American Red Cross will be on site at each church to assist with distribution and recording addresses (for GIS). The local EOC is working to ensure these arrangements are complete and run smoothly. Future engagement with the faith based community will occur to assist with additional distribution.
- A Flint City liaison has not been in the EOC but starting Monday this will be in place to keep the Flint Mayor appraised of activities being conducted in the city. She also has been advised she can call me at any time if she needs anything.
- Training has been confirmed for the door-to-door operation scheduled to start Tuesday. Four teams are initially scheduled with more to potentially be put in place. These are the teams that will be handing out water, filter systems/replacement filters, test kits and information. If nobody is home, a door hanger with information is being left. DHHS personnel and one MSP trooper will be on these teams.
  - Training will take place at 1 p.m. on Monday afternoon at the DHHS office on Clio Road. DEQ and DHHS will provide the training.
    - Training is so those going door to door can explain what the filters do, how to install them, if they need install help to call 211 who has a list of people who can install the filters, and answer any other questions versus just handing them the filter.
  - Hours of operation will be Tuesday through Friday from 8:30 a.m. to 5 p.m. AT THIS TIME. I am reevaluating these times to increase contact with someone versus just leaving information.
  - Logistics are being finalized for the teams and trucks to handle stocking and re-stocking of materials during daily operations.
  - GIS maps will provide guidance on deployment locations for these teams and other teams in the field.
- A pilot project at Freeman Elementary with LARA and DEQ has been initiated to see if replacing certain plumbing components in faucets at the school will drop the lead level.

#### MSP/EMHSD GIS Section Updates

##### Accomplished Today (January 9):

- Produced a Point of Distribution Map. Contains four types of distribution points; Churches, Water Resource Sites, Filter Distribution Sites, Water Distribution Sites.
- Produced Filter Distribution Map.
- Developed process of how best to handle geocoding the household filter locations, worked on processing the data.
- Worked on map of franchise customers outside of Flint City.
- Produced maps for MDARD on food establishments and Local Health Departments.
- Produced map of Church Filter Distribution map for DTMB.

#### Local Emergency Operations Center

- The state has deployed 10 personnel to the Genesee County EOC to ensure we have command and control at the local level. On 1/8/15 The state personnel took over the incident management functions of the Genesee County EOC (not public). The arrival of additional staff allowed the local Emergency Management Coordinator to delegate tasks which relieved a tremendous amount of stress.

- Additional Sheriff staff , will be shadowing the state incident management team to allow for transition to the county personnel later in the incident when we are comfortable with them handling things. Not sure when that will be but we have secured a direct bill hotel for staff to stay in Flint as long as needed.
- With the additional staff, the Local EOC will be able to take over functions previously handled by the SEOC including:
  - Logistical activities to support church operations.
  - Logistical activities to support fire stations operations.
  - Coordinate Donations Management activities and draft donations management plan
  - Coordinate Volunteer Management activities
  - Identify local storage/staging facilities
  - Overall inventory tracking
  - Tracking of Points of Distribution (PODs)

Chris

---

## INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

Update 1/8/16

SitRep 3 attached.

There is a significant difference in what is being presented by the media and what the local EOC is relaying to us at the SEOC. It is also being driven by the media that this is a state versus local response (who is providing more and quicker versus a coordinated effort between all). That said, I advised SEOC personnel that perception is reality in some eyes and we are to move forward to address items that typically are addressed at the local level. I have ordered the SEOC open all weekend due to make the quick wins that we need and continue to get the coordination and collaboration in place that is needed (but make gains on our own as needed).

### Items to Note

- Two FEMA LNO's arrived today and are in the SEOC. A third LNO was requested from FEMA due to some unique issues with this event to include having to deploy more of my staff to the local EOC to get more structure and/or find out why there is an issue with the message the media is showing versus what we are hearing from the local EOC.
- We finally received from the local EOC 8 locations (we were told originally early in the week they had 80-90) that are their Points of Distribution (PODs) for water in conjunction with the local food bank. The PODs are not getting water from the food bank even though the food bank has water. We are going to resolve this issue as we can help deliver the water to the PODs but we were not aware of this. 8 PODs is not enough locations if water needs to be distributed to citizens. Speaking with the ARC Regional Administrator later today, I believe ARC got water to those locations but I need to confirm that in the morning. The food bank reported they had 376 cases of water.
- We have learned that a low number of residents are testing their water when DEQ can test 400 kits per day. This is an added focus that we believe can be increased through dissemination of test kits with the filters and any water.
- I found out the Mayor was okay with using fire stations as distribution points for water, filters, and water test kits. While this did not come to me through the local EOC, I advised we needed to get water, filters, and test kits to these locations for tomorrow. The distribution at 5 Flint Fire Department stations has been coordinated to be in place by 10:00 am tomorrow morning.
  - DTMB has provided a truck and driver to pick up water test kits from DEQ lab in Lansing, water from the Food Bank and water filters and replacement cartridges from GCARD in Genesee County.

- 10 American Red Cross (ARC) volunteers will meet the DTMB truck at GCARD at 9:00 am to be provided information about filters. Instructions will be included in water test kits. They will then report to the 5 fire stations to assist in distribution of resources to the public and track addresses of same.
- Residents will be told where they can drop off their water test kits, or that they can return them to the fire station the next day. Coordination will occur on pick up of water test kits daily to be taken to the Flint City Hall, who will then delivery them to the DEQ testing lab.
- STILL FINALIZING - We have made available 2,000 Filters for distribution on Sunday as parishioners leave mass/services. This will be 200 filters for 10 churches in Flint. While this is a small number of churches, we do not want to waste an opportunity to hand out filters and this seems like a quick way to so. The filters will be put on the DTMB truck on Saturday for delivery to TBD locations for distribution. Logistics remain undetermined as I am still waiting on a list of the churches, pastors/reverends/hours or services/etc. The DTMB truck will be returning to Lansing approximately 11:00 a.m. so we need to finalize this quickly on Saturday. We may utilize ARC to assist with this.
- The Recovery branch is working with the JIC to develop a door hanger card. DTMB is working on the printing portion of the hanger card. Recovery will also be finalizing logistics over the weekend for neighborhood canvassing to occur early next week. 40 volunteers have signed up to attend training on Monday afternoon to complete this task. The mission will be to deliver water sample kits along with water filters/replacement cartridges, and water.
- It appears that 211 has become overloaded. DHHS is researching ways to increase capacity for calls.
- A Volunteer Management Coordinator is in the Genesee County EOC as of today.
- A Donations Management Coordinator has been requested and she will be in the Genesee County EOC Saturday.
- DHHS had a conference call with GM today; they indicated they can provide cash, and supplies, but primarily manpower. No commitments were made at this point. We inquired as to availability of warehouse space and trucks. It was left as GM being a major resource pool that we can tap into as we determine missions. Further conversations will occur, but primarily GM just wanted us to know they are there if needed.
- An additional EMHSD staff member was sent to the Genesee County EOC to act as Operations Section Chief and obtain awareness of the situation there.
- GIS staff met with various parts of Genesee County/Flint personnel to try to get a handle on data available.
- GIS continues to work with local GIS personnel with three GIS staff going to Flint today to work with them. GIS staff is working with U of M on how best to proceed with digitizing water lines for long term recovery.

Chris

---

#### UPDATE 1/7/16

A summary of some of today's SEOC activities is provided below. Attached is the following:

- Today's SitRep which contains more information than below.
- The resource request/task assignment sheet for your situational awareness. This is how locals request resources as well as how we track resources and any assignments and/or tasks that are to be completed.

- JIC Task Tracking – for your situational awareness on how we are tracking requests and assignments. Once someone is assigned a task or resource request it allows them to document what work has been or will be done as shown at the bottom of the document.

#### Items to note:

- I received a document this evening from Genesee County which appears to be damage assessment information. Analysis of this will occur tomorrow. It appears to be infrastructure and costs to fix it and no other impacts.
- I spoke with Jamie Curtis, Genesee County Commissioner, this evening. A very good relationship is in place with him, especially with our District Coordinator (DC). I also have our DC working on developing stronger relationships with the Mayor/Mayor's office.
- GIS staff continue to obtain data and work with County and City personnel to get a picture of where resources have been provided, need to be provided, as well as infrastructure locations (pipes) that could be affected.
- Personnel and agencies have been tasked with developing a plan to get people in the community to deliver information, hand out filters, etc. This would target those areas we are showing minimal or no filter distribution based on the data we are collecting. The plan is to get them in the field by Tuesday and the plan will be provided to me tomorrow.
- Filters can be obtained at the following locations:
  - Michigan Department of Health and Human Services office, 125 E. Union St., Flint, MI 48502
  - Michigan Department of Health and Human Services office, 4809 Clio Road, Flint, MI 48504
  - Genesee County Community Action Resource Department office, 2727 Lippincott, Flint, MI 48507
  - Genesee County Community Action Resource Department office, 601 N. Saginaw, Flint, MI 48502
- Conducted briefing with local EOC and county executive.
- Conducted briefing with state agencies (daily updates).
- Began work to schedule legislative/congressional conference calls. Tentatively scheduled for 2 p.m. Friday.
- JIC continued to develop messaging.
- Provided input to local EOC regarding best methods of identifying health and non-structural impacts for damage assessment process.
- Deployed two EMHSD/SEOC liaisons to assist the local EOC.
- *Published the Incident Action Plan and continued assignment of objectives/tasks.*
- FEMA Liaison Officers just arrived in Lansing to assist command and general staff.
- I spoke with Harvey a few times and he should have talking points later tonight or tomorrow a.m. for his use and also for others who may speak to media outside of state government who may benefit from our messaging.
- We held a media round table at 1 P.M. at the SEOC. Dr. Wells and I spoke and answered questions to numerous media outlets.
- Local agencies and NGOs continue to provide water and filters to citizens.
- The website, [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater), was update with information and links to assistance to include 211. Additional recommendations were provided to include information on the testing water in homes.

#### EMHSD GIS:

##### Accomplished Today:

- Reproduced Socio-Economic Status Map
- Reproduced Predicted Affected Populations Map
- Cleansed old data and reports for water filter distributions
- Created draft map of water filter distributions (Refinement needed before releasing final product)
- Scheduled on-site visit with Flint GIS Department and Genesee County GIS Department
- Formatted databases to host content
- Researched service line database creation and scheduled meeting with U of M Flint to discuss timelines and resource needs
- Generated water infrastructure map (does not include building service lines)

#### Tasks for Tomorrow:

- Meet with Flint City GIS
- Meet with Genesee County GIS
- Meet with U of M Flint GIS
- Finalize water filter distributions map
- Finalize plan for data distribution methods

Chris

---

#### UPDATE 1/6/16

A summary of today's SEOC activities is provided below. I tried to distill this as best I could but there has been a lot of activity and discussion to get an accurate assessment of the situation. Attached is the final draft of objectives and tactics for the operational period and agency situation report (SitRep) which has more SEOC agency information. I have implemented weekly operational periods.

Advise if you want anyone else copied or off this distribution.

#### Daily Update

- Set goals for SEOC and identified response/recovery emphasis
- Requested FEMA liaison officers (LNO) from FEMA Region V. Two LNOs will be on site by ~3 p.m. 1/7/16. Both are known contacts to me and some staff and one has worked extensively with me during the SE MI flooding in a command and control position. These personnel have been specifically tasked with this mission. **THEY ARE NOT HERE TO ASSIST WITH A PRESIDENTIAL DECLARATION REQUEST BUT TO ASSIST ME.**
- PIOs from multiple agencies were here and established the Joint Information Center (JIC). News released pushed out on this. I am very happy with the PIO work and movement toward coordinated messaging.
- Held briefing for State Agency Emergency Management Coordinators, which included presentations from DEQ and DHHS subject matter experts to ensure situational awareness and to develop a common operating picture.
  - I opened the briefing by identifying our initial goals, items to think about while subject matter experts were briefing us, and how we are to move forward, find quick wins, and regain trust.
  - MDHHS – Elevated Blood Lead Levels
    - Dr. Elizabeth Wells gave an in depth summary of lead poisoning and what has occurred in terms of health monitoring throughout the Flint crisis.
  - MDEQ – Water Testing Protocols
    - Mr. George Krisztian of MDEQ gave an in depth summary of the testing protocols and summary results that as they have developed throughout the emerging crisis.
- Developed Incident objectives, strategy and tactics (see attached)
- Identified SEOC and state agency staff positions
- Assigned work tasks for SEOC operation period from 0800 January 6, 2016 to 1700 January 8, 2016
- Reviewed planned actions, prepared final draft Incident Action Plan
- Made contact with the Genesee County Emergency Manager first thing in the morning and held a conference call mid-day to discuss roles. Daily 0830 command conference calls with local EOC command staff starts tomorrow. Tomorrows call will include the County Commissioner and the City Administrator (both invited). Topics include the incident action plan objectives and establishing better local coordination, command and control to facilitate integration with the SEOC. The local EOC is not functioning as it needs to with personnel and local coordination and we are working on that issue.
- I will be in Flint tomorrow for a 2 p.m. media round table with local officials that was set up by the JIC.

- The attached initial objectives will be updated at least every operational period and as needed. I listed the objectives below but the tactics to accomplish them is in the attached if you want further information.
  1. Activate the State Recovery Task Force (SRTF).
  2. Establish and maintain coordination between the City of Flint, Genesee County, state and federal agencies, and appropriate medical experts.
  3. Obtain and maintain situational awareness and common operating picture of all activities.
  4. Establish SEOC operational period and hours of operations.
  5. Investigate and identify all available programs for assistance with direct or related impacts, including the federal Lead Pipe Replacement Program.
  6. Develop a comprehensive GIS strategy.
  7. Coordinate response and recovery activities with MIVOAD and identify potential mission areas.
  8. Establish and coordinate routine communication between SMEs and coordinate technical assistance among state agencies and to local agencies.
  9. Provide technical assistance to the local Damage Assessment process.
  10. Establish a Joint Information Center (JIC) and develop a public information strategy.
  11. Monitor MI CIMS for resource requests and address as appropriate.
  12. Establish and disseminate cost center information for the incident.
- Additional tasks include:
  - Determine what federal agencies are already involved and their status
  - Identify potential water supplies
  - Determine where affected homes are located, where filters/pitchers (and replacements) were installed/provided, and determine who needs filters, etc.
  - Determine how filter distribution is handled, and if it can be handled more efficiently and effectively
  - Determine what mechanisms are in place for nutrition supplementation

#### EMHSD GIS Accomplishments:

- Hosted a conference call to begin coordination with Flint City and Genesee County GIS departments and the SEOC
- Established a daily call with county and city GIS personnel to synchronize GIS efforts in support of the Flint water crisis at 8:30 A.M.
- Began consolidating local data from local GIS practitioners into a consolidated database, to include:
  - Water Pipeline Locations
  - Filter Distribution Locations
  - November 25, 2015 Water Monitoring Results (Partial, some data remains to be digitized)
  - Affected School Locations
  - Predictive analysis of blood lead levels for affected area
  - Updated Parcels
  - Demographics
  - Block Groups
- Produced a map for the filter distribution locations
- Began contacting specialists who developed historic maps depicting the Flint Water Crisis to obtain the data

**From:** Kelenske, Chris (MSP)  
**Sent:** Tuesday, January 05, 2016 6:13 PM  
**To:** Etue, Kriste (MSP); Gorski, Gary (MSP); Smith, Paul (GOV)  
**Cc:** Baird, Richard (GOV); Hollins, Harvey (GOV)  
**Subject:** RE: Update - Genesee County Declaration

I forgot to advise that we have asked key state agency PIOs to be in the SEOC for the briefing.

---

**From:** Kelenske, Chris (MSP)  
**Sent:** Tuesday, January 05, 2016 6:06 PM  
**To:** Etue, Kriste (MSP); Gorski, Gary (MSP); Smith, Paul (GOV)  
**Cc:** Baird, Richard (GOV); Hollins, Harvey (GOV)  
**Subject:** Update - Genesee County Declaration

Below are some key points for your situational awareness (FYSA) that have taken place or will take place within the next 15 hours.

- I was on the phone with Sean Kammer, Assistant to the Flint City Administrator, when the declaration hit the news so I advised him immediately. He was going to let the City Administrator know.
- I contacted MSP Lt. Roach, 3<sup>rd</sup> District Coordinator, who was at the Genesee County EOC and advised her to let the County EM know the declaration status.
- State Emergency Management Coordinators (SEMCs) were notified via our notification system with additional information in an email.
  - This included information on the SEOC activation and a 0900 briefing for SEMCs.
  - Some subject matter experts will provide us an update to establish a common operating picture.
- *We have been in contact with FEMA Region V watch desk ... they will be on the call tomorrow and continue to monitor the situation.*
- I have been in contact with the FEMA Region V Administrator to keep him updated.
- Operational period for the SEOC will be M-F, 0800 to 1700 at this time.
- Situation Reports (SitReps) will be provided in the evenings.
- An Incident Action Plan will be developed tomorrow.

Call me with any concerns or questions.

Chris

# Damage Assessment and Emergency Status Report

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

## Operational Period

Operational Period Begin: 01/11/2016 08:00:00  
Operational Period End: 01/12/2016 17:00:00  
Situation Report No. 4  
SEOC Status: Full  
SEOC Hours of Operation Begin: 01/09/2016 08:00:00  
SEOC Hours of Operation End: 01/09/2016 17:00:00

## Executive Summary

By early May 2014, the City of Flint switched from the Detroit Water and Sewerage Department (DWSD) to water from its own water treatment plant drawn from the Flint River as its primary water source. The different characteristics of the water resulted in leaching of lead from lead pipes in the city's water infrastructure into the water supply. Increased exposure to lead can cause immediate negative health effects. However, the main health concerns are long-term effects in children such as developmental and cognitive delays, and behavioral disorders. Increased water lead levels and elevated blood lead levels in young children were observed in the City of Flint and confirmed by the State Chief Medical Officer.

On October 1, 2015 the Genesee County Health Department declared a Public Health Emergency due to the elevated blood lead levels in citizens. In response to this the City of Flint declared a local State of Emergency on December 15, 2015 and activated their Emergency Operations Center.

To mitigate the effects of the new source of water on the infrastructure in the City of Flint, the city switched back to DWSD water on October 16, 2015. Funding to reconnect to DWSD was provided from the City of Flint, the Charles Stewart Mott Foundation, and the State of Michigan. Water is now treated with a supplemental phosphate addition to rebuild the protective layer in the distribution system and reduce the leaching of lead into the water supply.

For the mitigation of potential health effects, over 24,000 water filters and replacement cartridges have been distributed to residents in the City of Flint. Approximately 13,000 water filters, water pitchers and replacement cartridges were distributed by the Michigan Department of Health and Human Services (MDHHS) in the timeframe of October 1 to December 31, 2015 alone.

MDHHS has increased surveillance of blood lead levels in children and is addressing water issues in environmental investigations to identify lead sources in the environment of affected children and provide health education and information to residents, health care providers, and daycare/educational institutions.

Local nonprofit organizations have provided potable water to Flint residents. MSP/EMHSD GIS staff is supporting county and local GIS staff by consolidating data from local sources into comprehensive databases and providing mapping services to support incident analysis and forecasting. Data and maps regarding the location of water pipes, affected schools, filter distribution locations, water monitoring results, and predictive blood lead levels for affected areas will be made available with demographics.

Before December 16, 2015, \$9.35 million was provided by the State of Michigan and \$6 million by local agencies and nonprofit partners to manage the effects of the corroded pipes. While the source water has been switched back to DWSD, water in the City of Flint is still not safe to drink, unless specifically filtered.

On January 5, 2016, Governor Snyder declared a State of Emergency for the City of Flint and Genesee County. Genesee County requested the Governor's declaration on January 5, 2016, following the declaration of a State of Emergency in the county in response to the presence of lead in the public water supply and the detection of elevated blood lead levels exceeding governmental standards.

Since the declaration by the Governor on January 5th, the State Emergency Operations Center (SEOC) has been fully activated and working with local and state agencies to ensure a coordinated response to the incident. Since the activation, the SEOC has activated command staff, state agency EMC's, and implemented the Recovery Branch under the Operations Section.

### SEOC Update:

Accomplished today (January 9):

#### • Logistics

- o Worked with Red Cross to recruit volunteers at churches (obtained 2 per site).
- o Obtained church addresses and passed them on to the county, DTMB, DHHS and GIS.
- o Address cards have been developed and distributed to Flint Fire Department for tracking. Information from the address card is continuously being entered by MDHHS employee. Updates will be sent to SEOC Human Services POC throughout the day.
- o Logistics is working with DTMB to get the door-to-door flyers printed. Once these are done, will work on getting those to Flint and distributed to teams.
- o Printed cards for churches were provided to the DTMB drivers to deliver with the materials to each church on Sunday.
- o Assigned various requests: supply truck to follow teams, trucks to transport teams and materials, security officer for EOC and for each team, long and short term storage options, plan for individuals not able to drive to return test kits, determine locations in Flint that already have large surplus of water on hand and have them deliver to food bank for distribution, identify method for getting address cards back from churches to EOC, and individuals at storage sites to serve as warehouse managers.
- o Need to update POD boards from the local EOC, any resources should be requested from the SEOC.
- o Set up direct bill at hotel in local area.
- o Make sure information is being entered into MI CIMS.
- o Reiterate to continue to request resources in MI CIMS.

#### • JIC

- o Developed a door hanger with state agency PIO's and DHHS SME's for canvassing.
- o Developed a single page sheet similar to the website for distribution.

- o Released a press release today at 1pm establishing location of water resource sites.
- o Tentative media briefing tomorrow at 2pm at Flint fire station.
- o Trevor Hawks is working with the JIC on the door hanger.

#### • Recovery Branch

- o Currently working on the overall plan for the door-to-door operations.
- o Training has been confirmed for Monday to train teams deploying for the door-to-door operations scheduled to start Tuesday.
- o Training will take place at 1 p.m. on Monday afternoon at the DHHS office on Clio Road. DEQ and DHHS will provide the training.
- o Recovery Team hours of operation will be Tuesday through Friday from 8:30 a.m. to 5 p.m.
- o Logistics are being worked out for the teams and trucks to handle stocking and re-stocking of materials during daily operations.
- o Will begin working with the local EOC first thing tomorrow to determine the areas of Flint to focus our efforts and work out the remaining details.

#### • Planning Section

- o Objectives have been updated and SitRep will be distributed today.
- o Facilitated three SEOC agency and local EOC briefs.
- o Worked with FEMA LNOs on planning cycle and draft objectives.
- o Completed Sit Rep and draft IAP and summary bullets for command.
- o Completed draft ICS forms for branch chiefs to use to track tasks.

#### • Operations Section

- o A third FEMA LNO arrived today to provide technical assistance.
- o A 10:45 conference call was held with the Genesee County EOC, specifically state personnel, to discuss processes for the upcoming days.
- o At this time, all 5 fire stations have received water, water filters, replacement cartridges and water testing kits with American Red Cross at each location to assist with delivery of resources and collection of addresses receiving them (data collection cards delivered by F/Lt. Gabe Covey).
- o The arrangement of 2,000 filters, to be taken to 9 local churches on Sunday, January 10, is ongoing. Working on outreach for 1 additional church.
- o A 3:30 briefing was conducted in the SEOC to provide status updates.
- o As we advised you at 3:50, the County EOC has no support from the City of Flint. For smooth operations and the ability to serve the residents of Flint, a liaison is necessary in the EOC. This is also important to keep the Flint Mayor apprised of activities being conducted in the city.

#### • Finance Section

- o Continuing to track personnel resources located in the SEOC and local EOC for use in spend plan development;
- o Located hotel in the Flint area for staff on travel status to stay and have bill send directly to SEOC.
- o Holiday Inn – Flint  
5353 Gateway Centre Drive  
Flint, MI  
810-232-5300
- o Contact Finance Group Chief or appropriate State EM to set up initial stay and billing information.
- o Monitoring resource request board for costs incurred by state agencies for inclusion in spend plan.

The SEOC continues to provide:

- Situational awareness.
- Common operating picture/objectives.
- Coordination with city/county.
- Potential coordination with federal agencies.
- Incident prioritization.
- Coordination of life/health safety measures.
- Provide resources.
- Public Information Control.

#### MSP/EMHSD GIS Section Updates

Accomplished Today (January 9):

- Produced a Point of Distribution Map. Contains four types of distribution points; Churches, Water Resource Sites (Fire Departments), Filter Distribution Sites, Water Distribution Sites.
- Produced Filter Distribution Map.
- Developed process of how best to handle geocoding the household filter locations, worked on processing the data.
- MI CIMS password resets.
- Worked on map of franchise customers outside of Flint.
- Produced maps for MDARD on food establishments and Local Health Departments.
- Produced map of Church Filter Distribution map for DTMB.

Tasks for Tomorrow (January 10):

- Update Distribution Map with new information.
- Update Filter Distribution map by Household.
- Complete Franchise Customers outside of Flint by zip code.
- Discuss a time to meet with U of M.
- Finalize plan for data distribution methods.

DTMB:

- Reached out to local EOC to find out what space is available for large media briefings.
- DTMB has truck and driver scheduled to pick up water kits on Monday at noon from the State Lab.
- Scheduled two drivers to assist in the delivery of water filters to churches on Sunday morning.
- Reached out to DTMB Real Estate for additional information on the warehouse facility.

DHHS-CH

- 2-1-1 Director successfully contacted. Has been put in contact with MDHHS PIO to discuss/resolve caller wait times and messaging.
- Spoke to Genesee County Emergency Preparedness Coordinator for situational awareness. Reiterated the importance of messaging at this time, from the calls that the LHD has received from the public regarding ongoing water and filter distribution.
- Had conversation with donation management coordinator for local EOC. They will be in route to local EOC, estimated arrival 3:00PM. They will check in with local logistics.

#### DEQ

- IMT will be arrived at EOC today.
- DEQ Laboratory personnel will coordinate with LARA on the Freeman Elementary faucet replacement plan.
- The lab will have 1000 narrow mouth bottles ready for pick up by Noon on Monday (1/11). Coordinating with DTMB and Recovery on pickup, delivery and staging area.
- LARA will need to coordinate the school testing and Freeman Installation/Testing with DEQ Steve Busch 517-643-2314, buschs@michigan.gov and George Krisztian.
- Briefing provided to Chief Hagler days operations.

#### Local EOC Update:

- Identified resources needed/available to distribute to churches tomorrow, working with logistics at local level. Find GCCARD resource status level- Ops cleared up that the resources have been picked up by DTMB truck for tomorrow; SEOC logistics need locations where to take them. District Coordinator and DTMB will coordinate with driver for church drop locations and times.
- 9 churches have been identified at this time; currently the SEOC is still planning to have 10 locations. The last church will be identified by the SEOC.
- Red Cross volunteers will be utilized for church distribution as needed.
- Sheriff teams are established and working to canvas neighborhoods. The local EOC is working to establish a neighborhood priority for to ensure the recovery teams are not over lapping what the Sheriff teams have completed. POC from Sheriff is currently at the EOC. They will be updating activity log, updating data for GIS to develop a community grid and color coating the maps.
- EOC is working to ensure the consistency of forms the current teams are using and what teams will be using on Tuesday.
- EOC is initiating the process for volunteers and donations management, the local level is requesting further direction from the state on this process.
- SEOC DHHS Human Services staff had a conference call with local donations management and volunteer management POCs; they will be meeting Tuesday will local resources to develop understanding of what community groups are currently doing.
- United Way with support to help in the donations management process. Request by state staff in local EOC to have both individuals (donations and volunteer management staff) in the local EOC until sites are set up.
- Continue to ensure the local level is coordinating with the SEMC. Any information request coming from the SEOC to local level is per Capt./Executive Office.
- Identified a back log on updating who has received a kit in database. Per DHHS, local health department has been updating information when received.
- Donations Management to draft idea of plan (currently onsite), hopefully to have a plan today.
- DC working with ARC on the church drop off plans tomorrow. Working to have Red Cross in place prior to drop off.
- Have a request for water drop off at the churches as well. Do have access to water at Flint schools if the schedule drop off does not arrive.
- Working on the logistics plan in at the local level.
- Reception at the fire stations has been great, working on finalizing a logistics plan to do resupply if resources are depleted midday.

#### Request/Task Assignment Definitions

- Assigned: Currently waiting for review by Logistics Group Chief and designation to appropriate agency.
- Cancelled: Item or task is no longer requested.
- Complete: Resource or task assignment has been fulfilled.
- In Progress: Being reviewed by appropriate agency.
- Mobilized: Resource is currently being delivered to local area.
- Need Additional Information: Agency is working with requestor to obtain further information on task or resource.
- On-Scene: Resource is currently on site for use/distribution.

#### Resource Requests

- Assigned: No current outstanding assessments
- In progress: 12
  - Additional water filter resources (7 requests total)
    - 30,000 additional filters
    - 20,000 bottles of water
  - Long term storage
  - Truck transport
  - Environmental Testing and Consulting (ETC) Lead Investigator
  - Data Collection Cards
  - MDARD sampling kits- 500 requested
- Cancelled: None
- Complete: 4
  - JIC Set Up
  - 1,000 Water Filters/Cartridges
  - Water supply at Fire Department
  - Water Filters for Churches
- On-Scene: 4
  - Genesee County Section Chief
  - Genesee County IMT Coordinator
  - Genesee County Planning Section Chief
  - Genesee County Logistic Section Chief
- Need Additional Information: 1
  - Water testing kit staging for 3,000 kits

#### Task Assignments

- Assigned: 2
  - Establish and coordinate routine communication between SMEs and coordinate technical assistance among state agencies and to local agencies.

- o Activate JIC plans
- Cancelled- 2
- o Activate the State Recovery Task Force (2 requests)
- Complete- 10
- o Volunteer Management Team
- o GIS Support Staff
- o Research West Virginia Emergency Recycling
- o Genesee County Healthcare Provider Contact Information
- o JIC Email Accounts
- o Provide technical assistance to the local Damage Assessment process
- o Establish SEOC operational period and hours of operations.
- o Safety Officer
- o Activate donations Management Team
- o Coordinate response and recovery activities with MIVOAD and identify potential mission areas
- In Progress- 15
- o Monitor MI CIMS (2 assignments)
- o Establish and maintain coordination between city, county, state, federal and subject matter experts
- o Obtain and maintain situational awareness and common operating picture of all activities (2 assignments)
- o Technical assistance for local damage assessment
- o Volunteer assignment to assist at churches
- o Development of four Recovery Teams
- o Identify a collocated facility for JIC
- o Coordinate response and recovery activities with MIVOAD and identify potential mission areas
- o Investigate and identify all available programs for assistance with direct or related impacts, including the federal Lead Pipe Replacement Program.
- o Develop a comprehensive GIS strategy
- o Establish and disseminate cost center information for the incident
- o Two additional positions for JIC
- Mobilized – 1
- o Establish and maintain coordination between city, county, state, federal and subject matter experts

#### **Incident Response/Recovery Priorities/Objectives**

1. Activate the State Recovery Task Force
2. Ensure coordination between the City of Flint, Genesee County, state and federal agencies, and appropriate subject matter experts.
3. Obtain and maintain situational awareness and common operating picture of all activities.
4. Establish operational period and hours of operations.
5. Investigate and identify available programs for assistance with direct or related impacts.
6. Develop a comprehensive GIS strategy.
7. Identify critical resources for acquisition and allocation.
8. Coordinate response and recovery activities and identify mission areas with MIVOAD.
9. Facilitate and coordinate technical assistance among state agencies and to local agencies.
10. Provide technical assistance and facilitate the local Damage Assessment process.
11. Establish a Joint Information Center and develop a public information strategy.
12. Monitor MI CIMS for resource requests and address as appropriate.
13. Establish and disseminate cost center information for the incident.

##### **Upcoming Forecast**

Forecast Update for Flint, MI Area

- Winter Returns with snow, winds and very cold air Sunday through the work week.
- Time to frostbite from exposed skin will be 15 to 30 minutes for the entire week starting Sunday.
- Bottled water stored outside or not in temperature controlled locations will freeze due to temperatures well below freezing Sunday through the week.

Sunday (Jan 10):

Snow, cold, wind, and hazardous travel expected from early morning through the afternoon. The area could see 2-4 inches of snow. If the rain lingers late into Sunday morning, snow accumulation will be less.

Monday (Jan 11) and Tuesday (Jan 12):

Very cold and potentially icy roads due to snow and blowing snow. Hazardous road conditions are expected Monday and Tuesday which will

cause a hazardous commute.

Wednesday (Jan 12) through Saturday (Jan 16):

Very cold with a few snow showers. Times to frostbite from exposed skin will be less than 30 minutes.

##### Damage Assessment Summary

#### Agency Summaries

##### Joint Information Center / Public Information Officer

The Joint Information Center (JIC) was operational from 8 a.m. to 5 p.m. on Jan. 9. State agencies at the JIC included the Governor's Office, Departments of Licensing and Regulatory Affairs, Health and Human Services, Environmental Quality, and Michigan State Police.

Tasks accomplished during the operational period included:

- Issued JIC News Release No. 2 about the water distribution sites at select Fire Stations in the city of Flint.
- Managed inquiries on the JIC hotline about the ongoing situation, covering topics ranging from FEMA in the State Emergency Operations Center to where people or companies can submit donations.
- Began coordinating a media event for Sunday, Jan. 10, at one of the Flint Fire Station water distribution sites, including local officials.
- Drafted a media advisory for the Sunday, Jan. 10, media event, possibly at Fire Station No. 1.
- Created social media posts about the water distribution sites and the Flint water website.
- Continued development of a door hanger for the community outreach efforts beginning next week.
- Continued developing a public service announcement.
- Updated the [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater) website.
- Staffed for the next operational period.
- Conducted a media monitoring report.

##### Agriculture and Rural Development (MDARD)

Two areas MDARD is monitoring:

- 1). Water usage in food processing, food retail, and food service (restaurants). Guidance document has been available since October; MDARD surveyed food processors in October and did not find issues.
- 2). Water consumption by pets / animals. There has been some evidence of lead toxicity in dogs, and there has been guidance about pets & water included in the Q & A.

Jan 7th 2016 4pm update:

MDARD and Genesee Local Health Dept. agreed to move guidance on water to a regulatory requirement. New language (after JIC

approval) will be going out to retail food establishments and restaurants with follow up inspections and sampling. Planning will continue on logistics for sampling.

Jan 8th 2016 4pm update:

Animals - Shelter Director Paul Wallace has obtained some documents to help ascertain what entities (that are not tracked via licensing and registration) that would be housing animals: 1) All the City of Flint street (physical) addresses that are on City of Flint water, 2) All the "Out-County" (physical) addresses that are on City of Flint water. The Shelter Director is also pulling the possible animal holding/gathering facilities in reference to that listing which will provide the rest of the contacts. MDARD will be getting copies of all of these lists soon. Other shelters are not on City of Flint water.

Jan 9th 2016 4pm update:

MDARD has received maps created by the SEOC GIS that locate the food service establishments.

MDARD is identifying activities to date and providing coordination in development of strategy for a plan for public nutrition, education and availability together with MDHHS, MDE, and the Genesee Health Department. MDARD together with MDHHS identified a brief nutrition message to be included on the door-to-door hangtag being developed by the JIC.

#### **American Red Cross (ARC)**

Yesterday (Friday, 1-8-16) volunteers from the American Red Cross did accompany and support the sheriff's distribution team as requested. We also initiated a formal Disaster Relief Operation (DRO 608-16) before the end of the day yesterday. The DRO headquarters is established at the Red Cross offices in Flint at 1401 S. Grand Traverse and is activated.

Today (Saturday, 1-10-16) our volunteers are staffing distribution sites established at 5 Flint fire stations where supplies of water, filters, and water testing kits are available for residents to pick up. We were not requested to support the sheriff's distribution team today. Our DRO headquarters is working today to arrange to have volunteers at each of (up to) 10 churches where filters are to be distributed tomorrow. This will be in addition to continuing to staff the distribution points at the 5 fire stations.

#### **AuxComm**

Advised Red Cross, who were concerned about the number of available volunteers, that ARES in Genesee County may be able to help.

#### **Civil Rights (MDCR)**

Monitor and support agencies with issues surrounding outreach and engagement of marginalized populations within the City of Flint impacted by the current water crisis.

#### **Community Health (MDCH)**

CHECC remains at Activation Level 1 - Normal Operations, with 24hr Duty Officer

Request from GCHD for lead investigators working on environmental health investigations has been forwarded to State Epidemiologist/Administrator and Environmental Health Division Director.

Spoke to Genesee County Emergency Preparedness Coordinator for situational awareness.

Tom Page, 2-1-1 Director, was successfully contacted. he was put into contact with MDHHS PIO to discuss/resolve caller wait times, prompting, and messaging.

#### **Corrections (MDOC)**

Administration for the MDOC has been notified and is updated on current situation. There are approximately 75 staff members working in the affected area. Potable water has been provided to the offices in the affected area since the beginning of this situation and will continue to be provided. This water is available for people working there and those that have been required to go to the office. We will continue to monitor this situation for any developing issues.

#### **Education (MDE)**

MDE is monitoring the situation and coordinating as necessary with other state agencies.

#### **Environmental Quality (MDEQ)**

The Department of Environmental Quality (DEQ) Laboratory (lab) provided 1000 water test kits for stock at points of distribution. 500 kits have been prepared for Department of Agriculture and Rural Development inspectors for pickup Monday morning. 1000 additional kits will be prepared for pickup Monday for supply for the teams scheduled to begin on Tuesday. Additional supplies continue to be ordered to provide for testing kits. DEQ lab staff are scheduled to provide training to the teams in Flint on Monday afternoon.

DEQ staff are coordinating with Licensing and Regulatory Affairs (LARA) for the implementation of the Freeman Elementary faucet replacement plan.

F/Lt. Wolf continues to fully support the State Emergency Operations Center as the DEQ representative coordinating department resources and capabilities and other duties as assigned by the State Director. DEQ staff are supporting local activities where needed.

#### **Human Services (MDHS)**

Participated in AM & PM State Agency briefings,  
Completed 5 and updated the remaining resource requests.  
Local MDHHS staff remain active in local EOC as human service lead.  
MCSC serving as local volunteer coordinator.  
MCSC serving as local donation management coordinator.  
Confirmed avenue for people to volunteer.  
Confirmed avenue for people to donate.  
Confirmed filter allocation is still at adequate level for estimated resource requests.

Worked with Recovery on Door to Door plan. Confirmed MDHHS will have at least 10 volunteers next T- F for door to door work. CHECC remains at Level 1 Activation - Normal Operations

#### **Licensing and Regulatory Affairs (LARA)**

LARA's proposal for a pilot faucet replacement program for Freeman Elementary School was approved.

Working on putting together a list of what the next steps are with tasks to be completed.

Coordinating with DEQ to complete additional testing at Flint schools.

#### **National Weather Service (NWS)**

Jim Maczko from NWS Grand Rapids will participate in morning SEOC briefings via phone call and will coordinate support with local forecast office that serves Flint - NWS Detroit/Pontiac.

#### **Natural Resources (MDNR)**

MDNR is fully participating in all SEOC activities. Situational awareness is being maintained and the department stands ready to assist as needed.

Department POC's include:

Chief Gary Hagler, F/Lt. Jennifer Wolf, F/Lt. Steven B. Burton.

#### **Services to the Aging (OSA)**

Valley Area Agency on Aging - Region 5 (VAAA), in partnership with other local community agencies such as the Genesee County Health Department and MDHHS, has helped organize local meetings and distribute water and water filters. VAAA is an access point for receiving calls from homebound seniors who are not able to pick up water filters or need assistance installing water filters. VAAA reports they continue to receive calls from seniors who need assistance.

VAAA has distributed 2 bottles of water with each home delivered meal to each HDM client within the City of Flint. Water. VAAA also provided water to homebound seniors who needed water to prepare food as they had limited support to pick up bottled water. Congregate meal participants also have access to water and filters as needed. Once water filters were installed, VAAA discontinued including water with home delivered meals.

VAAA also contacted the Grandparents Raising Grandchildren program to ensure that they were aware of educational efforts and confirm the program had received water filters to distribute to program participants.

#### **State Police (MSP)**

Resource Request Received to establish a Safety Officer at the Genesee County EOC. Lt. Amy Dehner has been assigned by 3rd District Command and has reported to Local EOC.

Request for troopers to attend training event that will be provide information on filter treatment filters, water test kits, and operations on Monday, 1 p.m., at the DHHS Office at 4809 Clio Road, Flint 48501. on-duty troopers are requested to be in attendance in a community service role. Duration of this assignment will be for approximately 1 hour. This request is being coordinated by Lt. Dehner at Local EOC. Troopers have been identified and contacted directly by Lt. Dehner and provided with information for this request.

Request for four troopers in uniform and patrol vehicle to work with volunteers in a community service role in the affected area beginning Tuesday, Jan 12, 2016. This operation will be ongoing and the end date has not been determined. Hours of operation will be 8:30am - 5pm daily. Meeting place will be GCCARD at 2727 Lippincott Boulevard, Flint 48507. This request is being coordinated by Lt. Dehner at Local EOC

MSP Public Affairs has activated MSP PIO F/Lt. Dave Kaiser as the MSP PIO at the Local EOC.

#### **Supreme Court**

08:50 - State Judiciary EMC John Ort reported to the SEOC regarding the Flint water emergency. Nothing to report from the Judiciary regarding the emergency. DEQ website resources shared with our State Court Administrative Office (attn: Region II) in case our Genesee County courts have any questions regarding the emergency.

#### **Technology, Management and Budget (MDTMB)**

Provided update to management on morning briefing.

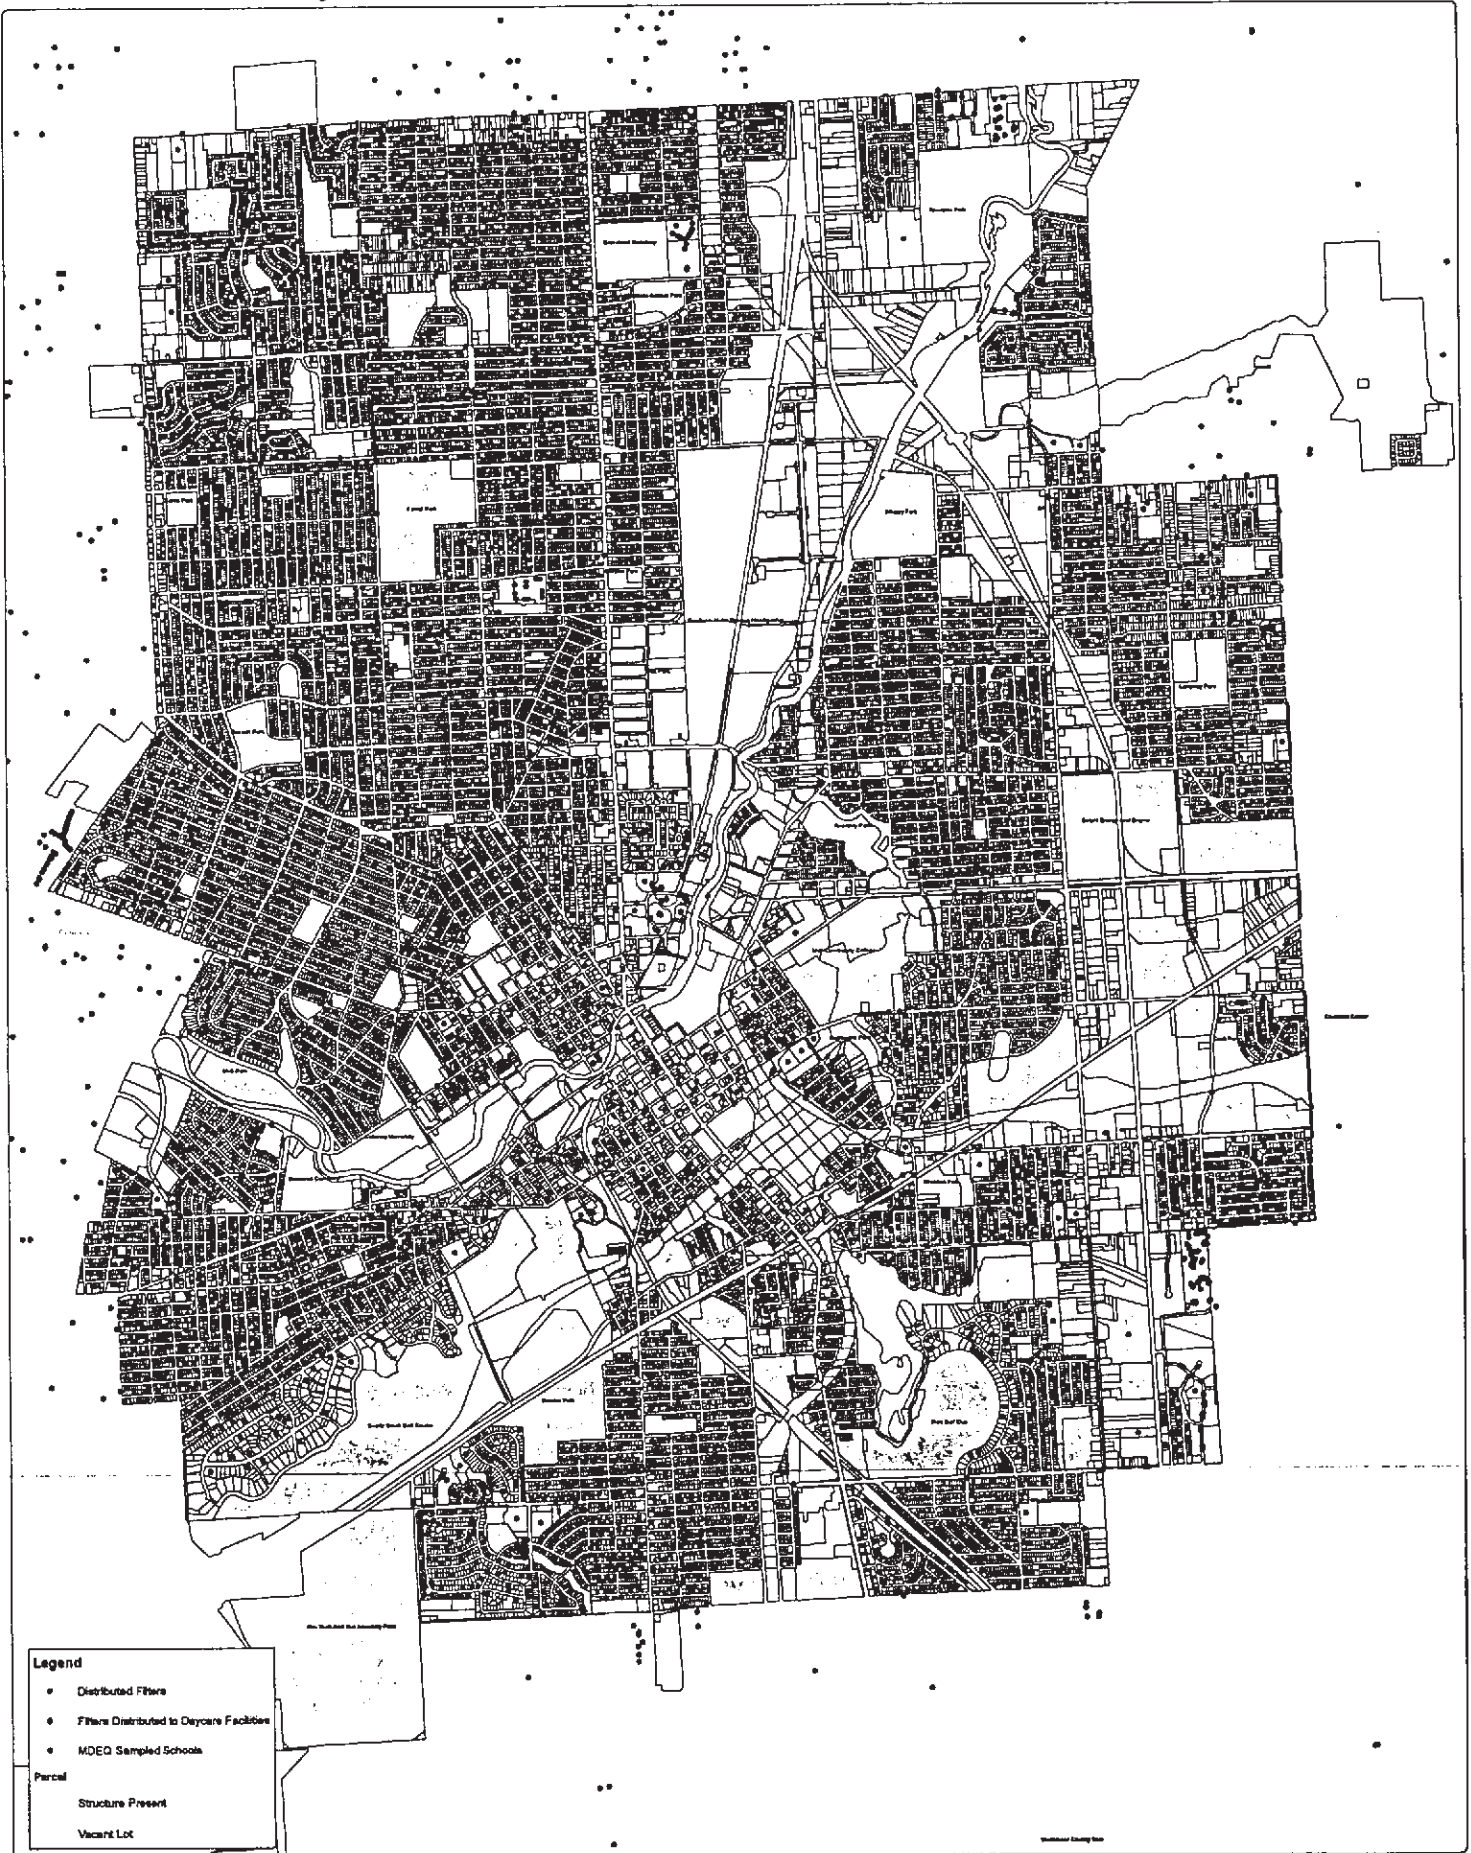

PIO requested that the co-located JIC at the state office building phones be moved to the larger meeting room and they will use the smaller room to meet with media when needed. DTMB Telecom will make the switch Monday morning. PIO also requested a large space in the city to conduct large scale media briefings. Contacted UM Flint Campus's facilities director for possible options.

Facility found (3,000 Sq. Ft.) that could be used as a distribution point for water, filters and cartridges if needed. MSP to provide guidance next week if space will be needed.

DTMB Mail and Delivery Services driver picked up pallets of water, filters, cartridges and testing kits and made deliveries to fire stations on Saturday. Two drivers will report back to Flint on Sunday to deliver the remaining filters to churches for distribution. DTMB to provide a driver and truck to pick-up an additional 1,000 water test kits in Lansing and deliver to Flint on Monday.

### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

#### Update 1/10/16

##### Attached Documents:

- SitRep 5
- Door card (English version but Spanish version will be ready for Tuesday)

I have a local EOC section listed below but state personnel are heavily engaged in management of both locations. We occasionally hit some road bumps with this event but all personnel are working well together to accomplish our goals (especially state agency personnel).

I have had good discussion with FEMA LNOs. Two statements have been developed from our discussions that hopefully helps put this in more context but if it is more confusing I apologize:

1. In the immediate response, the State, in collaboration and coordination with city of Flint and county of Genesee are working to get water, water filters, and testing kits to the affected population. In conjunction, the state will coordinate with federal agencies to ascertain what resources can come to bear to help mitigate the issue.
2. If asked about a federal declaration from FEMA, we need to articulate the definition of major and emergency declaration and state or note to ourselves that it appears to not qualify; however, there may exist opportunities to leverage federal assistance from some agencies (i.e....EPA) under their own authority to help address this issue.
  - We need to really manage expectations on the potential for a federal declaration...not that we will not go after one but it will be difficult to get.
  - A major disaster is defined in the Stafford Act as any ***"nature catastrophe (including hurricane, tornado, storm, high water, winddriven water, tidal wave, tsunami, earthquake, volcanic eruption, landslide, mudslide, snowstorm, or drought) or, regardless of cause any fire, flood, or explosion.....causes damage of sufficient severity and magnitude, to warrant major disaster assistance.....to supplement the efforts and available resources of States, and local government....."***
  - An emergency declaration is ***"is any occasion or instance for which, in determination .....assistance is needed to supplement State and local efforts and capabilities to save lives and protect property and public health and safety or to lessen or avert the threat of a catastrophe....."***
    - This is limited to immediate and short-term assistance (I hate to put times on this but short-term is like 3 weeks), essential to save lives, protect public health and safety and property.
  - Severity of the situation is ***"A finding that the situation is of such severity and magnitude that effective response is beyond the capability the state and affected local governments, and that the state requires supplementary federal emergency assistance to save and to protect property....***

- Nature of assistance for Emergency Declaration is for *"Debris removal, emergency protective measures, direct federal assistance...."*
  - Debris Removal = *self-explanatory and we do not have this*
  - Emergency Protective measures = *water, commodities, transportation (remember ... to supplement what the locals and state are already doing if we need more)*
  - Direct federal assistance= *what specific type of work is requested, and what are the reasons why the state/local government cannot perform or contract for performance. Essentially what is the need that state/local govt cannot provide. I can see this being something we need but we may be able to get this outside a federal declaration under the federal agencies own authority to help address this issue.*

Back to the update...

Key items for tomorrow to note are:

- Training is occurring for the door to door teams scheduled for Tuesday morning.
- Deploying an additional MSP District Coordinator to the local EOC for command and control support.
- Deploying two DTMB trucks and two drivers for sustained logistical support for the week.
- Media event with the Governor in Flint.
- New Incident Action Plan starts (1/11 0800 -1/13 0800 operational period). Our objectives are as follows:
  1. Ensure all households within impacted community have required resources.
  2. Ensure accurate tracking and accounting of all commodities.
  3. Improve and maintain public information strategy.
  4. Develop a long term public health and services plan.
  5. Ensure adequate staffing to support operational requirements.
  6. Identify possible assistance programs.
  7. Develop an approved GIS strategy.
  8. Maintain coordination between partner agencies and organizations.
  9. Enhance situational awareness and common operating picture of all activities.
  10. Develop a comprehensive Recovery Plan.

Items to Note

- All 9 churches had filter systems/replacement filters, information sheets, and water test kits delivered as requested by each pastor/reverend on Sunday. We did not think we could get them water due to the limited time but we did end up getting water to all 9 churches with the other items.
- Fire station resource locations stayed open from 9a to 9p and will continue with those hours until further notice (Staffing is in place until Saturday). ARC is staffing these locations.
- The media event was held at Fire Station No. 1 and report back is that it went well and the spirit of collaboration between local, state, non-governmental partners is strong was relayed.
- The four door to door teams will have the hours of 8:30 a.m. to 5 p.m.
  - Each will have logistics support from DTMB, security from MSP, and contact personnel from DHHS.
  - The door card is attached that will be left if no one is home.
- Worked to identify a storage location within the City of Flint for water and supplies. G-CARD is identified as temporary location but we are moving toward a state run warehouse operation (looking at private sector partners to assist, especially with the warehouse management side).
  - GCCard is large enough, centrally located and comes staffed. GCCard has 75,000 sq ft with warehouse managers to assist with tracking resources coming in and out.
- GIS will provide us daily updates of how much was distributed each day but note we have a delay in data entry from delivery to entry in the GIS system. Over the weekend there was a problem locally with staffing to get this completed. A solution is in place and will be implemented so we get timely data. Distributed to date (as of 1/8/16).
  - 12,386 filters
  - 1,985 replacement filters
  - 354 Pitchers

- 2500 Lead Testing Kits
- Establishing and tracking of resources is a priority. Staffing has been assigned to get a good handle on these to ensure distribution sites maintain an appropriate level of inventory. I have requested trigger points get put in place so we do not get below certain levels in the main warehouse location.
  - *Contacts with some large water distributors have been made and their and our logistics chiefs will connect first thing this week.*
  - We have ordered an additional (expedited delivery with ETAs tomorrow)
    - 40,000 Brita Filters
    - 40,000 Brita Replacement Filters
    - 1000 Zero 8-Cup Pitchers
    - 1000 Zero 8-Cup Pitchers
    - 2000 PUR Replacement Filters
    - 93 Pallets of water (about 6700 cases)
- GIS continues to produce multiple maps for use.
- JIC Items
  - Requested PSA on the radio. Media has been approved and working with MAB.
  - Requested JIC to contact Comcast and Dish Network for availability for continuous running of filter install/replacement and test kit video.
  - A news release will likely going out tomorrow regarding canvassing in neighborhoods. Continued social media messaging.
    - Tuesday – embed state PIO with one of the canvassing teams to liaison with media.
    - JIC moving tomorrow to Flint.

### Local Emergency Operations Center

I am providing you some information on some issues we ran into at the PODs. This has been addressed with additional state resources and processes put in place so we do not run out of resources. Public concerns/complaints have not been brought to my attention at this time. Staff is working very hard to ensure we do not run out of supplies at the PODs and they understand the consequences. No one in the Local EOC or State EOC is happy the following occurred and I felt you should know in case it is brought up. Again, I believe we have fixed this and I take full responsibility for any supplies not being on site.

### Fire Station Inventory Levels:

#### Station 1:

- Only time without supplies - 15 minutes without water while the truck was unloaded.

#### Station 3:

- Ran out of replacement filters around 7:00, replacement filters delivered around 7:30. Had to pick up replacement filters from Home Depot and deliver.

#### Station 5:

- Ran out of water around 5:00, water was delivered around 6:30. We needed to find additional trucks because DTMB drivers were over hours. The ARC stepped up and found a truck to go and pick up a pallet of water and deliver.
- Somewhere between 4:00-6:00 they ran out of lead test kits. No way to restock these because City facilities were closed and could not reach anyone.

#### Station 6:

- Around 5:00 ran out of water, filters, and replacement kits. Replacement kits were delivered around 7:30. Additional water and filters were delivered after 9:00 due to the DTMB drivers heading back to Lansing. Food Bank was called and had to get drivers in to operate trucks, pick up water from the School District, load and deliver to all sites. Delays occurred with weather conditions and needing to use last minute sheriff EOC staff to load due to issues with City workers. City workers were scheduled to help and left around 7:00 without helping.

- 2 pallets of water were dropped off in the afternoon and within 1 hour were gone. This was much faster than we expected. On 1/9 they didn't go through 2 pallets of water at any station for the hours 9:00-4:00.
- We received news that a reverse 9-1-1 call notified residents of water which caused an unanticipated amount of people obtaining water. There was also a report of 1 person walking out with 2 cases of water and trying to sell in the parking lot.

#### Station 8:

- Around 7:00 ran out of filters and lead tests. Filters were delivered around 8:00 from the food bank trucks.
- Hourly reports were requested in the morning from volunteers but this information was not received as to the status throughout the day. Early inventory of supplies took between 1 hour-1.5 hours to receive in the EOC. We were not advised of low counts, just zero numbers.
- Reports received that the last couple of hours were slow.
- Residents were advised of the other sites and the opportunity to obtain supplies.

#### Restocking Plan

- United Way set up meeting with Food Bank to discuss.
- Had EOC meeting on this topic to discuss options.

#### Churches:

- All 9 churches received waters, filters, and informational bulletins.
- Lt Roach received positive feedback from 3 of the pastors.
- No complaints were received.

#### Signage:

- *Provided information to SEOC on signage requirements at the fire stations.*

#### Storage:

- Researched storage spaces; established temporary site at GCCARD.

#### Personnel:

- Lack of local EOC leadership (seems somewhat checked out) with IC and Deputy IC (doing an okay job).
- Captain TaFoya (Genesee County) helped tremendously today with all the plans outlined above and attended the press conference.
- Tina Martinez at the Food Bank and Matt Purcell at GCCARD were extremely helpful in getting last minute operations set up.

Update 1/9/16

SitRep 4 attached for more in depth information. The below only contains some items worked on today and while the format in the attached SitRep is not perfect (it is created automatically by MICIMS) it does contain a lot more information you may want to read. I also attached one of our maps. It is our filter distribution map. All filters handed out by anyone working with us feeds into this now. We are continuing to refine these and at this time there is a delay in the upload of address data but we are working on it. We have a ways to go to get filters in every home but this will help direct us to those who need still them. We also are working on identifying abandoned homes.

Key items for tomorrow to note are:

- 9 churches will have ARC volunteers and filters for distribution. Some may also get water.
- 5 fire stations are a distribution point for water, filter systems/replacement filters, and water test kits. While only open today until 4 p.m., tomorrow and until further notice they are open from 9a to 9p.
- Media event will take place on the above tomorrow.

#### Items to Note

- 211 has some issues with call load but it is being worked on. 2-1-1 Director contacted MDHHS PIO to discuss/resolve caller wait times and messaging. We anticipate an increase in activity tomorrow in 211 calls so we requested and received an increase to staff 211.
- We are shifting tasks the SEOC took on that are handled more effectively and efficiently at the local EOC. We have established command and control in their EOC. We are running things there but that is not being made public. We are doing this in partnership but we are clearly handling the operation with state personnel oversight.
- A 3rd FEMA LNO arrived today upon my request. This has nothing to do with a Presidential request for a declaration but support for some other items I want worked on for long term recovery.
- We continue morning calls with the local EOC leadership and local emergency manager on what our goals for the day are as well as any issues/concerns.
- Five 5 fire stations have received water, water filters, replacement cartridges, and water testing kits with American Red Cross personnel at each location to assist with delivery of resources and collection of addresses receiving them. These locations will be open from 9a – 9p daily until determined they are no longer needed. Those picking up water testing kits will be advised that they can return the test kits to the fire departments (where they will be picked up and taken to the Flint City Hall), the Flint Water Treatment Plant, or they can take them directly to the Flint City Hall. For those unable to return the kits, 211 can make arrangements for pick up the kits. We understand response to these sites has been positive thus far. The Genesee County EOC will be monitoring these supplies and request replacement of products as needed.
  - A call is going out tomorrow morning to advise this information ... I do not believe it was every resident but Tori Sachs has that info if needed.
- I approved a press release today to advise the public that all levels are working together to ensure delivery of filters, test kits and water; noting that all of these items were delivered to the 5 Flint fire department stations. It was stressed that the public should be aware that the local and state agencies have been working cooperatively to assist the residents - and will continue to do so. This was done to hopefully end or at least minimize the “who can get water and filters out first” when all of this has been connected with the state and coordinated since the state declaration was put in place.
- The arrangement of 2,000 filters, to be taken to 9 local churches on Sunday, January 10, is ongoing. The filters have been secured; they are now in the possession of the DTMB. DTMB will return to Flint on Sunday morning to deliver these to necessary locations. The American Red Cross will be on site at each church to assist with distribution and recording addresses (for GIS). The local EOC is working to ensure these arrangements are complete and run smoothly. Future engagement with the faith based community will occur to assist with additional distribution.
- A Flint City liaison has not been in the EOC but starting Monday this will be in place to keep the Flint Mayor apprised of activities being conducted in the city. She also has been advised she can call me at any time if she needs anything.
- Training has been confirmed for the door-to-door operation scheduled to start Tuesday. Four teams are initially scheduled with more to potentially be put in place. These are the teams that will be handing out water, filter

systems/replacement filters, test kits and information. If nobody is home, a door hanger with information is being left. DHHS personnel and one MSP trooper will be on these teams.

- Training will take place at 1 p.m. on Monday afternoon at the DHHS office on Clio Road. DEQ and DHHS will provide the training.
  - Training is so those going door to door can explain what the filters do, how to install them, if they need install help to call 211 who has a list of people who can install the filters, and answer any other questions versus just handing them the filter.
- Hours of operation will be Tuesday through Friday from 8:30 a.m. to 5 p.m. AT THIS TIME. I am reevaluating these times to increase contact with someone versus just leaving information.
- Logistics are being finalized for the teams and trucks to handle stocking and re-stocking of materials during daily operations.
- GIS maps will provide guidance on deployment locations for these teams and other teams in the field.
- A pilot project at Freeman Elementary with LARA and DEQ has been initiated to see if replacing certain plumbing components in faucets at the school will drop the lead level.

#### MSP/EMHSD GIS Section Updates

##### Accomplished Today (January 9):

- Produced a Point of Distribution Map. Contains four types of distribution points; Churches, Water Resource Sites, Filter Distribution Sites, Water Distribution Sites.
- Produced Filter Distribution Map.
- Developed process of how best to handle geocoding the household filter locations, worked on processing the data.
- Worked on map of franchise customers outside of Flint City.
- Produced maps for MDARD on food establishments and Local Health Departments.
- Produced map of Church Filter Distribution map for DTMB.

#### Local Emergency Operations Center

- The state has deployed 10 personnel to the Genesee County EOC to ensure we have command and control at the local level. On 1/8/15 The state personnel took over the incident management functions of the Genesee County EOC (not public). The arrival of additional staff allowed the local Emergency Management Coordinator to delegate tasks which relieved a tremendous amount of stress.
- Additional Sherriff staff ) will be shadowing the state incident management team to allow for transition to the county personnel later in the incident when we are comfortable with them handling things. Not sure when that will be but we have secured a direct bill hotel for staff to stay in Flint as long as needed.
- With the additional staff, the Local EOC will be able to take over functions previously handled by the SEOC including:
  - Logistical activities to support church operations.
  - Logistical activities to support fire stations operations.
  - Coordinate Donations Management activities and draft donations management plan
  - Coordinate Volunteer Management activities
  - Identify local storage/staging facilities
  - Overall inventory tracking
  - Tracking of Points of Distribution (PODs)

Chris

---

INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

Update 1/8/16

SitRep 3 attached.

There is a significant difference in what is being presented by the media and what the local EOC is relaying to us at the SEOC. It is also being driven by the media that this is a state versus local response (who is providing more and quicker versus a coordinated effort between all). That said, I advised SEOC personnel that perception is reality in some eyes and we are to move forward to address items that typically are addressed at the local level. I have ordered the SEOC open all weekend due to make the quick wins that we need and continue to get the coordination and collaboration in place that is needed (but make gains on our own as needed).

#### Items to Note

- Two FEMA LNO's arrived today and are in the SEOC. A third LNO was requested from FEMA due to some unique issues with this event to include having to deploy more or my staff to the local EOC to get more structure and/or find out why there is an issue with the message the media is showing versus what we are hearing from the local EOC.
- We finally received from the local EOC 8 locations (we were told originally early in the week they had 80-90) that are their Points of Distribution (PODs) for water in conjunction with the local food bank. The PODs are not getting water from the food bank even though the food bank has water. We are going to resolve this issue as we can help deliver the water to the PODs but we were not aware of this. 8 PODs is not enough locations if water needs to be distributed to citizens. Speaking with the ARC Regional Administrator later today, I believe ARC got water to those locations but I need to confirm that in the morning. The food bank reported they had 376 cases of water.
- We have learned that a low number of residents are testing their water when DEQ can test 400 kits per day. This is an added focus that we believe can be increased through dissemination of test kits with the filters and any water.
- I found out the Mayor was okay with using fire stations as distribution points for water, filters, and water test kits. While this did not come to me through the local EOC, I advised we needed to get water, filters, and test kits to these locations for tomorrow. The distribution at 5 Flint Fire Department stations has been coordinated to be in place by 10:00 am tomorrow morning.
  - DTMB has provided a truck and driver to pick up water test kits from DEQ lab in Lansing, water from the Food Bank and water filters and replacement cartridges from GCARD in Genesee County.
  - 10 American Red Cross (ARC) volunteers will meet the DTMB truck at GCARD at 9:00 am to be provided information about filters. Instructions will be included in water test kits. They will then report to the 5 fire stations to assist in distribution of resources to the public and track addresses of same.
  - Residents will be told where they can drop off their water test kits, or that they can return them to the fire station the next day. Coordination will occur on pick up of water test kits daily to be taken to the Flint City Hall, who will then delivery them to the DEQ testing lab.
- STILL FINALIZING - We have made available 2,000 Filters for distribution on Sunday as parishioners leave mass/services. This will be 200 filters for 10 churches in Flint. While this is a small number of churches, we do not want to waste an opportunity to hand out filters and this seems like a quick way to so. The filters will be put on the DTMB truck on Saturday for delivery to TBD locations for distribution. Logistics remain undetermined as I am still waiting on a list of the churches, pastors/reverends/hours or services/etc. The DTMB truck will be returning to Lansing approximately 11:00 a.m. so we need to finalize this quickly on Saturday. We may utilize ARC to assist with this.
- The Recovery branch is working with the JIC to develop a door hanger card. DTMB is working on the printing portion of the hanger card. Recovery will also be finalizing logistics over the weekend for neighborhood canvassing to occur early next week. 40 volunteers have signed up to attend training on Monday afternoon to complete this task. The mission will be to deliver water sample kits along with water filters/replacement cartridges, and water.

- It appears that 211 has become overloaded. DHHS is researching ways to increase capacity for calls.
- A Volunteer Management Coordinator is in the Genesee County EOC as of today.
- A Donations Management Coordinator has been requested and she will be in the Genesee County EOC Saturday.
- DHHS had a conference call with GM today; they indicated they can provide cash, and supplies, but primarily manpower. No commitments were made at this point. We inquired as to availability of warehouse space and trucks. It was left as GM being a major resource pool that we can tap into as we determine missions. Further conversations will occur, but primarily GM just wanted us to know they are there if needed.
- An additional EMHSD staff member was sent to the Genesee County EOC to act as Operations Section Chief and obtain awareness of the situation there.
- GIS staff met with various parts of Genesee County/Flint personnel to try to get a handle on data available.
- GIS continues to work with local GIS personnel with three GIS staff going to Flint today to work with them. GIS staff is working with U of M on how best to proceed with digitizing water lines for long term recovery.

Chris

---

#### UPDATE 1/7/16

A summary of some of today's SEOC activities is provided below. Attached is the following:

- Today's SitRep which contains more information than below.
- The resource request/task assignment sheet for your situational awareness. This is how locals request resources as well as how we track resources and any assignments and/or tasks that are to be completed.
- JIC Task Tracking – *for your situational awareness on how we are tracking requests and assignments. Once someone is assigned a task or resource request it allows them to document what work has been or will be done as shown at the bottom of the document.*

#### **Items to note:**

- I received a document this evening from Genesee County which appears to be damage assessment information. Analysis of this will occur tomorrow. It appears to be infrastructure and costs to fix it and no other impacts.
- I spoke with Jamie Curtis, Genesee County Commissioner, this evening. A very good relationship is in place with him, especially with our District Coordinator (DC). I also have our DC working on developing stronger relationships with the Mayor/Mayor's office.
- GIS staff continue to obtain data and work with County and City personnel to get a picture of where resources have been provided, need to be provided, as well as infrastructure locations (pipes) that could be affected.
- Personnel and agencies have been tasked with developing a plan to get people in the community to deliver information, hand out filters, etc. This would target those areas we are showing minimal or no filter distribution based on the data we are collecting. The plan is to get them in the field by Tuesday and the plan will be provided to me tomorrow.
- Filters can be obtained at the following locations:
  - Michigan Department of Health and Human Services office, 125 E. Union St., Flint, MI 48502

- Michigan Department of Health and Human Services office, 4809 Clio Road, Flint, MI 48504
- Genesee County Community Action Resource Department office, 2727 Lippincott, Flint, MI 48507
- Genesee County Community Action Resource Department office, 601 N. Saginaw, Flint, MI 48502
- Conducted briefing with local EOC and county executive.
- Conducted briefing with state agencies (daily updates).
- Began work to schedule legislative/congressional conference calls. Tentatively scheduled for 2 p.m. Friday.
- JIC continued to develop messaging.
- Provided input to local EOC regarding best methods of identifying health and non-structural impacts for damage assessment process.
- Deployed two EMHSD/SEOC liaisons to assist the local EOC.
- Published the Incident Action Plan and continued assignment of objectives/tasks.
- FEMA Liaison Officers just arrived in Lansing to assist command and general staff.
- I spoke with Harvey a few times and he should have talking points later tonight or tomorrow a.m. for his use and also for others who may speak to media outside of state government who may benefit from our messaging.
- We held a media round table at 1 P.M. at the SEOC. Dr. Wells and I spoke and answered questions to numerous media outlets.
- Local agencies and NGOs continue to provide water and filters to citizens.
- The website, [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater), was update with information and links to assistance to include 211. Additional recommendations were provided to include information on the testing water in homes.

#### EMHSD GIS:

##### Accomplished Today:

- Reproduced Socio-Economic Status Map
- Reproduced Predicted Affected Populations Map
- Cleansed old data and reports for water filter distributions
- Created draft map of water filter distributions (Refinement needed before releasing final product)
- Scheduled on-site visit with Flint GIS Department and Genesee County GIS Department
- Formatted databases to host content
- Researched service line database creation and scheduled meeting with U of M Flint to discuss timelines and resource needs
- Generated water infrastructure map (does not include building service lines)

##### Tasks for Tomorrow:

- Meet with Flint City GIS
- Meet with Genesee County GIS
- Meet with U of M Flint GIS
- Finalize water filter distributions map
- Finalize plan for data distribution methods

Chris

---

#### UPDATE 1/6/16

A summary of today's SEOC activities is provided below. I tried to distill this as best I could but there has been a lot of activity and discussion to get an accurate assessment of the situation. Attached is the final draft of objectives and tactics for the operational period and agency situation report (SitRep) which has more SEOC agency information. I have implemented weekly operational periods.

Advise if you want anyone else copied or off this distribution.

## Daily Update

- Set goals for SEOC and identified response/recovery emphasis
- Requested FEMA liaison officers (LNO) from FEMA Region V. Two LNOs will be on site by ~3 p.m. 1/7/16. Both are known contacts to me and some staff and one has worked extensively with me during the SE MI flooding in a command and control position. These personnel have been specifically tasked with this mission. **THEY ARE NOT HERE TO ASSIST WITH A PRESIDENTIAL DECLARATION REQUEST BUT TO ASSIST ME.**
- PIOs from multiple agencies were here and established the Joint Information Center (JIC). News released pushed out on this. I am very happy with the PIO work and movement toward coordinated messaging.
- Held briefing for State Agency Emergency Management Coordinators, which included presentations from DEQ and DHHS subject matter experts to ensure situational awareness and to develop a common operating picture.
  - I opened the briefing by identifying our initial goals, items to think about while subject matter experts were briefing us, and how we are to move forward, find quick wins, and regain trust.
  - **MDHHS – Elevated Blood Lead Levels**
    - Dr. Elizabeth Wells gave an in depth summary of lead poisoning and what has occurred in terms of health monitoring throughout the Flint crisis.
  - **MDEQ – Water Testing Protocols**
    - Mr. George Krisztian of MDEQ gave an in depth summary of the testing protocols and summary results that as they have developed throughout the emerging crisis.
- Developed Incident objectives, strategy and tactics (see attached)
- Identified SEOC and state agency staff positions
- Assigned work tasks for SEOC operation period from 0800 January 6, 2016 to 1700 January 8, 2016
- Reviewed planned actions, prepared final draft Incident Action Plan
- Made contact with the Genesee County Emergency Manager first thing in the morning and held a conference call mid-day to discuss roles. Daily 0830 command conference calls with local EOC command staff starts tomorrow. Tomorrows call will include the County Commissioner and the City Administrator (both invited). Topics include the incident action plan objectives and establishing better local coordination, command and control to facilitate integration with the SEOC. The local EOC is not functioning as it needs to with personnel and local coordination and we are working on that issue.
- I will be in Flint tomorrow for a 2 p.m. media round table with local officials that was set up by the JIC.
- The attached initial objectives will be updated at least every operational period and as needed. I listed the objectives below but the tactics to accomplish them is in the attached if you want further information.
  1. Activate the State Recovery Task Force (SRTF).
  2. Establish and maintain coordination between the City of Flint, Genesee County, state and federal agencies, and appropriate medical experts.
  3. Obtain and maintain situational awareness and common operating picture of all activities.
  4. Establish SEOC operational period and hours of operations.
  5. Investigate and identify all available programs for assistance with direct or related impacts, including the federal Lead Pipe Replacement Program.
  6. Develop a comprehensive GIS strategy.
  7. Coordinate response and recovery activities with MIVOAD and identify potential mission areas.
  8. Establish and coordinate routine communication between SMEs and coordinate technical assistance among state agencies and to local agencies.
  9. Provide technical assistance to the local Damage Assessment process.
  10. Establish a Joint Information Center (JIC) and develop a public information strategy.
  11. Monitor MI CIMS for resource requests and address as appropriate.
  12. Establish and disseminate cost center information for the incident.
- Additional tasks include:
  - Determine what federal agencies are already involved and their status
  - Identify potential water supplies
  - Determine where affected homes are located, where filters/pitchers (and replacements) were installed/provided, and determine who needs filters, etc.

- Determine how filter distribution is handled, and if it can be handled more efficiently and effectively
- Determine what mechanisms are in place for nutrition supplementation

#### EMHSD GIS Accomplishments:

- Hosted a conference call to begin coordination with Flint City and Genesee County GIS departments and the SEOC
- Established a daily call with county and city GIS personnel to synchronize GIS efforts in support of the Flint water crisis at 8:30 A.M.
- Began consolidating local data from local GIS practitioners into a consolidated database, to include:
  - Water Pipeline Locations
  - Filter Distribution Locations
  - November 25, 2015 Water Monitoring Results (Partial, some data remains to be digitized)
  - Affected School Locations
  - Predictive analysis of blood lead levels for affected area
  - Updated Parcels
  - Demographics
  - Block Groups
- Produced a map for the filter distribution locations
- Began contacting specialists who developed historic maps depicting the Flint Water Crisis to obtain the data

Chris

**From:** Kelenske, Chris (MSP)  
**Sent:** Tuesday, January 05, 2016 6:13 PM  
**To:** Etue, Kriste (MSP); Gorski, Gary (MSP); Smith, Paul (GOV)  
**Cc:** Baird, Richard (GOV); Hollins, Harvey (GOV)  
**Subject:** RE: Update - Genesee County Declaration

I forgot to advise that we have asked key state agency PIOs to be in the SEOC for the briefing.

---

**From:** Kelenske, Chris (MSP)  
**Sent:** Tuesday, January 05, 2016 6:06 PM  
**To:** Etue, Kriste (MSP); Gorski, Gary (MSP); Smith, Paul (GOV)  
**Cc:** Baird, Richard (GOV); Hollins, Harvey (GOV)  
**Subject:** Update - Genesee County Declaration

Below are some key points for your situational awareness (FYSA) that have taken place or will take place within the next 15 hours.

- I was on the phone with Sean Kammer, Assistant to the Flint City Administrator, when the declaration hit the news so I advised him immediately. He was going to let the City Administrator know.
- I contacted MSP Lt. Roach, 3<sup>rd</sup> District Coordinator, who was at the Genesee County EOC and advised her to let the County EM know the declaration status.
- State Emergency Management Coordinators (SEMCs) were notified via our notification system with additional information in an email.
  - This included information on the SEOC activation and a 0900 briefing for SEMCs.
  - Some subject matter experts will provide us an update to establish a common operating picture.
- We have been in contact with FEMA Region V watch desk ... they will be on the call tomorrow and continue to monitor the situation.
- I have been in contact with the FEMA Region V Administrator to keep him updated.
- Operational period for the SEOC will be M-F, 0800 to 1700 at this time.
- Situation Reports (SitReps) will be provided in the evenings.

- An Incident Action Plan will be developed tomorrow.

Call me with any concerns or questions.

Chris

# Damage Assessment and Emergency Status Report

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

## Operational Period

Operational Period Begin: 01/11/2016 08:00:00  
Operational Period End: 01/13/2016 08:00:00  
Situation Report No. 5  
SEOC Status: Full  
SEOC Hours of Operation Begin: 01/10/2016 08:00:00  
SEOC Hours of Operation End: 01/10/2016 17:00:00

## Executive Summary

By early May 2014, the City of Flint switched from the Detroit Water and Sewerage Department (DWSD) to water from its own water treatment plant drawn from the Flint River as its primary water source. The different characteristics of the water resulted in leaching of lead from lead pipes in the city's water infrastructure into the water supply. Increased exposure to lead can cause immediate negative health effects. However, the main health concerns are long-term effects in children such as developmental and cognitive delays, and behavioral disorders. Increased water lead levels and elevated blood lead levels in young children were observed in the City of Flint and confirmed by the State Chief Medical Officer.

On October 1, 2015 the Genesee County Health Department declared a Public Health Emergency due to the elevated blood lead levels in citizens. In response to this the City of Flint declared a local State of Emergency on December 15, 2015 and activated their Emergency Operations Center.

To mitigate the effects of the new source of water on the infrastructure in the City of Flint, the city switched back to DWSD water on October 16, 2015. Funding to reconnect to DWSD was provided from the City of Flint, the Charles Stewart Mott Foundation, and the State of Michigan. Water is now treated with a supplemental phosphate addition to rebuild the protective layer in the distribution system and reduce the leaching of lead into the water supply.

For the mitigation of potential health effects, over 24,000 water filters and replacement cartridges have been distributed to residents in the City of Flint. Approximately 13,000 water filters, water pitchers and replacement cartridges were distributed by the Michigan Department of Health and Human Services (MDHHS) in the timeframe of October 1 to December 31, 2015 alone.

MDHHS has increased surveillance of blood lead levels in children and is addressing water issues in environmental investigations to identify lead sources in the environment of affected children and provide health education and information to residents, health care providers, and daycare/educational institutions.

Local nonprofit organizations have provided potable water to Flint residents. MSP/EMHSD GIS staff is supporting county and local GIS staff by consolidating data from local sources into comprehensive databases and providing mapping services to support incident analysis and forecasting. Data and maps regarding the location of water pipes, affected schools, filter distribution locations, water monitoring results, and predictive blood lead levels for affected areas will be made available with demographics.

Before December 16, 2015, \$9.35 million was provided by the State of Michigan and \$6 million by local agencies and nonprofit partners to manage the effects of the corroded pipes. While the source water has been switched back to DWSD, water in the City of Flint is still not safe to drink, unless specifically filtered.

On January 5, 2016, Governor Snyder declared a State of Emergency for the City of Flint and Genesee County. Genesee County requested the Governor's declaration on January 5, 2016, following the declaration of a State of Emergency in the county in response to the presence of lead in the public water supply and the detection of elevated blood lead levels exceeding governmental standards.

Since the declaration by the Governor on January 5th, the State Emergency Operations Center (SEOC) has been fully activated and working with local and state agencies to ensure a coordinated response to the incident. Since the activation, the SEOC has activated command staff, state agency EMC's, and implemented the Recovery Branch under the Operations Section.

### SEOC Update:

Accomplished today (January 10):

#### • Logistics

- o Worked on figuring out a long-term storage option. Because GCCard is large enough, centrally located and comes staffed, we are going to use this for a while until a logical long-term storage option can be found. GCCard has 75,000 sq. ft. and has warehouse managers to assist with tracking resources coming in and out.
- o Requested an inventory of what has been distributed so far. Determined that the local health department wouldn't staff anyone during the weekend, so the only numbers we could obtain have not been updated since 1/8/16.
- o Assigned someone at the local EOC to find anyone to enter the address cards collected from all the distribution sites. In order to determine what areas are in greater need, these address cards are essential for the GIS tracking and reporting.
- o Determine water quantities in Flint.
- o Worked with recovery on needs for door-to-door operation.
- o Completed 204's for 3 objectives.
- Assigned requests:
  - o Extra volunteers for the added fire department hours. (MDHHS - Thelen)
  - o There was an extra church that was added. A request went through to ensure they received supplies and volunteers. (Local EOC)
  - o Flyers were created, printed and distributed to the 9 churches, (JIC, DTMB and Local EOC)
  - o Gate Operations for the broken SEOC Gates. (MSP)
  - o More cards for churches & FD's. (Logistics)
  - o Locate replacement filters in the Flint area. (Local EOC)
  - o Deliver 6 pallets of donated water to GCCard. (ARC)
  - o Develop re-stock plan for distribution sites. (Local EOC)

- o Box trucks to assist with the door-to-door operation.
- o Purchasing more replacement filters.
- o Door hangers.
- o Extra staffing for Brianna needed and assigned to begin Monday morning.

#### • JIC

- o Flyer for churches approved.
- o Door hanger's ready for teams tomorrow – may need to be picked up.
- o Media availability went very well, great coverage.
- o Sheriff still operating the strike team and coordinating with local EOC.
- o Requested PSA on the radio. Media has been approved and working with MAB.
- o Received good press on PODs.
- o Working on developing signage for PODs.
- o 211 advised about influx of calls – let JIC know if issues arise.
- o Social media messaging continuing.
- o Finalizing JIC Battle Rhythm.
- o News release likely going out tomorrow regarding canvassing in neighborhoods.
- o Tuesday – embed state PIO with one of the canvassing teams to liaison with media.
- o Google PR offered any available assistance, mapping-warehousing-transportation.
- o JIC moving tomorrow to Flint, likely need hotels, media room requirements to DTMB.
- o Materials being transferred into bi-lingual (Spanish) using Civil Rights resources.
- o Planning media avail tomorrow.

#### • Recovery Branch

- o Expanded operational hours for canvassing.
- o Working with the EOC to find most impacted areas for canvassing.
- o Working with F/Lt. Mike Johnson for developing a strategy for teams in the field Tuesday.
- o Training tomorrow will provide training on filters, strategy, safety, and water testing kits.
- o Getting additional staffing tomorrow.

#### • Planning Section

- o Objectives have been updated and SitRep will be distributed today.
- o Facilitated three SEOC agency and local EOC briefs.
- o Worked with FEMA LNOs on planning cycle and draft objectives.
- o Completed Sit Rep and draft IAP and summary bullets for command.
- o Completed draft ICS forms for branch chiefs to use to track tasks.

#### • Operations Section

- o Ensured the delivery of water and filters to the 9 churches in the Flint area.
- o Discussed strategies for community outreach (door to door).
- o Worked on facility safety at Collins Road (gate issues/lighting).
- o Manage Task assignments for the SEOC (Press avail/door hangers/rules for water pickup).
- o Requested a second DC to assist in Region 3 (Lt. Russo), start time TBD.
- o Requested product information required to design signs for the fire stations to make it visibly apparent to the public. Awaiting feedback from fire stations (through Lt. Roach).
- o Developed Branch Directors within the SEOC to reduce span of control (specifically Human Services Branch Richard Thelen) and Health and Environmental Branch (Jennifer Lixey-Terrill).
- o Worked to identify a storage location within the City of Flint for water and supplies. G-CARD is identified as temporary location.
- o GCCard is large enough, centrally located and comes staffed. We will use this sight temporarily until a logical long-term storage option can be found. GCCard has 75,000 sq. ft. with warehouse managers to assist with tracking resources coming in and out.
- o Distributed to date (1/8/18). Logistics has asked GIS to provide us daily updates of how much was distributed each day.
- o 12,386 filters
- o 1,985 replacement filters
- o 354 Pitchers
- o 2500 Lead Testing Kits
- o Local EOC was asked to identify someone to enter the information collected on address cards from all the distribution sites as essential for the GIS tracking and reporting.
- o Fire stations were initially established for 9am-4pm operations; this has been extended to 9am-9pm operation. Volunteers were located to accommodate these operations. This will continue as long as the need is realized.
- o Logistics is in process of locating additional replacement filters.
- o Establishing and tracking of resources is a priority. Staffing has been assigned to get a good handle on these to ensure distribution sites maintain an appropriate level of inventory.

#### • Finance Section

- o Continuing to track personnel resources located in the SEOC and local EOC for use in spend plan development.
- o Located hotel in the Flint area for staff on travel status to stay and have bill send directly to SEOC.
- o Holiday Inn – Flint
- o 5353 Gateway Centre Drive
- o Flint, MI
- o 810-232-5300
- o Contact Finance Group Chief or appropriate State EM to set up initial stay and billing information.
- o Monitoring resource request board for costs incurred by state agencies for inclusion in spend plan.

The SEOC continues to provide:

- Situational awareness.
- Common operating picture/objectives.
- Coordination with city/county.
- Potential coordination with federal agencies.
- Incident prioritization.
- Coordination of life/health safety measures.
- Provide resources.
- Public Information Control.

#### MSP/EMHSD GIS Section Updates

##### Accomplished Today (January 10):

- Submitted report on total number of filters, pitchers, and replacement cartridges to Logistics.
- Printed map of wards for the City of Flint with Points of Distribution overlaid.
- LARA maps of Health Facilities and Active Facilities in progress.
- Geocoding water filter distribution addresses.
- Devise a method for measuring water filter distributions throughout the city. We will sum filter distribution by city block and produce distribution maps by block.
- DDACS Crime map overlay onto distribution map.

##### DTMB:

- Jeanette Doll at SEOC. Spoke to driver who is in Flint at first delivery church.
- Obtaining 3 quotes for printing of flyers for the churches this morning.
- Sent flyer to printer, provided Michelle with pickup information. Should be ready within the hour.
- DEQ requesting assistance with water bottle contract as vendor is running out of bottles and money ran out on contract. DTMB procurement director will work with DEQ on solution.
- Flyer ready for pickup shared information with logistics and Michelle.
- Spoke with DTMB Telecom director who confirmed that phones in co-located JIC will be ready in the larger room for Monday morning.
- Spoke with DTMB Mail Services on truck availability. Four trucks with drivers are available beginning Monday morning if needed.
- Coordinated contact with U of M Flint for use of media rooms.
- 4 cube trucks and drivers are available Tuesday.

##### DHHS-CH

- Appointed as Health Branch Director in the SEOC. Branch consists of MDEQ, MDARD, and MDHHS (health side only).
- Confirmed with the JIC and the LEOC in Genesee County that updates to 2-1-1 on water resource sites being listed on the pre-recorded 2-1-1 message will be provided to 2-1-1 daily by the JIC.
- Confirmed with Tom Page, Executive Director of 211, that the 211 pre-recorded messages for Monday, January 11, 2016, will include a listing of the water resource sites by zip code in Genesee County.

##### DEQ

- DTMB contacted to advise of POTENTIAL vendor / contract issues. Contingencies are currently being developed.
- Requested water kits be palletized and pre-staged on loading dock for pick up tomorrow to lab director.
- Update on water test tubes.
- MDARD- 500 1/11/16
- Sent out- 1000 1/8/16
- On hand- 500 1/11/16
- Lab to order 3,000 on 1/11/16. Lab ordered 1,000 on 1/8/16.
- Location secured for shipment of additional test bottles as the GCCARD. Info relayed to Lab Director.

##### Local EOC Update:

- Working to coordinate resources at the local level to maintain distribution of supplies at all PODs.
- Seeing supplies rapidly disappear from PODs today. Working to make sure POD managers are notifying us when they start running low.
- Working to establish a warehouse for local resource storage.
- Deploying additional District Coordinator tomorrow (Lt. Mark Russo).
- Working to establish minimum trigger points for resources at PODs.

##### Request/Task Assignment Definitions

- Assigned: Currently waiting for review by Logistics Group Chief and designation to appropriate agency.
- Cancelled: Item or task is no longer requested.
- Complete: Resource or task assignment has been fulfilled.
- In Progress: Being reviewed by appropriate agency.
- Mobilized: Resource is currently being delivered to local area.
- Need Additional Information: Agency is working with requestor to obtain further information on task or resource.
- On-Scene: Resource is currently on site for use/distribution.

##### Resource Requests

- Assigned: 1
  - Box trucks for water resource teams.
- In progress: 13
  - Additional water filter resources (7 requests total).
    - 30,000 additional filters.
    - 20,000 bottles of water.
  - Long term storage.
  - Truck transport.
  - Environmental Testing and Consulting (ETC) Lead Investigator.
  - Data Collection Cards.
  - MDARD sampling kits- 500 requested.
- Cancelled: None
- Complete: 5
  - JIC Set Up.
  - 1,000 Water Filters/Cartridges.
  - Water supply at Fire Department.
  - Water Filters for Churches.
- On-Scene: 4
  - Genesee County Section Chief.

- o Genesee County IMT Coordinator.
- o Genesee County Planning Section Chief.
- o Genesee County Logistic Section Chief.

• Need Additional Information: 0

#### Task Assignments

- Assigned: 5
  - o Establish and coordinate routine communication between SMEs and coordinate technical assistance among state agencies and to local agencies.
  - o Activate JIC plans.
  - o Create GovDelivery topic for public information.
  - o Establish method for routine communication of resource inventories and distribution amounts.
- Cancelled: 2
  - o Activate the State Recovery Task Force (2 requests).
- Complete: 16
  - o Volunteer Management Team.
  - o GIS Support Staff.
  - o Research West Virginia Emergency Recycling.
  - o Genesee County Healthcare Provider Contact Information.
  - o JIC Email Accounts.
  - o Provide technical assistance to the local Damage Assessment process.
  - o Establish SEOC operational period and hours of operations.
  - o Safety Officer.
  - o Activate donations Management Team.
  - o Coordinate response and recovery activities with MIVOAD and identify potential mission areas.
- In Progress: 26
  - o Monitor MI CIMS (2 assignments).
  - o Establish and maintain coordination between city, county, state, federal and subject matter experts.
  - o Obtain and maintain situational awareness and common operating picture of all activities (2 assignments).
  - o Technical assistance for local damage assessment.
  - o Volunteer assignment to assist at churches.
  - o Development of four Recovery Teams.
  - o Identify a collocated facility for JIC.
  - o Coordinate response and recovery activities with MIVOAD and identify potential mission areas.
  - o Investigate and identify all available programs for assistance with direct or related impacts, including the federal Lead Pipe Replacement Program.
  - o Develop a comprehensive GIS strategy.
  - o Establish and disseminate cost center information for the incident.
  - o Two additional positions for JIC.
- Mobilized: 1
  - o Establish and maintain coordination between city, county, state, federal and subject matter experts.

#### Incident Response/Recovery Priorities/Objectives

1. Ensure all households within impacted community have required resources.
2. Ensure accurate tracking and accounting of all commodities.
3. Improve and maintain public information strategy.
4. Develop a long term public health and services plan.
5. Ensure adequate staffing to support operational requirements.
6. Identify possible assistance programs.
7. Develop an approved GIS strategy.
8. Maintain coordination between partner agencies and organizations.
9. Enhance situational awareness and common operating picture of all activities.
10. Develop a comprehensive Recovery Plan.

#### Upcoming Forecast

-Forecast Update for Flint, MI Area: January 10, 2016

- Break from significant snow Sunday afternoon through Monday late afternoon.
- Snow returns Monday night and continues through Tuesday with very hazardous travel expected.
- Very cold temperatures expected through the entire week. The cold could limit ability to remove ice from road surfaces.
- Time to frostbite from exposed skin will be 15 to 30 minutes all week
- Bottled water stored outside or not in temperature controlled locations will freeze due to temperatures well below freezing through the week.

-Sunday (Jan 10):

- Heaviest snow coming to an end around 12pm. Around 1 inch of additional accumulation possible before snow ends. Some periodic light snow after 12pm, no significant additional accumulation expected. Hazardous travel likely with icy roads and blowing snow.

-Sunday afternoon (Jan 10) through Monday evening (Jan 12):

- On and off light snow with no significant accumulation expected. Icy roads likely for Monday morning and Monday evening commutes.

-Monday evening (Jan 11) through Tuesday (Jan 12)

- Snow and blowing snow will create hazardous driving conditions, very low visibility, and icy road surfaces. Could see 2-4 inches of accumulation in the Flint area. This snow event will impact all of the Lower Peninsula, so transportation to and from the Flint area will be very hazardous Monday night through Tuesday.

-Wednesday (Jan 12) through Saturday (Jan 16):

- Very cold with a few snow showers. High temperatures around 20-25 degrees, low temperatures around 10-15 degrees.

##### Damage Assessment Summary

#### Agency Summaries

##### Joint Information Center / Public Information Officer

The Joint Information Center (JIC) was operational from 8 a.m. to 5 p.m. on Jan. 10. State agencies at the JIC included the Governor's Office, Health and Human Services, and Michigan State Police.

Tasks accomplished during the operational period included:

- Finished coordinating and held a media event for Sunday, Jan. 10 at Flint Fire Station No. 1.
- Sent a media advisory for the Sunday, Jan. 10, media event at Fire Station No. 1.
- Drafted and sent JIC News Release No. 3 about deploying water resource teams in the city of Flint.
- Created social media posts about the water distribution sites and the Flint water website.
- Continued development of a door hanger for the community outreach efforts beginning next week.

- Continued developing a public service announcement.
- Updated the [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater) website.
- Staffed for the next operational period.
- Conducted a media monitoring report.

#### **Agriculture and Rural Development (MDARD)**

Jan 10th - 1/10/16 - Briefed Director Clover Adams after a.m. call. MDARD goals over the next few days: 1) Food - identification and prioritization of food service and food retail businesses and coordination with Genesee Co. Health Department on notification and inspection related to water usage; 2) Animals - continue outreach and education to animal facilities, in coordination with Genesee Co. Animal Control; 3) Review history and look at opportunities for assistance/guidance related to nutrition, including possible support through donations management.

#### **American Red Cross (ARC)**

Today the American Red Cross provided volunteers to staff 14 distribution sites (5 fire stations, 9 churches). The church sites distributed water and water filters while the fire station sites additionally distributed filter cartridge replacements and water testing kits.

*To facilitate distribution the ARC delivered water filters and bottled water to the church distribution sites. Throughout the day we have maintained representation at both the Genesee County EOC and Michigan's SEOC.*

Early in the day we noted that there had been no instructions with the water testing kits delivered to Fire Station #6. Our plan to fix this by making photo-copies from instruction sheets delivered to another station were delayed due to some logistical issues which have been resolved. Copies are now in progress for both station #6 and station #8 (station #8 ran out of instructions today).

ARC headquarters has made plans and assignments to assure that we continue to staff the distribution sites at the 5 fire stations from 9 a.m. to 9 p.m. each day through next Sunday (1-17-16). We are committed to deliver 6 pallets of bottled water, supplied by our Grand Rapids office, to G-CARD tomorrow (Monday, 1-11-16).

#### **Civil Rights (MDCR)**

Monitor and support agencies with issues surrounding outreach and engagement of marginalized populations within the City of Flint impacted by the current water crisis. Provide background on LEP/Bi-lingual and bi-cultural needs and resource obligations as well as resource and referral list qualification.

#### **Community Health (MDCH)**

Spoke to MDHHS PIO regarding the issue of water sampling test kit instructions not being provided with the test kits given out on 1/09/16 at one resource site location. DEQ confirmed with American Red Cross that local volunteers are making photocopies of the instructions to ensure adequate supply going forward.

Spoke to LEOC logistics regarding potential state facility resources available via MOUs between the private sector and MDHHS. The status of this resource request is on hold.

MDHHS EMC for ESF#8 was appointed as Health Branch Director in the SEOC. Branch consists of MDEQ, MDARD, and MDHHS (health side only).

Spoke with the JIC and MDHHS leadership to determine the need for a 24/7 phone line for questions regarding health and Flint water. It was determined by MDHHS, the JIC, and LHD that the message would instead be to call 2-1-1 or contact their primary care provider, rather than setting up a separate toll free number.

Confirmed with the JIC and the LEOC in Genesee County that updates to 2-1-1 on water resource sites that are listed on the pre-recorded 2-1-1 message will be provided to 2-1-1 daily by the JIC.

Confirmed with Tom Page, Executive Director of 211, that the 211 pre-recorded message for Monday, January 11, 2016, will include a listing of the water resource sites by zip code in Genesee County.

Held a conference call with CHECC leadership and MDHHS ESF#6 EMC to discuss the CHECC level of activation.

#### **Corrections (MDOC)**

January 8, 2015:

Administration for the MDOC has been notified and is updated on current situation. There are approximately 75 staff members working in the affected area. Potable water has been provided to the offices in the affected area since the beginning of this situation and will continue to be provided. This water is available for people working there and those that have been required to go to the office. We will continue to monitor this situation for any developing issues.

#### **Education (MDE)**

MDE is monitoring the situation and coordinating as necessary with other state agencies.

Kyle Guarrant, Deputy Superintendent, was on-site at the SEOC; January 10, 0915-1425.

#### **Environmental Quality (MDEQ)**

The Department of Environmental Quality (DEQ) Laboratory (lab) provided 1000 water test kits for stock at Flint points of distribution. 500 kits have been prepared for MDARD inspectors for pickup Monday morning. 1000 additional kits will be prepared for pickup Monday for supply for the teams scheduled to begin on Tuesday. 3000 kits are being ordered Monday morning to supplement stock. DEQ lab staff are scheduled to provide training to the teams in Flint on Monday afternoon. Contracts are being identified and examined to possibly expand vendor capabilities for providing additional resources.

DEQ staff are coordinating with Licensing and Regulatory Affairs (LARA) for the implementation of the Freeman Elementary faucet

replacement plan.

DEQ and DNR staff are supporting state and local activities where needed.

#### **Human Services (MDHS)**

Participated in AM & PM State Agency briefings,  
Updated resource requests.

Volunteer Coordinator at local level coordinated with ARC on FD staffing for extended hours of 9:00 - 21:00

Confirmed filter allocation is still at adequate level for estimated resource requests.

Worked with Recovery on Door to Door plan. Confirmed MDHHS will have volunteers next T- F for door to door work.

Late last night ordered 30,000 additional filters and replacement cartridges. ETAs coming

Ordered 93 pallets of water from South Carolina. ETAs coming

Appointed Human Services Branch Director, Branch includes MDHHS including Aging & Adult Services, MDE, MDCR, & ARC

Brought in Human Services EMC backup.

CHECC remains at Level 1 Activation - Normal Operations

#### **Licensing and Regulatory Affairs (LARA)**

LARA's proposal for a pilot faucet replacement program for Freeman Elementary School was approved.

Working on putting together a list of what the next steps are with tasks to be completed.

Coordinating with DEQ to complete additional testing at Flint schools.

#### **National Weather Service (NWS)**

Jim Maczko from NWS Grand Rapids will staff SEOC Monday, Jan 11. Otherwise, will participate in SEOC briefings via phone call and will coordinate support with local forecast office that serves Flint - NWS Detroit/Pontiac.

#### **Natural Resources (MDNR)**

MDNR is fully participating in all SEOC activities. Situational awareness is being maintained and the department stands ready to assist as needed.

Department POC's include:

Chief Gary Hagler, F/Lt. Jennifer Wolf, F/Lt. Steven B. Burton.

#### **Services to the Aging (OSA)**

Valley Area Agency on Aging - Region 5 (VAAA), in partnership with other local community agencies such as the Genesee County Health Department and MDHHS, has helped organize local meetings and distribute water and water filters. VAAA is an access point for receiving calls from homebound seniors who are not able to pick up water filters or need assistance installing water filters. VAAA reports they continue to receive calls from seniors who need assistance.

VAAA has distributed 2 bottles of water with each home delivered meal to each HDM client within the City of Flint. Water. VAAA also provided water to homebound seniors who needed water to prepare food as they had limited support to pick up bottled water. Congregate meal participants also have access to water and filters as needed. Once water filters were installed, VAAA discontinued including water with home delivered meals.

VAAA also contacted the Grandparents Raising Grandchildren program to ensure that they were aware of educational efforts and confirm the program had received water filters to distribute to program participants.

#### **State Police (MSP)**

A resource request was received to staff a Capitol Security Officer at the Collins Rd. facility from 0730 hrs until 1800 hrs on 1/10/16 only. An officer arrived at 1025 hrs and the facility will be staffed until 1800 hrs. This request was fulfilled.

A resource request was made to determine if the door to door operational hours should be expanded. Based on information received from Lt. Dehner it was determined the hours would remain 8:30 AM - 5 PM. Additionally, the Troopers assisting on this detail are to be used for security only.

A resource request was received to provide a security/safety briefing to the Water Resource Teams during the training scheduled at 1 p.m. on Monday, Jan 11 at DHHS Office. Specific items to include would be team safety, weather concerns, and any items determined important by MSP. Daily deployment briefings will be needed at 0830 at the GCCARD facility for all teams to include safety, security, and daily work assignments. The Recovery Branch Director will provide the daily work assignment to Lt. Dehner by 0800 hrs. Lt. Dehner will be responsible to assign one of the field personnel assisting the door to door operations to brief the group at the GCARD facility each morning. This resource request was assigned to the MSP REP.

The ICS 208 Safety Message/Plan was reviewed and driving information was added.

A safety briefing was provided to EOC and SEOC personnel during the briefing meetings.

#### **Technology, Management and Budget (MDTMB)**

Worked with University of Michigan Flint PIO for an area on the campus to conduct press briefings. Chancellor contacted and onboard with the state using their facilities as needed. Provided contact information to the JIC.

DTMB Real Estate Division located a warehouse facility within the city with 100,000 square feet that may be used.

DTMB Mail and Delivery Services drivers delivered water filters to drop off sites within the city. Drivers remained in the city and assisted with transporting of water throughout the day. DTMB has a driver and truck scheduled on Monday to pick-up additional

1,000 water test kits in Lansing and deliver to Flint. Mail and Delivery Services has four trucks/drivers available on

DTMB Telecom assisted in moving joint information center in the Flint Office Building telephones to larger room.

Printed 2,000 water informational flyers on Sunday morning to provide to churches. Purchased filters and replacement cartridges to ensure availability until large order arrives.

ASSISTANCE

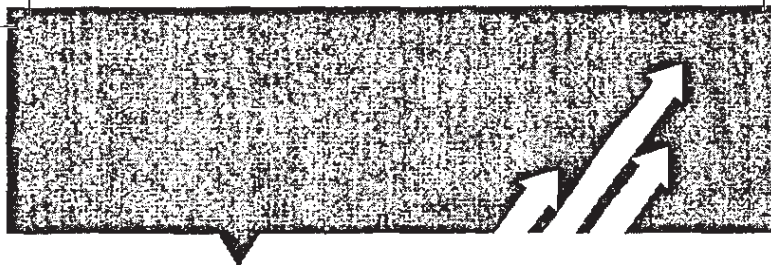

**DIAL 211**  
(24/7/365)

We are committed to a coordinated approach with resources  
from state agencies to address all aspects of this situation.

For a full range of your assistance, by calling 211,  
please call your office at 413-735-7858. I will continue working  
to protect you.

*Rick Snyder, Governor*

# FLINT WATER RESPONSE TEAM

## USE FILTERED TAP WATER

- Drinking, cooking
- Washing fruits and vegetables
- Brushing teeth
- Pet water bowls

## USE UNFILTERED TAP WATER

- Cleaning
- Bathing

## NUTRITION

Did you know that some foods will keep lead from being stored in a child's body? These are foods with a lot of calcium, vitamin C and iron.

## FREE WATER TESTING

Flint residents who are concerned about their water can obtain free water testing kits at the water resource sites.

## USE WATER FILTERS & CARTRIDGES

Water filters can reduce lead and other contaminants by 99 percent when installed and maintained correctly. Free water filters are available at the water resource sites.

FOR IMMEDIATE ASSISTANCE

**DIAL 211**

**Subject:** SEOC Update 1/8/16 - Flint Water - Limited Distribution  
**Attachments:** SitRep3 Flint Water.pdf

INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

### Update 1/8/16

SitRep 3 attached.

There is a significant difference in what is being presented by the media and what the local EOC is relaying to us at the SEOC. It is also being driven by the media that this is a state versus local response (who is providing more and quicker versus a coordinated effort between all). That said, I advised SEOC personnel that perception is reality in some eyes and *we are to move forward to address items that typically are addressed at the local level. I have ordered the SEOC open all weekend due to make the quick wins that we need and continue to get the coordination and collaboration in place that is needed (but make gains on our own as needed).*

### Items to Note

- Two FEMA LNO’s arrived today and are in the SEOC. A third LNO was requested from FEMA due to some unique issues with this event to include having to deploy more or my staff to the local EOC to get more structure and/or find out why there is an issue with the message the media is showing versus what we are hearing from the local EOC.
- We finally received from the local EOC 8 locations (we were told originally early in the week they had 80-90) that are their Points of Distribution (PODs) for water in conjunction with the local food bank. The PODs are not getting water from the food bank even though the food bank has water. We are going to resolve this issue as we can help deliver the water to the PODs but we were not aware of this. *8 PODs is not enough locations if water needs to be distributed to citizens.* Speaking with the ARC Regional Administrator later today, I believe ARC got water to those locations but I need to confirm that in the morning. The food bank reported they had 376 cases of water.
- We have learned that a low number of residents are testing their water when DEQ can test 400 kits per day. This is an added focus that we believe can be increased through dissemination of test kits with the filters and any water.
- I found out the Mayor was okay with using fire stations as distribution points for water, filters, and water test kits. While this did not come to me through the local EOC, I advised we needed to get water, filters, and test kits to these locations for tomorrow. The distribution at 5 Flint Fire Department stations has been coordinated to be in place by 10:00 am tomorrow morning.
- DTMB has provided a truck and driver to pick up water test kits from DEQ lab in Lansing, water from the Food Bank and water filters and replacement cartridges from GCARD in Genesee County.

- 10 American Red Cross (ARC) volunteers will meet the DTMB truck at GCARD at 9:00 am to be provided information about filters. Instructions will be included in water test kits. They will then report to the 5 fire stations to assist in distribution of resources to the public and track addresses of same.
- Residents will be told where they can drop off their water test kits, or that they can return them to the fire station the next day. Coordination will occur on pick up of water test kits daily to be taken to the Flint City Hall, who will then delivery them to the DEQ testing lab.
- STILL FINALIZING - We have made available 2,000 Filters for distribution on Sunday as parishioners leave mass/services. This will be 200 filters for 10 churches in Flint. While this is a small number of churches, we do not want to waste an opportunity to hand out filters and this seems like a quick way to so. The filters will be put on the DTMB truck on Saturday for delivery to TBD locations for distribution. Logistics remain undetermined as I am still waiting on a list of the churches, pastors/reverends/hours or services/etc. The DTMB truck will be returning to Lansing approximately 11:00 a.m. so we need to finalize this quickly on Saturday. We may utilize ARC to assist with this.
- The Recovery branch is working with the JIC to develop a door hanger card. DTMB is working on the printing portion of the hanger card. Recovery will also be finalizing logistics over the weekend for neighborhood canvassing to occur early next week. 40 volunteers have signed up to attend training on Monday afternoon to complete this task. The mission will be to deliver water sample kits along with water filters/replacement cartridges, and water.
- It appears that 211 has become overloaded. DHHS is researching ways to increase capacity for calls.
- A Volunteer Management Coordinator is in the Genesee County EOC as of today.
- A Donations Management Coordinator has been requested and she will be in the Genesee County EOC Saturday.
- DHHS had a conference call with GM today; they indicated they can provide cash, and supplies, but primarily manpower. No commitments were made at this point. We inquired as to availability of warehouse space and trucks. It was left as GM being a major resource pool that we can tap into as we determine missions. Further conversations will occur, but primarily GM just wanted us to know they are there if needed.
- An additional EMHSD staff member was sent to the Genesee County EOC to act as Operations Section Chief and obtain awareness of the situation there.
- GIS staff met with various parts of Genesee County/Flint personnel to try to get a handle on data available.
- GIS continues to work with local GIS personnel with three GIS staff going to Flint today to work with them. GIS staff is working with U of M on how best to proceed with digitizing water lines for long term recovery.

Chris

---

#### UPDATE 1/7/16

A summary of some of today's SEOC activities is provided below. Attached is the following:

- Today's SitRep which contains more information than below.
- The resource request/task assignment sheet for your situational awareness. This is how locals request resources as well as how we track resources and any assignments and/or tasks that are to be completed.

- JIC Task Tracking – for your situational awareness on how we are tracking requests and assignments. Once someone is assigned a task or resource request it allows them to document what work has been or will be done as shown at the bottom of the document.

#### Items to note:

- I received a document this evening from Genesee County which appears to be damage assessment information. Analysis of this will occur tomorrow. It appears to be infrastructure and costs to fix it and no other impacts.
- I spoke with Jamie Curtis, Genesee County Commissioner, this evening. A very good relationship is in place with him, especially with our District Coordinator (DC). I also have our DC working on developing stronger relationships with the Mayor/Mayor's office.
- GIS staff continue to obtain data and work with County and City personnel to get a picture of where resources have been provided, need to be provided, as well as infrastructure locations (pipes) that could be affected.
- Personnel and agencies have been tasked with developing a plan to get people in the community to deliver information, hand out filters, etc. This would target those areas we are showing minimal or no filter distribution *based on the data we are collecting*. The plan is to get them in the field by Tuesday and the plan will be provided to me tomorrow.
- Filters can be obtained at the following locations:
  - Michigan Department of Health and Human Services office, 125 E. Union St., Flint, MI 48502
  - Michigan Department of Health and Human Services office, 4809 Clio Road, Flint, MI 48504
  - Genesee County Community Action Resource Department office, 2727 Lippincott, Flint, MI 48507
  - Genesee County Community Action Resource Department office, 601 N. Saginaw, Flint, MI 48502
- Conducted briefing with local EOC and county executive.
- Conducted briefing with state agencies (daily updates).
- Began work to schedule legislative/congressional conference calls. Tentatively scheduled for 2 p.m. Friday.
- JIC continued to develop messaging.
- Provided input to local EOC regarding best methods of identifying health and non-structural impacts for damage assessment process.
- Deployed two EMHSD/SEOC liaisons to assist the local EOC.
- Published the Incident Action Plan and continued assignment of objectives/tasks.
- FEMA Liaison Officers just arrived in Lansing to assist command and general staff.
- I spoke with Harvey a few times and he should have talking points later tonight or tomorrow a.m. for his use and also for others who may speak to media outside of state government who may benefit from our messaging.
- We held a media round table at 1 P.M. at the SEOC. Dr. Wells and I spoke and answered questions to numerous media outlets.
- Local agencies and NGOs continue to provide water and filters to citizens.
- The website, [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater), was update with information and links to assistance to include 211. Additional recommendations were provided to include information on the testing water in homes.

#### EMHSD GIS:

##### Accomplished Today:

- Reproduced Socio-Economic Status Map
- Reproduced Predicted Affected Populations Map
- Cleansed old data and reports for water filter distributions
- Created draft map of water filter distributions (Refinement needed before releasing final product)
- Scheduled on-site visit with Flint GIS Department and Genesee County GIS Department
- Formatted databases to host content
- Researched service line database creation and scheduled meeting with U of M Flint to discuss timelines and resource needs
- *Generated water infrastructure map (does not include building service lines)*

#### Tasks for Tomorrow:

- Meet with Flint City GIS
- Meet with Genesee County GIS
- Meet with U of M Flint GIS
- Finalize water filter distributions map
- Finalize plan for data distribution methods

Chris

---

#### UPDATE 1/6/16

A summary of today's SEOC activities is provided below. I tried to distill this as best I could but there has been a lot of activity and discussion to get an accurate assessment of the situation. Attached is the final draft of objectives and tactics for the operational period and agency situation report (SitRep) which has more SEOC agency information. I have implemented weekly operational periods.

Advise if you want anyone else copied or off this distribution.

#### Daily Update

- Set goals for SEOC and identified response/recovery emphasis
- Requested FEMA liaison officers (LNO) from FEMA Region V. Two LNOs will be on site by ~3 p.m. 1/7/16. Both are known contacts to me and some staff and one has worked extensively with me during the SE MI flooding in a command and control position. These personnel have been specifically tasked with this mission. **THEY ARE NOT HERE TO ASSIST WITH A PRESIDENTIAL DECLARATION REQUEST BUT TO ASSIST ME.**
- PIOs from multiple agencies were here and established the Joint Information Center (JIC). News released pushed out on this. I am very happy with the PIO work and movement toward coordinated messaging.
- Held briefing for State Agency Emergency Management Coordinators, which included presentations from DEQ and DHHS subject matter experts to ensure situational awareness and to develop a common operating picture.
  - I opened the briefing by identifying our initial goals, items to think about while subject matter experts were briefing us, and how we are to move forward, find quick wins, and regain trust.
  - **MDHHS – Elevated Blood Lead Levels**
    - Dr. Elizabeth Wells gave an in depth summary of lead poisoning and what has occurred in terms of health monitoring throughout the Flint crisis.
  - **MDEQ – Water Testing Protocols**
    - Mr. George Krisztian of MDEQ gave an in depth summary of the testing protocols and summary results that as they have developed throughout the emerging crisis.
- Developed Incident objectives, strategy and tactics (see attached)
- Identified SEOC and state agency staff positions
- Assigned work tasks for SEOC operation period from 0800 January 6, 2016 to 1700 January 8, 2016
- Reviewed planned actions, prepared final draft Incident Action Plan
- **Made contact with the Genesee County Emergency Manager first thing in the morning and held a conference call mid-day to discuss roles. Daily 0830 command conference calls with local EOC command staff starts tomorrow. Tomorrows call will include the County Commissioner and the City Administrator (both invited). Topics include the incident action plan objectives and establishing better local coordination, command and control to facilitate integration with the SEOC. The local EOC is not functioning as it needs to with personnel and local coordination and we are working on that issue.**
- I will be in Flint tomorrow for a 2 p.m. media round table with local officials that was set up by the JIC.

- The attached initial objectives will be updated at least every operational period and as needed. I listed the objectives below but the tactics to accomplish them is in the attached if you want further information.
  1. Activate the State Recovery Task Force (SRTF).
  2. Establish and maintain coordination between the City of Flint, Genesee County, state and federal agencies, and appropriate medical experts.
  3. Obtain and maintain situational awareness and common operating picture of all activities.
  4. Establish SEOC operational period and hours of operations.
  5. Investigate and identify all available programs for assistance with direct or related impacts, including the federal Lead Pipe Replacement Program.
  6. Develop a comprehensive GIS strategy.
  7. Coordinate response and recovery activities with MIVOAD and identify potential mission areas.
  8. Establish and coordinate routine communication between SMEs and coordinate technical assistance among state agencies and to local agencies.
  9. Provide technical assistance to the local Damage Assessment process.
  10. Establish a Joint Information Center (JIC) and develop a public information strategy.
  11. Monitor MI CIMS for resource requests and address as appropriate.
  12. Establish and disseminate cost center information for the incident.
- Additional tasks include:
  - Determine what federal agencies are already involved and their status
  - Identify potential water supplies
  - Determine where affected homes are located, where filters/pitchers (and replacements) were installed/provided, and determine who needs filters, etc.
  - Determine how filter distribution is handled, and if it can be handled more efficiently and effectively
  - Determine what mechanisms are in place for nutrition supplementation

#### EMHSD GIS Accomplishments:

- Hosted a conference call to begin coordination with Flint City and Genesee County GIS departments and the SEOC
- Established a daily call with county and city GIS personnel to synchronize GIS efforts in support of the Flint water crisis at 8:30 A.M.
- Began consolidating local data from local GIS practitioners into a consolidated database, to include:
  - Water Pipeline Locations
  - Filter Distribution Locations
  - November 25, 2015 Water Monitoring Results (Partial, some data remains to be digitized)
  - Affected School Locations
  - Predictive analysis of blood lead levels for affected area
  - Updated Parcels
  - Demographics
  - Block Groups
- Produced a map for the filter distribution locations
- Began contacting specialists who developed historic maps depicting the Flint Water Crisis to obtain the data

**From:** Kelenske, Chris (MSP)  
**Sent:** Tuesday, January 05, 2016 6:13 PM  
**To:** Etue, Kriste (MSP); Gorski, Gary (MSP); Smith, Paul (GOV)  
**Cc:** Baird, Richard (GOV); Hollins, Harvey (GOV)  
**Subject:** RE: Update - Genesee County Declaration

I forgot to advise that we have asked key state agency PIOs to be in the SEOC for the briefing.

**From:** Kelenske, Chris (MSP)  
**Sent:** Tuesday, January 05, 2016 6:06 PM  
**To:** Etue, Kriste (MSP); Gorski, Gary (MSP); Smith, Paul (GOV)  
**Cc:** Baird, Richard (GOV); Hollins, Harvey (GOV)  
**Subject:** Update - Genesee County Declaration

Below are some key points for your situational awareness (FYSA) that have taken place or will take place within the next 15 hours.

- I was on the phone with Sean Kammer, Assistant to the Flint City Administrator, when the declaration hit the news so I advised him immediately. He was going to let the City Administrator know.
- I contacted MSP Lt. Roach, 3<sup>rd</sup> District Coordinator, who was at the Genesee County EOC and advised her to let the County EM know the declaration status.
- State Emergency Management Coordinators (SEMCs) were notified via our notification system with additional information in an email.
  - This included information on the SEOC activation and a 0900 briefing for SEMCs.
  - Some subject matter experts will provide us an update to establish a common operating picture.
- We have been in contact with FEMA Region V watch desk ... they will be on the call tomorrow and continue to monitor the situation.
- I have been in contact with the FEMA Region V Administrator to keep him updated.
- Operational period for the SEOC will be M-F, 0800 to 1700 at this time.
- Situation Reports (SitReps) will be provided in the evenings.
- An Incident Action Plan will be developed tomorrow.

Call me with any concerns or questions.

Chris

# Damage Assessment and Emergency Status Report

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

## Operational Period

Operational Period Begin: 01/06/2016 08:00:00  
 Operational Period End: 01/08/2016 17:00:00  
 Situation Report No. 3  
 SEOC Status: Full  
 SEOC Hours of Operation Begin: 01/8/2016 08:00:00  
 SEOC Hours of Operation End: 01/8/2016 17:00:00

## Executive Summary

By early May 2014, the City of Flint switched from the Detroit Water and Sewerage Department (DWSD) to water from its own water treatment plant drawn from the Flint River as its primary water source. The different characteristics of the water resulted in leaching of lead from lead pipes in the city's water infrastructure into the water supply. Increased exposure to lead can cause immediate negative health effects. However, the main health concerns are long-term effects in children such as developmental and cognitive delays, and behavioral disorders. Increased water lead levels and elevated blood lead levels in young children were observed in the City of Flint and confirmed by the State Chief Medical Officer.

On October 1, 2015 the Genesee County Health Department declared a Public Health Emergency due to the elevated blood lead levels in citizens. In response to this the City of Flint declared a local State of Emergency on December 15, 2015 and activated their Emergency Operations Center.

To mitigate the effects of the new source of water on the infrastructure in the City of Flint, the city switched back to DWSD water on October 16, 2015. Funding to reconnect to DWSD was provided from the City of Flint, the Charles Stewart Mott Foundation, and the State of Michigan. Water is now treated with a supplemental phosphate addition to rebuild the protective layer in the distribution system and reduce the leaching of lead into the water supply.

For the mitigation of negative health effects, over 24,000 water filters and replacement cartridges have been distributed to residents in the City of Flint. Approximately 13,000 water filters, water pitchers and replacement cartridges were distributed by the Michigan Department of Health and Human Services (MDHHS) in the timeframe of October 1 to December 31, 2015 alone.

MDHHS has increased surveillance of blood lead levels in children and is addressing water issues in environmental investigations to identify lead sources in the environment of affected children and provide health education and information to residents, health care providers, and daycare/educational institutions.

Local nonprofit organizations have provided potable water to Flint residents. MSP/EMHSD GIS staff is supporting county and local GIS staff by consolidating data from local sources into comprehensive databases and providing mapping services to support incident analysis and forecasting. Data and maps regarding the location of water pipes, affected schools, filter distribution locations, water monitoring results, and predictive blood lead levels for affected areas will be made available with demographics.

Before December 16, 2015, \$9.35 million was provided by the State of Michigan and \$6 million by local agencies and nonprofit partners to manage the effects of the corroded pipes. While the source water has been switched back to DWSD, water in the City of Flint is still not safe to drink, unless specifically filtered.

On January 5, 2016, Governor Snyder declared a State of Emergency for the City of Flint and Genesee County. Genesee County requested the Governor's declaration on January 5, 2016, following the declaration of a State of Emergency in the county in response to the presence of lead in the public water supply and the detection of elevated blood lead levels exceeding governmental standards.

Since the declaration by the Governor on January 5th, the State Emergency Operations Center (SEOC) has been fully activated and working with local and state agencies to ensure a coordinated response to the incident. Since the activation, the SEOC has activated command staff, state agency EMC's, and implemented the Recovery Branch under the Operations Section.

### SEOC Update:

Accomplished today (January 8):

- Recovery Branch is working to develop an enhanced method for outreach to all individuals.
- DHHS is working to develop a method for distribution of water.
- Conducted briefing with local EOC and county executive.
- Conducted briefing with state agencies (daily updates).
- Held first legislative call today.
- JIC continued to develop messaging and has implemented a co-located JIC in the City of Flint.
- SEOC staff provided input to local EOC regarding best methods of identifying health and non-structural impacts for damage assessment process.
- Deployed 3 EMHSD/SEOC liaisons to assist the local EOC.
- Worked on developing incident objectives for the next operational period.
- FEMA Liaison Officers are on site at the SEOC and are assisting and providing technical expertise as needed.

The SEOC continues to provide:

- Situational awareness.
- Common operating picture/objectives.
- Coordination with city/county.
- Potential coordination with federal agencies.
- Incident prioritization.
- Coordination of life/health safety measures.
- Provide resources.
- Public Information Control.

#### MSP/EMHSD GIS Section Updates

##### Accomplished Today (January 8):

- Produced Water Point of Distribution Map (POD).
- Produced Filter Point of Distribution Map (POD).
- Met with Genesee County Emergency Manager to discuss POD locations, and hours of operation. He will also be sending us data on new facilities serving as POD's with hours of operations.
- Attempted to geocode list of properties that have received a water filtration system. Geocoding encountered a problem due to original database format. We continue to clean up the database.
- Attempted to get data on the zip codes; local contact has not yet responded.
- Met with GIS from Flint to discuss data and methods.
- U of M contacted us to set up a meeting on how best to proceed with digitizing water lines
- Received account from City of Flint for their ArcGIS online.

##### Tasks for Tomorrow (January 9):

- Finalize updated list on water filter distributions map.
- Update Water and Filter POD's with updated information from Genesee County Emergency Manager.
- Establish time to meet with U of M.
- Finalize water filter distributions map.
- Finalize plan for data distribution methods.

#### Volunteer and Donations Management:

- SEOC staff, Local EOC, and local organizations had a call with General Motors about possible donations.

#### Local EOC Update:

The following actions have been coordinated and supported through the Genesee County EOC since activation:

##### Genesee County Sheriff's Office:

- Distribute filter and water to affected population (172 attempted contacts with 27 personnel on 01/07/2016).
- Provide security at EOC and incident facilities.
- Sheriff Pickell is serving as the PIO for Genesee County.
- Operate EOC and manage incident through Emergency Management & Homeland Security Office.

##### Genesee County Health Department:

- Developing messaging (health education) for affected population.
- Provide nutritional counseling.
- Elevated blood level case management.
- Provide IT support for filter distribution database and GIS mapping.
- Developing Lead Poison Prevention Plan.

##### Genesee County Equalization Department:

- Provide addresses, demographic, socioeconomic data for incident planning and forecasting.
- Provide GIS mapping services.
- Preliminary assessed damages on public and private infrastructure impacts in coordination with City of Flint.

##### Genesee County Community Action Resource Department (GCARD):

- Warehousing/staging of filters for distribution to affected population.
- Distribution of filters to affected population from two locations in the City of Flint.

##### City of Flint Fire Department:

- 5 Fire stations will serve as PODs for water and filter equipment on Saturday, 01/08/2016, 0900AM to 1600PM.

##### Flint Community Schools:

- Nothing reported at this time.

##### Michigan Department of Health and Human Services:

- Filter distribution at one location in the City of Flint.

##### United Way of Genesee County:

- Receive and manage donations (cash and goods).
- Public information through 211.
- Facilitating coordination and control among local agencies.

##### Foodbank of Eastern Michigan:

- Warehousing/staging of water for distribution to affected populations.
- Identify and operate PODs for water (8 sites identified by 12:00 noon, 01/08/2016).
- Water inventory by end of day, 01/07/2015: Food bank has 376 cases of water.

##### Hurley Medical Center:

- Nothing reported at this time.

The county EOC has issued five resource requests to the SEOC (all in progress) by 12:00 noon on 01/08/2016.

#### **Incident Response/Recovery Priorities/Objectives**

TBD

#### **Emergency Declarations**

##### Local Declarations

##### Jurisdiction(s): Date/Time:

Genesee County, Public Health Emergency, 10/01/2015

City of Flint, Declaration of State of Emergency, 12/15/2015

[illegible]

## **Damage Assessment Summary**

## **Agency Summaries**

### **Joint Information Center / Public Information Officer**

Jan 7, 2016

The Joint Information Center (JIC) was operational at 1 p.m. on Jan. 6 and operational from 8 a.m. to 5 p.m. on Jan. 7. State agencies at the JIC included the Departments of Licensing and Regulatory Affairs, Health and Human Services, Agriculture and Rural Development, Environmental Quality, and Michigan State Police.

During the 8 a.m. to 5 p.m. operational period, Gov. Rick Snyder held a press availability with Flint Mayor Karen Weaver. In addition, a round-table press briefing occurred at 1 p.m. at the 4000 Collins Road facility.

Objectives included:

- Oversaw and managed the state of Michigan public information duties due to emergency declaration.
- Held a 4 p.m. conference call with Genesee County PIO Sheriff Robert Pickell and city of Flint PIO Lead Sean Kammer.

#### **Information Gathering**

- Created media monitoring reports about the disaster as needed.
- Crafted talking points about the ongoing disaster, including a better description of the emergency declaration process.
- Crafted social media posts about state efforts underway during the disaster recovery process.
- Created graphics for social media efforts.

#### **Information Dissemination**

- Answered phones and manage media inquiries in regards to the Flint Water situation.
- Worked to establish a GovDelivery account; post link of website to sign up.
- Finalized details, media invite list and host a media roundtable.

#### **External Affairs**

- Worked on planning a conference call between command staff and affected state legislators and congressional Jan. 8, 2015.

#### **Administrative**

- Worked on filling staffing for the next operational period.

#### **Logistics**

- Worked on fixing email accounts.
- Worked to establish a location with Genesee County and the city of Flint for a Unified Joint Information Center by the end of the week.
- Established a conference call line for the media roundtable.

### **Agriculture and Rural Development (MDARD)**

Two areas MDARD is monitoring:

- 1). Water usage in food processing, food retail, and food service (restaurants). Guidance document has been available since October; MDARD surveyed food processors in October and did not find issues.
- 2). Water consumption by pets / animals. There has been some evidence of lead toxicity in dogs, and there has been guidance about pets & water included in the Q & A.

Jan 7th 2016 4pm update:

MDARD and Genesee Local Health Dept. agreed to move guidance on water to a regulatory requirement. New language (after JIC approval) will be going out to retail food establishments and restaurants with follow up inspections and sampling. Planning will continue on logistics for sampling.

Jan 8th 2016 4pm update:

Animals - Shelter Director Paul Wallace has obtained some documents to help ascertain what entities (that are not tracked via licensing and registration) that would be housing animals: 1) All the City of Flint street (physical) addresses that are on City of Flint water, 2) All the "Out-County" (physical) addresses that are on City of Flint water. The Shelter Director is also pulling the possible animal holding/gathering facilities in reference to that listing which will provide the rest of the contacts. MDARD will be getting copies of all of these lists soon. Other shelters are not on City of Flint water.

### **American Red Cross (ARC)**

The American Red Cross will be standing up a 'limited' Disaster Relief Operation by the end of today. This will enable us to provide a more comprehensive response to community needs in Flint as they are made known. We will now be more readily able to bring in resources from outside the Flint area.

### **Civil Rights (MDCR)**

Monitor and support agencies with issues surrounding outreach and engagement of marginalized populations within the City of Flint impacted by the current water crisis.

### **Community Health (MDCH)**

MDHHS is collaborating with the MDHHS PIO in the JIC to provide health related information for the document that will be delivered to all homes in Flint.

Collaborated with LARA to obtain a contact list of all health professionals in Genesee County for distribution of Guidelines for Lead Testing in Children.

Per Genesee County Health Department, all inquiries about lead testing are being referred to 211 or their individual healthcare provider.

*Dr. Eden Wells, Chief Medical Executive, participated in the Congressional Briefing.*

#### **Corrections (MDOC)**

*Administration for the MDOC has been notified and is updated on current situation. There are approximately 75 staff members working in the affected area. Potable water has been provided to the offices in the affected area since the beginning of this situation and will continue to be provided. This water is available for people working there and those that have been required to go the office. We will continue to monitor this situation for any developing issues.*

#### **Environmental Quality (MDEQ)**

The DEQ laboratory is prepared to accept and process 400 water samples pre day, 7 days a week. DEQ Incident Management Team staff are supporting the local Emergency Operations Center with personnel in Incident Command positions.

#### **Human Services (MDHS)**

*Participated in 9:30 State Agency briefing,*

*Updated resource requests.*

*Local MDHHS staff active in local EOC.*

*Sent MCSC to Genesee Co to coordinate various volunteer efforts.*

*Helping with donation management efforts at the local level.*

*Gathering information on water filter acquisition, distribution, installation, life span and replacement.*

*CHECC remains at Level 1 Activation - Normal Operations*

#### **Licensing and Regulatory Affairs (LARA)**

Communicating with DEQ regarding additional water testing in Flint schools.

Gathering information from the Plumbing Division regarding plumbing authority within the city of Flint.

#### **National Weather Service (NWS)**

Jim Maczko from NWS Grand Rapids participating in morning SEOC briefings via phone call and will coordinate support with local forecast office that serves Flint - NWS Detroit/Pontiac.

#### **Natural Resources (MDNR)**

MDNR is fully participating in all SEOC activities. Situational awareness is being maintained and the department stands ready to assist as needed.

*Department POC's include:*

*Chief Gary Hagler, F/Lt. Jennifer Wolf, F/Lt. Steven B. Burton.*

#### **Services to the Aging (OSA)**

Valley Area Agency on Aging - Region 5 (VAAA), in partnership with other local community agencies such as the Genesee County Health Department and MDHHS, has helped organize local meetings and distribute water and water filters. VAAA is an access point for receiving calls from homebound seniors who are not able to pick up water filters or need assistance installing water filters. VAAA reports they continue to receive calls from seniors who need assistance.

VAAA has distributed 2 bottles of water with each home delivered meal to each HDM client within the City of Flint. Water. VAAA also provided water to homebound seniors who needed water to prepare food as they had limited support to pick up bottled water. Congregate meal participants also have access to water and filters as needed. Once water filters were installed, VAAA discontinued including water with home delivered meals.

VAAA also contacted the Grandparents Raising Grandchildren program to ensure that they were aware of educational efforts and confirm the program had received water filters to distribute to program participants.

#### **State Police (MSP)**

Insp. Bolger is monitoring the incident via MICIMS and participating in State Agency Briefings.

#### **Supreme Court**

08:50 - State Judiciary EMC John Ort reported to the SEOC regarding the Flint water emergency. Nothing to report from the Judiciary regarding the emergency. DEQ website resources shared with our State Court Administrative Office (attn: Region II) in case our Genesee County courts have any questions regarding the emergency.

#### **Technology, Management and Budget (MDTMB)**

*Provided update to management on morning briefing.*

*Co-located JIC has been setup for the public information officers, along with a media meeting room. Facilities supervisor assisted with unloading and equipment setup.*

*Received list of agency public information officers to have access to the Flint Office Building added to their ID cards.*

*Resource request received for a truck and driver needed to pick-up pallets of water and cartridges within the city and deliver them to five city fire stations on Saturday.*

*Resource request received to locate warehouse space within the city to act as a distribution and intake site for donated water, cartridges and filters. DTMB Real Estate Division contacting resources within the city for available locations.*

**Subject:** SEOC Update 1/7/16 - Flint Water - Limited Distribution  
**Attachments:** Resource Requests Task Assignment 1 7 16.pdf; Situation Report 2.pdf; JIC Task Tracking.pdf

INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

### UPDATE 1/7/16

*A summary of some of today’s SEOC activities is provided below. Attached is the following:*

- Today’s SitRep which contains more information than below.
- The resource request/task assignment sheet for your situational awareness. This is how locals request resources as well as how we track resources and any assignments and/or tasks that are to be completed.
- JIC Task Tracking – for your situational awareness on how we are tracking requests and assignments. Once someone is assigned a task or resource request it allows them to document what work has been or will be done as shown at the bottom of the document.

### Items to note:

- I received a document this evening from Genesee County which appears to be damage assessment information. Analysis of this will occur tomorrow. It appears to be infrastructure and costs to fix it and no other impacts.
- I spoke with Jamie Curtis, Genesee County Commissioner, this evening. A very good relationship is in place with him, especially with our District Coordinator (DC). I also have our DC working on developing stronger relationships with the Mayor/Mayor’s office.
- GIS staff continue to obtain data and work with County and City personnel to get a picture of where resources have been provided, need to be provided, as well as infrastructure locations (pipes) that could be affected.
- Personnel and agencies have been tasked with developing a plan to get people in the community to deliver information, hand out filters, etc. This would target those areas we are showing minimal or no filter distribution based on the data we are collecting. The plan is to get them in the field by Tuesday and the plan will be provided to me tomorrow.
- Filters can be obtained at the following locations:
  - Michigan Department of Health and Human Services office, 125 E. Union St., Flint, MI 48502
  - Michigan Department of Health and Human Services office, 4809 Clio Road, Flint, MI 48504
  - Genesee County Community Action Resource Department office, 2727 Lippincott, Flint, MI 48507
  - Genesee County Community Action Resource Department office, 601 N. Saginaw, Flint, MI 48502
- Conducted briefing with local EOC and county executive.
- Conducted briefing with state agencies (daily updates).
- Began work to schedule legislative/congressional conference calls. Tentatively scheduled for 2 p.m. Friday.
- JIC continued to develop messaging.
- Provided input to local EOC regarding best methods of identifying health and non-structural impacts for damage assessment process.

- Deployed two EMHSD/SEOC liaisons to assist the local EOC.
- Published the Incident Action Plan and continued assignment of objectives/tasks.
- FEMA Liaison Officers just arrived in Lansing to assist command and general staff.
- I spoke with Harvey a few times and he should have talking points later tonight or tomorrow a.m. for his use and also for others who may speak to media outside of state government who may benefit from our messaging.
- We held a media round table at 1 P.M. at the SEOC. Dr. Wells and I spoke and answered questions to numerous media outlets.
- Local agencies and NGOs continue to provide water and filters to citizens.
- The website, [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater), was update with information and links to assistance to include 211. Additional recommendations were provided to include information on the testing water in homes.

#### EMHSD GIS:

##### Accomplished Today:

- Reproduced Socio-Economic Status Map
- Reproduced Predicted Affected Populations Map
- Cleansed old data and reports for water filter distributions
- Created draft map of water filter distributions (Refinement needed before releasing final product)
- Scheduled on-site visit with Flint GIS Department and Genesee County GIS Department
- Formatted databases to host content
- Researched service line database creation and scheduled meeting with U of M Flint to discuss timelines and resource needs
- Generated water infrastructure map (does not include building service lines)

##### Tasks for Tomorrow:

- Meet with Flint City GIS
- Meet with Genesee County GIS
- Meet with U of M Flint GIS
- Finalize water filter distributions map
- Finalize plan for data distribution methods

Chris

---

#### UPDATE 1/6/16

A summary of today's SEOC activities is provided below. I tried to distill this as best I could but there has been a lot of activity and discussion to get an accurate assessment of the situation. Attached is the final draft of objectives and tactics for the operational period and agency situation report (SitRep) which has more SEOC agency information. I have implemented weekly operational periods.

Advise if you want anyone else copied or off this distribution.

#### Daily Update

- Set goals for SEOC and identified response/recovery emphasis
- Requested FEMA liaison officers (LNO) from FEMA Region V. Two LNOs will be on site by ~3 p.m. 1/7/16. Both are known contacts to me and some staff and one has worked extensively with me during the SE MI flooding in a command and control position. These personnel have been specifically tasked with this mission. **THEY ARE NOT HERE TO ASSIST WITH A PRESIDENTIAL DECLARATION REQUEST BUT TO ASSIST ME.**
- PIOs from multiple agencies were here and established the Joint Information Center (JIC). News released pushed out on this. I am very happy with the PIO work and movement toward coordinated messaging.

- Held briefing for State Agency Emergency Management Coordinators, which included presentations from DEQ and DHHS subject matter experts to ensure situational awareness and to develop a common operating picture.
  - I opened the briefing by identifying our initial goals, items to think about while subject matter experts were briefing us, and how we are to move forward, find quick wins, and regain trust.
  - **MDHHS – Elevated Blood Lead Levels**
    - Dr. Elizabeth Wells gave an in depth summary of lead poisoning and what has occurred in terms of health monitoring throughout the Flint crisis.
  - **MDEQ – Water Testing Protocols**
    - Mr. George Krisztian of MDEQ gave an in depth summary of the testing protocols and summary results that as they have developed throughout the emerging crisis.
- Developed Incident objectives, strategy and tactics (see attached)
- Identified SEOC and state agency staff positions
- Assigned work tasks for SEOC operation period from 0800 January 6, 2016 to 1700 January 8, 2016
- Reviewed planned actions, prepared final draft Incident Action Plan
- **Made contact with the Genesee County Emergency Manager first thing in the morning and held a conference call mid-day to discuss roles. Daily 0830 command conference calls with local EOC command staff starts tomorrow. Tomorrows call will include the County Commissioner and the City Administrator (both invited). Topics include the incident action plan objectives and establishing better local coordination, command and control to facilitate integration with the SEOC. The local EOC is not functioning as it needs to with personnel and local coordination and we are working on that issue.**
- I will be in Flint tomorrow for a 2 p.m. media round table with local officials that was set up by the JIC.
- The attached initial objectives will be updated at least every operational period and as needed. I listed the objectives below but the tactics to accomplish them is in the attached if you want further information.
  1. Activate the State Recovery Task Force (SRTF).
  2. Establish and maintain coordination between the City of Flint, Genesee County, state and federal agencies, and appropriate medical experts.
  3. Obtain and maintain situational awareness and common operating picture of all activities.
  4. Establish SEOC operational period and hours of operations.
  5. Investigate and identify all available programs for assistance with direct or related impacts, including the federal Lead Pipe Replacement Program.
  6. Develop a comprehensive GIS strategy.
  7. Coordinate response and recovery activities with MIVOAD and identify potential mission areas.
  8. Establish and coordinate routine communication between SMEs and coordinate technical assistance among state agencies and to local agencies.
  9. Provide technical assistance to the local Damage Assessment process.
  10. Establish a Joint Information Center (JIC) and develop a public information strategy.
  11. Monitor MI CIMS for resource requests and address as appropriate.
  12. Establish and disseminate cost center information for the incident.
- Additional tasks include:
  - Determine what federal agencies are already involved and their status
  - Identify potential water supplies
  - Determine where affected homes are located, where filters/pitchers (and replacements) were installed/provided, and determine who needs filters, etc.
  - Determine how filter distribution is handled, and if it can be handled more efficiently and effectively
  - Determine what mechanisms are in place for nutrition supplementation

#### **EMHSD GIS Accomplishments:**

- Hosted a conference call to begin coordination with Flint City and Genesee County GIS departments and the SEOC
- Established a daily call with county and city GIS personnel to synchronize GIS efforts in support of the Flint water crisis at 8:30 A.M.
- Began consolidating local data from local GIS practitioners into a consolidated database, to include:

- Water Pipeline Locations
- Filter Distribution Locations
- November 25, 2015 Water Monitoring Results (Partial, some data remains to be digitized)
- Affected School Locations
- Predictive analysis of blood lead levels for affected area
- Updated Parcels
- Demographics
- Block Groups
- Produced a map for the filter distribution locations
- Began contacting specialists who developed historic maps depicting the Flint Water Crisis to obtain the data

**Sent:** Tuesday, January 05, 2016 6:13 PM  
**To:** Etue, Kriste (MSP); Gorski, Gary (MSP); Smith, Paul (GOV)  
**Cc:** Baird, Richard (GOV); Hollins, Harvey (GOV)  
**Subject:** RE: Update - Genesee County Declaration

I forgot to advise that we have asked key state agency PIOs to be in the SEOC for the briefing.

---

**From:** Kelenske, Chris (MSP)  
**Sent:** Tuesday, January 05, 2016 6:06 PM  
**To:** Etue, Kriste (MSP); Gorski, Gary (MSP); Smith, Paul (GOV)  
**Cc:** Baird, Richard (GOV); Hollins, Harvey (GOV)  
**Subject:** Update - Genesee County Declaration

Below are some key points for your situational awareness (FYSA) that have taken place or will take place within the next 15 hours.

- I was on the phone with Sean Kammer, Assistant to the Flint City Administrator, when the declaration hit the news so I advised him immediately. He was going to let the City Administrator know.
- I contacted MSP Lt. Roach, 3<sup>rd</sup> District Coordinator, who was at the Genesee County EOC and advised her to let the County EM know the declaration status.
- State Emergency Management Coordinators (SEMCs) were notified via our notification system with additional information in an email.
  - This included information on the SEOC activation and a 0900 briefing for SEMCs.
  - Some subject matter experts will provide us an update to establish a common operating picture.
- We have been in contact with FEMA Region V watch desk ... they will be on the call tomorrow and continue to monitor the situation.
- I have been in contact with the FEMA Region V Administrator to keep him updated.
- Operational period for the SEOC will be M-F, 0800 to 1700 at this time.
- Situation Reports (SitReps) will be provided in the evenings.
- *An Incident Action Plan will be developed tomorrow.*

Call me with any concerns or questions.

Chris

Capt. Chris A. Kelenske  
 Deputy State Director/Commander  
 Emergency Management and Homeland Security Division

# Damage Assessment and Emergency Status Report

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

## Operational Period

**Operational Period Begin:** 01/06/2016 08:00:00  
**Operational Period End:** 01/08/2016 17:00:00  
**Situation Report No.** 2  
**SEOC Status:** Full  
**SEOC Hours of Operation Begin:** 01/07/2016 08:00:00  
**SEOC Hours of Operation End:** 01/07/2016 17:00:00

## Executive Summary

By early May 2014, the City of Flint switched from the Detroit Water and Sewerage Department (DWSD) to water from its own water treatment plant drawn from the Flint River as its primary water source. The different characteristics of the water resulted in leaching of lead from lead pipes in the city's water infrastructure into the water supply. Increased exposure to lead can cause immediate negative health effects. However, the main health concerns are long-term effects in children such as developmental and cognitive delays, and behavioral disorders. Increased water lead levels and elevated blood lead levels in young children were observed in the City of Flint and confirmed by the State Chief Medical Officer.

On October 1, 2015 the Genesee County Health Department declared a Public Health Emergency due to the elevated blood lead levels in citizens. In response to this the City of Flint declared a local State of Emergency on December 15, 2015 and activated their Emergency Operations Center.

To mitigate the effects of the new source of water on the infrastructure in the City of Flint, the city switched back to DWSD water on October 16, 2015. Funding to reconnect to DWSD was provided from the City of Flint, the Charles Stewart Mott Foundation, and the State of Michigan. Water is now treated with a supplemental phosphate addition to rebuild the protective layer in the distribution system and reduce the leaching of lead into the water supply.

For the mitigation of negative health effects, over 24,000 water filters and replacement cartridges have been distributed to residents in the City of Flint. Approximately 13,000 water filters, water pitchers and replacement cartridges were distributed by the Michigan Department of Health and Human Services (MDHHS) in the timeframe of October 1 to December 31, 2015 alone.

MDHHS has increased surveillance of blood lead levels in children and is addressing water issues in environmental investigations to identify lead sources in the environment of affected children and provide health education and information to residents, health care providers, and daycare/educational institutions.

Local nonprofit organizations have provided potable water to Flint residents. MSP/EMHSD GIS staff is supporting county and local GIS staff by consolidating data from local sources into comprehensive databases and providing mapping services to support incident analysis and forecasting. Data and maps regarding the location of water pipes, affected schools, filter distribution locations, water monitoring results, and predictive blood lead levels for affected areas will be made available with demographics.

Before December 16, 2015, \$9.35 million was provided by the State of Michigan and \$6 million by local agencies and nonprofit partners to manage the effects of the corroded pipes. While the source water has been switched back to DWSD, water in the City of Flint is still not safe to drink, unless specifically filtered.

On January 5, 2016, Governor Snyder declared a State of Emergency for the City of Flint and Genesee County. Genesee County requested the Governor's declaration on January 4, 2016, following the declaration of a State of Emergency in the county in response to the presence of lead in the public water supply and the detection of elevated blood lead levels exceeding governmental standards.

### MSP/EMHSD GIS Section Update

#### Accomplished Today:

- Reproduced Socio-Economic Status Map
- Reproduced Predicted Affected Populations Map
- Cleansed old data and reports for water filter distributions
- Created draft map of water filter distributions (Refinement needed before releasing final product)
- Scheduled on-site visit with Flint GIS Department and Genesee County GIS Department
- Formatted databases to host content
- Researched service line database creation and scheduled meeting with U of M Flint to discuss timelines and resource needs
- Generated water infrastructure map (does not include building service lines)

#### Tasks for Tomorrow:

- Meet with Flint City GIS
- Meet with Genesee County GIS
- Meet with U of M Flint GIS
- Finalize water filter distributions map
- Finalize plan for data distribution methods

## Incident Response/Recovery Priorities/Objectives

1. Activate the State Recovery Task Force
2. Establish and maintain coordination between the City of Flint, Genesee County, state and federal agencies, and appropriate medical experts.
3. Obtain and maintain situational awareness and common operating picture of all activities.
4. Establish SEOC operational period and hours of operations.

5. Investigate and identify all available programs for assistance with direct or related impacts, including the federal Lead Pipe Replacement Program.
6. Develop a comprehensive GIS strategy.
7. Coordinate response and recovery activities with MIVOAD and identify potential mission areas.
8. Establish and coordinate routine communication between SMEs and coordinate technical assistance among state agencies and to local agencies.
9. Provide technical assistance to the local Damage Assessment process.
10. Establish a Joint Information Center (JIC) and develop a public information strategy.
11. Monitor MI CIMS for resource requests and address as appropriate.
12. Establish and disseminate cost center information for the incident.

## Emergency Declarations

### Local Declarations

#### Damage Assessment Summary

#### Agency Summaries

##### Joint Information Center / Public Information Officer

The Joint Information Center (JIC) was operational at 1 p.m. on Jan. 6 and operational from 8 a.m. to 5 p.m. on Jan. 7. State agencies at the JIC included the Departments of Licensing and Regulatory Affairs, Health and Human Services, Agriculture and Rural Development, Environmental Quality, and Michigan State Police.

During the 8 a.m. to 5 p.m. operational period, Gov. Rick Snyder held a press availability with Flint Mayor Karen Weaver. In addition, a round-table press briefing occurred at 1 p.m. at the 4000 Collins Road facility.

##### Objectives included:

- Oversaw and managed the state of Michigan public information duties due to emergency declaration.
- Held a 4 p.m. conference call with Genesee County PIO Sheriff Robert Pickell and city of Flint PIO Lead Sean Kammer.

##### Information Gathering

- Created media monitoring reports about the disaster as needed.
- Crafted talking points about the ongoing disaster, including a better description of the emergency declaration process.
- Crafted social media posts about state efforts underway during the disaster recovery process.
- Created graphics for social media efforts.

##### Information Dissemination

- Answered phones and manage media inquiries in regards to the Flint Water situation.
- Worked to establish a GovDelivery account; post link of website to sign up.
- Finalized details, media invite list and host a media roundtable.

##### External Affairs

- Worked on planing a conference call between command staff and affected state legislators and congressional Jan. 8, 2015.

##### Administrative

- Worked on filling staffing for the next operational period.

##### Logistics

- Worked on fixing email accounts.
- Worked to established a location with Genesee County and the city of Flint for a Unified Joint Information Center by the end of the week.
- Established a conference call line for the media roundtable.

##### Agriculture and Rural Development (MDARD)

Two areas MDARD is monitoring:

- 1). Water usage in food processing, food retail, and food service (restaurants). Guidance document has been available since October; MDARD surveyed food processors in October and did not find issues.
- 2). Water consumption by pets / animals. There has been some evidence of lead toxicity in dogs, and there has been guidance about pets & water included in the Q & A.

Jan 7th 2016 4pm update:

MDARD and Genesee Local Health Dept. agreed to move guidance on water to a regulatory requirement. New language (after JIC approval) will be going out to retail food establishments and restaurants with follow up inspections and sampling. Planning will continue on logistics for sampling.

Animals - call into the Genesee County Animal Control Shelter not yet returned; will try again tomorrow.

##### American Red Cross (ARC)

The MSP/EMHSD planners asked the American Red Cross to brainstorm and come up with possible ways in which MI-VOAD, the Red Cross and other NGOs might be able to assist in the response and recovery phases of the Flint Water Contamination. We are working on this and calling upon Red Cross colleagues to contribute to it. We've briefed Red Cross Regional and Divisional management on this incident. The Red Cross will provide situational awareness regarding the services related to the water contamination that individual NGOs are providing to Flint residents.

##### Civil Rights (MDCR)

Monitor and support agencies with issues surrounding outreach and engagement of marginalized populations within the City of Flint impacted by the current water crisis.

##### Corrections (MDOC)

Approximately 75 staff members are working in the affected area. Potable water has been provided to the offices in the affected area since the beginning of this situation and will continue to be provided. This water is available for people working there and those that have been required to go the office. We will continue to monitor this situation for any developing issues.

##### Environmental Quality (MDEQ)

The Michigan Department of Environmental Quality (DEQ) staff continue to conduct testing in the Flint Schools.

#### **Human Services (MDHS)**

Summary for both Health & Human Services  
Participated in 9:30 State Agency briefing.  
Attended Recovery Task Force / Recovery Branch meeting.  
Coordinating between CHECC and JIC.  
Local MDHHS staff active in local EOC.  
Participated in MDHHS 12:30 Flint Water Lead Project call  
Gathering information on water filter acquisition, distribution, installation, life span and replacement.  
Providing update to Executives  
CHECC remains at Level 1 Activation - Normal Operations

#### **Licensing and Regulatory Affairs (LARA)**

LARA upgraded to a mandatory department for this incident

Attached is a Point of Contact (POC) List

Attached is a Work Report indicating what work LARA has done today in City of Flint

#### **National Weather Service (NWS)**

Jim Maczko from NWS Grand Rapids participating in morning SEOC briefings via phone call and will coordinate support with local forecast office that serves Flint - NWS Detroit/Pontiac.

#### **Natural Resources (MDNR)**

MDNR is fully participating in all SEOC activities. Situational awareness is being maintained and the department stands ready to assist as needed.

#### **Services to the Aging (OSA)**

Valley Area Agency on Aging - Region 5 (VAAA), in partnership with other local community agencies such as the Genesee County Health Department and MDHHS, has helped organize local meetings and distribute water and water filters. VAAA is an access point for receiving calls from homebound seniors who are not able to pick up water filters or need assistance installing water filters. VAAA reports they continue to receive calls from seniors who need assistance.

VAAA has distributed 2 bottles of water with each home delivered meal to each HDM client within the City of Flint. Water. VAAA also provided water to homebound seniors who needed water to prepare food as they had limited support to pick up bottled water. Congregate meal participants also have access to water and filters as needed. Once water filters were installed, VAAA discontinued including water with home delivered meals.

VAAA also contacted the Grandparents Raising Grandchildren program to ensure that they were aware of educational efforts and confirm the program had received water filters to distribute to program participants.

#### **State Police (MSP)**

Insp. Bolger is monitoring the incident via MICIMS and participating in State Agency Briefings.

#### **Supreme Court**

January 6, 2015:

08:50 - State Judiciary EMC John Ort reported to the SEOC regarding the Flint water emergency. Nothing to report from the Judiciary regarding the emergency. DEQ website resources shared with our State Court Administrative Office (attn: Region II) in case our Genesee County courts have any questions regarding the emergency.

#### **Technology, Management and Budget (MDTMB)**

Provided update to management on morning briefing.  
DTMB tasked with finding co-location site for the Joint Information Center within the Flint State Office Building. DTMB conference room is available to be used for the JIC with a media meeting room also available. DTMB Network and Telecommunications Division working on installation of additional telephone and data lines.

MI CIMS

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

Create PDF

Return to List

## Request/Task Assignment

Tracking #:  
SEOC - 6531502

Date/Time:  
01/07/2016 10:56:11

Last Update:  
01/07/2016 14:43:52

Incident Name:  
2015-10-01-City of Flint-Water  
Contamination / Shortage

## Request/Task Details

### Mission Name

Facility for Co-located JIC (Genesee County/Flint)

### Detailed description

Establish and set up a Joint Information Center location in Flint/Genesee County so operations can co-locate with local partners.

### Attachment Description

Originating Position:  
JIC PIO Leader

Originator Name:  
Ron Leix

Point of Contact:  
Ron Leix

Point of Contact Number:

Priority  
1-Life Safety/Immediate (4 hrs.)

Date/Time Due:  
01/08/2016 17:00:00

Time Completed:

Status: In Progress

Assigned To:  
SEOC LOG Resource Support MTMB

**Subject:** SEOC Update 1/6/16 - Flint Water - Limited Distribution  
**Attachments:** ICS 201 Summary 2016-01-06.docx; SitRep1 Flint Water.pdf

INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

### UPDATE 1/6/16

A summary of today’s SEOC activities is provided below. I tried to distill this as best I could but there has been a lot of activity and discussion to get an accurate assessment of the situation. Attached is the final draft of objectives and tactics for the operational period and agency situation report (SitRep) which has more SEOC agency information. I have implemented weekly operational periods.

Advise if you want anyone else copied or off this distribution.

### Daily Update

- Set goals for SEOC and identified response/recovery emphasis
- Requested FEMA liaison officers (LNO) from FEMA Region V. Two LNOs will be on site by ~3 p.m. 1/7/16. Both are known contacts to me and some staff and one has worked extensively with me during the SE MI flooding in a command and control position. These personnel have been specifically tasked with this mission. **THEY ARE NOT HERE TO ASSIST WITH A PRESIDENTIAL DECLARATION REQUEST BUT TO ASSIST ME.**
- PIOs from multiple agencies were here and established the Joint Information Center (JIC). News released pushed out on this. I am very happy with the PIO work and movement toward coordinated messaging.
- *Held briefing for State Agency Emergency Management Coordinators, which included presentations from DEQ and DHHS subject matter experts to ensure situational awareness and to develop a common operating picture.*
  - I opened the briefing by identifying our initial goals, items to think about while subject matter experts were briefing us, and how we are to move forward, find quick wins, and regain trust.
  - **MDHHS – Elevated Blood Lead Levels**
    - Dr. Elizabeth Wells gave an in depth summary of lead poisoning and what has occurred in terms of health monitoring throughout the Flint crisis.
  - **MDEQ – Water Testing Protocols**
    - Mr. George Krisztian of MDEQ gave an in depth summary of the testing protocols and summary results that as they have developed throughout the emerging crisis.
- Developed Incident objectives, strategy and tactics (see attached)
- Identified SEOC and state agency staff positions
- Assigned work tasks for SEOC operation period from 0800 January 6, 2016 to 1700 January 8, 2016
- Reviewed planned actions, prepared final draft Incident Action Plan
- Made contact with the Genesee County Emergency Manager first thing in the morning and held a conference call mid-day to discuss roles. Daily 0830 command conference calls with local EOC command staff starts tomorrow. Tomorrows call will include the County Commissioner and the City Administrator (both invited). Topics include the incident action plan objectives and establishing better local coordination,

command and control to facilitate integration with the SEOC. The local EOC is not functioning as it needs to with personnel and local coordination and we are working on that issue.

- I will be in Flint tomorrow for a 2 p.m. media round table with local officials that was set up by the JIC.
- The attached initial objectives will be updated at least every operational period and as needed. I listed the objectives below but the tactics to accomplish them is in the attached if you want further information.
  1. Activate the State Recovery Task Force (SRTF).
  2. Establish and maintain coordination between the City of Flint, Genesee County, state and federal agencies, and appropriate medical experts.
  3. Obtain and maintain situational awareness and common operating picture of all activities.
  4. Establish SEOC operational period and hours of operations.
  5. Investigate and identify all available programs for assistance with direct or related impacts, including the federal Lead Pipe Replacement Program.
  6. Develop a comprehensive GIS strategy.
  7. *Coordinate response and recovery activities with MIVOAD and identify potential mission areas.*
  8. Establish and coordinate routine communication between SMEs and coordinate technical assistance among state agencies and to local agencies.
  9. Provide technical assistance to the local Damage Assessment process.
  10. Establish a Joint Information Center (JIC) and develop a public information strategy.
  11. Monitor MI CIMS for resource requests and address as appropriate.
  12. Establish and disseminate cost center information for the incident.
- Additional tasks include:
  - Determine what federal agencies are already involved and their status
  - Identify potential water supplies
  - Determine where affected homes are located, where filters/pitchers (and replacements) were installed/provided, and determine who needs filters, etc.
  - Determine how filter distribution is handled, and if it can be handled more efficiently and effectively
  - Determine what mechanisms are in place for nutrition supplementation

#### **EMHSD GIS Accomplishments:**

- Hosted a conference call to begin coordination with Flint City and Genesee County GIS departments and the SEOC
- Established a daily call with county and city GIS personnel to synchronize GIS efforts in support of the Flint water crisis at 8:30 A.M.
- Began consolidating local data from local GIS practitioners into a consolidated database, to include:
  - Water Pipeline Locations
  - Filter Distribution Locations
  - November 25, 2015 Water Monitoring Results (Partial, some data remains to be digitized)
  - Affected School Locations
  - Predictive analysis of blood lead levels for affected area
  - Updated Parcels
  - Demographics
  - Block Groups
- Produced a map for the filter distribution locations
- Began contacting specialists who developed historic maps depicting the Flint Water Crisis to obtain the data

**To:** Etue, Kriste (MSP); Gorski, Gary (MSP); Smith, Paul (GOV)  
**Cc:** Baird, Richard (GOV); Hollins, Harvey (GOV)  
**Subject:** RE: Update - Genesee County Declaration

I forgot to advise that we have asked key state agency PIOs to be in the SEOC for the briefing.

---

**From:** Kelenske, Chris (MSP)  
**Sent:** Tuesday, January 05, 2016 6:06 PM  
**To:** Etue, Kriste (MSP); Gorski, Gary (MSP); Smith, Paul (GOV)  
**Cc:** Baird, Richard (GOV); Hollins, Harvey (GOV)  
**Subject:** Update - Genesee County Declaration

Below are some key points for your situational awareness (FYSA) that have taken place or will take place within the next 15 hours.

- I was on the phone with Sean Kammer, Assistant to the Flint City Administrator, when the declaration hit the news so I advised him immediately. He was going to let the City Administrator know.
- I contacted MSP Lt. Roach, 3<sup>rd</sup> District Coordinator, who was at the Genesee County EOC and advised her to let the County EM know the declaration status.
- State Emergency Management Coordinators (SEMCs) were notified via our notification system with additional information in an email.
  - This included information on the SEOC activation and a 0900 briefing for SEMCs.
  - Some subject matter experts will provide us an update to establish a common operating picture.
- We have been in contact with FEMA Region V watch desk ... they will be on the call tomorrow and continue to monitor the situation.
- I have been in contact with the FEMA Region V Administrator to keep him updated.
- *Operational period for the SEOC will be M-F, 0800 to 1700 at this time.*
- Situation Reports (SitReps) will be provided in the evenings.
- An Incident Action Plan will be developed tomorrow.

Call me with any concerns or questions.

Chris

Capt. Chris A. Kelenske

"A PROUD tradition of SERVICE through EXCELLENCE, INTEGRITY, and COURTESY."

## Objectives and Tactics

1. **Activate the State Recovery Task Force (SRTF). (Operations Section Chief)**
  - A. Identify and obtain approval for assignment of Task Force Leader. (Operations Chief)
  - B. Task Force leader will provide recommendations and obtain approval for Task Force membership. (MDHS SEMC)
  - C. State Recovery Task Force shall determine mission and establish means to provide support as needed. (MDHS SEMC)
2. **Establish and maintain coordination between the City of Flint, Genesee County, state and federal agencies, and appropriate medical experts. (Operations Section Chief)**
  - A. Request and establish FEMA LNO in the SEOC to support liaison with other federal agencies (State Director)
  - B. Establish Recovery Branch within the Operations Section. (OSC)
  - C. Maintain daily SEOC briefing with state agencies. (PSC)
  - D. Establish and maintain routine calls with local emergency manager and EMHSD District Coordinator. (State Director)
3. **Obtain and maintain situational awareness and common operating picture of all activities. (PSC)**
  - A. Conduct daily briefings with state agency emergency managers. (PSC)
  - B. Monitor MICIMS. (All)
  - C. Produce maps to include water filter, pitcher and filter distribution, affected areas and infrastructure, and method of distribution. (GIS)
  - D. Complete and produce daily situation reports. (PSC)
4. **Establish SEOC operational period and hours of operations. (State Director) – Completed.**
  - A. Operation Period has been established as well as SEOC operational hours
  - B. Review weekly for alteration of same
5. **Investigate and identify all available programs for assistance with direct or related impacts, including the federal Lead Pipe Replacement Program. (Recovery Branch Director - RBD)**
  - A. Identify agencies to research potential assistance programs (RBD)
  - B. Named agencies will research programs and determine eligibility guidelines, benefits, application process, contacts, etc. (RBD)
  - C. Provide written report to Operations Section Chief as to program availability. (RBD)
6. **Develop a comprehensive GIS strategy. (GIS)**
  - A. Identify critical needs for maps and overlays. (GIS)
  - B. Identify current and potential resources for data collection. (GIS)
  - C. Contact and coordinate with identified agencies to obtain and centrally locate all data. (GIS)
  - D. Provide spatial analytics in support of SEOC. (GIS)
7. **Coordinate response and recovery activities with MIVOAD and identify potential mission areas. (RBD)**
  - A. Establish Recovery Branch. (OSC)
  - B. Gather and compile available resources. (RBD)
  - C. Gather and compile available assistance programs. (RBD)
  - D. Determine resources already provided to affected area in response to emergency. (RBD)
10. **Establish and coordinate routine communication between SMEs and coordinate technical assistance among state agencies and to local agencies. (OSC)**
  - A. Identify subject matter experts (Dr. Wells, Dr. Mona Hatta-Attisha, George Krisztian). (OSC)
  - B. Establish and coordinate routine communication between SME's. (OSC)
11. **Provide technical assistance to the local Damage Assessment process. (RBD)**
  - A. Establish Recovery Branch. (OSC)
  - B. Provide templates and information as to requirements of damage assessment reports. (RBD)
  - C. Conduct daily conference calls with local emergency manager and EMHSD District Coordinator to assess progress and obtain updates. (RBD)

- D. Coordinate daily communication with the District Coordinator and GIS Unit Leader to monitor progress and document data. (RBD)

**12. Establish a Joint Information Center (JIC) and develop a public information strategy. (PIO)**

- A. State agency PIO's meet to determine needs and strategy for public information dissemination. (PIO)
- B. Determine technical needs for on-site JIC. (PIO)
- C. Coordinate with local (County/City) JIC. (PIO)
- D. Determine need to co-locate state and local JIC. (PIO)
- E. If the need to relocate the JIC is identified, establish location and logistical needs. (PIO)

**13. Monitor MI CIMS for resource requests and address as appropriate. (LSC)**

- A. Monitor and assist with input of resource requests. (LSC)
- B. Review requests and review with command to receive approval to assign and fill requests. (LSC)
- C. Track resources provided to date and those provided throughout the course of this event. (PSC)

**14. Establish and disseminate cost center information for the incident. (FSC)**

- A. Establish Index/PCA. - Complete
- B. Distribute information to state agencies. - Complete
- C. Track costs related to this emergency. (FSC)

# Damage Assessment and Emergency Status Report

MI CIMS

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

## Operational Period

Operational Period Begin: 01/06/2016 08:00:00  
Operational Period End: 01/08/2016 17:00:00  
Situation Report No. 1  
SEOC Status: Full  
SEOC Hours of Operation Begin: 01/06/2016 08:00:00  
SEOC Hours of Operation End: 01/06/2016 17:00:00

## Executive Summary

On January 6, 2016, Governor Snyder declared a State of Emergency for the City of Flint and Genesee County. Genesee County requested the Governor's declaration on January 5, 2016, following the declaration of a Local State of Emergency in the county in response to the presence of lead in the public water supply, and the detection of elevated blood lead levels exceeding governmental standards. These conditions exist in the City of Flint, which declared a Local State of Emergency and activated local response plans and their Emergency Operations Center on December 15, 2015. A "public health emergency" was declared by the Genesee County Health Department on October 1, 2015.

By early May 2014, the City of Flint switched from the Detroit Water and Sewerage Department (DWSD) to the Flint River as their primary water source. The corrosive river water caused the leaching of lead from lead pipes into the water supply. Increased exposure to lead can cause immediate negative health effects. However, the main health concerns are long-term effects in children such as developmental and cognitive delays, and behavioral disorders. Elevated blood lead levels that exceeded past seasonal levels were observed in City of Flint children, and were subsequently confirmed by Michigan Department of Health and Human Services (MDHHS) epidemiologists.

To mitigate the effects of corrosive river water on the water infrastructure in the City of Flint, the city switched back to DWSD as their primary water source on October 16, 2015. Funding to reconnect to DWSD was provided from the City of Flint, the Charles Stewart Mott Foundation, and the State of Michigan. Water is treated with a supplemental phosphate addition to rebuild the protective layer in the distribution system and reduce the leaching of lead into the water supply.

For the mitigation of negative health effects, over 24,000 water filters and replacement cartridges have been distributed to residents in the City of Flint. Approximately 13,000 water filters, water pitchers and replacement cartridges were distributed by the MDHHS in the timeframe of October 1 to December 31, 2015 alone. MDHHS has increased surveillance of blood lead levels in children, is addressing water issues in the environmental investigations facilitated to identify lead sources in the environment of affected children, and providing health education and information to residents, health care providers and daycare/educational institutions. Local nonprofit organizations have provided potable water to Flint residents. MSP/EMHSD GIS staff is supporting county and local GIS staff, consolidating data from local sources into comprehensive databases, and providing mapping services that support incident analysis and forecasting. Data and maps will be made available regarding the location of water pipes, affected schools, filter distribution locations, water monitoring results, predictive blood lead levels for affected areas, demographics, etc.

Before December 16, 2015, \$9.35 million were provided by the State of Michigan, and \$6 million by local agencies and nonprofit partners to manage the effects of the corroded pipes. While the source water has been switched back to DWSD, water in the City of Flint is still not safe to drink, unless specifically filtered.

## Incident Response/Recovery Priorities/Objectives

1. Activate the State Recovery Task Force
2. Ensure coordination between the City of Flint, Genesee County, state and federal agencies, and appropriate subject matter experts.
3. Obtain and maintain situational awareness and common operating picture of all activities.
4. Establish operational period and hours of operations.
5. Investigate and identify available programs for assistance with direct or related impacts.
6. Develop a comprehensive GIS strategy.
7. Identify critical resources for acquisition and allocation.
8. Coordinate response and recovery activities and identify mission areas with MIVOAD.
9. Facilitate and coordinate technical assistance among state agencies and to local agencies.
10. Provide technical assistance and facilitate the local Damage Assessment process.
11. Establish a Joint Information Center and develop a public information strategy.
12. Monitor MI CIMS for resource requests and address as appropriate.
13. Establish and disseminate cost center information for the incident.

## Emergency Declarations

### Local Declarations

#### Jurisdiction(s): Date/Time:

City of Flint, Declaration of State of Emergency, 12/15/2015

Genesee County, Declaration of State of Emergency, 01/04/2016

Genesee County, Request for Governor's Emergency/Disaster Declaration, 01/04/2016

### State Declarations

#### Jurisdiction(s): Date/Time:

Declaration of Emergency for the City of Flint and the County of Genesee, 01/05/2016

### Federal Declarations

#### Jurisdiction: Date/Time:

## Weather Conditions

### Watches/Warnings

No information available.

### Upcoming Forecast

Thursday:

Partly sunny, with a high near 36. South southeast wind around 6 mph.

Thursday Night:

Mostly cloudy, with a low around 31. South southeast wind around 7 mph.

Friday:

Showers likely, mainly after 1pm. Cloudy, with a high near 40. Southeast wind around 9 mph. Chance of precipitation is 60%. New precipitation amounts between a tenth and quarter of an inch possible.

Friday Night:

Showers likely. Cloudy, with a low around 36. Chance of precipitation is 60%.

Other

### General Information

#### River Conditions

Rivers in the affected area are below flood stage.

#### National Terrorism Advisory System (NTAS) Status

No information available.

#### Critical Infrastructure/Key Resources Impacted

Water system (see Executive Summary).

#### Outside Assistance Requested

All requests for outside assistance will be routed through the SEOC.

### Fatalities and Injuries

#### Reports This Period Cumulative Comments

TOTALS:	0	0	0	0	0	0	0	0	\$0

### Damage Assessment Summary

### Agency Summaries

#### Agriculture and Rural Development (MDARD)

Two areas MDARD is monitoring:

1). Water usage in food processing, food retail, and food service (restaurants). Guidance document has been available since October; MDARD surveyed food processors in October and did not find issues.

2). Water consumption by pets / animals. There has been some evidence of lead toxicity in dogs, and there has been guidance about pets & water included in the Q & A.

MDARD will be reviewing activities in both areas and determine appropriate next steps.

4:15pm update Jan 6th

\*Call with Animal Industry Division: they are doing outreach to MI Veterinary Medical Assn; MSU College of Veterinary Medicine, and the MSU Diagnostic Center. They will also talk to Genesee County Animal Control about other animal facilities that may need follow up.

\*Call with Food & Dairy Division: we will get addresses of food processing, retail and food service to help create a GIS layer; they will talk with Genesee Co. Health Dept. about restaurants using the existing guidance on water. MDARD did provide the guidance on water to all licensed retail food facilities, including convenience stores.

Food & Drug Administration contacted their regulated facilities in October and found no further action is necessary; USDA-Food Safety Inspection Service is looking into what if any guidance or actions they need to do for meat processors.

#### American Red Cross (ARC)

The MSP/EMHSD planners asked the American Red Cross to brainstorm and come up with possible ways in which MI-VOAD, the Red Cross and other NGOs might be able to assist in the response and recovery phases of the Flint Water Contamination. We are working on this and calling upon Red Cross colleagues to contribute to it. We've briefed Red Cross Regional and Divisional management on this incident. The Red Cross will provide situational awareness regarding the services related to the water contamination that individual NGOs are providing to Flint residents.

#### Civil Rights (MDCR)

Monitor and support agencies with issues surrounding outreach and engagement of marginalized populations within the City of Flint impacted by the current water crisis.

#### **Corrections (MDOC)**

Brent Travelbee and Mike Farmer attended the briefing and notified all department personnel working in the affected area. Director Washington will be briefed and any additional actions necessary will be completed.

#### **Environmental Quality (MDEQ)**

The Michigan Department of Environmental Quality (DEQ) is staffing the SEOC in response to the Flint Water Crisis. Situational awareness has commenced with all state agencies and briefings will continue to be provided. The Flint Action Plan Coordinator continues to report to the Governor's office on department activities associated with this incident. The DEQ Public Information Officer is fully engaged in the Joint Information Center.

#### **Michigan Housing Development Authority (MSHDA)**

The grants staff team is already drafting the necessary background materials for a potential grant application request. We would just need to know the recipient of the grant and purpose (allowable uses). We are exploring CDBG grant funds or other assistance from HUD.

#### **Human Services (MDHS)**

Summary for both Health & Human Services  
Participated in morning briefing.  
Provided update to Executives.  
Provided master address list of filter distribution to GIS  
Participated in CHECC conference call  
CHECC remains at Level 1 Activation - Normal Operations

#### **Licensing and Regulatory Affairs (LARA)**

LARA upgraded to a mandatory department for this incident

Attached is a Point of Contact (POC) List

Attached is a Work Report indicating what work LARA has done today in City of Flint

#### **Michigan Economic Development Corporation (MEDC)**

MSF/MEDC had offered low interest loans as part of the deep freeze crisis. While this would require legislative action to authorize, it is something that could be considered in this scenario. It would require re-purposing any remaining funds.

#### **Supreme Court**

08:50 - State Judiciary EMC John Ort reported to the SEOC regarding the Flint water emergency. Nothing to report from the Judiciary regarding the emergency. DEQ website resources shared with our State Court Administrative Office (attn: Region II) in case our Genesee County courts have any questions regarding the emergency.

#### **Technology, Management and Budget (MDTMB)**

Provided update to management on morning briefing and status of items DTMB is addressing.  
Reached out to DTMB Commodities Procurement personnel about available and potential contracts to assist in recovery efforts.

**Incident Related Images**

### Update 2/7/16 – 34<sup>th</sup> Day (33<sup>rd</sup> Full Day) After Governor's Declaration of an Emergency

#### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Soft opening of secondary state warehouse; clean and prep for SBA staff.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received January 22, 2016. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Attached:

1. Daily Summary of Data – Note two new reports: GovReport
2. Sit Rep #33.
3. Maps: Residential Water Sampling Results – Lead and Copper

#### Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Monday, February 8, 2016.
- The new warehouse will be operational on Monday, February 8, 2016 and managed by MDOC.

#### Items to Note

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.

- State VAL is working on the Category B and Individuals and Households appeal.
- There continues to be a concern that EPA refuses to work with the state teams in addressing the high lead level homes.
- Genesee County EM expressed concerns about lead poisoning in service/companion animals. MDARD has initiated contact with their partners to address this concern.
- 28 addresses have copper testing that exceeds the “action level” (1,300 ppb). DHHS is currently working on messaging regarding this issue, and DEQ is discussing filtering options.

#### Unified Coordination Group (UCG):

- Task Forces Health & Medical: working on creating a flow chart for visual of testing results.
- EPA conducted 11 filter grabs yesterday, and will be doing 2 today. This includes up to 33 samples per grab. A grab would be considered a location/residence. They are also following up on the AmeriCorps volunteers (2) that have rashes.

#### Local EOC

- Establishing objectives and IAP for next operational period, 02/08/2016 – 02/12/2016.
- Awaiting additional information regarding companion animals with potential lead and chlorine poisoning from MDARD.
- Establishing plans for Elevated Copper Initial Assessment Task Force starting 02/08/2016 and follow-up outreach to homes with water lead levels over 150 ppb starting 02/10/2016.
- Aligning resources and supplies for Elevated Copper Initial Assessment Task Force and follow-up outreach to homes with water lead levels over 150 ppb.
- Analyzing locations of faith-based organizations and churches for integration into long-term recovery plans.

Chris

#### Update 2/6/16 – 33<sup>rd</sup> Day (32<sup>nd</sup> Full Day) After Governor’s Declaration of an Emergency

The link below is a new video published today by 211. This is part of the Rapid Response Teams currently staffed by Team Rubicon.

<https://www.youtube.com/watch?v=P5Orqzc5efg>

#### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Soft opening of secondary state warehouse; clean and prep for SBA staff.

#### Status on Governor’s request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.

- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Attached:

1. Daily Summary of Data.
2. Sit Rep #32.
3. Maps: Residential Water Sampling Results – Lead and Copper

#### Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Sunday, February 7, 2016.
- MDOC will continue setting up the new warehouse.

#### Items to Note

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.
- JIC posted the AIA Flint Safe Water Storage Guideline flyers on MI CIMS under internal documents.
- SEOC Logistics is working to secure space in new warehouse for SBA office, additional information needed from SBA.
- GIS geocoded and cleansed addresses for food establishments in the Flint Metro Area.
- GIS digitized water service lines coded by pressure from paper map onto digital map.
- State VAL is working on the Category B and Individuals and Households appeal.
- MOU with Seventh Day Adventist for donations management currently under review.
- MDARD is planning for additional follow up with food related businesses as water test results come in; new maps with updated information will help with future prioritization.
- MDARD will attend a USDA-Natural Resources Conservation Service press conference to be held on Monday; NRCS will be announcing funds to support community gardens and local foods.
- A team from the CDC arrived yesterday to work with MDHHS Bureau of Epidemiology. Their work began today by beginning to analyze data for the development of long term surveillance strategies that will look to link blood lead level results to specific populations, to include vulnerable and at-risk populations.
- LARA continues to monitor DEQ's test results for Health Care, Child Care, Adult Foster Care, HHS and MDE facilities and Schools.
- Freeman Elementary was tested today (2/6/15) by DEQ/LARA staff members.

#### Unified Coordination Group (UCG):

- Attended 3 matrix review meetings, taskforce leads gave status updates on the original requests/asks sent from the State to Federal government.
- UCG POC will update the objectives with current status once completed by the information cell.
- EPA has 4 teams going out today, 17 filter grabs, a sequential sampling, and walk in requests.
- Additional phosphorus results remain consistent with previous reports. Appears the coating is working in the pipes.
- Multiple Hispanic events are taking place in the community and will be attended by federal staff.
- CDC recommendation should go out today for blood level testing for children under the age of 6.

#### Local EOC

- Finalized DEQ outreach at homes with water lead levels above 150 ppb.
- Developing plan for outreach at homes with water lead levels of 100 to 149 ppb.
- Will start outreach at homes with water lead levels of 100 to 149 ppb with one group on Monday.
- Potentially following up on initial outreach at homes with water lead levels of 100 to 149 ppb 10 strike teams for evaluation of plumbing system, water sampling, etc. starting Wednesday.
- Evaluating need to address health needs of companion animals in households exceeding water lead levels above 100 ppb.
- Awaiting clarification regarding effectiveness of filter systems for removal of copper.

Below is a summary of Federal Teams in the field during next operational period until 2/10 per the UCG.

Public Health Support Team (PHST) (US HHS) stationed at GCHD

9 personnel

- Develop engagement strategy for GCHD to facilitate outreach efforts to the community members and community partners.
- Development database for incoming calls to standardize the responses to caller queries; develop resource list for GCHD.
- Two personnel will facilitate case management follow up on results from GCHD concerning water samples with high home water lead levels.
- Provide technical assistance and community health outreach support to GCHD and to the EPA field team during water sampling and rash investigations.
- Create email groups for email messaging blasts to community partners.

Behavior Health Team (US HHS) stationed at GCHD

4 personnel

- Develop Behavior Health Surveillance Plan and Gap Assessment.
- Provide Behavioral Health Support for community-based health and human service providers.

EPA Sampling Teams out in the field

3 teams with 3 personnel,

- Identify sampling locations based on State DEQ requests and/or inquiries from residents; schedule visits with residents.
- Develop facts sheets based on high lead homes and other facts sheets, as needed.
- Provide risk communications and test results to residents.
- Conduct sequential, filter pilot, and distribution system sampling.

High Lead Home Strike Team out in the field

5 personnel

One MDEQ rep (Taylor) with EPA high lead team.

- Conduct water sampling at residences with rash complaints
- High lead homes with *no contact information*

MDEQ (Provided by Mark Ducharme) out in the field

- One Initial Outreach Visit team consisting of 1 DEQ rep (Oeming) and 1 MDHHS rep (Groetsch), supported by 2 team Rubicon, 1 city of Flint PD escort, and 1 Penske truck loaded with commodities.

Genesee County Health Department team out in the field

1 team with 2 personnel One LHD person (EH), One EPA person (for sampling)

- Responding to high lead homes – Made contact with all homes 150 ppb last Wednesday and will continue as long as they have resources.

**Update 2/5/16 – 32<sup>nd</sup> Day (31<sup>st</sup> Full Day) After Governor's Declaration of an Emergency**

**Mission focus for the day:**

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made. Special attention to apartments/multifamily residences.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Prepare of opening of secondary state warehouse

**Status on Governor's request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

**Attached:**

1. Daily Summary of Data (NG field is showing 0 which is not correct). NG personnel are still at the PODs.
2. Sit Rep #31.
3. Maps: Residential Water Sampling Results – Lead and Copper

**Key items for tomorrow to note are:**

- 10 American Red Cross Teams scheduled for Saturday, February 6, 2016.
- MDOC will begin setting up Kroger warehouse.

**Items to Note**

- 10 ARC Flint Water Response Teams to the field today. Priority for the weekend is homes that did not have contacts during previous sweeps.
- SBA declaration approved. SEOC Logistics will be working to identify office space in Flint for SBA staff.
- Recovery Branch estimate based on information collected last weekend is as follows:
  - 80 Complexes
  - 4170 Units
  - 2892 Assisted Living/Senior Housing (Dept of Aging)
- Information in DHHS Sit Rep is from GCCARD only, this information is not included in the daily totals.
- JIC issued a news release around 10 a.m. about the state of Michigan encouraging food establishments to take advantage free water safety inspections. The news release was picked up by the Associated Press and other news media outlets.
- JIC held a media event to encourage people to check out Flint area restaurants with Lt. Gov. Brian Calley and Michigan Department of Agriculture and Rural Development Director Jamie Clover Adams. Nine local and statewide news media members attended the event.
- Finance Section developed guidance for Flint Water Inter-Agency Coordinating Committee related to reimbursements for non-state employees.
- State Voluntary Agency Liaison (VAL) prepared list of NGOs involved in Flint for DHHS SERG grant application.

- State VAL worked on potential jobs funding with TIA via Dept of Labor.
- Question was asked from the Governor's office yesterday if commodities purchased could be returned. Per FEMA, any item such as filter, pitcher, cartridge etc. cannot be returned. Once procured via State RRF the state owns it - no returns. Water can be returned with 12 months remaining shelf life and in complete factory issued pallet w shrink wrap and the state will fund/ transport of returning water to the designated Distribution Center. FEMA will inspect all returning water prior to movement and water is limited to available storage space in the FEMA Distribution Centers which will range between 0-5 million liters. Quantity to be returned will be approved prior to movement based upon available space and known inbound inventory.
- DEQ finalized sentinel sampling plan to commence activities beginning February 10th, 2016.
  - DEQ received 12 iPads for deployment with teams for status tracking.

#### Unified Coordination Group (UCG):

- Met with the nutrition task force today on request from the state.
- Cleared up misinformation on areas that have not been covered.

#### Local EOC

- Coordinating rapid response deliveries to homebound residents and special locations.
- Developed floor plan proposal for new warehouse with warehouse workers.
- Recycling and water distribution event with MSU athletics.
- Establishing plan to provide public transit vouchers for travel to blood lead level test clinics.
- Work with Michigan Community Service Commission to align supplies and resources for PUR filter distribution effort next week.
- DEQ/Team Rubicon team visited 30 homes with water lead levels of 150 ppb.
- Developing plans for follow-up with residents at homes with water lead levels of 150 ppb.

**Subject:** SEOC Update 2/4/16 - Flint Water - Limited Distribution

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

#### Update 2/4/16 – 31<sup>st</sup> Day (30<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

#### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made. Special attention to apartments/multifamily residences.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.

- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Submit SBA application.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Attached:

1. Daily Summary of Data.
2. Sit Rep #30.

#### Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Friday, February 5, 2016.
- FWICC and Mission Flint meetings in Flint.

#### Items to Note

- 10 ARC Flint Water Response Teams to the field today. Continued priority is the apartment list from 2/2/16.
- Recovery Branch worked with county and postal partners to collect information about home vacancies and resident's with forwarded mail addresses in order to ensure we are contacting all occupied residences in the City of Flint.
- Recovery Branch supported the efforts of MSDHA to provide resources to tenants in their facilities.
- JIC issued a media advisory about federal lead for Flint water crisis Dr. Nicole Lurie to visit EPA's command post.
- MDHHS provided a representative to accompany the MDEQ team to the high lead homes in Flint. The MDHHS representative will encourage individuals to have blood lead testing and answer health questions as necessary.
- GIS is working to develop a field application for MDEQ and MDHHS for field collection of water test data and health data respectively.
- SEOC and MTED are working with Department of Labor to identify grants that may be available to assist with jobs programs (wages, training, overhead, and potentially equipment and leasing resources). DOC looking at prisoner re-entry programs for those returning to Flint area.

#### Unified Coordination Group (UCG):

- Working on improving communication flow between UCG and state partners.
- Attended long term recovery meeting held by state VAL.
  - Discussed MARC model and potential transition plan.

#### Local EOC

- Coordinating rapid response deliveries to homebound residents and special locations.
- Attended meeting with federal, state and local health and environmental agencies to establish process for notification of households with water test results that exceed 150 ppb.
- Attended two long term recovery planning meetings with SEOC staff, VOADs and local agencies (Flint Water Recovery Leadership group).
- Ensuring Community Access Center for the Deaf and Hard of Hearing receives appropriate supplies.
  - Briefed staff on site on filter installation and water sampling process.
- Clarified distribution process at city sites with Flint City Administrator's Office. Coordinating with Fire Department Quartermaster for supplying city sites.
- Addressing various public concerns, including identification of canvassing teams.
- Instituted credentialing verification process for 2-1-1 calls.

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

**Update 2/3/16 – 30<sup>th</sup> Day (29<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

**Mission focus for the day:**

- Refocus state agencies on objectives, tasks in the Incident Action Plan and how we get to the end state/shift to longer term recovery.
- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Submit SBA application – outstanding item is the certification of availability of financial assistance. Priority item for the a.m. so this can get submitted. Press release has been completed.

**Status on Governor’s request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

**Attached:**

1. Daily Summary of Data, full version and abridged (New reporting format – we will ensure we give liters of water and cases in the future)
2. Residential Water Sampling Results Maps – Lead and Copper
3. SitRep 29

**Key items for tomorrow to note are:**

- 10 American Red Cross Teams scheduled for Thursday, February 4, 2016.
- Will continue to target residences from the Apartment List from 2/2/16

**Items to Note**

- Paired down the list of parcels not visited from 2400 to 958. Will continue on 2/4/16 to identify any parcels not visited. Some parcels contain multifamily residences and those types of residences are being reviewed and targeted to ensure coverage.
- MDOC is going to look into their job programs for any prisoners begin release back into the Flint area. This will be in conjunction with any other job programs identified. We are working with MTED on solutions.
- DEQ and DHHS will be going to residences with >150 ppb starting tomorrow. They will be checking residences next to the one with the high lead level to see if this is a single residence issue or a bigger issue affecting the block or line in an area. This will not initially include EPA as they did not seem interested in combining teams but we are working on more collaboration without slowing us down.
- DEQ will have a representative in the UCG starting 2/4/15.
- Discussed with UPS on ways they can assist with Rapid Response Team and filter replacements in the future.

- Additional warehouse will be put in service potentially Saturday. Seventh Day Adventist are potentially going to operate it or help with operations to phase out state agency personnel and make it more community run. The warehouse does include some office space if needed.
- 10 ARC Flint Water Response Teams to the field today.
- Team Priority Visited Today: Apartment List from 2/2/16
- SEOC Logistics worked with MDOC on their assistance with warehouse management and staffing for new warehouse. Reached out to Food Bank on their recommendation and coordination for hours/days of operation of new warehouse.
- SEOC Operations attended a donations management meeting to discuss the need for a consolidated list of donated goods.
- JIC strategized with the U.S. Department of Health and Human Services and Environmental Protection Agency on how to better coordinate public information.

#### Unified Coordination Group (UCG):

- UCG IAP approved today for the operational period 0800 2/2/16 to 0800 2/4/16.
- The Federal Health Coordinating Officer had a meeting today with Economic Development and Housing and Urban Development.
- EMHSD liaison provided information on Michigan EM structure to Command.
- State JIC manager now in the communication loop for the UCG.
- UCG discussed MARCs and potential implementation.
- Capt. Kelenske met with Don Boyce from US DHHS to discuss concerns with Federal HHS and EPA and how we can move forward with better collaboration and coordination. Boyce also met with Governor's Office staff on same. The meeting went well and a solid relationship is in place with Boyce. He is a direct report to Dr. Lurie and will provide her some context on the issues and how we can move forward. He will be a good POC to assist us with any shifts in direction needed at the federal level.

#### Local EOC

- Coordinated rapid response deliveries to homebound residents and special locations.
- Working on refining rapid response delivery process.
  - Preparing transition from Team Rubicon personnel to NCCC teams, and eventually Southern Baptist Disaster Relief.
  - Coordinating with ARC for logistics support to NCCC teams (AmeriCorp).
- Working with ARC to ensure resource needs of franchise customers at Sunridge Apartments complex in Flint Township are met.
- Coordinating with MDEQ to streamline test kit assembly process.
- Attended distribution plan meeting with faith-based organizations, state, and local agencies.
- Referring VOADs to appropriate volunteer management agencies.
- Addressing various public concerns, including availability of supplies at child care facilities.

Chris

# Damage Assessment and Emergency Status Report

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

## Operational Period

Operational Period Begin: 02/02/2016 08:00:00  
Operational Period End: 02/09/2016 08:00:00  
Situation Report No. 33  
SEOC Status: Full  
SEOC Hours of Operation Begin: 02/07/2016 08:00:00  
SEOC Hours of Operation End: 02/07/2016 20:00:00

## Executive Summary

### SEOC Update:

Accomplished today (February 7, 2016):

The SEOC continues to provide:

- Situational awareness.
- Common operating picture/objectives.
- Coordination with city/county.
- Potential coordination with federal agencies.
- Incident prioritization.
- Coordination of life/health safety measures.
- Resources.
- Public information control.

### Logistics:

- Fielded resource requests.
- Fielded Rapid Response requests.
- Fielded Governor's office request.
- Facilitated distribution team calls.
- Coordinating with SBA for office space in Warehouse #2.
- Still working on getting the supplies and equipment needed to make the second warehouse functional.
- Requested security for Warehouse #2.
- Updated Donations Guidelines to include Warehouse #2.
- Updated 204's to include Warehouse #2.

### JIC:

- Continued media and social media monitoring.
- Added Pierson Road Warehouse on the Donation Guidelines document on the website.
- Shared yesterday's numbers on social media.

### Recovery Branch:

- Attended Local Brief, SEOC State Agency Briefing Meetings, and Distribution Process Meetings.
- Worked with GIS to obtain a list of active water subscribers without filters who were marked as vacant in the field.
- Working on compiling one Access and Functional Needs list for long-term planning efforts.
- Team Priority Visited Today: Zero Contacts from Previous Sweeps List.
- Team Priority for Tomorrow: Active Water Subscribers without filters marked vacant.
- 10 American Red Cross teams scheduled for Monday, February 8.

• Data is for 2/7/16 as of 5:00 pm:

- o Total homes visited:
  - 17,682 (round 3 total).
  - 1,121 (today).
- o Water cases (liters calculated by multiplying # of cases x 12):
  - 124,032 liters or 10,336 cases (round 3 total).
  - 8,124 liters or 677 cases (today).
- o Replacement cartridges:
  - 3,644 (round 3 total).
  - 312 (today).
- o Faucet filters:
  - 7,185 (round 3 total).
  - 92 (today).

### Planning Section:

- Published Sit Rep # 33.
- Updated water projections to include long term donated water.
- Participated in daily meetings, local EOC, state agency briefing, and distribution process meeting.

### Operations Section:

- Address high copper test results - filters issued will not address copper and lead both.
- DEQ & DHHS indicate there are no major concerns with higher copper levels, everyone needs a certain amount of copper intake daily.
- Address request for LE for 10 State high lead home teams.
- Address MDARD activities in regard to testing pets.
- Additional information will be put out through the JIC.
- Advise of problem with EPA not coordinating with state team for high lead level.

Warehouse Numbers as of 1800:

- Water (liters):
  - 593,210 liters or 49,434 cases.
- Filters (faucet):
  - 50,096.
- Replacement cartridges:
  - 379,562.
- Test Kits (prepped):
  - 18,504.
- PODs (1700 2/6 – 1600 2/7):
  - Water (cases):
    - 54,492 liters or 4,541 cases.
  - Filters (faucet):
    - 76.
  - Replacement Cartridges:
    - 192.
  - Test kits:
    - 65.

Finance Section:

- Begin updates to cost reports for upcoming week submittal.
- Notice to EMHSD staff concerning additional DCDS coding requested by State Budget Office for hours relating to City of Flint Emergency.
- Review FEMA RRF report for current costs and state cost match.
- Notice to Financial Unit regarding additional coding to be entered on any and all bills paid in relation to City of Flint Emergency.

GIS Branch Updates:

- Water Sampling Update Maps.
- MDARD Food Establishment Maps by Team Assignment Area.
- Worked Water Pressure Lines Digitization.
- Editing the field team data/POD data to put points inside respective polygons.
- JIC and Parcel Pairing Map.

DTMB:

- Continue to provide DTMB management with daily updates and resource requests received.
- Looking to secure office space for SBA Disaster Loan Outreach Center within the City of Flint.

DHHS-CH:

- The CHECC remains active at a Level 2, and continues to staff the hotline to answer any lead health-related questions referred by 2-1-1 in support of the GCHD.
- A team from the CDC arrived yesterday to work with MDHHS Bureau of Epidemiology.
- Inquired with the CHECC regarding GCHD participating in home visits for residences for which test results were greater than 150 PPB.
- DEQ provided SEOC with a list of the homes visited and it appeared that only the home that was listed included a visit by GCHD staff. The CHECC will be contacting the GCHD on Sunday to verify with the local Environmental Health POC, who is off today.

DEQ:

- Participation in Unified Coordination Group.
- Developed detail task list for SEOC DEQ desk.
- 223 samples received at the laboratory.

State Voluntary Agency Liaison (VAL):

- Working with State Agencies to determine if a need exists for their activities on the ground in Flint that could benefit from the potential local hire program.

Unified Coordination Group (UCG):

- Task Forces Health & Medical: working on creating a flow chart for visual of testing results.
- EPA conducted 11 filter grabs yesterday, and will be doing 2 today. This includes up to 33 samples per grab. A grab would be considered a location/residence. They are also following up on the AmeriCorps volunteers (2) that have rashes.

Local EOC:

- Establishing objectives and IAP for next operational period, 02/08/2016 – 02/12/2016.
- Awaiting additional information regarding companion animals with potential lead and chlorine poisoning from MDARD.
- Establishing plans for Elevated Copper Initial Assessment Task Force starting 02/08/2016 and follow-up outreach to homes with water lead levels over 150 ppb starting 02/10/2016.
- Aligning resources and supplies for Elevated Copper Initial Assessment Task Force and follow-up outreach to homes with water lead levels over 150 ppb.
- Analyzing locations of faith-based organizations and churches for integration into long-term recovery plans.

Injuries:

- February 2, 2016, a FEMA staff person injured his knee while picking up a small package. The staff person did not realize the extent of his injuries until today. He received a medical assessment at the Flint Hospital; an incident report will follow his assessment.
- On February 5, 2016, a Sergeant with the MDOC assigned to work at the Bell Warehouse was injured. The Sgt. was transported to Fire Station #6 to meet with an on-site ambulance and was transported to Hurley Medical Center. The Sgt. was evaluated, treated, and then released to report to a hospital closer to his home.

**Incident Response/Recovery Priorities/Objectives**

(Objectives are in order of priority with original objective number attached)

11. Ensure accurate tracking and accounting of all donations.
5. Continue to maintain adequate staffing to support operational requirements.
10. Collaborate with local and volunteer agency partners to solidify the Flint Water Operations Plan.
9. Enhance situational awareness and common operating picture of all activities.

8. Maintain coordination between partner agencies and organizations to include FEMA IMAT, FWCC, and the US Department of Health and Human Services Unified Coordination Group (UJCG).
3. Improve and maintain the public information strategy and process.
6. Develop an overview of possible assistance programs.
4. Develop a long term public health and services plan.
7. Gather, analyze, and disseminate GIS data to develop products for future planning.
1. Ensure all households within impacted community have required resources and are included in DEQ water sampling plan.
2. Ensure accurate tracking and accounting of all commodities.

##### Damage Assessment Summary

## Agency Summaries

### Agriculture and Rural Development (MDARD)

MDARD issues for Sun. Feb 7

A new map with updated information has been developed for MDARD by SEOC-GIS, and will be used for additional follow up with food related businesses this week.

Concerns are being expressed about lead poisoning in service/companion animals since those might tend to be more with the functional needs population, who may be unable to afford blood testing of their animal. SEOC-OPS has requested information that could be put out publically that may be an offer of assistance, if needed, for those concerned. That information could be provided to 211 who could then assist in getting them the appropriate and available help. MDARD will connect with their partners including MSU College of Veterinary Medicine and others on this issue and report back to OPS.

### American Red Cross (ARC)

The American Red Cross deployed 10 Water Response Teams on Sunday, 2/7/16, to attempt contact at those residences where no one had yet answered the door.

The Volunteer Reception Center (VRC) was in operation today, from 9am to 5pm. The VRC will be operating from 9-5 again on Monday.

No water test kits were assembled Saturday or Sunday. We anticipate that production will resume on Monday.

### Civil Rights (MDCR)

Continue to review activities to provide support and assistance to assigned Human Services branch and other SEOC entities. Maintaining media awareness regarding situation and community activities.

### Community Health (MDCH)

The CHECC remains active at a Level 2, and continues to staff the hotline to answer any lead health-related questions referred by 2-1-1 in support of the GCHD.

Coordinated with the CHECC to send MDHHS staff to the Genesee County EOC this upcoming week to accompany the DEQ teams that are conducting home visits for those residences that water tested above 150 PPB of lead. In addition, DEQ and MDHHS staff will be making initial visits to the homes on Monday and Tuesday that have tested above the 1300 PPB level for copper. DEQ has requested one health staff member per team going out each day, and the goal is to send 1 team on Monday, 1 team on Tuesday, and 10 teams on Wednesday.

Held afternoon conference call with CHECC leadership to discuss activities and updates. The CHECC continues to work diligently to strategize and develop a plan for a blood lead testing campaign for all children.

Confirmed that Ginna Holmes will be providing training to MDHHS staff in the CHECC that will be assisting her with donation management. Pam Strobel has offered to attend as well and provide access and instructions to use the new Donations board in MICIMS. Pam will also ensure that donations management is aligned with SEOC logistics.

Confirmed with the CHECC and the SEOC Operations Branch that Barbara Reynolds from CDC is no longer in Michigan but may return in the near future. If she returns and is available to provide training to state officials in the Governor's office and MDEQ staff, then that request will be considered and coordinated through the JIC (per the direction of SEOC Operations).

Requested that DEQ include the GCHD Environmental Health representative, who is in the GC LEOC today, in planning discussions regarding protocol development for elevated copper levels identified in water samples.

Participated on the Local EOC Call at the request of SEOC Operations Chief. Locals expressed concern over the 31 locations that have tested with copper levels above the EPA standard (1300 PPB). The LEOC requested that MDHHS and DEQ work with the JIC to enhance messaging on this topic. Held a conference call with the CHECC executive group to discuss this request. Copper information was located by the CDC ATSDR, and ATSDR was requested by the CHECC to assist with health messaging to the public. The MDHHS PIO will be coordinating with the JIC, DEQ and MDHHS on to accomplish this.

### Corrections (MDOC)

MDOC continued operations at both warehouses and all PODs were well supplied during the entire operational period.

MDOC continue to keep trucks dedicated to delivering to individual PODs and have Rapid Responses ready for any POD that gets to a critical level of supplies.

143 water samples were collected and delivered to the DEQ Lab in Lansing.

MDOC had 14 employees and one SAI work crew (6 trainees total) on the ground in Flint today.

In an effort to reduce overtime costs we are working on completing a critical staff review. All dedicated resources will be reviewed to determine if it is feasible to reduce staffing in lieu of volunteers wherever possible.

We are working with Finance and MDOC assets to capture total employee payroll information and expenditures.

### Environmental Quality (MDEQ)

The Department of Environmental Quality (DEQ) completed the following activities today:

☐ Research of copper reduction certified filtration systems. 31 homes with elevated copper results >1300ppb. Local EOC will coordinate contacting residents; provide bottled water and health information, retest and develop plans for reverse osmosis filtration installation.

☐

- Continued work on closing communication and administrative gaps.
- Produced tracking sheet for the request by U.S. Congressional Committee of Energy and Commerce.
- Reviewed upcoming deadlines from EPA Order tracking spreadsheet.
- Organization Chart was updated.
- Updated incident objectives to reflect activities for the upcoming week.

Looking into filtration system for a child care institute, possibly through donation.

Continue to review activities to provide support and assistance to Human Services branch and other SEOC entities.

Participated in briefings and updated the LARA Executive Team

LARA continues to monitor DEQ's test results for Health Care, Child Care, Adult Foster Care, HHS and MDE facilities and Schools. Review and finalization of Contract with plumbers via Plumbers and Pipefitters Local 370. Volunteer plumber will participate in copper testing teams on Monday, February 8. Clarification of response outreach needs for Child Care, Adult Foster Care and other facilities was provided. Translation services for various documents continue to be provided as needed.

### Commanders Situation Report (SITREP)

**2. UNIT: Points of Distribution (PODs), TF FLINT (1-125 IN)**

4. PRESENT LOCATION: Genesee County Local EOC, 1101 Beach St., Flint, MI, 48502

6. OWN SITUATION DISPOSITION /STATUS: Currently 1-125 IN has Soldiers on ground supporting the mission.

a. Traffic signs are in place at all stations. Flint City Engineering with the aid of National Guard Soldiers, have placed signs in accordance with city code.

b. POD 5 has two generator lighting units from MDOT. All PODs now have sufficient lighting.

1. Fuel cans and fuel card have been requested through SEOC. Alternate methods may be considered.

c. Signs have been printed off for the POD Buildings. Requesting approval to get the signs laminated from the purchasing office.

1.) TF Flint OIC, 2LT Benke, will be seeking approval from CPT Bowles and Dana and/or Kim at the purchasing office for laminating.

**d. Last 24hrs operation.**

8. PERSONNEL: Soldiers are currently assigned to the POD operations. Soldiers are assigned in five teams at Fire Stations 1, 3, 5, 6 and 8.

9. INTELLIGENCE / FORCE PROTECTION: No Force Protection intelligence at this time.

**10. LOGISTICS:** In support of TF Flint

a. In support of recycle project sponsored by Schupon, the special purpose recycle bags have now been incorporated into POD operations and being distributed.

b. Hotel issues have been resolved.

11. COMMUNICATIONS: No communications issues at this time.

P: RRF cell phones alternate for WRTs.  
A: Personal cell phone  
C: 800 MHz radios issued to PODs and WRTs.  
E: Runner

12. NARRATIVE: N/A

### 13. COMMANDER'S EVALUATION:

- AAR and operational notes are being consolidated into SOP's to send to JOC to assist in updating the All Hazards Plan.
  - An operational handoff packet including SOP's, POC's, POD sector sketches, hand-receipts, and other operational notes is being built to assist the incoming unit.
  - QUT (last 24 hours)
- Bottled water-6834 Water (Gallons)-78 Lead Testing Kits-264  
Pitcher (23 cup)-0 Brita Faucet Filter-100 Brita Replacement Cartridge-161  
Pur Filter-36 Pur Replacement Filter-255

### National Weather Service (NWS)

NWS Detroit providing morning SEOC brief and Activity Log posts. Jim Maczko from NWS Grand Rapids will be the contact point for any changes in NWS Support and will also continue to update the Sit Rep Executive Summary as needed.

Participation in afternoon SEOC briefings is planned only if significant changes in the forecast occur.

### Natural Resources (MDNR)

MDNR LED continues to support its QOL partners with staffing at the SEOC.

Department POC's include:

Chief Gary Hagler, F/Lt. Jennifer Wolf, F/Lt. Steven B. Burton.

### Services to the Aging (OSA)

Valley Area Agency on Aging (VAAA) continues to receive phone calls from concerned seniors in Flint and continues to make referrals to the Genesee Co. EOC for water and filter follow-up.

VAAA's local Nursing Home Ombudsman continues to monitor Flint area Nursing Homes to ensure residents have access to safe water.

Contact info for VAAA Executive Director is:

Kathryn C. Boles

President, CEO

Valley Area Agency on Aging

225 E. Fifth Street, Suite 200

Flint, MI 48502

(810) 239-7671

(810) 239-8869 fax

### State Police (MSP)

The MSP position within the SEOC will be staffed at MSP Operations at HQ. All e-mails to MSP-EOC-MDSP@michigan.gov are being forwarded to the Operations Lt. The phone number for the on duty Operations Lieutenant is 517-241-8000

### Technology, Management and Budget (MDTMB)

Continue to provide DTMB management with daily updates and resource requests received.

Looking to secure office space for SBA Disaster Loan Outreach Center within the City of Flint.

### Transportation (MDOT)

Providing 2 portable light tower generators to Fire Station #5 on Western Rd.

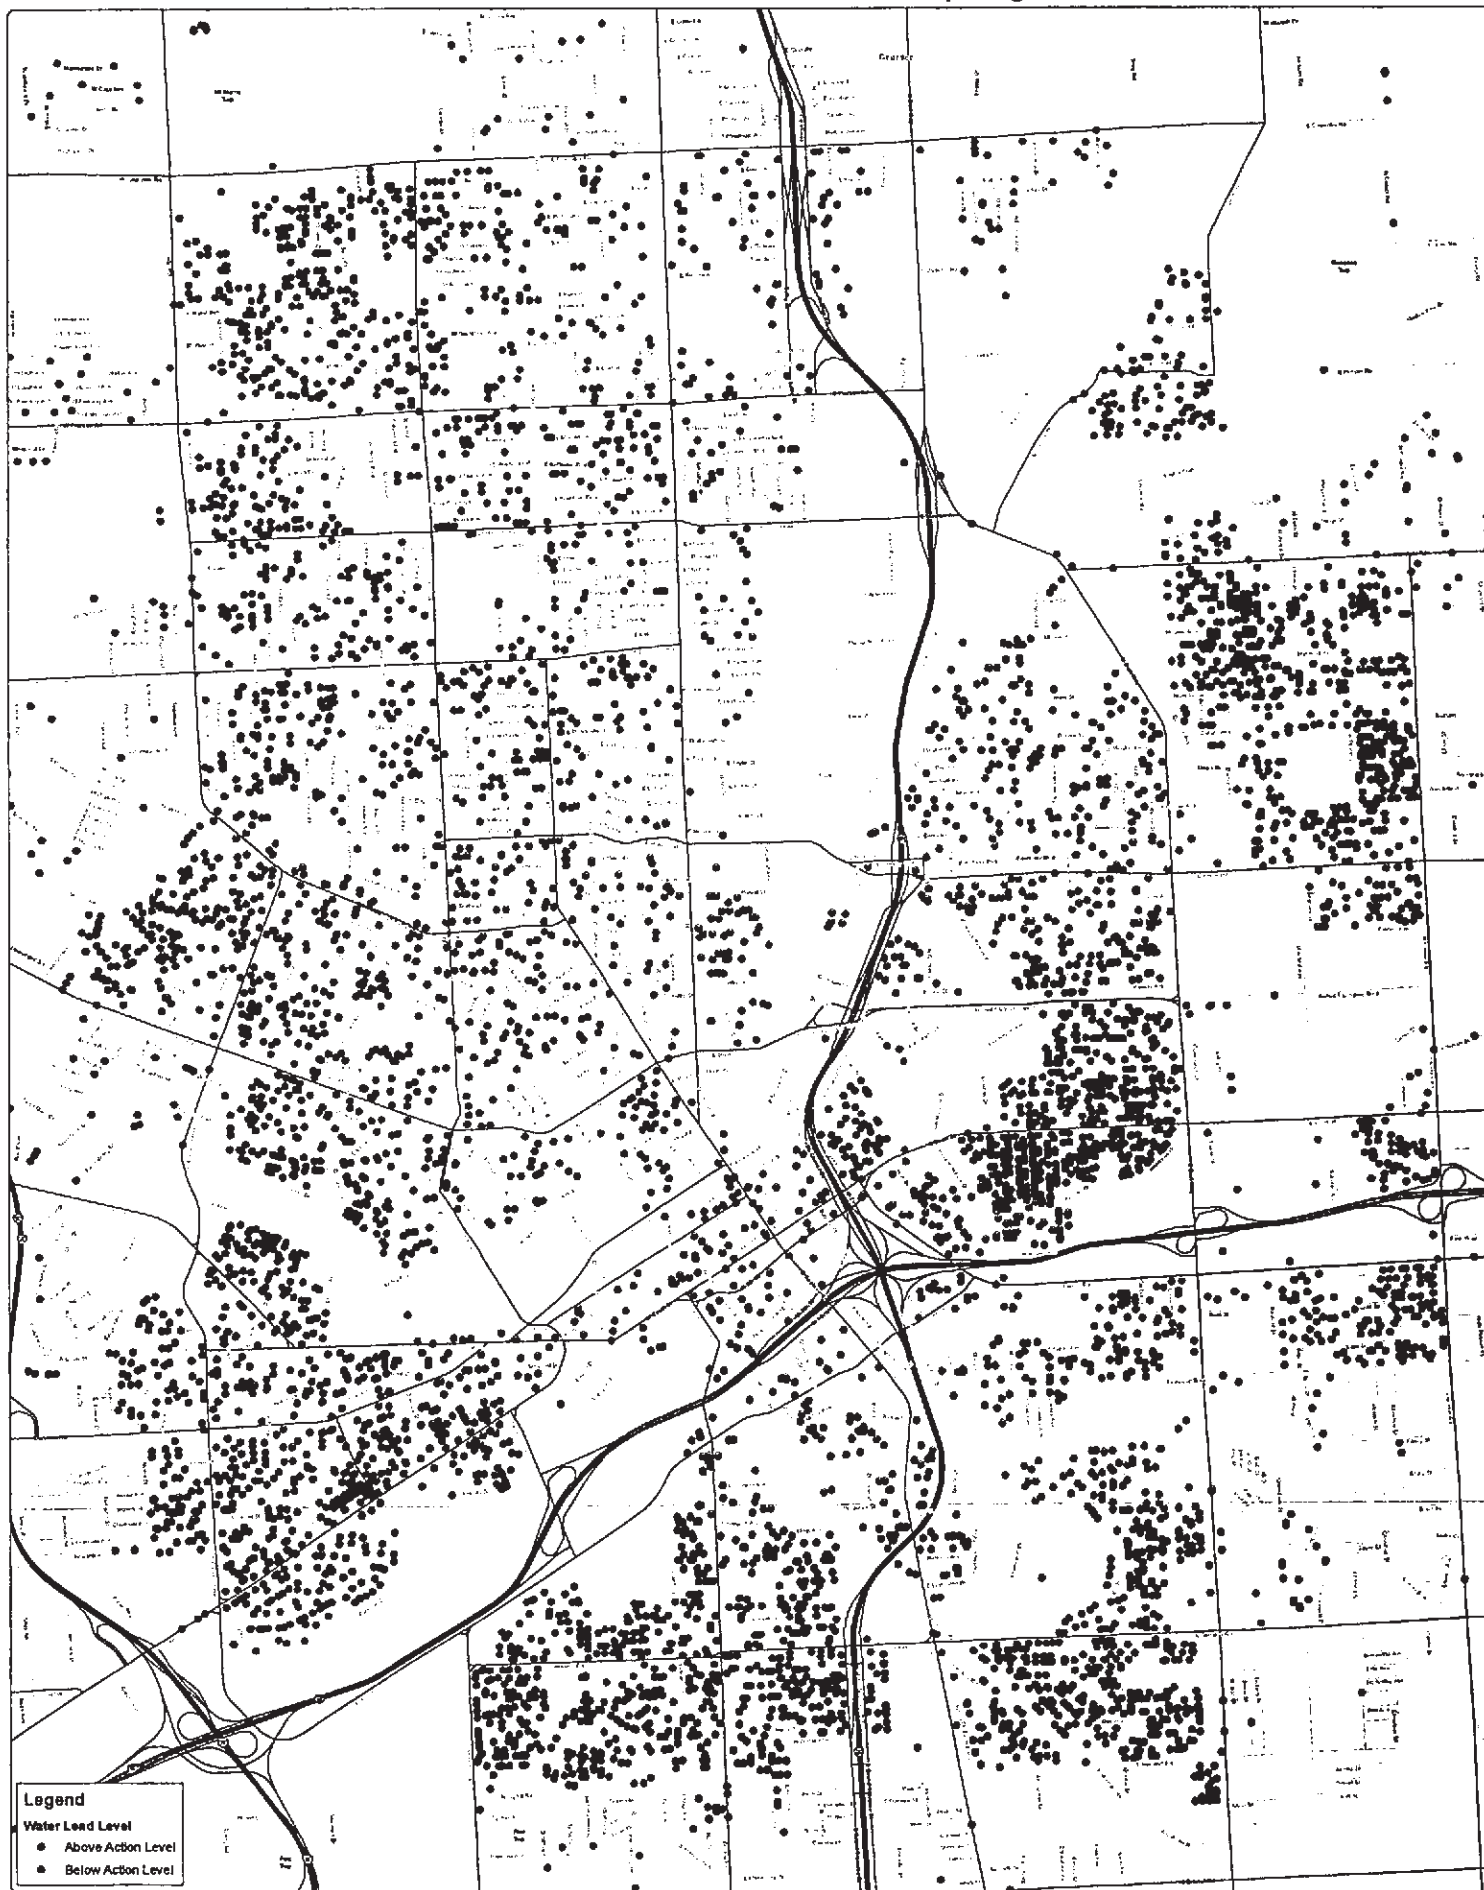

Facilitated with the City of Flint Public Works to deploy signs and barricades at Fire Station #1, #5, and #8 to assist with traffic flow through parking lots.

Providing traffic measures at Fire Station #6 on Pierson Rd. and Fire Station #3 on Martin Luther King Blvd:  
-4 (3' x 5') standard signs fabricated and set up to replace 4 portable changeable message boards (2 each site)  
-100 grabber traffic cones (narrow reflective cones) (50 each site).

Continuing to maintain situational awareness and responding to issues regarding equipment and road conditions.

**Attachments:** 20160118\_Response\_Team\_Activities\_Side\_by\_Side.pdf; SitRep13 Flint Water.pdf

### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

#### Update 1/18/16 – 14<sup>th</sup> Day (13<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

##### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs) and PODs
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work to bring FEMA IMAT personnel up to date following the Presidential Emergency declaration.
- Complete appeal for Presidential Major Disaster Declaration denial.

##### Attached Documents:

- SitRep 13
- Side by side comparison of homes with filters January 13<sup>th</sup> compared to January 18<sup>th</sup>. This should be hitting the media tonight. This took longer to create than I wanted but is the image I have wanted to show progress of getting filters in to the field.

##### Status on Governor’s request letter to the President:

- Appeal in process.

##### Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 10 state/local agency, type 3 teams ( ), with a goal of 300 homes per team.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
  - NG will be bringing in personnel to prep for surge.

##### Items to Note

- Beginning tomorrow the operational periods will be 7 days long.
- The CDC/ATSDR (Agency for Toxic Substances Disease Registry) has deployed a team to Michigan.
- An Arabic version of the palm card was reviewed and approved. This was developed via Arab American and Chaldean Council.
- Deployed 12 state/local teams and 10 ARC Flint Water Response Teams to the field today.
- DTMB is working to secure space in Flint for FEMA staff.
- Cost analysis to investigate if it would be more cost effective for FEMA to purchase water vs the SOM.
- ARC news release concerning the Volunteer Reception Center (VRC) sent out today.
- Media availability conducted today at 3pm at the VRC.

- Since 1/14/16 Michigan 2-1-1 has received three direct reports of bottled water testing positive for lead. DHHS SEOC Desk and DEQ SEOC Desk was able to contact two of the callers. The Zero Water filter (pitcher) has a handheld test device so people know when to change the filter. This TDS Meter measures dissolved solids (it is not a lead test). This was explained and we are going to work on messaging to ensure this does not cause issues. Dissolved solids are in all water. The water from the callers is going to be tested and a case of water from one of the companies will also be sent to DEQ for testing. Brands are Spartan Spring Water and Canned Water for Kids. The filter company is also going to work on messaging and work with us on this matter.
- Information reported to the JIC:

- As of 1/17/16 as of 5 pm (start date was Tuesday, 1/12/16)

1. 21,393 homes visited by the FWRTs to date.
2. Distributed:
  - a. Number of cases of water 37,313
  - b. Filters 53,713
  - c. Filter cartridges 169,520
  - d. Test kits 7,379
3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 82,992 (additional 16,056 donated)
  - b. Filters 115,700
  - c. Filter cartridges 243,200
  - d. Test kits 61,161
5. Teams going out tomorrow:
  - a. State .s) type 3 teams---Goal tomorrow 300 homes per team
  - b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

##### Operations:

- Continuing to work with faith based organization to distribute resources.
- Working with colleges to obtain volunteers for canvassing.

Chris

---

#### Update 1/17/16 – 13<sup>th</sup> Day (12<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs), PODs
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work to bring FEMA IMAT personnel up to date following the Presidential Emergency declaration.

##### Attached Documents:

- SitRep 12

#### Status on Governor's request letter to the President:

- Emergency declaration received.
  - Limited to direct assistance so we will need to ask for the Individual Housing Program but that is something I will work on with FEMA.
- Major disaster declaration denied. The appeal is being developed with a draft to Paul Smith by later afternoon 1/18/16.

#### Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have state agency, type 3 teams ( ), with a goal of 300 homes per team.
  - We will have 12 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.

#### Items to Note

- Deployed 11 state/local teams and 10 ARC Flint Water Response Teams to the field today.
  - 4,963 homes visited today.
- DTMB is working with DSEMIC and NC3 to monitor social media for information on cyber-attack yesterday.

#### 01/16/16

- Approximately 5:00PM, Michigan.gov began to experience slowness in web page load time. Approximately 10 minutes later the Michigan.gov site became inaccessible caused by of a denial of service attack.
- IBM team was able to implement a mitigation strategy to stop the attack that began at 5:00PM. At 6:24PM the michigan.gov websites were again available to the public.
- Approximately 7:30PM, a new attack was initiated on the michigan.gov environment. The attack focused on the DNS servers and resulted in michigan.gov becoming inaccessible. Additionally, due to the nature of the attack other IBM customers were affected as well. IBM was able to implement a new mitigation strategy that resulted in the excessive traffic being blocked. At 7:53PM the websites were restored to normal operation.
- Shortly after the michigan.gov websites were restored, the State of Michigan was notified by our internet service providers that a DDoS attempt was made against our SOM DTMB servers in the external DMZ. Once detected, this attack was blocked and Michigan Cyber Security saw no signs of any other types of attacks.

#### 01/17/16

- Genesee County was unable to access MiCIMS due to the State increasing filters. Michigan Cyber Security made adjustments to filter settings and their access to MiCIMS was restored.
- DTMB reached out to the City of Flint CTO, Paul Knific, offering any support they need. Right now they feel they have bigger issues than trying to get some of the things back online.

We currently do not have any additional information on the attacks on the City of Flint ([cityofflint.com](http://cityofflint.com)) or Flint Township Police ([flinttownshippolice.org](http://flinttownshippolice.org)) websites. We'll continue to pass information along as we receive it.

- Information reported to the JIC:
  - As of 1/17/16 as of 7pm (start date was Tuesday, 1/12/16)
- 1. 16,353 homes visited by the FWRTs to date. We believe we have ~24,000 homes with filters; still trying to validate. This is from the data we received from prior to the SEOC activation (trying to validate the data) plus the PODs and door to door operations since activation.
- 2. Distributed:
  - a. Number of cases of water 27,195
  - b. Filters 50,432

- c. Filter cartridges 168,605
  - d. Test kits 4,861
3. Total number of customers on the Flint water system
- a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
- a. Cases of water 57,456 (additional 12,884 donated)
  - b. Filters 108,520
  - c. Filter cartridges 239,081
  - d. Test kits 28,901
5. Teams going out tomorrow:
- a. State ( ) type 3 teams---Goal tomorrow 300 homes per team
  - b. 12 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

#### Operations:

- Facilitated activation of the Genesee County/Genesee Health System MOU for mental health services.
- Coordinated supplies for distribution to students at the U of M Flint campus.
- Still concerned about people going to every fire station and collecting water/filters.
- Coordinated trash pickup at Fire Station PODs with the City Liaison officer.
- Coordinated hotshot deliveries of supplies to home bound population.

Chris

#### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

#### Update 1/16/16 – 12<sup>th</sup> Day (11<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

#### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work with FEMA personnel to prepare for engagement following the Presidential Emergency declaration

#### Attached Documents:

- SitRep 11

#### Status on Governor’s request letter to the President:

- Emergency declaration received. Federal Coordinating Officer (FCO) is David Samaneigo (Sam) who has been my LNO from FEMA. We began discussions on a transition to FEMA support last night. His team is headed to MI at this time and we will have our first coordination meeting on Sunday.
- The request for a Declaration of a Major Disaster was denied. FEMA advised this event does not fit the legal definition of a major disaster (natural incident or fire, flood, or explosion). This information has been provided

since prior to the event to elected officials in Flint and the legislature. We are reviewing the chances for an appeal and I have already discussed this with the FCO.

Key items for tomorrow to note:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 10 state agency, type 3 teams (6-9 personnel), with a goal of 300 homes per team.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
- I will be back on duty Sunday.
- We have been working with some of the churches. Contact was made with 14 churches for Sunday distributions. Interaction with the pastors has been very positive.
- A logistics briefing will be provided to see how many more teams we can put in the field.

Items to Note

- LT Gov visited the local EOC today; discussed local EOC operations.
- Deployed 11 state teams and 10 ARC Flint Water Response Teams to the field today.
- DEQ sampling kits are now being received at the PODs.
- DEQ sampled two Head Start facilities and worked with GIS to obtain future sample sites.
- The Freeman School pilot was delayed due to some parts not arriving as scheduled. Testing was to be done Sunday but may not occur until Monday.
- NG will have a total of 78 personnel in the PODs for distribution. Mission has not changed.
  - 34 NG soldiers have been in the PODs. 38 more processing in tomorrow with start date of 1/18 in the PODs. The TAG and I will be discussing future use of NG personnel door to door next week.
- Information reported to the JIC:

◦ As of 1/16/16 7pm (start date was Tuesday, 1/12/16)

1. 11,324 homes visited by the FWRTs to date. We believe we have ~24,000 homes with filters; still trying to validate. This is from the data we received prior to the SEOC activation plus the PODs and door to door operations since activation. 3,850 homes were visited today (4,000 was the goal).

2. Distributed:

- a. Number of cases of water 20,876
- b. Filters 47,935
- c. Filter cartridges 167,401
- d. Test kits 3,322

3. Total number of customers on the Flint water system

- a. 29,944 paying customers
- b. 45,000 hookups (This is our high end target #)
- c. 39,000 includes apartment complexes (The is the low end target #)

4. Resources purchased:

- a. Cases of water 57,456 (additional 12,884 donated)
- b. Filters 108,520
- c. Filter cartridges 239,081
- d. Test kits 28,901

5. Teams going out tomorrow:

- a. State type 3 teams---Goal tomorrow 300 homes per team
- b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

Local EOC

#### Operations:

- Provided direction to Operations and Logistics Section to initiate water sample collection at PODs.
- Lt. Roach worked with faith based organizations today reference water and filter distribution. Additional churches were supplied with water, filters and test kits.
- *Still concerned about people going to every fire station and collecting water/filters.*
- Station #6 (POD) has associated safety concerns due to proximity of street and lack of suitable parking. We are working to resolve.

**Subject:** SEOC Update 1/15/16 - Flint Water - Limited Distribution

#### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

#### Update 1/15/16 – 11<sup>th</sup> Day (10<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Pilot the logistics plan and adjust as needed
- Continue with door to door/Flint Water Response Teams (FWRTs)
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work with FEMA personnel to ensure we get a Presidential Declaration of a Major Disaster and Emergency

##### Attached Documents:

- SitRep 10

##### Status on Governor's request letter to the President:

- All documents for the presidential request have been submitted to FEMA. Numerous calls and meetings took place between me and FEMA today.
- When we get the declaration(s) ... I will set up a legislative/congressional call to explain and provide bullet points as to what programs we will received. The Federal Coordinating Officer assigned will also be with me to answer questions. This has helped in the past.

##### Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have state agency, type 3 teams with a goal of 300 homes per team.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
  - A pilot team was used to test our logistics plan today and with 60% strength they had 160% output (830 homes).
- I will be off tomorrow but available by cell. Tony Katarsky will be SEOC State Director. I will be back in on Sunday.

##### Items to Note

- LT Gov visited the local EOC and SEOC today. He was able to hear our final briefing for the day.
- Held a short session managing stress with SEOC staff. Two handouts were put in MICIMS for all state and local personnel to view.

- Deployed 10 state teams and 5 ARC Flint Water Response Teams to the field today.
  - Standing requirements were created for the JIC so we can get information to the media every day. Below are the current ones we have in place and we should have something out tonight according to the JIC.
    - As of 1/15/16 as of 7pm (start date was Tuesday, 1/12/16)
1. 7474 homes visited by the FWRTs. We believe we have ~24,000 homes with filters but are trying to validate that information. This is from the data we received from prior to the SEOC activation plus the PODs and door to door operations since activation.
  2. Distributed:
    - a. Number of cases of water 18,576
    - b. Filters 45,916
    - c. Filter cartridges 165,382
    - d. Test kits 3,217
  3. Total number of customers on the Flint water system
    - a. 29,944 paying customers
    - b. 45,000 hookups (This is our high end target #)
    - c. 39,000 includes apartment complexes (The is the low end target #)
  4. Resources purchased:
    - a. Cases of water 44,688 (additional 12,884 donated)
    - b. Filters 78,520
    - c. Filter cartridges 163,081
    - d. Test kits 18,761
  5. Teams going out tomorrow:
    - a. State ) type 3 teams---Goal tomorrow 300 homes per team
    - b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

#### Home Deliveries:

- Still receiving lists from the Valley Area Agency on Aging (VAAA) on home deliveries and forwarding these to the Sheriff's office. They are going through a lot of homes. 120 out of 125 homes were completed yesterday.

#### Operations:

- We sent staff to visit Fire Station 6 and the warehouse today. Fire station 6 traffic was congested and that was during a "slow" time. The National Guard is identifying what is needed to alleviate this. MSP is working on providing uniform presence as needed. An additional iPad at each location will hopefully help relieve the amount of time that people are spending at the distribution sites.
- Lt. Roach worked with faith based organizations today reference water and filter distribution. Additional requests from churches were made and I approved the locations so they could be ready for Sunday. Lt. Roach was told by one of the pastors that he met with the Gov today and expressed how much he appreciated the efforts put forth. We should have 14 for this Sunday. We are working on how we can increase this output.
- Still concerned about people going to every fire station and collecting water/filters. NG personnel observed vehicles with several cases of water an overheard saying they were heading to the next station. Some people were helping themselves and taking more than one case at a time. Per the NG they cannot physically stop people from doing so. The NG is going to try to change staging in the fire stations to try to prevent this.

- Flint PD is going to check in every day with the EOC and provide a specific contact person. They are also going to help with traffic issues at the PODS. Will ask Flint PD to provide a presence when water is off loaded at a POD to help prevent people from "helping themselves."

Chris

---

## INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

### Update 1/14/16 – 10<sup>th</sup> Day (9<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

#### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Prepare/approve logistics plan and finalize lease on warehouse space/begin to move supplies from GCCARD to new warehouse
- Continue with door to door teams and finalize planning for future team use
- Submit request for a Presidential Declaration of a Major Disaster and Emergency
- Continue to work on long term recovery items (DHHS, DEQ, MDARD)

#### Attached Documents:

- SitRep 9

#### Status on Governor's request letter to the President:

- All documents for the presidential request have been submitted to FEMA. I had a lengthy conversation with the FEMA Region V Administrator reference the request prior to sending.

#### Key items for tomorrow to note are:

- The door to door teams will continue in the morning.
- We will continue to ramp up door to door operations with additional teams. Teams continue to focus on the high lead level areas and additional data is being analyzed to focus mission areas.
- ARC will increase the number of their Water Response Teams.
- Supply burn rates as well as projections on how many teams will be needed to put filters in all homes within 3 and 5 days will be completed. Analysis will be done to see if NG personnel may be needed to finish in quicker manner.

#### Items to Note

- DEQ was notified of the number of homes who are willing to have them take additional samples in the future (current number (114). This question was added to the App being used by the Water Response Teams. Data will be provided when needed.
- LT Gov is scheduled to be at the local EOC and SEOC (~4:30) tomorrow to see the operations.
- Secured 80,000 sq. ft. of a warehouse today. Working to consolidate all resources in one location. Tomorrow will be the first day of full implementation of our logistics plan.
- Email sent to state employees to request volunteers for weekend.
- Media monitoring showed no incorrect information today.
- Michigan Association of Broadcasters is sending PSA to radio stations.
- Coordinating with Red Cross on volunteers for weekend.
- Deployed 8 Water Response Teams to the field today (approx. 120 volunteers). 78 Red Cross volunteers active across the operation today.
- National Guard is ramping up to have 3 soldiers per shift at each POD tomorrow. Will also have a Public Affairs Officer at the JIC and liaison at the local EOC.

- Senator Ananich visited the SEOC today to see how things operate. The visit went well and he seemed happy with the number of staff working the Flint event. He tweeted out a message indicating there is still a lot of work to be done but all are working hard.
- DHHS
  - The Community Health Emergency Coordination Center (CHECC) is working on the following:
    - A nutrition plan
    - Education materials, messaging, and working with local agencies
    - Developing a community assessment for disaster behavioral health services.
- Lined up the delivery of filters to two large apartment complexes and a student housing complex.
- We have the list of individuals needing home service (additional contacts will be sent to the Ops Chief at the Local EOC each day at 4:00). Info will be provided to the sheriff's office for action.
- Water Response Team Numbers (this is not the total of homes with filters – I will provide that number tomorrow but it appears we have filters in over half the residences):

	TOTAL	1/12/2016	1/13/2016	1/14/2016
Occupied Homes	1450	242	492	716
Vacant Homes	1967	152	161	1654
Total Homes	3417	394	653	2370
Resources				
Door Hangars	1487	217	453	817
Water	588	117	254	217
Filters	945	112	220	613
Pitchers	22	3	13	6
Water test kits	217	48	109	60
Replacement Filter	482		137	345
Total Resources Dispersed	3741			
Future sample test site	114	28	34	52

---

#### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

#### Update 1/13/16 – 9<sup>th</sup> Day (8<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Prepare/approve logistics plan and close lease on warehouse space
- Continue with door to door teams and finalize planning for second wave increase (+15 teams – total for 1/14/16 will be 20)
- Continue to work on Governor's Declaration of an Emergency

##### Attached Documents:

- SitRep 8

##### Status on Governor's request letter to the President:

- All support data from state Agencies and local jurisdictions collected as of 6:00 pm on 01-13-16
- Current timeline:

- First draft completed and ready for review by State Department Directors (including the Attorney General) by 11:00 am on 01-14-16
- State agency reviews due back by 1:00 pm on 01-14-16 for revision of the draft
- Revised draft to Captain Kelenske by 2:00 pm on 01-14-16 for review and forwarding to the Governor for final review
- Final draft (based on Governor's review) submitted to FEMA Region V Administrator by no later than cob 01-14-16 but hopefully sooner. FEMA is aware and ready to receive.

#### Requests and potential response from FEMA/President

- The letter will request all programs eligible under the Stafford Act including Public Assistance, Individual Assistance, Hazard Mitigation, FEMA's coordination of assistance from other Federal agencies and direct assistance from FEMA
- The letter will also request potential direct reimbursement from other Federal agencies such as EPA, CDC, HUD, DHHS and SBA
- This request is in coordination with the request for Non-Stafford Act federal assistance already requested and received by the State (technical assistance and administration, but no direct reimbursement of disaster costs)
- Direct Federal assistance from FEMA in the form of Individual Assistance to homeowners for household repairs (repair and/or replacement of water service lines and Other Needs Assistance to reimburse for water filters, bottled water, etc.) is a possibility
- Direct Federal assistance from FEMA in the form of Public Assistance is not as likely as it is mostly replacement of publicly owned water distribution lines (and not the direct result of damage from a natural cause)
- If Stafford Act assistance is denied (Public Assistance, Individual Assistance and Hazard Mitigation) FEMA could still provide coordination of assistance from other Federal agencies if the President declares a disaster (or emergency) for the State of Michigan

#### Key items for tomorrow to note are:

- The door to door teams will continue at 9 a.m. – 5 p.m. Thursday morning and continue through the weekend.
- We will continue to ramp up door to door operations with additional teams. Teams are focusing on the high lead level areas and additional data is being analyzed to focus mission areas.
- MNG will have a press event at the armory with incoming soldiers and MG Vadnais.

#### Items to Note

- Received information that Rev. Jesse Jackson will be in town 1/17/16 at 1:30 at the Heavenly Host Church of the Harvest of Dartmouth St, Flint.
- Managed and corrected misinformation on NG role.
- Senator Ananich is stopping by the SEOC tomorrow morning 0845. I am meeting with him and his Chief of Staff. Short visit as he has a 0930 at the Capitol.
- Working with Comcast so they can put teams in the field for distribution.
- Penske is going to give us 15-20 trucks over the weekend.
- Contact made with Two Men and a Truck for resources.
- Meeting set with Google where they will brief me and key staff potential tasks.
- Coordinated with Flint Mass Transportation Authority (MTA) to include Fire Station PODs on bus routes.
- Tomorrow I will have a projection as to the number of teams needed to get all citizens filters in their homes in 5 days / 3 days.
- We are standardizing team structure and supply deployment to increase efficiencies. Mission Ready Package (MRP) specifications will be sent out for other entities to assist with door to door. They will then be able to arrive as a MRP, get supplies, receive a mission location and deploy.
- 5 Water Response Teams were in the field again today. Below are the numbers from the 2 days of just the Water Response Teams (there are paper copies with data still to be entered from the PODs). I was just briefed by the ARC logistics planner and there are efficiencies we can put in place to increase homes touched per day. The next version

of the app will provide more granular details. Additional 30 tablets were configured by DTMB today for field implementation to include use in the PODs.

	Total	1/12/2016	1/13/2016
<b>Occupied Homes</b>	533	242	291
<b>Vacant Homes</b>	238	152	86
<b>Total Homes</b>	<b>771</b>	<b>394</b>	<b>377</b>
<b>Resources</b>			
Door Hangars	473	217	256
Water	265	117	148
Filters	235	112	123
Pitchers	9	3	6
Water test kits	92	48	44
Replacement Filter	93		93
<b>Total Resources Dispersed</b>	<b>1167</b>		
Future sample test site	62	28	34

- We show 17,276 residences with filters (this does not include data entry to be completed from POD or other locations).
  - We have 35,378 service hookups but with apartments, multi residence dwellings, etc we would be around 45,000.
- Logistics Support
  - The American Red Cross Logistics Planner provided me a brief and I approved the plan forward. The current plan includes:
    - Mission – A filter in every home ASAP.
    - 4 Distribution Methods
      - PODs (5)
      - Water Response Teams (20 effective tomorrow and this will increase)
      - Local EOC “Hot Shots” (these are calls for functional needs, unable to get to a POD location due to ??, etc). Personnel dispatched with supplies.
      - Local EOC support for other local requests (Faith based for distribution, etc.)
    - Three warehouse locations at this time
    - How to better leverage ARC resources
- Supplies – Daily Numbers
  - Replacement Cartridges - 30,700 delivered.
  - Water (cases) - 19,152 cases delivered
- Budget projection completed and will be submitted to SBO for review.
- Notes from Water Response Team Command (MSP)
  - Very good synergy between Flint Post troopers and Genesee County Sheriff command and deputies in effective and efficient deployments for distribution efforts.
  - Great attitude and efforts by uniforms and volunteers to make important contributions to the City of Flint on water response team deployments.
  - Clear direction and coordination in the field of supply teams by lieutenants and troopers. No confusion. Clearly defined roles.

**All personnel continue to be fully committed to fixing this as quickly as possible.**

Chris

---

## Update 1/12/16 – 8<sup>th</sup> Day (7<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

I apologize in advance for the length of this report. With the supply issues we had the last couple of days I wanted to share our inventory plus what we anticipate to ensure we do not have supply issues.

### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Fine-tune logistics
- Increase and deploy door to door teams (4 state teams added to teams from the Sheriff's Department)
- Increase collaboration and messaging of collaboration with local agencies (specifically the Sheriff's Department)

### Attached Documents:

- SitRep 7
- Executive Order Activating the National Guard

### Key items for tomorrow to note are:

- The Governor signed an Executive Order activating the National Guard. Mission will be to relieve ARC volunteers at the PODs (Fire Stations) which will free up the ARC volunteers for door to door activities.
